Cold for Someone

VOL. XLII.

SALEM, OREGON, THURSDAY, MARCH 5, 1931

No. 17

## Program and Final Details of Freshman Glee Finished; Judges Chosen

Ted Parker is in Charge of Thirty-Five Ushers to be Used, Words of the Songs Have High Order of Quality

Program: Address of Welcome, Freshman class president, Charles Gianoli; piano solo—Litsa Hungarian Rhapsodie No. 14, Elizabeth Boylen; senior song—Victory for Willamette University; junior song—Victory Willamette University; vocal solo—"A Happy Song"—Del Riego, Josephine Albert; violin solo, "O'ed Refrain," Mladen, Kreisler, Marjorie Wunder, accompanied by Naomi Hewitt; sophomore song, "The Victory Song"; freshman song, "I Love Willamette U.," Edith Findley, Jean Middleton, Naomi Hewitt; judges' decision and presentation, Professor James Matthews.

Senior Song  
Words, Howard Miller; music, Mary Allen Miller.

Victory for W. U.  
Victory for W. U.  
The hall in the tower rings.  
The battle's done,  
The victory's won.  
Cardinal and the gold are flaming  
proudly o'er us.  
Here's to the Bearcat team  
Who carried our colors thru.  
Our song shall go till the world  
will know  
There's a victory for W. U.

Junior Song  
Words, Muriel White; music, Edith Findley.

Victory W. U.  
Hall! Willamette, home of valor,  
Crown with laurel,  
Stand with loyalty,  
Proud thy noble sons  
Shout the mighty cry of Victory.  
Forward bear the cardinal banner,  
The bell of victory rings true,  
Join in the chorus, let thy praises  
never die,  
Victory! Willamette U!

The Victory Song  
Words, Lois Wilkes; music, Robert Magle.  
Hall the Bearcats come,  
The battle now is won.  
Oaken hearted fathers know  
The triumph of their sons.  
Ring the victory bell,  
Historic temple tells  
Of glory new for W. U.,  
The school we love so well.

Like dauntless men of old  
For cardinal and the gold,  
Hearts so true and bold  
Won glory double fold.  
Willamette e're will know  
Our hearts with pride aglow,  
Vanquished is the foe,  
Onward she will go, Oh—

Freshman Song  
Words, Ted Parker; music, Elizabeth Boylen.  
From the tallest rocks of Cascade  
To Pacific's rocky shore,  
Rings out the iron of victory  
And the crowd's exultant roar,  
For the Bearcat rides in conquest  
And the song is never old.

The story of the triumph of the Cardinal and Gold.

Freshman Glee Committees  
Manager, Carl Marcy.  
Decorations: Chairman, Naomi Hewitt, Isabel Morhouse, Ruth Gillette, Kathleen Skinner, Frank Haley, Frank Pemberton, Harold Lamb, Fred Harris.  
Program: chairman, Marjorie Law; Audrey Tillman, Herbert Hardy.  
Platform: chairman, Charles Gianoli; Eugene Smith, Wesley Janke, Fred Blanchford, Percy Sweet, James Burdick.  
Ticket: chairman, Ben Briggs; Melvin Zahry.  
Chairs: chairman, Frank Childs; Louis Herschberger.  
Head usher: chairman, Ted Parker.

Banner and presentation: chairman, Kathleen Fitzpatrick; Billie Byars.  
Electricians: chairman, Dick Upjohn, George Douglas.

List of Ushers  
Head usher, Ted Parker; Orkney, Flint, Pemberton, Oliver, Rudin, Herschberger, Herschberger, White, Zarley, Culberson, Janke, Knotts, Yarnes, Rees, Bushnell, Pritchard, Crawford, Hershberg, Chapin, Phillipot, Blanchard, Walker, Johnson, Sweet, Brown, Cook, Harris, Hardy, Craig, Shank, Carpenter.

Freshman Glee Judges  
Music: Professor T. S. Roberts, Mrs. A. A. Schramm, William Wright.  
Words: Rev. H. C. Stover, Miss Genevieve Thayer, Frank Alfred. Adaptability: Miss Ruth Bedford, Miss Lena Bell Tartar, Leon Jonsson.  
Presentation: A. A. Schramm, Professor Cameron Marshall, W. L. Phillips.

## COMMITTEE CHOOSES PLAY FOR MAY-WEEK

"A Scrap of Paper" is the title of the Junior play to be presented at May Week-end. The play centers around a piece of paper which causes the many difficulties encountered by the characters in the play.  
The play was chosen by a committee, of which Helen Stiles is chairman. The other members are Mary Riddell and Charles Campbell, assisted by Professor Rabe.  
The cast of the play contains twelve people: six men and six women. Tryouts will begin March 1) with any member of the Junior class eligible.  
DEAN HEWITT SPEARS  
Dean Roy R. Hewitt of the law department was the principal speaker at the meeting in Klammath Falls of the Southern Oregon Bar association Friday evening, February 27. He discussed the duties of a lawyer to the general public.

## Men's Glee Club Sponsors Visit of Ernest Davis

Prominent Reviewers Give Singer Big Send-off on Pacific Coast

Ernest Davis, famous tenor and opera singer, appears in concert next Tuesday evening, the 11th of March, at 8:15. Owing to certain conflicts the concert will be held

ERNEST DAVIS

at the First Methodist church, instead of at Waller Hall as was previously announced.

A large crowd should be present to greet the renowned tenor. It is significant that a school of Willamette's size is able to have such a concert. Davis is sponsored by the glee clubs, and assisted by the men's glee club.

The men's glee club, which appears as it will on the tour, will sing two groups. The numbers are: "Morning"—Spears; "Give a Man a Horse He Can Ride," (Continued on page 3)

## SEATTLE SITE OF FORENSICS

Ray Lafky and Ralph McCullough Represent Willamette

EXPERIENCED MEN GO

Contest Scheduled for U. of W. Campus Week-end of April 6, 7, and 8

Ray Lafky and Ralph McCullough have been chosen to represent Willamette in extemporaneous speaking and oratory, respectively, in the Pacific Coast contest which will be held on the University of Washington campus in Seattle on April 6, 7, and 8.

In the extemporaneous speaking contest Ray Lafky will first speak with the representatives of eleven other colleges in a preliminary contest. Following that the six best speakers will appear in the main contest. In this there will be no special subject but the speaker must talk on any subject given him, with a time limit of 10 minutes. The oratorical contest, in which Ralph McCullough will represent Willamette, will be conducted in the same manner with the exceptions that the speaker is allowed to choose his own subject, and his time limit is fifteen minutes.

Both Lafky and McCullough are most competent as representatives of Willamette and they are working hard for the events. Lafky is a Junior, has been a member of the varsity debate squad for three years, and was manager of it last year. McCullough is a Sophomore, and a varsity debater. He has had considerable experience in oratorical work. He represented Willamette last year in the Othello Oratorical. Both men debated the "Chain Store" question this year, defeating U. of O.

The largest colleges along the Pacific coast are included in the conference. Besides Willamette the following will compete: U. of Washington, Washington State, U. of Idaho, Whitman, U. of O., Stanford, U. of Southern Calif., Occidental, U. of C. at L. A., and U. of Arizona.

## GENERAL EVERSON FORCEFUL SPEAKER

Willamette was honored Tuesday by a chapel address by Major-General William Everson, who is an ordained minister. During the war, General Everson commanded an American regiment in France and later the American forces on the Italian front.

Major-General Everson says that the "bigger thing that is wrong with the world today is human selfishness. "Only through the church under the leadership of God can the world be saved."

He also states that the world is waiting for men and women who are trying and who will go out into the world and stand on their own feet. "We are living in a time when the world is cracking open with opportunities to those who are willing to do something and unless students devote the maximum of their abilities they will never be successful."

The speaker emphasized the fact that no matter what your problem is, God answers prayers. Major-General Everson's dream is that the United States will so play the game that the other nations of the world will thank God that its shadow has fallen on them.

## THETA ALPHA PHI WILL GIVE PLAYS

Theta Alpha Phi originally planned to present three one-act plays this month with some of the members of that organization as coaches, but due to the fact that the coaches are extremely busy at this time, the production of the plays will be postponed until some time in April, at which time two one-act plays will be given in chapel.  
As a result of the try-outs held several weeks ago, Prof. Rabe states that he found exceptional ability in some of the students who tried for parts, and that there is a great possibility that they will be in the coming plays.

## Rev. C. M. Duncan Gives Thursday Chapel Speech

Speaker Does Representative Field Work for Willamette University

In an inspiring chapel talk last Thursday, February 27, Reverend Charles M. Duncan, field representative for Willamette University, stressed the need for our investing our lives so that we will count for the most.

He stated that the charge of each individual is to choose the best—that the good is not enough.  
The spirit of co-operation he considers essential to success. "Be satisfied to do things as part of the team," he advised the students, showing that co-operation with others will get one further in the world. For example, he told of a game years ago between the Illinois and Michigan football teams, in which Red Grange played on the latter team. The hard knocks this great half-back took, his unequalled playing, and his co-operation with his team, aroused Reverend Duncan's intense enthusiasm and impressed him greatly.  
"Success," Reverend Duncan stated, "means perfect choice of things toward which you are working. You have just one life to invest and no more. To you is the privilege of choosing."

## FRESHMAN TEAM DEBATES U. OF W.

Two to One Decision Given Local Men; Cross Question Style Used

Friday night, Feb. 27, Willamette held her first fresh debate, winning a two to one decision over their opponents from the U. of Washington. Ross Knotts and Charles Gianoli defended the negative of the question, "Resolved, that the nations should adopt a policy of free trade." Ray Lafky acted as chairman, and the judges were local men.

The first affirmative speaker, a Washington man, defined the question so that the audience could more easily understand the arguments, and so there could be no extraneous arguments brought in. Then he restated the question, including the definitions of the terms, "Resolved, that the nations collectively ought to adopt a policy which makes no distinction between domestic and foreign goods." The arguments of both sides seemed to clash on the issues of the unemployment situation, standards of living, and international prosperity. Many authorities were quoted by both sides. Among them were: Henry Clay, Senator Borah, and Young, English economists. The cross-question style of debate was used, for the first time this year at Willamette. The questions helped to insure that all arguments were sound, and they are frequently a means of leading opponents into a trap, and making them admit things they did not want to admit.

Willamette's men are both experienced, although they are freshmen. Gianoli debated two years in high school, participated two years in oratory, and was president of the Grant high school debate club. Knotts debated in high school one year, participated in oratory two years, winning third prize in the state and a fifty dollar prize last year, and was a tryout for the first oratorical contest at Willamette this year.

More debates are being planned for them, and for the other fresh team, composed of Willis Schuler and Kenneth Oliver. Larger attendance at the debates would be appreciated by the teams.

## STUDENT VOLUNTEER MEETING LAST WEEK

The Wesleyans enjoyed a student volunteer program Thursday noon, Feb. 26, under the leadership of Miss Virginia Slasser. A group of letters were read by Miss Nellie Badley. They were written by an Indian girl in India, giving her impressions of her school life.  
An interesting article of the experiences of a medical missionary in Arabia, was read by Miss Jennie Lilly.  
Miss Slasser, who attended a student volunteer council in the east last summer, told something of the purpose and of the organization of the student volunteer movement.

Thursday noon of this week, Miss Helen Cammack will lead a devotional program.

Roy Harland

Charles Campbell

These two experienced debaters will debate against the Porto Rico debate team on March 11.

## MATTHEWS SPEAKS ON DRINK QUESTION

Professor Matthews gave one of his interesting talks last Monday when he addressed Willamette students concerning the evils of drinking. A number of main points were stressed in the talk, each in turn being illustrated. In pointing out the prevalence and power of drinking, Professor Matthews said:  
"A confirmed drunkard, one who has lost all hope of ever being reclaimed, is one of the saddest specimens of humanity to be found anywhere.  
"A person sleeping off a drunkard's debauch is a pitiable spectacle.  
"No man when he begins to drink can determine beforehand whether he will turn out to be a moderate drinker or a confirmed drunkard.  
"Drunkards are not confined to the poor, the ignorant, or the dull. Drunkards are recruited from all classes, the noble, the honorable, the fine, as well as the sordid and ignoble.  
In conclusion to his talk, Professor Matthews points out the power of drinking over morale, by stating, "When I hear of good citizens talking about personal liberty, the right of one to eat and drink what he pleases, I think of the wives and children who have been beaten and starved by the husband and father who had promised to protect and serve them. When I hear good citizens declaim that a real he-man can stop with one glass, or even quit drinking entirely if he wants to, I recall more than one man I have known, cultured, talented, manly, who with tears in his eyes acknowledges to his shame that he could not resist the appetite for drink."

LAUSANNE WOMEN SWELL SICK LIST  
Lausanne hall may at present be rightly termed a hospital, or at least a convalescent home. More of the inmates are sick than otherwise. This girl has the "flu," that one a wrenched ankle, someone else just had a tooth pulled, and so it goes. Several of the girls are getting very fine nurses' training. Perhaps this epidemic will help some of them decide just what their life work is to be.

The "signing-out" sheet looks as if it were sick, too, and a good many "boy friends" are standing out on the front walk with a woe-begone expression on their faces. Oh, well, all things come to him who waits, and perhaps the rest of us will get sick in the course of time.

## PLAY PRESENTED BY UNIVERSITY LEAGUE

The University Edworth League presented the play "In His Strength" last Sunday evening at the First Methodist church. The play was under the direction of Virginia Durkes as chairman, Margaret Sterenson, director of religious education, and Helen Pemberton directed the production.  
The three-act playlet dealt with the life of Peter the Apostle. The following students composed the cast:  
Peter—Eugene Smith; Adah, his wife—Ruth Schreiber; Zillah, her mother—Jean Forrest; Andrew, Peter's brother—Wesley Janke; James, a disciple of Jesus—Willis Hershey; John, another disciple—Melvin Zahry.  
Forrest Holladay had charge of the lighting effects. Wesley Janke was stage assistant and Virginia Durkes was costume chairman. Blanche Reeco had charge of the stage design and scenic effects.

## WALLULAHS WILL BE DISTRIBUTED JUNE 1

1931 Issue to Contain Spring Sports, May Day for 1930 and Current Year

Wallulahs will be distributed June 1 instead of May Day. This comes as a result of the new policy which provides for the inclusion of spring sports and May Day features for the year corresponding to the annual. Accordingly the 1931 annual will contain accounts of spring sports and May Day exercises for both last spring and the coming spring.  
Under terms of a four-year contract made by the 1930 Wallulah editor, this year's annual will bear the same cover design as that of last year's. The color will be different.

## U. OF O. DEBATE HERE MARCH 6TH

Willamette's women debaters are working hard in preparation for the dual debate with the University of Oregon which is scheduled for this Friday night.  
The negative team, composed of Barbara Elliott and Lillian Beecher will travel, and the affirmative team, composed of Doris Corbin and Kathleen Skinner, will debate in the Willamette chapel at 7:30.  
This is one of the big forensic events of the year, and all four members of the squad have been devoting a great deal of time and hard work to the preparation of their speeches. Everyone is invited, and those who come will be insured a good, live debate.

## Professor's Hobbies Are

Range From Poetry to Einstein  
Varied -- Often Amazing

All great men have their weaknesses: Washington liked chickens; Napoleon enjoyed a good fight, and the Prince of Wales simply "falls for horses." Even Willamette professors have hobbies, varying all the way from illustrated lectures to collections of stuffed amoeba.  
From knowledge gathered around school and choice bits of gossip acquired here and there, a fairly sizable collection of the favorite pastimes of W. U.'s faculty has been obtained.  
Professor Monk has two special hobbies: grasping the spheroid in his phalanges to shoot a basket and sprinting to school in the early morning. Professor Matthews is interested in Finland, while Dr. Alden finds the private lives of historic characters gripping as well as educational. Nothing glazes Dean Erickson more than getting Japan at two o'clock in the morning.  
Dr. Kohler has an affinity for Shakespeare and Dr. Pierce is partial to Tennyson. Dr. Campbell writes stories and poems, finding a great deal of pleasure in his writings.  
Professor Clark is intensely interested in rocks and remains, while Professor Jones likes vestigial remains. Tennis and chess consume Dr. Winn's spare moments, when he is not teaching or lecturing or writing poetry or prose or inventing or doing research work.  
Dr. Franklin is a Mazama and finds mountain climbing enjoyable. Dr. Laughlin has recently taken a liking to questionnaires, and Professor Oliver is an ardent handball artist.  
Dr. Gatie's garden calls for a great deal of attention, while Professor Peck likes flowers in collections all labeled with long names.  
Not so long ago Professor Johnson became attracted to chemistry books written in German and he has since then spent many hours reading "Deutsch."  
Lectures by well known authors are favored by Professor Richards. Professor Harworth likes Spanish and more Spanish, while Professor Hays is fond of talking, which he finds little time to do in classes where everybody else is practical—the art.  
Mrs. Ellis finds that cooking is a great relief after teaching Latin all day. Dean Dahl is learning anatomy from her scientific German class in exchange for the facts she teaches to them.  
Running is class seems to be a favorite form of amusement for Professor Brown. Dr. Vazakas is partial to Greek restaurants, and Dr. Schulze likes football, baseball and basketball.  
Professor Marshall enjoys "singing in the rain" or in the sunshine. Maplewood floors is the special hobby of Miss Latimer.

## SPRING IS DUE HERE MAR. 13

Salem Merchants to Stage Annual Spring Opening Celebration

W. U. PARTICIPATES

Collegian Will Publish Special Edition Featuring Season and Event

Casting superstitious to the winds, along with winter and the black, dead past, Salem merchants are co-operating with the Salem Ad club in staging what promises to be one of the most elaborate Spring Opening celebrations ever held in Salem—on Friday the thirteenth!

At 8:30 in the evening, factory and city whistles will tell the exact moment of the coming of spring to Salem, and the windows of the many Salem business houses participating in the event will be unvelled, displaying to the crowds the latest in spring merchandise in the most modern and approved arrangements.  
Entertainment for the ears as well as for the eyes will not be lacking. Bands will be stationed at intervals along downtown streets. From High to Commercial on State and Court to State on Liberty, streets will be cleared of motorists to make way for the automobile show. For fashions in automobiles and dresses are alike tickle.

For the first time in several years the spring opening is to be staged at least a week before Willamette's spring vacation, so that university students may be present to witness Salem's Spring festival. Different groups of university students are being asked to furnish a portion of the entertainment and the Collegian has been invited to participate in spreading the glad tidings. As a part of its contribution, the Collegian will next week publish a special edition, featuring Spring Opening, its activities and the new fashions it brings in many lines of business.

Spring Opening in Salem was originated by and is the responsibility of the Salem Ad club, a group of Salem business and professional men interested in the growth of Salem. It is the boast of both members and non-members that these events sponsored by the Ad club have helped to develop the art of window-decoration in Salem to a high degree.

Ralph H. Kietzing is general chairman of the Opening and will be assisted by Verne Suiko, Carl Ramseyer, C. A. Sprague, W. M. Watkins, C. M. Lee, Earl Smith, (Continued on page 3)

## Weary Hostesses Proudly Open House a Strenuous Affair Display Dustless Rooms

Inter-Sorority Open House is over. The Willamette campus is full of intellects recuperating slowly from a super-human effort at making a favorable impression. To whom it may or may not concern—Sorority Open House is a strenuous affair. The impressions which the general public gather are merely the result of the final spasms on the part of the girls. Of the many preparations which begin as long as two weeks before, and increase to a feverish intensity, there is no indication in the cool exteriors of the hostesses.  
During the last day or two before Open House, the girls thought with tender longing of the time when the house was comfortable—when nobody was stiff from cleaning floors or sore from falling on them. There was a time before they washed the covers for their cots when one could actually sit or lie down on them without being shouted at! And what bliss it was to be able to find a book without having to hunt for it in some secluded spot to which the guests would not penetrate.  
The climax came, twixt the finishing touches, on the last day.

Punch to be made; sinks to be washed; floors to be swept; beds to be made without a wrinkle; and wherever one went, she was greeted with shouts of, "Be careful! "Oh, don't do that! You're getting it dirty!" A cobweb, discovered in some corner, brought forth a shout of horror, and a mad rush to wipe away the incriminating evidence of such filth!  
Then came the fatal evening! With fear and trembling, the punch was served. Oh, would it last! Oh, would it spill! The weary receiving lines stood and greeted endless streams of guests. Joy, or joy! None of the guests found any dirt when they ran their fingers along the top molding! And at last it was over. The receiving line collapsed weakly on the davenport, and the girls gleefully drank the punch, which did, after all, hold out.  
And now life is again jogging on its comfortable way. Cots can be sat on. Floors can be walked on. Extra furnishings and coquettish French dolls have disappeared from the rooms. The familiar litter of books has reappeared. No one shrieks at the sight of a cobweb. Inter-Sorority Open House is over!

PAGING EMILY POST

Somewhat shocking is the lack of "savoir faire" among various fraternity members on the campus. Social training should be as much the function of a college education as is the pursuit of knowledge.

"Hacks" or tubbings are consistently administered by fraternities on large campuses, not only for the usual misdemeanors but also for failure to observe the points of etiquette expected of them.

If no man is available to give instruction of this nature, no doubt the organizations could secure advice from the dean of women or a sorority house mother.

WE NEED ONE

Numerous people in each of the houses and in the hall are more or less seriously ill with bad colds, flu and other contagious ailments.

When Freshman Glee first started, some 25 years ago, its main purpose was to encourage the composition of original school songs.

WHY IS THE GLEE?

The most important function of the Glee, on the other hand, remains the same as in the beginning—to compose a singable college song.

No matter how many millions a man has in the bank, if he doesn't contribute more to life than he takes out, he is a beggar—Bishop Herbert Shipman.

Freshman Glee tickets obtained from the various class presidents may be exchanged for reserve seats tickets at the gym office Friday, March 6.

Coffee House will initiate pledges tonight at Willamette Lodge.

Caps and gowns are now ready for distribution. Call for them soon with your deposit of \$2.50.

Freshman song practice is held daily in the chapel at 12 o'clock and 4 o'clock.

Sophomore song practice is carried on daily in Music hall at 12 o'clock and 4 o'clock.

Every day, after chapel, the Juniors conduct practices in the Y. W. room.

Seniors practice their song daily at 12 o'clock and 7 o'clock.

Seniors are asked to pay the \$5c due for cap and gown pictures. See Helen Stiles or Floyd Albin.

Y. W. NOMINATION PETITIONS DUE SOON

Another year has been seen through the eyes of the "Y. W." Cabinet, and it is again time that petitions be started for nominating the new cabinet, the nucleus of the "Y."

The elective officers are the president, who must be of junior rank and must have served a year on the cabinet, and the vice president, the secretary and the treasurer.

Every woman on the campus holds the right of initiating a petition.

These petitions must have twenty-five signatures and the approval of the nominee, and should be handed to Lucille Brown by Friday at 4:00 o'clock of March 13.

Patronize Collegian Advertisers

Campus Litterae

The material appearing here today was written by the "Honor A" English class of Professor Richards.

HILTOP REST
Upon the hill of Charlotte-Blaine, I lay and listened to the bell Whose notes were bounding from the plain Like echoes from an empty well.

Wallowa rose against the sky All jagged rock and fractured snow— Beneath me misty clouds trailed by Like sheep-bands on the fields below.

And over yonder desert land All brown and dusty in the light, I saw, above the yellow sand, A row of mountains black and white.

And there the meadows green and round Fit smoothly to the mountain form, And craggy cliffs sprang, summit bound, In shadowed gullies dark and warm.

All quiet on this Charlotte-Blaine I lay and closed my eyes awhile; Amid the peace of hill and plain I slept and dreamed... to see God smile.

LIFE

"I've seen everything there is," yawned the play-boy. "I've tasted all the thrills. There's nothing left in life for me."

"He drank too much one night— Too bad.

"I can't make a go of it," the quitter groaned. "I'm through trying—never got a break—I give up."

"He turned on the gas— It's sad.

"What is life? Why is life? Who is God? What am I doing here anyway? Why can't I know?" the deep thinker cried.

"He's in the burghouse— Gone mad.

"It's a great experience. I'm learning something every day. Life's been good to me—I'm not kicking," a hundred sane, normal people told me.

"They're alive and happy—I'm glad!" —DARLOW JOHNSON.

FINIS

The sun rose late on that morning in January, turning the snow-covered plains, fences and buildings of northern Montana into glittering fire.

In the home of the bereaved family, all was quiet confusion. The relatives, come from Oregon for the funeral, hastily planned last-minute details.

The officers who will serve this conference are: Elizabeth Scraggs, president; Elizabeth Steele, first vice-president; Muriel White, second vice-president; and Emma Lee Baldwin, secretary.

CLASS OF 1912 INAUGURATE GLEE

Freshman Glee was initiated into its new traditional place in Willamette life by the class of 1912 in their freshman year.

Freshman Glee has grown to be one of the most unique features of Willamette life, and the Freshman class of 1931 cordially welcomes all to the twenty-fourth annual Glee.

EUGENE HOST FOR GIRLS' CONFERENCE

Eugene will be the scene of much activity next week-end when the Older Girls' conference of the Protestant Sunday schools of Oregon will be in session.

The conference will be divided into six groups, each group having one adult leader and one girl leader.

The delegates will be entertained in the homes of Eugene people. A banquet will be held on Saturday evening in the First Methodist church.

The officers who will serve this conference are: Elizabeth Scraggs, president; Elizabeth Steele, first vice-president; Muriel White, second vice-president; and Emma Lee Baldwin, secretary.

The delegates will be entertained in the homes of Eugene people. A banquet will be held on Saturday evening in the First Methodist church.

Student from Japan Enrolls in Willamette

Kyozo Ariyama Former Scholar of Japanese Middle School in Fukoda

Kyozo Ariyama, directly from Japan, a graduate of the Japanese "middle school," has enrolled as a student of Willamette University.

Kyozo Ariyama entered the university immediately upon his arrival from Seattle, after having sailed from Fukoda, Japan, his former home.

He has completed a five year course of preparation in the Japanese "middle school" at Fukoda. This is equivalent to a school between our junior high and high school.

At Willamette, Koro Ariyama is majoring in physics. He is enrolled as a regular student, and, in addition, listens to an English class in composition.

There have been, also, other Japanese inquiries concerning Willamette university.

As he enters his third year, former Kaiser Wilhelm II is interested in aviation, theology, archeology and the so-called "war-guilt" question.

Brick-Bats or Bouquets

Dear Editor: Sorry to bother you again so soon, but I just have to get this off my mind. It bobs up every day I come to class.

But anyway, the buzzer in my bonnet is that when a boy's (that's a word they used when I was a rookie) when a boy's tongue rattles like the firing-pin in a machine gun.

Now, don't mistake me. I'm all for tradition, cords, and rook lids, etc., but sometimes they are just too much for me!

And came along open house among the sorority: Lawrence Gibson, seeing the third floor of the Delta Phi house, says to someone, "What's this used for?" and "Well, its use is for what it isn't used for."

And then there was the Rose boy and his friends from the Kappa sanctorium who did their annual Sherlock Holmes and discovered dust on the door casing at Beta Chi.

Every individual should be allowed to dress as he chooses. We pride ourselves in being Christian students of a Christian school.

Not so long ago there was quite a little disturbance on the campus because the students felt they were being held in subjection by the board of trustees.

And the man who attempted seriously to dislodge the napkin from the hands of the fluff doing the serving—we can't pass him by. We heard him say to the better half: "She's served six people and still has that napkin."

Now, here is something you mustn't treat light. We're having our Glee Saturday night.

"Well, what of that," I hear you say. Just take in this: Just this. Hey! Hey!

The seats are sold For our affair And Portland's having An opera there.

They come on masse To see our glee, And give the air To the operce, That is something!

And for fear the opera management won't like what we've said, we'll be leaving. However, we won't go far—not so far that we won't be back next Thursday.

The Italian Senate is composed of persons chosen by the king to represent the nation because of some outstanding accomplishment in their special line of work.

Perhaps if our friends of the committee could hear all the cussing and kicking and complaining that has resulted from the new system, they would not worry so much about spoiling the psychological effect of an impressive talk.

But it's a great system anyway. In the first place, it gives people

like me a chance to blow off a lot of hot air.

In the second place, it reduces the unemployment problem by giving someone a job taking care of the bulletin board and receiving criticisms from the dissatisfied parties.

In the third place, it gives students a better excuse for failure to attend meetings they didn't want to go to.

We hope it works as well next fall with football as it is working this spring with debate.

And so we express to the committee from the east our heartfelt thanks and appreciation, and hope they'll come again next year.

ROSS KNOTTS.

Along the Way

And came along open house among the sorority: Lawrence Gibson, seeing the third floor of the Delta Phi house, says to someone, "What's this used for?" and "Well, its use is for what it isn't used for."

And then there was the Rose boy and his friends from the Kappa sanctorium who did their annual Sherlock Holmes and discovered dust on the door casing at Beta Chi.

Every individual should be allowed to dress as he chooses. We pride ourselves in being Christian students of a Christian school.

Not so long ago there was quite a little disturbance on the campus because the students felt they were being held in subjection by the board of trustees.

And the man who attempted seriously to dislodge the napkin from the hands of the fluff doing the serving—we can't pass him by. We heard him say to the better half: "She's served six people and still has that napkin."

Now, here is something you mustn't treat light. We're having our Glee Saturday night.

"Well, what of that," I hear you say. Just take in this: Just this. Hey! Hey!

The seats are sold For our affair And Portland's having An opera there.

They come on masse To see our glee, And give the air To the operce, That is something!

And for fear the opera management won't like what we've said, we'll be leaving. However, we won't go far—not so far that we won't be back next Thursday.

The Italian Senate is composed of persons chosen by the king to represent the nation because of some outstanding accomplishment in their special line of work.

Perhaps if our friends of the committee could hear all the cussing and kicking and complaining that has resulted from the new system, they would not worry so much about spoiling the psychological effect of an impressive talk.

But it's a great system anyway. In the first place, it gives people

## Sororities At Home To Friends

Saturday night was the occasion of another annual sorority open house. Spring flowers and spring weather helped to make this event a successful social function.

The Beta Chi sorority received early in the evening. Mrs. Mildred Pugh Emmons received at the door throughout the evening. Miss Louise Brown introduced to the receiving line in which were Miss Evelyn High, Mrs. Marguerite P. Elliott, and Dean and Mrs. Frank M. Erickson.

Mrs. R. C. Alken and Mrs. N. C. Christianson poured. Serving were Miss Isabel Morehouse, Miss Lida Catton, Miss Mary Scott, and Miss Margaret Purvine.

The program consisted of vocal solos by Miss Josephine Albert accompanied by Miss Rosalind Van Winkle, and Miss Helen Cochran, accompanied by Miss Miriam Armitage, a vocal duet by Miss Billie Byars and Miss Sue Pringle. Each guest was presented with a favor.

The Delta Phi sorority was at home Saturday evening from 8:30 until 9:30. Guests were met at the door by Miss Margaret Eddy and Miss Bertha Babeock. Miss Edith Findley introduced to the receiving line. In the line were Miss Elizabeth Atkinson, Mrs. Paul E. Edwards, Prof. and Mrs. Morton E. Peck, Miss Jean Middleton, Miss Marian Bretz, Miss Dorothy Bonshard, Miss Betty Lewis, Miss Lena Medler, Miss Iva Claire Love, Mrs. Mary Allen Miller poured while Mrs. Nellie Badley, Miss Beuna Brown, Miss Viola Crozier, and Miss Gertrude Oehler served.

Miss Marjorie Wunder, Miss Helen Peck, Miss Elizabeth Clement, and the Delta Phi trio furnished a program several times during the evening.

At the Alpha Phi Alpha house, the guests were received at the door by Miss Elizabeth Ogden and were introduced to the receiving line by Miss Helen Stiles. In the line were Margaret Warnke, Mrs. V. V. Johnson, President and Mrs. Carl Gregg Doney, and Dr. and Mrs. R. M. Gatke.

Miss Irene Breithaupt and Mrs. Alice Fisher poured while Helen, Irma Sawyer, Estel Chaney, Ellen Jean Moody, Maxine Urick, Benetta Edwards, Dorothy Eastridge and Rosetta Smith assisted about the dining room.

Lois German presented the guests with favors.

Betty Ogden sang and Lulu Allen played the violin several times during the evening.

Mildred Miller spent last week end at Mt. Hood.

Dorothy Rose spent the week end at her home in Portland.

Mr. and Mrs. Cal Brown, of Manson, Washington, spent last week in Salem visiting their daughter Miss Beuna Brown.

Mrs. H. V. Johnson and Miss Lois Latimer were dinner guests of Miss Lida Johnson at Lausanne hall last Sunday.

Mildred Bowman, Isabel Teare, Katherine Holden, Jeaf Forrest and Verdella Mueller were in Portland over the week-end.

Mary Riddell spent the week-end in Seattle where she attended Tau Phi Delta formal at the University of Washington Saturday night.

Several others spent the week-end out of the city: Marjorie Wunder, Lida Hanna and Barbara Richmond were in Independence; Elsie Gehlke and Esther Winters in Ridgefield; Roberta Archibald in Tangent, and Hannah Haselton in Vancouver, Wash.

## Spring Is Due

(Continued from page 1)

E. A. Brown, P. C. MacDonal, and H. R. McWhorter.

Filling the evening of March 13, (when the weather man assures anxious Salem business men, it will NOT rain) to the very brim with looking and listening, has been deemed insufficient celebration for the coming of spring. A treasure hunt of the non-hazardous type has been arranged. Stores participating in the event will begin early next week to give to their customers treasure hunt tickets. When the windows are unveiled Friday night many of them will feature treasures in the form of merchandise, each bearing a number which will also be found on one of the tickets.

Spring Opening in Salem has always been a colorful event. To many Willamette students it is an unknown quantity, but to others investigation has proved it to be not merely an advertising feature but a genuine festival.

## Social Schedule

Friday, March 6—Open. Saturday, March 7—Freshman Glee. Wednesday, March 11—Musical program sponsored by Glee clubs. Porto Rican debate. Friday, March 13—University Epworth League party. Monday, March 16—Music department program by Miss Boylan, Joannette Scott. Wednesday, March 18—Women's debate with Whitman. Thursday, March 19—Men's debate. Friday, March 20—Spring vacation begins at 4 o'clock.

## Mrs. Doney's Tea

The women of Willamette university had another opportunity to spend an hour at tea with Mrs. Carl G. Doney on Monday afternoon. These informal affairs are always very enjoyable. Those assisting Mrs. Doney were Miss Sue Pringle, Miss Marjorie Wunder and Miss Lida Hanna.

## Alpha Psi Dinner

On Saturday evening the Alpha Psi Deltas entertained a number of the Delta Phis and Mrs. Paul Edwards, Delta Phi house mother, at an informal dinner. The guests included Mrs. Paul E. Edwards, Miss Elizabeth Atkinson, Miss Nellie Badley, Miss Beatrice Hartung, Miss Alvis Love, Miss Pauline Livesay, Miss Beuna Brown, Miss Lois Wilkes, Miss Elizabeth Clement, and Miss Mildred Miller.

On Sunday the members of the Alpha Psi Delta fraternity entertained their initiates at dinner at the fraternity house.

The new members include Mr. Bill Waring, Mr. Arthur Erickson, Mr. Gerald Carpenter, Mr. Joe Blanchard, Mr. George Douglas, Mr. Ted Parker, Mr. Miles Woodworth, Mr. Dwight Miller, Mr. Lowell Gribble, Mr. Fred Smith, Mr. Percy Sweet, Mr. James Burdette, and Mr. Chester Pritchard.

## Senior Orals

(Continued from page 1)

May 13: Fisher, Constance—Kohler, Richards, Pearce, Ellis, Hartung, Lillian B.—Vasakas, Hawthorth, Oliver, Spaulding, Bruce—Gatke, Lockenour, Franklin—Sorenson, Norman—Matthews, Johnson, Latimer.

May 14: Kutch, Robert—Gatke, Lockenour, Sparks.

May 15: Wilson, Lottie Lee—Alden, Jones, Schultze.

May 18: Hollenberg, Arthur—Brown, Johnson, Franklin.

May 20: Nelson, Lars—Vasakas, Dahl, Hawthorth, Mitner, Amanda—Schultze, Matthews, Winn.

May 22: Bruner, Hazel Marie—Schultze, Clark, Hawthorth.

May 27: Bretz, Marian—Vasakas, Hawthorth, Clark, Bateson, Cornelius—Gatke, Erickson, Lockenour.

## Initiation Week Ends Sunday

The Sigma Tau fraternity announces the formal initiation of Mr. Melvin Zahry, Mr. Francis Flint, Mr. Marshall Hartley, Mr. Marvin Crawford, Mr. Fred Blatchford, Mr. Herbert Hardy, Mr. Blas Leslie, Mr. Ralph Foster, Mr. Luther Chapin, and Mr. Ray Griffith.

A breakfast honoring the new members was given Sunday morning, March 1, in the new luncheon room at the Gray Belle. Thirty members and alumni were present. Mr. John Gilhouse, president of the fraternity, was the toastmaster and introduced the speakers. Mr. Sheldon Sackett spoke, representing the alumni; Dr. R. M. Gatke spoke in his capacity as a faculty member; Mr. Charles Campbell was speaker for the older members; and Mr. Fred Blatchford replied for the newly initiated members.

The fraternity then attended Episcopal church for morning services.

## Men's Glee Club

(Continued from page 1)

O'Hara; "Uncle Rome"—Homer; "Galloping Dick"—Borwald.

This is the first appearance of the men as a touring club.

Noticing the Handel numbers which are on Davis' program, one is interested in this comment from the San Francisco Examiner, following one of Davis' performances:

"As soon as he began 'Comfort Ye,' Handel lovers sighed a sigh of relief and sat back in their seats to drink in the beauty of it."

Concerning "Sound an Alarm," which appears on the program Davis will sing for us, the New York Morning Telegraph said:

"What a program! One will go a long way and wait a long time to hear another. It was no easy thing Ernest Davis set himself, to sing the unaccompanied phases of the Handel oratorios. He made the Judas Maccabees music human, dramatic, alive. The cry, 'Sound an Alarm,' was magnificent, nothing less—magnificent. Yes, ladies and gentlemen, a great concert."

Lovers of music both in Willamette and in town are to have an unusual treat in hearing Ernest Davis, the famous American tenor.

Program, Ernest Davis, tenor, assisted by Ralph F. Roth, pianist and accompanist.

Recitative, "My Arms Against This Gorgias, Judas"—Handel; Air, "Sound an Alarm" (Judas)—Handel.

"Botenschaft"—Brahms; "Die Liebe hot Gelogen"—Shubert; Nocturne, Chopin; Fantasia, Impromptu, Chopin; Mr. Roth, "Die Allmacht"—Shubert; Mr. Davis.

"Sea Rapture"—Coates; "I Know of Two Bright Eyes"—Clutsam; "Day" (Dedicated to Mr. Davis)—Roth; "Kangaroo and Dingo"—German;

"Romeo's Ladder" (Dedicated to Mr. Davis)—Roth; "Every Sunday Morning"—Harding; "At the Postern Gate"—Branscombe; "Celesta Aida" (Alda)—Verdi; Mr. Davis.

The additional fields covered by the lectures was suggested by the success of last year.

Sessions will begin at nine a. m. and will continue until five p. m.

## POLICE SCHOOL TO OPEN NEXT WEEK

Eighteen Authorities on Law Enforcement Will Give Lectures

Promotion of police efficiency for law enforcement officers is the purpose of the second annual police school. The school will be conducted by the Willamette university College of Law in the House of Representatives in the state capitol March 9-14, inclusive.

Eighteen outstanding specialists will give lectures on law, psychology, technique and practice involved in crime and its prevention.

Cognizance of the facts that crime is organized and has material value, is of great cost to the public and has greater proportions than any legitimate industry is the reason given for the unusual interest which has arisen in the training of law enforcement officers.

The general outline for the lectures follows:

"Recognition and Preservation of Criminal Evidence"—six lectures, Luke S. May, criminologist, president and director of Scientific Detective Laboratories, Seattle, Washington.

"Cause and Solution of the Problem Arising from the Conduct of the Adolescent Girl,"—six lectures—Elizabeth Lessing, head of Crime Prevention Division of the Berkeley, California, police department.

"The Psychology of Crime and Criminals"—three lectures—Martin Ferrey, attorney and psychologist, Salem.

"Crime Prevention"—two lectures—A. E. Clark, attorney, Portland, Oregon.

"Highway Traffic and its Problems"—two lectures—Kent Shoemaker, chief of the Oregon State Traffic Division.

"The Law of Arrest" and "Insanity as a Defense,"—John Carson, district attorney of Marion county.

"Organization that the Efficient Officers May Secure Promotion"—Dr. Robert Moulton Gatke, associate professor of History and Political Science, Willamette University.

"City Traffic and its Problems"—two lectures—Captain Frank Ervin, police department, Portland, Oregon.

"Law Violations by the Law Enforcement Officer"—Dr. Roy M. Lockenour, professor of Law, Willamette University.

"The Law Regulating Search and Seizure"—three lectures—William S. Levens, assistant attorney general for Oregon.

"Reflexes of Third Degree Methods"—Earl A. Nott, district attorney of Yamhill county, Oregon.

"Organized Crime Prevention"—Captain R. L. Crane, police department, Portland, Oregon.

"Economic and Seasonal Causes of Crime"—Dr. S. B. Laughlin, professor of Economics and Sociology, Willamette University.

"The Organization"—Chief L. V. Jenkins, police department, Portland.

"Department Cooperation and Public Contacts"—Lieut. William C. Epps, police department, Portland.

"Police Records"—Capt. Harry Niles, police department, Portland.

"The Conduct and Attitude of the Officer"—C. W. Barrick, district attorney, Tillamook county, Oregon.

"First Aid"—two lectures—Walter E. Campbell, M.D., Captain M. C. Oregon National Guard.

The additional fields covered by the lectures was suggested by the success of last year.

Sessions will begin at nine a. m. and will continue until five p. m.

## Classes Practicing Twice a Day for Freshman Glee

Carl Marcy Announces Plans Progressing Despite Condition of the Gym

Willamette's twenty-third annual freshman glee will be held Saturday evening, March 7, in the Willamette gymnasium. Manager Carl Marcy reports that all plans are nearing completion despite the fact that the gym is badly torn up by the building of new balconies.

Each class has been practicing twice a day this week, and each is confident that its is the prize song. Words and music of the senior class song were composed by Mr. and Mrs. Howard Miller; words of the junior song by Muriel White and music by Edith Findley; sophomore words by Lois Wilkes and music by Bob Magin; words of the freshman song by Ted Parker and music by Betty Boylan.

The glee committee has selected the following judges for the occasion: music, Prof. T. S. Roberts, Mrs. A. A. Schramm and William Wright; words, Rev. H. C. Stover, Frank Alfred and Miss Genevieve Thayer; adaptability, Miss Ruth Bedford, Miss Lena Bell Tartar and Leon Johnson; presentation, A. A. Schramm, Prof. Cameron Marshall and W. L. Phillips.

Men of the freshman class have constructed the stage in the west end of the gymnasium and it will be decorated by a local florist. All seats have been placed on reserve by Carl Marcy, and class presidents have been distributing tickets, two to each student holding an A. S. W. U. ticket.

All members of the freshman class will stay after the glee for a party and the clean up of the gym. The sophomores will hold their party at the Spa and the seniors will meet at the Gray Belle. At present the juniors have not announced the place they will hold their party.

## FORENSIC STUDENTS ARE DEBATE JUDGES

The forensic department of Willamette has supplied thirty judges for sixteen high school debates during the past season. Nine of the debates have required single critic judges and seven have used the team of three judges.

The students who have acted as critic judges are: Warren Campbell, Roy Harland, Warren McMinnee, Ralph McCullough, and Ray Lafky. Campbell and Harland served three times in that capacity.

The three team judges include: Lars Nelson, Lillian Bucher, Melvin Crow, Warren McMinnee, Virginia Durkee, Charles Gianoli, Ray Lafky, Ralph McCullough, Ronald Hewitt, Bob Kutch, Roy Harland, Bernard Newby, and Prof. Rahe.

There are three main points upon which the judges base their decisions—case, delivery, and adoption. At times the high schools require a slightly varied system. The critic judge receives a fee of five dollars. The other judges receive a smaller fee.

## EXPERIENCED MEN TO REPRESENT W. U.

Harland's Fourth Year in Varsity Debate; Campbell's Third

On March 11, Willamette is going to meet the University of Porto Rico in one of the biggest debates in which Willamette has participated. Roy Harland and Charles Campbell will defend the negative side of the question, "Resolved, that this house oppose the principles of prohibition."

Harland and Campbell were chosen for this debate, rather than members of the regular squad, because they are the most widely experienced debaters in Willamette, and because no squad member could do justice to this question besides allotting the necessary time to the varsity questions.

Harland is a junior in law and this is his fourth year as a debater for Willamette. After the Porto Rico debate, he will have earned an award as a token of gratitude for his excellent work. It will be a silver loving cup. Campbell has debated two years—this is his third, and he has one more year to debate before graduation. Campbell is a junior in liberal arts. Last year, both Campbell and Harland made a trip through the southwest. They represented Willamette at Tucson, Harland in oratory and Campbell in extemporaneous speaking. During their trip, they visited Mexico, where they saw non-prohibition conditions at their worst. Along a single street in a Mexican town, they counted fifty saloons. The children evidenced the lack of care of drunkard fathers, and the streets reeked of whiskey and drunkenness. This experience will be helpful in preparing for the contest.

It will be a silver loving cup. Campbell has debated two years—this is his third, and he has one more year to debate before graduation. Campbell is a junior in liberal arts. Last year, both Campbell and Harland made a trip through the southwest. They represented Willamette at Tucson, Harland in oratory and Campbell in extemporaneous speaking. During their trip, they visited Mexico, where they saw non-prohibition conditions at their worst. Along a single street in a Mexican town, they counted fifty saloons. The children evidenced the lack of care of drunkard fathers, and the streets reeked of whiskey and drunkenness. This experience will be helpful in preparing for the contest.

Harland's fourth year in varsity debate; Campbell's third.

Harland is a junior in law and this is his fourth year

# State Tournament to be Played Here March 18, 19, 20

## Sportorials

For another year the sports program of the conference has literally passed into history. With the going of football and basketball, the two really "big" sports have faded, and now we have only track, baseball and tennis to look forward to. We might make the prediction that Whitman will take tennis and track while the Bearcats annex the baseball title for another year.

Baseball talk brings to mind an event that few Willamette university students actually saw, the sensational no-run, no-hit game pitched by Andy Peterson, Keene's head twirler. It happened last summer while Andy was throwing for the Salem Senators and the victims were Corvallis. Even Ralph Coleman, well known for his basketball officiating here, fell before Peterson's fast ball.

A no-hit, no-run game is unusual for any pitcher in any league or at any age. Kids rarely do it in their sand-lot games, hardened veterans of the big leagues dream of it, many of them reaching the finish of years in the game without realizing their ambitions. But Andy did it at the age of 19, playing in a better class of ball than he did while he pitched for Willamette. That was proved when the Bearcats, champions of the northwest conference, were defeated by Frisco Edwards and his Salem team.

Andy ought to be able to repeat his sensational record this year. He's got plenty of assistance in the person of "Squeek" Wilson, a southpaw, but Cardinal will be missed behind the bat. Of course, there's Bob Houck, a reserve of last year, and Lowell Gribble, a freshman from Woodburn high school who batted an average of .403 in his last two years there.

We asked Pete Gretsche what position he played yesterday. "Oh, I fool around at pitching, catching, fielding, first base, second base, third and short. Sort of utility man if there ever was one."

## AVERAGE CLASSES SMALLER AT W. U.

Over Fifty Students in One Class Are Usual in Large Institutions

In the larger universities and colleges all over the country it is rather a rule than an unusual thing to have enrolled in a single class at least fifty or more students. In some of the general courses, such as Principles of Economics, in the larger institutions it is not uncommon to have from three to four hundred students enrolled in a single class.

The Willamette student has a great advantage over the students in these larger schools and should appreciate this fact. In Willamette's natural science group there are 69 sections with an average enrollment of 17 students each. In the social science group there are 64 sections with an average of 18 students to a section. In the language and speech departments there is a total of 93 sections with an average enrollment of 15 students to a class. And in the college of law there are 18 sections with an average of 14 students to each class. These facts present a startling contrast and an invaluable advantage to Willamette students in contrast with the larger institutions with 50 or more in each class.

## LAUGHLIN PUBLISHES GENELOGICAL DATA

Dr. S. B. Laughlin has made public figures he received from Pacific and Albany colleges in regard to the genealogical data requested from students.

The following numbers show the nationality of the Pacific College student body:

English, 37 1/2 per cent; German, 27 7/9 per cent; Norwegian, 11 1/9 per cent; Swedish, 11 1/9 per cent; Scotch-Irish, 4 1/6 per cent; Irish, 1 7/18 per cent; Dutch, 1 7/18 per cent.

The per cents of races represented at Albany college are:

Scotch, 16.66 per cent; German, 15.27 per cent; English, 13.88 per cent; Scotch-Irish, 13.44 per cent; Irish, 16.66 per cent; Norse, 5.55 per cent; Swedish, 5.55 per cent; Dutch, 2.33 per cent; Welsh, 1.33 per cent; Spanish, 1.94 per cent; French, 1.33 per cent.

Dr. Laughlin urges that Willamette students fill out the requested data-blanks and leave the information at his office, so that he can go on with his survey of this university.

## TOUGH PLAYING LOOKED FOR BY SPORT EXPERTS

Salem and Portland Schools, Sure Entries, Picked as Favorites

The leading high schools of the state of Oregon will meet in the Willamette gym, March 18, 19 and 20, for the state basketball championship. This event is one of great importance in the state and has been eagerly awaited wherever good basketball is played. Good, fast ball is played by most of the teams and the tournament should give the fan plenty of entertainment.

The trophies are the finest given so far. First place is a splendid prize cup standing about two feet high, of fame and the athlete. There is also a large silver cup for runner-up, prizes for individual players, and a suitable prize for the winner of the consolation tournament. These trophies are now in Salem on exhibition.

The strongest teams this year will probably hail from Salem high, the Portland schools, Bend, and the winner of district 4 in southern Oregon. The red and black prep work is fast, accurate at the basket, and boast plenty of spirit. Undefeated in scholastic ranks this year, they will be hard to turn under.

**Jefferson High Leads In Portland League**

The Portland schools look to be especially strong this year with Jefferson leading the pack. Jefferson has a strong offensive and defensive team, and is big, husky, and fast. Benson will probably win out over Grant, Franklin and Commerce for the B team to represent the metropolis. Ashland and Medford promise to make things hum in southern Oregon, and either team should cut a figure in the tournament. Bend is reported to have one of the strongest teams ever to play for the sagebrush school.

The tickets will go on sale March 9, and although 500 seats are being constructed, the finals should play to a capacity house.

- District 1: Harney, Malheur, Baker, Grant, Union, and Wallowa counties.
- District 2: Umatilla, Morrow, Gilliam and Wheeler counties.
- District 3: Sherman, Wasco, Hood River, Jefferson, Crook and Deschutes counties.
- District 4: Lake, Klamath, Josephine and Douglas counties.
- District 5: Coos and Curry counties.
- District 6: Linn, Lincoln, and Benton counties.
- District 7: Clackamas, Marion, Polk and Multnomah (outside Portland).
- District 8: Tillamook, Washington and Yamhill counties.
- District 9: Clatsop and Columbia counties.
- District 10: High schools in Portland. Two teams, A and B, with no tournament.

## WILLAMETTE SHOWS LOWER PERCENTAGE

The question often arises as to what percentage of the university and college student bodies are local. A local student is one that lives in the town or one who lives within commutable distance, usually about fifteen miles.

According to reports received at the registrar's office, some of the twenty typical universities and colleges of the country have an enrollment of as high as seventy percent local students. Others are lower. In contrast to this high percentage, at a well known college, is Willamette with a local enrollment of only forty-three percent. Besides these there are 53 Willamette students who live outside of the commuting area, but within fifty miles of Salem. Twenty-three percent of the Willamette student body comes from a distance of between fifty and a hundred miles. The remaining twenty-four percent come from distances greater than one hundred miles.

The outside states and foreign countries represented in the student body are: Washington, Idaho, California, Montana, Arizona, Kansas, Michigan, Missouri, Nebraska, Ohio, Texas, Alaska, Philippines Islands, Korea, Japan, China, and Russia.

**DRAMATISTS INITIATE**

Theta Alpha Phi held its formal initiation recently at the home of Dr. Gatto. The initiation took place in late afternoon and was followed by a buffet supper. Those initiated were: Helen Pemberton, Elma Nell, Alfred King, Ralph McCullough, Helen Cochran, Beana Brown, Faye Cornuta, Homer Roberts, and Margaret Warnke.

## CALL OF SUNSHINE BECKONS RUNNERS

Track Men Turning Out; Sparks Wants New Men to Try

By TED PARKER

The track season is on for the Bearcats and ambitious tracksters have been wallowing doggedly around the Willamette mud path for the past several weeks. Among those plowing around the track are Frank Van Dyke, Fred Paul, Krudell, and four or five others.

Leslie J. Sparks, coach, is rather disappointed in the turnout so far, and urges every man to try his hand at it. Track is one sport at which everyone has a chance, and yet which offers a greater reward to the successful competitor than any other sport. Track is almost a world-wide sport, and track events have been held by all civilizations and at all times. At the Olympic games, athletes from every civilized country compete, and from every continent. A record breaker of any kind in track is admired and feted all over the earth. Any man who feels that he can toss the weights around, and push the javelin through the atmosphere, or cut the finish line in the sprint, is urged to turn out. Almost any man can do things in the middle distances if he practices and trains faithfully and record-breaking sprinters and jumpers turn up at unexpected places. A school can not have a successful track team until the students are interested enough in the sport to turn out for it.

Although Willamette is handicapped by its dirt track other northwest conference schools suffer the same handicap, and Willamette athletes are on a par with their competitors as far as equipment is concerned. And in spite of their handicaps, northwest conference athletes have hung up good records in the past, especially in the mile run, running this event in a lower time than those of the Pacific coast conference, except last year when Hill, running for Oregon, broke the world's record in this event.

**Few Veterans Turning Out**

Some of the good prospects out at Willamette are Faber, who is improving in the pole vault, Fred Smith, who should star in the javelin, Carpenter, also in the weights, and Van Dyke at the mile.

Sparks is anxious to have a better showing of new men, especially freshmen, as track is a sport of development and any man has a chance to star. Although Willamette's main weakness will come in the sprint events and the jumps, there will be a weakness all around and men can be used in any capacity. It is the second and third places that win dual meets when the race winners are fairly divided. An encouragement to athletes who feel that their time is wasted at track, it may be said in conclusion that a record, properly induced and recorded, is good anywhere. Only in track is the athlete from the small school on a level with his brother from the big university and club.

**PERIODICALS GRANT PUBLICITY TO W. U.**

Widespread interest has been shown in and much publicity given to the Police School which will be conducted in the House of Representatives March 9-14 by the law department of Willamette university.

The January issue of Pacific Municipalities contains a laudatory article accompanied by a cut of Walter and Eaton halls.

The February issue of the same magazine, on the cover of which is a beautiful picture of the state capitol, devotes two pages to eulgs of the lecturers and data concerning the police school. Generous space to the undertaking has also been given by the newspapers of Oregon, Washington, and California.

Hollis R. Thompson, city manager of Berkeley, California, suggests that it would be well to stereotype the lectures so that mimeographed copies may be distributed to the various cities.

Two years after it was gutted by fire, East Hall, century-old structure on the campus of Willamette university, is only now being torn down.

## Professors Finish Out in Front as Do-Nut Schedule Ends; High Teams to Play

The final week of the Do-Nut League finds the faculty leading with 8 wins and no defeats. If league members decide to have a tournament, all those teams whose percentage is .500 or higher will be eligible for tournament competition. If there is no tournament the title goes to the faculty who have finished the years with a clean slate.

Monday, the Kappas, led by Houck and Goyno, defeated the freshmen 14 to 11. The entire Kappa team played a steady ball game. The freshmen, led by Hardy and Louis Hershberger, who scored their 11 points, played a hard game but were unable to overcome the lead which the Kappas established early in the game.

Thursday, the Sigma Tau cagers defeated the sophomores 42 to 8. The Sigma Tau boys started their scoring early in the game and their lead was not threatened at any time. Campbell, Balderes and Wadel scored 35 of the fraternity's 42 points. Finkbeiner scored the sophomores' 8 points, but the rest of the second year men were unable to connect with the basket throughout the game.

Outplaying the Wesleyans all through the game, the Kappas won their second game of the

week as they took a close game 16 to 7. The Kappa five playing a very good defensive game and kept the Wesleyans from scoring by their close checking. Smith led the Kappas and was closely followed by Houck. Stone and Finkbeiner led the Wesleyans all through their teammates were unable to connect with any consistency.

The faculty ended the season with a 29 to 16 win over the Upper Class, Keene, faculty center, led the scoring with 12 points. The Upper Class was led by Diets who scored 9 tallies. The entire faculty team was working very smoothly while the Upper Class backboard-slappers played a ragged game.

The scores:

Fresh 11 Kappas 14  
Hardy 7 Finkbeiner 10  
Zahrlay 3 Houck 3  
Hershberger J. C. Smith 2  
Lamb 2 Goyno 4  
Hershberger L. G. Hamilton 1  
Herman ..... S  
Rees ..... S

Sigma Tau 42 Sophomores 8  
Campbell 12 Finkbeiner 8  
Balderes 11 White  
Wadel 12 Lipps  
Hillway ..... G  
Armstrong  
Beal 4 Franz  
Cushing 3 S

Wesleyans Kappas 16  
Finkbeiner 2 Goyno 2  
Ackerman 2 Houck 5  
Huston ..... C  
Smith 7  
Plovman ..... G  
Rose  
Stone 3 Gould 2  
Glanoff ..... S  
Hamilton

Faculty 29 Upper Class 16  
Sparks 8 French 2  
French 6 Diets 9  
Keene 12 Savage  
Monk 2 Plovman 2  
Oliver ..... G  
Grod 3  
Powers 1 S

## CAMPBELL FORWARD STILL LEADS FLOCK

The Do-Nut league this year has been featured by an individual contest by various of the leading scorers in the league.

Campbell, Sigma Tau forward, has been the most consistent scorer this year, having amassed a total of 76 points. Campbell averaged about 10 tallies per game.

The faculty has been aided materially by the playing of Leslie Sparks, forward, who scored 61 points. Sparks has been especially successful in making his one-arm shots from either side of the basket. The faculty forward has been a difficult man to check.

Spec Keene, faculty center, was another one of the professors' mainstays, collecting 51 points. Jimmie Nutter, Alpha Psi forward, has played a very fast game throughout the season, and much is to be expected from him in the tournament play-off. Although Jimmie has not played in every game, he accounted for 49 tallies.

One of the coming players of the Do-Nut league is Bob Houck, Kappa forward. Bob's total was 48 points this season.

Herbert Hardy, freshman, and Mat Moehl, sophomore, have been the mainstays of their team for the season and they will be watched closely next year.

In spite of the fact that there have been several leading individual scorers, there has been a great deal of noticeable team play in the games. All of the teams were looking forward to the tournament, where play will certainly be keen.

## W. U. GRAPPLERS TAKE ALL MATCHES

Linfield Grapplers Prove Too Inexperienced For Bearcats

Willamette continued its winning streak by defeating the mat team from Linfield college in the gym Tuesday night, taking all matches. The Bearcats were all scrapping and they gave the Wildcats all they had, with the result that they won two matches by falls and the other two by clear decisions.

In the first match Blanchard won the decision from Dye of Linfield. Blanchard was outweighed ten pounds but managed to win the decision in three rounds.

Grod, who was also outweighed, won in a fall from Christenson in five minutes and forty seconds. The match was snappy and Grod held the lead throughout, finally gaining a pin hold.

Don Faber started his wrestling career by winning a decision from Stewart. Don showed up well and will undoubtedly develop into quite a wrestler with more practice.

Philpott kept up his winning streak and won from Stevens in exactly four minutes. Philpott didn't have to extend himself in the least and won the bout with a nonechalant appearance.

The entire program was clean and fast with the local grapplers showing up exceptionally well. The team which has been under the direction of Roy Mink has made much progress this year and everyone is greatly interested in the new sport.

A return match will be held with Linfield next week at which time the entire team will try to take the Wildcats. Several of the grapplers were forced to sit on the bench because Linfield didn't have a full team.

The season for freshman basketball will probably be shortened because of freshman glee. The floor will be occupied by this event and games will be hard to schedule. The Ashland trip is very indefinite because of the close race for championship of the southern district and it probably will not be taken.

Salem high school will not be played this year. The absence of this game is to be regretted as the annual combat of the Bearcat Kittens and the Salem prep work has always been an event. One reason for not playing the game is the lack of a floor.

**NEGRO SINGER TO APPEAR**

Jesse Lee Brooks, negro singer, is scheduled to give a recital preceding the sermon next Sunday evening in the first Methodist church. A special number, "Oh Man River," is included on the program which will consist chiefly of spirituals.

Brooks, bass and baritone singer and dramatic reader, has appeared in Vitaphone acts and has toured as a lyricist artist. He comes highly recommended by churches in cities all along the Pacific coast.

## FEW BALL TOSSERS RESPOND TUESDAY FOR INITIAL CALL

Only Lettermen Report at First Meeting of Baseball Men

The turnout of baseball men in the gym Tuesday at 3 p. m. was disappointing to Coach Keene, as only the old men reported. It was felt, however, that as the event had not been advertised extensively, that more men would respond to later calls. The weather has been good recently, and if rain holds off, many interesting baseball practices are in store.

The players have been limbering up and tossing the pill around in "sand-lot" games recently, and as many of the men played basketball, the team should be in fair condition to start with.

Eight lettermen are returning to occupy every position but catcher and third base. These positions should be filled easily by the host of good material that is turning up from last year and the freshman class. The squad is effective at the plate and good defensively, so there is no reason why the Bearcats should not turn in a good record for the season, especially in the conference. If the pitching staff can be bolstered up and a hard-pegging mask is unearthed, Willamette should sweep through the conference opposition with little effort and take Oregon and O. S. C. for a ride a fair part of the time.

**Schedule Includes Games With State Schools**

Sixteen games are scheduled already, including Oregon, Oregon State and Columbia, besides the regular conference opposition. If Willamette wins the championship of the western part of the conference, the eastern champion will be met May 21 in a three-game series. The chief weakness of the schedule is the lack of home games. Only six games will be played on the Salem diamond and the championship series will be played over the sagebrush so local fans will get few glimpses of the local nine in action.

The schedule as completed to date follows:

April 17, O. E. C. at Corvallis.  
April 18, O. S. C. at Corvallis.  
April 21, U. of O. at Salem.  
April 24, O. S. C. at Salem.  
April 25, O. S. C. at Corvallis.  
April 28, U. of O. at Eugene.  
May 1, U. of O. at Salem.  
May 2, U. of O. at Eugene.  
May 5, Linfield at McMinnville.  
May 7, C. P. S. at Tacoma.  
May 8, C. P. S. at Tacoma.  
May 9, Pacific at Forest Grove.  
May 12, Pacific at Salem.  
May 15, Linfield at Salem.  
Columbia U. at Salem, Columbia U. at Portland, dates not determined.

## Faculty to Battle for High Place

According to the pre-season agreement, those teams whose standing is higher than 500 will participate in a Do-Nut league tournament to be held in the near future.

This year there will be six teams take part in the tournament: Faculty, Sigma Tau, Kappa Gamma Rho, Sophomore, Freshman and the Alpha Psi.

The standing of all these teams is at .500 or higher. The interest in the tournament is very keen and the rivalry between the Sigma Tau quintet and the Faculty five will be the feature of the play-off series.

## MATMEN WIN FIRSTS IN HOT TOURNAMENT

In the district tournament held in Portland last week the local matmen won two firsts and two seconds out of six matches. The entire team qualified for the meet to be held in Everett, Washington this Saturday.

The competition was keen and the local team did outstanding work by their victories. Smith, 175 pounds, and Philpott, heavyweight, waded through all opposition to gain the two firsts. Roy Mink who forsook his two years championship in the 128 pound class, gained a second place in the 135 pound class. Roy has an exceptionally good chance to win this Saturday. Mink is able to make the 128 pound class but says he would rather take on the bigger boys.

Grod, the rough and tough, met stiff competition and was forced to take a second place. All those who placed first or second are entitled to enter the tournament Saturday for the championship of the Pacific Northwest. To show the calibre of men they had to face we must remember that the men who faced some of the Bearcats were champions of their state while in high school.

**Y. M. C. A. HOLDS MEETINGS**

Two interesting Y. M. C. A. meetings have been held in Chresto Cottage recently. On Wednesday, February 25, Dr. Vernon A. Douglas gave a talk on "The Doctor's Side of Social Hygiene." Last evening, Dean Olive Dahl spoke on "The Social Aspect."

These meetings are held regularly from 7:15 to 8:15 o'clock each Wednesday in Chresto. All men are urged to attend them, as they are very worth-while.
