PUFF & FLUFF

Puff and Fluff are anthropomorphic rabbits whose world takes place in Oaxaca, Mixteco, Mexico. They live in La Loma de Conejo, a small town in the forest near a rancho

They have a large family consisting of Mom, Dad, two sisters, and an older brother. With the help of their family, they are learning to navigate the world around them and the importance of community, friends, culture, traditions, and habitat. With their curiosity about the world around them, they are constantly learning about their ecosystem and their place in the world.

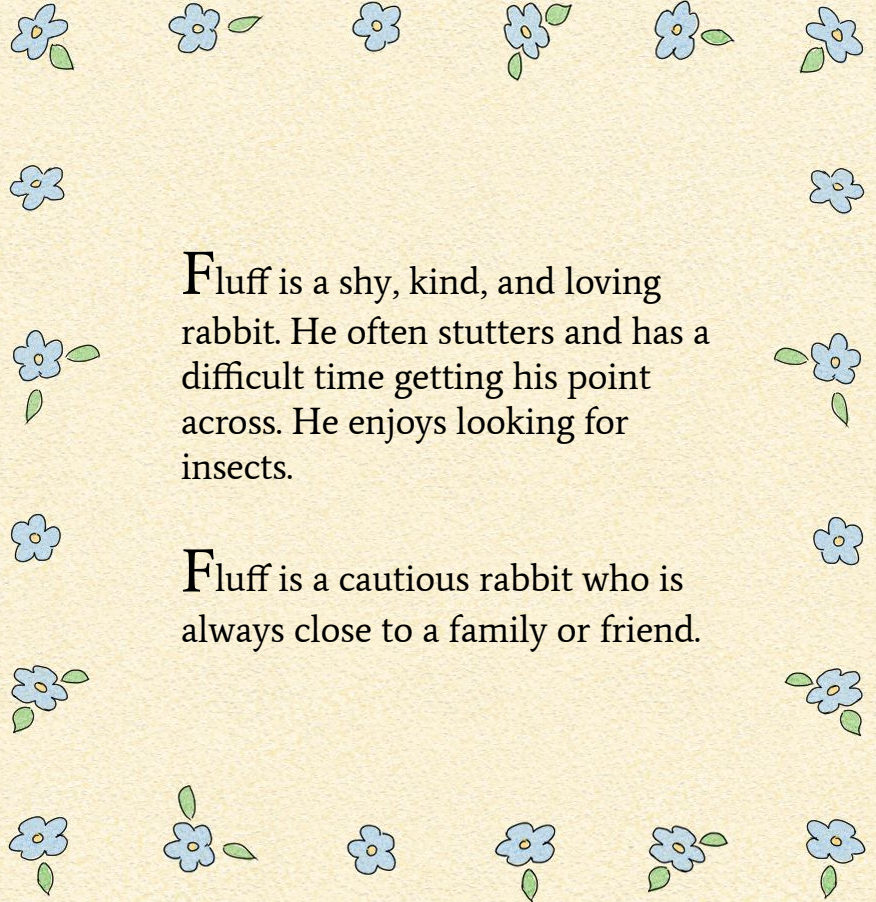

PUFF

Puff is a high-energy rabbit. She loves exploring and collecting things, especially from the human world. She is a creative rabbit who leads her friends to great adventures.

Out of her family, she has the biggest personality and is a loose cannon.

FLUFF

Fluff is a shy, kind, and loving rabbit. He often stutters and has a difficult time getting his point across. He enjoys looking for insects.

Fluff is a cautious rabbit who is always close to a family or friend.

STORY TIME

BRAVE

1

It is a warm, sunny day; perfect for bug hunting and climbing trees. Puff is craving apples. Mom sends her to search the orchard and tells her to take Fluff. Fluff insists they also look for blue bees before they go to the orchard.

Although Puff is scared she helps her little brother look for bees. They look in the garden, then around the cosmos and daisies. After an hour of trying to find blue bees, Fluff gives up on the idea and hops to see bees at the orchard.

Puff and Fluff hear buzzing in the orchard. They look up and see a beehive above an apple tree. Puff tells Fluff to get the apples instead because she is frightened of bees, but Fluff is scared of heights. Fluff and Puff work together to get the apples.

RAINY DAY

3

A gust of wind blew through la Loma de Conejos.

Dad's hat goes flying and mom catches it.

“Looks like it isn't going to rain”, says Mom.

“I think a storm is coming..We should head home”, says Dad.

“You heard your father we better go inside before the rain catches up to us,” says Mom to her little rabbits.

Large gray clouds come rolling in and cover the sky. Mom is in the kitchen cooking and Dad is fixing the kitchen. The little rabbits decide to play indoor games. But quickly run out of ideas of what to play. Puff and Fluff go up to Dad and Mom telling them they are bored. Mom and Dad tell them that there is always something to do. All the little rabbits gather together to tidy up the burrow. Mom has Puff and Fluff help cook and make tea.

After finishing their tasks, they eat a delicious bowl of soup and drink tea. Puff and Fluff are so exhausted from their tasks that they fall asleep at the table.

LOST CHICK

5

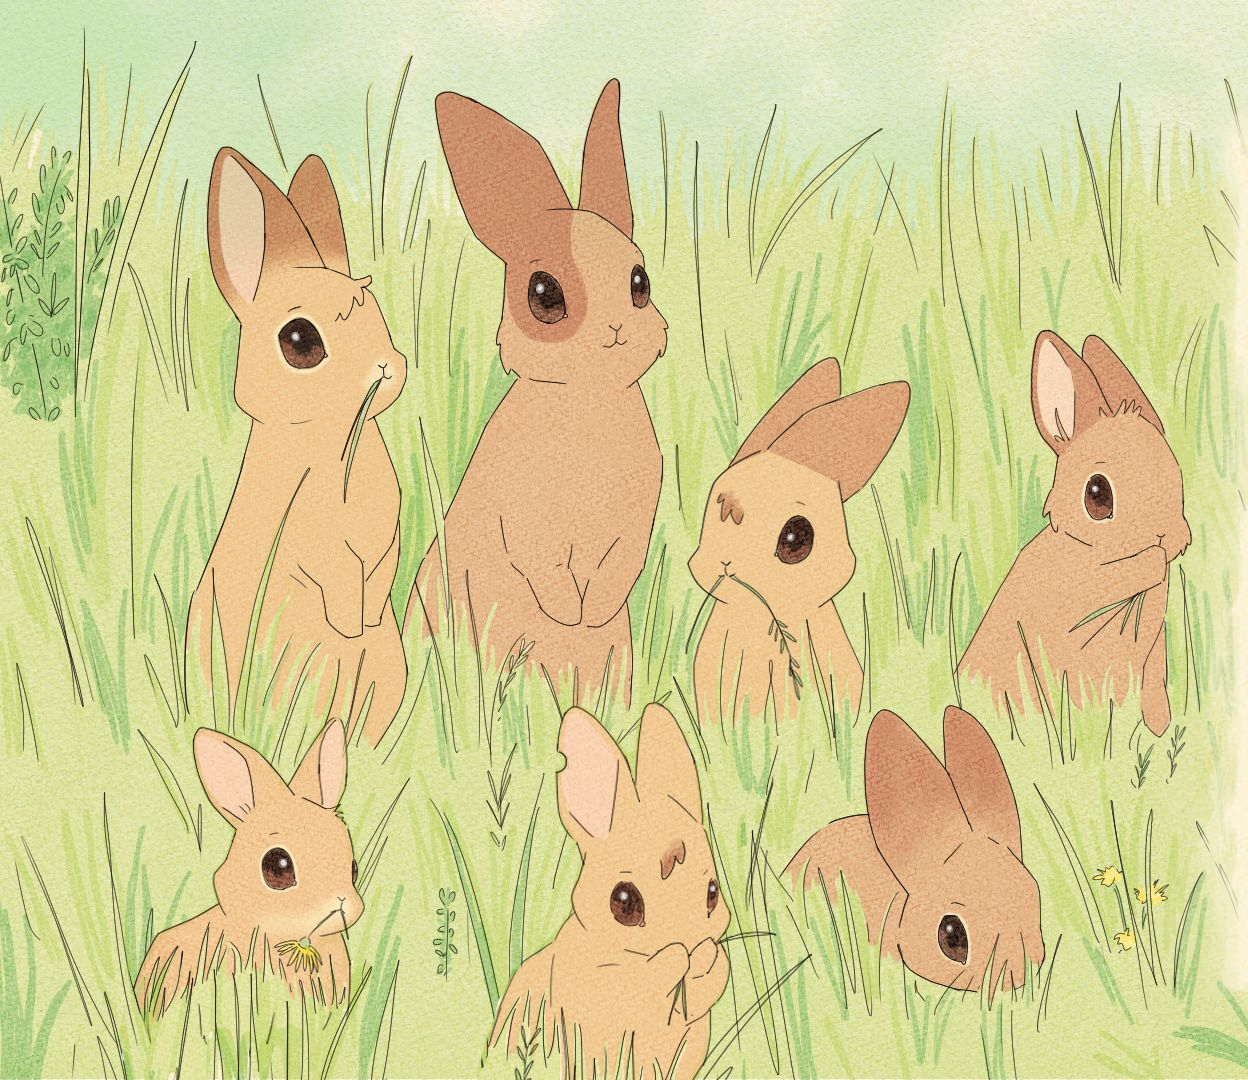

Puff and Fluff are heading to the meadow with the family when they notice a lost chick...Mom says the chick probably came from the farm. Mom, Puff, and Fluff guide the chick to the farm. Before they reach the farm they hear something large heading their way. It's a girl. The girl Daisy calls out to the chick. Mom has seen this human before and knows it is safe.

Daisy hears the chick cry out from the tall grass. She is surprised to see three bunnies and her chick. She happily greets them and then crouches down laying out the palm of her hand. The chick jumps onto the palm of her hand and she holds the chick to her chest. To thank the bunnies she gives them some delicious radish. Daisy walks away heading back towards the farm. The rabbits bow their heads to thank her.
