WILLAMETTE TEAM WINS.

A Clean Game and Some Good Playing on Both Sides-- The Medics Play a Tie Game.

The Thanksgiving game with Monmouth was won by the home team by a score of 6 to 0. Our team played a fast game from the start, and rather discouraged the visitors in the beginning but after they had pulled themselves together the playing was pretty even.

The star plays were made by Judd, Pollard, Riddell, Young, Miller and Matthews for Willamette; and by Smith, Murphy and Stump of the O. S. N. S. team.

Willamette won the kick-off and kicked the ball half way down the field. The ball was worked back to the center by Monmouth, where it was lost to W. U. It was then worked by a series of plays to the Monmouth 15 yard line. It was here that Pollard pulled Young, who had the ball, out of a mixup and sent him on his way rejoicing in a touch-down, the only one made during the game. The goal was safely kicked by Captain Miller.

After the second kickoff O. S. N. S. kept the ball in Willamette territory for a few minutes till it was lost on yardage when Miller made a run and followed with a punt, taking the ball to the O. S. N. S. 25-yard line.

In the second half the ball was kept within the 15-yard lines by line bucking and punting. During this half Riddell made a sensational run of 25 yards for W. U. The ball died on the 15-yard line in possession of W. U.

Judd, during the game, secured the ball from Monmouth in a mixup and made good gains. Matthews was successful in getting through the interference, as did Marquam, and blocked the plays.

The game was a perfectly clean one, and free from "ragging" and other objectionable features.

The line up follows:

Willamette.	Position.	Monmouth.
Judd	C.	Bailey
Parsons	R G L	Sturgill
Gale	L G R	Zijac
Clark	R T L	Butler
Simpson	L T R	Rutherford
Marquam	R E L	Stump
Matthews	L E R	Murphy
Riddell	Q	Salon
Young	R H L	Dewit
Miller (cap)	L H R	Craven
Pollard	F	Holsinton

MEDICOS PLAY GAME.

After a very exciting and stubbornly fought game the Medical team and Brownsville team quit with a tie score of 6 to 6 on Thanksgiving. The playing on both sides was good, and the teams made a good showing.

Y. M. C. A.

"Not by might, nor by power, but by my spirit sayeth the Lord of hosts."

The scripture just quoted was indeed verified during the gospel meetings which closed Tuesday night.

The growth of the association this year has been phenomenal. Last year the number of men on the roll was about 25. This year, with but few more men in school, at the present writing we have 71 active Christian men and 6 associate members. The secret is individual work.

The best men's religious meeting of the year was held Sunday afternoon, November 23, at which time Prof. J. T. Matthews delivered a brief but powerful sermon on "Leprous Sins." The association room was uncomfortably filled, bringing forcibly before us the question of a larger room for our association.

The coming state convention at Newberg promises to be one of the best held in the state. It is impossible for one who has not attended a Y. M. C. A. convention to in any way realize what a spiritual uplift they are.

The following men have been elected as delegates, although it is not too late for others to decide to go: P. H. Crawford, G. G. Randall, E. K. Miller, E. F. Averill, A. Camp, W. D. Love, Wallace Riddell, E. S. Riddell, O. K. Wolf, J. O. Van Winkle, Cecil Hawley, A. C. Rickel, D. A. Forbes, R. B. Wilkins, Prof. W. H. McCall and G. O. Oliver.

Come along with us and help the old school to have the banner delegation.

KIND WORDS

For President Coleman and the University.

The Pacific Christian Advocate of November 19, contains the following kindly words:

"President Coleman is planning wisely for Willamette, and is doing heroic service. The sum of \$20,000 has been raised on the debt of \$35,000. The crying need of the hour now is that the pastors, with one accord, rally to the aid of the president. Remember the pledge of the Oregon conference. Invite Dr. Coleman to your pulpits. Let him take a collection for the debt fund. The need is pressing. A noble son of Oregon Methodism has challenged your faith and zeal by offering \$10,000 for endowment, conditioned only on a simple duty—paying that debt. There are further possibilities of endowment that challenge our attention to the prompt removal of the debt. The ascendancy of Methodism in the Northwest is inseparably united with the fortunes of Old Willamette. Brethren, make haste."

This most excellent editorial hits the nail on the head and helps to clinch it. There is need of help and there is need of activity.

Dr. Coleman is engaged in a great work for Methodism. He deserves and must have the support of the entire church. A blow at the University is a certain blow at the church. We are grateful to Dr. Fisher for the editorial.

Nightly addresses have been made by President J. H. Coleman, D. D. The sermons have been entirely free from the emotional character so often found in revival work—on the contrary, have been replete with common sense advice and delivered in that simple, straight forward way which appeals best to collegio men and women.

Fresh-Soph Debate.

The Fresh, debating team has been chosen and consists of W. C. Winslow, Arthur Gale and Mary Warfield, all of whom are leading students, and no doubt will put up a strong argument.

The Sophs, have been chosen to defend the affirmative side of the question, which is:

Resolved, That the railroads of the United States should be owned and operated by the American government.

The debate will be held the evening of December 19.

The Freshman class claims to be the most lively one in school. We compliment them on their taking the initiative and challenging the sober Sophs.

1908 Celebration.

Friday evening at the home of Miss June Patty, of this city, occurred one of the most pleasant social functions of the school year. The affair was the first social gathering held by the Academy classes and much credit is due the class of 1908 for this idea of bringing closer friendship, among its members.

Nineteen hundred and eight is a lively up-to-date class—one that leads and intends to remain in the lead. First to select a yell, and first to appear at Chapel with colors, they have pointed the way to rivalry and strong, genuine class spirit—it will be promoted thereby.

There was much enthusiasm at the party, and the following fine program was rendered:

Piano Solo—Miss Allan.
Duet—Misses Patty and Allan.
Address—President Wolf.
Reading—Miss Jones.
Reading—Miss Patty.

Every number was greeted with well merited applause.

The decorations were very tasty, and the motto of the class in resplendent silver letters: "Now the Poothills, Later the Mountains," was displayed with beautiful effect and surrounded by a fetching purple border.

Games were played and a dainty luncheon was served. This feature of the evening is especially praised by the naughty eights. Before leaving a hearty vote of thanks was extended to Mrs. Patty for her kind hospitality and for the royal entertainment offered to the class.

The committee on arrangement was also congratulated for the earnestness shown in making the event a success. As they bade the hostess farewell the entire class joined heartily in giving the class cheer, and the echo resounded for many blocks.

FOOT BALL FINALE.

A Great Success--Much Enthusiasm and Informality.

The reception and "jolly-up" given Friday evening by the ladies of the University to the foot ball squad was a great success. The enthusiasm which was shown at the celebration was of a much more enthusiastic and heartfelt style than that which has characterized the support Willamette gave to her team during the season. The rooters outdid themselves in their cheering and the young ladies served a dainty luncheon, thoroughly enjoyed by all who were present. The heartiness of the cheering and singing added a touch of liveliness to the occasion. Three cheers were given for each member of the Varsity, and for the "subs" who did such gallant work in bringing the first team to a respectable position in footballdom.

The evening was spent in playing games and the forming of new acquaintances. Nothing can strengthen college spirit like receptions of this kind. They foster in no small degree that spirit of loyalty which is indispensable to a university. It is what Willamette needs, and to the committee in charge we express our sincere congratulations for making the affair so great a success. The reception was brought to a close by an outburst of oratory. Jolly speeches were made by prominent University speakers. Dick Wilkins '03 spoke on "Our Foot Ball Team." Capt. Miller happily responded to the toast "What It Might Have Been," while Billy Judd, our splendid center, paid his respects to the rooters, and praised them for their loyalty. Miss Louise Van Wagner spoke optimistically on "Our Future." All the speeches were enthusiastically received. The crowd then proceeded to the campus, where a huge bonfire was kindled. Here the enthusiasm was boundless—the cheering was in-

tense—and the coaches, the first and second eleven all were lustily acclaimed. In brief, the affair was a decided success.
