Political Action Stirs Anew; Students Rally to Holmes' Aid

Post-primary political activity, normally almost dormant, stirred afresh Monday with the formation of a Willamette Students for Holmes organization on the Willamette campus.

Elected chairman of the new group, which includes many former students of the governor's November's opponent, Mark Hatfield, was

Laurel (Skip) Alexander, political science senior from Grants Pass.

Alexander announced that the organization would "do whatever we can" to re-elect Governor Holmes "and maintain mature, moral and liberal leadership for the State of Oregon."

"The aggressive leadership of Governor Holmes has extended to every phase of government," Alexander said, "including industrial development, education and public responsibility. These particularly, have given new stature to our state and new hope for its youth."

Chosen to serve with Alexander as head of the student group were Don Kaneski, Salem, vice chairman, and Larry Gildea, Portland, secretary.

Willamette students for the Election of Robert Y. Thornton to Congress committee named Earl Jambura to chairman their campaign. Vice-chairman is Fred Chambers and secretary of the group is Dale Shumway.

The two groups will actively support the present governor and Attorney General Thornton during the summer by speaking at coffees, distributing literature and assisting at campaign headquarters.

Chas. Jens to Take Leave Next Year

Prof. Charles A. Jens of the College of Law has been appointed visiting professor of law at the University of Washington for the 1958-59 school year. Jens will take a one-year leave of absence in order to begin his duties in Seattle in September.

Announcement of a replacement for Jens for next year will be made next week, according to Willamette College of Law dean Seward Reese.

At the Washington law school, Jens will teach courses in evidence, business associations, code pleadings, and federal jurisdiction and procedure.

Jens, appointed to the Willamette law faculty in 1949, has been a full professor since 1956. He has directed the Willamette legal aid clinic for a number of years.

Jens received his AB and LLB from the University of Michigan and later did graduate work at Harvard and Boston universities.

First Honor Students Named

IN FOR A LOT OF HARD WORK are these 14 sophomores who will take part in Willamette's first honors program. Back row, left to right: MacWilliam Davis, Don Hodges, Ralph Litchfield, Charles Beaton, Keith Pailthorp. Middle row: Mike Augue, Sonja Peterson, Mary Owens, Ann Fields, Midge Edmundson, Barbara Dixon. Front row: Bob Bennett, Joanne McGilvra, and Chuck Foster. Missing from the picture is Jane Dedrick. (Photo by Jim Cline.)

Sophomores selected to participate in Willamette's first interdepartmental honor program were announced at convocation Tuesday.

Included in the list of fifteen to participate are Michael Augue, Charles Beaton, Robert Bennett, MacWilliam Davis, Mildred Edmundson, Jane Dedrick, Barbara Dixon, Ann Fields, Charles Foster, Don Hodges, Ralph Litchfield, Joanne McGilvra, Mary Owens, Keith Pailthorp, and Sonja Peterson.

Dr. Monk is head of the honors program steering committee which consists of Dr. Kaiser, Dr. Huffman, Stanley Butler, and Dean Gregg.

Names of thirty-five sophomores were submitted to the committee upon recommendation by at least four faculty members. The fifteen were then selected by the committee on the basis of intellectual ability, curiosity, initiative, written applications, and personal interviews.

During their junior year next fall, these students will take part in a seminar course considering "Problems in Contemporary Civilization." Oral reports, panel discussions and special reports will be included in the course.

In their senior year, honor students will do special research relating their major field to the seminar problem. Each will prepare a thesis which will be kept on file in the Willamette library.

Three hours credit per semester will be given for the program, which will be entitled Honors Seminar 387. Six hours in the senior year may be applied to major field credits.

Members of every future sophomore class will be selected to participate in the two-year honors program.

Students Start Lining Up on Gubernatorial Race

education or conditioning?

Another school year is rapidly drawing to a close. Another nine months of college life are nearly completed for more than a thousand Willamette students. Certainly this is as good a time as any, during our infrequent unoccupied minutes, to ask ourselves a question or two. Are we getting what we are after? Are we being educated or merely conditioned? If the answers to either of these questions is negative perhaps we should, as college students instead of morons, look further. Is it our fault? What can we do about it?

Ask any psychology student and you will find that education is far superior to conditioning. Education is learning which can be adapted to new situations. The educated individual finds that his learning in the direction of meaningful, applicable principles will be easily retained.

Willamette students have a number of opportunities for stimulating their thinking. Among them are Christian Resources Week, the recent Doney Oratorical contest and other convocations and chapels, a number of classes and student informal discussion groups. These are a large part of our student educational life. Are we making the most of them?

Students have an alternative to education in the direction of mere conditioning. "That's true because Dr. Doe said so," you might hear. This is the same as accepting an opinion without making it our own. We should test it for ourselves.

Sleeping in convocation or chapel is an example of educational negligence which is even worse than conditioning. Granted that much conditioning cannot be avoided, this is far from the case in most situations, at least to some degree. Let us remain open minded! —H. N.

YD's Aver Holmes, Thornton Rate Confidence

Editor's note: At the invitation of the Collegian, Dan Marsh, president of the Willamette Young Democrats, has written his views on the forthcoming November election. Next week the Collegian will publish the Republican picture, as told by Bruce Philippi of the Young Republicans.

By DAN MARSH

Governor Robert D. Holmes and Attorney General Robert Y. Thornton, candidates for the two top spots on the November ballot, typify and to a great degree are responsible for the new Democratic party in Oregon.

THE LEADERSHIP, vigor and bold honesty of these two, and their bipartisanship on public issues, have done much to bring fair and just government to the people of Oregon.

Gov. Holmes, as promised, has been a strong influence for better salaries and training for teachers. His influence helped gain a 25 per cent salary increase in higher education.

His efforts to revive the state's economy are unprecedented. He has not been content just to criticize the national administration for its depression but has aggressively

sought means to bolster Oregon's economy through formation of the bipartisan Planning and Development Department, through personal visits to all areas of the state, through a nonpartisan tax study, through promotion in a New York Times special edition, and through action for a Northwest Power Development Corporation.

THE GOVERNOR has forthrightly pressed for abolishment of the death penalty as a brutal and unjustifiable punishment contrary to the laws of God.

Mr. Thornton has an unusually good background in Far Eastern affairs, having spent time there and studied this field thoroughly (he speaks Japanese). He sees this as a vital area for U.S. foreign policy consideration.

ON THE DOMESTIC scene, he has expressed deep interest in agriculture and would work for remedial legislation.

For Oregon, Mr. Thornton feels that direct legislation rather than time-consuming appeals to the Interstate Commerce Commission is the answer to fair freight rates vital to Oregon's lumber and agricultural economy.

AS A GENERAL interest, Mr.

something else besides studying. Robin Mosely, for example, will occupy herself by racing a boat.

While enjoying themselves, the seniors will not forget to add to their cultural development as they plan to visit the Flower Festival at Depoe Bay.

FOR OTHERS, the call of the unknown and adventure is strong. Mary Jo Smullin plans to strengthen her muscles and get a good tan by canoeing up the Willamette river. Dot Manker will go skiing but not on snow. She will water ski at Lake Oswego.

A group of sociology students will combine pleasure and work by conducting yet another interview of migrant workers at nearby camps.

Campus Sees Close Hatfield Win in November

By DON GORDON

"Mark is an effective vote getter because he is forthright, honest and personally appealing." This is a summary of the feelings of a majority of the campus students about the former dean.

ALTHOUGH seemingly prejudiced, a surprisingly realistic attitude was expressed by the students across campus.

Students felt that if Hatfield continues to meet the issues as he has, keeping the campaign on a high level without smear tactics, he should receive the governorship, although in a very close race.

HIS LIBERAL Republican stand, it was felt by many, would draw many Democrats to his side in November. Some referred to him as a two-party man.

By bringing his campaign to the people rather than specific pressure groups, students felt that he would pull many independent and undecided voters.

SOME WENT so far as to say that in the fall Hatfield will have the benefit of many Democratic votes which had to be cast for a Democratic candidate in the "closed" primaries.

It was generally expressed that as Secretary of State he hadn't cre-

ated or had the opportunity to create the enemies which the governor has. "Certainly his young, dynamic, appealing personality will be the deciding factor," was a frequent statement.

ON THE minority side of the fence, these beliefs were held. The greater number of registered Democrats is steep for even such a popular candidate to overcome at this time. His weakness in Multnomah county will certainly be his downfall.

Some passed on the rumor that many embittered Unander supporters would sit on their hands during the election.

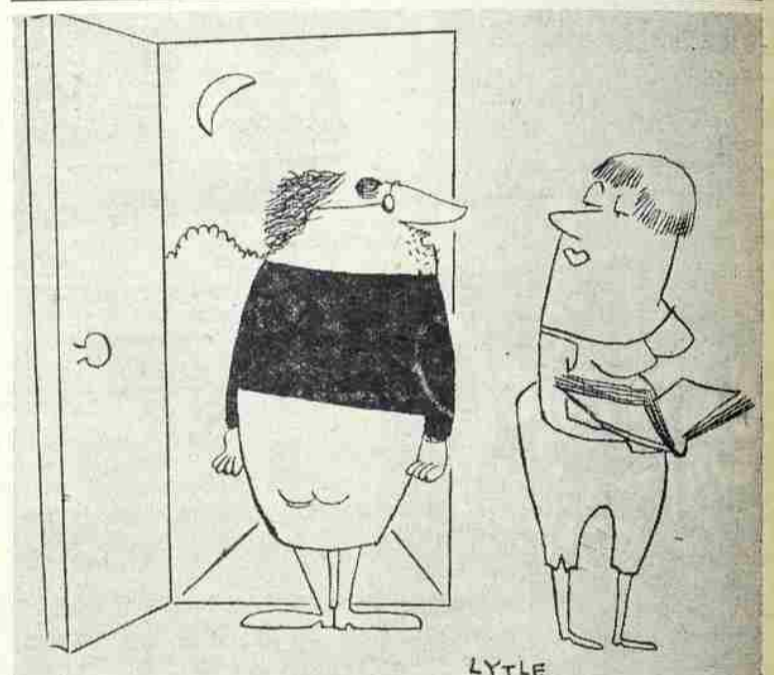

OTHERS FELT Hatfield's youth and relatively limited experience would defeat him. "To defeat an efficient incumbent democratic gov-

ernor in a democratic state is a wild dream," one student voiced.

Of those who felt he would win in the fall, many predicted higher and better positions for him in the near future. "The defeat of Neuberger would be fairly simple but the greatest victory would be the defeat of Senator Morse," one student said.

HE FELT that Hatfield could defeat Senator Morse in a few years. The possibility of a vice presidential candidate from Oregon in the foreseeable future was also expressed.

In summary, Mark Hatfield was described as the "get up and get 'em" Richard Nixon type, with a winning personality, and ability to lead the state of Oregon as the governor.

Europe Beckons

Students Date Shipping Out

By DICK ROHRER

As the end of the school year approaches, several WU students are hurriedly making final preparations for summer travels to England and the European continent. At least three coeds are looking toward sailing dates in September, and two fellows are looking forward to sailing dates in early 1959.

AMONG THE students planning early departures are Jerry Barney and Dave Merz, and Fran Leonard, Joyce Hill, and Rosemary Stephenson. September sailings are in the futures of three more Pi Phi's, Pat Mitzel, Ann Shepherd and Robin Boardman.

Pete Blewett and Bob Youngblood are looking to the new year and their planned trip on which they hope to include visits to some spots behind the Iron Curtain.

Barney and Merz will be traveling with an American Youth Hostel Association group, which will bicycle through eight countries. They, as well as all of the other students, are looking forward with great anticipation to their visit to Brussels and the World's Fair.

AMONG THE countries through which Barney and Merz will pedal are France, Belgium, Germany, Denmark, Sweden and Norway, Scotland and England.

In order to leave for Montreal for a June 17 sailing date, Jerry and Dave will be taking two final exams early. They hope to extend their trip beyond the scheduled return date of September 1 to include an excursion to Switzerland and Italy.

FRAN LEONARD'S trip came about when one of four girls, who were planning to go to Europe, found that she could not make the trip. The other three girls, all from University of California, made arrangements with Fran's mother for Fran to make the trip with them. The four will leave Berkeley on June 20, stay briefly with a girl

friend at West Point, N. Y., and sail from Montreal on June 27.

Their ship will be the Greek liner "Arcadia," which will be making her maiden voyage. The girls will buy a Volkswagen in England, make an automobile tour of 14 countries on the continent, including Italy, Switzerland and Belgium.

A GIFT FROM an aunt, a trip on a student tour to Europe, will take Rosemary Stephenson and her sister from Salem this summer. After flying to New York, they will sail for Southampton, England, on July 3. Their itinerary includes England and the continent including Spain, where Rosemary hopes to make use of her three years of Spanish.

Excitedly looking forward to London, Paris, and the thrilling Swiss Alps, Rosemary feels that September 4 and the return voyage to New York will come all too soon.

THE THREE Pi Phi's who will spend their junior year at the Sorbonne in Paris are Pat Mitzel, Ann Shepherd, and Robin Boardman, all of whom speak French.

Leaving the West by train on September 10, the girls will sail from New York on the French ship "Flandre" on September 20. With a full month before classes begin at the Sorbonne, the girls are undecided between travel for that

month or living in Paris and learning the city itself, the shops, the streets, and the people.

PAT SPENT three months in Germany as an American Field Service exchange student, so she will be eager to take Ann, Robin, and Mrs. Mitzel to meet the people with whom she stayed during that time. After classes end in July 1959, the girls hope to spend about two months touring Europe before returning to WU for their senior year.

The draft board may have the final say on the proposed trip of Pete Blewett and Bob Youngblood, who would like to leave about January 1, 1959.

With one of their major purposes in making this trip being the opportunity to meet and associate with people of different culture, Pete and Bob have decided to go to England by ship, because of the greater number of people whom they might meet—and because it is the less expensive method of trans-oceanic travel.

Greek Conventions Set This Summer

Five national fraternity and sorority conventions are on the calendar for this summer, so Willamette students will be traveling all over the United States to represent their living organizations.

FIRST ON THE list is the Delta Gamma biennial convention which will be at the American hotel in Miami Beach, Florida June 19 to 25. Together with business meetings, collegiate and pledge awards, sightseeing and cruising will be in order for the delegates.

Sue Snyder, as the official delegate from Delta Gamma, will travel to Florida where she will spend some time with relatives before the convention commences. Delegates from all chapters in the United States and Canada will be attending the conference.

SWAMPSCOTT, Mass., will be host to the second national convention of the season when Pi Beta Phi gathers there June 22-27. The biennial convention will be attended by Myrna Mangels, Sondra Roark, and Jo Anne McGilvra who are flying back for the occasion.

This year's theme will tie in with the setting—for it is centered around "the pilgrims." Tours of historic Boston and the vicinity will be in order for the delegates.

CHI OMEGA will hold its convention in the resort atmosphere of

White Sulphur Springs, West Virginia. Representatives from all national chapters will attend, and Jane Dedrick has been selected to act as Willamette's delegate.

National officers are scheduled to meet with the delegates, and chapter awards will be presented at that time.

New York City is the site of Beta Theta Pi's annual convention August 26-29. Willamette's chapter will be represented by Conrad Moore, and Don Williams. Dave Erickson, Dave Peterson and Fred Wade are also planning to drive there in order to attend the conference.

AWARDS FOR scholarship, chapter finance, and outstanding chapter will be awarded.

Last convention of the season will be that of Phi Delta Theta on September 3-6 at Grove Park Inn in Asheville, North Carolina. Dean Bishoprick is the official delegate and Andy Kuehn is the alternate.

BOTH ARE planning to drive to the convention where various chapter awards and fraternity recognitions will be presented.

Sigma Alpha Epsilon will hold leadership school this summer instead of a convention. This year's school will be at Northwestern University in Evanston, Illinois. Jim Brentlinger, Gary McBride, and Dale Daniel are planning to attend.

Five Summer Travel Stipends Open to Returning Students

Five travel scholarships in the amount of \$400 each for use in the summer of 1959 have been announced by the Council on Student Travel, a national non-profit travel organization.

THE SCHOLARSHIPS, which are open to students at any four-

year university or college in the Northwest who are returning to their campuses in the fall, may be applied to any of the summer work or study and travel programs of the Council's supporting institutions.

Application deadline for the scholarships is January 31, 1959. Winners will be announced by March 31, 1959.

FIFTY-SIX organizations are participating in the Council's program, some of those on the West Coast committee being the American Friends Service Committee, American Youth Hostels and World University Service.

Applicants will be evaluated by the following criteria: their goals in travel, suitability of the trip selected, preparation for travel, and suggestions for travel education on the campus.

THE COUNCIL has established these scholarships to further personal goals through travel and to encourage travel education program according to Katherine Thanas, director of the Council's West Coast office.

For further information concerning the scholarships and to obtain application blanks Dean Ewalt should be contacted.

Wallulah by Mail

Seniors and students who will not be returning next fall are urged by the Wallulah staff to purchase a mailing slip in the student body office. This mailing slip, which can be purchased for 50 cents, will entitle the purchaser to have his Wallulah mailed to him this summer.

Four Plays Slated For Next Year

Four plays are scheduled for presentation this coming school year, 1958-59, according to Robert Putnam, drama department director.

Because it is necessary to see the talent that will be available next fall at Willamette, Mr. Putnam cannot complete the final list of play titles, but he said that "it will be a highly classical season."

Mr. Putnam hopes to give a light play for Parents' Weekend, and a modern comedy, possibly by Shakespeare, in the spring. At mid-year, a possible series of one-act plays will be given, and the season will open with a serious, classical play, possibly a Greek tragedy.

Netters Enjoy Steaks At Les Sparks' Home

Coach Les Sparks awarded letters to six members of the WU tennis team this week. Those receiving awards were Tim Campbell, Gerry Winner, Bob Bennett, Dale Daniel, Glen Durham, and Bill Richter.

The very young team, consisting entirely of freshmen and sophomores, had an excellent season, good enough to add another Northwest Conference championship trophy to their bulging trophy case. The team downed every foe they faced in conference competition.

Number one man on the Bearcat squad, Tim Campbell, nabbed ten individual victories. His only conference loss came at the hands of Jerry Bratton of Whitman who went on to win the Northwest Conference singles title.

The entire team enjoyed a steak dinner at Coach Sparks' home Wednesday night.

Prospects for the next two years look very bright with the return of a seasoned championship squad.

Season Ends; Smiles, Tears Mark Spring

Although the Bearcats' baseball season was marred by several losses, the campaign had many highlights and it was not without its moments of achievement. Not the least of the high spots was the signing of Vic Backlund with the Los Angeles Dodgers.

IN A MID-SEASON home game, the Jason infield turned up a triple play the hard way in what was probably the outstanding defensive maneuver of the Bearcats' season. Ted Farley took a high bounce grounder at third, ran over and tagged the bag, whipped the throw to second for the force and the relay to first for the third out of the inning.

In the hitting department, the Lewismen were not overly blessed with sluggers as only two Bearcats climbed above the .300 mark.

Senior All-Conference outfielder, Howard Speer, led the 'Cat batting attack with a season average of .373. Frank Caruso was number two slugger for the Bearcats, averaging .341. Caruso took honors in the runs-batted-in department by driving in 24 Bearcat base runners.

FOUR OTHER Bearcats clubbed the ball well above the .260 mark. Tom Moore hit .280, Hisao Sato hit .273, Backlund hit .270 and Keith Driver banged the ball at a .269 clip.

In the pitching statistics, John Frederick and Dick Hartley wound up the season with identical 4-2 win-loss records. Frederick had a bit the better record on the strength of pitching 57 innings and turning in a 3.1 earned run average. Jac Fowler was credited with the most strikeouts at 41 and Hartley took the base on balls title by issuing 29 free passes.

WU Thinclads Finish Second; Hartman Sets New 880 Mark

A new Griswold Stadium record in the 880 by Dale Hartman and second place in a three-way meet with Lewis and Clark and Portland University, closed the track season for the Bearcat thinclads. Willamette tied the Pioneers in total firsts for the meet, but L-C picked up the margin of victory by grabbing the bulk of second and third place point finishes. Lewis and Clark totaled 78 5/6 points to 50 1/6 for the Bearcats and 33 for the Pilots.

BERNIE McCORMICK, a triple winner for the Pioneers, copped the laurels in the 100 at :10.1, the 220

at :22.9 and the broad jump with a leap of 21 ft. 4 in.

Record honors for the day went to the 'Cats as Skip Spence broke his joint high jump record with Jim Whitmire by clearing the bar at 6 ft. 2 in. This bettered the pair's old record of 6 ft. 1¼ in. set recently in a dual meet with Whitman.

DALE HARTMAN, Bearcat distance runner, broke his own Griswold Stadium mark of 1:57.1 for the 880. This topped the mark set in the same stadium last year at 1:57.8. Hartman rounded out his day by winning the mile event in 4:41.8 and running the anchor position on the mile relay squad that covered the distance in 3:26.9. Hartman finished the day with a total of 11¼ points.

Bob Schaefer, Hartman and Lowell Nichols ended their track careers for the Cardinal and Gold with this meet.

Dale Hartman closed out his collegiate career by setting a new Griswold Stadium mark for the 880. Hartman's time for the run was 1:57.1. Adding to his 880 victory, Hartman won the mile and the anchor slot for the relay to total 11¼ points for the meet. In spite of eight firsts, the Bearcats lost the meet to Lewis and Clark, 78 5/6 to 50 1/6.

Sigma Chis Clinch Crown; Lawyers Finish in Second Spot

Sigma Chi wrapped up the intramural softball championship with a 3-0 win over the Betas Tuesday, giving them a perfect 5-0 record as the season closed. Pete Cault put on a one-man show, pitching a one-hitter and batting in all the runs with a three-run homer.

The Law School took second place when they shut out third place Baxter Hall, 1-0. The win gave the Laws a 4-1 record and left the Baxters with a 3-2 mark.

The Sig Alphas finally broke into the win column when they beat the Phi Deltas, 6-3, leaving the Betas, Phis, and SAE's in a three-way tie for third.

Action during the previous week saw the Sigs take a giant step towards the title when they defeated

the formerly unbeaten Baxters, 5-2. The Law School's Gubernath pitched another superb game, shutting out the Phis on one hit as the Laws won, 8-0.

The Social Scoop

By JUDY OLSEN

HE'S FAMOUS, HE'S MYSTERIOUS, HE'S ENGAGED

The following poem was read at the Delta Gamma house Monday evening:

'Twas in the month of May, the flowers were in bloom,
When a Certain Delta Gamma picked out her future groom.
The ring was kept in secret, since several weeks ago,
When May Weekend came to us, and helped her pick her beau.

So try not to get panicked, and please do not be squeemish
For Judy Taylor is engaged, but just to Tufton Beamish.

HE'S CONSCIENTIOUS, ANYWAY!

With visions of Saturday's educational and thought provoking interviews with migrant workers, Gary McBride went to sleep last Friday night. When he awoke, he asked a fraternity brother what time it was; he was told it was 8:30. Panicked, he leaped out of bed, exclaiming that he should have been in front of Lausanne at 8:15. Poor Gary was too bleary eyed to notice the twinklè in his friend's eye; it was 1:40 a. m. He dressed in a record two minutes and dashed across the campus. He paused in front of Waller, where he misread his watch to say five after nine. Believing he had been left behind anyway, he went back to bed. What's hard to understand is why he didn't notice it was too dark for 8:30 in the morning.

'T WAS A WARM SUMMER EVENING . . .

. . . The Sigs were all leaving to challenge the Betas to a water fight. Then when both groups were well doused, they proceeded to the SAE house and followed the same procedure. Members of all three groups, numbering about forty, decided to make their way to Lausanne and Doney and give a few of the girls nice cold showers. Armed with hoses and wastebaskets full of water, they were just making their attack when Mr. Yocum and President Smith rounded the corner. According to observers, the boys' retreat was the fastest and wettest since Dunkirk.

GLORIA CARVER

ELLEN RASEY

A poetic announcement by Pete Leveton at the Phi Delt house dance made known the engagement of Gloria Carver to Brad Lucas. Gloria has been on the Varsity Ball court, Betty Co-ed and active in Alpha Chi Omega. She is a sophomore history major from Portland. Lucas, a four-year letterman in baseball, is a senior economics major, and has been social chairman for his living group, Phi Delta Theta. No date has been set for the wedding.

A dainty diamond is sparkling on the left hand of freshman Ellen Rasey. She recently announced her engagement to Bill Bong, of Baxter. Miss Rasey, who lives in Lausanne, is from San Mateo. Bong, also from the Bay area, lives in Burlingame. A summer wedding is planned.

Roles Available for 18 Pentacle Theater Actors At Tryouts Tuesday for Summer Productions

Tryouts for two Pentacle theater plays will be held Tuesday evening from 7:30 to 10 p. m. at the Bush House. At that time, joint tryouts will be held for Lillian Hellman's "The Little Foxes," and John Van Druten's "I Am a Camera."

THE SECOND play of the Pentacle theater series, "The Little Foxes," is under the direction of Margaret Ringnalda, English professor at Willamette, and has a cast of four women and six men.

Although "The Little Foxes," a serious drama, has a fine complement of villains included in its cast, there are also roles for sympathetic types in the play.

Tuesday's Recital Is Year's Finale

The final student recital of the College of Music will be in the recital hall of the Music building at 3 p. m. Tuesday.

One of the most varied of the year, it will include Mildred Edmundson on the cello playing "Seven Variations on Mozart's 'Magic Flute'" by Beethoven, with Pat Holcomb at the piano.

An ensemble consisting of Prof. Willis Gates and Sonja Peterson, violinists, and Mildred Edmundson, cellist, will play Brescianello's "Concerto in G for 2 violins and cello."

Joanna Lester, soprano, will sing "Connais-tu le pays" from "Mynon" by Thomas. Miss Peterson will accompany her. Keith Taylor is piano soloist of the recital, playing "Prelude and Fugue in B-flat, No. 21" by Bach.

Another highlight of the program will be two vocal duets by seniors Myra Friesen and Keith Neubauer.

The program is open to all students and townspeople.

Seniors Given Awards, Earn Keys, Certificates

Names of those seniors chosen by the Awards Committee to receive keys and certificates in recognition of service to the school, were announced in awards convo last week.

Keys were received by Steve Nason, Lewis Bright, Victor Backlund, Skip Alexander, George Hoyt, Dean Short, Dick White, Anita Booth, Ron Kingsley, and Jean Martin.

Those chosen to receive the certificates were Connie Clark, Mary Beth Feller, Frank Tannehill, Nancy Groth Sailor, Suzy Platt, Jeannine Mercer, Rick Mercer, Lucy Myers, Chuck McClure, Al Siebert, Eugene Corey, Wayne Haverson, Jerry Ackerson, Esther Gwilliam, Diane Wickstrom, Paul Aldinger, Mim Mathews, Muriel Miettunen, Joyce Hill, Mac Baker, Chuck Masters, Ed Everts, Fred Chambers, Bob Boss, and Bill Weaver.

Change Needs Big Vote

Constitutional revisions coming up in the elections on Monday and Tuesday require a two-thirds majority of over fifty per cent of the student body. The vote must be this much to pass. Student Body officers urge support of the revisions as recommended by the Constitutional Revisions Committee.

THE TEN-PERSON cast covers an age range of 17 to 60 and gives ample opportunity for variety in characterization. The play will be presented from July 13-19.

Richard Geer, a graduate student at Willamette, is directing "I Am a Camera," which calls for a cast of four men and four women. Once again the cast encompasses a wide variety of types and ages, giving many opportunities for some excellent acting.

THE CAST CALLS for two young women, two middle-aged women, and two young men. It will run from August 3-9.

Pentacle theater is a theater "in the round" held in a barn west of Salem. A theater in the round plays to an audience which sits around the action of the play. One side of the circle is left open for the entrances and exits of the actors.

THE PURPOSE of holding the tryouts jointly is to stimulate interest in the hope that a larger group of actors will turn out on Tuesday evening.

Willamette students will be interested to know that the hours for the tryouts are flexible so that the potential actor may drop in any time during the evening, read his part, and then be free to leave.

PENTACLE THEATER announced that participation in summer

work will amount to two term hours of credit in play production, which may be arranged through the Oregon College of Education.

Willamette students are urged to sign up, at least for the stage work in the play production. Further information about registration and tuition for the course may be obtained by contacting one of the directors of the Pentacle theater.

"Bus Stop," the first play in Pentacle's summer session, is currently in production and will be presented June 22-28.

First Averill Scholarship Awarded to Tom Moore

A scholarship fund has been established in the name of the man who secured the huge Paul Bunyan axe as a prize in the Willamette-Whitman gridiron rivalry.

Willamette alumnus and ardent University supporter, the late Edgar F. Averill's name will be associated with a scholarship to be awarded annually to a student on the basis of scholarship, good sportsmanship and athletic ability.

Thomas Moore was announced as the first recipient of the scholarship.

Robert C. Notson of Portland, vice-president of the Willamette board of trustees, was instrumental in raising money for the Averill fund.

The cardinal and gold axe, to be found in the Bearcat Cavern, was turned over to Willamette preceding the 1946 meeting of the two Northwest Conference football rivals.

The axe was found near Wilbur, Wash., nearly 35 years ago by Wil-

Alumni Activities Feature Hatfield

Highlighting Alumni day Saturday, June 7, will be the banquet speech of Secretary of State Mark O. Hatfield. Former Willamette student, professor and personnel dean, he is at present the Republican nominee for governor.

Activities will begin with the annual business meeting which is scheduled for 8:30 Saturday morning.

Dr. Robert Gatke, political science professor, will speak on "Where Is Government Going?" A panel discussion moderated by Prof. Ed Butler of the law school is planned by the alumni educators. Other panelists are Dr. James R. Lyles, Mrs. Joy Hill Gubser, Dr. Earl Fredrickson and Merle Hays.

Luncheon will be served at 1 p. m. in the fraternities and Baxter hall to all alumni who graduated five years ago and at previous five-year intervals. A band concert on the colomade in front of the Fine Arts building is scheduled for the visitors at 4 p. m.

Twenty-five and fifty-year class members will be awarded the Matthews Medallion at the annual alumni banquet at the Marion hotel.
