Hitchman Chosen New ASWU President

Jim Hitchman
President

Ken Cooper
Member-at-Large

George Evans
First Vice-President

Gay Weeks
Second Vice-President

Evans, Weeks Win in Biggest Vote on Record

Jim Hitchman, Ken Cooper, George Evans, Gay Weeks, Carolyn Crane and Dona Cheney were selected this week to guide the Willamette student body for 1953-54.

In a record vote which drew 600 students to the polls in the primaries and 386 in the run-offs, Hitchman defeated Cooper for the presidency. The loser will be member-at-large for the next term. In the contest for the only major office that reached the run-offs, George Evans defeated Doug Graham for the first vice-presidency.

Gay Weeks downed Bob Alfred for the second vice-presidency post. Carolyn Crane defeated Carol Emerson for the secretary position and Dona Cheney won over Ellis Von Eschen for the treasurer's job in other SB office contests.

Five hundred and eighty-two students turned out to approve eight major and ten minor changes in the constitution. Two-thirds approval by 51 per cent of the eligible 900 voters was sufficient to pass the measures.

Norma Fagg and Dave Lingenfelter were named yell queen and leader in the run-off election.

New Building Fund Campaign To Concentrate on Senior Class

Faculty to Lose Four Members Next Term

At least four professors may not be returning next year, it was revealed this week.

James F. Franseca will replace Ursula Wilson and will teach courses in Spanish and German. Other replacements are being sought for Dr. John Myers of the psychology department and Prof. Dean Graunke, instructor in drama.

Prof. James Nickel has been obtained to replace Prof. Robert Reid, instructor in mathematics, who will study in Germany next year.

Mrs. Wilson has accepted a position as chief cataloger in the Seattle public library. She will make a trip to Germany this summer.

Franseca has nearly completed his requirements for his doctorate. He has taught language at UCLA and Ripon university in Wisconsin and is a member of Phi Beta Kappa.

Future plans for Myers and Graunke were not released pending word from other schools.

Pre-fall campaigning among students for Willamette's new building project will concentrate on seniors to support the cause, said Kent Holmes, head of the committee for student participation. Bulletins will also be mailed to incoming students.

With the opening of fall classes, representatives will probably be named in the various living groups to forward the fund support, perhaps on a competitive basis, he said.

An early fall convocation is planned to provide opportunity for explaining the over-all program, which includes the proposed Student Union, and its implications for the campus and student body.

The methods by which seniors would be approached for donations was not decided.

A kickoff luncheon last Thursday started a canvassing of the Salem area to raise the projected sum of \$200,000. The Salem campaign is slated to end during the early part of the summer at which time the drive will switch to the Portland area and elsewhere in the state.

Draft Test Set

Selective service tests for men holding admittance cards will be given Thursday at 8:30 on third floor of Waller.

Sorority Membership Limited As Panhellenic Sets Quota Plan

The quota-limitation system for sorority rushing was adopted by Willamette's panhellenic group last Thursday following the recommendation of President G. Herbert Smith for some means of equalizing pledge classes between the four women's houses.

The new system will go into effect with fall rush and will establish a specific ceiling number for each house on the basis of

house capacity and present membership. Each house can pledge at least 25 per cent of the women going through rush.

The quota-limitation will be on a trial basis until it proves effective in equalizing the size of the four sororities. Several years under the new system will be necessary before a balance in number will be reached, Dean Ewalt said. Each group individually approved the quota-limitation system.

Nelson, Bridgeman, Horn Win Posts

Sally Bridgeman, Stan Nelson, Cal Horn and Maryjane Stewart were appointed to top publica-

tions posts for the coming year Wednesday by the publications board.

Miss Bridgeman has been named editor of Wallulah, Nelson will edit next year's Colleg-

ian, Horn was selected publications manager and Miss Stewart, Fusser's Guide editor.

Miss Bridgeman, a junior, has been copy editor and associate editor of the Wallulah.

Nelson will be graduated May 31 but will return to take courses next year preparatory to entering a graduate school. He has held posts of sports editor and news editor. He will assume editorial duties next week and publish the last two editions of the Collegian. No staff members were named.

Horn, a junior, who has been engaged in advertising work for the Collegian for two years and who was advertising manager this year, will coordinate the business aspects of all Willamette student body publications.

A junior, Miss Stewart will publish the Fusser's Guide containing names, addresses and telephone numbers of Willamette students and faculty and administration, early in the fall.

Sally Bridgeman

Stan Nelson

Concert Price Slash Made

Special student tickets for next year's Distinguished Artist Series concerts are now available in all living organizations for \$4. The price is 80 cents less than this year due to the decrease in the amount guaranteed the artists.

Included on the series are the first piano quartet; Isaac Stern, violinist; Thomas L. Thomas, baritone; and the Vienna string symphony.

For the 1953 concerts, single tickets will sell for \$1.80 instead of this year's \$1.50 price. Two singles will cost almost as much as the season ticket for four concerts. Concert manager Stuart Shaw therefore urges students to take advantage of the season price.

Only 340 of these special student tickets will be available and will be offered to Salem high school students as well. Representatives in each of the living organizations have the tickets now.

Representatives include Sharon Perry, Lausanne; Jean Russell, Alpha Chi Omega; Nancy Hanson, Delta Gamma; Gene Gray, Phi Beta Phi; Evelyn Plog, Chi Omega; Louis Schaad, Baxter; Don Long, Phi Delta Theta; Bill Pickett, Sigma Alpha Epsilon; Chuck Peters, Beta Theta Pi; and Paul Ackerman, Sigma Chi.

T'nT at Ten

Tuesday Convocation

Doney speech orators will be featured in Tuesday convocation.

Thursday Chapel

Seniors will be feted in the annual senior chapel in the Waller chapel.

Four Concerts This Week • Future Opportunities in Law, Business, Accounting Cited

A musical week seems to best describe the four musical programs which will be presented to the campus and the public next week. Weekend concerts will feature Jeanette McMillan, Jane Fooshee, and the Willamette university a cappella choir. The University chamber orchestra will be presented in concert next Friday.

This Afternoon

Jeanette McMillan, mezzo-soprano and special student of Mrs. Clorinda Topping, will appear in recital this afternoon at 3 p. m. in the College of Music recital hall.

The five-part program begins with works by Handel and with Haydn's "The Mermaid Song." A selection from Mozart's "The Marriage of Figaro," "Pauline's Romance" from Tchaikowski's "Pique Dame," "Traveler's Song" by Glinka, and Rachmaninoff's "O Thou Billowy Harvest Fields" are included.

Following Gounod's "Faites—Liu Mes Aveux" from "Faust," Miss McMillan will conclude her recital with a group of spirituals. Included are "Hold On!" "The Story of Noah," "My Lord, What a Mornin'" and "De Land uv Degradashun."

Mrs. Doris H. Hale will accompany her at the piano. Students are invited to attend.

Fooshee Recital

The College of Music will present Jane Fooshee, pianist, in senior recital next Sunday at 3 p. m. The program held in the recital hall of the College of Music, is a partial fulfillment for the bachelor of music degree.

Miss Fooshee's program consists of four groups. The first presents music written in pre-classic style, although modern as well as Baroque composers are represented. MacDowell's "Praeludium" from the "First Modern

Suite" opens the program, followed by "Prelude in B flat" by Bach. Bach's "Organ Fugue in G Minor," transcribed for piano by Olga Samaroff, concludes the first group. The subtitle "The Little" which is attached to the Fugue is a deceiving one, since, in its piano transcription, the composition is both difficult and large in scope.

Next on the program is the Sonata in B Flat, Opus 22, by the classical composer Beethoven. This sonata, which comes from the composer's earlier period of composition, is a good example of the traditional four movement classic sonata. The first movement, brilliant and "showy," is a sharp contrast to the slow and extremely expressive second movement. The third movement is a minuet with a very rapid middle section, and the sonata concludes with a rondo.

The third group played by Miss Fooshee represents music in a more modern vein. This group opens with two very impressionistic compositions by Debussy, "Gardens in the Rain" and "The Sunken Cathedral." Following these is a very gay and lively "Danse," also by Debussy. Concluding the group is a composition written in a more romantic mood. The "Rhapsody" by Dohnanyi combines brilliance and speed with a theme of great emotional sweep.

The last number on the program is "Capriccio Brillante" by Mendelssohn. This composition, written for piano and orchestra, consists of two sections, andante and allegro con fuoco. The orchestra parts are transcribed for second piano, and will be played by Lisbeth Shields, junior piano major.

Immediately following the recital, a reception sponsored by members of Mu Phi Epsilon, national music sorority, will be held

for Miss Fooshee in the Music hall.

Choir Ends Tour

The Willamette university a cappella choir will be presented in concert at the First Christian church Sunday evening at 8. The concert will mark the official end of the annual choir tour.

The music will be given in three groups. The first group will consist of a cantata, "Christ Lay in Death's Dark Prison," by J. S. Bach, and will require the assistance of the university chamber orchestra.

In the second group, religious songs ranging from a Negro spiritual, "Soon Ah Will Be Done," by William Dawson, to the modernistic "Jesus and the Trader," by Zoltan Kodaly.

The third group of songs will be composed of secular numbers such as "De Camptown Races," by Foster-Lynn, and "Skip to My Lou," by H. A. Wilson.

Chamber Orchestra

A spring concert program by the Willamette chamber orchestra will be presented at 3 p. m. next Friday, in Waller hall.

Under the direction of Dr. Willis Gates, the group will play Sinfonia X by Francesco Manfredini, Music for Strings by Quincy Porter, Music of Mourning by Hindemith and featuring Harriet Aller, viola soloist, and the first movement of Mozart's Symphony No. 29 in A major.

Glee Records In

Records of all four Freshman Glee songs are now being sold at the student body office. Cut in 78 and 45 speeds, the discs go for \$1.75 per album or 85c for a single record of two songs. Singles are sold only in the 78 speed.

Drama, Radio Recognitions Awarded at WUP's Banquet

"Oscars" were awarded to outstanding students in radio and drama this week at the second annual radio and theatre awards banquet held Wednesday evenings. Seven awards were presented and eight new members were tapped by Theta Alpha Phi, drama honorary.

Harold Meinke was named outstanding actor of the year for his portrayal of Tom in "The Glass Menagerie." Best supporting ac-

tor was Page Bailey who played Bobby Randall in "Good News."

Jean Kimberling was chosen best actress of the year for her portrayal of Minionette in "The Happy Time." Best actress in a laboratory production was Margaret Conklin who played Media.

Beverly Lytle received an award for the most promising student in radio. Best Campus Chatter duo for the year was Ruth Joseph and William Hagemeyer. Three students, who contributed most to the department this year and whose names will be engraved on the Theatre Service plaque are George Evans, Margaret Conklin and Kent Lawrence. The annual Willamette University Player's award went to Jean Kimberling.

New members tapped by Theta Alpha Phi are William Hagemeyer, Loris Merriott, Elizabeth Winslip, Lolley Coffey, Bob Alfred, Jean Thomas, Cliff Gregg and Marguerite Dawson.

Annual Doney Contest Set

Participants in the 1953 Doney Oratorical contest to be held in the regular Tuesday convocation, Tuesday, will be Lewis Hampton, Harley Hoppe, and Jim Wood.

The three men's orations were accepted for the competition by Dr. Howard W. Runkel, head of the speech department.

Winner of first place will receive two-thirds, and second place one-third of the interest from \$1,000 presented to the university by Dr. and Mrs. Carl Doney. Dr. Doney was president of Willamette from 1915 to 1934 and made the award in memory of his son, the late Paul H. Doney, class of 1920.

Jim Wood took first place honors last year, while Jean Kyle was second place winner.

field of opportunity open in the Northwest.

Law also serves as excellent background for other professions, business, administration and political life. The demand for women in law fields is increasing, the United States Department of Labor reports.

Business

Business' interest in the college man is very obvious. Recent scholarships, and the Bethlehem Steel plan at Willamette point to the complementary need of business and colleges for each other and also illustrates the opportunities for work.

Industry is actively recruiting college graduates trained in business administration, reports the Labor Department. And those who specialize in management and in such techniques as accounting, advertising copywriting, market research, sales, statistics, insurance underwriting, and personnel management are particularly sought.

Allied Fields

Men graduates are in demand for trainee-positions in banks leading to positions as department heads and branch managers. However, employers are still highly selective, particularly for positions in the largest banks. Opportunities for women have improved since World War II; about 45 per cent of all teller positions and 7 per cent of all officer posts are held by women.

The demand for accountants is expected to remain high during the defense mobilization period and for at least a year or two thereafter. College graduates with courses in business administration as well as in accounting are preferred to those trained only in accounting.

Opportunities for beginning jobs in private business establishments are more numerous than in public accounting firms. The demand for certified public accountants is strong at present and continued gains in employment are expected over the long run.

Baxter, SAE Elect Officers

Sigma Alpha Epsilon and Baxter hall elected officers for the fall semester this week.

Larry Pritchett will serve as president of Sigma Alpha Epsilon. Other SAE officers are vice-president, Bob Howe; secretary, Bill Lasswell; correspondent, George Bleile; historian, Ron Swanson; warden, Dick Hoy; herald, Bob Hanauska; treasurer, Cal Horn; and rush chairman, Duane Eakin.

At Baxter hall, Stu Shaw was elected to lead the independent men for the coming year. Other officers are vice-president, Jack Phipps; student council representative, Fenton Hughes; secretary, Steve Au; treasurer, Don Klindworth; house manager, Matt Grieve; sgt.-at-arms, Dave Cortell; chaplain, Willie Ludlow; song leader, Ted Jameson; and reporter, Duane Alvord.

Carnegie Official Visiting Greggs

Mr. and Mrs. Haskell Patton of the Carnegie Institute of Technology, are visiting Dean and Mrs. R. E. Gregg, for a few days this week. Mr. Patton is the comptroller of Carnegie Tech.

He is particularly interested in Willamette university because of its 3-2 arrangement with Carnegie in the field of engineering. He expressed great interest in campus life and feels that Willamette is a "leading liberal arts institution."

Collegian Swan Song

The editor is going to break one of his own rules and publish a thank-you letter. This one's from him to his staff and to his public upon the completion of two semesters as Collegian editor.

As much to thank as anyone for the publishing of a newspaper is its public. Certainly we have been blessed by a readership that took its politics, its sports and its paper seriously. No editor could put out any paper at all without the support of his campus and for this support the entire Collegian staff thanks you.

But a personal thanks must go to his staff who have certainly been the best an editor could have. If all of you could spend a couple of Tuesdays, Wednesdays and Thursdays in the Collegian office, all for the dubious honor of putting out a paper, you would soon see why the staff is a venerable object, the most cherished thing an editor has. Newspapers are a time and energy consuming job, you'll agree.

The editor expects great things from the Collegian's new editor Stan Nelson. Ol' "Indonesia" has had a lot of experience on the Collegian and has a great knack for turning out some awfully interesting human interest yarns. But he won't be able to get along without Margie Leonard and Chuck Ruud, two of the most dependable staff members ever to work on the paper. And he'll find Bill McKinney and his cohort Jim Darby the best and most willing Collegian-Wallulah photographers ever, bar none.

If he is as fortunate as this editor was he'll also have top department editors such as Anne "Last Word" Klindworth, Erwin "Spider's Web" Weber, advertising men Cal Horn, Bill Huff and Larry Hays, and circulation men like Lloyd Detlofson and Tom Steeves. And the host of other aides, like Betty Mayfield, Pete Pratt, George Bleile, and uncountable reporters have made the editor's job immeasurably easier. Jim Scott, whose humor has drawn favorable comment from many subscribers, will be impossible for Stan to replace. And what would we have done without Dr. Ringsalda and our behind-the-scenes-editor, Eugene Kitzmiller?

Good luck, Stan, and thanks everyone. —Don Scarborough.

7-Hour Exam Awaits Sophs

About 169 sophomore members of the ROTC will take a seven-hour long test tomorrow at 8 a. m. in Eaton 21 and 27. Some were scheduled to take the test yesterday.

The test is compulsory for all sophomores and will be used as one bases for determining who should be allowed to take advanced training. It will also be used as a guide for deciding which field of ROTC training a cadet is best suited.

The test will cover general subjects, but will not be an IQ test, RO officers said.

Sandstrom Named To Psi Chi Chair

Don Sandstrom has been elected president of Psi Chi, national psychology honorary, for the coming year. Kent Myers will take over the position of vice-president for the coming year. Joan Currie will hold the office of secretary. Other positions will be named at a later date.

Installation of the new officers will be held Tuesday. Also being planned on the program is the initiation ceremony for new members.

Dr. Lovell Plans Forum Lecture

Campion to Leave Willamette For Reassignment in June

Maj. Norman W. Campion, commander of the campus ROTC detachment since it began on the campus last year, has been re-assigned to an air force school to take effect following the completion of this academic year. His successor has not yet been named.

Maj. Campion, who was also notified by the air force that he will be promoted to the rank of Lt. Col. in June, will report to the Air Command staff school at Maxwell Air Force base in

Alabama on July 9. His schooling will be completed in December, at which time he will be re-assigned by the air force.

Maj. Campion was appointed the first professor of air science and tactics at Willamette when the ROTC unit was organized in the spring of 1951. Before coming to Willamette, Campion was an assistant professor in air science at Oregon State college and served in the public school system in Oakland, Calif., prior to that time. He received his BA degree from the University of California and was a senior pilot in the European theater after the war.

The Maxwell school is designed to provide officers with an effective approach to the command tasks of air force group and wing direction.

Dr. Ivan Lovell, professor of history, will combine some political science and historical facts to discuss "The British Monarchy and the Coronation" at the last Faculty Forum of the year Wednesday evening at 8:15 in the music recital hall.

Dr. Lovell will talk on the careers of British queens, Elizabeth I, Mary Stuart and Victoria, in connection with this summer's coronation of Elizabeth II. He will give an account of the present English conception of the monarchy and the way that it fits into the British government.

Dr. John A. Myers has been in charge of the series of addresses and recitals that formed the Faculty Forum series this year. Dean Seward Reese of the Law school was the last speaker. Dr. Lovell's talk will be taped and broadcast over KOCO as a part of the weekly "Speaker of the Week" series on Saturday night, May 29, at 7 o'clock. Dean Reese's talk also was aired over KOCO on the program.

ROTC President's Review Scheduled for Tuesday P.M.

The second annual ROTC President's Review, an hour of drill exhibition and award presentations by the campus wing, will be held next Tuesday at 1 p. m. on McCulloch field in honor of Dr. G. Herbert Smith.

An array of distinguished visi-

tors will review the event. Among other guests will be Ed Armstrong, representing Gov. Paul Patterson as his executive secretary, who will present the winning squadron drill award, the Governor's pennant, to Cadet Capt. Ken Cooper of Squadron B.

Also present will be Mayor Al-Loucks of Salem; Col. Ashley Greene, presenting the Air Force association medal; C. M. Mullens, presenting the VFW Post 661 award to the most outstanding basic air science cadet; Wesley Steward of the BPOE lodge of Salem presenting the Elks award to the most outstanding drill team member, Bill Van Horn; and Don Dill of the American Legion Post No. 9 who will present the award of that organization for the most outstanding rifle team member.

Completing the reviewers will be Dean Mark Hatfield, Coach Ted Ogdahl and Dr. Howard Runkel of the speech department.

Graduating seniors in the ROTC detachment will act as guides to the guests and the juniors bound for summer camp will head the review.

Reese Elected Law Chairman

Dean Seward Reese of Willamette's Law school was named chairman of the Conference of Western Law Schools at its annual meeting last week in Salt Lake City.

During the coming year Dean Reese will head a committee consisting of Dean Gordon Johnston, Denver university; Prof. Orrin Evans, University of Southern California; Prof. William Merryman, Stanford university; and Prof. Robert Clark, University of New Mexico.

Dean Reese returned to Salem Saturday.

Latvian Pupil Wins Award

The highest award yet to be received by a 1953 graduate was awarded Eli Kapostins recently when Columbia university in New York gave him a \$2000 Fellowship for graduate work in psychology.

Kapostins, a Latvian who came to America in the summer of 1951 as an immigrant from a German displaced persons camp, studied his first two years at a teachers' college in his native country. He chose Willamette after finding a job in Salem at the state mental hospital. He entered here two years ago in the fall of 1951.

At Columbia, Kapostins will study experimental psychology. The award is one of the highest given by the eastern school.

ROTC Cadets Back After Trip By Plane to California Base

A two-day trip to McClellan air base, Sacramento, Calif., ended safely for 22 advanced ROTC cadets and three officers who returned Friday from their excursion.

The flight, made by a C-46, was

the first such flight made by an RO unit in the Northwest. The cadets viewed the world's largest cargo plane, and several other fighter planes, including the famous Sabrejet.

The group also watched the supply operation of the base which dispatches all supply requests from all Pacific area forces.

The air flight took about two hours.

The ROTC unit hopes to make additional flights some time in the future.

Willamette Collegian

Entered at the Postoffice at Salem, Oregon, for transmission through the mails as second class matter. Published weekly except during examination and vacation periods. Subscription rate \$1.50 per year.

'Bicycle Thief' To End Series

"The Bicycle Thief," widely acclaimed Italian film, will be shown in Waller hall next Wednesday and Thursday at 7:30 p.m. as the last of this year's Unesco-sponsored movies. Admission will be 50 cents.

The film, directed by Vittorio de Sica, is the story of a man, his son, and their quest through the streets of Rome for his bicycle, stolen just when he needs it for a long-sought job. The setting is post-war Italy.

Among the many honors the film has captured are "best film of the year," by the National Board of Review; special Hollywood academy award; "best foreign film of the year," by the New York Film Critics; Grand Prix, Belgium World Film Festival award.

Ex-Willamette Student Completes Naval School

Recently graduated from the U. S. Naval School, Pre-Flight, at Pensacola, Fla., was naval aviation cadet Wiley E. Muise, who attended Willamette university, and entered the naval service in 1952.

He is now assigned to the U. S. Naval Auxiliary Air Station, Whiting Field, Milton, Fla., where he is engaged in primary flight training.

Willamette Music Grad Takes Advanced Work

Gladys Blue, a 1952 graduate of the Willamette Music school, has been accepted for advanced study at the Eastman School of Music, Rochester, New York.

Miss Blue will work for her master's degree in music theory. She was prominent last year in campus musical events and wrote several Glee songs.

Three-Way Fight Looms in Cinder Race Tomorrow

By Don Long

Just as everyone predicted, the Northwest conference track finals is going to be a three-team race between Willamette, Whitman and Lewis and Clark, with the odds on favorite Willamette.

The six teams in the loop meet tomorrow afternoon at 1:30 at McCulloch stadium.

The meet will feature several returning champions and has prospects of many close races. Individual headliner is Caley Cook, the "Comet" from Lewis and Clark. He got 11 points last year and could win four events—the 100, 220, broad jump, and low hurdles. Cinch for him is the broad jump, where his 23 ft. 4 in. jumps far outclass the rest. Another beacon for the Palatine Hill gang is Chuck Gengler, who tied for first in the pole vault in 1950. Bob Chido in the high jump and broad jump should help the Pioneer cause.

The boys that are really worrying Ted Ogdahl and his defending champion Bearcats are the Whitman Missionaries. The Whits boast seven standout performers. Captain Harold Parrott, with a 4:24.3 mile and a 2:00.6 half mile, looks to be a double winner, with new records possible in both events.

Bill Mays is the defending champ in the 440, having a :50.9 to boast of. Morrie Robinette (23 ft. 4 in.) in the broad jump, Bill Klise (12 ft. 6 in.) in the pole vault, Stewart Hibbert (10:18) in the two-mile and Gary Fowler, another hot-shot in the 440 team up to make the crew from Walla Walla powerful contenders. And should Julian Rochester, the excellent hurdler, be recovered from his sprained ankle, the Bearcats had better watch out! Oh, yes, the mile relay is conceded to Whitman's fine quartet.

All of which leaves the question: Can Willamette with all her depth and some conference champs garner enough points to repeat for the third straight year? Maybe . . . if Van Horn and Cocking can slip through for some points in the hundred and low hurdles, respectively. (There will be five places awarded, on a 5-4-3-2-1 basis.) If "iron man" Don Empey can place in the mile and possibly win in the two-mile. If Jim Bergmann could

(Continued on Page 5, Col. 1)

Willamette Racketeers Drop Linfield in Finale

Coach Les Sparks' Willamette netters completed their third straight year of undefeated play in Northwest conference dual meets as they downed Pacific 6-1 last Monday on the home courts.

The Bearcats captured five wins in conference play this season as rainouts cut the schedule of eight matches down to the five played. Only the loss to the Oregon State varsity mars the slate of the Willamette tennis crew in its eight matches of the year.

Big Meet

Bearcat golfer Kent Myers will be one of the six Willamette golfers in the Northwest conference meet which started this morning on the Salem course. (Photo by Bill McKinney.)

Tennis Singles, Doubles Today; Bratton Favorite

The Willamette tennis courts will be the scene of the Northwest conference tennis play-offs, which will start this morning at 9:30 and continue with matches at 11:00 and 2:30 this afternoon.

Drawings, to determine who plays who, will be held at 9:15 this morning.

George Watts will handle the singles match, and the Butler brothers, Rich and Ron, will combine wits, speed, and ability for the doubles event. All three represent Willamette.

Bratton of Whitman, last year's singles champion, will pose a big threat to the competition he faces in today's play-off.

Traveling all the way from College of Idaho to compete in the matches are Dick Han, little singles man, and Jess Bospo and Ron Daniels who will be bearing the doubles chore for the Coyotes.

Linfield, our close neighbors over in McMinnville, lay their title hopes on Merrill Lewis, singles; and Ray Groundhauser and Al Schultz, doubles hopefuls.

Schools represented in the play-off are: Whitman, Willamette, Linfield, Lewis and Clark, College of Idaho and Pacific.

WAA Netters Await OSC; Edge Linfield

Willamette's WAA tennis team won its second straight match of the year with a 4-3 win over Linfield on the home courts Monday.

The Willamette squad will meet the Oregon State team next Tuesday in Corvallis.

Willamette split with Linfield in four singles matches but captured two of the three doubles to win the match.

Phi Deltas Top 'Minton Play; Softball Ending

The Phi Deltas won intramural badminton play while the softball tournament is drawing to a close.

Only the Beta A's and Baxter remain undefeated in the double elimination softball affair.

The Phi Delta "A" and "B" teams are tops in the consolation round as they are awaiting to play the winners of the Sig A-Wits B and Beta B-SAE B games respectively.

In badminton play the Phi Deltas were undefeated as they turned in four straight wins. The Sigs were in the runner-up spot with a 3-1 record. The Wits finished in third place with a 2-2 record. The Baxter squad was next with 1-3 and the Betas trailed with a 0-4 mark. The SAE's did not enter a squad in badminton play this year.

ROTC to Fire

Willamette's ROTC rifle team will fire against the Cherry City Rifle club of Salem in its final match of the year next Thursday night at 7:30 on the Isaac-Walton range.

Golfers Begin League Playoff Today; College of Idaho Absent From Action

Willamette's golf fortunes for the 1953 season will be decided today, as the Northwest conference golf meet will be played at the Salem golf course.

Play will begin at 8:30 this morning.

This meet combines with the conference track meet and the

conference tennis matches for the singles and doubles titles to give Willamette its busiest weekend in sports in many a moon.

Of the five competing teams, the links squad from Pacific will be favored, mainly because of their two aces, MacKay and Barnett. College of Idaho is the only school which will not be represented.

The meet will be a 36-hole medal honor playoff. Each school will be allowed to enter six men, with the top four scores counting on the team totals.

Willamette is the defending conference champion. Dick Church will be the lead golfer for the 'Cats. Following him at the tee-off will be Ken Baines, Kent Meyers, Dick Renn, Dan Callahan and Ellis Von Eschen.

Bearcats Win Baseball Championship After Twice Edging Whits, Coyotes

They did it on their own. This is the case for the Willamette baseballers who captured the Northwest conference title

	W	L	Pct.
Willamette	8	2	.800
Linfield	7	3	.700
Lewis & Clark	7	3	.700
Whitman	4	6	.400
College of Idaho	2	8	.200
Pacific	2	8	.200

by sweeping doubleheaders from Whitman and College of Idaho. Willamette and Linfield were

'Cats Defeat Pioneers As Benson Sets Mark

For the sixth straight time the Willamette cinder squad romped over their opposition and this time it was Lewis and Clark by a 77-55 score.

Dean Benson broke his own school record in the high hurdles with a 15.1 mark, two tenths of a second under his previous effort.

Another Bearcat, Don Empey, turned in a fine showing as he won the mile and two mile runs. The two mile was a new meet record of 10:18.3. The Bearcats set other meet records by Jim Hitchman's 45 feet 3 inch throw in the shot put and Layton Gilson's toss in the discus of 136 feet 6 inches.

Caley Cook, who was the meet's top performer with 20 points, set a meet record in the broad jump with a 22 feet 4 1/4 inch mark. Cook won four firsts, both sprints, low hurdles and the broad jump.

'Cats, Pioneers, Whits Favored in Dual Meet

(Continued from Page 4, Col. 3) upset in the 440 or at least grab a second. If Mike Hovis is up to par in the 880. If Merlin Schulze can crack the scoring in the high jump and the broad jump, and if Wes Malcolm can show in the vault. And the big ifs . . . if Jim Hitchman can successfully defend his shot put crown, if Layton Gilson can again take the discus, if Dean Benson can win the high hurdles (he's favored) and take second in the lows, if Stan Neperud keeps his pace and wins the javelin. Willamette has the horses and can win, but then so can Whitman!

In a good three-way race, it looks to be a toss-up between Whitman's individuals and Willamette's reserve manpower. With Rochester, Whitman should score 59 1/2, Willamette 56, and Lewis and Clark 41 1/2. Without Rochester, it looks like Willamette 58 Whitman 51 1/2.

Monday Willamette dropped College of Idaho 7-6 and 3-2 in afternoon tilts to clinch a tie for the title. In a night doubleheader Linfield beat Whitman in the first game, but lost the second and dropped into the runner-up spot behind Willamette.

Two squeeze plays, a single and a ground out gave the Bearcats their four one-run margins. Saturday, Dave Perlman singled in Chuck Lewis in the opener in the bottom of the ninth, giving Dave Gray the win. In the nightcap, Andy George and Sid Aronson were in a tight pitching duel until the bottom of the eighth of a regular scheduled seven-inning game. At that point Tex Kirkendall squeezed in Elmer Haugen to give Willamette the game.

Monday, Mickey Coen squeezed in Kirkendall in the tenth inning to win his own ball game, but only after Lester Akeo had saved it in the eighth. With Willamette down four runs, Akeo pinch hit for Shield with the bases loaded and slammed the ball high into an oak tree beyond the center field fence.

The nightcap was anti-climatic. The Bearcats picked up two runs in the first and one in the third while the losers scored twice in the top of the third. From there, Benny Holt held the College of Idaho scoreless.

Bearcat Golfers Take Three Out of Four Tilts

Coach Jerry Frei's Willamette golfers rounded out season play as they won three out of four matches in seven days.

Last Thursday the Bearcats dumped Linfield 12-6, but lost to the touring University of British Columbia golfers 14 1/2 to 3 1/2.

Last Tuesday the Bearcats came back with a 11-7 win over Pacific and followed this with a 12-6 triumph over the Portland State Vikings. Dick Church was the medalist of the week for Willamette as he hit a 75 in the Pacific meet.

Willamette Baseballers End Season With Losses to Oregon, OCE Squads

Losses to Oregon and Oregon College of Education rounded out action for John Lewis' Willamette baseballers for 1953.

The loss to Oregon on Tuesday by a 10-6 score broke an eight-game winning streak for the Bearcats. The 8-5 setback at the hands of OCE on Wednesday was the fifth loss for the Bearcats in 21 starts.

The Wolves led all the way in Wednesday's game as they scored five times in the opening frame. Lynn Huston's home run was the big producing factor in the fatal inning for the Bearcats. Benny Holt was the Willamette pitcher who took the setback and he was relieved in the first inning by Mickey Coen who went all the rest of the way.

Measurements

New lettermen this year above freshman standing will be measured for their varsity award sweater next Monday at noon in the athletic office.

The measurement will include football, basketball and the spring sports.

Those lettermen who need additional striping on their sweaters may bring them in at that time with a dollar to cover cleaning costs.

The only big blow for Willamette was Pete Reed's homer in the fourth inning.

The University of Oregon ball club made it two straight over Willamette this year with that 10-6 win on Monday.

Andy George and Verne Nannice hurled for Willamette with George receiving the setback.

Jim Livesay's four-for-five led the Oregon attack which was in command all the way.

Willamette Joins NCAA, Maintains NAIA Activities

Willamette university has joined the National Collegiate Athletic Association according to John Lewis, athletic director.

Willamette will also maintain its membership in the National Association of Intercollegiate Athletics.

This move will permit Willamette athletes to enter NCAA sponsored events as well as the smaller NAIA events.

The big difference between the two associations is that the NCAA does not allow freshmen to participate in its meets. So if a Willamette team enters a NCAA playoff, no freshmen can be on the roster.

Pacific university, another Northwest conference member, has also joined the NCAA and this swells the list of colleges belonging to the association to a 420 total.

Waltzin' This Weekend

"Cotton Ball" is the theme of the Alpha Chi Omega house dance, to be held from 8:30 to 11:30 this evening at the chapter house.

Couples will wear cotton clothing, it was announced by Judy Finch, chairman, and music will be furnished by records.

Decorations will follow the theme of the dance, and adorning the walls will be black silhouettes of Uncle Remus, and other characters found on a southern plantation, designed by Liz Gunn. Programs will also follow this theme, and will be pickaninnies with pigtailed, designed by Sheryl Stookey.

Refreshments, planned by Mary Jo Ewell, will be ice cream "cotton" balls, and cookies.

Chaperones and honored guests, invited by Joan Pangborn, are Dean Regina Ewalt, Dean Mark Hatfield, Dean and Mrs. Robert Gregg, Dr. and Mrs. George Martin and Dr. and Mrs. Kenneth Lottick.

"Grecian Garden"

Honoring the senior members of Chi Omega will be the annual white carnation ball, "Grecian Garden," to be held at the American Legion hall in west Salem tonight from 9 to 12 o'clock.

After a banquet dinner, the couples will proceed to the formal to dance to the music of Wayne Meusey and his orchestra.

Following the ancient Greek theme will be decorations of Greek columns covered with ivy, planned by Sue Lovely, who is also chairman for the dance. Along one wall will be a painted backdrop of a Grecian scene.

Refreshments will be ginger

ale punch with lime sherbet, and lime cookies, arranged by Phyllis Muhs. Programs are made of silver on a white background.

A take-off on Mickey Spillane, portrayed by Merrill Pietila, and Donna Jenkin's rendition of "Can't Help Lovin' That Man of Mine" will provide entertainment, planned by Caryl Pietila.

Chaperones and honored guests will be Dean Regina Ewalt, Dean Mark Hatfield, Dr. and Mrs. G. H. Smith, Dean and Mrs. Robert Gregg, Mr. and Mrs. A. Freeman Holmer, Dr. and Mrs. Charles Derthick, Mr. and Mrs. Frank

Washburn, Mr. and Mrs. Donald Miller, and Dr. and Mrs. Daniel Schulze.

"Phi Delts to Dance"

"Springtime" is the theme of the Phi Delta Theta spring formal, to be held tomorrow evening at the Knights of Columbus hall from 9 to 12 o'clock.

A variety of flowers decorating the spacious hall will carry out the theme, designed by Wayne DaMetz.

Music for the dance, whose chairman is Laurie Peterson, will be provided by the "Real George Jammers."

Spring Brings Rings

Pat Harris

Frances Smith

Announced in house meeting at the Alpha Chi Omega house Monday evening was the engagement of Frances Smith and Tom Scheidel.

Frances is a sophomore, member of Alpha Chi Omega, and is majoring in English. Tom is a senior, member of Sigma Chi, and is majoring in speech, and is active in debate and student government.

There have been no definite plans made for a wedding date.

Basket Reveals Ring

Silver rings in a basket of spring flowers announced the engagement of Pat Harris and Bob Goff at the Pi Beta Phi house Monday evening during dinner.

Pat is a sophomore, member of Pi Beta Phi, and is treasurer of the sophomore class. Bob is a junior, vice-president of Sigma Chi, and is majoring in sociology.

Future plans will include Pat's working next year in Portland, while Bob will finish his schooling at Willamette.

No date has been set yet for the wedding.

Ocean Outings

With spring in full swing, many Willamette students are favoring the sunshine and sand of the Oregon coast.

Sunday morning the Phi Delts and their dates will leave to spend the day at Neskowin. Dale Patton is making arrangements for the trip.

Also traveling to Neskowin are the Sigma Chi's and their guests. They will leave the campus for the beach at 9 o'clock Sunday morning. Sgt. and Mrs. Robert Howard and Dr. and Mrs. Charles Derthick will chaperone the trip.

Road's End is the destination for the Betas and their guests Sunday morning as they leave for their annual beach trip, of which Ellis Von Eschen is in charge.

Picnic lunches have been prepared under the supervision of John Rehffuss and transportation will be provided by Dick Moore.

Don Brand, '52 Graduate Wins Scholarship for Harvard Work

Don Brand, 1952 economics and education graduate, now teaching at Mapleton, has been granted a Harvard scholarship for 1953-54, according to word received by Dr. Kenneth Lottick.

Brand will work toward his master's degree while studying in Boston. He is a former member of the Willamette band and a cappella choir.

Dr. Lottick also revealed that Bob Wiper, history and education major, has been given a part-time appointment teaching American history at Salem high school. He has served as gradu-

Registration Ends

ate assistant in the history department and is now assisting in the education department.

Pre-registration for next fall semester must be completed today. Booklets may be obtained in the registrar's office and must be filled out and signed by professors.

Snyder to Speak at Last FTA Meeting

Dr. Walter Snyder, superintendent of Salem public schools, will speak at the final FTA meeting of the year next Wednesday evening at 7:30 in Chresto Cot-

tage, according to Phil Hammond, president.

Also on the agenda will be nomination of officers for next year.

TRIPLE THREAT MAN!

Administration Meet Planned

Public administration students have been invited to tomorrow's meeting of the Oregon chapter of the American Society for Public Administration in room 6 of the state capitol, according to Prof. A. Freeman Holmer.

The one-day session opens at 10 a. m. with a round table discussion of administrative control of state government. Rudie Wilhelm, speaker of the legislature, Harry Dorman, director of the state department of finance and administration, and Robert James, special assistant to Washington's Governor Langlie will participate. Prof. Holmer will be panel moderator.

Paul J. Raver, Bonneville power administrator, will address the noon luncheon. Three round tables on problems of budgeting, reporting and local government will run concurrently in the afternoon.

AWS Plans Olinger Party

Olinger park will be the site for the AWS all women student's picnic to be held from 5 to 7 p. m. next Wednesday evening, Yvonne Grosser, coordinating chairman of AWS, announced this week.

No meals will be served in the women's living organizations and residents will not be charged for the meal. All town women will be expected to pay 50 cents.

During the picnic of hamburgers, salad, soft drinks and ice cream, the women will be entertained by a program of campus talent. A softball game and sack races will follow.

The Brains of the Team

Teamwork can work miracles. In a football game the man who sparks these miracles is the quarterback. He's the man who calls the signals. There's a man who calls the signals for an Air Force flying team, too!

They call him an Aircraft Observer.

Do YOU have what it takes to become an Aircraft Observer?

It isn't easy. It's tough. You have to be a MAN to qualify as an Aircraft Observer. But when you are one, brother, you're SOMEBODY! The success or failure of a mission involving over a million dollars worth of flight equipment depends on you.

THE AIRCRAFT OBSERVER IS THE SOMEBODY WHO:

As *Bombardment Officer*, is number one man on a bombing run, the man who controls the plane in the target area!

As *Navigation Officer*, is the pilot's guiding hand on every flight!

As *Radar Officer*, is master of a new science and operator of the device that sees beyond human sight!

As *Aircraft Performance Engineer Officer*, is the one who "keeps the plane flying", the man who knows his plane in-

side and out, who keeps it fit for the skies and sees that it stays there!

If YOU can accept a challenge like this, you'll take your place beside the best—you'll find your future in the clouds!

TO BE QUALIFIED you must be single, a citizen, between 19 and 26½ years old, have had at least 2 years of college and be in tip top physical shape. If this describes you, then YOU, too, can qualify. Today!

HERE'S WHAT YOU'LL GET! The world's best training. Good food and plenty of it. Uniforms, flight clothes, equipment. Medical and dental care. Free insurance. Flight training in Uncle Sam's greatest aircraft.

AND THEN, AFTER GRADUATION, you'll win your silver wings, and earn more than \$5000 a year as an Air Force Lieutenant. You'll enjoy an adventurous, exciting career with a hand-picked crew of real men. You'll be THE BRAINS OF THE TEAM, A TRIPLE THREAT MAN... as a Bombardment Officer, as a Navigation Officer, as a Radar Officer, as an Aircraft Performance Engineer.

GET THE DETAILS: Visit your nearest Air Force Base or Air Force Recruiting Officer. Or write to Director of Training, Headquarters, USAF, Washington 25, D.C., Attention: Aviation Cadet Branch. If you are in a school that has an Air Force ROTC program, see your Professor of Air Science and Tactics.

New Aircraft Observer Cadet Training Classes Begin Every Two Weeks

AIRCRAFT OBSERVER PROGRAM

RO Cadets to Attend Summer Camp Money Due

Twenty-four advanced ROTC cadets will leave June 22 for summer camp at Larson Air Force base and Fairchild Air Force base in Washington.

Those cadets reporting to Larson Air Force base are Bill Covert, Bob Goff, Joseph Harvey, Martin Howard, Walter Oerding,

Eugene Poiondexter, Michael Tavener and Byron Sittser.

Leaving for one month's service at Fairchild Air Force base are Norman Battaglia, Herbert Brower, Rollin Cocking, William Hill, Laurence Peterson, Larry Pritchett, D o r e n c e Noteboom, Stanley Steindorf, Bill Van Horn, and Vern Zeuske.

Dr. Robert Fenix, financial vice president, would like to remind all students who owe money to the infirmary that their accounts have been transferred to the business office and will have to be paid before they will be allowed to take their finals.

Air Force Writer deChaby Transferred

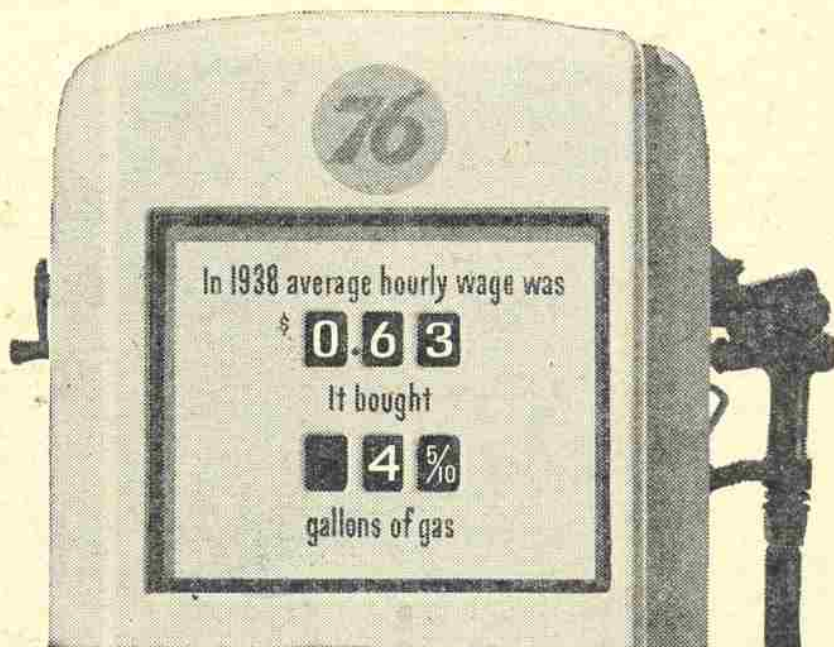

Darrel deChaby, former Collegian contributor in absentia, is now in training in an Air Force air operations specialist course at Kessler Air Force Base, Miss.

DeChaby, who would have graduated from Willamette this June, entered the Air Force last September and received basic

training at Parks base, California.

As a recruit he wrote a weekly feature column for the Collegian on life in air force uniform until discouraged by superior officers to continue his candid comments. His column had received considerable attention from his confederates at Parks Base.

One hour's work

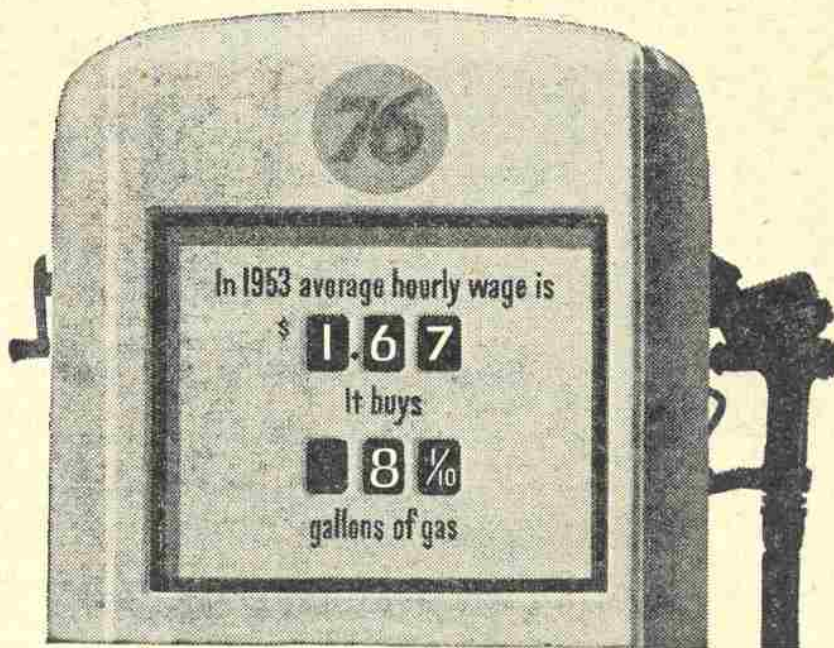

1 9 3 8

buys 80% more "76" gasoline today than it did 15 years ago!

Excluding gasoline taxes.

1 9 5 3

Today's Union Oil "76" gasoline is superior to the 1938 variety, too.

Our free, competitive American system has stimulated great advances in petroleum research by offering an incentive for the introduction of new and better products.

So when your friends complain about the high cost of living, remind them that one hour's work today buys 80% more "76" gasoline — and better quality gasoline — at a Union Oil station than it did in 1938.

This series, sponsored by the people of Union Oil Company, is dedicated to a discussion of how and why American business functions. We hope you'll feel free to send in any suggestions or criticisms you have to offer. Write: The President, Union Oil Company, Union Oil Building, Los Angeles 17, California.

UNION OIL COMPANY
