Armonía

Dan Davison

Harmony, how I love the sound. The sound is curious.
It takes me from my world to a new place. It guides me to a calm place.
And there, harmony is like warmth. Why does this sound do this?
Why does it console me so? With harmony I feel tranquil. Can I take you there?

Cherry blossoms, cherry blossoms,
In fields and villages
As far as you can see.
Is it a mist, or clouds?
Fragrant in the morning sun.
Cherry blossoms, cherry blossoms,
Flowers in full bloom.

Japanese National Anthem

May your reign
Continue for a thousand, eight
thousand generations,
Until the pebbles
Grow into boulders
Lush with moss

Cherry blossoms, cherry blossoms,
Across the spring sky,
As far as you can see.
Is it a mist, or clouds?
Fragrant in the air.
Come now, come now,
Let's look, at last!

And the Glory of the Lord from "Messiah"
