TAYLOR WINS YW PRESIDENTIAL RACE

LEWIS IN SECOND OFFICE

Eddy and White Fill Secretary and Treasurer. Cabinet to be Chosen

Dorothy Taylor of Salem was elected president of the campus Young Women's Christian Association in the annual election held in Eaton hall Wednesday. Betty Lewis of Portland was selected vice-president of the order, and other officers chosen were Margaret Eddy of Independence, secretary; and Eloise White of Salem, treasurer.

The race for president was close between Emily Brown, the defeated candidate, and Miss Taylor. Neither of the presidential candidates have held any office in the organization during the past year, but both have been associated with Y. W. work.

Opposing Miss Lewis for vice-president was Helen McPherson. The elected candidate who is a sophomore previously held the office of secretary.

Miss Eddy, Freshman, won the election by one vote from Muriel White of the same class. Three candidates were in the field for treasurer including Miss White, Marjorie Nelson, and Doris Clark.

When asked as to her plans for the coming year Miss Taylor who is confined to her home in Salem had nothing to say. Installation of the officers will be held shortly after vacation, and a new plan will be followed in the installation service.

The remainder of the cabinet which is appointed by the outgoing president, Elsie Tucker, and the new president will be selected in the near future.

MISS MORANGE WINS DRATORICAL TITLE

Miss Marton Morange won the state oratorical contest held at Forest Grove March 8, with her oration on "Wild Wings," a conservation of bird life.

The judges of the contest were the coaches from the competing schools numbering six in all.

Miss Morange received three first places and one second out of the possible five.

The O. S. C. coach who gave Miss Morange first place said that her oration was "the most delicate presentation given in such a forceful manner he had ever heard." This victory gives her the title of state oratorical champion for 1928 and '29 in the old line contest.

A bronze bust of Abraham Lincoln will be awarded some time in chapel to Miss Morange.

1929-30 CATALOG SOON READY FOR ISSUANCE

The catalog for 1929-30 will soon be ready for distribution. The book will be practically the same as last year with the exception of a few changes in the courses offered.

The entrance requirements have been changed somewhat. A student must be a graduate of standard high school, and have completed one major and two minors, or two majors and one minor while in high school.

STUDENTS SELECT MAY QUEEN CANDIDATES; 3

Official Election Is After Spring Vacation; Unsuccessful Become Maids

Nomination for May Queen will take place at the regular student body meeting Friday. The selection will be made from among the women of the senior class by popular ballot.

Each student votes for three representatives and the three receiving the highest number of votes become candidates for the office. The two unsuccessful candidates of the regular election automatically become maids to the queen.

According to the constitution the nominations should take place on the third Friday of March, but on account of spring vacation, it has been set forward a week. The official election will occur soon after spring vacation.

GRADS HOLD MEET WITH WU STUDENTS

Second of Annual Gatherings Sponsored by the Blue Key And Alumni

Thursday night, March 21, the students of Willamette will meet with the "Younger Grads" in Portland at Henry Thiele's restaurant at 8:15 p. m. The program will be furnished by the students, and will be on the theme "Taking the campus to the alumni".

Various student officers will present the activities of the student body to the assembled group with the idea presenting information in an entertaining manner. Group songs will be entered into, and several musical numbers will be given by the Varsity quartette.

Inasmuch as the alumni will have as their guests high school young people a part of the program will be directed at them.

Dean Erickson and Coach Keene will both give short talks on the general theme, Keene sketching athletic prospects for the coming year.

The student-alumni meet was inaugurated last year by the Blue Key fraternity and under the influence of this organization promises to become an annual affair.

UNIVERSITY OFFERS BUSINESS COURSE

Willamette is expecting to offer a Business Administration course for the next year. Although there has been no official action taken, it is an assured development. The creation of this department will also broaden the present Economic courses. The establishment of a Business Administration department has been long contemplated and will be a pleasant announcement to many of those students who have wanted this course as well as those who have wished for a bigger Economics department.

WOMAN IS NEW LAW PROF.

Another member has been added to the faculty of the law school who will teach Domestic Relations to the Freshman class. The new instructor is Mrs. Martin who is connected with the firm of Martin, Martin, and Martin local attorneys in Salem.

Friday evening Dean Olive Dahl had as her dinner guest, Miss Fern Goulding.

VARSITY DEBATERS DISPUTE WITH USC

FACE WYOMING MEN HERE

Face University of Arizona Duo on March 20. Closed Debate Held

The Willamette team will meet the University of Southern California team on March 20, and the team from the University of Arizona, on March 21.

The two debates which are scheduled for Willamette during spring vacation will be given before the Dallas High School student body.

Willamette's representatives will be selected from the following debaters: Roy Harland, Jack Routh, Charles Campbell and Warren McMinimie.

To Meet University of Wyoming

An important event in the debate calendar will take place when Willamette opposes the University of Wyoming team on March 28, on the local campus. The Wyoming men are making their third debate tour of the western part of the United States. The record which the University of Wyoming has made in the last five years places her among the strongest debating schools in the United States. During this period Wyoming has won 52 out of 70 decision debates.

Last Saturday Willamette met the team from the Southern Oregon State Normal School in a closed debate. Ray Lafky and Jack Routh represented Willamette and Wood and Law, the Normal school. The question was Resolved: "The plea of temporary insanity in defense of crime should be prohibited by law." It was a no decision debate. The visiting debaters have invited Willamette to a return debate to be held in Ashland in the early part of April.

CURTIS REID WINS N. Y. SCHOLARSHIP

Curtis Reid, senior in physics, received a position in New York University as assistant professor. He will receive \$1900 a year. Besides teaching he will have the opportunity of doing graduate work in physics with tuition paid.

He will take over this new position sometime the first of September. His work will consist of 12 hours a week instruction and three-fourths full time work in his post-graduate courses.

Each year the heads of the various departments of the university write to schools inquiring concerning vacancies to be filled by student assistants. If such exist, the student applies, giving all credentials, grades, and references involved.

FORENSIC COACHES TO MEET AT U. OF IDAHO

A meeting of the Pacific Coast Forensic League will be held at the University of Idaho March 28 to April 1. Willamette is one of the smaller colleges represented in the group. The purpose of meeting is to decide on questions to be used in debate the next year.

The W. U. council has chosen Mr. Lee Chapin to represent the university. Two students, an orator and extemporaneous speaker will accompany him.

Washington Downs Wallowa Chemawa, Myrtle Point In First Two Tourny Games

Eastern Oregon Men Push Portlanders Hard Holding Lead to Get Under Basket

Hard fighting hoopers from Wallowa came very near upsetting the "dope" with a vengeance Wednesday night when they held a lead over Washington high, last year's champions, throughout almost the entire third quarter in the first game of the state high school basketball tournament at the Willamette university gymnasium. Washington came back strong in the last quarter and won 32 to 25.

Captain For Men's Tennis Gives Call

John Minto, captain of the 1929 tennis squad announces that all men who wish to try out for the tennis team are to hand their names in to Leslie Sparks as soon as is possible and that pairings will be made after Spring vacation for squad place tryouts.

SENIOR LETTERMEN HAVE GOOD GRADES

Thirty-four Women and Thirty-three Men Considered in Compiling Averages

Senior lettermen are good students according to average of their grades as compiled by the registrar's office using last semester's grades as a basis.

The following figures are used to compare the grades of the lettermen with those of the non-lettermen. These grades were taken from the records of the senior class for the semester ending February 1, 1929.

Sixty-six names were considered, thirty-four women and thirty-nine men. Of the men there were fourteen lettermen and eighteen non-lettermen. The fourteen lettermen made an average of 85.3 per cent as compared to the 88.4 per cent average of eighteen lettermen.

The women's average grade was 88.4 and the average of the whole class was 85.3 per cent.

The results show that the lettermen who remain in school till their senior year are good students. In fact the lettermen rate a little higher than the non-lettermen, but a little lower than the entire field.

EDITOR SAYS WALLUAH WILL BE OUT MAY DAY

"The Walluah will be out May Day if everything goes according to plan," is the statement of George Poor, the editor. The borders were printed last week, and all the material has been sent to the engravers.

Fifty of seventy-five pages have been set up and are being proof read. The first two hundred pages will be printed during spring vacation.

Roy Harland has been chosen to assist Frank Van Dyke in collecting advertisements here in Salem. Mr. Van Dyke reports that, although business has been pretty poor, collections have been very successful. Most of the "ads" from Portland are in, and the Salem merchants are responding well.

The Portland champions are not exactly a "one-man" team, although Ed Lewis, all-state center last year, scored 19 points and was the key man both on offense and defense. Inman and Pearson also showed up well, and Washington's defense was consistent at all times.

Crawford, Sarrett Star for Losers

It was largely on a basis of that Wallowa staged its threat against the favorites. In Crawford and Sarrett Wallowa has two of the speediest men that have been seen in any high school game here this season. They were down the floor like two flashes of lightning at every opportunity, and proved accurate both on long and short shots.

Washington was ahead all of the first half, which ended 17 to 14, but within a few seconds after the second half opened, Sarrett ducked under Lewis' arms to score a field goal and tied the score on a free throw awarded on Lewis' foul. Lewis scored for Washington and Sarrett promptly tied the score again. Clark scored the goal that put Wallowa ahead. Lewis tied the score a third time but Wallowa was leading 24 to 22 at the end of the quarter.

Washington's defense then tightened and Wallowa was held to one point throughout the last period, while Lewis scored enough points to give his team a safe lead.

Summary:

Washington	W	Wallowa
Inman (7)	F	(5) Clark
Acheson (3)	F	(4) Pine

Indians Fast But Miss Many Shots

The Chemawa Indians were not as accurate in shooting Wednesday night as they were in the district tournament last week, but they proved entirely too fast on the floor for the youngsters from Myrtle Point, and Chemawa won 23 to 17.

The boys from the southern part of the state tried little except hopelessly long shots throughout most of the game. Two minutes before the first half ended and three minutes before the second half ended, they staged effective rallies, scoring practically all of their field goals in those two short intervals. They made only one point in the first quarter, and none in the third quarter.

The Indians played their usual speedy floor game, in which teamwork rather than individual play is the outstanding feature. Prettyman and George of Chemawa tied with Bruelner of Myrtle Point for scoring honors, each getting seven points.

Summary:

Chemawa	W	Myrtle Point
Prettyman (7)	F	(6) Carver
Simmons (1)	F	(7) Bruelner
George (7)	C	Barklow

Hello Fellows

Nine groups of high school basketball teams have met in the Willamette gymnasium in as many years to enter into the sport and to decide the state championship. You who are here this year representing your various districts are making possible the tenth annual tourney. We of Willamette both as students and as the university extend to you our sincerest welcome with the wish to make your four day stay in Salem as satisfactory and as interesting as is possible.

With this idea in mind the campus now belongs to you, and it is with a "hello," that we say it. True, we will be involved in our studies to the partial exclusion of the more entertaining feature of watching the progress of the series of play-offs. Nevertheless this does not mean that you are excluded from the buildings. Rather does it mean that when the activities at the gymnasium do not claim your attention you are expressly invited to inquire about the working of the institution. As a small college we sincerely offer for your inspection and for your approval—Willamette university.

We ourselves have just come through a successful basketball season in which our standing in the Northwest conference has not been headed. It is our wish that we could offer to each team present a similar state standing, but as this is impossible, we congratulate you upon your season this far.

In your home districts the people are watching your scores fired with the progress of each succeeding tilt. Newspapers will carry your names in the headlines. Radios will take them to thousands of listeners. Your titles will go down in sport history. The glory of the Tenth Annual State Basketball Tournament is yours.

A Palatable Get-Together

Next Thursday night the students meet with the Portland "Younger Grads" for their second annual spring meeting. It is the purpose of the practice which was started last year to bring the alumni closer in touch with the conditions existing now in campus life, and to arrange a meeting of the students with these former members of the college.

Conventions are plentiful and are as a rule just as dry as they are plentiful. But get-togethers carry a different flavor, one which is much more palatable to those interested. It is this latter flavor which is prevalent in the student alumni meeting. "Taking the Campus to the Alumni" is a theme which is not

only interesting but fruitful as well. It can bring about a more intelligent and beneficial understanding between the university and those who call it their Alma Mater.

A Hole in a Window

A small hole in a window of the gymnasium is all that remains physically to remind one of the disturbance which started at that building last Friday night. Mark you, we said physically for the smoke has not yet cleared away from the fire which resulted. Willamette perhaps stands to lose the tournament for next year, and Salem stands to lose an institution which in past years has been profitable, promising to be more profitable in the future both from a standpoint of advertising, and from that of dollars and cents.

Blame has been laid, apologies made, and all that it is possible to do by authorities to rectify the mistake in which they had no part. We hope that the hole in the gym window will serve during the tournament as a decided reminder of their folly to those who participated in the outbreak Friday.

"A Good Y. W. President"

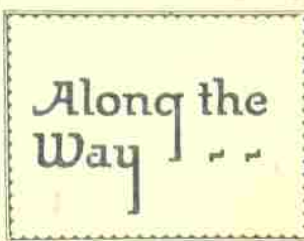

Wednesday the first campus organization held its election of officers for next year, and with this election the senior president of the Y. W. C. A. ceases to act in an official capacity of the association.

The campus Y. W. during the past year has climbed from a relatively unimportant position in campus life to one which has prompted comment on the part of national Y. heads to the effect that Willamette has the liveliest campus Y. W. C. A. in the Pacific northwest. Such a statement could not be propounded were it not for the leadership and expended efforts of Elsie Tucker, the retiring president. We ourselves wish to borrow a phrase used by the university head, 'A good Y. W. president.'

The management would like to suggest to the person that stole the Collegian typewriters that they drop in at some opportune moment and get the covers to the machines, which they left.

"Dad thinks college is all right, but he kicks because I keep asking for money."
"I thought he promised to give you a liberal education."

(By The Wayfarers)

"Wear our best and wish for better?" We should say not! "Wear our best and fish for better—in the home pocketbook."

Red Denman says, "All women are usually alike but once in a while I find one that's a little bit different."

And then you get married—may we add.

On the heels of the Delta Phi announcement that their informal party will be a manless affair comes a rumor from the Kappa house to the effect that the Kappa banquet is to be metamorphosed this year. The Kappas, it is whispered, are doing away not merely with co-eds but also with their traditional tuxes. The substitute is not definitely known, but it is supposed to be somewhere between overalls and cords.

"Please do not Mutelate," says a sign over in the park. (?) A queer combination. The first part sounds like sorority initiation but the hindmost syllable listens like an admonition or a reminder of lonely weekends.

When a prof asked an ornithology student if she was filled with her subject, she had to reply that they didn't serve chicken for lunch at the Hall.

It would do Jason Lee's heart good to hear the last question in a recent Ed exam: Explain—such phrases as "sinful man" and "be borne again."

Those Irish sophomores surely made a big mistake when they tried to enforce the wearing of the green by making the errant rook-uses play policeman. They like it. And who wouldn't get down on their knees with a tin cup and beg if the students furnished the pennies!

It is understood that Dean Dahl made the statement that the only one who was running her competition for the deanship of the university was William Smullin.

We could easily understand it if the administration put up "No Sparking" signs around the campus; but why all the "No Parking" signs?

Our old friend, the Lemon and Green heap, is in the public eye again. Rumor whispers that a cop pinched it for going too many ways at once on a one-way street.

And have you heard that the officer who did the dirty work got a delightful case of tetanus from a scratch from its rusty tin.

We don't blame the owner a bit, either, for being flattered when the man-on-the-putter asked him, "What's your hurry?"

These fraternity shariatans say that they know from experience that it really does go too fast—up and down.

It takes a queer class of reasoning to figure that it's wrong for the men to play checkers in the "Y" hut on Sunday but that it's perfectly all right that after vacation most of us have to return to school on Sunday.

Yes, we could return the Saturday before; but who is going to pay five or ten dollars for a ticket home and then cut their visit even a day short!

Twelve Years Ago

Supported by a large delegation of W. U. rooters, Frank Jaaper won second place in the state Inter-Collegiate Oratorical Contest at Monmouth with his oration "The Invisible Devastation of Selfish Strife".

Manager Ford's vague dream of a few months ago is now one of the most established realities of the campus. The university quartette is certainly a live organization and its travels in the interest of Willamette have been remarkably successful. Although definite plans have not been made for engagements after spring vacation it is to be hoped that the good work will be continued for its advertising value is splendid.

Graduates of the medical school, law, oratorical, and music schools of Willamette are receiving the particular attention at present of the faculty committee on the Alumni Director. Enthusiastic replies to the letters which were recently sent out by the committee consisting of Professors Matthews, Kirk, Reynolds, and Ford are being received on every mail. Many new features of the proposed book will be considered at the next meeting of the committee in the near future.

**REVIEWER PRAISES
MEDLER'S PLAYING**

Malcolm Medler, of the class of '27, has won much praise for himself in the special work that he is doing with Mr. Jane Thacher of the University of Oregon school of music. He appeared in a recital in the music auditorium at Eugene, Tuesday evening, March 5 and won much praise from the reviewer and much appreciation from the audience.

In speaking of the Greig number which he played and of the Caprice Viennese—Kreisler the reviewer said:

"The Greig was an achievement. There was a delightful niceness about the individual notes and the finale, *molto allegro*, was especially noteworthy for the fine shading in it. Mr. Medler put all the traditional feeling into Schubert's Impromptu in B flat, which led the third group, and Kreisler, I believe would have been pleased to hear his interpretation of the Caprice Viennese—Kreisler."

**'JUST FOR LUCK' IS
ROLE OF WELLMAN**

True to the custom he started when he directed Paramount's super picture, "Wings," William A. Wellman plays another part, "Just for luck," in his newest production, "Chinatown Nights," which will open a four day run Saturday at the Elsinore theatre. Wellman will not be seen in his part in "Chinatown Nights" but his voice will be heard at frequent intervals throughout the action.

In "Wings," this young director played a bit, a dramatic one, depicting a soldier dying by the roadside, the victim of a stray shell. It was one of the bright spots in the picture. In "Chinatown Nights," Wellman speaks the lines of a barker for a sight-seeing bus, soliciting fares for a trip through "that mystic, mysterious land of opium dens, the sacred joss houses, the meeting places of tongs."

Wellman believes that "luck" follows this practice of taking some small part in each of his productions. He is one of the best known and most successful of Paramount's younger school of directors, having handled such big productions as "Wings," "Legion of the Condemned," "Beggars of Life" and "Ladies of the Mob."

Generating Brain Power

BRAIN power, not horsepower, is the chief operating requirement of the electrical industry.

This requirement must be continuously anticipated to provide leaders for the future. Accordingly, each year, more than 400 picked college graduates come to the General Electric Company for a post-graduate course in electrical science.

With a faculty including inventors and engineers of international distinction, something more than electrical knowledge is imparted to these young men. Here they also find inspiration which prepares them for leadership in this electrical age.

You will see this monogram on the powerful motors of an electric locomotive and on the convenience outlet where you plug in a floor lamp—always and everywhere it is a safe guide to electrical quality and dependability.

CARDINAL IS AHEAD IN MINUTES PLAYED

Ed Cardinal, high scorer for the Northwest Conference, led the Bearcat squad in minutes played during the recently concluded season with a total of 560. Cardinal played in every game and in many of them played the full forty minutes.

Hauk with 537 was close behind. The flashy guard missed one game of the O. S. C. series or he probably would have led his big teammate. Scales with 523 minutes was the only other man to top 500.

Other lettermen who played shorter periods are: Adams, Fleisher, Ledbetter, Litchfield and Gibson.

Dean Dahl entertained her mother at dinner Sunday.

EXPENDITURE OF GLEE ANNOUNCED BY ROEDER

According to Wesley Roeder, the total expenditure for Freshman Glee amounted to \$212. Decorations and flowers alone cost \$92. It is hoped that this total will be lowered to about \$185 by selling the stage to the incoming Freshman class next fall.

The miniature ship "Lansanne" which was used in the entrance to the gymnasium, disappeared immediately after the glee. Anyone who knows anything concerning its whereabouts is requested to report to Wesley Roeder.

Fraternities Have Initiations On Q. T. Many Men Display Forms In Ladies' Attire; Eat Backwards

"Alpha Psi Delta and Sigma Tau announce the initiation of several of their pledges into membership."

Since we have discovered why we have been so rudely ignored the past week by certain rooks we feel relieved. It's like "Babe" Ruth says:

"If every baseball to which I have affixed my signature were placed one on the other, I wager the second one would roll off the first one before the third one was placed on the second one."

It always comes back to one thing: You cannot enter a house until you climb its steps. We were ignored most rudely, most necessarily.

Before you enter the house you must climb its steps.

Mr. E. Dumas we, the judges, (names withheld for fear of campus riot), shall place you foremost upon the all-star aggregation of initiates. First, because you bore yourself in no mean way at the Alpha Psi Delta-Miller's style show, (yours was a "performance that thrills") and, again, because you have conducted yourself as the great Lindbergh—stoically impervious to sound, sight, or women? Mr. Dumas, is there no (to) morrow in your life?

Percy Carpenter, just think you are on the all-star aggregation, simply because you were naturally yourself. We proffer you a big hand upon your womanly conduct in the recent style show.

Yes, Charles Campbell, we know now why you said what you said yesterday about the musical accompaniment to Al Smith's campaign:

"The man who first sang that song had frat initiation in mind—'East side, west side, all around the Town.' Except they didn't

keep the boys in town—it was east side, west side, all around the state.

you will not soon forget your step-before you enter the house. Guess you will not soon forget your step-climbing days.

"If it were originally intended that one should eat his meals with the back of a chair in front of his face, I'll bet they would have made more convenient backs." This is what a certain Girod fellow thinks

But you are safe, safe, at last, the worst has passed, etc. You are in the house, but, say, we ask you, did you ever climb steps like that before?

ADVENT OF LEE TO BE COMMEMORATED

In 1934 Methodism will celebrate the 100th anniversary of the coming of Jason Lee to the Oregon country, according to a resolution adopted at the Methodist General Conference of 1928.

In 1834 Jason Lee established the Flathead Mission ten miles down the river from the present site of Willamette University. Around this small Indian school

grew up the first white settlement from which proceeded the present day civilization and culture of the Northwest.

Still under the leadership of Jason Lee the mission was later moved to the present site of the Willamette gymnasium, but as a school for Indians it failed and was abandoned in 1844. A few years earlier the white settlers,

appointed a committee to organize a school for white children. The abandoned mission site was bought for \$4,000, and became known as the Oregon Institute.

In 1853 a charter was granted to the Oregon Institute for the establishment of Willamette University. Since then Willamette has enlarged until now it owns \$834,000 of real property and has an enrollment of about 550 students.

MINA HAGER WILL SING IN CONCERT

Glee Club Presents Student Alumni Concert at Elsinore Monday, March 25

The Willamette University Men's Glee club will present a Glee club-alumni concert at 8 o'clock Monday evening, March 25, the Elsinore theater. The club has secured Mina Hager, well-known mezzo-contralto, as a special soloist. Miss Hager has won distinction with her remarkable interpretative qualities, her sympathetic, beautiful voice, and her well-schooled vocal delivery.

She received her fundamental training at the Wesleyan university in South Dakota, under Prof. E. W. Hobson, and sang in the First M. E. choir, which he directed. Her first engagements were with the Chicago Grand Opera company. Before long she was soloist with the Minneapolis Symphony orchestra, and then toured as soloist with the Chicago Symphony orchestra.

Makes Success Abroad

Later Miss Hager went abroad and sang in London and Berlin, winning instant success and a place as soloist with the Berlin Philharmonic orchestra. Miss Hager has been enthusiastically received wherever she has sung, and upon returning to America she became the first soloist of the Hollywood Bowl season in California.

A leading Los Angeles newspaper states that "added to her musicianship is a charming presence and an ingratiating personality. Both served to make her conquest complete."

Occasion to Be Homecoming

The Glee Club concert will be the occasion of a Glee Club Home-

Music Links Itself With Every Form of Life; Brings on Mumps

Music has always been said to link itself with every form of life, but at Willamette University has been discovered a new musical association. In concrete language it would be something like this, Music and Mumps!

Close scientific investigation on the campus has brought forward the following information. Out of ten cases of this lumpy malady all but three have been deeply and energetically engaged in the occupation of vocalizing.

The conclusion arrived at is this, music brings on mumps. But what is a conclusion bereft of an explanation. Hence this solution! A music student constantly projects the ears to listen for

tones. If the student is unduly interested the ears are likely to be pulled away from the head even as the jack rabbits' or our friend the dogs'. In this extended state the neck is forced to follow the ears—result swollen jaws or mumps!

Thus it is seen that no musician is immune. The W. U. students must take special care in avoiding the musician. But how can one identify the songster?

That is simple! At any moment one will see them placing their finger inquiringly under either ear and muttering in unmistakable rhythm, "Ear to ear the chorus swelling! Dear old school our W. U."

coming. The regular personnel will be strengthened by alumni members, including P. M. Blenkinsop, who has sung before the King of England; Everett Craven; William Wright; A. A. Schramm, State Bank examiner, and Richard Barton. Since the concert is taking place during Passion Week, the music will be largely of a classical type in keeping with the Easter season, and such as only a large club can sing.

JUNIORS KAVE CHARGE FEMININITY DISCUSSION

The juniors, led by Gaynelle Beckett, will conduct the third of the class-conducted Y. W. meetings this afternoon at 4:15 in the Y. W. room. Miss Beckett will present the subject "Fatalistic Femininity" which will then be commented upon as viewed from various angles. A MacDowell selection played by Helen McPherson will be a part of the musical program.

Men Set Date For Annual Stag Mix

In a regular meeting held after dinner at the Kappa Gamma Rho the Inter-Fraternity council decided Tuesday night to sponsor a Stag Mix for all of the men of the university on Friday night, April 19th. This is the date set by the Dean of Women for the annual Co-ed carnival.

It was further decided to make a closer check upon the grades of the members of the various houses so that the award of the scholarship cup could be made for the Fall semester.

Tourney to Be Successful Fraternity initiations were discussed, and it was brought out that all but one of the Houses had carried on their initiations with practically no general campus knowledge of the procedure.

The Council went on record as endorsing the Student-Body ple-

nic which is being sponsored by the A. S. W. U. with the support of the Blue Key fraternity.

The Willamette Bearcats averaged 35 points per game to opponents 31 during the 1929 basketball year. What might seem a slight margin for a championship team is explained by the sudden attack of sickness and injuries which hit the team during the practice season and the strength of the opposition during that time. That disastrous trip into Eugene and Corvallis, when with almost every Bearcat regular suffering from flu, the Oregon and OSC flies ran up one-sided scores, ruined the season's averages.

Within the bounds of the Northwest Conference the Bearcats have been more fortunate, scoring a total of 321 points to opponents' 229, an average of 40 to 27. Willamette's superiority in its league is forcibly shown by the average of the two games played with each team: W. U. 34—Linfield 30, W. U. 47—Pacific 23, W. U. 41—Whitman 32, W. U. 39—C. P. S. 26.

An interesting feature of the season is that in only four of the seventeen games, were the competing teams within eight points of each other and only one of those games was at home. That was the hair-raising 34-30 victory of the Oregon Webfeet and was, incidentally, the only one of the four games that the Bearcats lost.

Final Game to be Sent Over Radio

tournament Saturday night will be broadcasted over Radio station KOAC at Corvallis by direct wire from the Willamette gymnasium. Mr. Kadderly of the Oregon State station will have charge of all arrangements and will announce the play by play description of the Oregon State championship game.

Dean Roy B. Hewitt will have charge of incidental announcing including that concerning the history of the college.

COYOTE TRACKSTERS TO TROT ON CINDER PATH

COLLEGE OF IDAHO, Mar. 13.—(NIP)—With the approach of spring and the opening of the track season, work on the C. of I. cinder path is under way. The straightaway is being graded and recindered in an effort to make the track compare favorably with ovals of past years.

The old track on Cleaver field, which was displaced with the building of Straborn library, was widely known for its compactness and speed, being considered by some the best in the speed. With a few seasons of packing and settling the new track in College Stadium field should equal the old one.

TENTH ANNUAL TOURNEY OPENS

FIRST HELD 1917
BY R. L. MATTHEWS

Willamette Originator of Idea
Roseburg Wins First Title
Salem Second

The tenth official State Basketball tournament for high schools was opened last evening in the Willamette Gymnasium at 7 o'clock. This tourney was started in 1917 by Coach R. L. Matthews, who was then head coach at Willamette, but has since gained fame as head football coach at the University of Idaho and at Washington University at St. Louis, Mo. It was an invitational affair, and all the leading teams in the state were invited to participate. However, only seven teams, all from the Willamette Valley, were financially able to participate. The first three state tournaments were such an outstanding success from the very start that the State High School Association decided to take charge, and the first official State basketball tournament consequently took place in the Salem Armory in 1920, and has been held in Salem every succeeding year.

First Tournament Held in Willamette Gym

The scene of action was moved from the Armory to the new Willamette Gymnasium in 1924, which had just been completed. In 1926, a spacious balcony was added to the gym in order to accommodate the crowds that come to witness the state tourney.

COACH

"Spec" Keene

Roseburg carried off the first honors in 1917 by easily bowling over all competition, but in the two succeeding years, Salem High won the title handily. In 1920, at the first OFFICIAL state tournament, Salem and Franklin High of Portland had a close race, with Salem again winning, thus securing permanent possession of the cup.

Portland Schools Play First Year in 1921

Franklin won the title in 1921, the first year that Portland schools were allowed to compete for the title until 1925, since they organized a league of their own. In 1922, Ashland defeated Pendleton to become the best team in Oregon. This was the only time

that an Eastern-Oregon team played in the finals.

The nearest that an eastern team came to winning the title came the next year when, in the second round of play, The Dalles and Eugene played the most spectacular game of the tourney, where the score was tied at 35—all when the final gun was raised. Whether the Eugene player shot the ball from the center of the floor before or after the gun sounded still remains a mooted question; but it went in, and, after some deliberation, the officials ruled the shot legal.

Medford Attends National Tourney

Medford came north with a powerful team in 1924, walked through the tournament, and later was invited to the National Tourney at Chicago. The following year, Salem and Franklin again tangled, with the Red and Black warriors win-

ning. However, Franklin High won third place in the National Tournament, while Salem did not place. In 1926 Salem again emerged at the top, and the next year the Red and Black cagers played in the finals, only to lose a hair-raiser to Eugene High. Medford and Washington High of Portland battled through two overtime periods before they could decide the winner in the greatest battle of the tourney. Both teams were evenly matched, but Washington had Ed Lewis, who seemed to make up the winning difference.

ASTORIA IS MOST REGULAR WINNER

Medford Second With Eight Trips to Salem; Salem Wins Five State Titles

Of the teams that will appear in the 1929 State Basketball tournament held at the Willamette University Gymnasium, Astoria is found to be the most consistent District winner for the last 10 tournaments inclusive of the 1929 tournament.

Astoria lost out to St. Helens in 1924 but every other year beginning with 1920 it has been the champion of its district and has sent a team to the tournament. For the same period Medford has sent 8 district championship teams. It lost to Ashland in '21, and '22. The Dalles is next in line sending teams in '20, '23, '26, '28 and '29. For the last three years Tillamook has had district champions as they also had in 1923. This year will be the first appearance of the Myrtle Point team at the tournament since '23. Eugene has sent teams in '21, '22, '24, '25, '26, and '27. McLoughlin won the right to represent their district in '26, '28, and '29. Willowa has had three champion district teams in the last 5 years. Washington High school won the state championship last year and is sending a strong team again this year. Chemawa is sending her first team as this is the first year that she has been a member of the State association.

Salem High school leads the state with the number of State Championship teams since the inception of the State tournament in 1917. Salem has won five championships, in '18, '19, '20, '26, and '27. Seven other teams have won championships but none once. A list of the former winners are as follows:

- 1917—Roseburg
- 1918—Salem

- 1920—Salem
- 1921—Franklin

MYRTLE POINT ARRIVES FOLLOWING QUEER TWIST

Myrtle Point emerges as the champions of District 5 after one of the closest fights in the history of the tournament. The regular season ended in a triple tie. Myrtle Point defeated Marshfield twice, Marshfield defeated Roseburg twice, and Roseburg defeated Myrtle Point twice. Each team had lost two games and had won the remaining for the season. In the tournament however Myrtle Point defeated Roseburg for the championship after having been defeated by Roseburg in their two previous meetings for the season. Lever and Druliner are playing forward, Smith center, and Christensen and Carver are guards.

COACHES TO STAGE TOURNAMENT GAME

March 13. The ten coaches of the district winners at the State Tournament will stage a game or so of their own. Perhaps they remember what a success the game was last year, perhaps it is just to satisfy that "urge" to play after sitting on the bench while their proteges show what they know about basketball, or more likely, it is simply a feeling of good-natured rivalry and fun that prompted the coaches to schedule the game, but the fact remains that the coaches will have a game, and a good one. The exact date of this game has not yet been decided, but it will probably be scheduled for Saturday morning, since Saturday has the least number of games to be played. No substantial prize was awarded to the winners last year, but this year a very substantial award will be provided—the winner will play the Willamette faculty, who are, at present, leading the donut league!

The coaches of the first five districts will comprise the first team, while those of the last five districts will play against them. The way the teams will lineup is as follows:

WALLOWA HAILED FAR EAST STATE CHAMPIONS

Willowa has had the outstanding team in District No. 1 this year. They have won all their games by comparatively big scores and had little trouble taking the title. The team that appeared at the tournament last year for Willowa will be here again this year with very few changes. It is said that their team is much stronger than it was last year. Sarrett and Crawford are forwards, Clark is center and Posey and Pine are guards.

MEDFORD QUINT GIVEN EVEN CHANCE OF WIN

The Medford High school quintet is conceded an even chance to get into the finals of the State Tournament as they never let up but fight the game for all that it is worth. They are minus the services of Phipps their star center of last season but they seem to have remedied this situation by shoving Morgan back to center and putting Bowerman, last year's substitute up at forward. With this combination they have proven a hard nut for college Freshman teams to crack.

SALEM MAY LOSE TOURNEY NEXT YEAR

BOARD OF CONTROL HANDLES TOURNEY

Mishler of Medford is President; Cannon as Secretary Does Work

The administrative power of the State High School association rests in a board of control. The board is composed of a president, who is elected for a term of one year; vice-president for two years; and a secretary-treasurer for three years. The board has power to control all business connected with the tournament and passes on such questions as eligibility, time, and place of tournament.

The present board consists of W. J. Mishler, president; Mr. Sandwith, vice-president; Roy Cannon, secretary-treasurer.

The present association was organized five years ago. The state is divided into ten districts. Each district is governed by a board appointed by the State Board of Control.

SALEM HAS FOURTH SPRING OPENING

The fourth annual Spring Opening sponsored by the Salem Ad Club in which one hundred prizes are being offered in the treasure hunt given by practically all of the business houses and stores will be one week from today, March 21.

Several of the stores are employing living models to exhibit their spring showing of latest modes. All are decorating their windows with the latest of spring merchandise.

As has been the practice heretofore 30,000 tickets will be distributed by the merchants to their customers, each ticket bearing a number. The prizes in the windows will each possess a number and corresponding numbers on any ticket automatically entitle the possessor of the ticket to the prize upon presentation.

Both the spring opening and the fall opening are sponsored by the Salem Advertising club of which Mr. W. Paulus is president. Begun as a small venture the undertaking has grown to proportions which bring thousands of people to Salem, and make the day one of the outstanding in the city business life.

Mr. Sheldon Sackett, co-publisher of the new Oregon Statesman, has charge of the Fourth Spring Opening.

McLOUGHLIN HOOPSTERS WIN ALL BUT TWO TILTS

McLoughlin will send a very strong team to the tournament this year as they have won every game but the two that they played with Walla Walla, Washington. They will present almost an entirely new lineup this year as Robbins, Crummins, Lucher, Sager, and Coe are gone. With their list of victories and impressive scores however it would appear that Green has not a weakened team as the result of the loss of these men.

INDIANS GET BELT BY SALEM DEFEAT

Eight Teams Entered in District Tournament Thursday, Friday; All Play

The hard fighting quintet from Chemawa in their first year as a member of the State Athletic association won the right to represent District 7 in the state tournament by defeating Salem High school by a 26 to 23 score.

Chemawa showed real basketball to the fans in the first quarter and at the end were leading by a ten to 2 score. From that time they were never headed although Salem came up to within one point the last quarter. The game was featured by a clean fast brand of basketball throughout.

Summary:

Salem	Chemawa
Kitchen (1)	F (10) Prettyman
C. Kelley (4)	F (2) Simmons
Beehler (3)	C (11) George
R. Kelley (6)	G Meachem
Ecker	G Peratrovich
	S (3) Braveagle
Steenmund (9)	S Vivette
Totals 23 and 26.	

Out of the eight teams that entered the district tournament all saw action on Thursday the first day and Dallas, Chemawa, Woodburn, and Salem survived to the semi finals which were played Friday afternoon.

In the first game of the tournament Chemawa had little trouble with Stayton and won handily by a 31 to 16 score. Stayton made but two points the last half.

Summary:

Stayton	Chemawa
Ware (2)	F (7) Prettyman
Bere (4)	F (8) Simmons
Dorley	C (10) George
Phillips (1)	G (4) Meachem
Thomba	G (2) Peratrovich
Leslie (2)	S Braveagle
Pendleton	S Vivette
Totals—16 and 31.	

The Dallas Silverton game played at 3:30 Thursday afternoon was one of the closest games in the tournament. Dallas was ahead by a comparatively safe margin until the last few minutes of play when Silverton started finding the hoop. In the last five seconds of play Harwood of Silverton dribbled up to the basket

and shot a basket that put Silverton in the lead by one point but Referee Wilkinson declared this attempt null and void by reason of his "taking steps" enroute.

With Oregon City hitting the basket with uncanny accuracy Salem was forced to extend itself to win in the last quarter by a 28 to 22 margin. The third quarter ended 21 to 19 in favor of Salem after Oregon City had overcome the 15 to 12 handicap at half time and had been leading for a greater part of the third quarter.

In the semi finals held Friday afternoon Chemawa and Salem merged victorious.

Chemawa had little trouble with Dallas in the first half and were leading by 18 to 5 score at the gun but in the last half Chemawa was held to 11 points while Dallas was scoring 19. However

Woodburn scored but 3 points on

Handle Own Ticket Sale
Final Receipts Split**

Students at Salem high school and at the Chemewa school handled the sale of the student tickets for the tournament within their own organizations this year. At the city high school the sale was under the supervision of Gerald Simpson, yell leader with several of the student body officials assisting him.

At Willamette the students likewise handled their own ticket sale. Approximately three hundred seats were sold to Salem high students while the number purchased by residents of Chemewa has not been determined.

According to graduate Manager Sparks, who has charge of the financial end of the basketball tournament, the tournament will be as successful as last year, which led all previous tilts from standpoint of receipts.

All the reserved seats have been sold. The sale on general admission and the student tickets is slow, but it is expected to improve as the meet draws near.

The receipts last year were \$4500. The expenses amounted to \$2250. The profits of the tournament are divided equally between Willamette and the State Athletic High School association. The association's share goes into a permanent fund and Willamette will use her part to pay off a debt which still exists on the balcony in the gym.

**RAREY AGAIN BRINGS
HIS CHEESE HOUNDS**

Again Russ Rarey is bringing a championship team of his district to the tournament. He has gone through the whole season and lost but four games. Two to the Portland Checkerboards, one

to the Tillamook Comets and independent organization also, and they have broken even with Astoria in their two games played. They have a 28 to 25 victory over Washington High school of Portland.

Rarey has Clarence James, all state forward of 1928 around which to build his squad, together with Keith Buel, a regular last year and Stewart, a substitute of last season. All the other men are new and will be at the tournament for the first time. Their season's record is as follows:

- Tillamook 27, alumni 18.
- Tillamook 28, Kelso 17.
- Tillamook 29, Chehalis 26.
- Tillamook 24, Hoquiam 23.

**DALLES COMES TO SALEM
BEST TEAM EVER SENT**

The Dalles comes to the tournament with probably the best team that she has ever sent. She won the district championship by defeating Redmond 52 to 9. This year they have 15 wins and but 3 defeats chalked up to their credit. Ward, a forward, hits the basket with uncanny accuracy and is extremely fast. Robinson is the only man that is missing from last year's starting lineup. Miller, Ingram and Gibson are the other men that are returning.

- The Dalles 30, Chemawa 18.

**FINN FIVE MAKE THEIR
YEARLY FLOOR JOURNEY**

The Astoria Finns will have to be reckoned with in the State Tournament this year. The Astoria five easily won the Lower Columbia Title from St. Helens. They split games with the Tillamook squad and have lost one game each to the Salem squad and Washington High school of Portland. They have practically a whole new team as most of their last year's team graduated. With their new team however they have a record of 19 wins and but 3 defeats.
