LINFIELD GETS CONTEST

Seven of Ten Member Colleges Represented. Association Changes Its Name

The Intercollegiate Oratorical Association of Oregon met here last Saturday. Seven of the ten colleges were represented, including Willamette, Pacific, Linfield, O. A. C., Eugene Bible School, Albany, and Ashland Normal. One consideration was the changing of the name I. O. A. C. or Intercollegiate Oratorical Association of Oregon to the I. F. A. O. or Intercollegiate Forensic Association of Oregon. The reason for such a change would be to include extemporaneous speaking as well as oratory under the new head.

A committee was appointed to change the prizes of the I. O. A. O. contest, which will be held at Pacific University, March 8th. Any subject may be selected, but only 15 minutes is allowed for delivery. The prizes will be the same for both oratory and extemporaneous speaking. The first prize is cash and a gold medal; second, a gold medal.

Peace Contest to be Held

The State Peace Oratorical Contest is to be April 12th at Linfield. The subject must have for its purpose the promotion of un-

SOUTHERN PACIFIC DELIVERS CINDERS

Track Will Not be Banked on Turns. Grading to be Done During Vacation

Willamette is at last to be the owner of a cinder track, that is providing that the men of the school are sufficiently interested in the projected matter to devote a little time and effort to work thereon. The Southern Pacific railroad has agreed to furnish the cinders and to lay them down at a point just north of the mill stream bridge back of the gym.

The work of grading and leveling will be started during the vacation period so that the foundation itself will be in readiness for the application of the cinders. The Blue Key fraternity is in charge of the student labor and will act in accord with the athletic department which will have charge of the handling of all specifications.

The track itself will be up-to-date, and will not be banked on the turns. Sweetland field is comparatively level, which fact will not necessitate a great amount of flattening. The object in the applying of the cinders now is to give them a chance to settle before the track season rolls around in the spring.

The college has long been in need of a cinder track, and with the establishing of one will rank among the few colleges in the northwest who possess one of this variety.

Causes Go East

Dr. and Mrs. J. M. Canse left Monday morning for Centralla and Puyallup Washington where Dr. Canse spoke three times in the interests of Kimball. They returned to the campus Wednesday evening.

MOVE FOR NATIONALS SACTIONED BY FRATS

Dean Hewitt is Appointed New Faculty Member of Interfraternity Council

The move of the Blue Key service fraternity to petition the Board of Trustees for the instigation of national fraternities on the Willamette campus was heartily endorsed at the Inter-Fraternity council meeting held during the dinner hour Tuesday evening at the Sigma Tau house.

It was announced that President Doney had appointed Dean Hewitt of Willamette College of Law to take the place as third faculty member of the council which was left vacant by the resignation of Professor Florian Von Eschen, who is now teaching in California.

Plans were made for interfraternity basketball, and Kenneth Litchfield was appointed chairman of a committee to manage this. The next meeting will be held some time in January at the Alpha Psi Delta house.

ANNOUNCEMENTS ORDER FOR SENIOR GRADUATION

In a regular meeting the Senior class made arrangements for the procuring of the graduation announcements, in the appointment of Bernice Jackson, Lloyd Harder as a committee to handle all details and make final arrangements. The class also voted to assume its quarter share in the expenses of the chaperones in attendance on the special to Forest Grove.

SMOKE IN DORMITORY EXCITES INHABITANTS

Smoke in the hallway at Lanes hall a few days ago caused a small flurry of excitement among the students. After a diligent but fruitless search for red-hot curling irons and possible forgotten electric toasters, it was concluded that the janitor must have built a fire in the new furnace.

END OF SEMESTER SOON AFTER XMAS

Final examinations are scheduled for January 28 to February 1. This leaves only four more weeks, excluding Christmas vacation, until the end of the semester.

Christmas vacation, which is the last of the holidays in the first semester, extends over nearly three weeks. Classes will be discontinued Friday noon, December 21, in order to give out of town students sufficient time to reach their homes before Christmas. Classes will be resumed Monday morning, January 7.

There will be no tests required by the office before final exams unless, as Dean Erickson says, "there are some students who are depressingly low in their grades."

VICE-PRESIDENT OLIVER GIVES MORNING SERMON

Vice-president Oliver delivered the morning sermon in the Mt. Tabor Methodist church of which Dr. W. S. Gordon graduate of Willamette is the pastor last Sunday. Dr. Gordon is also a member of the board of trustees.

AMENDMENTS COME BEFORE STUDENTS

TRACK TO BE DISCUSSED

Proposal to do Away with Antique Parts of Construction Which Are Imperative

The first amendment for the year to the constitution of the Associated students will be brought up for its initial reading at a student body meeting to be held Tuesday, December 18. Another matter which will come before the body will be that of the apportioning of the work on construction of a cinder track. This work will be in charge of the Blue Key Fraternity in conjunction with the athletic department but it necessitates the backing of the entire student body.

Reapportionment of Funds

The proposed amendments will deal with the reapportionment of the student body funds. Under the present wording of the constitution 25 per cent of the student fees go to athletics, 33 per cent to the Wallulah, 5 per cent to the Collegian, 20 per cent to the classes and the remainder or 17 per cent to the General fund which is administered by the executive committee. The proposal is to take 3 per cent off the amount of the Wallulah fund, and 5 per cent from the classes applying the total 8 per cent on the athletic fund.

Managerial Duties Grouped

There will also be a grouping and restating of the various managerial duties connected with the student activities. Several of the duties of the athletic managers as stated in the constitution are impossible to carry out under the present system employed in that department.

One other item which will be brought in for suggested amendment will be that of the setting of a date when the budget of the A. S. W. U. shall be presented to the executive committee by the second vice-president.

MACDOWELL CHORUS HAS GUEST ARTISTS

Thursday evening, December 6, the Salem MacDowell club gave a Christmas concert at the Grand theater. The program included numbers by the MacDowell Chorus, The Florentine Trio, and Arthur Johnson.

The MacDowell Chorus, made up of thirty-nine women's voices, is directed by Minnette Magers and accompanied by Ruth Bedford.

The Florentine Trio is composed of artists from Portland and Salem, Miss Marie McDonald plays the violin, Miss Ruth Lorraine plays the harp and Miss Ida Mathews the cello.

Mr. Arthur Johnson, who lives in Portland, is a popular tenor of the northwest. His expressive singing of "Dream Trust," by Cadman and "The Years at the Spring," by Beach, won hearty applause.

The final number, "O Night of Holy Memory," by Gruber-Wilson, fitted into the colorful Christmas decorations. Miss Eleanor Moore, who attended Willamette University last year, sang the obligato to this selection.

Members of the Beethoven society ushered at the concert.

BROWN BRINGS SENIORS TO TIE WITH FRESHMAN

Clock Interrupts Speaker for Affirmative. Chairman Dispenses with it

The second inter-class debate sponsored by Tau Kappa Alpha was won by the seniors Tuesday during chapel hour.

The question was: Resolved that the enrollment of Willamette University should contain more men than women. The affirmative was upheld by Mr. Neil Brown, senior, and the negative side of the question was attacked by Mr. Harold Shellhart, junior.

The constructive argument was five minutes long; the rebuttal three minutes.

The judges were: Dr. R. Moulton Gatke, Prof. James T. Mathews and Dr. Seava Laughlin. The chairman was Miss Margaret Pro, president of Tau Kappa Alpha.

CONFERENCE HEADS ARRANGE SCHEDULE

Erickson, Keene and Sparks Go to Portland to Meet Other Delegates

Schedules for the coming basketball season together with those of 1929 spring sports and football will be drawn up in Portland, Friday, when the representatives of the colleges in the Northwest Conference meet in the fourth annual session.

Willamette representatives will be Dean Erickson, Coach Keene, and Graduate Manager Sparks. According to Mr. Erickson the conference will also endeavor to clarify and to determine the matter of the eligibility of woman tennis players.

Other colleges which will be in attendance at Portland and their representatives are: Whitman College, Prof. Davis, president and Graduate Manager Borleske; College of Puget Sound, Prof. Roberts and C. L. Hubbard; Linfield College, Prof. Hewitt; College of Idaho, Prof. Murphy; and Pacific University, Prof. Butterbaugh.

The delegates are sent to the meeting possessing full power to give final approval to the intercollegiate athletic competition for the ensuing twelve months.

NINE STUDENTS USE KIMBALL AS DORM

The Kimball dormitory now contains nine men who have access to a kitchen on the basement floor, and to study and sleeping rooms on the third floor. This number constitutes the maximum housing capacity of the building.

The men have complete charge keeping the building and kitchen clean and leaving the dishes and beds which are the property of the school in good condition. All of the men residents therein do their own cooking.

Five out of the nine men are married and of the total number seven occupy various charge pupils during the week-ends.

Within the dormitory group a prayer meeting has been organized for Tuesday evening, while a similar meeting occupies the same hour on Thursday nights.

DEAN GRANTS LATE DATE PRIVILEGES

STUDENT SECTION HELD

Program will be Three Hours Long. Seat Sale Moves Readily for Women

Late date privileges will be extended to all of those women wishing to attend the Kollegiate Kapers and Style show given at the Elsinore theatre, Monday night at 7:15 in conjunction with the picture "While the City Sleeps." Such is a statement of the action taken by Dean Olive M. Dahl who further stated that all women must be in their respective houses twenty minutes after the arrival of the first one who attended the show.

Three hundred seats have been reserved for Willamette students on the main floor of the theatre, and all are urged to be in these by seven o'clock in order that time may be had for the singing of Willamette songs.

Program Listed

The program will be three hours in length ending at 10:15 p. m. and will consist of:

Trumpet Solo—Carlton Gaines. Spanish Dance Burlesque—Hoimer Roberts and Earl Henry. Patter Team—Ralph Schamp and George Lloyd.

Male Quartette—Varsity Quartette.

Blues Singing—Collas Marsters. Slight of Hand, Houdini Act—Clark Wood.

Soprano Solo—"My Alice Blue Gown"—Josephine Albers.

Master of Ceremonies—Charles Kaufman.

The appearance of modelling couples will be interspersed by patter introductions of the models by Charles Kaufman.

"While the City Sleeps" starring Lon Chaney.

Seat Sale Good

According to Elsie Tucker president of the Y. W. C. A. which is handling the seat sale the tickets are diminishing rapidly. Mrs. Tucker further states that "Everybody seems to be going, so guess that I will have to accord with the general spirit."

Chaney Takes New Angle

Lon Chaney, whose roles usually are those of menace, has a new angle on sinister portrayals in his latest and one of his most sensational screen plays, "While the City Sleeps." Never was he as deadly menacing as in some of its scenes, still in these more than any other his audience is with him. For he is menacing this time to those who lurk in sinister shadows and themselves menace others.

Chaney plays a plainclothes detective in a vivid story of the "inside" of the New York police, and a deadly gang war is the background of the stirring story. A pretty love tale is wove through it.

POT-LUCK LUNCHEON TO BE GIVEN AT KIMBALL

The Kimball students are having a pot luck luncheon together during the noon-hour on Thursday in the library. This will take the place of their Christmas party.

Entries Are Still Booked

The Christmas illumination contest as sponsored by the Salem Ad club is still open to any or all of the sororities and fraternities on the campus.

Christmas Presents and "Johns"

"What shall I give John for a Christmas present?"

Thus will be the expressed or unexpressed thought of many a Willamette co-ed during the remaining twelve days until Christmas.

To solve this problem let us attack it by considering the reaction of "John" as he receives the remembrance token. He reads the card bearing the inscription "Merry Christmas, from Helen"; tears off the coverings of the package which reveals perhaps a more personal note and the present. He looks at it; no, he stares at it.

"Now why the deuce did she give me that?" And there runs through his mind the knowledge that she has included in the gift a variety of mingled feelings dominated by the desire to please. He knows that he should appreciate it, and does in a way recognize the sentiment which prompted the gift. Yet there flashes across his psychic vision the realization that he would rather that she had not have given it to him.

He contemplates the thanks which are now due, and shudders a bit in contemplation at the feeling of hypocrisy which will be his when he does say that "It is just what I wanted." "Confound it," when he did not want to receive it from her. He knows that he is too critical, that she meant and did her best. Finally, succumbing to the demands of custom he utters a gracious thanks when the proper time arrives, hating himself all of the time for his feeling of ingratitude.

"Helens" of the Willamette campus, may

we give you a measure of advice in the matter of that present for "John?" Don't give it. No, you will not heed the counsel. We know you will not for the "Johns" would not want you to, and above all you would not want to, for is it not Christmas?

Japanese Government Considers Modern Step

From Japan comes the report that the government is now seriously considering the relation of birth control to population growth and food supply. The official Commission on Population and Food met not long ago at the residence of the Premier to determine what ought to be the official attitude of the government toward birth control and eugenics.

As a result of this meeting there is now a committee wrestling with the subjects necessarily involved among which are the following:

1. Should birth control be advocated as a solution to the nation's population problem?
2. Is it advisable to limit by legal procedure the discussion of the propagation of information on eugenics?
3. Is it not advisable to exercise police supervision over the present so-called information offices on birth control and over the chemicals and instruments sold by various drug stores and other places for contraception, apart from the question as to whether or not birth control is advisable from the national standpoint?

According to a writer of the New Republic the only possible solution to Japan's problem of overpopulation is birth control. Emigration has now been made impossible to Japan as result of action taken by various foreign countries. But to this regulation it is further pointed out that in the past there have been three strong obstacles: "religious opposition, the Japanese tradition in favor of large families, and the hostility of the government which wanted plenty of sons for soldiers."

The withdrawal of the governmental opposition will be a long step toward the meeting the problem of overcrowding, and therefore the fact that an official governmental commission is now taking up an active study of the subject may prove to be of significance to we of the more eastern world.

What Have You and Have Not?

"The selling strategy that concentrates on the buyer who wants—and can afford—the best is exemplified in Douglas advertising."

The above quotation is not reprinted here with any idea in mind of aiding the sales of Douglas lighters, but it is to the three words included between the dashes that we wish to call your attention, "and can afford." Most of us belong to the class "who want the best," but not all of us can satisfy the demands of the bracketed words.

who sees a man through a serape. Shaving may be an ordeal or a raw deal but with our product it's ideal. Yes, we got that from a shaving soap ad.

Did You Hear It, Too?

"He done somethin' to get the spite of a 'W' Club man, I s'pose."
"Who had my neck?"
"They're doin' him a favor, warmin' him up on a day like this."

One good thing about the "W" Club taking over the backing business: it brings forth a lot of wit and otherwise for us to put into print and helps to fill up our allotted space.

field and very much misinformed. In an attempt to defend the athletic department and to correct any erroneous opinion that may have been created I should like to state the facts of the case.

In the first place, Coaches Keene and Sparks, who have studied and had long experience in treatment of injuries, are able to take care of any ordinary injury to an athlete in the course of a game.

In the second place, I cannot recall a single instance during the past season when a competent physician was not present and within immediate reach during a game. The instance mentioned regarding De Poe's having been carried from the field unconscious and left without the aid of a doctor shows only ignorance of the facts. One physician was on hand immediately and another was in attendance before the game ended.

The athletic department is not careless in its treatment of athletic injuries, but is doing everything possible in caring for the men by providing competent first aid and medical assistance.

Former Willamette Student Married

The marriage of Vivian Rasmussen and J. Hyron Benson was solemnized Thursday evening at the First Methodist church at Bend. The Rev. Ira R. Aldrich performed the ceremony and George Rasmussen gave his daughter in marriage.

The bride was attended by Miss Jean Webster, maid of honor and Miss Dorothy Vanderstar, Mrs. Mary Logan, Miss Laurette Shutt of Madras, and Miss Myrtle Salling of Arlington. Howard Rasmussen was best man and Paul Reynolds and Harold Williams were ushers.

Immediately after the ceremony a reception was held in the church parlors. After the reception Mr. and Mrs. George Rasmussen entertained their daughter and son-in-law at a large dinner party at their home, after which the young couple left for a wedding trip to Portland.

Mrs. Benson attended Willamette for a year and was a member of the class of '30.

Alpha Psi Party Has Original Motif

The Alpha Psi Delta Fraternity entertained on Saturday evening, December 8, with a very clever party the motif of which was the story of Ali Babi. The rooms were attractively decorated with Persian hangings and soft, colored lights. An arbor led to the cavern of Ali Babi where a mystic with the aid of his crystal globe answered questions concerning the future. The refreshments also carried out the motif very effectively.

The guests of the fraternity were Professor and Mrs. Frank Leamer, Buneva Culbertson, Gaynelle Beckett, Ella Howard, Iva Claire Love, Mildred Wampler, Maribell Quinn, Dorothy Pemberton, Margaret Bolt, Louise Brown, Evelyn High, Betty Lewis, Frances McGilvra, Mary Allen, Yvonne Cornell, Josephine Alber, Mrs. Beulah Welch, Doris Steele, Leonore Dyer, Helen Pybus, Ellen Jean Moody, Kathryn Elgin, Beatrice Hartung, Alida Olsen, Mary Hershberger, Lois Jean

DOROTHY PENNELL LEADS Y. W. GROUP

New Purpose of Organization Accepted After Discussion of Subject

The new purpose of the Y. M. C. A. was accepted by the campus association Tuesday afternoon following the second meeting for discussion of the subject. Miss Dorothy Pennell, student secretary of the Y. W. C. A. at Oregon State College, presented the "Why" of the New Purpose to a large group which gathered in the Y. W. rooms at 4:15 for a study of the question.

Following the discussion, the cabinet of the campus organization, led by the vice-president, Anna Mary McKinley, took charge of a candle-lighting membership service in room twenty-one, Eaton Hall. At this ceremony, impressive because of its symbolism and because of the decorations of greenery and candles which surrounded it, the new purpose was formally accepted.

The new purpose, which is the culmination of a number of years of work on the part of students to find a purpose adequate and meaningful enough for such a powerful organization as the Y. W. C. A. desires to be, is being accepted by and incorporated into the constitutions of campus Y.

W.'s throughout the United States.

The subject of the new purpose was discussed at a meeting led by Mrs. W. E. Kirk last Thursday. An unusual amount of interest in this subject has been displayed by the women of the university during the last few weeks.

WILLAMETTE LOSS OF NW GAMES, ONE

Since the coming of "Spec" Keene to Willamette, basketball has been on a very high plane. In his two years here Willamette has never lost to a conference foe other than Whitman.

In the season of '26-'27 the Bearcats tied for the championship in the Northwest Conference with the Missionaries. This was "Spec's" first year at Willamette and also the first year that the conference was in existence. Flesher, Hawk, Litchfield, members of this year's squad were with the team in its championship year.

Last year found Keene's men finishing second only to Whitman. Ed Cardinal the big Bearcat centre, finished on top of the league in scoring and made the official All-Conference team. Dwight Adams flashy forward was a late arrival but played sensational basketball from his first appearance. Both of these men were Freshmen.

Miss Julia Creech was a dinner guest at Beta Chi last Sunday.

SCHOOL LIBRARIAN AND STUDENT CRASH

None of Car Occupants Hurt, But Both Vehicles Damaged in Collision

The Ford touring cars of Dr. F. G. Franklin, University Librarian, and Walter Kaufman, student, collided Sunday evening at the intersection of North Capitol and Marion streets.

Dr. Franklin was traveling west on Marion street and Mr. Kaufman south on the highway when the accident occurred. No one was injured in the crash, but both cars were badly damaged.

Neither driver will make a statement concerning the cause of the collision, but both admit traveling at a rather high rate of speed.

Dr. Franklin's car was repaired by Monday night, but it will probably be some time before Mr. Kaufman's car will be repaired.

Student Party Planned

Plans are now under way for the holding of an all-student party under the direction of the Associated students' vice-president, Jean White, and the Blue Key represented by Charles Kaufman. The tentative date set for the pre-Christmas mix is Thursday, December 20.

versal peace, requiring not more than 15 minutes for delivery, and quoting not more than 200 words. Cash prizes, first \$60, second \$40, will be given. The two best orations from each state are sent to Washington, D. C., where they are judged on composition, the best receiving a \$60 additional prize.

and the second a \$40 reward. Two years ago, Robert Wittly received the second prize in each contest.

There will be an Extemporaneous Speaking Contest at the same time and place as the State Peace Oratorical Contest. The general subject for this will be announced sixty days before the contest. The specific sub-divisions are to be given out thirty days before, and each speaker will draw one of these by lot, one hour before he appears on the platform. A \$25 prize is offered to the winner.

Pacific League Will Meet

Another feature of forensic activities is the annual meeting of the Pacific Forensic League at Moscow, Idaho, March 28 and 29. On March 30th the delegates will be conveyed by auto from Moscow to Pullman, Washington, to attend the Oratorical Contest and Extemporaneous Speaking Contest. Any subject may be select-

ed, but only 15 minutes is allowed for each oration. Prizes of \$50 and \$40 are offered for the best orations, with a prize of \$50 for the best extemporaneous speech.

The Oratorical Contest on the constitution of the United States is another event. The subject must be on the constitution of the United States. Ten minutes for delivery is allowed to each speaker. The elimination contest between the groups, consisting of seven states in each, comes the latter part of March. The best orators from each group go to the final contest in June to determine the various ranks. Seven prizes are offered, the highest being \$1500 and the lowest \$350.

The coaching staff of Yale university has blamed the failure of Old Eli on the presence of fraternities on their campus. It is claimed that too much time has been taken from their practice.

REPORTS ACCEPTED BY EXECUTIVE COMMITTEE

At a noon meeting at the Black Cat, last Tuesday, the A. S. W. U. executive committee gave Dean Frank M. Erickson, Willamette delegate to the Northwest Conference meeting next Friday, instructions to seek to have the conference field meet held at Multnomah Stadium this year, providing that conditions should permit.

In his regular report, the Collegian manager stated that the paper was running behind in expenses at present, although financial status of the paper would probably be better later in the year. The 1928 Homecoming manager's report and the A. S. W. U. treasurer's report were submitted at this meeting.

The committee appropriated three dollars to pay for the head of the band drum, broken on the excursion to Pacific University.
