John Logan Main Banquet Speaker

The annual formal dinner-dance was held by Delta Theta Phi, national legal fraternity, in celebration of the founding of the fraternity, at the Waverly Country club of Portland, May 14.

The banquet honored those distinguished jurists, Williams, Deady, and Wolverson, for which the senates of the Portland Alumni, University of Oregon, Willamette University were respectively named.

The main speaker of the evening was Mr. John Logan, distinguished member of the Oregon bench and presently counsel for the "Oregonian." Mr. Logan's address proved of extreme interest.

Mr. Ralph Hoerber proved a most witty toastmaster and added a note of levity to the affair. He is an instructor in the Northwestern College of Law, and public speaking instructor at St. Helens hall.

Mr. Justice Hall S. Lush, of the state supreme court, Judge Don Long of the circuit court for Multnomah county, and Judge J. Hendrickson of the district court for Multnomah county and their wives acted as honorary partons and patronesses and appeared appropriately on the program.

Co-ed Inspired, Writes Letter To Outgoing Editor, Who Thanks His Stars That She Can't Bother Again

Somewhat in the Ozarks, Dear Editor: Here I lie again. The other night I was assistin on the pestyne fence composing sonnets to my lost luv, my dear professor, when I thot that a high-class paper like you might like to publish one of my luv lyrics; so I thot I'd send you one.

Drink to me only with thine eyes When the moon comes over the cowshed. 'Tis better to have luvved you, dear, and lost Than never to have herd them cute things you sed.

I am the master of my fate, I am the capten of my solo. But when you call, I'm a shrinking rose. Tell me why the stars do shine Which do you prefer—poetry or proze?"

Local College of Law Organized With Only Four Faculty Members In September 1884; Second On Coast

The Willamette College of Law was organized in September, 1884, the oldest law school on the coast, with the exception of the Hastings College of Law at San Francisco.

The first dean, Judge William M. Ramsey, is now 88 years of age and resides at Mt. Minnerville. He is a former county judge, circuit judge and supreme judge. He is a grand old man and a great booster of the school.

At the beginning the faculty comprised four members, nine courses were offered and there was an enrollment of three students. The following are a list of the Deans, some of whom are several notable men: Judge Ramsey, 1884-'89. Judge George G. Baghorn, 1889-1890. Judge Ramsey, 1890-'91. Samuel T. Richardson, 1891-1891. B. Clemes Places High in Contests

Bill Clemes has entered five oratory contests this year winning three first place awards and one second. The first was the Keyes contest at Willamette, and was awarded \$15.

Setting himself to work once again he wrote the oration: "Wanted, Agitators," and represented Willamette in the Pacific Forensic League Oratory contest against the best competition on the West coast.

Bill Clemes is a junior this year. He has traveled widely and attended a number of schools. This week he left on an extensive research trip into Siberia with Prof. Hrdlicka and Bill Laughlin.

Southard Story Inspires Letter

Dear Friends: At least I hope we are, although I cannot lay claim to having made any special effort over the past 23 years to evidence that friendship.

Now it seems that it takes a nightmare to get more than passing attention. Enclosed you will find a page from a recent Chicago Tribune. Durb Southard may feel especially honored in making Arch Ward's column even if it took a "broken arm" to do it.

Baxter Will Speak To High Schools

Commencement days for high schools are approaching and several graduating seniors have asked President Bruce H. Baxter to address them. Thursday of this week, Dr. Baxter spoke at the Clatsop commencement in southern Oregon.

Durb Southard Rates Tribune Sports Column

"Durb" Southard, hard hitting outfielder of the Willamette university baseball nine, takes his game so seriously that he awoke one morning recently with a dislocated shoulder suffered while throwing one in from the outfield as he lay abed dreaming.

The above comment taken from Arch Ward's sports' column in the Chicago Daily Tribune, acted as the incentive for a letter to the editor this week from Mr. Ralph F. Homan, a grad of '14. Mr. Homan's letter had included comment on the item above appears elsewhere on this page.

Robertson Voted YMCA President

New Cabinet Goes To Coast To Plan For 1938-39

Dayton Robertson will head the campus Y. M. C. A. students interested in the local Christian association decided at the polls Monday. Robertson, a sophomore of Salem, defeated Francis Schmidt, Pendleton.

This week-end the newly elected cabinet will journey to the coast for a two-day retreat to discuss plans for next year.

Making the trip will be Mr. C. A. Kells, head of the Salem Y. M. C. A., who is furnishing transportation and living quarters for the group; Leonard Schurr, Dick McNeese, Robertson, Thomas, and Hauser.

Vespers To Sponsor Collection of Shells

A display and explanation of some valuable sea shells was a feature of the University Vespers meeting Sunday evening, May 15, at the First M. E. church. Mrs. Steeves, of Salem, who has collected shells for a number of years, showed the group a few of the most interesting of her collection.

Next Sunday, May 22, Vespers will meet out-of-doors, with Dr. S. W. Clemes as speaker. The group will meet at the church at 5:30. Transportation will be provided.

Seven Administrative Leaders Found To Be Tireless, Unpublicized Workers In Handling W. U. Affairs

By CAROLYN WOODS

At the close of a school year is a fitting time to give recognition to some of the administrative workers. These people all play important roles in school affairs.

Dean Oliver M. Dahl, whose official capacity is dean of women, fills many other positions. She aids girls in finding employment, secures loans, gives advice concerning courses, arranges individual conferences with all girls at least once during the year, and plans roll call chapel programs for freshmen girls.

Mrs. Ethel Schreiber, registrar of the school, plays a vital part in student activities. She keeps permanent records of information concerning prospective students, active students, and alumni.

Miss Pearl Swanson is secretary to Dean Erickson as well as administrator of N. Y. A. funds and secretary of the teachers' placement bureau. As assistant to the Dean of the University, she welcomes friendly student conferences. As the N. Y. A. official she attempts, through interviews, to place students in line of work in consideration of their abilities and ambitions.

Mr. Lester J. Sparks' official position is that of graduate manager. His duties are fourfold. He is in charge of all student expenditures; he is freshman basketball coach; he is track coach, and he is assistant professor of physical education.

Elsinore Puts On WU Night This Evening

Local Talent Is Featured On Tonight's Stage Show

Grable, Cooper, Raye Star In "College Swing" Musical

Swing it, professor. The colossal comedy is coming to the Elsinore, Thursday, May 19th, with a huge cast of stars including Burns and Allan, Martha Raye, Ben Blue, Betty Grable, and Jackie Coogan.

This is going to be a real rah, rah night for Willamette students, as a gala stage show has been outlined by June Johnson, who will act as mistress of ceremonies for the occasion. Starting off the program for the evening the Alpha Psi Hillbilly band is going to give the audience some "corn music" plus a short comical skit.

Randall Kester Is Elected to Office

Mr. Randall B. Kester, son of Mrs. Mabel J. Kester, 711 S. E. 11th Ave., Portland, Ore., now a first-year student at Columbia University School of Law, New York, was recently elected treasurer of the Campbell Moot Court at the Law School for the coming year.

On the basis of his record at Willamette university, Mr. Kester was awarded one of the Dean's scholarships to Columbia Law School. While at Willamette Kester was an outstanding student and was elected to membership in the Blue Key, Tau Kappa Alpha, national honorary forensic fraternity, and Alpha Kappa Nu.

Mr. Kester has been accorded the honor of being elected to membership in Phi Delta Phi, national legal fraternity.

A REMINDER

So much favorable comment has been forthcoming on the editorials of last week's issue of the Collegian that further discussion seems hardly necessary. However, here is just a reminder to veto the proposed amendment that would take the two editors from the executive committee.

MARSHALL IS TOPS

Wednesday evening's concert of the Willamette Songmen, their final appearance in Salem this year, proved to be one of the outstanding musical events in the capital city this season.

Thirty Students

(Continued from page 1) teams made the finals and Al Klassen and B. Thomas won second, and Bob Campbell, John Hobson, and Wayne Williams took third place.

Elsinore

(Continued from Page One) taking four or five students each time. Besides the actual tournaments and contests the forensic students have debated several schools on the Willamette campus.

LIVE WIRES MEAN BUSINESS

In an effort to organize a live-wire Christian association for young men on the Willamette campus, students interested in the local YMCA have announced a complete "New Deal" in that organization.

HOW ABOUT IT?

Overlooked for a great many years, is the clause in the ASWU constitution that stipulates that the committee in charge of freshman glee shall announce, in the spring following a freshman glee, the theme for the next year's glee contest.

CONGRATS, BILL

This week's paper carries, on the front page, an article dealing with the accomplishments of William Clemes in forensics during the past year. Bill's success has been little short of sensational, his exceptional speaking ability having placed him at the top in five outstanding contests this year.

"30"

With the last line of this brief article the editor and the staff of the 1937-38 Collegian sign "30" to their work for the year. It has been an interesting, a fascinating year journalistically. One can hardly realize the vast amount of news that finds its way into the columns of a four page weekly paper over the course of a school year; one can hardly realize the amount of criticism both for and against the policies of the paper that pours into the editor's desk each week; one can hardly realize the amount of cooperation from members of the staff that is necessary to publish a school paper the size of the Collegian; one cannot realize the mental strain, the scholastic strain, the nervous strain that members of the editorial and managerial staffs must endure as they dart to and fro days prior to each issue in an endeavor to get the paper to its readers on time.

The Cat's Eye

We don't know whether the members of Harry Wesley's orchestra (plus) are superstitious or not, anyway they play the 12th dance twice and didn't play the 12th at the recent Beta Chi semi-formal.

My what large appetites the A. P. A.'s possess. Only down to Portland and they just couldn't wait 'till the show was over. Oh, ts! Oh! my! What would Emily say?

If Isabel Haight and Merle Turner were life savers give us the Sahara desert. When Feldhahn and Franz tipped over recently, Merle makes this crack from the safety of his canoe: "Is there anything I canoe." Reach for the shootin' irons, pardner—we're going gunning.

According to Hauser and Gutchurst the eclipse wasn't the only thing in view the other night. Hi, Bo.

About all Patty Otten can say concerning riding is that it is a ripping sport—by Jove.

Mendel Shastowitz sez the boys really shouldn't be so enthusiastic. After all fun is fun, but the water in the mill stream is wet.

K. & K. Sherman are thinking of remaining in town this summer. Do you have a good job, Ken, or do you like the people?

We'd like to make some crack about Bowser and Bahlborg, but we won't.

So long kids—See you at the Elsinore tonight with our gal, "Blondie".

Southard Story

(Continued from Page 1) athletic great and near great. Are we slated to have a Willamette alumnus in the big leagues soon? There are several of us in the neighborhood of Chicago to whom Willamette holds an especial interest.

Anyhow, here is the clipping. Do as you see best with it and the "hero."

LAW SCHOOL NOTES

The law aptitude tests were taken by pre-law students Wednesday, May 18. The tests were based on reasoning, analysis, memory and speed.

The law students went with the seniors on Flunk Day this year. In previous years, it has proved confusing to the professors because some of the students would attend the Junior Flunk Day and others on Senior Flunk Day. However, this disturbance was avoided.

The winners of the contest for the best will sponsored by the Ladd and Bush bank will be announced Saturday afternoon.

Malcolm Jones, as Dean of the Wolverton senate was introduced and received a large hand. A well-known women's string ensemble played during dinner, after which a noted Portland band played for dancing.

Members from Wolverton senate and their guests attending included Cathrin Hendrick, Jerry Ferguson, Alice Speck, Marguerite Smith, Alene Fairclough, "Toni" Cummings, Annette Jordan, Barbara Benson, June Chapler, Talbot Bennett, Werner Brown, Herman Estes, Bill Anton, Bill Miller, Jack McCullough, Charles Dunbar, Bill Hansen, Asa Lewelling, Franklin Krucera, George MacCallister, Courtney Johns, Mr. and Mrs. Lisler, Mr. and Mrs. Malcolm Jones, Mr. and Mrs. Stanley Freeman, Mr. and Mrs. Ronald Sherk, Mr. and Mrs. Charles Heltzell.

The Delta Theta Phi Fraternity was organized in 1915 for the purpose of promoting high scholarship united with the thought of promoting justice and high ideals in the legal profession. The Wolverton Senate to which law students of Willamette university are eligible was established in 1928. Weekly and monthly meetings, with banquets, prominent lecturers, and informal discussions climaxed the District Founders' Day banquet, constitute their yearly program.

Introducing . . .

From the unmentionable state, from Stanford university, came Chester F. Luther, Ph.D. Although he has been on the campus only a comparatively short time, since 1935, he has proved himself friendly and efficient to faculty and students alike.

Dr. Luther maintains a serious but interesting atmosphere in his classes; a sense of friendly respect and intellectual clarity. He is intensely interested in making his students understand the material and is always ready to explain and illustrate.

A student in his own right, being a member of Phi Beta Kappa and Sigma Xi, the national scientific honorary, Dr. Luther is by word and practice constantly inspiring those about him to study diligently and maintain a good philosophy of life.

Dr. Luther is notable for his poised and gentlemanly bearing. He has quiet manner of conversation. His knowledge of his subject is complete and well based in scientific history and research. It is the influence of men like Dr. Luther that has started Willamette on its climb to success. In him is found an example of intellectual democracy.

W. U., Linfield Split Twin Bill

White Wins First. 7 to 1; Windsor Drops 2nd

Dividing a double-header with Linfield college on Sweetland field last Saturday, the Willamette baseball team lost its chance to be undisputed title-holder of the Western Division of the Pacific Northwest conference. The Bearcats won the first tilt, 7 to 1, behind the three-hit hurling of Bob White, while dropping the 11-inning nightcap, 4 to 3.

Northwest Conference Tennis Tournament To Be Played Here Saturday

Bearcats sports followers will find this weekend one of the busiest of a busy spring sports campaign, after which athletes and fans alike may recuperate in time for final examinations (oh, what pleasant thoughts sweep the human breast.)

Of interest to the greatest number, since local students may easily attend, are the Pacific Northwest conference tennis championship tournament matches to be played on the local tennis courts Saturday. Both Bearcat men's and women's tennis teams will be out to retain the laurels won in last year's meet at Portland, when the men won the doubles and the women both singles and doubles. However, Aris Sherwood and Bill Clemes, the men's doubles champs will not defend their titles, for Sherwood did not return to school, and Clemes has already left for Alaska on an anthropological study tour with Dr. Hrdlicka, of the Smithsonian institute. Rachel Yocum, the women's singles champion, was lost by graduation; while of Rose Mary Huffman and Ruth Yocum, doubles titlists, only Ruth Yocum returns to compete this year, as her partner was also lost by the graduation route.

Linfield is expected to provide the majority of strength in both the men's and women's divisions. Barbara Kurtz, Ruth Yocum, and Frances Faber are expected to compete for the Bearcat netwomen; while Bud Gilmore, George Gutekunst, and Herman Estes will likely vie for the local men.

BUSY SPORTS WEEK-END HERE

Along with the conference tennis meet, the track schedule finds the Willamette cinder artists moving over to McMinnville for a dual meet with the potential champion Linfield Wildcats. Coach Sparks' tracksters stand little chance of victory, with the Wildcats favored in every event.

The third item on the sports program for the weekend finds the baseball team at Walla Walla vying with the defending conference champion Whitman Missionaries for the 1938 title in a triangular affair in which Linfield also is included. However, Whitman, with the strongest collegiate baseball team in the northwest this year, and one of the strongest in the country, is a heavy favorite to down both Willamette and Linfield. The Missionaries boast an impressive 1938 record with wins over every opponent.

Nevertheless, if (the big if) the Willamette pitching staff should have a big weekend, the Bearcats like the Indians of old, may return with Whitman's scalp in the form of the title, with some semblance of a "Missionary massacre" for the Keenemen potentially have a strong hurling staff.

In the final affair of the week, Willamette will be represented by a large number of men in the first annual Reed college minor sports carnival in Portland on Saturday. The Bearcat entries will be out to return with some of the "bacon" from the field; so if lady luck smiles on the Bearcat competitors, Willamette may garner her share of the honors. All in all this coming weekend is without a doubt the busiest in all Willamette athletic history.

W. U. GIRLS WIN SOFTBALL HONORS

With the cry of softball in the air, attention is called to the impressive record compiled by a number of Willamette girls in the state softball tournament played last summer on Sweetland field. Competing under the colors of Ben Fide, local grocer, the girls under the management of Bob Keuschler, sophomore here, were runners-up in the state women's softball tournament in 1937, losing the

Under the direction of intramural manager Don Brandon, Willamette entrants in the first annual sports carnival to be held at Reed college in Portland Saturday are preparing this week to compete in the eleven events on the program.

The meet, which is under the sponsorship of the recently formed Oregon State Intercollegiate association of the colleges in the state exclusive of the University of Oregon and Oregon State college, will be composed of twelve schools—Willamette, Pacific university, Linfield, Albany college, Albany unit of Portland, Pacific college of Newberg, Reed, Multnomah, Mt. Angel, and the three Normal schools, Oregon Normal at Monmouth, Southern Oregon Normal at

final game and the championship, 9 to 7, after a strong rally. Behind 9 to 0, the girls staged a rally in the final two innings headed by Barbara Kurtz with two homers, to come within an ace of winning, almost overcoming a deficit caused by pitcher Rachel Yocum's wildness at the start. After her initial "wild" streak, hurler Yocum settled down to pitch shutout ball the remainder of the way.

Willamette girls chosen on the all-state team were Rachel Yocum of the 1937 graduating class as pitcher, and Barbara Kurtz and Betty Otjen at the two shortstop positions. On the second team were Dorothy Moore as catcher, Jean Annunen at first base, June Brasted on third, and Ruth Yocum as pitcher. Patty Carson, 15-year old Salem girl, was chosen the outstanding player of the tournament.

This year, the girls are organizing a team with Bob Keuschler again as the manager and are pointing for the state title. They will play in a six-team Willamette valley league, which will include Mt. Angel, Salem, McMinnville, Dains, Silverton, and Independence, playing their games at night. More power to our coming state women's softball champions.

Just a brief line for this my last column as an intramural sports writer. Believe me, it does not grieve me deeply to leave you like this. Now I can indulge in my yen for rest. No more heavy duties pressing in on me.

On Monday the Alpha Psi A squad trounced back Kimball Hall 20 to 0, and the P. E.'s and Kappa's postponed their game until Friday.

Tuesday's games were rather upsetting to me. The Law School continued their kindness campaign, forfeiting to the Alpha Psi Bees. Perhaps, human beings aren't all hard after all. But here is the big surprise: The Sigma Tau's walked all over the Fish Chokers. Final score 20 to 7. My faith in the consistency of the human race has hit a new low.

The Fish Chokers built a lot of character, quoting Karl Kahle.

Batteries and Summaries:
Alpha Psi A 20 15
Kimball Hall 0 4
French and Eberly; Hall, Harris and Woodall, Wilson.

Sigma Tau 20 15
Fish Chokers 7 7
Gabriel and Eland; Burnett, Bruce Williams, Becken, Shaffer, Strulo and Shaffer, Becken.

In last Friday's game, a postponement which was made up between Sigma Tau and the P. E. staff, the Physical Education men turned in an 8 to 3 victory. The Law School forfeited to the Fish Chokers in the other scheduled encounter.

In yesterday's games, the Kappa's forfeited to the Fish Chokers; while the league-leading Alpha Psi Delta A team was nearly up-

Willamette, Whitman, Linfield In Round Robin Play-off

Opening a three team round-robin play-off for the Northwest conference title, the Willamette diamond squad, co-champions of the Western division, vie with Linfield, this afternoon in Walla Walla.

Pitchers taken on the trip were Nunnenkamp, Gatchell, Windstor, Weaver and White. The other players are Robertson and Moe, catchers; Pierce, Watts, Kolb and Shinn, infielders; Southard, Ragsdale and Hagedorn, outfielders, and Catherwood, utility.

Linfield and Willamette tied for the western division championship while Whitman defeated College of Idaho for the eastern title.

Two games will be played each day—Thursday, Friday and Saturday—with each team meeting each other twice.

The drawing for the playoff follows:
Thursday, 3:30 p. m.—Willamette vs. Linfield.
Thursday, 8:15 p. m.—Whitman vs. Willamette.
Friday, 3:30 p. m.—Willamette vs. Linfield.
Friday, 8:15 p. m.—Whitman vs. Willamette.
Saturday, 2:00 p. m.—Whitman vs. Willamette.
Saturday, 3:45 p. m.—Whitman vs. Linfield.

Intramural Net Meet To Start

Singles and doubles play will be launched next Monday on the local tennis courts when the Willamette intramural tennis play opens, according to Leslie Sparks, graduate manager.

All students who are interested are asked to sign up on the bulletin board in the gymnasium. The intramural schedule will be run off in two weeks in both men's and women's singles and doubles, and in mixed doubles.

set by an inspired P. E. team, led by pitcher Mendel Shusterwitz, who hurled four-hit ball to set the frazzled down with the least number of hits that any team has held them to thus far in the race. Laurens tallied the winning run in the final inning, after he had walked and scored on Bob French's line fly to left field which Varney muffed, to give the A team a 3 to 2 victory. Bob Keuschler struck out 14 men, while allowing the P. E.'s 7 hits.

Local Trackmen Will Vie In Dual Engagement At McMinnville

Willamette's track team journey to McMinnville for a dual meet with the Linfield Wildcats tomorrow afternoon.

The Bearcat chances appear very slim, as Linfield has developed what promises to be a Northwest conference championship team. A select team, probably small, will leave Salem tomorrow morning to go to the meet.

Willamette Nine Defeats Pilots For Series Win

Pounding out 15 hits off two Pilot pitchers, Willamette's Bearcats last Friday won the final tilt of its series with the University of Portland for the second Bearcat victory and the series edge.

The 7-5 Willamette win in the Portland Pacific Coast league Vaughn street baseball park avenged an earlier 4-3 defeat on the same diamond.

Francis Gatchell, husky Bearcat freshman hurler allowed the Pilots only seven hits and two earned runs, the other three Portland tallies coming on Willamette errors.

Summary:
