VOL. XLII.

SALEM, OREGON, THURSDAY, MAY 29, 1930

No. 29

They Sing of Seabeck

Fun, Good Eats, and Friends Make up a College Education.

Anyone who is trying to get a college education needs a college vacation, and Seabeck is the right place in which to find it.—Ronald Hubert.

I heartily agree with many who say: "A week at Seabeck was worth more to me than a year at college."—Harry Stone.

I have made friendships which are real and lasting.—A Co-ed.

Genuine fellows go there, and they are more genuine when they leave.—Wesley Gordon.

Old deserted villages and cemeteries in the moonlight are trying places for goblins and gnomes. See "Pat" White for information. Seabeck 1929.

For fun, good eats, and friends go to Seabeck.—Dorothy Taylor.

It wasn't just the clam bake, just the athletics, just the swimming and boating, just getting thrown in the drink for late rising, just the quiet discussions under the trees with men from other colleges and other lands, or just the speakers, but I got something at Seabeck I've never been able to get before or since.—Walter Warner.

If in college a man is supposed to have his mind stimulated by association with the right kind of leaders and other young men, if he is to get a well rounded picture of life and its problems—then it's Seabeck.—Leslie Manker.

At Seabeck one is not so rushed but that he has time to stop and think and feel the presence of God. You can't afford to miss Seabeck in your college career.

NEW OFFICERS AND MEMBERS ELECTED

Tau Kappa Alpha to Be Headed by Harland, Campbell, and Beecher.

New officers and members were elected at a recent meeting of Tau Kappa Alpha, National Forensic Fraternity. The following new members were received by the retiring president, Warren McMinimie: Marjorie Nelson, Charles Campbell, and Lillian Beecher.

The list of new officers for next year is as follows: President, Roy Harland; Vice President, Charles Campbell; Secretary-Treasurer, Lillian Beecher. Members who will graduate in June are: Yvonne Cornell, Harold Tomlinson, Marianne Morange and Margaret Pro.

STUDENT COUNCIL MAKES SELECTIONS

Childs, Sherwin and Moser Named on Wallulah Advisory Committee.

At the executive committee held May 20, nominees for the Wallulah Advisory Committee were selected and voted upon. The students who were elected to the committee are: Isabel Childs, Dick Sherwin, and Marjorie Moser.

It was decided that Donnell Sanders, who was yell leader last semester, should receive a "W" sweater if he returns to school next fall. The motion was also carried that William Mumford and Warren McMinimie be authorized to attend the Pacific Students' Presidents' association at Seattle, Washington.

New Senior Bench Grows Suddenly; Seems to Have Destroyed Sister; Senior Gift Will Be Appreciated

What is so rare as a day in June when one may stroll the grassy glades and come upon a cement bench. Benches don't grow, you see. Well, this one did. It grew up over night even if it did have to keep its old coat of wood on for a short season. Anyway, it was going to see the world soon. It was going to sleep and sleep there in the shade of a grand old maple who had seen generations and generations rest beneath its foliage. It was

"Y" FINANCIAL DRIVE HAS DECIDED SUCCESS

\$400 is Goal for Budget; Men Students Pledge \$118; Faculty and Others Help.

The Y. M. C. A. financial drive was a decided success. The students have already pledged over their quota. It will now be possible to carry out the program for next year as announced.

The \$400 budget was to be raised, \$200 from students, \$100 from the faculty, and \$100 of special gifts. Philip Armstrong's latest report on student pledges was \$118.60.

The Y. M. C. A. cabinet is grateful to the men of the student body for this assurance of their loyal support.

PHYSICAL ED. PLAN FOR YEAR GIVEN

Courses to Expand; More Unity Planned; Classifying Exam for Fresh

As yet there are no definite changes to be made in the physical education department. The women's physical education department is planning a fuller program, however, with swimming and perhaps field hockey stressed. Women's basketball will be run off early next fall before the men's basketball season begins which will give the women participating approximately two months and a half for practice.

In the men's department the program is also going to be fuller with more work done by schedule. There are also plans in the men's department of having classifying examinations for the freshmen as well as the usual physical examination. This examination will determine whether the student belongs in the novice or expert class and will make the work more systematized.

A major in the physical education department is a good choice at Willamette because the university is at present unable to supply the great demand for teachers in this field. So great is the demand that even students taking a minor in this department are obtaining excellent positions.

At present there is only one physical education major and she is from the women's department. She has several prospects for excellent positions. There are no majors from the men's department, but there are several minors among whom are Harold Hauk, Eugene Slike and Garne Crator.

With these prospects it looks as if Willamette will have a bigger and broader physical education program for the year 1930-31, but the exact program will be determined and issued upon the meeting of the heads of the departments scheduled for the near future.

PORTLAND A. A. U. W. PRESIDENT SPEAKS

Y. M. C. A. Will Sponsor Campus Luncheon to Advertise Seabeck.

Mrs. Mary P. Cramer, newly elected president of the Portland Branch of the American Association of University Women, is speaking in Chapel today. Her subject is "Summer Jobs for College Students."

Mrs. Cramer is a graduate of Stanford, a post-graduate of the Massachusetts Institute of Technology, is prominent in Portland club work, and has achieved national fame in her hobby of photography. She is especially well qualified to speak on the subject of vocations, as she worked her way through her college years, and has thus come in contact with many different types of vocations.

"DUE FIVE DOLLARS"

Mr. N. S. Savage requests that the woman who holds the receipt marked "Due five dollars" come to the office and claim her money.

CURRIN TO HEAD NEXT SENIOR CLASS

VanWinkle is Vice; Nell, Secretary; Waddell, Treasurer for Seniors.

LAFKY LEADS JUNIORS Fred Paul Will Be President of the Next Year's Sophomore Class.

The officers for next year's senior class are Hugh Currin, president; Rosalind Van Winkle, vice president; Elma Nell, secretary; Ray Waddell, treasurer, and Homer Roberts, sergeant-at-arms. Hugh Currin is president of Beta Chi, a member of Theta Alpha Phi, Kappa Gamma Rho and active in the Shakespeare club. Rosalind Van Winkle, of Beta Chi, is the president of the Beethoven Society for next year. Elma Nell, also a member of Beta Chi, is active in Theta Alpha Phi and the Little Theater work. Raymond Waddell is a prominent member of Science club as well as Sigma Tau. Homer Roberts belongs to Sigma Tau also, as well as to Theta Alpha Phi. He has taken part in many of the Theta Alpha Phi plays.

The sophomores elected Ray Lafky, president, Beuna Brown, vice president, and Don Faber, treasurer. Another election will be held to elect the secretary since there was a tie between Sarah Dark, Faye Cornutt and Muriel White.

The freshmen have chosen the following officers: Fred Paul, president; Dorothy Rose, vice president; Carol Braden, secretary, and Melvin Crow, treasurer. Fred Paul has been very active in the freshman class, being Freshman Glee manager for this year. He belongs to Sigma Tau and went out for football last fall. Dorothy Rose belongs to Alpha Phi Alpha, and is treasurer of Y. W. C. A. for next year. Carol Braden is a member of Beta Chi. Melvin Crow, an Alpha Psi, was assistant debate manager for this year.

The juniors held their election a week ago Wednesday, the sophomores and freshman holding theirs this Wednesday, May 28.

JOSEPH CONRAD HAS VERY PECULIAR NAME

Mr. Conrad Uses Incidents of Own Life in His Novels More than Other Authors.

Washington State College, Pullman, May 26.—(PIPA)—"Joseph Conrad's full name was Tendorf Josef Konrad Korzeniowski," stated Thomas M. Raynor, professor of English at the State College of Washington, in a recent talk about the famous novelist.

"Conrad was born in the Polish Ukraine, Russia, and throughout his boyhood felt an intense craving for the sea which he had never seen. At the age of 17, he was allowed to enter the French Merchant Marine and began the life which was the chief basis of his novels. A disappointment in love caused him to leave France for England when he was 20, although he knew only a few words of the language and had little money. He was naturalized in this country and wrote his great works in this language when compelled to give up a sailor's life because of illness, at the age of 36.

"Conrad put incidents of his life into his fiction more literally than almost any other novelist and admitted the public into a close intimacy with his interpretation of his feelings."

Miss Newhouse, who is teaching in the Chobalis, Washington, high school, was prominent in debate and forensic affairs while at Willamette and is a member of Tau Kappa Alpha.

NEWHOUSE WILL SAIL FOR ORIENT JUNE 11

Former Willamette Graduate Will Visit Japan and China on Hikawa Maru.

A trip to the Orient is to furnish vacation recreation for Hazel Newhouse, '27, who sails from Seattle June 11 on the Hikawa Maru for Yokohama. She will visit places of interest in Japan, may go over to China to call on Margaret Lewis, '28, who is teaching in a Presbyterian school in Shanghai, and will return August 31 on the Siberian Maru.

Miss Newhouse, who is teaching in the Chobalis, Washington, high school, was prominent in debate and forensic affairs while at Willamette and is a member of Tau Kappa Alpha.

CREDIT WILL BE GIVEN FOR INDUSTRIAL WORK

An industrial seminar will be held in Seattle again this year in connection with Seabeck at which it will be possible to receive college credit for summer work in some factory in order to study industrial conditions first hand.

The students will be working in various industries and will meet in the evening twice a week to share experiences. Those majoring in sociology and economics should be especially interested.

Final Examination Schedule

Monday, June 9		
Third period classes M W F	7:45- 9:35

'30 WALLULAH HAS HISTORICAL MOTIF

Yearbook Has Been Dedicated to Mrs. Luen Hughes (A. N.) Bush, '80.

Willamette history is the motif of the new 1930 Wallulah, the last consignment of which was received Tuesday. Carrying out the pioneer days idea, the book is dedicated to Mrs. Luen Hughes (A. N.) Bush, a graduate of Willamette in the class of 1880, who has maintained a ceaseless interest in her Alma Mater.

The historical sketches used are taken from an outline of Willamette history prepared some time ago by Dr. Robert M. Gagne of the political science department. This outline is in the form of a small folder and gives the most important incidents with their dates.

The newly elected editor of the 1931 Wallulah, Helen Stiles, states that plans are already under way for next year, and although the staff has not yet been chosen, appointments will be made as completely as possible before the end of the year.

Editor Roy Harland states that students must call for their books by Friday. All books not secured by then will be placed on sale as extra copies.

PUBLICITY BUREAU TO BE ESTABLISHED

Mr. Harold M. Tennant, New Registrar, to Head this Department.

The publicity bureau toward which students and alumni have been working during the past year is to be a thing of reality it was announced early this week. The new departure will be headed by Harold M. Tennant, new registrar, who will arrive on the Willamette campus to take over his work for the coming year on June 2.

Mr. Tennant, who was for ten years registrar at Oregon State College, Corvallis, comes from Berkeley, California, where he has been engaged in business for several years.

The new registrar is highly recommended to the university. He is married and has several children. While at Oregon State college in the capacity of registrar he instituted a number of reforms in methods of record keeping which have since been widely accepted by other colleges.

NEWHOUSE WILL SAIL FOR ORIENT JUNE 11

Former Willamette Graduate Will Visit Japan and China on Hikawa Maru.

A trip to the Orient is to furnish vacation recreation for Hazel Newhouse, '27, who sails from Seattle June 11 on the Hikawa Maru for Yokohama. She will visit places of interest in Japan, may go over to China to call on Margaret Lewis, '28, who is teaching in a Presbyterian school in Shanghai, and will return August 31 on the Siberian Maru.

Miss Newhouse, who is teaching in the Chobalis, Washington, high school, was prominent in debate and forensic affairs while at Willamette and is a member of Tau Kappa Alpha.

"FEARLESS YOUTH" TO BE SPECIAL SUBJECT

A special church service will be sponsored by the Campus Christian association at the First Methodist church on the evening of June 2. Dr. James K. Milligan of the First Methodist church of Corvallis, will speak on the topic, "Fearless Youth."

Dr. Milligan is a very able man to bring this message. His church in Corvallis is center for the Oregon State college students. He has a well equipped plant and a staff of trained workers.

The services are a week earlier this year than they were last year in order to give the students a better chance to attend.

SCOTT WILL SING SENIOR FAREWELL

"Farewell Willamette" Will Revive Memories at Senior Chapel.

Miss Lillian Scott, who is prominent in Willamette musical circles, has been chosen by the Senior class to sing "Farewell Willamette" at Senior chapel, Friday, June 6, and at commencement, June 16. She will be accompanied by Helene Price.

The rendition of this stirring song expresses in a beautiful way the sentiments of the Senior class toward the school which has contributed so much to their well-being and happiness. It brings vivid memories of the last four years—sad memories and glad memories, memories of struggles and memories of victories. And the song itself is one of the undying memories of college life.

The honor which has been given Miss Scott is the greatest honor which is possible for any class to bestow upon a musical student.

AMUSING ANSWERS ARE GIVEN IN TEST

Men Make Higher Percentages than Women in Sociology Test.

During the year 1929, 110 Willamette students took a test given by the Sociology department in order to determine how well certain prominent persons were known. The students who took the test were from five classes—High School Methods, German, Sociology, Freshman Composition, and Contemporary Europe.

The test proved, that the men rated higher than the women in the grade percentages, the averages being 70.64% and 67% respectively.

The women knew Benito Mussolini, Ben Lindsey, and Douglas Fairbanks best, other persons they were acquainted with were Jack Dempsey, Babe Ruth, John D. Rockefeller, and Billy Sunday.

The men knew John D. Rockefeller, Raymond Poincaré, Billy Sunday, and Helen Wills very well. They also knew Thomas Edison, Ben Lindsey, Andrew Mellon, Babe Ruth, and Al Smith.

In a test like this some students made odd mistakes. It was revealed in this test that Lady Astor is the wife of the King of England; Mme. Curie is a fake healer; Charles Darrow is a "sociologist"; Jack Dempsey is an ex-champion golfer; Douglas Fairbanks is a botanist and scientist; George Clooney is a humorist; Nancy Miller of Seattle Lloyd George is the elder brother of the Prince of Wales; Helen Keller is a famous woman swimmer; Ignace Paderewski is a great singer; Carl Sandburg is a poet; Sandino is a city in California; Guglielmo Marconi is a character in S. S. Van Dine's mystery stories; Edith Wharton wrote "Uncle Tom's Cabin," and that Frank B. Kellogg is the inventor of cornflakes.

MANAGER DISTRIBUTES WALLULAHS THIS WEEK

Samuel Bove, manager of the 1930 Wallulah, announces that if convenient all persons secure their Wallulah by the end of this week. Cooperation in this matter will facilitate the plans for selling extra books. The selling price of these books will possibly be about four dollars.

W. U. NIGHT MEETS 825

Willamette night at the Capitol Theater during May Week ended Tuesday night with \$25. This amount was turned into the general athletic fund. Much appreciation is due Mr. Bligh and Mr. Archie Holt for the financial success of the venture.

APPLICATIONS ACCEPTED

Wendell Keck has received word from Stanford and Yale graduate schools that his applications have been accepted. Mr. Keck expects to attend one of these schools next fall, but has not yet decided which one.

WILLAMETTE SENDS THREE DELEGATES

Convention's Last Meeting Was Held at Paradise Inn on Mt. Rainier.

U. of W. MAN TO BE PRES.

Representatives from Eighteen Coast Colleges Attend the Meeting.

William Mumford, Warren McMinimie, and Leslie Sparks attended the Pacific Students' Presidents' Association convention at Seattle, Washington, May 21-24. The convention was called for the purpose of discussing student problems and promoting good-will among the Pacific coast institutions.

After driving to Seattle in Mr. Sparks' car, the first day was spent in registration and a tour of the University of Washington campus. A meeting was held which was attended by the student presidents of Stanford, University of California, University of Nevada, University of California in Los Angeles, University of Idaho, University of Arizona, University of Southern California, Sacramento Junior College, College of Puget Sound, Linfield College, University of Washington, Pasadena Junior College, University of Oregon, Oregon State College, University of Montana, Yakima Junior College, Gonzaga University, and Willamette University.

The second day was devoted to the business of the organization. The delegates were entertained both Wednesday and Thursday nights.

Friday the representatives left Seattle, lunching at Tacoma. After dinner at Longview, the party lunched at Paradise Inn, on Mt. Rainier. By special arrangement the inn was opened to the convention, and although the roads were impassable and everyone hiked the delegates.

Mr. Mumford and Mr. McMinimie amused themselves—and everyone else—by feeding the bears at Paradise Inn. They succeeded in coaxing one bruin into the Inn and then closed the door. Mr. Bear objected vigorously, and finally discovered an open door through which he vanished into the snowy night. Members of the convention also skied—and got up again for another try.

The convention held its last meeting at Paradise Inn, and elected officers for the coming year. Girtion Vierick from the University of Washington was made president; Ted Groff, University of Southern California, vice president; an Arizona representative was elected secretary, and a delegate from Idaho was named treasurer.

PADILLA, ONCE STUDENT AT W. U., WINS HONORS

Two Fellowships Held; Position Offered in U. of P.; Travels in Europe

Word has been received here recently of the success of Silvestro G. Padilla, former Phi Delta student of the university, who majored in psychology under Dr. Clarence L. Sherman.

For two years he held a teaching fellowship at the University of Oregon where he earned his Master's degree. Following that he was given another fellowship in the University of Michigan at Ann Arbor where he studied and worked for three or four years. This spring he secured his Ph.D. degree in Psychology and has accepted a position as Professor of Psychology in Manila.

Mr. Padilla is at present touring Europe previous to his return to the Islands.

OUTDOOR LUNCHEON TO BE SERVED ON CAMPUS

An out-of-door luncheon at which the Young Men's Christian association will put on a short program advertising Seabeck will be served on the campus Thursday evening of June 5.

The fraternities are cooperating in serving this meal instead of having the usual dinners in their own houses.

Independents and fraternity members are all urged to attend as this will take no more time than the usual meal with the added interest of out-of-door fellowship.

MANAGER APPOINTS AD STAFF FOR COLLEGIAN

Armitage, M. White and John Puntio Are Selected as Assistant Editors.

The following appointments have been made by Alfred King, newly-appointed Business manager of the Collegian: Advertising manager, Ralph McCullough; Circulation manager, Evans Hamilton; Collector, Fred Paul. Some of the solicitors of this year will work next year, and the remainder will be made up of incoming freshmen.

Assistants to editors are as follows: Muriel White, Assistant Managing editor; Miriam Armitage, Assistant Society editor; and John Puntio, Assistant Sports editor.

GEOLOGISTS VISIT MT. HOOD LOOP

Stratification Observed; Eagle Creek of Miocene Times Is Oldest

The class in General Geology during the week-end of May 15-17 under the direction of Professor W. W. Clark made the annual field trip which included an extensive study of the Columbia Gorge and Mt. Hood districts. In Portland the extinct volcano on Mt. Tabor and Rocky Butte were visited. Rocky Butte was found to be composed of an Eocene rock called andesite.

Thursday night was spent in a tourist's park on the Sandy river near Troutdale. After dinner on this evening the group studied the cliffs and banks along the river and the highway which at this point expose the conglomerate formations to particular advantage. The sand and gravel formations in the Sandy river were noted here.

On Friday at the Vista House, Professor Clark gave a lecture on the geological history of the Portland region and the Columbia River Gorge. The class stopped at the several falls along the highway and observed the formation of each.

Friday afternoon was spent in the Eagle Creek district. A hike up the canyon to the Punch Bowl resulted in the observation of the oldest formation seen on the trip. It is a formation of volcanic ash and tuff possibly from the volcano of which Beacon Rock in the Columbia river is now the plug. This is of Miocene times and all the trees whose leaves were found as fossils in the rocks are now extinct.

Friday night the class was entertained at the home of Marjorie Miller, near Hood River.

On Saturday the mountain formations and the sand dunes near the Rowena Loops were studied. Then the group turned back to Hood River and took the Mt. Hood Loop road. At Parkdale the lava beds were seen. During the afternoon the atmosphere was rather cloudy and observation of Mt. Hood was almost impossible from the road.

The trip was well planned and of great value to the students of Geology. Much credit is due Professor Clark and the committee who arranged the affair.

W. U. LAWYERS ELECT McFUORRY PRESIDENT

At the recent election, Friday, May 9, Roy McFurphy was unanimously selected president of the Willamette Law School. Roy Harland was elected vice-president; Heintze Hollister, secretary; and Clarence Emmons, treasurer. All of the new officers are seniors in law with the exceptions of Mr. Harland, who is a junior.

TWO POSITIONS SECURED

Two other seniors have secured teaching positions during the last week. Helen McPherson will be at Woodburn next year, and Faye Irvine will teach in the Myrtle Point high school.

Summer Comes and With it Jobs; Threshing Machines and Schools Are Among W. U. Officers' Plans

And soon comes summer and vacation time. Then, the age-old question, "What are we going to do for summer employment?" Some of us will continue the job that we had during the past winter and spring; others will not be as fortunate (or unfortunate). Here is what a few of the prominent W. U. students plan to do: Warren McMinimie, future president of the A. S. W. U., plans to run a threshing machine in Eastern Washington during his spare hours; Grace Henderson, secretary-elect, will probably do stenographic work of some kind in a Salem office; Betty Lewis, first vice-president, plans to lead a Girl Reserve summer camp; Paul Ackerman will continue in his usual position—that of a rural mail carrier; Helen Stiles, next year's Wallulah editor, will probably be employed in the Jantzen Knitting Mills' office; and Dorothy Pemberton, Collegian editor, intends to attend summer school at Willamette.

PRESIDENTS NAME WILLIS NOMINEES

Albert and Willis Prize Winner to Be Selected by Student Vote

LOLA DASCH HONORED

All the Nominees For Prizes Are Prominent in Activities of Campus

Miss Frances McGilvra, Miss Dorothy Taylor and Mr. Harold Hauk are the three nominees selected by the presidents of the four classes to compete for the Colonel Percy Willis prize of \$25 which is presented each year to the student throughout the year who has done the most real good to fellow students and to the university by deeds of kindness and genuine helpfulness coupled with steadfast devotion to high ideals and upright character.

Friday, the members of the student body will vote for the winner of this and the Alberts prize for whom the following have been nominated, Andrew Peterson, Wesley Roeder and Marion Morange. This prize of \$25 is awarded each year to the student who has a record of faithful study and scholarship, and who during the year, has made the most progress toward the ideal in character, service, and wholesome influence. The 1929 prize was awarded to Elsie Tucker, of Salem, Oregon.

Miss Lola Dasch was awarded a prize consisting of a pendant and bracelet which was presented to her in chapel by Miss Dahl. The gift was to be given to the girl who achieved the most in a personal way, scholastically, morally, during the first three years of college. The gift was presented by a friend of the university and the girl was selected by the ladies of the faculty.

BIOLOGISTS' TRIP DECLARED SUCCESS

Biology and Zoology Classes See Fascinating Fauna and Flora.

The Biology and Zoology field trip to Newport on May 16 and 17 was pronounced a decided success by all of the fifty-two students in attendance. Everyone present had a most interesting and educational time studying the fascinating forms of life on the Oregon coast.

Friday morning was spent at the marine gardens near the Yaquina head lighthouse. Of special interest here, were a sea cucumber, a twenty-rayed starfish, and a large octopus, which was seen by Mrs. Monk, Mortanne Morange, and Prof. McCormick. Friday afternoon was spent at Defoe Bay, where the party visited a newly-built aquarium filled with many forms of deep-water fish, including skates and dogfish sharks. The program Friday night included a marshmallow roast at a driftwood fire.

Saturday morning, at the Otter Rock marine gardens, other interesting forms of marine life were found. The following are notable: a stalked Ascidian; compound Ascidian; a very small variety of starfish; and a keyhole limpet, with a dozen or more small simple sponges growing on its shell. Saturday afternoon a short stop was made at some sand dunes, after which the students left for Salem.

As a result of this trip, the laboratories now have a collection containing most of the important invertebrate animals occurring on the Oregon coast.

Professor Monk issued the following statement, "I am well pleased with the results of the trip and have only compliments for the students who went with us on the trip."

THE LAST WORD

With this issue we who have labored during this last year are putting forth our last efforts in this enterprise. Next week the new staff will take over the duties. During the past year we have attempted in every way possible to make the Collegian a really true representation of student thought, opinion and activities, which might be interesting not only to us on the campus where all these things have occurred, but also to the alumni and even to the high school students who may some day choose Willamette for their Alma Mater. As for the University itself we have endeavored in our regime to be in the closest harmony with all her policies and opinions. We have not only defended her, but we have exalted her every glory.

Now that the time has come for the new staff to carry on the duties that are found in connection with such a publication we can only hope that they will derive as much pleasure and knowledge for the work as we have.

WILL W. U. WIN ANOTHER?

Willamette will have her chance to win the third Northwest championship for the year today, tomorrow and Saturday when the Bearcat baseball nine meets Whitman here in Salem. This is also the third time this year that the championship has been between Willamette and Whitman. Two times Willamette has been victorious and both times the game of games has been played at Walla Walla. Now that the team are playing on familiar territory should make the game turn more in their favor at first than the previous championship tilts.

However, although we have a splendid team, every player will have to do his very best in this game. Not only the players must work, but the students must help them win. Student backing, and in addition that of the townspeople, are vitally important. Let's make Willamette the Northwest champions in baseball as well as in football and basketball.

THE 1930 WALLULAH

With one or two minor exceptions the 1930 Wallulah is as fine in all respects as the hard work of clever people could make it. The change in order is original, and gives life to the book, since the "human interest" section is placed near the first. The historical motif is new also, and adds much to the value of the volume as a record of the school's activities. Pictures of the minor sports and the art work of the annual come in for their share of praise, too.

One point on which we would take exception includes the very few instances of ill-advised humor. It is well to remember that anything which will hurt the feelings of anyone is wholly unnecessary in a college publication. We are glad to say that most of the humor is, however, pleasant and harmless and acceptable to everyone concerned.

WHY NOT OUR OWN BUS?

Securing transportation for school picnics and excursions is becoming more and more of a problem. Private cars are hard to obtain for any length of time, and the hiring of stages costs a fabulous sum.

If the money spent in hiring vehicles was given to the university, a school bus could be owned and paid for in a few years. The students could drive it themselves, and the expense to organizations would thus be greatly lessened. Fraternity picnics, class Flunk Days and Biology excursions would certainly be much benefited and, with an initial fund from the school, could probably support the undertaking without much difficulty.

WHAT PRICE ACTIVITIES?

The recent student body elections have brought the question of activities once more into the limelight, and raised the old question, "Are activities worth the worry and effort that they demand from the students?"

Activities require as much work and thought as a greatly overzealous scholastic load. If they yield no tangible rewards the student who claims that he has no time for activities has some ground on which to stand.

However, it is not rash to say that activities will probably bring more material benefit to the student than any one course he might elect. A great national corporation picks its employees from college men on a ten point rating scale, in which activities are considered first, and scholastic average ninth. The Bell Telephone company says that its most capable young men have had college training in debate and journalism.

In addition, activities do pay from the standpoint of worthwhile accomplishments for the good of the college and for personal development.—Washington State Evergreen.

Co-operation is a splendid thing. It can work the wonders that nothing else can.

WHITMAN WINS TRACK MEET FROM GONZAGA

Whitman College, Walla Walla, Wash., May 27.—(PIP).—Gonzaga lost to the Whitman track team 89-35 in a one-sided contest, at Spokane. The Missionary team made clean sweeps in three events and proved equally strong in all three divisions taking the majority of points in the track, field and weights.

WHITMAN RACKETEERS DEFEAT W. S. C. SQUAD

Whitman College, Walla Walla, Wash., May 27.—(PIP).—The Whitman tennis squad defeated the W. S. C. squad on the local courts last Saturday in both singles and doubles. Captain Oswald showed exceptional playing with the other members of the squad showing up to good advantage.

Along the Way

By the Wayfarers

When we see anyone putting their books in a brief case we figure that they are just "Packing Their Troubles in the Old Kit Bag."

We heard that two boys were forming a bachelor's club—to give the girls a break, they say. Heh, heh.

It seems to us that tests are nothing but a pencil chewing process.

We don't have to live in New York to understand subway jams. We waited for our Wallulah in the tunnel under Waller Hall.

Tubby walked along the line and laboriously counted the people in front of him, but when he went back in line there were twenty-six in his place. (Our mistake, there was only room for twenty-five.)

Some of the boys were compelled to get out of the tunnel, because their feet blocked traffic.

Now that the Wallulabs are out we suppose that every one will have a bad case of Autographitis.

Sometimes we think that being frank is just a polite way of being rude.

A distant aunt presented us with a calendar that is filled with wise ditties. One of them says, "It is no harm to dream and sleep as long as you get up and hustle when the alarm clock goes off."

We think it is a safe bet to say that the author didn't have a 7:45 class.

Small Eskimo child: Waaaaaa, I want a drink!
Eskimo mother: Shut up, it's only six months till morning.
—Illinois Siren

We saw Ronald Hewitt sitting on the Chapel steps reciting this Pome

I wish I were a little rock
A/sitting on a hill,
A/doing nothing all day long
But just a sitting still,
I wouldn't eat—I wouldn't sleep,
I wouldn't even wash,
I'd sit and sit a thousand years
And rest myself, by gosh!

The Sophomores and the freshmen had a grand picnic. They buried the hatchet and dug it up again.

Mike F. and Clarence P. spent the whole evening chasing each other with pop-bottles.

The climax of the evening was the smoking of the peace pipe. Our vocabulary and space isn't large enough to describe that.

The other day we saw a freshman girl so anxious to get to chapel that she ran up the steps and fell on the floor with a bang.

And then there is the boy who asks the yell leader drinks ROOT beer.

After these sunny days on the campus the most of us are walking examples of Bigger and Better Sunburn.

If the food at your boarding house tastes like sawdust, be nonchalant—its fine board you're getting. So says an eastern student. Maybe the food at their student beannery isn't all it is cooked up to be.

Society

Mr. and Mrs. Sheldon Sackett (Sadie Pratt) are receiving congratulations upon the birth of a son on Wednesday morning. Mr. Sackett is a member of the class of 1923 and of the Sigma Tau Fraternity. Mrs. Sackett is a member of the class of 1923 and of Delta Phi sorority. She was Song Queen during her junior year at Willamette. Both have been prominent in Willamette alumni circles.

Mr. Vern Ferguson of Coquille, Oregon, was a guest at Sigma Tau this last week-end.

Mr. Oscar White of Ewan, Washington, spent the week-end at Sigma Tau Fraternity.

Mr. Loren Mort spent the week-end at Sigma Tau.

Miss Helen Ney spent the week-end as a guest of Rev. and Mrs. E. M. Filbert, at Shedd, Oregon.

Mr. Francis DeHarport was the guest of Phi Sigma Fraternity at Oregon State college last week-end.

Miss Mary Hersberger was the house guest of Miss Elizabeth Atkinson in Portland last week-end.

Years Ago

(Campus details of other years as pictured in past Collegians.)

FIVE YEARS AGO

May 27, 1925

With the appearance of final examination schedule, comes the realization that the 1925 commencement will soon be here, this will be the eighty-first commencement.

The Willamette University tennis squad defeated the College of Puget Sound men by the score of 3-2 in a tennis match held on the Willamette campus.

In accordance with a Willamette tradition Professor Matthews will speak at the senior chapel. Paul Poling, president of the class of 1925, will have charge of the exercises during which Jack Vinson is to sing "Farewell Willamette."

R. M. Gatke, history professor who has been on a two year leave of absence, will be back at Willamette next year. This month he will be given his Ph.D. at American University, Washington, D. C.

In the final game of the season for this year the Willamette University baseball squad defeated the College of Seattle by the score of 8-4.

7:45 classes are bad enough, but what would you do if you had a 6:40 one? That is the problem that is facing the summer school pupils, for during the summer session classes will commence at 6:40 every morning.

TEN YEARS AGO

May 26, 1920

Dean Alden, Professor Von Eschen and Professor Matthews are working for the betterment of Willamette. Dean Alden is out at present upon an extended trip. Professor Matthews is also away, and Professor Von Eschen is soon to go.

By defeating the Pacific University baseball team on the Forest Grove field by 6-1, the Bearcats completed a clean sweep of both athletics and forensics for the school year.

O. A. C. women debaters lose to the tune of 3-0 in a contest with Willamette.

FIFTEEN YEARS AGO

May 20, 1915

SOPHOMORE "SPRING TONIC" EDITION.

Nineteen laws received their sheepskins at the commencement exercises of the Senior Law class.

Thus far three new professors have been procured for next year. John O. Hall, Ph.D., will have charge of the social science department; Robert E. Stauffer, A.M., will be professor of English Literature; Helen Miller Sen, A.B., B.O., will be professor of Public Speaking.

DELTA THETA PHI ELECTS OFFICERS

McMinnimee to Head Law-
yers; New Members Installed by Retiring Dean.

New members and officers for next year were elected at a recent meeting of Delta Theta Phi, national Law Fraternity. The list of officers is as follows: Dean, Warren McMinnimee; Vice-Dean, Collas Marsters; Tribune, Roy McQuarry; Master of Rolls, Roy Harland; Master of Ritual, Frank Van Dyke; and Balliff, Frances Fuller.

The following new members were installed by Kenneth Denman, retiring Dean; Frances Fuller, Ian McIver, and Lowell Munderford. The final banquet of the fraternity for this season will be held next Tuesday evening, June 3, at the Spa.

CLASSICAL CLUB PRESENTS PLAYLET

Students Portray Old Roman Customs in "A Roman Wedding."

At the regular student chapel, Wednesday, May 28, the Classical club presented a short playlet entitled, "A Roman Wedding." Mr. Leon Norris announced the program. Others participating were: Rosetta Smith, Maribel White, Margorie Nelson, Florence Marshall, Alvis Love, Sarah J. Dark, Lulu Allen, Ellen Jean Moody, Harriet Arnold, Leta Hale, Lydia Childs, Eloise Ahler, and Pearl Craig. The play was coached by Mrs. Edna Ellis.

A Manchester, England, newspaper recently conducted a contest to discover the six most popular slang phrases in Great Britain. "A pain in the neck" won first place.

What They Are Doing LOOKS IN Northwest Campi

CHINESE SURVIVES MALARIA ATTACK

BEES LIVE IN A SORORITY HOUSE

MALARIA PATIENT RECOVERS HEALTH

A recovery in the first case of malaria discovered on the campus in 25 years was reported yesterday by Dr. David Hall, University health officer.

Dr. Hall declined to give the student's name. He believes that the disease was contracted by the patient, a Chinese student who came to the campus recently with a group of his countrymen, before arriving here.

"The germ could live in the human system several months before causing illness," he explained.—U. of W., Seattle.

U. OF W. WILL CELEBRATE VIRGIL'S BIRTHDAY

Bimillennium virgilianum, the two thousandth anniversary of the birth of Virgil of Densu fame is being celebrated in colleges and universities all over the world. It will be observed this year at the University of Washington. The Italian consul, Alphonso Alberto, will deliver an address on "Ancient and Modern Italy." The women's ensemble will sing an adaptation of Tennyson's tribute to Virgil. Prof. Thomas K. Sidney will talk on Virgil and show 30 or 40 lantern slides illustrating the life and time of the great Latin poet.—U. of W., Seattle.

COUPLE END COLLEGE WORK DESPITE TIES

Another demonstration that married and college life go well together came to the front here this week when it was learned that Mr. and Mrs. Wayne Robinson, seniors, will graduate from the University of Oregon June 16. They are believed to be the first couple in Oregon to complete an interrupted college education together after marriage.

Both Mr. and Mrs. Robinson have made excellent grades throughout their college careers and have found time to be active in extra-curricular affairs.—U. of O., Eugene.

PLANS ARE ANNOUNCED FOR SNAKE RIVER TRIP

The party making the annual Snake river trip with the Natural History club of W. S. C., will leave here at 4:30 o'clock, May 16. Going first to Lewiston, Idaho, the group will go on board the Clipper and proceed up the river. Meals will be cooked on the shore.

It will go 65 miles up the river the first day, and if it is possible to pass the shoal, will later go the length of the river, 92 miles. Talks will be given at the camp fire Friday night on Geology and Ecology. Field trips will be taken over the cliffs on Saturday.—W. S. C., Pullman.

W. S. C. WOMEN PLAN TO HONOR MOTHERS

An "Honor Day" will be a feature of Commencement week at Washington state college this spring for the first time, according to Dr. F. L. Pickett who is working with the various groups to organize plans for the occasion.

"Honor Day" will fall on the same date as Senior day, Thursday, May 29, and will be made one of the most important events of Commencement week. All the departmental honoraries and general honorary groups will be asked to take part in a program planned to emphasize the purposes of the various societies. Although this is the first time the State college has included an Honor Day in its commencement program, it is following a custom set by many other higher institutions throughout the country.

FAKE FRATERNITY BROTHER TRACKED DOWN

Allen Reid, alias Allen Hort, has been living at the Delta Tau Delta house, posing as a member of the fraternity from California. He recently took French leave, taking with him \$150 worth of clothing, after passing \$200 worth of bogus checks.

He was located in Corvallis by two frat men and brought back to Eugene and is to be taken to Salem. Hort claims to belong to a society family in the East and hence refuses to give his real name.—U. of O., Eugene.

MORE MONEY NOW AVAILABLE IN LOAN FUND

More money is available to students in loan funds this year than ever before, according to Hugh L. Biggs, assistant dean of men. More than \$44,000, of which about \$20,000 is now outstanding, is administered by the University for the purpose of giving temporary financial aid to those who need it in order to finish their college course, he revealed.

The records for 1929 show that during that year nearly three times as much money was loaned to men as to women. However, the 46 loans to co-eds averaged \$95.59 apiece, while the 201 taken by men showed a mean value of only \$62.51. The amounts were \$12,626 for men and \$4,397.59 for women, making a total of \$17,023.59.—U. of O., Eugene.

BEES BUILD NEST IN SORORITY HOUSE

Something new in the commissary line is reported by a campus group—a honey factory within the house.

Two years ago this spring a swarm of bees alighted on the south side of the Alpha Chi house and soon ate their way through the shingles into the small space between the outer and inner walls. Within this space the bees built their hive, and there they have lived for two years.

No fiction exists between the bees and the girls. One summer a few bees got into the sleeping porch but rumor has it they got wind of the Alpha Chi's return. At any rate, when the first member appeared the last bee retreated to the safety of his hive.—U. of L., Moscow, Idaho.

BALLOON SITTER TO ATTEMPT NEW RECORD

A world's record will be broken next week on the University of Washington campus if plans formulated by the J. G. V. committee, working in conjunction with the University Ad club, are completed. The committee appropriated a fund to bring Bradford Metzger, world's champion "balloon sitter" and former Ohio State track man, here to attempt to break his own record.

Metzger won his title in Westerville, Ohio, last year when he sat for 83 hours and 14 minutes on a swing dangling below a balloon anchored over the town.

When it was learned that Metzger was on his way to Seattle from the middle west, the Ad club got in touch with the man and is attempting to arrange for a visit to the university.—U. of W., Seattle.

R. O. T. C. INSPECTION AT U. OF I.

Annual inspection of the Idaho R. O. T. C. regiment will take place next week at the University of Idaho. Class room work, inspection of equipment, reviews, parades, and tactical exercises will constitute one of the most thorough inspections the Idaho cadets have ever been put through, the military staff said.

Major S. S. Eberle, Fort George Wright, Spokane, will conduct the detailed inspection. Col. Edmund C. Waddill, Ninth Corps Inspection officer with headquarters in San Francisco, will review the regiment Thursday morning. Colonel Waddill has made several previous inspections of the Idaho student soldiers.—U. of I., Idaho.

BOTANIST TROUP ON 600 MILE TOUR

A gypsy tour of more than 600 miles through the arid section of east central Washington occupied the spring vacation of 25 faculty members and students. The trip was conducted by the department of botany, under Dr. F. L. Pickett and Dr. H. F. Clements. While "botanizing" was an important object, the group was interested in the fauna and geology of the Big Bend and Grand Coulee country.

A. W. S. AUCTIONED LOST ARTICLES

The great collection of lost articles that have been found and turned in to the university depot of University of Oregon, is crowding the depot officials out of the building so the women of the university, coming to the rescue, held an auction sale, everything selling to the highest bidder. Among the articles auctioned, umbrellas, compacts, fountain pens and notebooks seemed to be present in unlimited quantities and assortments.—U. of O., Eugene.

STUDENTS HOLD POLITICAL RALLY

Noises insured to make the welkin ring was the result of a political rally at University of Oregon.

Starting with an impromptu rally on Alder street and ending with a mass meeting on the library steps, the shouting group of students and a hastily organized band attempted to rival football rallies in expression of enthusiasm.

A big sign bearing the name of a presidential candidate in large letters led the serpentine throng in its march across the campus.—U. of O., Eugene.

Callous Crime Club Meets at Sigma Tau

The first annual meeting of the Callous Crime Club was the theme of the party held at Sigma Tau Fraternity, Saturday, May 17th. The gangster atmosphere was very effectively created. The entrance was carefully guarded by men and machine guns, and exists for use in case of raids were carefully marked and in readiness. The guests were provided with revolvers and were disguised in order to mix with the gang of rough-neck gamblers, and other underworld characters. At intervals as the guests sat around tables in the murky atmosphere lighted by candles with bottles for candlesticks members of the club entertained. Mr. Ralph Morrison gave a trumpet solo, Mr. William Mumford a ukelele solo, and Mr. Raymond Waddell a guitar solo. The guests then amused themselves with various gambling games. Just as refreshments were served shots were heard in the street and on the porch, and through the door burst a gang of yeggs carrying a safe. They demonstrated the proper method of blowing open the safe and produced the party favors, which were hammered into candleholders with red candles.

The guests were Dr. and Mrs. R. M. Gatte, Miss Helen Edgar, Miss Elizabeth Clement, Miss Marjorie Moser, Miss Dorothy Taylor, Miss Muriel Scheidt, Miss Cynthia Delano, Miss Josephine Conn, Miss Esther Gird, Miss Elma Nell, Miss Dorothy Brant, Miss Beuna Brown, Miss Maxine Ulrich, Miss Norabel Pratt, Miss Helen Pemberton, Miss Viola Crozier, Miss Dorothy Eastridge, Miss Nellie Badley, Miss Kathleen Garrison, Miss Anna Lanke, Miss Rose Ellen Hale, Miss Lucille Schultz, Miss Eloise White, Miss Elizabeth Atkinson, Miss Maude Caldwell, and Miss Ardath Young.

President and Mrs. Doney Receive

At Lausanne Hall on Friday evening, May 23, President and Mrs. Carl Gregg Doney entertained the seniors of the university at the annual president's reception. About ninety guests were received informally by President and Mrs. Doney and a pleasant semi-formal evening was spent in music and conversation.

Special guests at the affair were Dean and Mrs. Frank M. Erickson, Dean Olive M. Dahl, Miss Lella Johnson, and Miss Alida Gale Currey.

Engagements Announced

Two interesting announcements were made at a one o'clock dinner last Sunday at the home of Dr. and Mrs. M. C. Findley. The first announcement was made at the close of the main dinner course when announcement cards told that a new law partnership is to be formed under the name of Lockenour and that the partners are to be Miss Mary Elizabeth Findley and Dr. Roy Lockenour. Miss Findley is a graduate of Willamette and is at present field secretary for the National Council for the Prevention of War. Dr. Lockenour is a member of the faculty of the Willamette Law School. The wedding will be an event of the late summer.

Immediately after the first announcement Dr. and Mrs. Findley announced the engagement of their son, Mr. Dwight Findley to Miss Marjorie Lierly of Oakland, California. Miss Lierly will be graduated from the Multnomah training school for nurses in June. Mr. Findley is attending the medical school of the University of Oregon in Portland. The date for the marriage has not been set.

Covers were laid at the announcement dinner for Miss Mary Findley, Miss Marjorie Lierly, Miss Louise Findley, Mrs. George Oliver, Miss Muriel Oliver, Miss Edith Findley, Miss Pauline Findley, Dr. Roy Lockenour, Mr. Dwight Findley, Mr. Harold Landreth, and Dr. and Mrs. M. C. Findley.

Miss Corbin Presented
Miss Frances Virginia Melton presented Miss Doris Corbin in Junior recital at Waller Hall on Friday evening, May 23. Mrs. Selma Fisher, soprano, assisted Miss Corbin in recital.

The program numbers included:
Bach.....Trich Suite No. 5
Allemande, Comante, Sarabande, Gavotte, Gigue,
MacDowell.....Keltic Sonata
Donandy.....Spirate pur spirite
Vivara.....Viole biancu
Tirindelli.....Ninna Nanna
Mrs. Fisher
Beethoven.....Eccasalee
Zoecker.....En Bateau
MacDowell.....Scotch Poem
Palmgren.....May Night
Cyril Scott.....Passacaglia
Miss Corbin
Von Fidelity
.....Des Krant Vergeessen Nacht
Bohm.....Still vie die Nacht
Mrs. Fisher
Chopin.....Fantasie-Improptu
Chopin.....Polovalse Op. 53 (La flat)
Miss Corbin

Mrs. Letha Miller Landis of Klamath Falls and Miss Mildred Mills of Forest Grove, were weekend guests at the Delta Phi house.

Bethral Made Known

At a charming party given Tuesday evening, May 20th, at her home on Garden Road, Miss Pearl Craig announced her engagement to Mr. Norman Sorensen. The engagement came at the close of the delightfully informal evening. Coming from the mouth of a cave covered with cardinal peonies and golden cornflowers were cardinal and gold streamers to which were attached scrolls bearing the announcement. At one end of the scrolls was the date of the announcement, in the center a golden cross bearing the pictures of Miss Craig and Mr. Sorensen, in another the letters, W. U. Following the announcement refreshments were served.

Miss Craig is a member of the senior class at Willamette and Mr. Sorensen of the Junior class. Mr. Sorensen also sings in the Willamette glee club and both are active in the Wesleyans.

Those present were Miss Craig, Miss Lavada Maxwell, Miss Harriett Etheridge, Miss Lydia Childs, Miss Grace Rhoades, Miss Isabel Childs, Miss Ruth Barnes, Miss Virginia Slusser, Miss Jenny Lilly, Miss Marjorie Nelson, Mr. Sorensen, Mr. Carl Blackler, Mr. Edwin Rounds, Mr. Lee Tate, Mr. Leon Norris, Mr. Robin Moser, Mr. Leslie Skuzle, Mr. Hestine Hollister, Mrs. Don Bonney, and Mr. and Mrs. W. W. Craig.

Miss Helen Currey Announces

Miss Helen Currey announced her engagement to Mr. Truman Cummings at a formal dinner party at the Spa on Thursday, May 15. Pink candles and sweet peas decorated the table. The guest list included a number of intimate friends.

Mr. Donald Taylor Announces Marriage

A complete surprise to his many friends was the recent announcement of Mr. Donald Taylor that his marriage to Miss Helen Fair of Portland, was an event of April sixth. The Reverend Mr. Magin of Sunnyside church in Portland, performed the wedding service.

Mr. Taylor has a position in Portland. Mr. Taylor is a member of the Junior class and of the Alpha Psi Delta fraternity.

Miss Marshall Gives Charming Garden Party

Miss Florence Marshall entertained last Friday evening at her home in North Summer street with a charming garden party. The evening was spent in delightfully informal entertainment under the soft light of swinging Japanese lanterns. At a late hour refreshments were served with Miss Elizabeth Clement assisting the hostess.

The guests were Miss Carolyn Braden, Miss Mary Louise Morley, Miss Dorothy Kent, Miss Virginia Holt, Miss Betty McKay, Miss Eloise White, Miss Patsy Cooley, Miss Elizabeth Clement, Miss Miriam Armitage, Miss Louisa Sidwell, Miss Helen Boardman, Miss Florence Marshall, Mr. George Lloyd, Mr. Percy Carpenter, Mr. Ralph McCullough, Mr. Jack Grant, Mr. LaVerne Shay, Mr. Howard Bergman, Mr. Alfred King, Mr. James Allison, Mr. Gus Moore, Mr. Paul Geddes, Mr. Ray Larke, and Mr. Ivan White.

Miss Melton Presents Miss Rosalind Van Winkle

On Tuesday evening in Waller Hall Miss Rosalind Van Winkle was presented in Junior Piano Recital by Miss Francis Virginia Melton. Miss Van Winkle was assisted by Miss Faye Janice Irvine, violinist, who was accompanied by Miss Grace Henderson.

The program included the following numbers:
Bach.....Fantasia Cromatica
Shubert.....Improptu Op. 142 No. 2
Mendelssohn
.....Splinging Song Op. 67 No. 4
Chopin.....Nocturne Op. 55 No. 1
Mendelssohn
.....Agitation Op. 53 No. 3
Miss Van Winkle

De Beriot
.....Scene de Ballet
Allegro Vivace
Adagio Cantabile
Tempo di Bolero
Miss Irvine
Reppert.....The Dancer in the Patio
Carpenter.....Polovalse Americana
Debussy.....Reflets dans l'eau
MacDowell.....Sonata Eroica, Op. 50
No. 3 slow, with nobility, elf-like, tenderly, longingly, yet with passion.
Miss Van Winkle

Marriage Comes As Surprise

Coming as a surprise was the announcement of the marriage of Miss Leora Andrews and Mr. Philip Wilbur. A quiet ceremony was performed at the home of the bride's parents, Dr. and Mrs. C. I. Andrews. Only members of the immediate families were present.

Mrs. Wilbur is a sophomore at W. U. Mr. Wilbur has been employed in Salem during the past year. After a wedding trip of two months, the young couple will be at home to their friends in Salem.

Mrs. W. V. Johnson was a dinner guest at Lausanne Hall last Thursday evening.

COMING EVENTS

Friday, May 30—Law School Picnic.
Saturday, May 31—Kappa Gamma Rho Picnic.

Miss Henderson Plays Junior Recital

Miss Grace Henderson played her Junior recital on last Thursday evening in Waller Hall. She was assisted by Mr. John Crnkovich, baritone, who is a pupil of Professor Forrest Gaw.

The following program was presented:
Bach.....Prelude and Fugue No. 11
.....The Well Tempered Clavier
Beethoven
Sonata Op. 31 No. 2 Largo, Allegro
Miss Henderson
Sibelius.....Sensazione Inuare
deLeva.....Notte di luna
Mr. Crnkovich

Yon De Bussy
.....Maid with the Flaxen Hair
MacDowell.....Witch's Dance
MacDowell.....Hungarian
Miss Henderson
Watts.....Surf Song
Bridge
.....Come to Me in My Dreams
Mr. Crnkovich

Chopin.....Polovalse in do Minor
Schumann.....Warum
Schubert
.....Improptu Op. 90 No. 2
Miss Henderson

Mathematics Students Entertained at Chestnut Farm

Miss Dorothy Whipple was dinner hostess last Saturday evening at Chestnut Farm, the home of Mrs. E. F. Bagley and Miss H. Fields, for the members of the advanced mathematics department of the university.

The evening's entertainment was planned with the mathematics idea as its central motif. The dinner menu was a mathematic course; the program was a second book in mathematics; and the evening closed with a special feature entitled "the answer book."

Those who enjoyed this novel affair were Professor and Mrs. J. T. Matthews, Miss Helen Hughes, Miss Esther Gird, Miss La Verné Hewitt, Miss Norabel Pratt, Miss Donna Hildeshelm, Mr. Eugene Silke, Mr. Arthur Hollenberg, Mr. Robin Moser, Mr. Norman Sorensen, Mr. William Mumford, Mr. Howard Miller and Mrs. Bagley, Miss Fields and Miss Whipple.

Town and Gown Holds Last Meeting of Year

The Town and Gown club held its last meeting of the year at Lausanne Hall, Thursday, May 22. The program for the afternoon included a talk by Professor Morton Peck and a group of musical numbers by Mr. John Crnkovich. An interesting feature of the meeting was the presentation of four dozen Bavaria cups and saucers to Lausanne Hall. The next meeting will be held on the fourth Thursday in October.

Mrs. Blakely Entertains For Miss Corbin

Following the recital of Miss Doris Corbin on last Friday evening Mrs. John Blakely was hostess very informally at the Gray-belle. Those present were the honor guest, Miss Corbin, and Mr. and Mrs. Corbin, Miss Lucille Corbin, Miss Margaret Schrieber, Miss Naomi Fleet, Miss Sarah Jane Dark, Miss Margaret Doughton, and Mr. Ronald Hurlburt.

Covers were placed for 24 guests. Several additional guests were present for this event.

Classical Club Holds Spring Picnic

On Friday, May 3, the Classical club held its spring picnic. Those who enjoyed the affair were Dr. and Mrs. John Dale McCormick, Mr. and Mrs. George Ellis, Miss Marjorie Nelson, Miss Lydia Childs, Miss Leta Hale, Miss Harriett Arnold, Miss Olive Feathers, Miss Muriel White, Miss Marjorie Hannah, Miss Rosetta Smith, Miss Pearl Craig, Miss Eloise Allor, Mr. Leon Norris and Mr. Norman Sorensen.

Beta Chi's Give Miscellaneous Shower

The members and pledges of Beta Chi gave a miscellaneous shower for Miss Frances McGilvra on Wednesday afternoon, May 21. She received many very lovely gifts. Following the shower a buffet dinner was served informally.

Shower at Beta Chi Honors Miss McGilvra

A slumber party, the feature of which was a miscellaneous shower for Miss Frances McGilvra was an event of Friday evening at the Beta Chi house. The guests were Miss Virginia Edwards, Miss Dorothy Taylor, Miss Lillian Scott and Miss Marjorie Miller.

Freshman-Sophomore Picnic

The sophomore class entertained the members of the freshman class at the annual spring picnic held at Hazel Green park last Saturday afternoon. An afternoon of sports preceded the delicious luncheon served around a bonfire. According to custom the two classes buried the hatchet of enmity and smoked the pipe of peace.

Sigma Tau Honors Seniors

Sigma Tau Fraternity honored the senior members with a dinner party, Tuesday evening, May 27th, at the fraternity house on Oak street. The table had as an attractive centerpiece a miniature sailing vessel.

The covers were laid for the following guests: Professor and Mrs. Monk, Miss Rose Ellen Hale, Miss Helen Sande, Miss Edith Findley, Miss Helen Pemberton, Miss Nellie Badley, Miss Doris Steele, Miss Doris Phenicia, Miss Dorothy Brant, Miss Josephine Albert, Miss Cynthia DeLano, and Miss Beuna Brown.

Miss Pratt Announces

At an attractive 5 o'clock dinner party at the Beta Chi sorority house of Willamette university, the engagement of Miss Norabel Pratt to Raymond Miller, was made known Wednesday evening.

The announcement came as a surprise to many in the university and the city, where both young people are well known. Miss Pratt is the daughter of Dr. and Mrs. B. Pratt of Portland. She is a junior in Willamette and newly installed president of the Beta Chi sorority. Mr. Miller has attended Willamette university where he was a member of the Sigma Tau fraternity, and is now connected with one of the business houses in Salem. He is the son of Mr. and Mrs. B. Miller of Dallas. No definite date has been set for the wedding.

The announcement Wednesday night was made in a unique manner. The dinner table was centered with a low bowl of spring blossoms. On either side of this were two telephone books each containing tiny envelopes on the outside of which appeared the names of the betrothed. At the conclusion of the main course, these envelopes were passed to the guests.

Covers were placed for 24 guests. Several additional guests were present for this event.

New Books

By Margaret Eddy

Of interest to the play production class will be "Technique of the One-Act Play" by Lewis, and "Continental Stagecraft" by MacGowan and Jones, which is very well illustrated.

New biographies are "Masaryk, Nation Builder" by Lowry, which is an interesting life story of Masaryk, the president of Czechoslovakia, and "The Mind of Leonardo da Vinci" by McCurdy. This book is not only a very good biography, but also gives an accurate picture of life at that time.

For the history department is a pamphlet published by the American Historical Society, "The Help of the French Nation During the Revolutionary War." A very recent publication of the Y. M. C. A. press is Dickerson's "So Youth May Know," which gives a new viewpoint on sex and love.

New scientific books include "Theoretical Mechanics—An Introduction to Mathematical Physics" by Ames and Murnaghan, "Three Lectures on Atomic Physics" by Sommerfeld of the University of Munich, "Spectra" by Johnson, two books on Astronomy, "The Solar System" and "Astrophysics and Stellar Astronomy" by Russell, "Introduction to Mechanics" by Campbell.

Other new books are "Roman Education" by Wilkins, for students of the classics, and "Concise Dictionary of National Biography" which is similar to a British "Who's Who," but is a guide to a fuller treatment in a set of books which the library is soon to receive.

The most important recent addition to the library is a set of 22 volumes entitled, "Dictionary of National Biography." The volumes tell the lives of noted British men, and is very complete in the representative number included. Each year a supplement will be added.

Books of interest to music students include "Edward MacDowell—His Works and Ideals" by Page, an interesting biography, "History of Pianoforte Music" by Westery, "Simple Truths Used by Great Singers" by Duff, "Light Opera Production" by Burrows, which gives a valuation to the best light operas, and "Robert Schumann" a biography by Niecks.

Students of Greek history and philosophy observe these books: "The Quest of Virgil's Birthplace," a history and travel book by Rand, "History of Greece" by Robinson, a modern, interesting history, "Who Were the Greeks?" by Myres of the University of Oxford, and "Five Stages of Greek Religion" by Murray.

In the Psychology and Philosophy departments are "Five Types of Ethical Theory" by Broad, telling of Spinoza, Butler, Kant, Hume, and Sidgwick and their theories, "Major Traditions of European Philosophy" by Boas, "Humanism and America" by Forester, which is a group of essays on the outlook of modern civilization, and "Vocational Psychology and Character Analysis" by Hollingsworth.

In the Education department are "A History of Women's Education in the United States" by

BEARCATS TANGLE WITH MISSIONARIES

For Third Time, Bearcats Go into Championship Series Undefeated.

OPENING GAME TODAY

Willamette Twirling Crew Strong; Wilson or Peterson to Pitch.

Today, Friday and Saturday, May 29, 30, and 31, the Willamette university baseball team meets Whitman college to decide the Northwest conference baseball championship. Willamette won the western division championship without a defeat while Whitman won the title in the eastern division with one defeat.

This is the third time this year that the Bearcats play the Missionaries for the Northwest conference in a major sport. The first time the Bearcats defeated the Missionaries to win the football championship. The second time Willamette and Whitman met to settle for the basketball title, which Willamette took. In both instances the two teams had made an excellent seasonal record, which made the outcome uncertain. For the third time the two schools meet, each having made a good record for the season. The other two title matches were played away from home but this time the title tilt will be held on the local grounds.

Whitman college played a series of six games with College of Idaho for the eastern division championship. She also played two games with the University of Idaho winning both. Of the six games with the Coyotes the Missionaries won five, losing the third game by a small margin.

Whitman has a strong pitching staff which has performed well in the season's games. The Missionary hurlers are Howard Clow, Roger Rogers, Bill Green, and Gilbert Russell. Clow, a southpaw, is a veteran hurler of last year's championship team. Wilson and Peterson will do the main hurling for the Bearcats, but Seales, Grant, Nelson and Paul may take their turn on the mound. The record of these hurlers shows that the Missionaries will have to give a good account of themselves during the title series.

This is the first time that Willamette has ever won two championships in one year, and from the appearance of things she may improve upon this record and win the third.

MEN DO WEEKLY WASH IN SEVERAL COUNTRIES

Family Wash Customs of Several Foreign Countries are Investigated.

Washington State College, Pullman, May 21.—(PIPA)—"In the Philippines, the man of the family does the weekly wash, while in India, beside the streams, it is not at all uncommon to see the menfolk do the laundering by twisting a prodigious number of clothes into a long, thick rope, swinging them about their heads and beating them on the stones; in some parts of Europe washing is done only twice a year; the soiled clothing being stored in a special room until washday; and the Monday washday is purely an American institution," states Evelyn H. Roberts, research specialist in home economics at the State College of Washington.

"In England, there are public wash-houses, often connected with baths and equipped with all the time-saving modern appliances. In Scotland, the housewives use feet and hands in treading and wringing the garments, which they rinse in the rivers. The French women chat and scrub their clothing on the stones of a stream in the cool of the day. In most German cities, the custom of washing at home still prevails, usually once a month, although in some places there are semi-annual washdays, it being too cold to wash in the winter and the women being busy in the fields during the summer. This custom also prevails in Sweden and Switzerland."

Henry Ford is going to spend \$100,000,000 on industrial education in America. He says, in part: "I am going to devote the rest of my active days in the interests of trade schools and teaching. Every boy should learn a trade. I want to do all in my power to help young men of America to fit themselves into the world." While Henry is doing this, let us all buy a new Ford. State College of W., Pullman.

A portrait of George Washington, for the purchase price of which public school children donated pennies and nickels amounting to \$75,000 was sold in Baltimore 42 years ago for \$2.—U. of W. Seattle.

Sportorials

Will the Bearcats wallop the Missionaries and win the pennant? That question will be answered this week-end, but we can make predictions. First, we must concede that Willamette could defeat Monmouth normal school, which is no large assumption. Monmouth normal trounced Eastern Oregon normal school twice, the score of the last encounter being 26-0. Now, just before the Eastern Oregon teachers met disaster at Monmouth, they defeated Whitman 6-4. They again played Whitman after this, and won 4-1. Accordingly, if the first assumption is correct, the Bearcats should unmercifully paste Whitman!

However, dope gleaned from comparative scores is not always conclusive. It is merely indicative of what might happen. Whitman has made an impressive record, which includes two victories over the University of Idaho nine. Anyway, advance dope means little to Coach Borleske and his scrappy recruits. At any event, the predicted winning margin of the Bearcats will not be large enough to merit any over-confidence among the team.

The Willamette track squad has been rounding into quite a formidable aggregation. Perce Carpenter is heading the shot within inches of the school record, and approaches perilously near the record in both the javelin and discus events. Paul Ackerman is pressing Carpenter closely in the weight events, and is clearing the high jump bar around 5 ft. 6 in. Curtis French is having the greatest year he has experienced in track, and is one of the best middle-distance men Sparks has turned out. Hiram is also making a good showing in the sprints. Van Dyke has won the mile in both meets in which he participated and Dumas has found his winning stride in the two-mile. Willamette will be well-represented at the Northwest conference relays at Walla Walla this week-end.

One of the finest examples of sheer grit and stamina one could hope to see is the remarkable showing of Don Faber. Don has not regained the full use of his leg which was broken in the Albany football game last fall. In spite of the fact that he limps quite noticeably, Faber has been faithfully turning out for track, and can consistently vault over ten feet! There is no event which would be more strenuous for even a well-known pole vaulter. The fall from that height is positively dangerous to that injured leg. Faber is demonstrating the true Willamette spirit plus a new brand of his own. We should be proud of him.

According to rumors, Spec Keene may not be back next fall. But until we can find evidence more tangible than mere rumor which Spec will neither confirm nor deny, the students and supporters of Willamette can rest assured that Coach Keene will be back on the job next fall.

The prospects are even better for next year than they were for this. Already Spec has lined up some first class athletes to replace the gaps left by graduation and ineligibility. There will not be many gaps anyway, and perhaps during the summer the remainder of eligible men will cooperate with Spec in helping him realize THE FIRST ALL MARRIED MEN'S TEAM!

The baseball team is not so far from this at present, for five of the nine first-string men are firmly under the matrimonial yoke. The time when we can have an all-married men's team may not be too far in the future!

CINDER TEAM WINS FROM ALBANY MEN

Sprinters and Distance Men Take Five First Places in Seven Events

C. FRENCH LEADS TEAM

Bearcats Take All Three Places in Javelin Event; Forfeit Relay

The weather man prophesies the weather and sometimes he is right and sometimes he is wrong. This time, when Albany college and the Bearcat track men clashed May 15th, the outcome of the meet surprised even Coach Leslie Sparks who prophesied defeat. Wonders however will never cease in this world of wonders and the Bearcat track team is a wonder.

Willamette defeated the Albany track team with the glorious score of 70 to 60 points. Willamette won practically all of the flat races and weight events, while Albany excelled in the jumps and hurdles. Adams of Albany was high point man with a score of 24 and Curtis French of Willamette ranked second with 18 points.

Willamette might have even won by a much greater margin if the track at Albany had not been so muddy. This condition slowed down the racers' time to an unusually slow rate.

Summary:
100 yard dash—C. French of Willamette, Adams of Albany, Mumford of Willamette. Time: 11.1 seconds.
880 yard run—C. French of Willamette, Dougherty, of Albany, A. French of Willamette. Time: 2:12.

220 yard dash—C. French of Willamette, Mumford of Willamette, Stewart of Albany. Time: 23.8 seconds.
120 high hurdles—Adams of Albany, Nelson of Willamette. Time 19.4 seconds.

440 yard dash—Kanppi of Albany, Crankovich of Willamette, Steel of Albany. Time 56.4 seconds.

Mile run—Van Dyke of Willamette, Stone of Willamette, Broadbrooks of Albany. Time: 5 minutes.

220 low hurdles—Adams of Albany, Stewart of Albany, Mochel of Willamette. Time: 30 seconds.
Two mile run—Dumas of Willamette, Van Dyke of Willamette, Broadbrooks of Albany. Time: 11:14.

Shot Put—Carpenter of Willamette, Simpson of Albany, Adams of Albany. Distance: 39 feet 2 3/4 inches.

Pole vault—Buchanan of Albany, Faber and Nelson of Willamette tied for second place. Height: 10 feet, 6 inches.
Discus—Simpson of Albany, Carpenter of Willamette, Ackerman of Willamette. Distance: 122 feet, 5 1/2 inches.

High jump—Adams of Albany, Carpenter of Willamette, Adamson of Albany. Height: 5 feet and 5 inches.

Javelin—Carpenter of Willamette, C. French of Willamette, Ackerman of Willamette. Distance: 155 feet.

Broad jump—Adams of Albany, Lover of Willamette, Mikensky of Albany. Distance: 18 feet, 8 inches.

Relay—Forfeited to Albany.

Careful counting of scores reveals Curtis French a Willamette track man with three first places. Dumas hooked one first place in the two mile run. Van Dyke took a first in the mile run. Carpenter took two first places, one in the javelin and one in the shot put.

Then the athletic prophets say Willamette track is rotten. Look at those scores above and then repeat. Rotten. One should be grateful that such a keen team should give its efforts toward the glory of old Willamette. Three cheers for the track Bearcats.

WILLAMETTE CO-EDS GO 20 MILES ON WHEELS

Women's Athletic Association Sponsors Cycling Event; More Scheduled.

A bicycle hike is an unheard of adventure, yet eleven young women of the university dared the unknown and hiked on their bicycles approximately 20 miles. The route taken was the old north river road.

This hike was sponsored by the Women's Athletic Association with the past Hike-Master, Muriel White, leading. Points will be given for this affair which will count toward the regular hiking work.

Those who participated in this feature were Harriet Arnold, Esther Arnold, Gertrude Beard, Emily Brown, Dorothy Hutchison, LaVada Maxwell, Marion Bretz, Margaret Morehouse, Dorothy Rose, Marvell Edwards and Muriel White.

Another hike of this kind will be sponsored in the near future.

Spring Has Come! Football Tactics! Speaking Classes!

Spring is here with poems and bathtubs, not to mention football practice. Throwing themselves swiftly at someone's feet is not a pleasure reserved for football players only. This remnant of barbarism has turned the lady-like sport of public speaking into a manly activity, capable of turning out more strong muscles, bluer bruises, and weaker minds than Spec's toughest scrimmage practice.

The results of taking the pig into the parlor, as it were, are very gratifying. Anyone who is outside Waller Hall at 3 o'clock on Monday, Wednesday, or Friday will think he is being treated to a little inside dope on the Spanish Inquisition. The pit and the pendulum are alive again as Rahe and the classroom, and Poe's anguish is freely distributed among the members of the class.

Law-abiding, serious students have been greeted of late by a healthy pat on the left scapula, accompanied by the cheery greeting, "My lord, will you help a distressed lady?" However, no distressed lady is in evidence, and the owner of the dislocated shoulder can only grumble, "Doggone that public speaking class!"

The other day a boy was mournfully stumbling from sentence to sentence, only to be prodded along by a prompter's impersonal tone. The professor watched with the air of a determined spider who is waiting for the fly to go skidding in his web; the class giggled and whispered with each painful effort of the speaker.

"—but, by my word as King, you swing for it!" The boy stopped. He had forgotten again. He could see he's grade sinking, when the prompter spoke, "Heaven help me!" he prompted.

The class roared with keen appreciation for the joke. The recitation went laboriously on. Then the boy again stopped. "I don't know it." He looked pleadingly at the professor.

"One further chance fellow," urged the prompter.

Taking his cue, the victim again started speaking. In the midst of a stirring speech, he forgot again. While a dead silence reigned he looked piteously at the prompter.

"Great words—" that individual said, but the class, overcome by the ordeal, held its sides and laughed so hard that the judge acquitted the victim and allowed him to sit down.

LET'S GO BEARCATS WIN! WIN! WIN!

Bearcats Will Meet Missionaries in Third Championship Series.

Willamette's baseball team is out to win the Northwest conference championship by beating Whitman college the best two out of three games during this week-end. The men are in excellent physical condition, playing remarkable ball, and they have the spirit which we all hope will enable them to win the title.

Because Willamette has not competed with Whitman or against any of Whitman college's competitors, it is most difficult to compare the ability of the two teams. However, W. C. has a heavy set of players, who will afford keen competition for the Bearcats, according to authoritative reports.

All students and other friends of the University should be present to help the squad play. The schedule is as follows: Thursday, 3:30, Friday, 2:00, and Saturday, 3:30. All games will be played on Olinger Field.

FACULTY PLANS SUMMER ACTIVITY

Several Will Study; Some to Teach; Still Others Will Travel

Miss Alda Currey, director of Physical Education, has secured a leave of absence for the ensuing school year, 1930-31. Her plans have not been definitely settled as yet, although it is certain that she will study for her M.A. degree in Physical Education either at the University of New York, or at the University of Southern California. This summer, she will probably accept the councilship of a group of Campfire girls at their summer camp near Bull Run, Oregon.

Some of the other professors, also, have very definite plans for the summer. At the close of this semester, Professor and Mrs. Forrest W. Gaw will travel in the Middle West, where Professor Gaw will study music both at the Kansas City conservatory and the American Conservatory at Chicago.

Professor and Mrs. Herbert E. Rahe will journey in Illinois and Indiana where they will visit relatives during the summer months. It is probable that Professor Ernest C. Richards will accept a position in the summer session of Morningside College, his alma mater, at Sioux City, Iowa, although this would necessitate leaving his classes at Willamette before the close of the semester.

Professor Cecil R. Monk will study at the University of Washington Biological Station at Friday Harbor on Puget Sound.

Both Professor Oliver and Coach Leslie Sparks will attend summer sessions, the former at the University of Washington at Seattle, and the latter at U. of O., Eugene.

Dean and Mrs. Frank M. Erickson will visit their two sons in Berkeley and Pasadena, California.

Dr. Carl G. Doney will probably spend the summer completing the endowment fund for the University.

Professor Herman Clark will do extensive research work in the geological fields of Oregon and Idaho, although he may study in

CARDINAL AND GOLD BEATS ST. MARTINS

Andy Peterson Strikes Out 14 Batters; Both Teams get Only Five Hits.

For the first time this season Willamette played an errorless game of baseball, winning from St. Martin's college 4 to 2.

The game was the best yet played on the local diamond this season. The two teams were as evenly matched as they could be, and the winner earned the victory.

Andy Peterson pitched the game for Willamette, and he hurled ball that was equal to the situation. Peterson struck out 14 batters, and allowed five hits. In the third inning St. Martin's bunched her hits that they scored two runs.

Willamette pined out five hits which proved to be more effective than those of St. Martin's. Willamette earned three runs, the fourth run being scored by virtue of an error.

Seales and Erickson each got two hits, and Gibson got one. Erickson's two hits scored in three of the Bearcat tallies.

SENIOR WOMEN WIN INTERCLASS GAMES

Sophomores and Seniors Tied for First Place; Scores Decide Winner.

Women's interclass baseball was played off last week resulting in a victory for the Senior women. They displayed excellent teamwork and raised some good sized scores.

The peppy Sophomore team came to life toward the close of the tournament winning over the Freshmen and Juniors. All games were closely contested.

Practice had been going on for over two weeks with the players rising in time to play at six in the morning which takes courage. There were excellent turn-outs every morning, however, revealing the fact that playing baseball was an earnest proposition.

Violet Beecher captained the winning team which won two games out of the three. Muriel Block, 1b., .333, 0 0 2 0 0 0. Keber, ss., .400, 0 0 1 4 1. Conriss, lf., .333, 0 1 4 0 0. Mertes, 2b., .333, 0 0 1 1 0. Schecker, 3b., .200, 0 1 0 1 0.

Willamette also on May 16 with the following scores: Ed Beggs defeated Wakeman, 7-5, 6-4; Wes Roeder defeated Cook 10-8, 6-4; Melvin Good defeated Gilliam, 6-3, 6-4; Wakeman and Cook (Linfield) at Haworth and Ed Beggs.

The men's varsity teams defeated Linfield also on May 16 with the following scores: Ed Beggs defeated Wakeman, 7-5, 6-4; Wes Roeder defeated Cook 10-8, 6-4; Melvin Good defeated Gilliam, 6-3, 6-4; Wakeman and Cook (Linfield) at Haworth and Ed Beggs.

Seniors: Childs and Whipple. Juniors: Edmundson and Morange. Sophomores: Banley and Bonney.

Freshmen: Arnold and Beard. More complete plans are being made for a better tournament for the year 1930-31.

New Native Opera for Met

For the fourteenth time in twenty-two years of Giulio Gatti-Casazza's direction of opera in New York the Metropolitan has accepted and American work for production. The new piece is a tale of Colonial Massachusetts, American in scene as well as authorship and music. The composer is Dr. Howard Hanson, of Rochester, N. Y.
