## GREETING TO FRESHMEN

Going to college is a great adventure. My wish for you is that every good expectation may be fulfilled and that all your fears will be unrealized. If you are slow in making friends ask yourself frankly if you are really a friendly person. These teachers and upper classmen genuinely desire to know and to help you. Don't set up an impossible barrier of reserve against them. Remember that the first weeks of a college career go a long way toward setting the pattern for the whole college course. Take those first class assignments seriously and all the rest will be the easier and more pleasant. When temptations come to let down on personal standards, remember that Willamette has been known for nearly a century for high standards and that those of whom the University is most proud are those who have maintained them. But enough of preaching! Here is hoping you have the best time ever.

BRUCE RICHARD BAXTER,  
President, Willamette University

### **WELCOME, BUILDERS**

The builder of a wall may well pause from time to time and stand apart to survey what he has done and to view in anticipation the next section rising above that already under way. So we look forward to your coming, Class of '40, as the big event of the new year. Will you be ready to take up student traditions, student activities and interests, doing your part to make them outstanding; will you keep the wall straight and true, putting first values first, making activities and social life contribute to a well rounded personality as the study program contributes to intellectual interests and attainment?

Come with keen anticipation of happy college life—and beneath that keep clear the essential purpose of a college course for which you exchange some money, much effort, and four of the best years of your life.

**FRANK M. ERICKSON,**  
Dean of Willamette University

**To the Freshmen:**

To be called to the Dean's office has a sound of awe to the average Freshman. However, I want you people who are coming this fall to Willamette as Freshmen to feel that a call to the Dean's office, unless your conscience is bad, comes from a true interest in you as a developing personality, as an outstanding student and as a member of the Willamette group.

One bit of advice that I have learned through the years should be given and impressed on the minds of the incoming student. No matter what it is you lack or want that someone about the University can help you get, ask some of us.

Please feel welcome to our offices.

We greet you.

**OLIVE M. DAHL, Dean of Women**

Every year new opportunities and new challenges present themselves to the individual. For you, the Freshman class, this is true in a very special sense this year. You are taking a step which involves somewhat of a new setup, not only from the standpoint of your educational career but also in regard to your social relationships. The outcome of this undertaking will depend, in no small measure, upon you. The motive of your coming is, of course, a determining factor. The function and value of social activities is fully recognized, but care must be exercised lest your academic pursuits suffer irreparably. We heartily welcome you to Willamette, hoping that you may profit much by your contacts and that you will make a significant contribution to the campus.

Sincerely,

DAN H. SCHULZE, Dean of Men

Familiarity with A. S. W. U. finances is not complete until the student has found his way to the general manager's office. The student body of Willamette University maintains and operates a business office under the direction of a general manager. The office is located in the gymnasium. Authorization for expenditure of A. S. W. U. funds is obtained from this office. All money received by managers or collected by any of the A. S. W. U. activities is turned in to the general manager's office. Student activity tickets and handbooks may be obtained from the office. If you are a returning student, make use of the office. If you are a new student, you are invited to become acquainted with the organization and administration of A. S. W. U. money.

**LESTLE J. SPARKS,**  
General Manager

### TO THE INCOMING FRESHMAN CLASS

Willamette University is a mighty fine place—one that you will learn to like and to like tremendously. After you, the class of 1940, have been here for a time, you will feel proud of her inspiring traditions, her present resources, and her future potentialities. You are to be congratulated upon your election to attend this university of higher learning—a typically American institution, and one devoted to high principles and character. You will find that Willamette has a splendid faculty, and an enthusiastic and friendly student body. Surely you will do your part to make it even more congenial and more worthwhile.

A number of student body activities have been planned for this year. We are confidently counting upon your 100% co-operation in all of them. As you probably know Willamette has ninety-three years of sterling achievement behind her. This year the student body is larger than ever before. This presents a challenge to us. One that I believe we can successfully meet. It is this. In the classroom, in intercollegiate competition, in recreative activity, in general student body life, let's make the 1936-1937 school year the most outstanding in Willamette history.

GEORGE McLEOD, President A. S. W. U.

To the class of '40—especially the girls—we extend our welcome.

You have chosen well the institution for your higher education, and it is the wish of the W. U. Y. W. C. A. to be of service to you in order that your stay here may be of great value to you. In turn, we look to you for new inspiration; we are eager to become acquainted with your ideas, for without them we would be unable to make the improvements which are necessary for a better organization.

We trust that you will come to love all the Willamette traditions as we do, and that the school will mean as much to you as it always has to every student who entered its halls.

And so we welcome you with the sincere desire that your days on the Willamette campus will be the happiest ones in your life.

JULIA JOHNSON,  
President of Y. W. C. A.

### **WELCOME, FRESHMEN!**

Our friendly spirit, our glorious traditions, and our high scholastic standards will help you to develop a well-rounded personality. We hope you will be anxious and interested in becoming a part of our student body. Our extra-curricular activities welcome your participation and a whole-hearted co-operation will help you to enjoy college life much more. Members of Blue Key are interested and anxious to help you new students to become acquainted with our school and we stand ready to help you at all times. Again, we say welcome to Willamette, may you have continued success in your endeavors, and may your college days be a credit to yourselves and to our school.

**DWIGHT ADEN,**  
President of Blue Key

### WELCOME, FRESHMEN!

We are glad to see you on the campus! It means a lot in the way of fresh spirit and new life to have you with us here. We of the International Club want to get to know you all. Any of you who have been born in a foreign country, or are a member of any other than the white race are automatically included in our group. We are especially glad to welcome you.

You will probably read this elsewhere in your "bible," but we do commend you on your choice of a college. Willamette has almost a century of history and tradition behind it, an exceptional faculty, a high scholastic standard, and a genuine spirit of friendship. As Dr. Baxter has said, Willamette has been waiting ninety-two years for you! May your four years here be tremendously worthwhile!

Cordially,

JAMES PYKE,  
President of the International Club

## TRADITIONS

### Homecoming

There are three major campus social events which are enjoyed during the year of which the first is Homecoming. Every fall, this year October 30 and 31, one week-end is given over to the entertainment and welcoming of "Old Grads" of Willamette. The Homecoming play on Friday night will begin the activities. Meanwhile judges choose the best of the Homecoming signs which the sororities, fraternities, and Lausanne Hall erect to celebrate the game and welcome the alums. An alum banquet on Saturday is followed by a night football game, this year against C. P. S. Between halves of the game freshmen compete with sophomores in a traditional bag rush. After the game a colorful carnival with barkers and concessions draws everyone to eat candy and popcorn, throw darts, or practice miniature golf.

### Freshman Glee

Freshman Glee, held early in March each year, is the occasion of the greatest inter-class rivalry. Each class presents an original song and Dr. Matthews, after tense moments of suspense, awards the coveted Freshman Glee Banner. The class of 1936 has won the unprecedented record of winning first place for four years.

Through this glee contest Willamette has come to possess many beautiful songs and has become noted for its music.

### May Week End

Our annual May Day Festival is the last all-campus celebration. Guests are invited to see our campus and enjoy our festivities for the week-end. This week-end is one of the first in May and is sponsored by the Junior class. Friday night, a local theatre opens to students, who present a program and pep meeting; this is known as Willamette Night. The next morning the Y. W. gives the May Morning Breakfast on the lawn in front of

Chresto. Following the breakfast there will be a tug-of-war across the mill stream, baseball game, track meet, and tennis matches. At noon, high school guests are served lunch in the gym. In the afternoon, the May Queen is crowned; this is preceded by a program of dancing and music in her honor. The Queen and her court make their last appearance at the Junior play Saturday night in the Salem High auditorium.

### **A GOOD FRESHMAN WILL:**

Make his first year one of preparation for the remaining three; choose his course carefully, and having chosen, work hard. He will remember that it is easier to keep up than to catch up.

Not be afraid to cultivate his professors' acquaintance. They are a real group of friends whose cultivation may be of inestimable profit.

Not let the turmoil of the first few weeks disturb his equilibrium too violently. Take a reasonable share of social life to leaven studies.

Keep an eye on his studies—they merit consideration.

Do his part to keep the University's courtesy at athletic contests above reproach.

Remember that the churches of Salem offer something that the University cannot give his life.

Forget he came from any particular high school and keep quiet about prep school records. He will not wear high school pins, rings, or emblems.

Stand and remove his hat when the "Old Historic Temple" is being sung or played.

Wear his cap or ribbon with the proper spirit.

Follow the walks on the campus.

Write to the folks at home at least once a week. They're interested in you, you know.

Carry this handbook at all times.

**CUSTOMS:**

We are WILLAMETTE STUDENTS, first, last, and always, and proud of it!

A smile and "Hello" are expected from every student at all times and without exception.

No one but Seniors inhabits the Senior Bench.

Rise when the "Old Historic Temple" is sung.

Everyone learns the songs and yells in this book.

Freshmen do not enter or leave chapel by the side doors.

Only upperclassmen wear cords.

Students do not smoke on the campus.

Street shoes are not worn on the gym floor.

Everyone is present at all Student Body and Class meetings.

Each student is a member of a Christian organization.

Freshmen are required to do a certain amount of work on the campus and athletic field.

We all attend rallies and games.

Willamette students are good sports at all intercollegiate contests.

The library is a place for study.

Uphold the Honor Code.

There is no applause after "Farwell, Willamette."

Students' mail addressed to Willamette University is placed in the alphabetical mail boxes on the first floor of Eaton.

Everyone attends the formal Y. W.-Y. M. reception.

Remember that Willamette has many traditions sacred to our University, and we are depending upon you to preserve and cherish them. A good Freshman will obey them.

## STUDENT PURPOSE

We unite in the desire to realize full and creative life through a growing knowledge of God.

We determine to make this life possible for all people.

In this task we seek to understand Jesus and to follow Him.

Inter-class debate is an activity in which a representative of each class gives an extemporaneous speech before the student body.

Membership, the requirements for which include ability in any of these fields, is determined by tryouts held each fall.

Officers will be elected this fall.

## **RELIGIOUS:**

### **Go to Church**

History records man as a being who worships. Among every people of whom we have record, signs of worship have been discovered. Let us develop and direct this instinct.

Today, while attending college, most of us are away from home; yet the deep wish in the heart of every father and mother is that we remain true to the teachings of our youth. By home training and tradition we have some knowledge of the purposes and claims of religion. We believe that in the Bible man finds a standard whereby to guide his life. Religion in its broad sense is life lived in all its relationships. Religion is the ballast which steadies man's life. Religion is friendship with God.

### **Willamette Wesleyans**

This national organization of which Willamette has a chapter has for its purpose the promotion of interest in missionary work. The club is composed of students who plan

to give full time Christian service in home or foreign missions. Their meetings are weekly with discussions.

## VARSITY SONGS

## OLD HISTORIC TEMPLE

There's an old Historic Temple  
Rising grandly through the years;  
Where the oaken-hearted fathers  
Drew their strength for strong careers.  
Down the years its portals open,  
Gather wise ones to its fold;  
Breathes the spirit of the Westland,  
Card'nal emblem 'bossed with gold.  
Spirit of the Golden Westland,  
Breathing through our father's tears;  
Tells the story of the Temple,  
Bids us hope adown the years.  
Sing, oh sing, of old Willamette,  
Sing while hearts are young and true;  
Sea to sea the chorus swelling,  
Dear old school, our W. U.

**FIGHT, SONS OF OLD WILLAMETTE**

Fight, sons of old Willamette,  
Fight 'til the battle's done;  
With a valor ever bold  
For the Card'nal and the Gold  
Fight 'til the vict'ry's won!  
Many hearts are standing by you  
With a spirit ever true;  
Fight with courage never dying  
Fight! Willamette U.

**FIGHT, FIGHT, FIGHT—JUNIOR, 1935**

Fight, fight, fight, you fearless men of might  
Who face the foe for W. U.  
Fight, fight, fight, with victory in sight  
Your strength and courage will renew.  
Fight, fight, fight, you dauntless Bearcats,  
fight,  
And as you fall upon the foe  
Let your hearts and strength unite  
To Fight, Fight, Fight.  
The enemy will fear you,  
And the multitude will cheer you  
As you Fight, Fight, Fight. (repeat song)

**SERENADE SONG**

When all the campus is sleeping,  
Bathed in a silv'ry glow,  
Lulled to rest by the mill stream,  
Murmuring soft and low.  
Our voices will lift 'neath your window,  
Soft as the palest moonlight;  
Not to disturb your fair slumbers,  
But wish as we bid you good night.

**Chorus—**

While you are sleeping, sleeping,  
Under the milky way,  
Wrapt in the shadow of night-time,  
Far from the cares of the day;  
May you be dreaming, dreaming,  
Dreams of a love ever true,  
Love that a lad of Willamette  
Holds in his heart for you.

**I LOVE WILLAMETTE U**

I love Willamette U,  
I love her campus too;  
I love her Profs. so good and true,  
I love her spirit real true blue.  
I love the old mill stream,  
I love to sit and dream;  
I see it all in shadows cool,  
I love our dear old school.

**WA HOO**

Wa hoo, wa hoo  
Rip zip ba-zoo,  
I yell, I yell for W. U.  
Wa hoo, wa hoo, wa hoo.  
Well, well, well,  
Well, well, well, well,  
Well, well, well, well,  
Wa hoo, etc.

**TRUE TO YOUR SPIRIT**

True to your spirit!

On brave warriors, to the end;  
Fight till the foe shall fear us,  
Till the enemy's haughty head shall bend.  
On for Willamette,  
Fight the battle as of old,  
Victory the prize shall be  
Of the Cardinal embossed with Gold.

**FRESHMAN SONG—1933**

Come let our laughter mingle  
With silvery sounds of night,  
But list, my sweetheart of Willamette  
While I tell my plight.

**Chorus—**

Waken, loved one, heed that bright moonbeam  
Straight as a gleaming dart.  
Waken, dear one, cease your dreaming,  
To you, the delight of my heart,  
I'm calling. Here beneath your window singing  
A song that is ever new;  
Though 'tis the old, old song I'm singing  
It means, sweetheart, I love you!

**VICTORY FOR W. U.**

Vict'ry for W. U.

The bell in the tower rings.

The battle's done;

The victory's won;

Card'nal and Gold are flaming

Proudly o'er us.

Here's to the Bearcat Team

Who carried our colors through!

Our song shall go

Till the world will know

There's a vict'ry for W. U.!

**DREAM ON**

The stars are softly gleaming

In the shadows of the night.

The moon like glowing silver

Covers all with mellow light.

The world is resting peaceful

From the hurry of the day,

So now beneath your window

Do I sing to you and say—

**Chorus—**(Boys sing)

Dream on gently, pretty maiden,

Till the golden heart of you

Thrills with the night-time's tender beauty,

And your fairest dreams come true.

(Girls sing)

Dream on, lad of old Willamette

Till the youthful heart of you

Thrills with life and love and glory

And your fairest dreams come true.

**CANNIBAL KING**

A cannibal king with a big nose ring

Got stuck on a Zulu maid,

And every night when the moon shone bright

Across the canal he'd wade

To hug and kiss this dusky miss

Out under the big bay tree,

And when they met they sang a duet

That sounded like this to me:

Oh, Jason Lee, socretty boo-ya

Oh Poppa Waller, chenickety umba

Umpa-Umpa-Um.

**SOPHOMORE LOYALTY SONG—1934**

Hail to our Alma Mater,  
To the Card'nal and to the Gold,  
Honor as true as card'nal,  
Loyalty true as gold.  
Hail to the friends we cherish,  
We pledge loyalty to you;  
We'll always share the fellowship  
At our Willamette U.  
Hail to the teams whose valor  
Will bring victory to you;  
Hail to the campus spirit,  
With loyalty made more true.  
Hail to the dauntless courage,  
As bright as the card'nal hue;  
We see it all in college days,  
At our Willamette U.

**SENIOR SONG—1936**

Silver clouds are rifted by the starlight,  
The scented blossoms lowly bend with dew;  
Magic pools of mist that come with midnight  
Echo back my song of love to you.

**Chorus—**

Soft music lifting,  
Through shadows drifting,  
Into your dreamland,  
There to live anew.  
Pale moon descending,  
My love song ending—  
Sweetheart of W. U.

**BEND THE KNEE**

Bend the knee, yes, bend the knee  
To the Cardinal and the Gold;  
Before the Bearcat's fighting power  
Mars himself must even cower  
Rise, we sons of Jason Lee  
We will win the victory.  
So bend, bend the knee to Willamette Varsity.  
Victory; yes, victory to the Cardinal and the  
Gold;

Then fearful foes will bite the dust,  
For win we will, for win we must.  
Onward, then to mastery,  
This our conquering song shall be;  
So bend, bend the knee to Willamette Varsity.

### QUEEN OF THE WEST

The East may love old Harvard,  
The North love old Cornell;  
But the school of fame, whose noble name  
Forever shall excel  
Stands proudly in the West land,  
Where friends are staunch and true;  
We love our dear old college,  
So here's to W. U.!

#### Chorus—

Willamette, to thee we will be true,  
Willamette, we'll ever fight for you,  
We pledge our loyalty,  
Our homage pay to thee.  
Pride of all the West, you are the best,  
Willamette, our hearts we pledge anew,  
Willamette, our fealty to you,  
Faithful we will be  
With staunch fidelity  
Willamette, queen of all!

### FIGHT, WILLAMETTE U

Fight Willamette U.  
Remember, boys, we're proud of you;  
Let your courage show  
And you will conquer over any other foe,  
LET'S GO, so  
Fight with loyalty, and you will win the victory  
That comes by right to men of might  
So, FIGHT, WILLAMETTE  
FIGHT, WILLAMETTE  
FIGHT.

**AROUND THE CAMPUS**

Around the campus of old Willamette  
We'll shuffle the cards and roll the bones  
along, along, along,

Around the campus of old Willamette,  
We'll shuffle the cards and roll the bones  
along.

Slinga da ink, slinga da ink,  
Slinga da ink and push the pen along, along,  
along,

Around the campus of old Willamette,  
We'll slinga da ink and push the pen along.  
Worry the profs, worry the profs,  
Worry the profs and kid them right along,  
along, along,—

Boys sing:

Fuss the girls, fuss the girls,  
Fuss the girls and kid them right along,  
along, along,—

Girls sing:

Vamp the boys, vamp the boys,  
Vamp the boys and kid them right along,  
along, along,—

W. U., W. U.,

W. U. will help you right along, along, along,  
Each class insert its own number:

'40, '40,

'40 will help you right along, along, along,—

**FIGHT, BEARCATS!**

Fight, Bearcats, fight!

A victory for W. U.

Cardinal and Gold, victorious of old

Will give us a spirit ever true.

Fight, fight, fight!

Cardinal courage show

And Gold is our faith so true

We shout our war cry out to you

Come on and fight, fight, Fight!
