### 'Good News' Opens Thursday

A comedy take-off on college life will be the theme of the May Weekend musical, "Good News," to be presented next Thursday and Friday at 8:15 on the Parrish junior high school stage.

The Collegian is running a contest. Attend "Good News." Spot the part that bothered some sororities and prompted dialogue revisions. Report the offensive word, or words, with the reasons, and win a suitable prize from the Collegian and the drama department.

—The Editors

A 25 cent fee for both student and guest tickets will be charged.

### 200 Explorer Scouts to View Campus, ROTC Tomorrow

University and ROTC department forces will team up tomorrow to instruct approximately 200 visiting explorer scouts in civilian and Air Force career opportunities.

The program starts at 10 a. m. and will end in the late afternoon with an exhibition drill by the ROTC drill team and a parade by the scouts.

A feature of the day will be indoctrination flights for the scouts in a C-47. Scouts will be given half-hour flights from McNary field. They will be divided into groups of 18 under the guidance of three ROTC cadets during the flights.

The flying will be interspersed

### Dean to Leave For Meetings

Seward P. Reese, dean of the Willamette law school, will leave for Salt Lake City Sunday where he will attend a field economic mobilization course, conducted by the Industrial College of the Armed Forces, Washington, D.C.

Reese, who is a colonel in the Air Force Reserve, will attend the special mobilization course for two weeks. Following the Industrial College field study, he will participate in a meeting of the western law schools to be held in Salt Lake City, May 8-9.

### McDonald Wins Award

Timothy McDonald, admissions counselor, has been awarded a graduate assistantship in the history department of Duke university, it was disclosed today. The assistantship, effective in September, carries a stipend of \$1,500.

McDonald, who received his BA degree from Willamette in February, will apply his graduate work to both MA and PhD degrees. He will study under the eminent historian, Dr. Malcolm Carroll, author of "Germany and the Great Powers."

Prior to his senior year at Willamette, McDonald served as commanding officer of the 1438th engineers and later company commander of the 95th engineer battalion at Ft. Lewis. He was awarded the Bronze Star Medal and the Croix de Guerre for service in France during the war.

Tait college, a small co-educational institution, perhaps much like Willamette, is the setting for the comedy. The scene opens on the eve of the most important football game of the season with the hated rival Wilton.

Trouble begins when it becomes doubtful that Tom Marlowe, captain and star player of the football team, will be able to play. His fate hangs on the passing of an astronomy examination the next day. His girlfriend Patricia Bingham, employs her little country cousin Constance Lane to tutor him.

The plot thickens when Tom falls for Connie, leaving Pat out in the cold. To this is added hi-

larious comedy by Babe O'Day and Bobby Randall, the team's bench warmers. Malcolm Campbell plays Tom with Lollie Coffey taking the part of Connie. Pat is played by Dorothea Anderson. Babe is played by Bea Kaufman and Bobby by Paige Baily.

Assisting them will be a cast of 14, a chorus line, a chorus of singers and a full orchestra.

Prof. Dean Graunke is directing the production, which is the fourth and last for the season.

Technical director is George Evans. Set design is by Carl Ritchie of KOCO and Evans. Margaret Conklin is the stage director. Musical director for the production is Maurice Brennen. Vocal advisor is Clorinda Topping assisted by Amaryllis Lilles and Herb Brower as coaches. The dance director is Mrs. Doris Hale.

### SB Election Petitions Due

Petitions for student body offices are due in the student body office my noon Monday, May 4, president Rollin Cocking said today.

Petitions must be formal and signed by 25 students. Cocking advised students who plan to run for office to submit their petitions early in order that arrangements for convocation speeches can be made.

Polls will open May 5 after convocation and continue until Thursday noon. Results will be published in the Collegian.

### Unesco Plans 'Advance' to Silver Creek For Weekend; Middle East Featured

Unesco will leave for Silver Creek falls tomorrow morning for a two day "advance" featuring rest, the Middle East and a good time.

The advance will be informal and informative, manager of the weekend Kent Holmes, said. The group will leave from Lausanne hall at 8:30 a.m. tomorrow. It will end Sunday afternoon.

Featured speaker at the affair will be Dr. Glenn A. Bakkum from the sociology department at Oregon State college. Once a lec-

#### Tuesday Convocation

Tuesday Chapel in the gym will feature the Grants Pass High school a cappella choir.

#### Thursday Chapel

Thursday Chapel at the Presbyterian church will have as its speaker Rev. Raymond Walker from the First Congregational church in Portland.

### Summer School Courses Listed

The eight-week Willamette summer session will get underway June 15 lasting until August 7.

Offering courses in economics, education, English, history, political science, speech and drama and music, the school will have a faculty of 20 members including visiting professors from Oregon State college, Northwestern university, Iowa State college and the Salem public schools.

Seven or eight semester hours credit may be picked up for a tuition fee of \$110. Less than seven semester hours credit will cost \$17 per credit hour. More than eight semester hours credit costs \$15 per hour.

A feature of the session this year will be a new offering in the area of language arts. It will meet for the first two weeks of the session June 15-25, four hours a day for four days each week. The course will earn two semester hours credit.

The University will furnish neither meals nor housing on the campus unless demand warrants it.

turer at American university in Cairo, Egypt, Dr. Bakkum will be aided in discussions on the Middle East by Dr. Eric Weiss, refugee to Palestine and the United States and now with the Portland art museum and Dr. John Rademaker, head of Willamette's sociology department.

Cost is \$3 for the weekend and students may still register with Sharon Perry at Lausanne hall.

In addition to these speakers several students from the Middle East now studying in the U. S. will be on hand.

### 'Biggest Ever' Parade Planned For May Festival Next Week

Lovely Dona Mears was chosen by the student body Thursday as queen of Willamette's 1953 May Weekend festivities. Her court princesses will be Jane Fooshee and Marie Corner.

Queen Dona was Homecoming hostess last year and last week appeared in the Oregonian as Willamette's "Beauty on the Campus."

About 350 voted in the May queen election.

The usually short May Weekend parade will take on gigantic proportions this year according to Manager Jim Bergmann who said it will be the "biggest parade Willamette has ever had."

Included in the extravaganza will be bands from outside organizations. The parade is slated to end with a combined band concert.

#### Starts at 1:30

The string of attractions will start at 1:30 Friday and wind its way throughout downtown Salem. It is especially designed for the dual purpose of drawing students

to McCulloch field, where the traditional tug o' war, greased pole climb and barbecue is planned, and of attracting city-wide attention to the University May celebration.

When the parade participants are assembled at McCulloch, they will witness pre-barbecue activities until 4:30 when the spit will be turned for the last time. The entertainment will include some of Willamette's top entertainers with Ruben Merashe making arrangements and Chuck Ruud emcee for the event.

#### Events At McCulloch

The Friday afternoon activities were switched to McCulloch from Sweetland this year for better seating accommodations. Tickets for town students will be available at 65 cents a person.

Saturday morning activities will be highlighted by the inter-organization song competition at 10 a. m. in the gym. Lausanne and Baxter will join with other independent students for two groups again this year.

Next Saturday night's dance theme will be "Coronation Ball" with decorations handled by Carolyn Crane. The no-flower, formal dance is planned from 9 to 12.

The Queen's breakfast will be held at Lausanne from 8:30-10:30 next Sunday morning. The YWCA sponsored affair will cost campus-boarding students 25 cents and others 50 cents.

### Pick Up Lost-Found

The bookstore is overflowing with notebooks, textbooks and other items that have been lost and turned in there. Anyone who has lost any such items may come and pick them up.

### Samuelson Selected to Manage Tuesday Convocation Program

Burke Samuelson

Burke Samuelson, sophomore, was chosen to the post of 1953-54 Tuesday convocation manager by the student council Wednesday.

The new manager is now a member of the chapel committee and has proposed a plan similar to the one carried out in convocations this year.

In listing aims to be carried out in programs next year, Samuelson stated in his petition that convocations should be opened by the student body president, announcements and introductions should be made by committee members and he would try to make programs interesting enough so that students will want to attend.

He also plans to continue the four-member committee used by this year's manager Amaryllis Lilles.

# All on an April Evening . . .

(Courtesy Capital Journal)

Cherry blossoms, daffodils and other spring flowers will adorn the gym tonight, as the Willamette lettermen present their annual formal dance, the "Varsity Ball," to be held from 9 to 12 o'clock.

The main highlight of the dance will be the crowning of the 1953 Varsity Queen, to be chosen from a court of five princesses, Maxine Brown, Anita Tanning, Joyce Karn, Margaret Huson and Anne Laudig. This year's queen will be announced by Sally Jo Grimm, 1952 queen, and will be crowned with a wreath of white gardenias by Vern Shangle, president of the Letterman's club. The coronation and a half hour of the dance will be tape recorded and re-broadcast over station KOCO tonight.

The Varsity court's pictures will be displayed mounted on flowered hearts strung from the ceiling on ribbons, set on a black background. After the dance the pictures will be given to the girls through the courtesy of Artz photographers.

### Music by DeSousa

At one end of the stage will be the bandstand, with Bill De Sousa and his orchestra furnishing the music for the dance. At the far end will be another stage on which the new queen will be crowned. It will contain a huge wire "W" covered with daffodils. All decorations have been arranged by Dick Church.

Programs, designed by Bill Wittenberg, are of metallic gold with a red "W" on them, and refreshments, planned by Bob Batchelder, are to be punch and cookies.

### Queenly Gifts

Instead of a trophy this year for the Varsity queen, the Lettermen have chosen as one of her many gifts a watch, engraved with "Varsity Queen, 1953" on it.

Chaperones will include Mr. and Mrs. Ted Ogdahl, Mr. and Mrs. Jerry Frei, Mr. and Mrs.

John Lewis, and Mr. and Mrs. Lester Sparks. Honored guests are Dr. and Mrs. G. H. Smith, Dean and Mrs. Robert Gregg, Dean Regina Ewalt and Dean Mark Hatfield.

Admission for the dance is \$1.50, and flowers are not in order. Women have been granted special 1:00 late permissions for the dance.

### Lovely Ladies

The first member of the 1953 Varsity court is a green-eyed blonde, Anita Tanning. She is from Salem high school and came to Willamette to major in physical education, and eventually become a physical therapist. Anita is a member of Delta Gamma.

Hailing from Tillamook is a blue-eyed blonde, Joyce Karn. Psychology seems to interest this lass, and she claims that she likes the friendly people at Willamette better than anything else. She received an honor tuition scholarship last summer, which decided definitely her wishes to attend school in Salem. Joyce was also honored earlier this year by being chosen Sweetheart of Sigma Chi.

The third member of the court is a dark-haired, brown-eyed member of Pi Beta Phi, Maxine Brown. This tall, stately girl decided to attend school here to major in home economics. While in school Maxine was honored with a POE citizens award scholarship, and was maid of honor for the junior prom.

Another home economics major is Anne Laudig, who comes from Vancouver, Washington. This brown-haired, blue-eyed lass is also a member of Pi Beta Phi.

Margaret Huson, another brown haired girl, makes her home in Medford when she isn't spending her time at the Delta Gamma house. Margaret is majoring in music, and received an honor scholarship to Willamette.

## Promenade All . . .

"Cotons 'n Cords" will be in order for the Willamette independent town student's dance, to be held tomorrow evening from 8:30 to 11:30 in Chresto cottage.

Decorations, which will follow a rustic, old-fashioned theme, are being gathered by all of the members. Doris Herring and Bill Schantz are in charge of arranging the old-time atmosphere. Mike Tavenner has provided cookies and punch for refreshments.

Stan Nelson, invitations chairman, has invited Dr. and Mrs. G. Herbert Smith, Dean and Mrs. Robert Gregg, Dean Regina Ewalt and Dean Mark Hatfield as honored guests. Bonnie Baker is general chairman for this second

dance that has been sponsored by the Willamette independent town students this year.

### Land of Violets

"Violet Dreamland" is the theme of the Sigma Alpha Epsilon spring formal, to be held tomorrow evening from 9 to 12 o'clock at the chapter house.

Cal Horn, entertainment chairman, has made arrangements for Benner's combo to provide music for the dancers. Decorations, which will follow the general theme of violets, as well as other arrangements, are being made by Loyal Howard, dance chairman. The living room will be adorned with violets of all sizes, which is the flower of Sigma Alpha Epsilon.

Chaperones for the dance will be Mr. George Edwards and Mr. and Mrs. A. Freeman Holmer.

As a climax to the weekend, Sunday morning at 9:30 SAE's and their dates will leave to spend the day at the Neskowin beach home of member Bill Lasswell's parents. Bill Huff is in charge of arrangements for the trip.

## Wedding Bells . . .

Faye Fones

Joan Currie

Dona Mears

Faye Fones and Cliff York were married in an afternoon wedding at the Grant Park Baptist church in Portland over Easter vacation, with the Reverend Dr. Benson officiating.

The bride wore a white satin floor-length wedding dress with a mandarin jeweled collar.

The couple spent their honeymoon at Santa Monica, and returned to Salem where they will live during the school year.

Faye is a freshman, and Cliff is a junior, majoring in physical education.

### Spring Bride

The Inglewood Evangelical church will be the scene of the wedding of Margie Dunnigan and Dick Cole, at 8 o'clock Saturday evening.

Mrs. Royce Linhart, sister of

the bride, will be matron of honor, and Misses Billie Miller, Roberta Sjoding are to be maids of honor. Condeighters are Clea Martin and Bernice Da Moude.

Best man is Joe Brazie, and ushers are Robert Wiper, Wesley Hedeon, Don Cole and Charles Martin.

Margie attended Willamette last year, and was a pledge of Delta Gamma. She is now working for the State of Oregon.

Dick graduated from Willamette in 1952, was an economics major and a member of Beta Theta Pi. He is now employed at the Coca Cola company.

### Nosegays Reveal News

Nosegays of pink and blue flowers announced the engagement of Dona Mears and Bob Pla-

tenberg, at dinner at the Pi Beta Phi house Monday evening.

Dona is a senior, member of Pi Beta Phi, and is majoring in economics. Platenberg is affiliated with Sigma Alpha Epsilon, and is also a senior majoring in economics.

The couple has planned a summer wedding.

### Wedding Plans

A pot of gold, containing gold foile-wrapped chocolates, revealed the engagement of Joan Currie and Darrell Crossler, at the Alpha Chi Omega house Monday night.

Joan is a junior, majoring in psychology, and is a member of Alpha Chi Omega. Crossler is a fifth year student in education, and is affiliated with Phi Delta Theta.

## Student Body Roundtable

To the Editor:

Some time back a report on the future building of a student union was promised to the student body. As you have read, the University is planning the erection of a fine arts building and in addition to the women's dorm. Where does this plan leave the student union? How long will it be before we have a student union? These are questions Ruben Menashe, our union manager, and myself have attempted to find answers for.

The student union will be the first building erected after the completion of the present building plan. The administration hopes to start construction on this project not later than two years from this spring. When these two buildings are completed a drive will be started to

raise funds for a union. It will be about five or six years before we can hope to have a cup of coffee in a fine union building. Of course if some kind soul were to donate money expressly for a student union, the whole situation would be changed and the union would then be built first, or at least sooner than planned.

With approximately \$1,600 per year going into the student union fund from your student body fees, it is hoped that we as students will be able to have a large sum available to help build the student union. In addition a student committee is being formed to investigate the feasibility of further soliciting of the students for Willamette's building projects.

Sincerely,  
Rollie Cocking.

## Scholarships for Foreign Study Available Under Fulbright Act

The opportunity to spend a year studying in any one of about 30 foreign countries has been made available to college students under provisions of the Fulbright act, the Dean's office said this week.

Application blanks for Fulbright scholarships are available in Dean Ewalt's office and application must be made before November for consideration during the 1954-55 school year.

The program includes study in

almost any country in Western Europe, South Africa and parts of Asia. Students must be able to carry on course work in the vernacular, except in countries that use the English language in the classroom. This includes among others, Sweden, South Africa and India.

Selection for the scholarships, which include tuition and expenses, is made on the basis of scholarship and the worthiness of the proposed study program in the foreign country.

Several hundred such scholarships are made every year. Dr. Norman Huffman is presently studying in the Mediterranean area under a Fulbright award.

Under the Fulbright act foreign debtor nations are permitted to provide schooling, etc., to American students as a means of paying off war debts to this country.

### Helicopter to Land On Sweetland Tuesday

The Naval Air Reserve training unit will arrive by helicopter on the campus next Tuesday to present their program to graduating students.

The helicopter will land on Sweetland field and anyone in the military reserve is entitled to a ride. Men who qualify and wish to be taken up in the plane may leave their names in Dean Hatfield's office.

### May Rotarian

Jim Bergmann

### Jim Bergmann New Rotarian

The final Rotarian of the Month was chosen Wednesday when the student council named May Weekend manager Jim Bergmann to the position.

Bergmann, a junior from Portland, is majoring in economics and plans to go into law school next year. He served on the Freshman Glee executive committee this year.

A member of the rally squad his sophomore year, he is also a member of Sigma Alpha Chi.

### Alvord Named To Editor Post

Duane Alvord, freshman from Oregon City, was appointed editor of next year's Student Handbook by the University Publications Board recently.

The Student Handbook, published every three years to inform incoming students of University rules, also includes the Rook Bible. Alvord is planning to have the book ready for distribution several weeks before the beginning of school next fall so that incoming students may become familiar with the rules before arriving on campus.

In his petition to the board Alvord stated a desire to review, rewrite, and redesign the book to make it more interesting to the students. Meetings to discuss the new rules have already been scheduled with Dean Regina Ewalt and the AWS Judiciary council.

## Religion in Higher Education Reported to Be Making Gains

Fifty educators interested in religious aspects of higher learning were told Saturday that such matters no longer have to battle an "intellectual atmosphere" in order to gain a hearing. This belief came at the sixth annual Northwest Conference on Religion and Higher Education on campus Friday and Saturday.

Dr. Alexander Miller of Stanford university, the principal speaker during the two-day meeting, said "the demands of college students for religious education show that it is no longer a mark of an illiterate and that universities are expanding their facilities for teaching religion. Dr. Miller said he believed

that the main role students have in furthering Christian principle is not in the ministry but as laymen.

# League-Leading Bearcats, Second Place Linfield Meet in Home and Home Series

The Baseball Bearcats are riding high on the crest of a winning streak four games long and with a season's record of seven of eight games played.

And this weekend they will have another chance to further

that streak when they meet the Linfield Wildcats in a home and home series, the first game being played on the Willamette diamond this afternoon. There is a possibility of the McMinnville contest being held under the lights, but the game in Salem will start at 2:30.

The Bearcats will place their leading position on the block when they meet the Wildcats. The Helser-coached Linfields split their two-game series with Lewis and Clark last week and are tied for second place with a one and one record.

Lewis and Clark and Pacific will play two games each against Whitman and College of Idaho this weekend. It will be the openers for the hosting "eastern" schools.

Andy George will pitch the opener on Friday and Mickey Coen will take over at McMinnville. The only major change in the line-up will be Pete Reed at first base. Dave Perlman, who regularly plays on the initial sack was moved to third to take Tex Kirkendall's place. Kirkendall

was put out of order with a brain concussion against the University of Portland last Monday.

Elmer Haugen at shortstop and Bill Nelson at second base will round out the infield at their regular positions. Harvey Koepf will do the chores behind the plate.

The speedy outfielding will be continued by Denny Elsasser, Chuck Lewis and Duane Shield.

Special point was made of the hitting of the club to date by mentor John Lewis.

### Weather Cuts Softball Action; Minton Played

Wet grounds cut intramural softball short this week as it will be necessary to re-schedule four games out of the seven which were set for action this week.

Badminton play went off on schedule Wednesday as the Phi Delts downed the Wits and the SAE's forfeited to the Betas.

The "A" league was limited to one game and that was a game. The Sigs were the eventual winners, but had to go 11 innings before they downed the Phi Delts 3-1.

In the "B" league, the SAE's did not play, but the Wits strengthened their hold on second place with a 8-6 win over the Sigs. Baxter won their first game in two starts as they downed the Phi Delts 9-5.

Line scores:  
 "A" League  
 Sigs 000 010 000 02-3 5 3  
 Phi Delts 010 000 000 00-1 4 2

### Jayvees Take 4-2 Win From Tillamook High

The Willamette Jayvees took their second straight victory, a 4-2 win, of the season at the expense of Tillamook high school last Saturday morning on the McCulloch diamond.

Pete Harvey and Jerry McCallister pitched the Bearkittens to victory as they limited the visiting prepsters to five hits.

Riggert was also touched for five hits, but four errors by his teammates let in four unearned runs for Willamette. Both runs for Tillamook were earned.

### Rally Petitions

Petitions will be available today in the student body office for all men and women interested in trying out for the rally squad. All petitions must be signed by 25 students and they are due in the student body office next Friday.

Members of the rally squad are to be contacted for information on the tryouts.

## Jasons Beat Pacific, Ports

Coach John Lewis' Willamette Bearcats jumped out to a quick lead in the Northwest conference baseball race with two victories over Linfield last weekend.

The Bearcats dropped the Portland Pilots 10-4 last Monday in Portland in a non-conference game.

Andy George pitched Willamette to a 11-3 win last Friday at Forest Grove and Mickey Coen followed with a 6-2 victory the next afternoon on the McCulloch diamond.

Willamette was paced by Denny Elsasser in the first game as the little outfielder collected a double and two singles. Dave Perlman had a double and a single and Elmer Haugen had a triple for the Bearcats.

Tex Kirkendall was the big gun in the second game as he contributed a homer and two singles for the 11-hit attack.

Chuch Lewis was the show in the Portland mix as he stole three bases, including home in the sixth inning, and had three hits in four trips to the plate.

## Bowlers Finish Intramural Play

The Baxter "A" team, second half winners of intramural bowling, met first half winners, the Beta "A" team, to determine the clear-cut intramural championship, at the University Bowl yesterday afternoon.

The results of the final playoff were received too late to be included in this edition of the Collegian. They will be printed in next Friday's edition.

The Baxter "A" team swamped the field in the last half with an impressive record of 35 wins and only one loss, giving them a win percentage of .972.

The SAE "A" team placed second, but far behind the Baxter team with a record of 25 wins and 11 losses. The Baxter "B" team with 16 losses and 20 wins place them only one game ahead of the Beta "A," and the SAE "B" teams who tied for fifth place having accumulated 19 wins and 17 losses. The Sig "B," Beta "B," and Sig "A" teams finished in sixth, seventh, and eighth places respectively.

## Tennis Team Captures Two Conference Wins

Willamette netmen thus far have recorded two wins and no defeats in the Northwest Conference. Willamette defeated Lewis and Clark last Friday, and won all seven matches against Linfield here, Tuesday afternoon.

In the singles, Chuck Carter was the only man for Willamette who had to go three sets to defeat his opponent. Other winners were John Ambler, George Watts, Ian McIver, Rich Butler and Jim Morgali.

In the doubles events against Lewis & Clark Rich and Ron Butler, and Ambler and Morgali won their matches.

Against Lewis and Clark, Carter lost the only match to the Pioneers as Willamette won 6-1.

## Wittenberg Out

Bill Wittenberg, number one man on the Willamette golf team, suffered a dislocated left shoulder in the Wits-Sig softball game last Tuesday night and will be lost to the Bearcat golfers for the rest of the season.

## WAA Ready for Final Sportsday Set for Tomorrow

Willamette's WAA will participate in the last play day of 1952-53 tomorrow afternoon at Reed college.

The Portland school will be host to tennis, archery, softball and swimming teams. A wiener

roast will follow the spring sports day.

Willamette will send four women to participate in the tennis competition. They are Mary Lou Ratcliff, Mary Polales, Sophie Polales and Judy Mortz. Jan Denny, Delpha Short and Judy

Wood will comprise the archery team for Willamette. Willamette will also enter a softball and a swimming team.

Willamette's WAA tennis team will open its season next Wednesday against Oregon College of Education at Monmouth.

**ARE YOU TOUGH ENOUGH FOR THIS JOB?**

**If you can make the grade, the U. S. Air Force will award you a commission, your wings and pay you over \$5,000 a year!**

CAN YOU "take it" 6 days a week? For 52 weeks? Can you meet the high standards required to be an Aviation Cadet? If you can—then here's a man-size opportunity! An opportunity to serve your country and build a personal career that will fit you for responsible positions both in military and commercial aviation.

It won't be easy! Training discipline for Aviation Cadets is rigid. You'll work hard, study hard, play hard—especially for the first few weeks. But when it's over, you'll be a pro—with a career ahead of you that will take you as far as you want to go. You graduate as a 2nd Lieutenant in the Air Force, with pay of \$5,300.00 a year. And this is only the beginning—

your opportunities for advancement are unlimited.

### ARE YOU ELIGIBLE?

To qualify as an Aviation Cadet, you must have completed at least two years of college. This is a *minimum* requirement—it's best if you stay in school and graduate. In addition, you must be between 19 and 26½ years, unmarried, and in good physical condition.

### YOU CAN CHOOSE BETWEEN PILOT OR AIRCRAFT OBSERVER

If you choose to be an Aircraft Observer, your training will be in Navigation, Bombardment, Radar Operation or Aircraft Performance Engineering.

## New Aviation Cadet Training Classes Begin Every Few Weeks!

### HERE'S WHAT TO DO:

1. Take a transcript of your college credits and a copy of your birth certificate to your nearest Air Force Base or Recruiting Station. Fill out the application they give you.
2. If application is accepted, the Air Force will arrange for you to take a physical examination.
3. Next, you will be given a written and manual aptitude test.
4. If you pass your physical and other tests, you will be scheduled for an Aviation Cadet Training Class. The Selective Service Act allows you a four-month deferment while waiting class assignment.

**Where to get more details:** Visit your nearest Air Force Base or Air Force Recruiting Officer. OR WRITE TO: AVIATION CADET HEADQUARTERS, U. S. AIR FORCE, WASHINGTON 25, D. C.

# Student Recitals, Music Take Spotlight This Week

Recitals will be the featured musical event of the pre-May Weekend season. The first of three will be given this afternoon at 3. Harriet Aller and Jane Gray will be presented in a recital Sunday and Prof. Stanley Butler will give a lecture-recital Monday night.

A student recital will be presented this afternoon in the recital hall of the Music building.

Featured will be Amy Girod, piano, with "Three-part Invention in E Minor," by Bach; Barbara Young, soprano, and Jane Fooshee, piano, with "Quand j'étais chez mon pere," and "Le ros s'en va-t'en chasse," both by Britten; Ronald Hershberger, piano, with Mendelssohn's "Song Without Words," Op. 67, No. 6, and Op. 19, No. 3; Janice Gladden, soprano, and Jane Gray, piano, with "Villanelle" by Eva Dell'Acqua; and Jane Fooshee, piano, playing "Prolidum" (First Modern Suite) by MacDowell.

## Aller-Gray

Mu Phi Epsilon will present Harriet Aller and Jane Gray in a recital Sunday at 3 p. m. in Waller hall in conjunction with the group's annual Silver tea.

Miss Aller, a violinist, is past president of the local chapter of the national music honor society. Accompanied by Robert Anderson, she will play "Sonata in D Minor" by Corelli, "Concerto in G Major" by Telemann, "Romance" by Debussy, and "Music in Mourning" by Hindemith.

Miss Gray, pianist, now Mu Phi president, will play "Sonata con Fantasia" by Beethoven, three selections from Scriabin's works, "Little White Donkey" by Ibert, and "Etude in F sharp Major" by MacDowell.

The final number will be "Sonatensatz," a viola and piano duet by Brahms.

Following the concert, the Salem alumnae of Mu Phi Epsilon

will sponsor the silver tea in the Music Hall recital room. The offering taken there will be for the Sterling-Mathias memorial fund, which helps support the Gads-Hill music school for underprivileged children in Chicago.

## Stanley Butler

Stanley Butler, assistant professor of music, will present a program of 18th and 20th century French keyboard music Monday evening at 8:15 in the music recital hall.

Mr. Butler's program will be presented as a lecture-recital and he will give a brief commentary on the musical selections.

Granted a MA from Harvard university in 1941, Mr. Butler is a former staff member of Western Reserve university in Cleveland and the Longy School of Music in Cambridge, Mass. He has appeared as a pianist throughout the east and more recently at the Western Division meeting of the Music Teacher National Association.

# Sets to Provide College-Life Air For Performance of May Play

By Barbara Jackson  
Collegian Reporter

Lavish and numerous sets will provide the atmosphere for the college musical "Good News" next weekend.

"Good News" will have the most expensive settings that Willamette has seen this year. Extensive draperies had to be rented for the production, in included in properties that must be obtained will be a collapsible car.

Expenses for costuming will include those for the 19 principle parts, as well as costumes for the chorus and dancing groups.

"Putting on a musical comedy is expensive," said Dean Graunke. He estimated that "Good News" would cost at a minimum from \$600 to \$700. The royalties for the musical alone are \$180.

The sets will include two campus scenes which will depict in the background the college buildings. One scene will show a room in the men's dormitory, complete with pennants on the wall. Action takes place in the sitting room of a sorority house, and a later scene will take place in the football stadium.

A wealth of experience has been obtained to help put on the production of "Good News." Mrs. Doris Hale, who is directing the dancing, saw the original Broadway production of the musical and had experience on Broadway when she appeared with the "Zigfield Follies."

# Most Houses Decline TV

A survey of the Willamette living organizations without television revealed that none have any plans for buying sets in the near future.

The SAE's and Phi Delta felt that TV at present does not have enough variety no quality in its programs. Other organizations felt that TV would be worthwhile if it were not so expensive.

All organizations stated that TV is impossible for them in their present financial state.

It was generally felt that their funds, such as they are, can be put to much better use than buying a TV set. All organizations expressed a willingness to accept a TV set if it were given to them.

Interviewed were representatives from Alpha Chi Omega, Beta Theta Pi, Chi Omega, Delta Gamma, Lausanne hall, Pi Beta Phi and Sigma Alpha Epsilon.

# Tuesday Convo To Hear Choir

A touring high school choir from Grants Pass is scheduled for Tuesday convocation, according to Amarylles Lilles, convocation manager.

The choir will arrive on campus Monday night and will stay in the homes of Salem church members following dinner at living organizations.

# AWS Mulls Changing Closing Hours, Eliminating Late Pers

Changes in closing hours for women's living organizations are being discussed during the review and revision of women's regulations in the student handbook, according to Judy Fullager, chairman of the AWS judiciary committee.

Elimination of late permissions in favor of later hours was proposed to women's groups this week. Under discussion was the extension of week night closing hours until 10:30, with the Friday and Saturday night deadline at 1, and no "late pers" to be granted.

Under this plan, house mothers would no longer have to stay up until women on late permissions had been admitted.

Each living organization will report group opinion and suggestions to the judiciary committee, that will organize any proposed changes into a tentative outline.

Further discussion will be held in a general AWS meeting with Dean Regina Ewalt. With the help of Dean Ewalt, the final regulations governing women students will be drawn.

Also under discussion are calling hours, smoking rules and the elimination of rules from the handbook pertaining only to Lausanne hall.

# Operetta Audition To Be Held May 3

Chorus auditions for the 1953 Holladay Bowl summer operetta series will be held May 3 at the Centenary-Wilbur Methodist church, S.E. 9th and Pine, in Portland.

Vocalists are asked to prepare two operetta selections, preferably from the coming shows, "New Moon," "Chocolate Soldier," "HMS Pinafore" and "Brigadoon." An accompanist will be provided. Call the Portland Symphonic Choir office, CA 7055, or write 512 Park Bldg., Portland 5, Ore., for an appointment.

# Unesco Picks New Officers

Willis Ludlow was elected president of Unesco at a meeting Tuesday. He will serve for the coming year. He succeeds outgoing president, Barbara Manley.

Don Drake will take over as vice-president, with Charlotte Ledingham serving as secretary and Tom Foster as treasurer.

Joanne Pym will handle publicity, and Jodie Hirtzel will be in charge of programs. Foreign film chairman will be Don Long, with Alma Felton heading the personnel committee.

Special projects will be under the direction of Gay Kent, and Daline Montag will be in charge of the language tables. Paula Harmer will serve as literature chairman, Rebecca Hang will take music and art, and Renae Seger will head the religion committee.

Judi Wood will serve as editor of the Endeavor, and Lorraine Landrud will be chairman of the USSF and foreign university committee.

# Collins Scholarship List Out

Applications for Mary L. Collins scholarships for graduate students and outstanding sophomores are now being accepted, the president's office said this week.

Notice has been sent to the following seniors that their grade average would make them eligible for consideration, provided they expect to pursue graduate work next year and are interested in applying: John Ambler, George Porter, Ed Kaposins, Robert Bain, James Freeman, Dick Mase, Don Scarborough, Joe

Benninghoff, Glenn Edwards, Armand Riveness, James Wood, Robert Ulrich, Ralph Bolliger, Kent Lawrence, and Vernon Groves.

The scholarship provides \$600. The sophomore scholarships are awarded annually to the two men and two women who are considered outstanding in the fields of character and leadership. The winners, selected by the faculty, will receive \$100 a semester for their junior and senior year.

The following sophomores, with an accumulative grade average of 3.2 or better, are eligible for consideration: Sarah Benjamin, Judy Fullager, Bruce Goldblatt, Sharon Griswold, Jesse Gutzler, Louis Hampton, Dale

Harris, Jean Helgerson, Diana Hobart, Fenton Hughes, Barbara Jackson, Augusta Krause, Willis Ludlow, W. Don Marrs, Keith Mirick, Tom Schrock, James Verdieck, and Keith Wright.

Any sophomore student with an average of 3.2 or better whose name is not on this list and who desires to be considered, should contact the president's office.

## Bills Due

Dr. Robert Fenix, financial vice-president, reports that all University student accounts are due and should be paid prior to May 1 unless special arrangements have been made with the business office. Bills were out to students this week.

# Measles Epidemic Controlled, Infirmary Gets False Alarms

The measles epidemic, which last Sunday had the women's section of the infirmary filled to its capacity of 11, this morning appeared to be completely halted.

At the time the genuine measles cases broke out, about one hundred nervous women talked themselves into two or three symptoms which kept the infirmary staff busy. Rumors that all of Lausanne hall would be quarantined had no official basis.

Monday evening the Betas serenaded the infirmary in honor of Pat Beckwith and Yvonne Bowles, who contracted the measles just in time to miss the Beta house dance last weekend.

Measles was not limited to the campus. Figures from the county health office placed measles first on the list of communicable diseases reported last week.

# Firm to Hold Job Interviews

C. Lloyd Thorpe, personnel manager of the Guy F. Atkinson company, will be on the campus next Tuesday to interview graduating students interested in positions with the firm.

Primary needs of the company are individuals who are interested in the construction industry and whose education carries some emphasis on accounting and general business.

He will be in Dean Hatfield's office from 9 a. m. to 10:30 a. m. and from 1:30 p. m. to 4:30 p. m. At 11 that morning he will speak to the management problems class in Eaton 33.

Mr. Thorpe prefers interviews of 20 or 30 minutes. Interested students should fill in an application blank from Dean Hatfield's office.

# Students Can See Statesman Plant

Willamette students are invited to visit the spanking-new \$350,000 plant of the Oregon Statesman during open house ceremonies that end tonight.

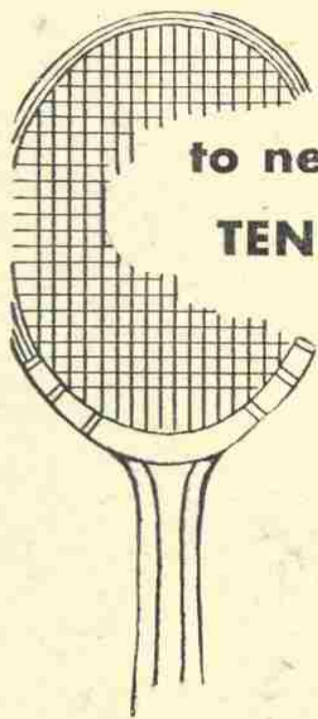

Students interested in seeing a daily newspaper in action are welcome to drop in any time and be ushered through the building, acclaimed as the second best newspaper plant in Oregon.

# Sophomore Wins \$100 Scholarship

Loyal Howard, sophomore majoring in art, was awarded a \$100 scholarship Sunday by the mothers' club of Sigma Alpha Epsilon.

The scholarship was awarded during parents' day observances in the fraternity chapter house. Also recognized for outstanding service to the fraternity were Jim Ellis, Tom Edwards and George Bleile.

About 80 parents and sons attended the program.

## Schulze to Conduct European Tours Trip on Tap

Dr. Daniel Schulze, professor of German at Willamette, will act as assistant conductor of one of the cultural tours through Europe this summer sponsored by the Students' International Travel Association.

The group, which is composed of college students, younger teachers, and recent college grad-

uates, is scheduled to leave New York on the Queen Elizabeth June 17. They will visit England, Holland, Belgium, Germany, Switzerland, Italy and France during the two-month tour.

In addition to visiting points of cultural interest, they will hear lectures from qualified representatives of various countries.

Any senior who has not yet signed up for the senior beach trip planned for May 8-10 is urged to contact George Buland at the Phi Delta Theta house at once.

The cost for the weekend at Bankgro veresort at Nehalam will be \$1.75 per night with food and transportation extra.

## Hocking Plans European Study Tour

Dr. George Hocking, head of the language department, will again direct a European study tour this summer.

The group sails from New York June 20 for Rotterdam, Holland, Amsterdam, and down the Rhine to Grenoble, France. July will be spent in study at the University of Grenoble. The students will

live in French homes and take part in the weekend excursions to the surrounding Alps and to Switzerland.

After the study course is completed the group will spend five days in Paris. They may then return home or travel through Europe, returning home in September.

# Who got the most from our customer's dollar?

### The employees?

**NO!** In wages, salaries and benefits, our employees received 14 $\frac{3}{4}$ % out of every dollar paid in by Union Oil customers during 1952.

Our payroll, including benefits, totaled \$50 $\frac{1}{2}$  million. Divided among our 8,756 employees, this amounted to an average of \$5,810 per person.

## UNION OIL COMPANY OF CALIFORNIA

INCORPORATED IN CALIFORNIA, OCTOBER 17, 1890

*This series, sponsored by the people of Union Oil Company, is dedicated to a discussion of how and why American business functions. We hope you'll feel free to send in any suggestions or criticisms you have to offer. Write: The President, Union Oil Company, Union Oil Building, Los Angeles 17, California.*

Manufacturers of Royal Triton, the amazing purple motor oil

### The shareowners?

**NO!** Our profits in 1952 were \$27 $\frac{1}{4}$  million, or 8 $\frac{1}{4}$ % of each customer's dollar. Of this amount, our preferred and common shareowners received 3 $\frac{3}{4}$ % per customer dollar. Total dividends paid to our 40,302 owners of common shares averaged \$261.34 per person.

The remaining profits of 4 $\frac{3}{4}$ % per customer dollar had to be returned to the business to help pay for replacement of worn-out equipment and necessary expansion required by the West's greatly accelerated demand for petroleum products.

### The tax collectors?

**YES!** The federal, state and local tax collectors got 18 $\frac{3}{4}$ % of every dollar paid in by Union Oil customers. In other words, they got *more than five times as much* as the owners of the business and *one quarter more* than Union Oil employees.

The remaining 58 $\frac{1}{4}$ % of the customer's dollar was divided among the many costs of doing business: raw materials, transportation; interest on borrowed money; and wear and tear of facilities and exhaustion of oil and gas reserves.

**To sum it up—**1952 was the best sales year in our 62-year history. Yet the 40,302 owners of our business received only a fraction over 3% from every customer's dollar. That's far less than many people in this country believe goes to the owners of a big business.
