Eighty-five members of a junior class of 195 members voted. Of these, 34 were men.

The sophomores with a class of 122 cast 87 ballots; 47 of these were cast by women.

The contest is sponsored by Walter Keyes, a local attorney, in order to increase interest in oratory.

Time Was When Votes for Queen Were Bought at One Cent Each; Histories of Past Royalty Given

May queen elections are a much simpler affair in these modern times than in the "good old days" when votes were bought and sold at the rate of one cent per vote.

In 1909 when Mrs. C. G. Bellinger (Hattie Beckley) of Salem was queen, the Adelante literary society, of which she was president and a charter member, collected \$20 in donations which helped her secure the election.

The two preceding queens, Phoebe Olsen, 1907, and Hazel Caldwell, 1908, are lost as far as

COMEDY WILL END FESTIVITY EVENTS

"The Boomerang" is Humorous Play to be Presented by Juniors.

HIGH SCHOOL IS PLACE

Jack Ramage and Elma Nell Take Leading Roles in Production.

All the gaiety and splendor of Willamette's May Festival will be culminated the evening of Saturday, May 3, at the Salem High school auditorium, where "The Boomerang," a first-class comedy by Winchell Smith and Victor Mages, will be presented by the junior class of Willamette university.

"The Boomerang," which was presented at the Belasco theatre in New York, met with great success both there and elsewhere, until it has gained fame as a play of outstanding value.

Early in the first scene two of the leading characters, Miss Virginia Xelva and Dr. Gerald Sumner are introduced.

"My father was Swiss but my mother was an American. I was born in Lucerne."

"Indeed, a charming spot... isn't it? I put in most of my summer there last year..."

It was on a day in early autumn and in just such a careless manner that young Dr. Gerald Sumner, well-to-do of "The Boomerang," answered his pretty applicant for office assistant. Indeed, she seemed more interested in the medical profession than he was.

Slightly foreign in both manner and appearance is Virginia Xelva, the young girl who has come to Hartford, Conn., in search of her grandmother who has, she discovers, passed away some time ago, leaving her in a difficult position which, in order to properly extricate her, requires all the intrigues of a skillful plot.

For the present, however, a villain at golf is sufficient to draw our attention to the victim, young "Budd" Woodbridge, who falls loveless as a result of jealousy over the lovely young Grace Tyler. Suffering severely from the attack, he consults our learned or inexperienced physician, who diagnoses the case and prescribes the rest cure. Realizing Budd's trouble, his plan is to distract his attention by the presence of Miss Xelva. But alas! Unwittingly Dr. Sumner has prescribed a boomerang.

Just as its work seems nearly fatal to all concerned, the end of Budd's month of retirement is celebrated by a surprise party which helps to heal the wounds, but the end is not yet. It comes most unexpectedly while Dr. Sumner, assisted by Miss Xelva, is setting old Mr. Stone's broken arm.

Besides Jack Ramage as Dr. Sumner, Elma Nell as Virginia Xelva, LaRaut Lewis as Budd Woodbridge, and Norahel Pratt as Grace Tyler, the cast includes Willis Baldere as Preston De Witt, the villain in golf pants, Leon Norris as the French valet, Emile, and James Allison as Harry, the English butler. The complete cast: Dr. Gerald Sumner, Jack Ramage "Budd" Woodbridge, Le Raut Lewis Preston DeWitt, Willis Baldere Emile, Leon Norris Hartley, James Allison Mr. Stone, Laurence Deacon Virginia Xelva, Elma Nell Grace Tyler, Norahel Pratt Marion Sumner, Katherine Elgin Gertrude Ludlow, Evelyn High Mrs. Crighton Woodbridge, Mildred Pugh Emmons

All seats are reserved and may be obtained for fifty cents at Eaton hall beginning Thursday noon and continuing throughout Friday.

JONES IS TRAVELING FOR THE UNIVERSITY

Professor W. C. Jones has been traveling to various high schools in Oregon during the last week in the interests of Willamette. During his trips he has been well received and has succeeded in interesting many students in the university.

WELCOME

May Day at Willamette is a festival of joy; winter is past and spring is in the perfection of beauty. What could be finer than to exult in the loveliness which surrounds us! Life is rich for college students and at this time they greet it with fullness of appreciation.

Willamette welcomes its friends to the campus and invites them to share the wonder which the season brings. For your pleasure and as an expression of their own exuberant feeling, the students have arranged the several features of May Day. We wish you to catch their spirit, become acquainted with them, see something of the University and be moved to turn your finest aspirations into facts.

Willamette is glad that you make this visit; please feel free to command any of us who can be of service in making your stay entirely pleasant.

Sincerely yours, CARL G. DONEY, President.

MACDOWELL CLUB HAS LAST CONCERT

Professor F. W. Gaw Directs Chorus; Nancy Thielsen, Soprano, Assisted

The last MacDowell club concert of the season was presented Monday night in Waller hall. The concert was given by the MacDowell chorus, directed by Professor Forrest W. Gaw, Miss Nancy Thielsen, soprano, was the assisting artist.

The first group by the chorus included three Slavic folk songs, which were given with a fine interpretation of the traditional Slavic mood. This group was followed by a group of Italian numbers by Miss Thielsen. Her technique was precise and her interpretation pleasing.

Grigg's dramatic "At the Cloister Gate" was the outstanding number of the evening. The solo parts were sung with fine feeling by Selma Fischer, soprano, and Lena Belle Tartar, contralto. The singing of the "Hallelujah" by the hidden chorus made a striking close to the dialogue between the nun and the girl seeking admittance to the convent.

Miss Thielsen's pleasing personality was more clearly felt in her second group, a series by modern composers. As an encore Miss Thielsen sang "Trees," for which she received enthusiastic applause.

The final number on the program was Golden's "Spring Symphony," with Miss Eleanor Moore as soloist. All the chorus numbers were sung excellently, and reflected credit not only to the singers, but especially to the fine directing of Professor Gaw.

Before the concert Miss Frances Melton, president of the club, spoke briefly of the work of the organization during the past year, and told of the variety in the concert presented this season.

ATKINSON ESTABLISHES A MEMORIAL TO WIFE

\$1000 is Gift to University to Be Used as Loan Fund For Upper-Class Women

Mr. Guy F. Atkinson of Portland, has recently made Willamette a gift of \$1,000 to be used as a loan fund for Willamette women. Mr. Atkinson established the fund in remembrance of his wife, and it will be called the "Myrtle L. Atkinson Student Loan Fund."

\$150 of the fund is now available to upper class women, \$250 of it having been invested as a permanent endowment, the income alone being used.

All the conditions under which loans may be made from this fund have not been determined.

GREETINGS

Welcome, friends and alumni to our campus! We are happy to have you here to celebrate the May Festival with us. The program has been planned for your enjoyment, to keep you busy and to entertain you during your stay here. We are confident that you will enjoy it. It is our sincere desire that you should learn to know and like Willamette. We want to get acquainted with you.

The Hospitality Committee Leslie Manker, Chairman.

FORMER MAY DAY CUSTOMS UNIQUE

Student Picnics on Reservoir Hill was One Manner of Celebrating

FIRST QUEEN IN 1907

Evolution of Festival Has Kept Pace With Progress of Willamette

The evolution of May Day at Willamette represents a very interesting story. Each year it has become a little bigger and a little better, with more planning and more elaboration. In other words, May Day is growing with Willamette.

An interesting May Day is recalled by Professor James T. Matthews, when, in 1889, the president of the university secured the two-horse stage from the Chemoeta hotel, now the Marion. A student picnic was held on Reservoir Hill, and the day was spent in boating, reading and playing games. Similar student picnics were held on most of the following May Days, previous to the election of the first queen.

Then in 1907 a great step was taken. Miss Phoebe Olsen was crowned the first May Queen of Willamette university. According to remembrances, the ceremonies, though beautiful, were extremely simple. The coronation of the queen and a few elementary dances made up the program.

In 1911, the bottom dropped out of old Jugo's can, and ruined all outdoor plans. The coronation took place in the Chapel, amid a luxurious abundance of starched ruffles, high waists and billowy, elaborately combed tresses.

By 1913 the folk dances had been added, and by 1921 the program was basically the same as the May Day of today.

No records are to be found concerning the first two queens—all trace seems to have been lost. But in 1909 a sophomore was chosen, and the following year a freshman. In 1911, however, a senior was selected, and since that time this honor has fallen to a senior.

For the first few elections, the custom of buying votes at 1 cent prevailed, and the proceeds were turned over to the Y.W. This method, however, was soon abandoned, and the present one adopted.

Willamette May Day programs have, to some extent, followed this order: May morning breakfast given by the Y.W.C.A., campus cleanup, luncheon, perhaps a track meet and the Rook-Soph tug of war. The Junior class play early became a tradition. As the program developed, folk dances and the May Pole were added, and the festival extended from one day to the entire week-end. A feature which has quite recently been originated is that of having both men and women in the May Pole dance. Formerly the women were the only ones chosen.

Last year Jugo again took a hand in arranging the program. Queen Georgia was crowned in the theatre; May Dances were held in the gymnasium; the student lunch and May morning breakfast were served indoors; and the track meet and tug of war were postponed.

And this year we are looking forward to a still better May Day. Dances are being practiced with zest and ardor; hundreds of invitations have been sent to prospective Willamette students; the cast of the Junior class play is putting on the finishing touches; and—Jugo Phylvis is making a non-stop flight to the North Pole.

STUDENT LUNCH SERVED SATURDAY AT CHRESTO

Twelve O'clock is Time Set; All Willamette Students and their Guests Invited.

Gaynelle Beckett, manager of the student lunch, states that all plans for the noon luncheon at 12:30 on Saturday in front of Chresto cottage, have been made. It will be served cafeteria style.

All the Willamette students, high school students, guests, and alumni, will be served. About one hundred people are being provided for.

DRIVE CONTINUES FOR SEABECK DELEGATES

A strenuous drive for Seabeck delegates will be continued for the next few weeks.

Wesley Gordon, and Glen Houston, have already signed up to go. Snapshots will be placed on the Seabeck posters, representing the Seabeck campers in miniature.

The Y. M. C. A. publicity committee has placed a new bulletin board on the wall at the first landing in Eaton Hall. This board will be open for the use of all Christian organizations on the campus, the City Epworth League and the Christian Endeavors.

GLEE CLUB CONCERT FINANCIAL SUCCESS

Student Body Gives Splendid Support to the Women's Home Concert.

Success attended the Women's Glee Club concert held in Waller Hall last Thursday—success in the welcome sum of \$100 clear profit.

After high expenses and rather small returns on the glee club trip, the home concert was very gratifying, as was the wholehearted support given it by the Willamette student body.

The trip concerts were given before enthusiastic but small crowds. Despite the fine program offered by the glee club such organizations cannot compete with the radio and vitaphone programs.

Helen Pemberton, manager of the glee club, is very pleased with the results of the home concert. In her opinion, the glee club trips are perhaps the most widely influential methods of advertising Willamette university, and, since the university profits greatly by these trips, the Women's Glee club should not have to be solely responsible for the finances of the trips.

As it stands now, the members of the glee club not only have to spend a great deal of time in preparation and lose time from classes, but they are also burdened with the responsibility of providing for their own trips. This puts too much work on the organization, and, inasmuch as the university is so greatly benefited by their trips, it seems only fair that the student body fund stand a share of the expenses.

WALLULAH NOT TO BE READY MAY DAY

Editor Desires to Keep Motif As Surprise Feature of Distribution Day

Roy Harland, editor of the 1930 Wallulah, states that the book will not be out at May Day as is the custom of former years. The exact date of distribution cannot be announced as yet.

The motif and new features of the book will be revealed until each student opens his own copy. There are several new features in the book which will make it different from any previous issues.

Mr. Harland attributes all the success of this book to the staff. He says "the success of the 1930 Wallulah should not be contributed to those who direct the work but to those who perform the detail matters."

DONEY RETURNS FROM CALIFORNIA JOURNEY

President Visits Six Universities and Several Willamette Alumni

During his recent trip in California Dr. Carl Gregg Doney visited six colleges and saw many Willamette alumni.

At Los Angeles he saw Dr. Herbert Wilkin, at Pomona, Dr. Robert Fisher, and at U. of Southern California, Mr. M. Burlano, who is doing graduate work.

At Palo Alto he talked with Leo Chapin and Mr. and Mrs. Gilbert Wynn, and at Berkeley he visited Paul Flazel, who is with the Y. M. C. A. there.

THIRTY PER CENT OF W. U. FACULTY LISTED IN "WHO'S WHO"; FORENSIC AND ATHLETIC HONORS ALSO MANY

"I love Willamette U. I love her campus, too. I love her 'prize' so good and true. I love her spirit real true blue." There are several other reasons, however, for loving Willamette and supporting her.

Out of 1600 colleges in the United States, Willamette is one of two hundred which has been approved by the American Association of Universities. What of that? The American Association of Universities was organized by a number of very high grade universities with the purpose of determining credits. Through the years, it has been accrediting other schools; Willamette among that select group. What does this mean? It means that Willamette is one of 200 colleges that authorize conferred degrees and that these degrees along with the required credits are accepted in great universities in the east such as Harvard and Yale. Willamette is not a member of the organization, because only the founders or organizers have that honor. W. U.'s position is upon the approved list.

This is only one honor among many which has been bestowed upon Willamette. For the past two years it has been recognized by the American Association of University Women. It has not only been admitted but is a mem-

COURT ANNOUNCED BY KATHERINE I

Katherine I Will Have Two Flower Girls and Two Train Bearer.

DR. DONEY TO PRESIDE

Students Will Eat Lunch on the Campus Friday Noon While Working.

The coronation of Queen Katherine I will take place Saturday morning at 11 o'clock, May 3. The crown will be placed upon her head by Dr. Carl Gregg Doney, president of Willamette university, who will be master of ceremonies on the occasion. Following the coronation ceremony, Dr. Doney will deliver his address of welcome on behalf of the university, to the guests.

The Queen's procession will be led by the heralds, Ronald Craven, Walter Kaufman, Wendell Robinson, and John Crnkovich, who will sing "The Queen Comes." The heralds will be followed by the Queen's maids, Miss Margaret Bolt and Miss Lillian Scott. The two little flower girls, Sally Anne Barr and Beverly Boydston, will then strew the path with flowers and Queen Katherine I will enter, preceded by the crown bearer, little Jimmie Tryon, and followed by her train bearers, Norman Stone and Richard Page. The Queen's court, composed of the Senior girls will then enter and take their places. Following Dr. Doney's address of welcome, Miss Lucille Cummings will sing a solo, which will be followed by the May dances, carrying out the Peter Pan idea and the usual May Pole dance.

A full program has been planned for the week-end, according to the manager, Wesley Rosder. Friday night will be "Willamette Nite" at the Capitol theatre, with a clever entertainment under the caption of "Kollege Kapers" carried out with the radio idea. This will begin at 7 o'clock, and no one can afford to miss it. Saturday morning from 8 to 10 o'clock the campus Y.W.C.A. will serve the annual May Morning breakfast on the campus, and at 9 o'clock the women's tennis matches with Reed college will be played off.

Students are urged to see that their guests are registered, at Chresto Cottage, either Friday afternoon from 4 to 5 o'clock, or Saturday morning from 8 to 10. Dr. H. C. Kohler, Professors J. T. Matthews, C. R. Monk, Herman Clark, F. L. Leamer and W. C. Jones will, with Hayes Beall, Y.M.C.A. president, be a committee to welcome all guests as they are registered.

Work of cleaning up the campus is progressing nicely. Classes will be dismissed Friday morning after the second hour, and everyone is asked to report immediately in front of Waller hall for the final arrangements. No lunch will be served in the fraternities, sororities or Lausanne hall Friday, or providing a lunch on the lawn between Waller and Science halls, and the "Bowl" will be twice as large as that of last year, in order to accommodate more guests.

It is anticipated that between four and five hundred guests from among the high school students all over the state will be present. Invitations have been sent to the members of a number of high school graduating classes, and Professor Jones and Dean Hewitt, in their tours throughout the state, have invited students to

Hail, bounteous May! that doth inspire
 Mirth and youth and warm desire;
 Woods and groves are of thy dressing,
 Hill and dale doth boast thy blessing.
 Thus we salute thee with our early song,
 And welcome thee, and bid thee long!
 —John Milton

WELCOME!

May Day is at Willamette again. A feeling of general good will pervades the campus. Almost every organization has at least one day when work is forgotten. These special days are very characteristic of those who participate in them. We hope that our festivities here will be a good reflection of the life on our campus.

High school students from all over the state, we greet you. Alumni, we are glad to see you again. Other guests, we wish that our activities give you pleasure. We extend a hearty and sincere welcome and express the wish that you may come to know the true life and spirit of Willamette.

CANOEING "PERMITS"

Every year several lives are lost as a result of canoeing. This year at the Oregon State College efforts are being made to decrease the death rate by making a campus regulation which requires that co-eds pass a series of tests before receiving "canoeing permits."

Women who do not meet the specialized requirements are not allowed to go canoeing. Permission is also necessary from the parents and from the dean of women.

Men are not so carefully protected. They can go canoeing without a "permit." There will probably still be a high mortality rate among the men until such a regulation is passed for them also.

Although Willamette has had no casualties in recent years, canoeing on the Willamette is really safe only for those who swim.

AN EDUCATED PERSON

The American magazine has listed ten marks of an educated person. Would you have included the same items? He keeps his mind open on every question until the evidence is all in.

He listens to the man who knows.
 He never laughs at new ideas.
 He cross-examines his day-dreams.
 He knows his strong point and plays it.
 He knows the value of good habits and how to form them.

He knows when not to think and when to call in the expert to think for him.
 You can't sell him magic.
 He lives the forward-looking, outward-looking life.
 He cultivates a love of the beautiful.

At the recent convention at Laramie, Wyoming, three-fourths of the western colleges and universities revealed the fact that they have senior privileges. These include especially permission to get in late on week nights, occasionally or at certain times. Several are also more lenient about out-of-town permission for senior girls.

General sentiment seemed to be in favor of granting such privileges not only to senior women but also to juniors and sophomores in a lesser degree. It is an interesting fact, that in the colleges where senior privileges are granted, the women are glad to use them but have too much honor to abuse them.

Knowledge or education cannot be purchased as we would buy a book. Wisdom comes as a result of hard, earnest toil and its marks are just as apparent as callouses on the hand of a trench-digger.

The right to feel superior to the common people is what we call a democracy. However, we cannot destroy a class system in a land where every one hopes to belong to the upper class next year.

Corbett and Norblad are the strongest candidates for governor is the opinion of the university students.

It has been said that money is the only "jack of all trades."

ELEVEN SENIORS HAVE CONTRACTS FOR SCHOOL

Helen Hughes, Who is to Teach at Molalla, Signs Latest Contract

Willamette has been successful in placing a number of students in teaching positions for next year. Those already placed are Margaret Bolt at Pendleton, Marjorie Nelson at Burns, Eugene Sikke as principal at Perrydale, Mildred Wilkens at Creswell, Frances McGilvra at Bellfountain, Marjorie Miller at Ketchikan, Alaska, Gaynelle Beckett at Haines, Dorothy Young at Independence, Dorothy Hutchason at Merrill, Katherine Everett at

Stayton, and Helen Hughes at Molalla.
 Roy Skeene, '23, has been placed in the East Oregon Normal school at LaGrande, and Kenneth Vannice of '29 has secured a position at Glendale, Oregon.
 Although Willamette has no regular department for placing its graduate students, the registrar has been very successful in aiding graduates to obtain schools for teaching positions.

Years Ago

(Campus doings of other years as pictured in past Collegians.)

FIVE YEARS AGO May 6, 1925

The idea for the May dances this year is the four seasons of the year. Prof. Matthews will crown Queen Lucia and extend the welcome.

"Do you prefer blondes or brunettes for May Queens?" was the question put to Prof. Matthews. He has known all Willamette's nineteen queens of the May; and who could more competently judge of the requisites of this imperial person than Prof. Matthews?

It's not looks that make so much difference. There's something about some people—you may call it force or personality that makes them show up well before an audience, no matter what their size or complexion is.

The Willamette baseball squad took the Oregon Normal into camp by the score of 6-2 and defeated the Linfield representatives to the tune of 9-4, in the two baseball games played last week.

Miss Elizabeth Hyde '27 has been elected editor of the Collegian for next year.

Franklin B. Launer, professor of music at Willamette U. is preparing to return next fall. He will probably resume his former position, that of head of the piano department.

TEN YEARS AGO May 7, 1920

Modern and distinctly American in every detail will be the coronation of Queen Evelyn.

Neither the quaint lassies of old England nor the comely maids of France take part in the ceremony. The coming of the queen will be announced by the varsity quartet.

Contrary to original plans the Japanese comic opera, "Yokohama Maid" will be presented at the Grand Opera House. Following close upon the heels of the junior play the opera will indeed be a fitting climax for Willamette's May Day.

"The Lady of Lyons" has been selected as the junior play for this year. Miss Elizabeth M. Barnes, head of the dramatic department of the Ellison-White Conservatory of Music in Portland, is directing and staging the play.

The third number of the Willamette Lyceum course, under the auspices of the public speaking department, has been presented. The program was a miscellaneous recital by the students in the department and was composed of a variety of literary types presented in a well balanced arrangement.

FIFTEEN YEARS AGO May 3, 1915

The student body election resulted in Howard Jewett being chosen president for the ensuing year; Genevieve Avison, vice president; Aetna Emmel, secretary; and the race for treasurer has not yet been decided between Grover Gates, Arlie Walker, and Maxwell Hall.

Leila I, Queen of the May, was crowned before a crowd estimated to be between 1,000 and 1,500.

The oratorical contest, in which the Law students will participate will be held in Waller Hall. This is something that has not been in effect in the past. Attorney Walter E. Keyes is offering a gold medal for the orator who wins first place.

CURREY DIRECTS DANCE PRACTICE

Much Hard Practicing Done During the Last Two Weeks

Under the direction of Miss Gale Currey about 18 Willamette students have been practicing for two weeks for the May dances to be held after the coronation of Queen Katherine I.

The general chairman of the dance committee is Grace Henderson. The solo dancer is Mary Allen as Peter Pan; ensemble, Lois Jean Hanch as Wendy, Lulu Allen and Virginia Holt as the children, and Nanna the dog.

bet of this organization which includes only 169 of all the American colleges. Then, too, it has between 50 and 60 men in graduate schools. George Rigby will take his Ph.D. degree this June from the Massachusetts Institute of Technology. Gilbert Wrenn is working for his Doctor's degree at Stanford and is doing a very important and most appreciative work there. Willamette says with pride that in the past three years, 14 graduate students have taken degrees from Stanford. Herbert Erickson will take his M. A. degree in June from Stanford and Elmer Strevey will take his Ph.D. degree in June from the University of Chicago. Paul Trueblood takes his M. A. degree from Duke university in June, Donald Grettle, took his Ph.D. degree from University of Pittsburgh this last February, and James McClintock is taking his M. A. degree from Drew university in New York.

Other achievements along different lines are Forensics and the prominent place it is taking in the university. The teams have won several first decisions and Charles Campbell took second place in the extemporaneous speaking contest.

It is also very evident that the courses offered are being widened. One has only to stroll about the southwest portion of the campus and he will see the lovely miniature Shakespeare garden in which cabbages, forget-me-nots, and oak trees are grown. This is a new project feature and Willamette is one of a few colleges on the coast which is entering this interesting work.

It seems that life is three-fold; moral, intellectual, and physical. Willamette is a Methodist sponsored institution so morals are cared for. The intellectuality of its students and graduates has already been revealed, but the physical side has appeared in the recent duo-championship. Both basketball and football had good seasons in 1928 and 1929; basketball taking the first Northwest Conference championship for Willamette.

Wimberly, who is city attorney of Roseburg. Frances Gittens, 1916, chose John Paul Brown, '20, as her king and consort, and elected to stay that way as his wife. Their present address is West Linn, where Mr. Brown is head of the educational department.

A managership of the Ellison-White Chautauqua circuit afforded royal entertainment for Violet McLean, 1917, for some time but now she is an instructor in Commerce high school, Portland, and holds court at the Tudor Arms Apartments. After her experience as a celebrity, Blanche Baker, the queen in 1918, during the war, felt the need of someone experienced in the intricacies of publicity, so she married Errol Proctor, staff artist for a national advertising agency, and settled down in Portland.

Marguerite Wible, 1919, married Mr. Arlie G. Walder, '18, a judge of the circuit court. Mrs. Walder, at her home in McMinnville, edits her class letter, takes an active part in many phases of social life, and has almost forgotten that she is royalty.

Evelyn Gordon, who opened a new decade of queens in 1920, married Charles Ekstrum of Portland and is now living there.

The fifteenth queen, Mary E. Notson, is now living at her home at Heppner, Oregon. Emma Shanafelt, 1922, liked May Day, but she preferred Mr. Lester S. Day, '22, and so she is the wife of the executive secretary of the Boys Branch of the Y. M. C. A. at San Francisco.

The glories of being queen have been overshadowed by the glamour of a life of travel in Europe for Esther Paranougian, 1923, who is the wife of Ralph W. Barnes, '22, Paris correspondent of the New York Times, whose story of Lindberg was the first to appear in any paper. They have homes in Paris and Rome.

Kathleen La Rant accepted the homage of Willamette in 1924 and then went with her husband,

BEARCATS WILDCATS TO TANGLE FRIDAY

Linfield Conceded Victory Because Willamette Squad is Small.

Friday afternoon the Bearcat track squad will go to McMinnville to meet Linfield in their annual field day. Last year the Wildcats held the Bearcats quite close but this year Willamette will be lucky to get more than about 50 points. Carpenter will probably be the star with about 12 to his credit. He should take the shot and javelin and place in some of the other field events. Hiram French should have at least a second in the 440 and probably third in the 220 and shot. VanDyke should place in the mile and Crnkovich in the half. Dumas might be able to win the two mile. Nelson and Moebel should be good for 10 points between them in the hurdles and sprints. Lever can probably place in the jumps and sprints, which leaves 8 to 12 points for other members of the squad to make up. Poor can probably get some of these in the mile or two mile.

The only hope Willamette has in coming out on the long end of the score is in the chance that Linfield also may lack numbers. Although the meet is held on May Day it would be appreciated if all the rooters who can go would do so.

ST. MARTINS LOSE TO BEARCATS 4-3

Erickson Breaks Deadlock in Sixth When he Scores on Weird Play.

The Willamette baseball team defeated St. Martins College 4 to 3 last Friday. In the sixth inning of the game with scores tied at 3-3, one of Willamette's hitters was supposed to bunt. Erickson was on third and started for home as soon as the pitcher delivered the ball, but the batter missed. Erickson was trapped between third and home, but as the catcher threw the ball to third, the ball hit the runner on the back of the head. The ball rolled away and Erickson scored the winning run.

BEARCATS WALLOP CPS LOGGERS 12-6

Jason Lee Men Win First Conference Game in Impressive Style.

The Willamette university baseball team won their first Northwest Conference game from College of Puget Sound 12 to 6 last Saturday at Tacoma. Willamette scored in the first inning and held the lead to the end of the game. College of Puget Sound did not score until the fifth inning.

The Bearcats scored all their runs in three innings. Scales brought home the first run. Two more Bearcats crossed the plate before their inning ended. After the first inning, the Bearcats did not score again until the fifth inning when six men reached home. Again the Bearcat scored stood fixed for three innings, but in the ninth they added three more tallies for good measure. The Loggers scored all their runs after the fifth inning. Both teams made the same number of hits and errors, nine and four respectively. Scales, Cardinal and Gibson made two hits apiece. Peterson, Erickson and Hank got one hit each. Hank scored three runs. Scales, Erickson and Cardinal scored two runs apiece, and Dietz, Gibson and Peterson each scored one. Peterson struck out eleven men, while only two Bearcats fanned at plate.

WRESTLING FUTURE IS BRIGHT AT W. U.

New Sport Has Been Firmly Established in One Brief Season.

Wrestling has been established as a coming sport at Willamette. With a full team on hand and some reinforcements, the men actively engaged in this sport think that a good season's work has been done. To establish this game so firmly in one season is a very successful undertaking, and this promises rapid development. The staunch backing which the men have given this new sport is the primary reason for the optimistic view for the coming year. There will be the nucleus for a far greater squad next fall.

The school has not hired a coach for next fall, and the work will probably fall upon the shoulders of student participants. This is to be greatly regretted since it would be advantageous to have a capable mentor on hand to direct the work. However, there is great hope for next year and the years to come because of the willingness of the students to assist in the coaching. But, unless Willamette procures the proffered services of Cliff White, Des Anderson, Mervin Barrackman or whoever might be the instructor, the progress of the wrestling team will be seriously handicapped.

The lack of money is the only reason why such men cannot be procured. We can hope that Willamette will not lose sight of any possibility of hiring a mentor as soon as possible.

Dr. and Mrs. Doney were the guests of Professor and Mrs. Glatke at dinner Thursday evening.

Bearcats to Have a Very Busy Week

The Bearcats will have a busy time this week, since four games have been scheduled. Keene is putting the team through a stiff pre-season schedule in order to whip the team into the best shape. A game is scheduled with Linfield Tuesday, and the Bearcats journey to Portland on Wednesday where they meet Columbia university. Friday, Linfield will play a return game on Willamette soil, and Saturday, the Pacific University Badgers will tangle with Spec's Bearcats as a May Day feature.

W. U. RACQUETEERS CONQUER LINFIELD

Willamette Tennis Team Wins Five Out of Six Matches Played.

The Willamette Bearcats overwhelmed the Linfield racquet-wielders in a match at McMinnville Saturday, taking five out of six matches. The Willamette players won by virtue of their faster service and more accurate placements. Gilliam of Linfield won the only Linfield victory of the day when he defeated Pete Hageman in three tight sets. The Willamette women scored a clean sweep of their matches.

SIGS DEFEAT CLASSMEN SILKE FANS NINE MEN

Thursday noon Silke pitched the Sigs to a 9 to 6 victory over the U.-L. class team. In the first inning both sides scored a lone tally, but the fraternity men jumped into the lead in the second frame and held it throughout the tilt. In the fifth canto the U.-L. batters started a rally that was nipped after four men had crossed the plate. Silke set a record for strike outs by retiring nine players in the five innings. Haldane pitched the opening frames for the classmen, and Lever the last half of the game. Bowe and Deacon were the hitters with three hits in as many times up.

Summary:

ERRORS GIVE FACULTY CLOSE TILT WITH SIGS

Errors in the seventh inning gave the Faculty its fourth victory in five starts. The Sigs put up stiff competition in five innings, but blew up in the third and seventh frames. The tilt opened with the Sigs taking the lead. In the third the Faculty scored six runs to take a one point lead. Another point was added in the fourth, and one by the Sigs in the fifth. The Faculty came to bat in the seventh on the short end of a 12 to 7 score, but errors and a double by Leamer put the Profs ahead before three outs were made. At

Cinders Fail to Fly When Sparks Pilees: Records Made Anyhow

Crunch, crunch, crunch! The track moaned and groaned for the tender soles of many spiked shoes, but all in vain. Old Pluvius would not permit that familiarity. The track, however, fell to dressing and found herself at Willamette. The time was four o'clock sharp, Tuesday afternoon. "All set, on your mark!" They're off at the whistle! Now they're even; now they have crossed the tape! Who won the two-mile? Van Dyke, Dumas, and Roy Mink tied for first place. They were the only participants in the race. Again the signal is given and the one-mile has begun. Harry Stone, George Poor, and Enoch Dumas, the only participants, carry off the high honors. Alfred French, Crnkovich, Spellbrink, Blackler and Stone take many deep breaths in the half-mile and 440-yard. Curtis French wins the 220-yard in record time. John Nelson overcame the national record for the 120 high hurdles. He also struck the tape first in the 250 yard hurdles. Then two men, Lever and Nelson, attempted to fly and won equal honors in the pole vault. Lever again tried sailing and made good records in both the broad and high jump. Curtis French, a man of iron, won the shot put.

The crowds which packed the stadium screamed and yelled. The men on the track ran and ran. Old Pluvius looked down and smiled. No class had won. Classes were on par as never before; for there was no interclass trackmeet Tuesday at four o'clock, and it has been indefinitely postponed.

bat Beggs, Purvine, Bowe and Erickson had perfect hitting records. The hit of the tilt was a double by Beggs which was carefully dropped on one of the ratlers. Purvine had a better record on the mound than Sparks, striking out two more batters and issuing the same number of passes.

Faculty	0	0	6	1	0	6	13	32

Purvine and Beggs; Sparks and Oliver.

Doubles: Purvine, Bowe 2, Albin, Beggs, Leamer; strike outs: Purvine 3, Sparks 1; walks: Sparks 3, Purvine 3; double plays: French to Leamer, Sparks, French to Erickson; sacrifice hit: Deacon.

SALEM HIGH GETS BIG SWEEPSTAKES

Two Silver Trophies for Division A Were Awarded Local School

In the annual music tournament held at Forest Grove by Pacific university, on Friday and Saturday, April 25-26, Salem high school represented by fifty students from the music department received the grand sweepstakes. They were presented with two silver trophies, one for the grand prize and the other for the highest number of points received by any school entered in the class A division of schools having 1000 or more students.

The girls glee were singularly complimented upon their ensemble number which was judged by several of the professional critics to be the outstanding number of the entire tournament. The numbers which were presented in the chapel Thursday, April 24, by Miss Vivian Benner, Miss Ruth Howe, Miss Elizabeth Boylan, and Dalbert Jepsen were enjoyed. The work of Mr. Jepsen received especial comment among the students.

WILLAMETTE TRACK RECORDS RECALLED

Many Creditable Records Established by Willamette Field Stars.

Reviewing Willamette track history, we find many records by former Willamette athletes which are really remarkable and would look well in any competition. However, the difficulty is, so Coach Sparks states, in the fact that these outstanding performers have not been grouped but has established their records over a period of approximately 20 years.

During the past few years, Willamette has been woefully weak in the sprints and no one has pressed the school record of 10 seconds flat in the 100 yard dash or 23 seconds flat in the 220 yard dash. Small and Ford hold the record together for the 100 and 220 yard dashes.

The record in the 440 yard dash is 51 3-5 seconds and is held by Jackson, former Willamette quarter miler. Several men in the last few years have come closer to this mark, but none so far have equalled or broken it.

Logan holds the record in the mile, with a time of 4 minutes and 33 seconds. Tweedie is the record holder in 880 yard dash, his time being 2 minutes and 3 seconds.

Hartley in 1926 established the record in the high jump. His best performance is 5 feet, 8 inches. In the pole vault Jack and Bill Vincent are co-holders of the record. Their height is 12 feet, 6 inches. Stroyev with a jump of 22 feet and 11 inches holds the record for the broad jump.

Stolheize, also of 1926, holds both the shot and discus records. His mark in the shot is 35 feet, 11 inches and in the discus, 119 feet, 9 inches.

The record for the low hurdles is 25 4-5 seconds, while the best time made in the high hurdle event is 16 4-5 seconds. Irvine holds the low hurdle record and Jack Vincent is the holder of the record in the high sticks. Ruch is the present holder of the javelin record. His mark is 170 feet, 9 inches. Also in the two mile, Hathaway is the holder of the school record. His time for the race is 19 minutes and 10 seconds.

Bond, Boothby, Collingsworth, and Fleisher, hold the record in the mile relay. Their mark is 3 minutes and 41 seconds.

These records have been obtained by reviewing old Collegians and are as accurate as possible. They may serve as an incentive for the 1930 tracksters and give them something for which to aim.

U.-L. PULLS UPSET TO TAKE KAPPA TOSSERS

Tuesday the U.-L. Class upset the dope to defeat the Kappas 16 to 13 after the Kappas had piled up an 11 point lead in the first two innings. In the second frame Haldane relieved Lever after he had let in six runs without any outs. With the bases loaded Haldane retired the side with only two more counters. For two cantos he allowed no runs, but in the fifth two men crossed the plate. Poor pitched well, but the infield either missed easy hits or threw the ball to the wrong man. Haldane won his own game by driving in six runs on three triples and a double.

U.-L. Class	0	6	1	6	5	—	16	25
Kappas	3	8	0	2	0	13	18

ALPHA PSI TEAM WINS FROM KAPPAS 6 TO 2

The Alpha Psi defeated the Kappas 6 to 2 in the lowest score contest thus far. Poor pitched his usual good game, but poor support in the infield let in several runs that should have been outs. Roeder did the hurting for the victors and showed better form than in the previous tilt. The Alpha Psi men took the lead in the first inning, but the Kappas tied it up in the fourth. In the fifth and sixth the Alpha Psi were able to add four more runs while the Kappas were blanked. A Kappa rally was robbed of its scoring punch when the umpire ruled that Felton had been hit by a bunt he had dropped on the first base line. Good hit the only extra base hits, and "Mike" Fitzpatrick hit perfect with two singles.

Alpha Psi	2	0	0	3	1	0	—	6	19
Kappas	0	1	0	1	0	0	—	2	15

Roeder and Sherwin; Poor and Lewis.

Doubles—Girod 2; struck out—Roeder 2; bases on balls—Roeder 6, Poor 1; double plays—Gould to McCullough, Girod to Faber, Poor to McCullough. Umpire: Curtis French.

SIGMA TAU WALLOPS LAW SCHOOL TOSSERS

Wednesday noon the Sigs walloped the Law school tossers 4 to 1. The Sigs took the lead in the first inning when two runs were scored after two were out. The lawyers got to Silke in the third for their lone score, but the Sigma Tau widened the gap in the fourth with another pair of tallies. Silke pitched a good game for the winners although he walked seven men and struck out only six. Corey pitched better than Marsters who relieved him. Satchwell broke up the best law rally on a double play, and Mundorf stopped two that would have been triples.
