## **Ave Maria**

God bless you, Maria,  
you are filled with grace,  
God bless you, Maria,  
The Lord is with you.

Blessed are you among all women,  
and blessed is the fruit of your womb, Jesus.

Holy, holy Maria, Mother of God,  
Holy, holy Maria, pray for us sinners,  
now and at the hour of our death. Amen.

## **El Vito**

With the vito, vito, vito it goes.  
I don't want them to look at me, for I blush.  
Single ladies are of gold, married ladies are of silver.  
The widows are of copper and the old ones are of tin.  
With the vito, vito, vito it goes.  
Don't look straight at my face, for I blush.  
I don't want you to look at me, for I'm going to fall in love.  
A Malaguean lady went to Sevilla to see the bulls.  
And in the middle of the way the Moors captured her.  
With the vito, vito, vito it goes.

## **Horizons**

Sleep my spring-bok baby,  
Sleep for me, my spring-bok child,  
When morning comes I'll go out hunting  
For you are hungry and thirsty, thirsty and hungry  
Small moon, Hai! Young Moon.  
When the sun rises, you must speak to the Rain,  
Charm her with herbs and honeycomb,  
Oh speak to her, that I may drink  
This little thing.

She will come across the dark sky;  
Mighty Raincow sing your song for me,  
That I may find you on the far horizon.  
Oh star! Hai! Hunting Star.  
When the sun rises, you must blind with your light  
The Eland eyes, that I may eat this little thing.  
He will come across the red sands,  
Mighty Eland dance your dance for me,  
That I may find you on the far horizon.

Sleep my spring-bok baby,  
Sleep for me, my spring-bok child,  
When morning comes they'll come a-hunting  
For they are hungry and thirsty, thirsty and hungry.  
They will come across the waters,  
Mighty saviors in their sailing ships,  
And they will show us new and far horizons.  
And they came across the waters,  
Gods in Galleons bearing bows of steel;  
Then they killed us on the far horizon.

### **The New Moon**

Day, you have bruised and beaten me,  
As rain beats down the bright, proud sea,  
Beaten my body, bruised my soul,  
Left me nothing lovely or whole —  
Yet I have wrested a gift from you,  
Day that dies in dusky blue:

For suddenly over the factories  
I saw a moon in the cloudy seas —  
A wisp of beauty all alone  
In a world as hard and gray as stone —  
Oh who could be bitter and want to die  
When a maiden moon wakes up in the sky?

### **Night (Éjszaka)**

Thorny huge jungles,  
Mystery forests,  
Infinite Wilderness,  
Boundless and endless and still!  
Beats of my heart in endless silence.  
Night!

### **Morning (Reggel)**

Ring, tick-tock, tick-tock, bell!  
And the clock ticks wishing well.  
In the dawn, cock-a-doodle-doo,  
The cock cries and the duck too,  
Ring well, bell!
