foreword

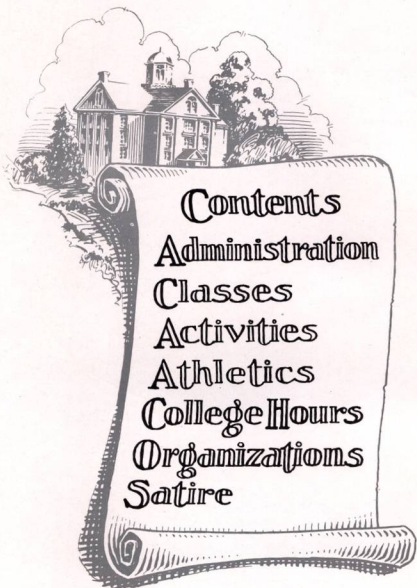

With the realization that beauty of surroundings and loveliness of natural association have always been paramount factors in the development of high ideals and earnest ambitions in the lives of men, and with a feeling that after all we do not fully appreciate the marvelous inspirations of natural magnificence that have been set up before us as guides to our every motive and thought, we offer this book as a cross-section of one year's progress in the historic life of our University, in the hope that it might be instrumental in recalling to us our highest ideals of college life.

Dedication

To the business men and other worthy citizens of Salem, who, building around the old mission school into which Willamette University later developed, have added to the natural possibilities of the community, and have unreservedly supported the University in making its contributions to the world, the Wallulah of 1928 is dedicated.

The WILLAMETTE CAMPUS

SITUATED as it is in the civic center of Salem, the campus of Willamette University forms one of the beauty spots of the city. Especially is this true since the task of re-landscaping has been carried through by two trustees, Mr. R. A. Booth of Eugene, and Mr. J. H. Booth of Roseburg. The efforts of these men have made the campus beauty a matter of pride for every student of the University.

Wallulah

Any person has some fascinating experiences, but the college student for four years dwells apart in a palpitating world of his own. And the trouble is that when he leaves the campus his college life becomes dim and is forgotten. Not so if he have a copy of the Wallulah to keep the past always alive. This book is to be a whole switch-board of electric buttons, each lighting up a room crowded with memories. It will be an Aladdin's carpet to transport one to Willamette again, a Fountain of Youth to cancel the years. It's a right hearty service to render, and who doesn't need it?

COLLEGE OF LIBERAL ARTS

THE branches of higher secular learning which the church brought down from the fifth century of the Christian era were called the Seven Liberal Arts. In the twelfth century they were the nucleus about which developed the University of Paris, the first university of modern type. When Willamette University first emerged in 1853 from the Oregon Institute, it was as a College of Liberal Arts. Law and medicine were added later.

This priority in time suggests also its fundamental place in higher education, for it is on such general training in the liberal arts that the best professional schools ground their special training. Likewise, students seeking the best preparation for useful citizenship turn to it.

The growth of the College of Liberal Arts at Willamette, like that of other institutions of higher learning, has been rapid in recent years. Even the requirements for entrance, for continuance in residence and for graduation have steadily advanced. In the last ten years it has more than doubled in the number of students in attendance, in number of its faculty and in endowment, and has now a student body well over five hundred, a faculty of thirty-eight members, a beautiful campus located at the civic center of Salem, the capital of the State, and an endowment of a million dollars. The quality of its work is attested by membership in the Association of American Universities and by the fact that its graduates are accepted in the leading graduate schools—the two tests that are the final mark of quality.

DIRECTOR OF THE SCHOOL OF MUSIC

SCHOOL OF MUSIC

MUSIC has taken its place in the world of education and culture as one of the most important factors in the development of the higher qualities natural to man.

It is the youngest and most potent of the arts, and its influence has done more to civilize the human race than any other medium of expression.

Desire is an instinct of the soul, the consciousness of forces working within us, the generator of moods and emotions.

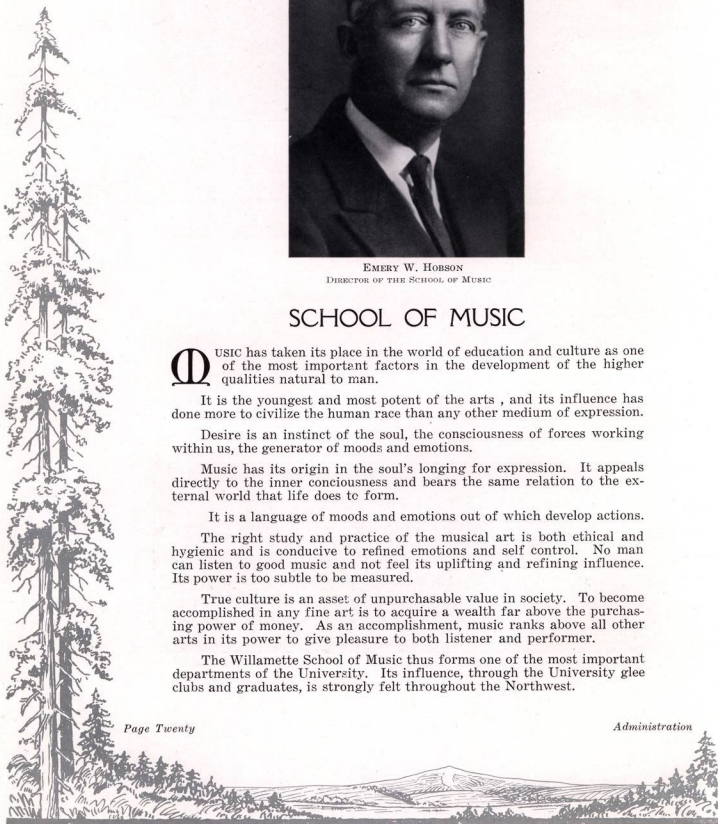

Music has its origin in the soul's longing for expression. It appeals directly to the inner consciousness and bears the same relation to the external world that life does to form.

It is a language of moods and emotions out of which develop actions.

The right study and practice of the musical art is both ethical and hygienic and is conducive to refined emotions and self control. No man can listen to good music and not feel its uplifting and refining influence. Its power is too subtle to be measured.

True culture is an asset of unpurchasable value in society. To become accomplished in any fine art is to acquire a wealth far above the purchasing power of money. As an accomplishment, music ranks above all other arts in its power to give pleasure to both listener and performer.

The Willamette School of Music thus forms one of the most important departments of the University. Its influence, through the University glee clubs and graduates, is strongly felt throughout the Northwest.

COLLEGE OF LAW

THE lawyer's task is troublesome and arduous. An understanding of human relations can be attained only by the intense application of the highest faculties supplemented by the broadest training.

The legal profession has made an outstanding contribution of men equipped to contribute to the social objective. This contribution is not the result of mere chance. Men who have achieved success in the legal profession must have had high natural endowments and have passed a very scrutinizing and highly selective test of their ability to administer and deal in all phases of human relations. Given men and woman who have the natural endowment, the task of the college of law is to develop social ideals, to train and inspire the individual to the achievement of that worthy of doing.

To the end indicated, Willamette University College of Law, during the forty-four years of its existence, has made a definite and outstanding contribution and it claims the privilege and responsibility of doing a greater work in the future. Situated as it is just across the street from the Capitol buildings of the State of Oregon, the Supreme Court Library is available and an opportunity is afforded to observe the Supreme Court and other agencies of the state in operation. The College appreciates the recognition of its past achievements, acknowledges its opportunity and welcomes its duty.

PRESIDENT LAW STUDENT BODY

LAW ORGANIZATION of STUDENT BODY

STUDENTS of the School of Law this year organized a student body organization for the first time. Previously, student body funds for law students were apportioned between the liberal arts classes, but with the perfection of law class organizations, students were given the right by amendment of the constitution of the Associated Students, to designate their fees to either law or liberal arts classes. The organization of the law students in no way affects their relationship with the Associated Students of Willamette University, but simply supplements this latter organization for the purpose of furthering the interest of the School of Law.

THE MILL STREAM

SIGNIFYING undisputable tradition, the old Mill Stream is perhaps one of the best loved, and yet most feared features of the Willamette Campus. It is not, however, without its scenic beauty, for the large trees overhanging the stream form a picture that can only be appreciated by one who has seen the old Mill Stream.

ACTIVITIES

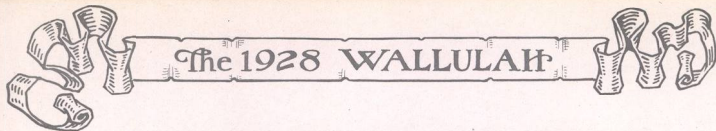

CHARLES REDDING
PRESIDENT ASSOCIATED STUDENT BODY

ASSOCIATED STUDENTS of WILLAMETTE UNIVERSITY

STUDENT Activities at Willamette are all, with the exception of the Glee Clubs, directed through the Associated Student organization. This form of supervision has proved entirely satisfactory. Centralization of finance and energy has brought about the gradual extension of all activities. A greater interest and more general participation by the student body has been the result. Representatives of the organization annually attend the conference of student body officials of colleges and universities of the Pacific Coast.

UNIVERSITY PRIZES

WILLIS PRIZE

COLONEL Percy Willis of Portland, Oregon, offers a prize each year of twenty-five dollars "to the student who throughout the school year has done the most real good to fellow students and the University by deeds of kindness and genuine helpfulness, coupled with steadfast devotion to high ideals and upright character." Mr. James McClintock of Roseburg, was awarded this honor in 1927.

ALBERT PRIZE

To the student who has been the most faithful in study and scholarship, and has made the greatest progress toward the ideal of character, service, and wholesome influence, a prize of twenty-five dollars is offered by Mr. Albert of Salem, Oregon. Three students are nominated by the faculty, and one is selected by the student body previous to commencement. Miss Dorothy Fisher of Portland was elected by the students in 1927 for this honor.

STEEVES PRIZE

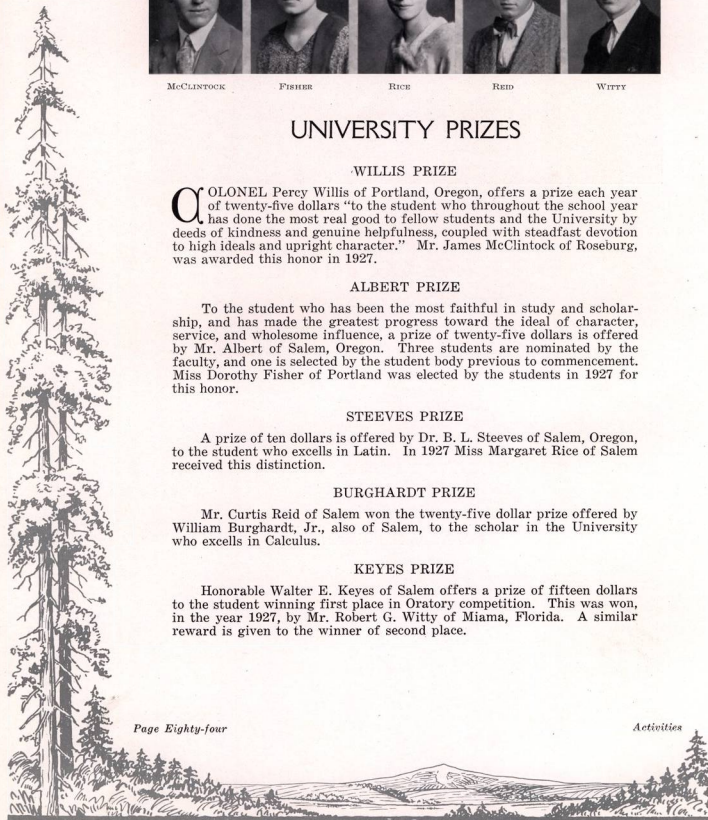

A prize of ten dollars is offered by Dr. B. L. Steeves of Salem, Oregon, to the student who excels in Latin. In 1927 Miss Margaret Rice of Salem received this distinction.

BURGHARDT PRIZE

Mr. Curtis Reid of Salem won the twenty-five dollar prize offered by William Burghardt, Jr., also of Salem, to the scholar in the University who excels in Calculus.

KEYES PRIZE

Honorable Walter E. Keyes of Salem offers a prize of fifteen dollars to the student winning first place in Oratory competition. This was won, in the year 1927, by Mr. Robert G. Witty of Miami, Florida. A similar reward is given to the winner of second place.

THE WALLULAH

THE 1928 Wallulah is but another effort to portray in so far as is possible the year's work and activities of the students of the University. To this end, a theme of local Oregon Scenery has been carried through the edition in the hope of bringing about a stronger realization of the relationship between nature and the ideals of men.

This Wallulah, the third to have been published under the new type of student body control, marks the change from the smaller to the standard size of the larger college annual.

WILLAMETTE COLLEGIAN

THE Willamette Collegian is the official publication of the Associated Student Body, issued weekly throughout the school year. The paper has a circulation of fifteen hundred copies, which reach the student body, alumni, high schools, colleges, and universities throughout the United States.

The purpose of the Collegian is to reflect and form student opinion, to carry news of all campus activities, and to represent the University among its readers who are not attending school. The Collegian of this year has been much improved in every respect, and more nearly meets the approval of the students who contribute to it and the business men of the town who support it.

THAT we may all be acquainted" the Alumnus is issued monthly by the University. This publication, subscribed to by alumni and friends of Willamette, serves as a medium of informing graduates of present student activities and of news of their old classmates. DR. JOHN O. HALL

THE FORENSIC COUNCIL

IT IS largely due to the organization of forensic activities on the campus by the Forensic Council and the unusual coaching of Dr. John O. Hall that Willamette has maintained her outstanding position in the Pacific Coast Forensic League.

Much credit is also due Thomas Potwin, manager of debate, who arranged contests for the Willamette debaters with the leading forensic schools of the coast.

MEN'S DEBATE

THE question for debate this year was: "Resolved: That American investors and investments should be protected only by the government of the country in which the investment is made." The two teams, Roy Harland, and Fred Tooze on the affirmative, and Charles Redding and Robert Witty on the negative, have expended much time and effort to maintain Willamette's enviable record in forensics.

Besides participating in the state debate tournament, the men's teams engaged in contests with the following schools:

February 29.....	University of Montana
March 8.....	Utah Agricultural College
March 16.....	Weber College
March 23.....	Washington State College

WORLD DEBATE TOUR

PLANS of a world debate for a Willamette team next year are now being completed. This announcement comes as a result of the efforts of Dr. Hall, who has made his wide acquaintance in foreign universities the basis of the arrangements for this trip.

This tour is only in keeping with the reputation and standard of Willamette forensic activities. Last year, by virtue of having won a larger percentage of all contests than any other school on the coast, Willamette University was declared by the Pacific Coast Forensic League officials to be the champion of this Western organization.

On June 1, it is planned that a big Forensic Festival will be sponsored on the campus for the purpose of raising funds for the European trip.

OREGON DEBATE TOURNAMENT

WILLAMETTE was host on April 27-28 to the first annual debate tournament for Oregon colleges and universities. Ten institutions were represented in the contest: University of Oregon, Pacific University, Pacific College, Eugene Bible University, Oregon State College, Linfield, Willamette University, Oregon Normal School, Southern Normal School, and Reed College.

Men's, women's, and Freshmen teams were entered from each institution. The plan of contest was that of elimination, leading up to the championship debate of the final evening. The coaches of the team acted as expert judges, for the contest.

This tournament is a new phase of forensic activity in the state of Oregon. The plan was suggested and worked out by the debate coaches of the various schools. The event promises to be one of the outstanding occasions of the forensic life of every university in the future.

WOMEN'S DEBATE

THE women's varsity debate teams spent an unusually active and successful season in 1928. Irene Breithaupt, manager of the teams, succeeded in arranging for many interesting contests. The question debated was: "Resolved: That the United States should cease to protect by force of arms capital invested in foreign country except after formal declaration of war." The affirmative team was composed of Bernice Mulvey, Senior, and Edith Starrett, Freshman. Evangeline Hall and Margaret Pro, Sophomores, comprised the negative team. Esther Lisle was the other member of the squad. The following schools were debated:

February 20 and 27	LINFIELD COLLEGE
March 15	COLLEGE OF PACIFIC
April 18	PACIFIC UNIVERSITY

IT WAS announced this fall that the oration of Robert Witty, Willamette debater and orator, had won second place in the nation-wide Constitution contest, the Western eliminations for which were held last spring. This is indeed a rare honor that Mr. Witty brings to the Willamette campus. He plans to enter the contest this year.

PACIFIC COAST LEAGUE ORATORICAL CONTEST

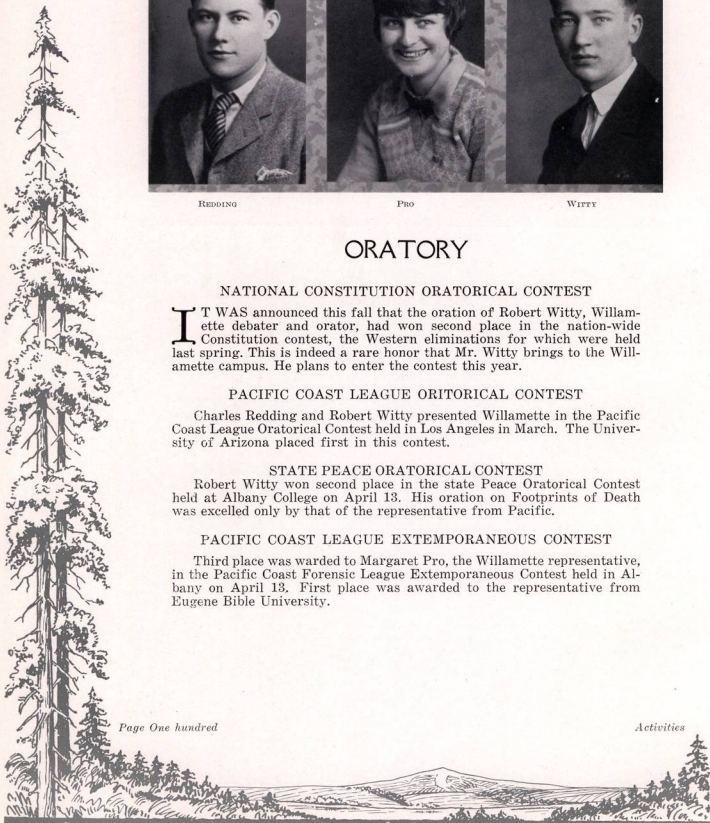

Charles Redding and Robert Witty presented Willamette in the Pacific Coast League Oratorical Contest held in Los Angeles in March. The University of Arizona placed first in this contest.

STATE PEACE ORATORICAL CONTEST

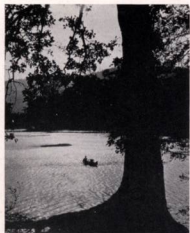

Robert Witty won second place in the state Peace Oratorical Contest held at Albany College on April 13. His oration on Footprints of Death was excelled only by that of the representative from Pacific.

PACIFIC COAST LEAGUE EXTEMPORANEOUS CONTEST

Third place was awarded to Margaret Pro, the Willamette representative, in the Pacific Coast Forensic League Extemporaneous Contest held in Albany on April 13. First place was awarded to the representative from Eugene Bible University.

WOMEN'S GLEE CLUB

THIS year the Women's Glee Club has gained prominence for itself and for Willamette University by the 800-mile tour into Southern Oregon, beginning March 17, and continuing through the following week to March 30. The success of the trip was due largely to the efficient management of Miss Frances McGilvra. The itinerary of the tour is as follows: Canby, Drain, Marshfield, Bandon, Myrtle Point, Butte Falls, Ashland, Medford, Central Point, Roseburg, Wendling and Junction City.

The program given this year consisted of classical numbers, solos, readings, stunts, and college songs. The marimba solo work of Miss Edith Findley was a feature attraction. Miss Kathleen Garrison proved a very pleasing and talented reader. The Dutch stunt was unique in that it was entirely pantomime with the occasional use of single letters of the alphabet.

The Women's Glee Club has gradually assumed prominence until it is now of first importance among campus organizations. Its purpose is to produce the finest type of choral and ensemble singing among women students and so promote a deeper interest in music on the campus.

THE Men's Glee Club is composed of the finest men's voices on the campus. This organization completed a successful tour this year under the able management of Mr. Laurence Schreiber. The trip included the following cities in Northwestern Oregon and Washington: West Linn, Portland, Hood River, The Dalles, Pendleton, Walla Walla, Richland, Kennewick, Lower Naches, Ellensburg, Condon, Washougal, Forest Grove, and Newberg.

The Club gave its home concert in the Elsinore Theater to a large audience of Salem people who declared it one of the finest clubs that Willamette has ever produced. Other concerts of this twenty-fourth season were given in Jefferson, Monmouth, and McMinnville.

The Varsity Quartette, the members of which are also members of the glee club, is a vital factor among musical organizations of the campus. The Quartette has been offered an opportunity to tour on an Eastern Chautauqua circuit for the summer of 1928, which offer is rare for a Western musical organization. Such a tour would advertise Willamette's musical achievements in a manner that would prove very beneficial to the University.

ALUMNI ASSOCIATION

IT IS with a great deal of satisfaction and pride that Willamette looks to her alumni. Perhaps no other school on the Pacific Coast can claim a greater percentage of its graduates among men and women who have become outstanding public figures. The influence of the school is, through them, strongly felt in all fields of life as an inspiring and steady force for high ideals of character and fellowship.

To further the interests of the University, alumni in various parts of the country have organized a number of Willamette Clubs. Much has been done by them to keep alive the spirit and honor of old Willamette.

COACHING STAFF

COMING to Willamette at a time when the athletics of the University were at a low ebb, Coach Roy S. Keene has developed successful teams for the last two years until now the name, "Bearcat," is one to be respected by any athletic squad in the Northwest. The Cardinal and Gold colors have become firmly fixed among the leaders in all major sports of the Northwest Conference as a result of "Spec's" efficient tutelage.

Joe Kasberger, former O. A. C. star and a man with three years' experience as coach at Mt. Angel College, served as football line coach this year.

Kenneth "Red" Denman, another Orange and Black luminary, drilled the backfield during the past football season. As he was one of the best backs turned out by the State college in recent years, "Red" knew his football and assisted Coach Keene in developing a very capable aggregation of backs.

Graduate Manager Lestle J. Sparks, besides serving as Frosh basketball and Varsity track coach, also helped Coach Keene with the eleven.

Bill Ashby, ex-Salem High and University of Oregon basketball player, had charge of the basketball squad during the first of the season while "Spec" was supervising the football squad. Bill led the squad through a very satisfactory early season program so that when Coach Keene assumed control, he found a group of basketballers who had already received the necessary fundamental drills and were ready to learn the plays which would lead them to the front in conference ranking.

THE CUBS

THE Cubs are a lower-classmen's service organization composed of twenty-five men from the Sophomore and Freshman classes. They direct campus work, enforce tradition, usher at games, patrol the field during secret practice sessions, and seek to promote the welfare of the school in general.

The Cubs have petitioned National Intercollegiate Knights for membership, but, at the time the Wallulah goes to press, have not received an answer to their petition. Early in January a Willamette Night at the Elsinore Theater was held by the Cubs to help raise funds for this "Bearcat Knight" project.

The officers of the organization for the last year were: Frank Van Dyke, president; Frank Lombard, vice-president; Leland Sprecher, secretary; and John Versteeg, treasurer.

The 1928 WALLULAH

THE Willamette University football team went through a fairly successful season, losing only to Idaho and Whitman in Northwest Conference games. The Bearcats were rated third in the conference with a record of two games won, two lost, and one tied.

College of Idaho secured the Northwest Conference championship with five victories and no defeats. Whitman was second as they won every tilt except one with Idaho. Puget Sound was fourth, followed by Linfield and Pacific in the order named.

The season's summary for Willamette is as follows:

Willamette	6	Washington	22
Willamette	28	Oregon Normal	0
Willamette	6	Puget Sound	6
Willamette	0	College of Idaho	6
Willamette	6	Chemawa	6

WILLAMETTE VS. WASHINGTON

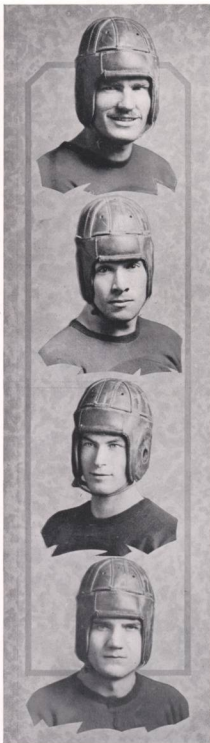

On October 1, the Willamette squad journeyed to Seattle where they lost to the University of Washington Huskies, 32-6. The score, however, does not indicate the type of fighting football put up by the Bearcats. Cook, Purple fullback, while attempting to pass in the second quarter, was rushed so badly by Versteeg, Bearcat tackle, that his effort sailed only a few yards into the waiting hands of Woodworth, Willamette guard, who dashed thirty yards to a touchdown.

The famed Purple Tornado found the Bearcat defence to be a stone-wall in the fourth quarter as the Huskies were unable to score in this final period. Propp, Woodworth, Versteeg, Hauk, and Haldeane played outstanding ball for Willamette while Bonamy, Carrol, Flannigan and Thornton were the leading performers for the winners.

WILLAMETTE VS. MONMOUTH

Sweeping around the ends and off-tackle for four touchdowns in the first half Willamette won a 28 to 0 victory from the Oregon Normal school eleven on Sweetland field, October 8. This game was featured by the brilliant playing of "Dutch" Deetz, 132 pound Bearcat quarter-back, Eaton, speedy half and R. DePoe, end, who kicked every goal after touchdown.

WADDILL VERSTEEG WINSLOW MUMFORD

WILLAMETTE VS. COLLEGE OF PUGET SOUND

Supported by a special train-load of rooters, the Willamette Bearcats battled the College of Puget Sound Loggers to a 6 to 6 tie in the Tacoma Stadium on October 15. The first score came on the opening play of the game when Eaton, after Mumford's kick-off had gone across the goal-line, fell on the ball before the Puget Sound players had even touched it. DePoe failed to convert. The Logger's touchdown also came in the first quarter. Recovering a Bearcat fumble on the twenty yard line, they completed a fifteen yard pass and, finding the Willamette line impregnable on three attempts, went around end for the score. Versteeg broke through to block the attempt at goal.

The Bearcats had another chance to score at the end of the first period when MacKenzie intercepted a pass on his own thirty yard line to run it back sixty yards to the Logger's ten yard mark. However, at this critical moment the Cardinal and Gold team was penalized five yards for delaying the game. Cranor, the only Bearcat back who was able to gain consistently, made ten yards and Eaton added another, but the latter's attempt at a field goal was blocked and the opportunity was lost.

The C. P. S. passing combination of Gillihan to Ferguson remained a constant threat throughout the game. After the fighting Bearcats had kept the ball in Logger territory for practically the entire contest, this aerial duet successfully completed two long passes to place the pigskin on the Willamette ten yard line just as the gun went off.

MORT HAWK EMMONS DEETZ

The 1928 WALLULAH

WILLAMETTE VS. COLLEGE OF IDAHO

The College of Idaho Coyotes conquered the fighting Bearcats by a 6 to 0 score, in a torrid battle on Sweetland field, October 21. By completing a forty-five yard pass in the last four minutes of play, the Idaho eleven put the ball on the Cardinal and Gold five yard marker, from whence the pigskin was carried over in three successive smashes into the line. The attempt at goal was blocked.

Curtis French, speedy Sophomore halfback, brought the stands to their feet in the closing moments of the first half with a forty yard return of an Idaho punt. His brilliant performances placed the oval on the Coyote fifteen yard line, but the gun prevented a possible Bearcat score.

WILLAMETTE VS. PACIFIC UNIVERSITY

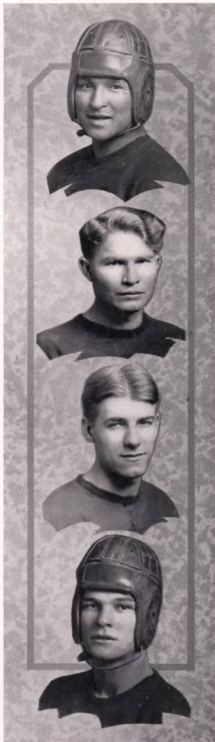

The Homecoming motto of "Back to Beat the Badgers" was fulfilled this year when Coach Kenee's proteges presented a 13 to 7 victory to a large crowd of alumni and students at Sweetland field on November 5.

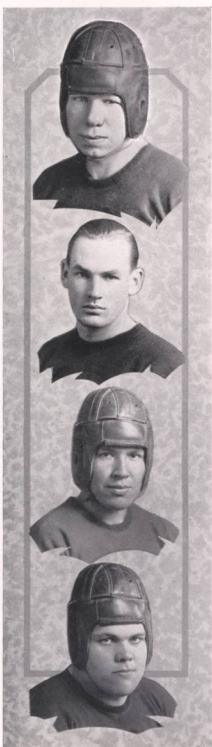

Pacific started the game with a rush and were leading at half time, 7-6, as the result of a fifteen yard pass to an end who dashed twenty yards for the touchdown. The try for point was converted.

The Bearcats came back determinedly in the second half with a series of line plunges and passes which netted a touchdown, two safeties, and a forty-four yard field goal, kicked by R. DePoe.

Cranor and Lang did most of the line plunging for Willamette and Haldenne and R. DePoe showed the most talent at snagging passes. The splendid work of Mort and Versteeg in the line was also worthy of note.

HALDEANE CRANOR ACKERMAN EATON

WILLAMETTE VS. LINFIELD

Displayed a well-balanced offense, coupled with a strong defense, the Cardinal and Gold machine gained a 12 to 6 verdict over the strong Linfield College team in the annual Armistice day football game on Sweetland field.

Brilliant and successful passing was a feature of the game, as both Linfield's and Willamette's first touchdown came as the reward of a resourceful aerial attack. The deciding score of the game, however, was the result of a powerful Bearcat line attack, launched from their own ten yard line, which netted six first downs from scrimmage. Lang and Cranor led in this offensive with the latter going over for the touchdown.

WILLAMETTE VS. WHITMAN

The Bearcats went into a bad slump in the final Thanksgiving game, losing to the Whitman Missionaries at Walla Walla by a score of 31-7.

As the field was in good condition, the game was made spectacular by long Whitman runs and short, snappy Willamette passes. The Missionaries scored early in the game when a fifteen yard penalty gave them the pigskin on the Bearcat twenty yard line, from which they bucked it across for a touchdown.

Whitman made another touchdown via the aerial route in the second period. The Bearcats also resorted to the air, but they lost their one opportunity of the first half when a pass over the goal line was grounded. The final three Missionary tallies were made in the last period.

After Whitman's fourth touchdown, Willamette received the kick-off to carry the ball the length of the field on seven successive passes for the lone Bearcat tally.

THE Willamette basketball season opened on the last day of 1927 when the Bearcats took the speedy Eugene Mohawk quintet into camp, 37 to 29. WILLAMETTE VS. U. OF O.

The Bearcats lost the next two games to the University of Oregon at Eugene on January 6 and 7, 36-17 and 30-23. In the first game the Willamette hoopers felt the absence of Cardinal, scintillating Freshman center, who was out with a sprained ankle; but in the second, with the lanky pivot man once again in the line-up, the Bearcats showed renewed life to rush the Lemon-Yellow squad through-out, making the outcome doubtful until the end of the game.

WILLAMETTE VS. GONZAGA

The first home game, played with Gonzaga on January 14, resulted in a Willamette victory, 39 to 26. The Bearcats displayed a strong defense and a powerful offense, led by the redoubtable Cardinal with 16 points.

WILLAMETTE VS. PACIFIC

The Cardinal and Gold of Willamette floated victorious over the Red and Black of Pacific after the contest at Forest Grove on January 20. The record at the half was 17 to 9, and altho the Bearcats played indifferent offensive ball, their airtight defense forced the Badgers to resort to long shots which made the final outcome, 34 to 24.

WILLAMETTE VS. COLUMBIA

Coach Keene's proteges conquered the Columbia University five, 37 to 10, in the Willamette gymnasium on January 21. Scoring at the rate of a point-a-minute during the first part of the game, the Cliff Dwellers' total equaled the Bearcats' at the end of ten minutes, but after this initial spurt, the Irish were unable to add a single point while the Cardinal and Gold quintet was rolling up 27 none.

WILLAMETTE VS. LINFIELD

The Linfield Wildcats came to Salem on January 28 with an aggregation of maple court performers who included among their number one Mr. Burton, a former National Interscholastic center, who was expected to stop Cardinal, the rampaging Bearcat pivot man. The score of 41 to 26 in favor of Willamette, however, tends to show that the whole "Cardinal" and Gold team was on a scoring spree which was unstoppable.

WILLAMETTE VS. U. OF O.

The Bearcat basketeers were defeated by the University of Oregon five in the final contest of their series, played in Salem on January 31, by a score of 45 to 33. As usual the Bearcats started slowly, but this time it was disastrous as they were playing a stronger team. Oregon held a 20 to 6 lead at the end of the first ten minutes, but for the rest of the game the Bearcats more than held their own.

WILLAMETTE VS. SOUTHERN OREGON NORMAL

A group of basketball players from sunny Southern Oregon representing the Ashland Normal came up to Salem on February 4 to out-fox the Willamette hoopers, 29-28. Led by the clever Wirth, who accounted for 16 points at forward, the lads from the Siskiyou effectively employed a stalling game in the second half until the Bearcats tied the score. Then, the Teachers sailed in to out-rush the University men and win by a single point in the closing seconds of play.

WILLAMETTE VS. WHITMAN

The Whitman Missionaries upset the Willamette Bearcats twice at Walla Walla on February 9 and 10, 36 to 21, and 39 to 29. The Cardinal and Gold hoopers held the advantage in the first game until the last four minutes of play when Hawk and Flesher, guards, were put out on fouls and Whitman slipped into the lead to win the victory. In the second contest the Missionaries, who had not been defeated on their own floor to date, checked more closely than in the previous battle.

WILLAMETTE VS. LA GRANDE

On Saturday night the Bearcats played the La Grande M. I. A. team, composed of ex-high school stars, and overwhelmed the La Grande lads 55 to 25. At one time the score was 25 to 2, but after W. U. substitutions were made, the town team was able to tally occassionally.

WILLAMETTE VS. COLLEGE OF IDAHO

The College of Idaho Coyotes were unable to keep up with the speedy Bearcats who won twice 43 to 22, and 31-24. The first game played on a small concrete floor at Caldwell was very rough, two men from each team being put out on fouls. The second contest took place on Ontario high school floor which was almost standard size. The weary Bearcats trailed the Coyotes until four minutes before the final fun when they speeded up enough to win by the substantial margin of seven points.

WILLAMETTE VS. COLLEGE OF PUGET SOUND

Playing the best basketball they had displayed all season, the Cardinal and Gold quintet swept over the biggest barrier to second position in the Northwest conference standing by conquering the Puget Sound basketeers, 48 to 31, and 39 to 29, on February 17 and 18. Led by Adams and Cardinal, and Litchfield, the Bearcat offensive, proved too much for the Loggers in spite of close guarding.

WILLAMETTE VS. PACIFIC

The Willamette basketball squad celebrated the end of the season and Washington's birthday by walloping their old rivals from Pacific University 55 to 14. The Bearcats did not score for the first eleven minutes, but after they once started, they rang them in at a rate of one every 65 seconds until the last gun was shot to end a highly successful season.

WASHINGTON HIGH TEAM

WALLULAH SPORTS

WASHINGTON High School of Portland won the Oregon High School basketball championship by defeating Medford High School, 31-27, in the final game of the tournament on March 18. The Colonials and Pearpickers put up a battle that will long be remembered in the annals of the State event, as it required two over-time periods to decide the issue.

Salem High, which had been eliminated by Medford the previous evening, won the consolation series and third place in the tournament ranking by conquering the strong Tillamook tea

Ten teams, representing the nine state districts and the Portland Interscholastic League, took part in the tournament this year which was the twelfth since the event was started by Coach "Bob" Matthews in 1917. Under the capable direction of Athletic Director Roy S. Keene and Graduate-Manager Lestle Sparks, who worked in conjunction with the members of the State High School Board of Control, the 1928 championship series was undoubtedly the most satisfactory to date, and assured the tournament for Willamette in future years if the same standard is maintained.

FRESHMAN BASKETBALL

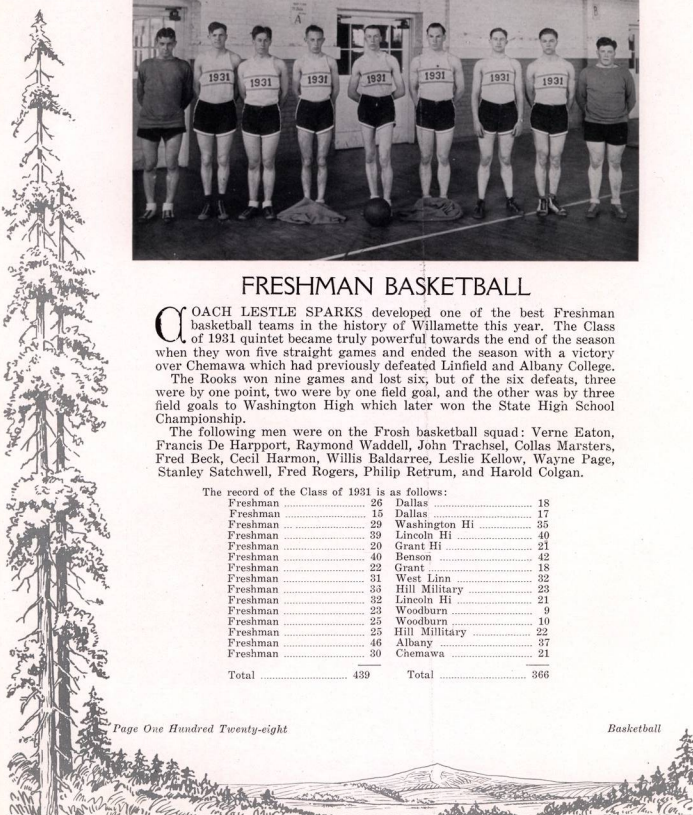

COACH LESTLE SPARKS developed one of the best Freshman basketball teams in the history of Willamette this year. The Class of 1931 quintet became truly powerful towards the end of the season when they won five straight games and ended the season with a victory over Chemawa which had previously defeated Linfield and Albany College.

The Rooks won nine games and lost six, but of the six defeats, three were by one point, two were by one field goal, and the other was by three field goals to Washington High which later won the State High School Championship.

The following men were on the Frosh basketball squad: Verne Eaton, Francis De Harpport, Raymond Waddell, John Trachsel, Collas Marsters, Fred Beck, Cecil Harmon, Willis Baldarree, Leslie Kellow, Wayne Page, Stanley Satchwell, Fred Rogers, Philip Retrum, and Harold Colgan.

The record of the Class of 1931 is as follows:

SPRING SPORTS

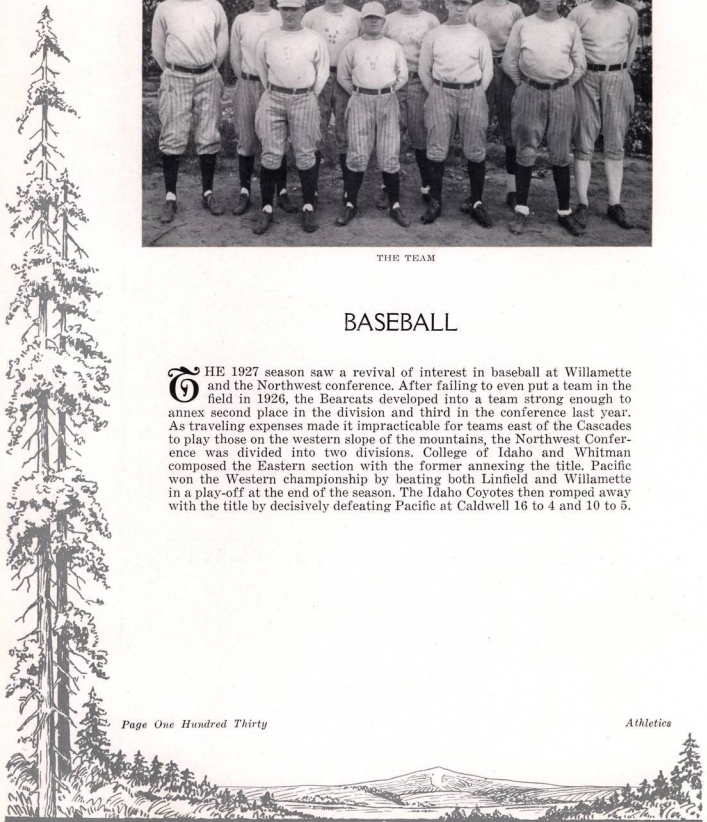

THE TEAM

BASEBALL

THE 1927 season saw a revival of interest in baseball at Willamette and the Northwest conference. After failing to even put a team in the field in 1926, the Bearcats developed into a team strong enough to annex second place in the division and third in the conference last year. As traveling expenses made it impracticable for teams east of the Cascades to play those on the western slope of the mountains, the Northwest Conference was divided into two divisions. College of Idaho and Whitman composed the Eastern section with the former annexing the title. Pacific won the Western championship by beating both Linfield and Willamette in a play-off at the end of the season. The Idaho Coyotes then romped away with the title by decisively defeating Pacific at Caldwell 16 to 4 and 10 to 5.

Willamette vs. O. S. C.

The Willamette University baseball team opened its 1927 season against O. S. C. at Corvallis, losing to the Beaver nine by scores of 11 to 0 and 9 to 3. Ledbetter and Ellis showed up well in the box in these two games, but they received poor support as the Bearcats' batting and fielding were not up to the standard they were to establish later in the season.

Willamette vs. Pacific

The Cardinal and Gold nine took the measure of the strong Pacific University team in the first Northwest Conference game, played at Forest Grove, by a 4 to 3 score. The result of this close battle completely upset the dope, as the Badgers had eight veterans while the Bearcats had not even had a baseball club the previous year.

Willamette vs. C. P. S.

On April 29 and 30 the College of Puget Sound Loggers were guests of the Willamette Bearcats who presented them with a pair of defeats, 7-6 and 6-1. Ledbetter pitched a steady game in the first encounter, allowing seven scattered hits, and Ellis added to his Pacific laurels by holding the Puget Sound batters to one run in the second tilt.

Willamette vs. Monmouth

The Oregon Normal nine were the next victims, being held to three lonely hits and a single run while the Cardinal and Gold diamond artists were collecting three runs on five hits off of Horn whose speed evidently bothered the Bearcats.

Willamette vs. Pacific

Pacific University provided the initial upset of the Northwest Conference season when Rannow, their star south-paw hurler, who had won victories over University of Oregon and Multnomah Athletic Club, held the Bearcats helpless while his mates were scoring two runs. Ledbetter pitched stellar ball for Willamette and with better offensive strength to support him would have won.

Willamette vs. Linfield

Lanky Ellis did not find the Linfield Wildcats hard to tame in a game played at McMinnville on May 18. He permitted but four hits and no runs. Welch, Deetz, Hawk and Roundtree were the heavy artillery of the Bearcats' batting attack which found Morehouse, Linfield hurling ace, for twelve hits and five runs.

In a retrun game played at Salem on May 23, Linfield emerged victorious to the tune of 4 to 1. The result of this contest threw the Western division of the Northwest conference into a triple tie between Pacific, Linfield and Willamette.

Willamette vs. Pacific

The Bearcats lost the last battle of the season to the Pacific Badgers, 8 to 3. This game was played on the afternoon of May 24 after the Badgers had beaten Linfield 10 to 1 earlier in the day. Rannow was again responsible for the Pacific victories as neither the Bearcats nor the Wildcats were able to seriously threaten him during the fourteen innings he worked.

THE 1928 SEASON

Prospects for a team which will again be a real contender for the conference title this spring look exceptionally bright. The graduation of Ellis leaves but one experienced pitcher to carry the burden of the season, but Vannice and Versteeg will undoubtedly prove good utility men to supplant Ledbetter's pitching. The infield otherwise remains intact and there appears to be a great deal of material ready to make the two outfield lettermen work hard for their positions.

TRACK SQUAD

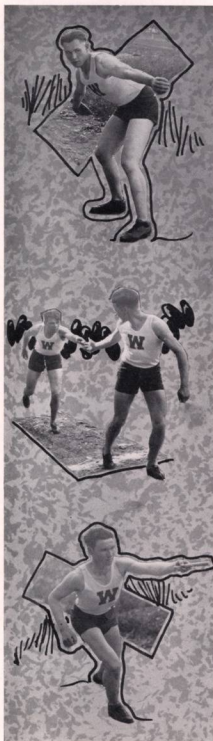

CHEMAWA MEET

THE Bearcats track squad won the first meet of the season with the Chemawa Indians on May 7 by a score of 81 2-3 to 49 1-3. Not counting the relay race which was won by Willamette, both teams annexed six first places and tied for another, but the Cardinal and Gold tracksters showed great reserve strength to garner enough second and third places to build up a substantial lead.

The Bearcats took all the points in the discus and javelin, but could only get a single counter in the shot-put. Both distance events were captured by Bringsgrubb, a lithe-limbed Indian runner, who brought the stands to their feet by sprinting past Hathaway, Bearcat ace, in the last few yards of a gruelling two mile race. Fleisher and Zeller, Willamette half-milers, fought their way to a tie in their event after a fast exhibition of running in which they matched each other stride for stride, for the entire distance.

LINFIELD MEET

By winning the final event, the mile relay, the Cardinal and Gold track team captured the honors from Linfield College in a dual meet on Sweetland field, May 11. The final score was 70 to 61, and it see-sawed back and forth throughout the entire meet, which was featured by the decided strength of both squads in certain events and obvious weakness in others.

The Wildcats started auspiciously by annexing all the places in the 100 yard dash and by winning first place in the next four events. The leather-lunged Bearcat distance men, led by the veteran two-miler, Hathaway, started a rally for Willamette by making a clean sweep of their race. In the meantime, the Bearcat spear-tossers, headed by a big Freshman named Ruch, collected all the points in the javelin. Hathaway and Emmons, W. U., tied for first in the pole vault; Oberson and McCrow, W. U., took first and second, respectively, in the shot put; Hartley, who wore a four-stripe Cardinal and Gold sweater for both football and basketball, proved that he was also adept at track by winning the high jump while his team mate, Taylor, tied for second place with a Linfield jumper; and Flesher stepped the half-mile in 2:08 to gain victory in that event.

PACIFIC MEET

On Saturday, May 15, Coach Lestle Sparks took his track team to Forest Grove where they lost a dual meet to Pacific University by a close score. This meet was featured by the brilliant races turned in by Flesher in the 880, McCormick in the mile and Hathaway in the two mile. Ruch tossed the javelin 179 feet in a preliminary trial to indicate that he stood a chance of taking all-conference honors in the big meet.

NORTHWEST CONFERENCE MEET

By taking first in the javelin and second place in the half-mile and two-mile, Willamette garnered eleven points at the Northwest conference meet at Walla Walla on May 22. This was enough to give the Cardinal and Gold colors a four point margin over Linfield which resided in the cellar. The meet was won by Whitman with fifty points. College of Puget Sound was second with thirty-two. Pacific was next in line with eighteen points, and they were trailed closely by Idaho with seventeen. Willamette was fifth and Linfield last with seven points.

Ruch won the javelin event by tossing the spear 155 feet. Flesher lost the half-mile by a short margin at the finish after he had lead the field in a heart-breaking race. Hathaway ran his usual good race in the two-mile, but was passed on the final stretch by Fassett, College of Puget Sound, who also won the mile.

MEN'S TENNIS

THE Willamette University men's tennis team secured a hard-earned victory over the Reed College racquetees, four to three. Minto and Walsh lost their singles events, but Minto, Howorth and Litchfield won theirs. Litchfield and Walsh defeated Crenholme and Willett, Reed, 6-3, 6-3, while Sweet and Shapiro, Reed were conquering White and Minto, 7-5, 2-6, 6-3, to divide the honors in doubles.

WILLAMETTE VS. O. A. C.

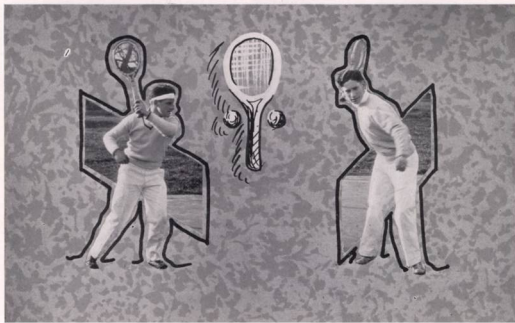

The first big match at home was the May Festival contest with O. A. C. which the Orangemen won, 4 to 3.

Captain Ikey White forced Atkinson, No. 1 for the Beavers, to extend himself to the limit in order to win, 3-6, 6-4, 7-5. Jack Minto defeated Spearow, second ranking Aggie man, 6-1, 3-6, 6-4. Walsh, veteran Bearcat tennis player, played thirty gruelling games with Blaine, O. A. C. who finally won 6-1, 3-6, 8-6. Litchfield won from McGrew, Aggies, in straight sets, 6-1, 6-4. Klaun, Orangeman, beat Haworth, Willamette, 6-3, 6-3. White and Minto swept over Atkinson and Spearow, 3-6, 6-3, 7-5, to take the first double's match, but Klaun and Blaine beat Walsh and Litchfield 6-3, 7-5, to give the victory to O. A. C.

WILLAMETTE VS. U. OF O.

In the afternoon of the day of the match with O. A. C., Willamette played a practice match with the University of Oregon tennis team which was lead by the redoubtable Okerberg who is one of the ranking players of the Pacific coast. The Lemon-Yellow squad took every match from the Cardinal and Gold racquetees who were tired from the hard games of the morning.

WILLAMETTE VS. LINFIELD

ON FRIDAY, May 14, the Cardinal and Gold tennis team made a clean sweep of the match with Linfield College. White, Minto and Litchfield easily disposed of their opponents in singles, and White and Minto proved invincible in the doubles event.

WILLAMETTE VS. REED — O. A. C.

Willamette won its return match with Reed college in Salem, but lost the second tournament to Oregon State at Corvallis on a day when a strong wind made good tennis virtually impossible.

CONFERENCE TOURNAMENT

In the Northwest conference tennis tournament at Linfield College, McMinnville, on Friday and Saturday, May 27 and 28, Ivan White and Jack Minto fought their way up through a strong field to place the Cardinal and Gold colors in second place in both single's and double's. Whitman won first place by gaining the championship over Willamette in each event.

In the semi-finals single's event, White conquered McHarness, Linfield, 6-3, 7-5, 6-2, while Joe Williams, Whitman ace, was winning his match also in straight sets. White lost to Williams in the final match, 6-2, 6-4, 7-5.

White and Minto easily disposed of Linklater and Jones, Pacific, in the semi-finals of the double's, 6-1, 6-2, while the Whitman team of Williams and Penrose had an equally easy match. In the finals, White and Minto lost a grueling four set match to Williams and Penrose, 6-3, 3-6, 10-8, 6-3.

WOMEN'S PHYSICAL EDUCATION

BECAUSE of the active interest taken by Miss Alida Curry, the Women's Physical Education department has experienced a successful year. The introduction of the "Efficiency Test" system has served to make the routine gym classes a source of competition and interest.

Miss Curry assisted with the coaching of the class basketball teams which participated in a series of games played in February. The championship was won by the Freshmen team composed of Rosalind Van Winkle and Margaret Schreiber, centers; Kathleen Garrison and Dorothy Pemberton, forwards; and Bessie Weaver and Edna Prescott, guards.

WOMEN'S TENNIS

THE Willamette University women's tennis team went through a highly successful season in 1927, losing but one match of the five played.

The Cardinal and Gold lady net artists invaded the Oregon Normal campus early in May and came away victorious to the tune of four to one. Louise Findley lost her singles match after three hard-fought sets.

Linfield divided honors with Willamette in the next match as Louise Nunn, playing No. 2, won her singles event while Captain Margaret Raught was losing to June Slough, ranking Linfield player.

The Monmouth Teachers were unable to win a match in the return battle at Salem. "Peg" Raught, Louise Nunn, Helen Knott and Irene Clark represented Willamette in stellar fashion.

Pacific University also lost a love match to the Cardinal and Gold girls who journeyed to Forest Grove on the Badger May Day.

The final match of the season was lost to Whitman, four to one. Helen Knott, '30, was the only Willamette girl to win her match.

Captain Raught, Louise Nunn, Helen Knott and Irene Clark, ranked in the order named, were the four Willamette girls to win letters.

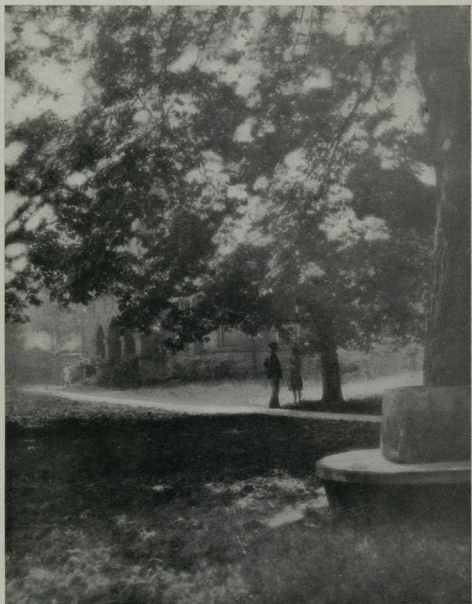

WOMEN'S ATHLETIC ASSOCIATION

MEMBERSHIP in the Women's Athletic Association is dependent upon participation in inter-class athletic contests and hikes to various local points of interest conducted by the organization.

The association holds an important position in the school, for it does much to promote athletic interest among the women of the University and makes awards for participation.

COLLEGE HOURS

COLLEGE HOURS

ONE of the outstanding features of any college or university is the opportunity for receiving what has been termed informal education in the guise of social contacts. Willamette is without doubt unusual in this regard because of certain well established events peculiar to the University. The annual May Festival always proves to be one of the most delightful of these. Upon this occasion the students pay homage to the May Queen, elected from the girls of the Senior Class, and make it a point to entertain visiting alumni and high school students. Perhaps the most unique feature of Willamette college life is the Freshman Glee. This contest, in which the classes contend for honors in the composition and presentation of original college songs, has been held annually for the last twenty years. From it, a wealth of songs has been collected, and because of it, Willamette has been designated "the singing school." In addition to these events, the annual fall Homecoming affords an excellent opportunity for students and alumni to know each other better.

The greatest benefit, perhaps, is gained by the student in his daily association with other students. This feature alone makes a year of college life exceedingly worth while. Social events are simply an exaggeration of this continual contact, to the extent that they are outstanding. College hours, then are not only pleasantries to be enjoyed, but are also opportunities from which to profit.

SOCIETY

IN THREE ACTS

THE stage is comparatively vast, being laid on the Willamette University campus and in the surrounding valley; there are no artificial stage mechanisms, for the lighting effects, and the outdoor settings are prevailed over and arranged by the elements. The actors of this drama are the students of the Willamette University; their objective, social progress.

ACT I

(Time: Spring; settings: banquet halls, resorts, and reception rooms.)

Scene 1: The performance begins with the Kappa Gamma Rho banquet; April 29. It is held in the Hotel Marion. A large number of guests, including active and alumni members, are present. It is an interesting affair, and significant too. Opening numbers always are.

Scene II: The time is May 13; the Junior-Senior banquet, the occasion. It is the customary banquet that the Junior Class gives each year to the Senior Class. It is being given in the main dining room of the Gray-Belle. A clever motif is being carried out in the program. President Carl Doney, being toastmaster of the

banquet, takes the leading role in the scene.

Scene III: Oh! The settings are so lovely! The Sororities of the campus are hostesses at three lovely parties. The Alpha Phi Alpha entertain in their home at 1190 Oak Street, carrying out most effectively a futuristic oriental motif. It is strangely fanciful. The Delta Phi entertain in the home of Dr. and Mrs. M. C. Findley with a Spanish party; long red tapers and gay festoons give the dashing Spanish effect, and the program presented during the evening bears the same element. The Beta Chi entertain formally following a unique and clever motif, "Progressive Postoffice"; they visit Frank Power, and Max Buren homes, returning the latter part of the evening to the Beta Chi home on 670 South Winter Street.

Scene IV: Much ado about nothing which justifies the adoing—It is May 28, and the Alpha Psi Delta Fraternity is picnicing at Neskowin Beach, while the Epsilon Delta Mu Fraternity is picnicing on the Santiam River. Hot coffee, cold salad—we like our picnics!

(The same scene, but the scenery and time shifts). It is June 4, and the Sigma Tau Fraternity is holding its annual picnic at Silver Creek Falls. There aren't any leads in this scene; each actor is of as much im-

The 1928 WALLULAH

portance as the other; it takes everyone's cooperation to make a scene with this theme complete.

Scene V: Commencement is held at the First Methodist Episcopal Church, June 10. The actors are capped and gowned to take part in the last performance of their college life, graduation. Marshall Dana, Associate Editor of the Oregon Journal, is the speaker; he admonishes the stupefied with the playing of Mendelssohn's "March of the Priests" by Professor T. S. Roberts; the dents "Think for Yourselves". The program is invocation by Dr. John Canse is then offered, and the scripture lesson is read by Reverend S. J. Chaney. The spirit of this scene is very impressive; the settings unforgettable.

ACT II

(Time; autum; settings: hiking lanes, dining halls, and skating rinks).

Scene I: The scenes are very colorful. It is autumnal season, and the upper classmen are finding the weather conveniently agreeable as they plan and present entertainment for the Freshmen who are entering the University this year.

The first entertainment of note is the Jolly Jaunt out to Chestnut Farm at which the upper class women are hostesses for the Freshmen girls.

The second affair is a lovely Y. M. and Y. W. formal party which is being given in the dining hall of Lausanne Hall. The hall has been transformed into a quaint old-fashioned garden; the formal evening clothes of the guests give the affair a very charming aspect. The guests are welcomed by a receiving line composed of faculty members and students prominent in the Student Body.

The next affair is the Kimball reception which is being held at the Kimball School of Theology. There are ever so many new students being received and they are becoming acquainted with the faculty members and older students. The decorations are not elaborate, but the pervading atmosphere of friendliness adds much zest to this scene.

The fourth affair at which the Freshmen, the young ladies particularly, are honor guests, is the tea which is given by the Junior girls in the home of Professor and Mrs. William E. Kirk. The program is charming, and the rooms are attractively shadowed with lighted tapers. Mrs. John Reed and Mrs. Alice Dodd are pouring at a tea-table, and a number of Junior girls, in their formal frocks, are assisting about the rooms.

Scene II: The climax to Sorority "rushing" season has come, and the Beta Chi, Delta Phi, and Alpha Phi Alpha are each entertaining with a formal dinner party. The Beta Chi carry out a carnival motif—red balloons, and various colored festoons, the Delta Phi carry out a charming colonial motif, and the Alpha Phi Alpha present an exquisite fairy motif.

The 1928 WALLULAH

Scene III: Shades of Caesar, Cicero, and Ovid! The Classical Club is entertaining with a formal party. The Philodossian Halls are made sprightly and interesting with Halloween symbols, and the program adds just the right element to make the party enjoyable.

Scene IV: The four different shifts in this scene are necessary because each of the four fraternities on the campus is entertaining with its informal party.

The Epsilon Delta Mu carry out in their affair a colonial motif; clever nosegays and the general plan of decorating bear out this quaint idea. The setting in this scene is made particularly artistic through the use of pennants, crepe paper streamers, and potted plants.

Somewhat later in the season, is the time of this next party at which the Sigma Tau Fraternity entertain. It is the occasion of their annual masquerade. Prior to the party, the house has been remodeled, and new hard-wood floors, and the plan of the interior decorating form a very lovely setting for the party. Helen Sande, Oscar White, and William Mumford receive awards for having the most clever costumes. The very unusual favors (minature iron elephants) and the cleverly presented program, add charm to the party.

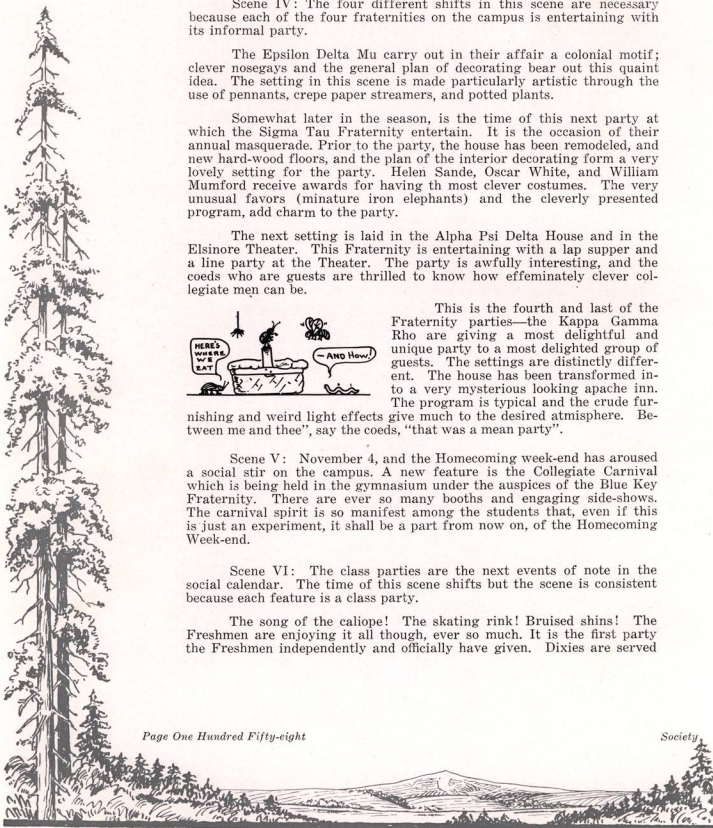

The next setting is laid in the Alpha Psi Delta House and in the Elsinore Theater. This Fraternity is entertaining with a lap supper and a line party at the Theater. The party is awfully interesting, and the coeds who are guests are thrilled to know how effeminately clever collegiate men can be.

This is the fourth and last of the Fraternity parties—the Kappa Gamma Rho are giving a most delightful and unique party to a most delighted group of guests. The settings are distinctly different. The house has been transformed into a very mysterious looking apache inn. The program is typical and the crude furnishing and weird light effects give much to the desired atmosphere. Between me and thee", say the coeds, "that was a mean party".

Scene V: November 4, and the Homecoming week-end has aroused a social stir on the campus. A new feature is the Collegiate Carnival which is being held in the gymnasium under the auspices of the Blue Key Fraternity. There are ever so many booths and engaging side-shows. The carnival spirit is so manifest among the students that, even if this is just an experiment, it shall be a part from now on, of the Homecoming Week-end.

Scene VI: The class parties are the next events of note in the social calendar. The time of this scene shifts but the scene is consistent because each feature is a class party.

The song of the caliope! The skating rink! Bruised shins! The Freshmen are enjoying it all though, ever so much. It is the first party the Freshmen independently and officially have given. Dixies are served

The 1928 WALLULAH

for refreshments to the warm and tired skaters. Humor is added to the scene by the unintended traffic jams.

There is no shifting of settings for this scene until the very last feature, for the Seniors are likewise giving their party at the Dreamland Skating Rink. (Such popularity must be deserved). When the rink closes, the home of Dr. and Mrs. M. C. Findley is the setting where the refreshments are being served with Miss Louise Findley as hostess.

Scene VII: The time in this scene is November 19, and the occasion is the annual tea at which the Dean of Women of Willamette University is hostess. Tall red tapers in gold candelabra with poinsettias arranged about their bases add distinction to the tea table. The reception rooms are correspondingly charming. A large number of the University women call during the receiving hours. Mesdames Bush, Reed, Hoff, Alden and Dodd pour during the afternoon, and a group of girls assist about the rooms.

ACT III

(Time: winter; settings: Sorority and Fraternity Houses, dining rooms, and recreation resorts).

Scene I: It is Friday afternoon, December 2, and the Clonian Literary Society is at home to the non-society girls of the campus. The rooms are transformed into a woodland which makes a charming background for the play, "The Elf-Child," which they present. The refreshments are daintily prepared and served.

Now it is Saturday morning, and the Adelante Society is at home with a morning matinee. They carry out an amusingly clever motif, "The Cat and the Canary", and serve breakfast at tables on which covers are laid for four.

Saturday afternoon, and the Chrestomathean Society is at home. The arrangements are clever. They carry out a characteristic "Dutch" idea, even to the refreshments. Their tulip and windmill favors follow out the Dutch motif.

It is a little later in the afternoon, and the scene is laid in the Philodorian Halls where the Philodorian Society is at home to the non-society girls. They carry out a cherry Christmas motif in keeping with the season; the favors, decoration, and refreshment all contributing to this plan.

Scene II: January 14, the time; the Sorority Houses of the campus, the setting; Open House, the big idea. The Beta Chi are at home from 7:00 o'clock until 7:30 o'clock, the Alpha Phi Alpha from 7:30 o'clock until 8:00 o'clock, and the Delta Phi from 8:00 o'clock until 8:30 o'clock. Each house welcomes visitors and at each house favors are given and refreshments served.

A great flurry of lively formal frocks—red and white festooning, red hearts and red tapers. It is February 11, the occasion of Lausanne

Hall Open House. The at home proves to be a charming success. The receiving line is in the main reception room of the Hall, and after being welcomed, the guests are escorted through the Hall by guides. In the second floor living room refreshments are served.

Scene III: Henry Thieles' restaurant in Portland is the setting and the actors are members of the Alumni of Willamette University and a group of its active students. This is the evening of December 28, and proves to be an interesting post-Christmas get-together.

Scene IV: It is February 2, and the occasion is the Post-Examination Jubilee which is being held at the Dreamland Skating Rink. A number of clever feature skates are being presented. A very unusual aspect of this jubilee party is the Leap Year dating that it incurs.

Scene V: The Freshman Glee parties are the last feature presented in the sketch that depicts the social life of Willamette University. Terminating the thrilling Freshman Glee event, the classes each gather to reflect joyfully or mournfully on the awards of the evening.

Exultant—the Juniors are gathered in the balcony of the White House. A torn favor here and a torn favor there. The Juniors in their glory have quite forgotten to be modest and they toast and chatter unrestrained over Sundaes and small cakes.

Agreeably surprised, the Sophomores in the Green Gate Room of the Spa are cheerily singing over the strawberry sundaes—justifiably merry. Green demons and green pigs are the favors—queer, indeed, but in keeping with the minds of the elated Sophomores.

The Seniors are gathered in the Gray Belle, inhibiting their joy at escaping fourth award in the glee contest. Short talks are given at the brief informal gathering; Dean Erickson is presiding.

Dejected the Freshman are gathered in the Gymnasium of the University. Despondency here—despondency there. The Freshmen in their sorrow have quite forgotten to be merry, and they plot and speculate over cookies and Dixie cups as to just how the prize is won.

This much of the drama is ended, but no curtain falls, for to this there is no grand finale. This is merely an excerpt from the serial drama of the social life on the Willamette University Campus.

OLD FIRST CHURCH

"Old First Church," which serves the student body of Willamette University, is a church with a glad hand, a glowing heart, and a glorious history. The fine edifice of red brick with its imposing columns and inspiring spire in full view of the campus was built in 1872, but the organization of the society dates back to 1834 when Rev. Jason Lee and his co-laborers came on their mission to the Indians and established a place of worship on this site. The first church was built in 1851 and was replaced by the present building in 1872. The church has had an honorable roster of leading ministers for its pastors and has always been the standby and supporter of the University in Christian Education. It is well organized and equipped for a full program of Christian work and provides opportunities for service for all ages and classes of people. Its broad portals swing open to the public and its dignified order of worship attracts and inspires all who come. Its large pipe organ and chorus choir lead in the music and its Student Forum Bible Class and Epworth League afford special privileges for the social and religious life of young people.

Barber: Would you like anything on your face when I finish?

Ian McIver: Well, you might leave my eyebrows.

Don G. "What do you do in dramatics?"

Frank A. "I'm the stage coach. What are you?"

Don. "Oh. I'm the fast male."

Miss McGill: (in English class). "Don, what are the two genders?"

Don: "Masculine and feminine; the masculine is divided into the temperate and the intemperate and the feminine into the frigid and torrid."

WILLAMETTE UNIVERSITY COLLEGE OF LAW

The College of Law was established, as a department of the University, in 1883. Its purpose is to provide a thorough legal education for students who are fitted by their maturity and previous academic training to pursue professional study under university methods of instruction. The curriculum covers three academic years, and is calculated to afford an adequate preparation for the practice of law in any jurisdiction of the United States. Special attention is paid to problems of local law in the State of Oregon.

This school is fully accredited by the State and Federal authorities for the payment of benefits to those entitled to them under the returned soldiers, sailors and marines educational aid and vocational training acts.

The College of Law of Willamette University stands high in the estimation of the Supreme Court of Oregon as evidenced by the following extract from a letter written by the Supreme court to the President of the University.

"In our examination of applicants to practice law in Oregon, we have always found the graduates of the Willamette Law School as fully and well prepared as the graduates from any of the law schools including the leading colleges of the United States, and graduates of the Willamette Law School have repeatedly taken first honors in such examinations. We have also observed that many of the alumni of the Willamette Law School have taken high rank in the practice of their profession, and are among the prominent and useful citizens of the Pacific Northwest, thus reflecting credit not only on the law school, but on the Willamette University, which they regard as their alma mater."

The College of Law has several special advantages. It is located in the capital city where the Supreme Court is almost constantly in session. The Law Department has exceptional facilities in its nearness to the State Library which contains more than 40,000 volumes, to which the law students have free access.

The law classes are held in Eaton Hall which is centrally located upon the college campus, directly across from the State Capitol. Law students are members of the Student Body of the University and have the opportunity of engaging in the various student enterprises and activities.

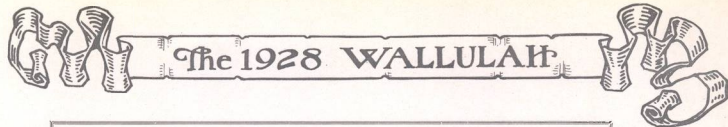

REQUIREMENTS FOR ADMISSION

Applicants for admission to the Freshman year must be at least 18 years of age and of good moral character. Each applicant must have satisfactorily completed a four years' high school course or its equivalent and one year's work amounting to 30 hours credit in the College of Arts and Science of Willamette University or its equivalent.

INTERESTING

A COLLEGE FORD

The Ford is my auto. I shall not want another. It maketh me to lie down beneath it. It leadeth me beside the repair shop. It soureth my soul. It leadeth me in the path of ridicule for its name sake. Yea, though I ride in the valleys, I am towed up the hills, for I fear much evil when thou art with me; thy rods and thy engine discomfort me; I anoint my tires with patches; my radiator runneth over. Surely if this thing follow me all the days of my life, I will dwell in the bug-house forever.

It certainly does pay to have a son in college.

"What does?"

"Dad."

A BIT OF LEAP YEAR

Bashfulness was once the style
To make a maid stroll down the Aisle,
But stronger tactics soon came in
And boldness ceased to be a sin,
When Leap Year had her day.

Co-eds found it hard, each night
To bid a fond adieu, just right
And open doors, and give the pay,
And walk outside all the way,
When Leap Year had her day.

Independent laddies learned
That the tables could be turned.
When other fellows had the date
And at home they had to wait,
While Leap Year had her day.

But some poor lads rushed so much
Their books they couldn't even touch;
Dates each week from five to ten
Can they wear their hats again,
Since Leap Year had her day?

When brazen sisters stepped the men
Their girls sure saw their value then.
They got them back again—and how!
It's said they treat them better now
Since Leap Year had her day.

The Library had crowds each night
There was no vacant seat in sight;
Each man around the room did roam
To vamp a girl to take him home
When Leap Year had her day.

Irate daddies wrote to say
They hoped this fad would pass away;
Allowances weren't big enough
Which for the dad was mighty tough,
When Leap Year had her day.

So though Leap Year has her place
She sets Cupid such a pace
That if she visited every year
Naught but couples would appear,
If Yeap Year's powers held sway.

—By Katherine Everett.

Q: When do you expect to graduate?

Senior: Every year.

Lady: "Could I see the captain?"

First Mate: "He's forward miss."

"I'm not afraid. I've been out with college boys."

Balog: "What is the oldest refrain on the campus?"

Na: "Refrain from smoking."

Woodie: "I never like to eat."

Carol P. "Why's that?"

Woodie: "It spoils my appetite."

Opportunity never skinned her knuckles from knocking.

Salem's Largest Restaurant and Confectionery

Many young people appreciate a school that looks after their individual needs. This school does that very thing, and is in session throughout the entire summer. It specializes in Bookkeeping, Shorthand, Typing, Commercial Law, Bookposting Machine Work and kindred subjects. Skilled teachers, modern methods, ample equipment and pleasant surroundings. We are pleased to give information to any who are interested. Telephone 388.

Advice to Sigma Tau Pledges:
Don't worry if your job is small.
And your rewards are few;
Remember that this mighty oak
Was once a nut like you.

He who laughs last is trying to
think of a dirty meaning.

'Tis better to have loved and lost,
than never to have had a car at all.

Wise Cracker (just back from his
bowl of milk): I learned about women
from her—sister.

Bill Tweedie says that it doesn't
pay to be good looking when there
are other criminals at large who are
good looking.

He Profits Most Who Serves Best

The most powerful and greatest of all advertising is carried "by Word of Mouth," merchandise and service so good that friend tells friend, classman tells classman.

This we are proud to say has been the basis of our success outfitting Willamette students.

They tell us of the blushing bride
Who to the altar goes,
Down the center of the church
Between the friend-filled rows.

There's Billy, whom she motored
with,
And Bob, with whom she swam;
There's Jack, she used to golf with
him,

And Steve, who called her lamb;

There's Ted, the football man she
owned,

And Don of tennis days;
There's Herbert; yes, and blonde
Eugene,
Who had such winning ways.

And here is Harry, high school
beau,

With whom she used to mush.
No wonder she's a blushing bride;
Ye Gods, she ought to blush.

Dean Clark attacked by two highwaymen put up a terrific fight. Finally he was overcome and searched. All they found on him was a dime. The bandits were amazed.

"Say," exclaimed one, "you don't mean to tell us you put up a battle like that for a measly dime. Why, we almost had to kill you."

"Well," answered the dean, "the truth of the matter is I didn't want my financial condition exposed.

Sigma: Say, you've worn that suit for a month. Why don't you have it pressed?

Sighs: That's what I think, but my roommate can't see it that way.

WHOLESALE

Broadway and Market Sts.

There had been a train wreck and one of two traveling students felt himself slipping from this life. "Goodby, Charlie," he groaned to his friend. "I'm done for."

"Don't say that, Jim, old boy," gasped the other in horror. "For heaven's sake, don't end your last sentence with a preposition!"

Madge—So Jack is no longer in your good graces. You found your idol had feet of clay, eh?

Ethel—Worse, I danced with him and found he had feet of lead.

Dot—So they're married. Why she's old enough to be his grandmother.

Margy—Don't be unkind. But she is old enough to be his mother.

Ian McIver was attacked by two highwaymen last fall and put up a terrific fight before he was finally overcome and searched. All they found on him was a dime. The bandits were amazed. "Say," exclaimed one, "You don't mean to tell us you put a battle like that for a measly dime. Why we almost had to kill you."

"Well," answered our hero, picking himself up and brushing himself off (for he was stepping out that night). "The truth of the matter is I didn't want my financial condition exposed.

SALEM—PORTLAND—SPRINGFIELD

"Is there anything you would like to do before I press the button?" said the warden of the prison to the murderer in the electric chair?

"Yes, sir. I would like to give my seat to a lady."

Frank A: "I started out on the theory that the world had an opening for me."

Gay: "And you found it?"

"Well, rather. I'm in the hoie now."

Paul G, (twice nicked by the razor) Hey, barber, gimme a glass of water.

Barber: Whassa matter, hair in your mouth?

"No, I wanna see if my neck leaks.

Him: Didn't you say there was something you liked about me?

Her: Yes, but you've spent it all.
