The Young Men's Christian Association of Willamette University is now in the twelfth year of its history. It stands for the best there is in College life. The Association is one of the strongest organizations for young men in the University. The scope of its work reaches every phase of University life. Primarily, the Association stands for the spiritual advancement of the men of the University. It aims to interest and to train men in active Christian work. Although its distinctive function is religious, the social, the physical, and the educational development is not ignored. It seeks to help men in their difficulties and to aid them in increasing their usefulness.

MEMBERSHIP.

The active membership is limited to members of evangelical churches. All men who feel the need of the help of such an organization may be admitted as associate members. The dues are \$1 per year. Membership cards are issued which entitle the bearer to the privileges of any City Association during the summar vacation.

MEETINGS.

Two meetings each week are held in Association room, one at 3 p. m. Sundays, and one at the noon hour Wednesdays. The Sunday afternoon meetings are usually given up to addresses upon topics which are of concern to thoughtful college men. During the past year

a series of life-work talks were given as well as addresses upon other special topics. The Wednesday meetings are in the nature devotional meetings and are usually led by Assocition men.

BIBLE STUDY.

There will be three eourses in Bible study offered in 1903-04. The life of Christ will be followed in two different courses: "The Life of Christ According to S. Mark," by Murray, and "The Life of Christ I coording to the Gospels," by Sharman. "The Acts and the Epistles," by Bosworth, will be studied by those who have had the preceeding work.

PACIFIC NORTHWEST STUDENT CONFERENCE.

This Conference was first held at Gearhart, Or., from May 29 to June 7, 1903. The colleges of the Northwest were represented at this conference, which was held under the direction of the International Committee of the Young Men's Christian Association. It was a strong factor not only in acquainting the delegates with Association methods, but also in deepening the spiritual lives of the men and in promoting a spirit of sacrifice and of service for Christ.

Willamette's delegation consisted of E. K. Miller, D. A. Forbes, W. C. Riddell, Wm. Polard, R. F. Morris, F. W. Poorman and G. O. Oliver.

You are invited to be present at the

Opening Aereptions

given by the

Christian Association.

Y. W. C. A.

The Young Women's Christian Association is an organization of about 80 young women. Besides its religious work the Association aims to promote good fellowship among the girls by receptions and other social affairs. College life is apt to become selfish; the Association seeks to remedy this by interesting the girls in each other.

You may become a member of this Association if you will give your name to the chairman of the Membership Committee immediately upon entering school.

Active Membership is limited to students and lady members of the faculty who are members of some evangelical church. But anyone who is interested in the work of the Association may become an Associate member. The dues are 50 cents for the year.

Three Bible Study courses are offered by the Association:

Course 1. "The Life of Christ." by Murray.

Course 2. "The Life of Christ," by Sharman. Course 3. "Methods for Personal Workers," by Johnston.

Two regular meetings are held each week, one on Sunday afternoon from 3 to 4 o'clock, and one on Wednesday from 3:30 to 4 o'clock.

The Associations of the Northwest have a traveling secretary, Miss Louise F. Shields, who makes at least two visits a year to the Association. In the fall a State Convention is held and in the spring delegates are sent to a ten days' conference at Capitola, California,

where they hear addresses, meet some of the best Association workers of the United States and associate with girls from the colleges of the whole Pacific Coast.

Young women will find active Association work very beneficial.

The Volunteer Band for Foreign Missions.

A potent factor in the Christian Association is the Volunteer Band. It came into existence in the summer of 1886, at Mt. Hermon, Mass., in connection with the first International Christian Students Conference ever held. It took an organized form two years later, and immediately began to grow with great rapidity. Today its members can be found in nearly a thousand colleges, waiting for their opportunity to enter the foreign field; training themselves that they may be the better able to do their work when they reach the field; and with their devoted missionary spirit leading others to give their lives to the Master.

The Volunteer Band is one of the important departments under the joint direction of the Young Men's and Young Women's Christian Associations. The Band at Willamette was organized in the fall of 1902 and has a membership of six. A series of lectures is planned to be delivered before the Band by returned missionaries. Prayer meetings are held once each week. Visitors are welcome.

SELF SUPPORT.

A number of places can usually be obtained in private families where young ladles may do

some work for room and board while attending school. Many young men pay a par of their school expenses by doing work ou of school hours and on Saturdays. Some have entirely paid their way through school by this means. Work of this kind is generally obtained by the persevering and energetic.

Many of the students board themselves for \$1 per week. Good board with a furnished room can be had in the city for from \$3 to \$4

per week in private families.

The Association, in conjunction with the Faculty, will conduct an information bureau. Those desiring information about employment, boarding places and other matters should address:

Presdent of Y. M. C. A. or Y. W. C. A., Willamette University, Salem, Or.

As an inter-collegiate game, baseball has not received much attention in Oregon. At Willamette, however, some interest has been manifested in the game. The annual series of games between the "Preps." and college teams causes much merriment.
