### 140 Activities Awards Given; Scholarships, Prizes Announced

#### Sayre Takes 5 Awards and Prizes, Activities and Speech

By Bill MacDougall

Although no award for the most awards was in order at Tuesday's chapel, it appears certain that honor-laden Bob Sayre would have walked away with it as he did with a number of others, while new members for BAG's, SAX's, Blue Key, and Cap and Gown were tapped.

Recipients of various Willamette scholarships included Bob Sayre, who took the class of 1919 prize, La Fyrne Showacy, and Arlene Zastera for the psychology award, Patricia Jane Zahare who was given the Anne M. Barrett fund, and Shirley Durand who carried home the Chi Omega social service prize.

### Seniors Get Tickets

Instructions for baccalaureate and commencement will be given seniors Thursday at 10 a.m. in Waller hall. Tickets will be distributed at that time and it is important that all seniors be at the meeting, according to Bob Bailey, senior class president.

### WU Graduate Speaks Here For Alum Day

Charles Barclay announced that the speaker for the alumni day banquet June 11 at 6 p.m. in Baxter hall will be Rev. Charles B. Harrison and that John L. Knight, former faculty member of WU will deliver the commencement address June 12. Harrison, a graduate of Willamette and now living in Columbus, Ohio, will speak at baccalaureate ceremonies Sunday, June 5, as well as at the alumni banquet June 11. Following the banquet a faculty reception will be held at Lausanne hall for the graduating class and returning alumni. Reservation for the banquet must be made in advance by writing the University alumni office.

The official alumni day program will officially begin at 2 p.m. and will include business meeting, roll call, alumni conference and movies of former Willamette personalities and events. This year the graduating class will be invited to attend the business meeting.

Now president of Baldwin-Wallace university, Knight was a member of the Willamette faculty from 1943 to 1947, as assistant professor of religion and assistant to the president. He accepted the presidency of Nebraska Wesleyan upon leaving Willamette and was promoted to chancellor within a year.

### Students Injured In Auto Accident

Four Willamette students received injuries Saturday evening when the car in which they were returning from the sophomore beach trip ran into a bank and overturned.

Burnell Ambrose and Jack Brown were only slightly injured and have returned to classes. Colleen Whiteman is being treated in the Willamette infirmary and Nickie Haynes is at the Salem Memorial hospital. Both are reported to be resting comfortably.

### New Editor's Staff to Start On 'Issue 33'

Staff members for the Collegian were appointed this week by Ellen Montague, new editor, and they will begin their duties when they edit the final issue of the Collegian for the semester next week.

John Connet, present copy editor, will take over the duties of news editor in charge of news coverage and reporters. Wally Southard will replace Stan Hawk as feature editor, and Bill MacDougall, Collegian reporter, will assume the duties of re-write editor in place of Earl Van Lydegraf, senior.

Present sports editor Dale Reynolds will continue editing the sports pages and Mary Louise Lee will continue as society editor.

### 'Dead Week' Exams Given For Seniors

Graduating seniors will be exempt from finals during final week, according to Dean Robert D. Gregg. Individual professors may, however, give one-hour examinations to seniors during dead week next week, since all grades must be in the registrar's office next Friday.

During dead week, six-weeks examinations may not be given to students other than seniors. It is also not permissible to excuse students other than graduating seniors from the final examinations in courses where the examinations are regularly scheduled, according to word received from Gregg.

No chapels will be held next week to enable students to use the chapel hours to prepare for finals.

### BAG's Named

Incoming BAG's for 1949 were Sue Mellor, Jackie Johnson, Pat Rice, Delores Spellbrink, Pat Stanton, Marcelline Hutchison, Beverley Gustafson, Leta Adams, and Mary Louise Lee. New-comers to the sophomore men's honorary, SAX, were Bill MacDougall, Don Benson, Ted Loder, Lowell Maudlin, Sherm Bliss, Bill Merriam, Larry O'Dell, Charles Gutzler, Doug Nicoll, and Jack Larson.

New members of Blue Key, chosen from the junior and senior classes, included Art Dimond, Jack Brown, Tom Bartlett, Gil Oliver, Dick Endsley, Bob Skirvin, Jack Gunn, Scotty Washburn, Elliott Motschenbacher, Burnell Ambrose, Howie Lorenz, Roger Adams, Chuck Patterson, Larry Stocks, Bob McMullen, and Ray Loter.

### Cap and Gowners

Cap and Gown tappers were Betty Ferguson, Doris Gragg, LaFyrne Showacy and Inie Lou Wilhelm. Edith Fairham won the Alpha Chi Omega music award, and Frank Holman was honored as "contributing most to the music of ASWU."

Student body officers Bill Harris, Al McMullen, Carol Dimond, Scotty Washburn, Bill Bissel, Bill Crogan, Ira Jones, Marilee Olson, and George Gottfried were handed keys from George Hurt.

### Turner Prize to Sayre

The Rex Turner award for an outstanding forensics speaker was given to Bob Sayre, and the George Neuner prize went to Tom Bartlett. Frank Lockman gained first prize in the Paul W. Doney contest, with Bob Sayre capturing second.

Ted Loder was presented the Phi Beta Kappa award, Jack Larson took the Meier and Frank prize, Edith Fairham won the national Methodist grant, as did Arlene Zastera, Stanley Aschenbrenner, Florence Goodrich, Ted Loder and John Kaemmer. Winner of the Col. Willis award was Art Dimond, and George Hurt and Walt Buehning received the Joseph T. Albert and Theodore Presser prizes respectively.

### Swimming, Dancing Planned, Bus Leaves from Lausanne

By Jean Gilmer

Cars and busses will stream to Island Acres Saturday for the ASWU picnic, to be held between the hours of 12 noon and 10:30 p.m. at this "newly discovered" picnic ground on the Molalla river near Canby.

General chairman of the annual outing, Warren Eckles, urges a large attendance saying, "This picnic has the potentiality of being one of the finest with a good location, a fine band, and the swimming is tops. The facilities are there—all the students have to do is come." Under the direction of Eckles and Assistant Chairman LuDene Hargrave, committees have completed plans for the affair sponsored by the sophomore class.

### Gift of Seniors To Be Books; YM Will Help

By Eileen Scott

"The class of 1949 has decided to leave a living memorial instead of a goldfish bowl or a drinking fountain," project chairman John Christensen said this week, in explaining the text book drive which will get underway shortly under the direction of the seniors and the YMCA.

Working through the WSSF, these groups plan to collect all student textbooks which cannot be sold to the bookstore because they will not be in use at WU next fall. Collection will start during final week, and the Collegian office will be the main collection depot with boxes in all the living organizations.

### Moving Free

Bekins' moving company will ship the books to San Francisco free of charge, Christensen stated, and they will then be sorted by members of a church-sponsored organization for distribution to schools all over the world. The seniors will pay for shipping expenses out of San Francisco.

This drive is part of a WSSF plan to restock the libraries of war-torn countries, and UNESCO is also interested in the project. Christensen stated that certificates may be awarded to the senior class and the YMCA by UNESCO. He added that this is the first school-wide project of its kind known of in this country.

### Stone, Kuhlmann To Give Recitals

Two juniors, Gloria Stone and Betty Kuhlmann will be presented in recital this afternoon at 3 p.m. in Waller hall.

Soprano Gloria Stone will be accompanied by Patty Jo Hammond as she presents "Before My Window" by Rachmaninoff; "Soft-Footed Snow" by Lie; "Stars of the Night"; "Sing Softly" by Edwards; "Time o' Day" by Scott; "Pace, Pace, Mio Dio" by Verdi; "Le Colibri" by Chausson; "L'Heure Exquise" by Hahn; "Ici-Bas" by Faure and "Il Regardait Mon Boquet" by Monsigny.

Miss Kuhlman will present "Suite for Piano and Violin" by Kuhlman; "Partita No. 3 for Unaccompanied Violin" by Bach and "Sonata for Violin and Piano" by Copland. She will be accompanied by Doris Walser and Bennet Ludden.

### Busses Leave

Busses will leave from in front of Lausanne at noon, 2 o'clock and 5 o'clock, with one returning at 5 and the others returning at 10:30. Alice Turtledove arranged for transportation and planned the bus schedule. For those taking private cars, the easily accessible location is approximately 32 miles from here. Eckles gives directions as follows: "Turn right at the Canby bus depot and drive east about 3/4 mile. The park is on the right and the entrance is plainly marked." Sally Smith was in charge of the location which the committee considers a real "find."

### Swimming and Games

Swimming and organized games such as softball and volleyball will be in play throughout the afternoon under the direction of Stan Aschenbrenner. A play area for children of married students will feature swings and teeter-totters with a special section of the river being roped off for wading.

Earlyne Foley has planned to have wieners for roasting in the barbecue pits, and buns available in the afternoon between the hours of 2 and 5. With baked beans, hot dogs, potato chips and assorted relishes, cup cakes, ice cream, coffee and fruit punch prepared by "Pop" Crary, the 5:30 supper hour has a typical picnic menu. The SAX will assist in the serving.

### Dancing by Meusey

Dancing will be to the music of Wayne Meusey and his band, beginning at 7:30 in the open air dance hall. Music for the dance was planned by Bill Ross. Members of the faculty asked to sponsor the picnic by Aldene Adams are Mr. and Mrs. Howard P. Hinde, Mr. and Mrs. Charles Derthick, and Mrs. Joyce Patton. Herb Carlson is heading the clean-up committee and Dave Beckett has been publicizing the affair.

Eckles emphasized that everyone planning to attend should secure free tickets at the stations in Eaton hall and in the Caf before tonight, and stubs should be retained for admittance to the dance.

### Editor of 'Guide' Names New Staff, Tells Fall Plans

Plans for the 1949-50 Fussors' Guide are getting underway according to Margaret Atwood, editor, with the tentative appointment of staff members.

Pat Zahare will be publicity manager and Jeanette Gilbertson, Glenda McAllister and Howard Payne will assist with collecting names, making layouts and general editing of the Guide.

According to Miss Atwood, students will fill out cards during fall registration giving names, school and home addresses and other pertinent data which can be sent directly to the printer thus eliminating the time and work involved in typing out long lists of names. She feels that many errors may be avoided by doing away with the typing of the lists and the Guide will be more complete and accurate. It is also the hope of the editor that this will shorten the length of time necessary to get the directory edited and published for student use.

## Things to Look Forward To

Every year new faces, innovations in curriculum, and changes in student government make things at Willamette interesting, busy and all-in-all, a picture of things to come.

Even though the population of the campus may be cut down through lessening the number of students admitted during the next couple of years, campus life at WU will be much more blended with the affairs of the city and the state. Willamette university is no longer a university unto itself—it is a vital, living and maturely growing part of a rapidly growing metropolitan area—an area to which all of the nation looks with glistening-eyed respect and wonder. Persons coming from the east look at this Willamette valley in awe—they cannot believe that there can be a valley as wide, as fertile and as productive anywhere on the face of this earth.

Willamette university, in the heart of this expanding area, must be the means by which those coming here, those who plan to come here and those already here, may learn to know this area, know how to take care of it and keep it productive, healthful and the last frontier of the continental U.S.—EB.

## Things We'd Like to See

1. Adoption next fall of the one-day Hare Progressive election system.
2. Continuation of the All-School chest to eliminate countless money drives. (Thanks to George Hurt and John Christenson.)
3. Construction of a fireproof student union and auditorium.
4. Construction, through cooperation of city, organizational donations, and Willamette university of a Cherry Bowl stadium at Bush athletic field which would be available for all sporting events and an annual Cherry Bowl game.
5. Use of at least part of Sweetland Field as an off-street parking lot for faculty and student use.
6. Naming of Bush Athletic fields as McCullough or Sweetland field.
7. Removal of smoking lines from ends of campus walks, by allowing smoking in the Bearcat Cavern with suitable fire protection, butt buckets and ashtrays.
8. A bridge across the Mill Stream in vicinity of Sweetland grandstand to allow parking on Trade street in that area.
9. Non-reduction in the number of students.
10. Full-time darkroom manager appointed who would coordinate darkroom activities through the publications board.
11. Full-time circulation manager appointed for distributing Collegians, Fusser's guides, Rook Bibles, Wallulahs, and handle mailing of all publications.
12. More student representation in administrative and faculty policy.

## The New and the Not-So-Old

This week saw the change in regimes of ASWU officers, as represented by the turning over of the gavel at Tuesday's convocation by ASWU President George Hurt to Russell Tripp, newly elected president. The convocation Tuesday also represented the year's achievements as organizational, athletic, individual, and special awards and scholarships were presented to those deserving them through effort, scholarship and genuine helpfulness.

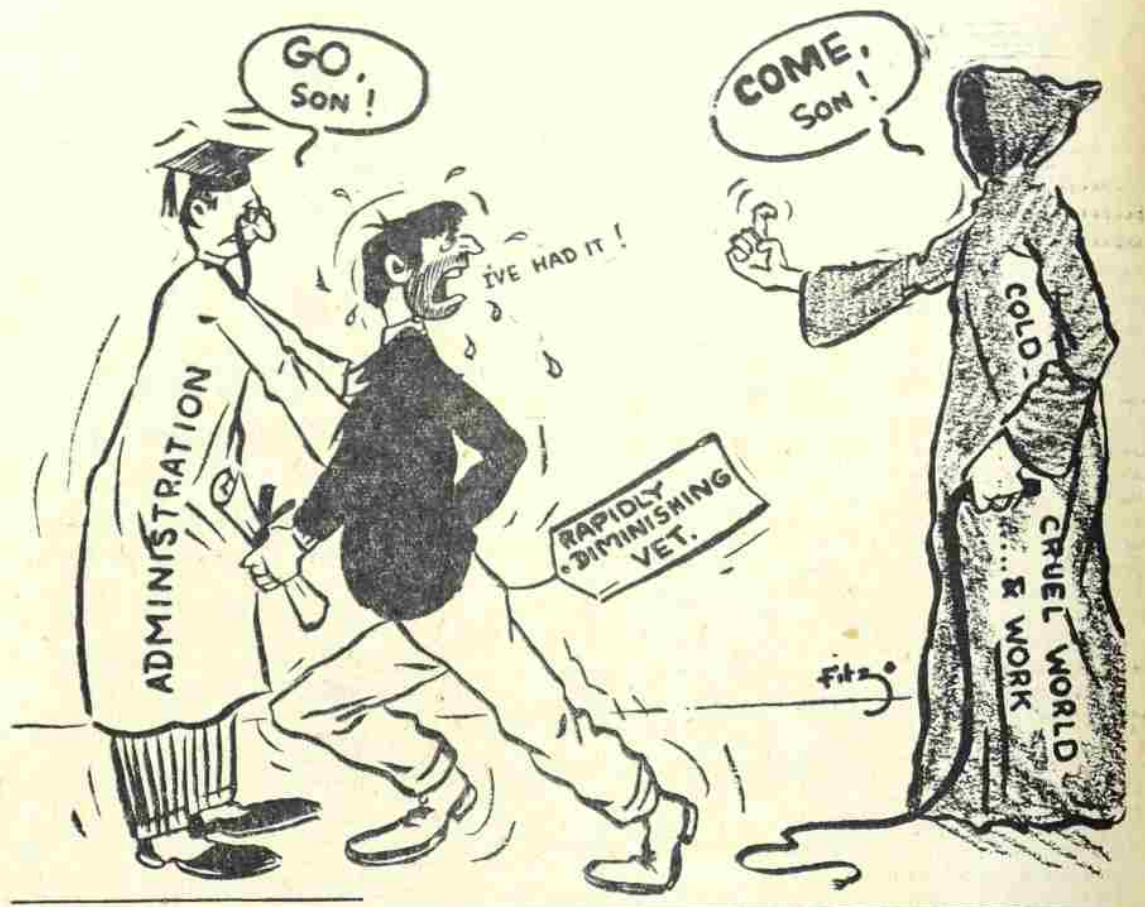

Thus by these means we find, near the end of another college year, what makes the wheels go round at Willamette university.

This editor, in his closing editorial, wishes also to thank all those who have given their time and effort and good news to the *Collegian* this year. We've had a good year and all the *Collegian* staff, organizational publicity committees, faculty and individual news gatherers and workers are responsible for the *Collegian's* continued success this year. We wish to thank especially George Hurt, ASWU president; Al McMullen, second vice-president in charge of elections; Bill Harris, 1st vice-president, social chairman; Dr. Daniel Schulze, ASWU manager; Charles Barclay and Margaret Allen, of the publicity office; Deans Raymond Withey and Robert Gregg; Mrs. Delsia Larson and Prof. Murco Ringnald, all of whom have given the *Collegian* every cooperation possible all year.

All of the staff have done excellent work. The editor wishes to thank all of the staff for standing by on Tuesday and Wednesday nights as the *Collegian* is put together and to thank them for all their interest, cooperation and faithfulness.

Ellen Montague and her new staff will put the last Volume 60 *Collegian* to bed next week. Many of this year's staff members will be back to help next year. Several we say "so-long but not goodbye" to—the graduates and soon-to-be married's: Jerry Mulkey, Cherie Miller, Earl VanLydegraf, Jim Oakes, Dona Adams, Eileen Scott, who will become Mrs. Robert Ross on June 10, and John Williams, who returns to Northwestern next fall. For Ed Fitzsimon's cartoon ability, we can never be too grateful. (Only Ed can tell us whether he will be back next year or not.)

Thanks, everyone, for a wonderful job, and good luck, Ellen, on the *Collegian* next year—your excellent work on the *Collegian* previously proves your editorship will be a worthy one.—Eric Bergman, *Collegian* editor, 1948-49.

## Any Relation?

A question going around the campus Monday morning was, "Does Willamette have a new president?"

It seems that two different stories in a Portland Sunday paper referred to President G. Hoover Smith in connection with the recent resignation of Coach Jerry Lillie.

A quick check of the administration revealed that G. Hoover was only a misprint. G. Herbert was here all the time.

## Good Time by All

Eric Bergman was host Wednesday to a Pepsi Cola party in the local Press club, honoring members of the finished staff. Sky writing earlier in the day was a clever publicity stunt preceding the fete.

## On the SOUTHard Side

By W. Drexel Southard

After looking at the grade result on my last psychology test, I decided it was time to do a little studying. I went into my study chamber and picked up the book. It weighs about four pounds naked (without a bookmarker) and contains 821 pages.

It took a lot of courage, but I opened the book and started to read. Three hours later I came across a statement which caused me to shut the book and rush for the typewriter. The author stated that "the average psychologist is not sure what is meant by intelligence or attention."

Now I am by no means an average psychologist, or a psychologist for that matter, but I believe it my solemn duty to inform these uninformed people what the meanings of the two words are.

**Intelligence is the ability of an individual to yield a mathematical score from a specially prepared test which determines to the psychologist's satisfaction that the individual has the ability to yield a similar score on similar tests which prove that the individual may then be placed on a curve with individuals who look similar tests and that the individual may then be classified according to his ability by checking the results on the test which he took in the first place.**

**Attention is a little less complex to define, for it involves nothing but a state of mind, a response, usually positive, external or internal, from some stimulus, external or internal, wheth-**

## It Can't End Now! I Just Got My Books

By Mo Fitzsimons  
"Great Caesar's Toga", I exclaimed as I glanced at the calendar and saw to my utter amazement and dismay that less than two weeks of school are left for this year. What happened? Where did it go? Which way did they go? Why, I was only getting started; I have just gotten my books from the bookstore!

It seems like such a short per-

iod of time from entering the institution (then indoctrination, then education, then probation) until graduation day.

I'm doing post graduate work, but I'm afraid the post will graduate and I'll be back again next year.

How I'm going to miss the dear old school, its profs good and true, etc.; in fact I've missed it a good deal of the time for the last few years, and as a result, Dean Withey has become quite a pen pal of mine... "Absence makes the heart grow fonder", the Kentucky Derby was won by Ponder (a poem).

I have had one tough time getting my features run in this paper. Upon inquiry, I was told that my features were all to be run together; whereupon, at the author's beckon, I was set upon by a band of ruffians, who proceeded to run my features together.

Oh, it's a cruel, cruel world. My own little world is collapsing all about me! My wife is quitting her job. I'm leaving old WU. It seems inevitable that I, I, will have to—words fail me, hot tears blind my vision, my hand shakes, till writing is nigh on to impossible, nausea intermingled with sobs wracks my frail frame—go to work!

## A Real "Gone" Week

By Myron Slocum

Next week has been officially pronounced as being dead. This reporter wonders just why these days should be so designated in preference to many another long since buried at WU, but then ours is not to . . . .

It seems that this week will not be studded with sundry tests and "little papers", but is to be completely free, except for the regularly scheduled classes, of course, and to be used at the students' discretion. Gad, what an opportunity!

But an air of quiet desperation has somehow settled over the campus and dampened the glowing prospects of a week of loitering on the greens. It seems there's this week of finals to follow the dead one.

Many a prof is no doubt straining at the leash to get at the blue books, but then he'll get his kicks come the finals and maybe that

will quench an appetite for blood that's sometimes astonishing.

After the finals come the cards and the axe, simultaneously in many a case, and those who respond to the wild call of dead week will be the faces you'll miss come good old September 26.

## Red Journalism?

Another innovation has capped the successful editorship of Eric Bergman—Pink copy paper, yet!

Many of the staff, doubting Thomases that they are, balked when asked to employ the delicately-hued stuff in their journalistic efforts.

What with a vast army of un-American activities' investigators lurking about most any old place it would be hard to escape the inevitable tap on the shoulder and the scarlet brand.

# Who Moved Jason's Tombstone to Old Waller Hall?

Still a mystery as the Collegian goes to press this week is the answer to the question: "Who moved Jason's tombstone, and how and why was it put in front of Waller hall last Friday night? At any rate, it took the five men as shown above of WU's maintenance department to load the stone into a truck and haul it back to Lee Mission cemetery at 21st and D streets. The 400-pound headpiece was broken off in the ground by the persons who moved it to the campus, cemetery caretakers report.—(Williams Pix.)

# Old Council, New Council, Meet Monday

The old and new student body councils will hold a joint meeting Monday at 6 p.m. at the Gold Arrow restaurant to hear a report of the year's activities and plans for next year.

According to retiring President George Hurt, Bill Harris, this year's social chairman, will give a report on the social activities and Carol Dimond, retiring secretary, will give a resume of council activities for the year.

Al McMullen, student body second vice-president, will "prophesy the future council's greatness." Russell Tripp, student body president-elect, will give a sketch of next year's activities along with a formal acceptance of his duties and responsibilities.

Hurt will give a few words of farewell to the group and express wishes to the new council's success.

# Senior Caps, Gowns Ready on June 3

All seniors are requested to pick up their caps and gowns for graduation, Friday, June 3, in the bookstore, it was announced by Mrs. Delsia Larson, bookstore manager today. This is the only time the commencement garb will be available, she said.

Graduating seniors are also reminded that announcements and cards are now at the bookstore and are urged to get them at their earliest possible convenience.

Mrs. Larson also reminded veteran students that their accounts in the bookstore are closed for the semester.

# Tripp Is Rotarian

Russell Tripp, new ASWU president, has been named by the student council as Willamette Rotarian for June. It was announced this week. He succeeds Bob Douglas, Rotarian for May. This Rotarian appointment is the last for the school year.

# Pres. Smith Thinks Vandals Are Not Willamette Students

By John Williams

"Sacred to the memory of the Rev. Jason Lee . . ." These words evidently did not impress the individuals involved in the moving of the Jason Lee tombstone from the Jason Lee cemetery to the Willamette campus.

Sometime late Friday night or Saturday morning, the portion of the Lee grave monument containing the above inscription (see photo) was broken off from the rest of the stone, and placed against the big maple tree to the left of Waller hall's front entrance stairs.

President G. Herbert Smith stated that he did not think any Willamette students were involved in the incident. No evidence has been turned up as to who the "practical jokers" are or from where they came.

Regret that the incident occurred has been the general reaction of the student body. Dean Melvin Geist of the College of Music, when speaking to the writer, said he thought it "was carrying things a little too far." Les Sparks of the athletic department thought it just one more "indication of the unrest of college students in general and the world situation as a whole."

# YM-YW Plans for Foreign Students Near Completion

By Al Ladendorff

Plans for enrolling two foreign students to Willamette university next fall are progressing rapidly according to Jean Carrico, campus YWCA official. Many applications have been received from displaced European students, and these applications are being carefully screened, Miss Carrico said.

Two one-year scholarships have been granted by the University; one for a woman and one for a man, and the foreign students who receive these scholarships will be under the sponsorship of the YMCA and the YWCA while they are at Willamette. Although the scholarships are open for one year, they are subject to renewal, and in case the University does not renew the scholarship the Y's will attempt to provide for the student until the full course is completed, Miss Carrico said.

Living facilities for the foreign students will be provided jointly by the four fraternities and Bax-

ter hall for the man, and by the four sororities and Lausanne hall for the woman. The World Student Federation provides passage from Europe to the United States, and then the two Y's provide the fare for the students from New York to Salem. Books, incidentals and financial arrangements are taken care of by the YMCA and the YWCA.

Representatives from the interfraternity council and the YMCA are to meet with Edward C. Kollman, newly appointed faculty member in charge of foreign students, to outline plans and select a male applicant.

While on the campus of Willamette university the foreign students will be considered a regular part of the student body. However, they will not be pledged by fraternities or sororities nor will they be allowed to take part in the business meetings of those organizations which provide their living facilities, Miss Carrico said.

# Chairmen's Meeting

All social chairmen are asked to be present at a social chairmen's meeting Tuesday at 4 o'clock in room 2, Eaton hall, according to Roger Adams, student body social chairman. The purpose of the meeting is to get the tentative social calendar set up for the fall semester.

## Golfers Win Conference Title As Aleska Becomes Medalist

By Ken Nerison

The Bearcat golf team climaxed its season's play by pacing a five-team field to take top honors in the Northwest conference of golf tournament, held last Friday at the Salem Golf club. The four-man Bearcat squad totaled 644 strokes over the 36 hole route to best second place Lewis and Clark, who totaled a 678, by 34 strokes.

Vince Aleska, the Bearcat freshman ace, captured medalist honors with a steady 153 while Lewis and Clark's Bob Smith was next in line with a 157.

College of Idaho with 688 took third in team scoring and Linfield and Pacific trailed with 689 and 690 respectively.

The locals, winning their fifth straight meet in the home stretch, were partially bogged down from any sensational scoring because of unfavorable weather conditions throughout the day.

Willamette scoring (36 holes) was Bob Johnson 166, Jim Johnson 163, Vince Aleska 153 and Art Dow 162.

Art Dow presented the title trophy to the school in Awards chapel on Tuesday. In contrast to the victory, it was thought early in the season that Willamette would not have a golf team due to a lack of interest.

## Sheiks Leaders In Mural Play

The Sheiks took over the lead in the intramural softball double-elimination tournament by edging the SAEs, 1-0, in a regulation seven inning contest and then defeating the Betas, 12-11, in a ten-inning thriller.

The Betas and SAEs are in second place, both with wins over the last place Sigs. Scores of these games were 9-5 in the Beta-Sig game, and 15-3 in the SAE-Sig encounter.

The Sheik-SAE game saw the Sheiks score their single run in the top half of the seventh inning on a walk to Jeep Lowe and a double by Don New. The Sheiks were able to get but three hits off of SAE hurler Jack Frost.

In the Sheik-Beta contest, the Sheiks gained a 10-1 lead in the first four innings, only to have the Betas tie it up, 11-11 in the sixth. From this point the game was a pitcher's battle, with no score until the Sheiks tallied in the tenth. Lowe led off with a single, went to second on Warren's infield hit, and after a sacrifice by New, scored on Ewaliko's double.

The Beta-Sig encounter saw the Betas break a 3-3 tie in the fourth inning with four runs to take the win. The losing Sigs out-hit the Betas 11-9, but couldn't make their hits count.

The SAE-Sig game was a slaughter for the SAEs. Jack Frost gave up seven hits in hurrying the win. Play will continue next week.

Jerry Lillie

## Lillie Resigns For U of O Job

Before handing out awards to Bearcat athletes for the last time at Tuesday's chapel, Coach Jerry Lillie bade a fond farewell to the Willamette campus and its athletic teams. Lillie stated that even though he would be associated with the University of Oregon from now on, he would always be rooting for the Bearcats to come through, and have a soft spot in his heart for them.

Lillie, director of athletics and football and track coach here, carries with him an enviable record of coaching, not only at Willamette, but also at St. Helens high, Bend high, Grant of Portland, Punahou high of Hawaii and Central Washington college.

He will be top assistant to Webfoot Coach Jim Aiken as backfield coach of the Duck powerhouse.

Lillie, an Oregon graduate who played guard for the Ducks during the 1929, 30 and 31 seasons, coached the Bearcats to the 1947 Northwest conference grid title during his first year with the Cats. Last season the Cats copped a third in the loop.

## Jason Thinclads Cop Third; Hall Sets Conference Mark

Copping five firsts and making a total of 30½ points, the Bearcat thinclads came through with third place in the Northwest conference tracy meet held at Lewis and Clark Saturday.

The Lewis and Clark Pioneers took first place with 58½ points and Linfield came in second with 33. Whitman, a team figured as a title possibility, trailed the Cats with 26½ counters. Pacific was fifth with 14 and College of Idaho got the cellar with 2½.

### Hall Batters Record

Freshman Bob Hall came up with the most sparkling mark of the day last Saturday as he heaved the javelin 197' 2" for a new conference record, beating the previous record by eight inches.

And to go along with Hall's record-breaking performance Cat Sophomore Ted Mertz led all scorers in the star-studded field with 11½ points, which were compiled by his taking wins in the high and low hurdles and a four way tie for second place in the high jump.

### MacRae Pulls Upset

The Cats also gave onlookers a third surprise when Freshman Jeff MacRae broad jumped 21 feet 5 inches to beat the heavily favored Milt Staples of Lewis and Clark, who had previously hit 21 feet 7¼ inches in a dual meet.

Two other records were set during the day. Art Bakke of Lewis and Clark pole vaulted 12

feet 8¾ inches to break his own record, and teammate Bud White tied the conference hundred yard dash mark by running the century in 9.8.

### Stauffer Wins 2 Mile

The Cats fifth victory of the day came in the two-mile run where Wes Stauffer beat his Lewis and Clark rival, Bob McEnany, to the tape in a grueling stretch finish.

## Bearkittens Post 8 Wins, 3 Losses

A 7-2 win over the Woodburn Bulldogs last week gave the Freshman baseball team a season's record of eight wins and three losses.

The Bulldogs put up a stiff fight before losing to the freshmen, with the score at the end of the fourth inning standing 0-0.

Fresh Hurler Mike Glenn held the Bulldogs scoreless until the last of the seventh when the losers pushed across two runs.

Glenn topped the hitting for the day with three hits in four times at bat, while Jim Gay, Byron Sittser, Bruce Boatman, and Cliff Girod each garnered a single safety.

## 'W' men Elect Officers

With retiring president Howie Lorenz handling the elections, new officers were elected by the "W" Club at their meeting last Tuesday.

The newly elected officers, who will take office next year, are: President, Roy Harrington; vice-president, Pete Bryant; secretary-treasurer, Chuck Bowe.

## Betas Champs With 15-0 Win

The Betas blanked the runner-up Dorks, 15-0, to win the coveted intramural touchball championship Tuesday afternoon.

Betas Ted Mertz and Norty Younglove caught passes thrown by Bob Baum for the TDs. The single conversion point was scored by a pass from Baum to Carl Schmidt.

The extra two points were racked up when the Dorks tried to run a kick out of the end zone and were caught behind the goal line.

The Betas were previously reported to have won the crown with a 40-0 win over SAE, but the Dorks ~~hit~~ was actually the clincher.

The title was all the more desired as it has been waiting to be won since last fall when the rights for the title were denied due to rain. The Betas were one of the four teams that were in the title playoffs.

## '49 Baseball Summary

At the beginning of the 1949 baseball season Coach John Lewis said that freshman players would have a great deal to do with the success of the team. If he had a crystal ball he could not have foretold the future with any more accuracy.

George Matile, a freshman, led the Bearcats in hitting with a .367 average while playing regular shortstop. John Markoskie, freshman outfielder, batted .316 for the season and batted in 15 runs.

Gorden Lenz, playing third base, and Dick Brouwer, outfielder, were first year men who were of value to the team. Lenz batted a steady .277, while Brouwer lead the team in runs batted in with 18.

### O'Dell, Scrivens Top Pitchers

Larry O'Dell started his college career as a pitcher by winning three games and losing one. Lou Scrivens, sophomore, did stellar work on the mound, winning four and losing two. He hit well during the season, ending up with a .370 mark.

It took a couple of veterans, however, to give the team the punch it needed to win. Catcher Roy Harrington, hampered by injuries at the season's start, came on to hit .348 and win ball games with his throwing.

Pitcher "Shoes" Olson, improving as the season lengthened, won four games and lost two. He came through in the clutch to give Willamette a tie with Pacific for the conference crown. The Cats lost the play-off to the Badgers.

### Season Shows 16 Wins

The season's record was 16 games won against 10 losses, an improvement over last year's five and five record. Weather conditions permitted the Cats to play all games scheduled.

Seniors Bruce Barker, Bob Douglas and Howard Olson played their last ballgames for Willamette this year.

Frank Gatchell, pitcher, played with Willamette for the third time in 15 years, having lettered in 1936.

### Transfer Osuna, Pointer Help

Ray Pointer and Ray Osuna, transfers, added strength to the infield. Pointer played second base regularly.

The rest of the '49 team consisted of Irvin Roth, catcher, pitchers Burt Lund, Larry Stocks and John Slanchik, first baseman Bob White and outfielder Chuck Bowe.

## Aldrich Plans School Work At U of Oslo

Les Aldrich, Willamette sophomore from Prineville, Ore., is leaving by air from Bradley Field, Conn., June 21 for Oslo, Norway, where he will attend summer school at the University of Oslo.

He is one of 250 students from the United States who will be enrolled in the university's six-week summer session and he plans to take classes in culture, economics, and language. Although Aldrich is the only student from Willamette going to Oslo, there are several from the state who are making the trip.

This is the third summer that the University of Oslo has held summer school for foreign students. Classes are taught in English. Following the summer session, Aldrich tentatively plans to take a short sightseeing tour of Norway and England, traveling by boat to Canada and from there back to Oregon in late August or September to resume classes at Willamette where he is majoring in business administration.

Aldrich is looking for a ride back east and is willing to share expenses.

## Oxford Club Holds Final Meeting, Dinner at Baxter

On Tuesday evening, May 10, the members of Willamette's new Christian service group, Oxford club, held their final meeting for this year with a dinner at Baxter hall. Guests of the evening were Miss Mary Ann Truitt of Portland and Rev. William Hobbs of Sweet Home. Miss Truitt, Director of Religious Education at Fremont Methodist church, presented the group with the challenge of her field. Rev. Hobbs, with his interesting background of building a church and congregation in a new area during the past year, spoke on "What Challenge in the Ministry?"

Oxford club takes its name from the study group begun at Oxford university by John and Charles Wesley in 1729. It is composed of religion and religious education majors as well as others who are in any way interested in vocational Christian service. Although a somewhat similar group has existed previously, only last fall was a constitution drafted, officers elected, and recognition granted by the student government. The group was led this year by Paul LaRue as president, David Poin-dexter, vice president, and Beth Miller, secretary. Marian Sayre was recently appointed as temporary chairman for the summer months.

This year's program has consisted of a variety of discussions led by experienced Christian leaders; considering the working of the church in such fields as drama, music, recreation, education, and social action. In addition to this type of study, Oxford club will assist in the future development of Willamette university's religious tradition to the needs of present-day students.

## Koo Discusses Student Careers

That a person should have an aim in life that combines the best possible job with a satisfaction of being a part of an enterprise representing a mission with a purpose to serve mankind; was the theme of Dr. T. Z. Koo's speech in chapel at the First Methodist church recently.

Dr. Koo stressed the fact that young students should think of their future careers in life as not only a means of independence, security, financial satisfaction and a position to receive recompense, but a means to a satisfaction that they are giving something to better the world rather than to be only taking.

Koo also mentioned that he was dissatisfied with his work in China on the railroads because he felt that he would be happier in an occupation of directly serving man through the YMCA.

Dr. Koo is serving now as a guest lecturer in the school of religion of the State University of Iowa. He graduated from St. John's university in Shanghai and then he worked for nine years in the Chinese railways. In 1919, he became a YMCA man and for ten years he served as associate general secretary and student executive secretary of the national committee in China.

During the luncheon the new members were presented with their pins by the retiring officers and by this presentation were elected as the new officers of the senior women's honorary. The new members and officers are Doris Gragg, president; La Fyne Showacy, vice-president; Betty Ferguson, secretary, and Inie Lou Wilhelm, historian.

## Miss Pollock Is Engaged

Members of Delta Gamma were surprised to find beans scattered on the walk of the chapter house last Tuesday night. Further exploration of this phenomenon led to the discovery of an open bag of beans on the front step and a sign attached by a gold ring to the front door reading, "Who has spilled the beans." The dinner table was decorated with a long bowl of flowers with a large gold ring on top.

The suspense was maintained until chapter meeting when a trio composed of Carol Dimond, Joy Bushnell and Aldene Gould arose and gave a rendition of "Some Sunday Morning." "Polly and Al" was inserted in the last line, revealing the engagement of Polly Pollock and Al Fedje. The traditional box of chocolates was passed.

Miss Pollock is a junior majoring in English, and the daughter of Mr. and Mrs. Dean Pollock of Milwaukie, Ore. Fedje is the son of Dr. and Mrs. Roy Fedje of Salem. He is a senior majoring in physical education. The marriage will take place after Miss Pollock's graduation.

By Paul Dally

When George Hrut turned over the gavel to Russel Tripp, his term as president of the student body officially ended, but he mentioned that the student body office will be busy from now until the end of the year clearing business for the incoming officers.

One of the most important jobs yet to be completed is the finishing of a set of files that pertain to the activities of the student body. They include recommendations of the correct type of work procedure and methods of pro-

moting the school activities such as Homecoming and May Weekend written by the people who worked on the functions this year. This file will be continued and in the future will be an aid to those concerned.

Hurt and his wife, Chris, are going to Seattle where he received a fellowship from the University of Washington to teach eight hours of elementary economics for a year. Hurt hopes that he will get his master of arts degree at the University, and then would like to enter business. While at Willamette, he majored in social science and journalism.

## Music Department Planning Schedule Changes Next Year

In planning the details for the '49-'50 term, the Willamette university music department is considering several changes in the present order of activities to forestall complications which have risen in the past, and is contemplating several moves to foster greater interest on the campus in musical activity.

The faculty recitals, previously held in the spring, will be presented next year in the fall. The reason for this change is the present congestion of campus activities in the spring of the year. A series of organ recitals to be held afternoons by Elwood Ball is also scheduled for next semester.

More emphasis will be placed upon the university orchestra next year, and a tour will be sponsored for this organization in addition to the annual band and a cappella choir tours. The choir will also participate, as usual, in the presentation by the

Salem Oratorio Society of "The Messiah" December 11.

A bulletin for prospective music students is being prepared for distribution either this summer or early fall to familiarize future students with the activities of the department.
