**Matching grant opportunity to support Willamette Choral Music** - As long time Willamette music supporters know, the choral music program is very active and requires extensive support to maintain its schedule of recruiting and performing activities. A very generous donor has stepped forward and offered a matching grant in the amount of \$3,000. If you would like to see our groups continue to thrive and improve, see your contribution double in value, and receive a tax deduction, please see Dr. Wallace Long, Director of Choral Activities after the concert. You may also email him at [wlongjr@willamette.edu](mailto:wlongjr@willamette.edu). Thanks in advance for your kind support.
