## Messiah Sing-Together

The idea of the Messiah Sing-Together as a community-wide event was inaugurated in 1987 to establish an opportunity for the Mid-Willamette Valley community to come together and celebrate the holiday season through mutual involvement in the performance of one of the great musical works of the English language. The substantial growth in interest from year to year indicates that the Messiah Sing Together is part of what makes up our community.

This third year we have added a second public evening rehearsal, purchased additional scores, and expanded the KCCS broadcast to include commentary by Dr. Richard Caulkins.

This event has been created with the hard work, cooperation, and contributions of many individuals and organizations. Many have contributed to making this evening possible, some too late to list. We here offer our gratitude to all who have shared in bringing about Messiah Sing-Together for 1989.
