## “On to Whitman” Excursion is Still in Question

### Latest Reports Show That Walla Walla Special Train Lacks Required Passengers

Rooters Cannot Go to Championship Game for \$10.25 Unless Much Larger Number of Students Sign up at Once.

A tag sale to raise money to aid seniors and freshmen in making the Whitman trip was a new proposal last night to help make the special train a certainty. Donnell Sanders proposed that tags be printed immediately, if the executive committee would consent, and the sales be started by tomorrow noon at the latest. Lestie J. Sparks, graduate manager, believes the move will make the Thanksgiving championship excursion possible. Twenty or thirty more registrations are expected, if two hundred students will sell five tags each.

With only 25 sophomores and 16 juniors definitely signed up for the Thanksgiving excursion to Walla Walla and the report of business men and alumni not yet tallied, Wednesday evening found the longest excursion ever planned by Willamette still up in the air. Three seniors have signified their intentions of making the trip, but so far as is known, no freshmen are going. These two classes because of traditional functions which make heavy drains on their treasuries did not offer to share expenses with class-members making the trip as did the juniors and sophomores. Ten or 15 juniors who have not definitely signed are also planning to go.

Although report has it that 50 students are all that will be required, it remains to be seen just how many outsiders will be willing to share the day, the trip, the game, and the excitement. One hundred twenty-five must take the train from Portland if the rate of \$10.25 is to be allowed.

Another rumor around the campus is that one company was willing to offer an eight dollar rate but the inter-state commerce commission intervened. The only way to get around its ruling on cut rates, according to this rumor, has been taken by the company, and those going to Walla Walla on the special train will pay \$10.25, which is the full fare up there and will then return to Salem as the guests of the company at no cost.

Leaders of the movement seem quite confident that the plans will "go over with a bang," in spite of the fact that Thanksgiving offers one of the few chances for students to go home during the school year. They point out that this is also the first time that any conference team has gone into the final game with no conference scores against it, which should in itself, they think, fill the school with enthusiasm.

### HILLWAY ELECTED FRESHMAN EDITOR

Traditional Freshman Edition to Appear the Sixth of December.

Tyrus Hillway was elected editor of the Freshman Collegian last Wednesday. He is a reporter for the Collegian and the Oregon Journal. Before coming to Willamette he was on the staff of the Edison Record, of Minneapolis, Minnesota.

The traditional Freshman edition will be published December 6, the week after Thanksgiving vacation. Green newsprint will be used.

At the same class meeting, Miles Knapp was elected athletic manager and a committee on numerals was appointed.

### INJURED MEN REMEMBERED

Donnell Sanders, yell king, presented Donald Faber and Franklin Bashor, injured football players, each with a box of candy.

### Large State Convention of Epworth Leaguers is Held

Portland Host to 300; Splendid Speakers Are Available.

For the first time in the history of the Epworth Leagues of Oregon delegates of the many chapters met together in an all-state convention. November 15, 16, 17 nearly 300 young people, representatives of Epworth League chapters from all corners of the state, met together in Portland at the Sunnyside Methodist Episcopal church. In previous years each of the four districts of the state has held an annual convention aside from the summer institutes, but never before have Leaguers gathered from all over this state in a session together.

Problems Discussed "Sir! We Would See Jesus" was the convention theme and the program was built around it. Discussion groups were organized Saturday morning to discuss Epworth League topics for regular Sunday evening meetings, problems of Sunday school teachers, problems of Epworth League officers, and leadership of Junior and Intermediate Leagues.

Bishops Speak The Saturday afternoon and evening and Sunday afternoon meetings were given over chiefly to addresses. Dr. John R. Edwards, Bishop Adna W. Leonard, Bishop Edgar Blake, Bishop Titus Lowe, Bishop John L. Neelsen, Dr. Merle Smith and Bishop Charles L. Mead were present and brought

### O'LEARY CAUSES W. U. MEN SCARCITY OF JOBS

When Mr. Richard O'Leary found it necessary to close his doors last Armistice night, he placed a decided hardship on several Willamette students who were working in his restaurant for their meals. These students were depending on this employment for the remainder of the year and have not yet been able to find other work. If they do not find other jobs in the near future it will be necessary for them to drop their school attendance. Their presence will be especially missed on the athletic field. Spec Keene will appreciate any part time work that these or other students might be able to accept.

### ONEY WILL SPEAK

President Carl G. Doney will speak to the Parent-Teachers' association of Wenatchee, Washington, tonight, Thursday, and in Yakima tomorrow night, to the County Association of Teachers.

### Y. M. TO HEAR DR. GRATZ AT FIRST M. E. CHURCH

The "Y" meeting Wednesday evening was dismissed in order that its members might attend the Fellowship service at the First M. E. church and hear Dr. W. E. J. Gratz of Chicago, the editor of the Epworth Herald. Next Wednesday evening the reports on the meetings at Portland last week will be given. Both the student conference with Dr. John R. Mott and the open forum meetings are to be discussed.

### INSPIRING AND CHALLENGING MESSAGES

Dr. W. E. J. Gratz, editor of the League weekly paper, "The Epworth Herald," and Reverend Jesse Bunch, pastor of the Missoula Methodist church in Montana, were speakers at the banquet Saturday evening. Both Dr. Gratz and Reverend Bunch are lovers of young people and are admired in turn by them. They carried through their challenging messages the theme of wanting to help young people to find the Christian way of life and then live it. It is entirely possible to live a joyous, normal, happy life and at the same time be a Christian, Dr. Gratz says.

### Nine Go From Here

Willamette students who were delegates to the gathering in Portland were: Hayes Beall, Sarah Dark, Leah Panning, Marla Pustman, Ruth Barnes, Walter Warner, Clarence Poor, Edwin Rounds, and Helen Ney. Is Not Annual The time chosen for the gathering was an exceptional one; for the prominent men of Methodism were on the coast for meetings of the boards of Foreign and Home Missions, and were available as speakers for three days. It is not the plan to make this an annual affair. This is in consideration of the long distances many representatives would have to travel.

### WOMEN WILL SHOW HOUSES TO GUESTS

Writer Tells How Sororities Are Managed, Financed, and Organized.

Sorority Open House, the event of the year, which gives the entire campus and the townspeople a look into the sororities, will be staged at Alpha Phi Alpha, Beta Chi, and Delta Phi on Saturday evening, November 23.

The purpose of this annual At Home is to show to all those who are interested the houses and how they are organized. Although most people who attend do not stop to think about it, the houses are run almost entirely by the students and are supported by them. The only work which they do not themselves do is the cooking.

Each sorority has a manager, who has charge of business transactions and, as her title implies, manages the work of the house. She assigns to each woman her particular duties, and in this way all the housekeeping, even including stoking the furnace, is taken care of by the members. And all of this, of course, is done in addition to studying and outside activities.

Beta Chi is the oldest sorority on the campus. This house was organized in the spring of 1919. A new chapter house was completed in the fall of last year, at 1445 State street. There are now twenty women living in the house. Besides paying the running expenses each month, they pay something on the house and put additional money into a sinking fund account.

In the spring of 1920 the Delta Phi sorority was organized. This group, also, built a new house last year. It is located at 1610 Court street. Sixteen women are now living in the house. They finance themselves in much the same way as the Beta Chi's.

Alpha Phi Alpha was organized in 1922. The women bought their house which they now occupy at 1190 Oak street. It is practically paid for. Sixteen women live in the house this year.

These facts are given to show that the students take a larger part in the affairs of the houses than the majority of people may realize. It is hoped that the visitors at each house will appreciate what the women do.

The date for Open House this year is much earlier than usual. In previous years it has been held soon after the Christmas holidays. The schedule for visitation is as follows: Alpha Phi Alpha, 7:30-8:30; Delta Phi, 8:00-9:00; Beta Chi, 8:30-9:30.

### CHRISTIAN FORCES FACE OPPORTUNITY

Dr. John R. Mott Says Christians Have Unprecedented Situation Before Them.

GREAT URGENCY EXISTS

110 Volunteers and College "Y" Members Gather for Meet With Mott.

That the forces of pure Christianity and productive service in the world are now facing an unprecedented situation was the challenge of Dr. John R. Mott, chairman of the International Missionary conference, speaking on missions to 110 student volunteers and college Y. M. C. A. and Y. W. C. A. workers assembled in the First Christian church in Portland on Tuesday evening.

This conference was Dr. Mott's contribution to the students in Oregon as a part of his work in the Board of Foreign Missions conference which is being held in Portland this week. At Dr. Mott's request the number in the conference was originally limited to 50 picked delegates from the colleges of Oregon, but this number was more than doubled.

The conference lasted from 4:30 to 9:30 p. m., and was divided into an address by Dr. Mott from 4:30 to 6:00; a period for the asking of questions by the students; dinner; and Dr. Mott's discussion of the questions from 7:00 until the close of the conference at 9:30.

Opportunity, Urgency, Danger Exist Today The unprecedented situation (Continued on page three)

### BASHOR RECOVERING FROM RECENT INJURY

Faber May Return to Campus Within Month but Will Walk on Crutches.

According to a report received from Salem General hospital last night, Franklin Bashor is well on the way to recovery from an injury received Monday night in practice when his collar bone was broken.

The bone was set Tuesday afternoon and he will probably be able to return to school within the next week or at least after vacation.

Donald Faber whose leg was broken in the game with Albany last Friday will be out of athletics for several months, but it is believed that he will be able to return to school sometime in the next month or six weeks. He will probably not be able to walk without the aid of a crutch until the middle of next semester.

Both boys seem to be taking their injuries with the best of spirits. They are receiving friends during visiting hours and many of the students are taking it upon themselves to make a call at the hospital, which is located at the east end of Center street, across from the Asylum grounds.

DR. JOHN R. MOTT

### BALDERREE CHOSEN MANAGER OF TEAM

Junior Appointed Basketball Manager is Well-qualified for His Position.

Willis Balderree was appointed as manager for basketball for the coming season by the A.S.W.U. executive committee which met at the Spa last Tuesday noon. Balderree has been working all fall assisting the football manager. This work, combined with his experience as athletic manager for Dallas high school, should make him well qualified to serve in the new position.

At this same meeting, the committee voted to allow Coach Keene additional needed funds for a scouting trip and equipment. In preparation for the championship game with Whitman on Thanksgiving day.

An all-university party date which has been planned was set for December 14. The committee found it necessary to select the Saturday night date rather than the Friday one, because the rink at which the party is to be held is not available on the latter night. This date was set, with the condition and hope that the fraternities would be willing to change their party date to Friday of the same week.

### "SUPER-AIR FLIGHT" IS TITLE OF PECK'S TALK

Professor Morton Peck will speak to the Willamette chapter of the American Association of University Women on the subject "The Super-Air Flight, or The Flight of Birds." The meeting will be held at the home of Mrs. A. N. Bush on Saturday afternoon, November 23.

### MISSIONARY BOARD GATHERS ON COAST

Many Nationally Known Methodist Ministers Present in Portland.

TWO SPEAKERS IN SALEM

Convention Meets by Pacific Ocean Once in Every Century.

The board of foreign missions of the Methodist Episcopal church closed its convention in Portland Wednesday evening of this week. Once every century this board, whose headquarters are in New York City, holds its meeting on the Pacific coast.

On Sunday, November 17, a number of the bishops in attendance at the convention spoke in the different churches of Portland and in some of the churches of the nearby towns. Bishop Francis J. McConnell of New York, president of the Federal Council of the Churches in America and president of the board of foreign missions of the Methodist church, spoke at a large mass meeting in the Willamette gymnasium in Salem Sunday evening. His address was on the progress of the church in intelligent cooperation in the missionary enterprise.

Mott Gives Impressions The meeting of the board of foreign missions was called to order on Monday morning by the president, Bishop Francis J. McConnell. Addresses of welcome were given by Governor Isaac L. Patterson and Mayor George L. Baker. Rev. A. L. Howarth D. D., and Rev. John R. Edwards D. D., gave the responses. At 10:45 Monday morning Dr. John R. Mott, chairman of the International Missionary Council and an honorary member of the Methodist board, gave an address on "Some Impressions of My World Tour."

Missionary Banquet A missionary banquet attended by Methodists of Portland was held Monday evening in the educational temple of the Centenary-Wilbur church. Bishop Titus Lowe, of Portland area, was toastmaster and the two speakers were Dr. Ralph E. Dittendorfer and Bishop Edwin Holt Hughes of Chicago area. The room and the tables were decorated with flags of every nation.

All the evangelical churches of Portland united Tuesday evening in a meeting at the First Baptist church. Bishop Francis J. McConnell was the speaker.

The presentation of the missionary pageant, "The Golden Bowl," at the Portland Auditorium Wednesday evening closed the meeting of the board. This pageant pictured to the spectator through its five episodes conditions as accurately as if he was visiting those countries. Mixed with the real was also the symbolic. The golden bowl stood in the center of the stage from which flowed the water of life to all peoples.

### PENDULUM PROVES EARTH'S ROTATION

The astronomy class has been performing an experiment in the attic of Eaton hall to prove that the earth rotates on its axis. This very interesting experiment is carried out by means of a "Foucault" pendulum, the weight of which is suspended from the central cupola by a fine wire fifty feet long.

In preparation for the performance of this experiment, the weight is drawn back several feet from its natural position and left free to a stationary body for twenty-four hours or more, so that the pendulum may become perfectly motionless.

Floor-Moves At first, when the weight is loosened, by holding the retaining thread, the pendulum swings directly forward in a straight line; but, after a few hours have elapsed, the direction of swing has apparently changed. In reality, however, it is the floor of the attic, in conjunction with the earth, and not the pendulum, which has moved.

This experiment was first performed in Paris in 1851. Its purpose is to prove that the earth rotates on its axis.

### Banqueteers Will Receive Special Collegian Edition

Instead of the usual paper next week, the Collegian will publish a special Whip Whitman edition, to be distributed at the football banquet Tuesday evening. The edition will appear in the regular size, but will contain news pertaining largely to the excursion, the banquet and the Whitman game. All efforts will be expended to give the team a pledge of support from the students and to further the success of the excursion.

### FAY IRVINE WILL BE GLEE CLUB SOLOIST

Miss Fay J. Irvine has been selected as violin accompanist for the women's glee club. Miss Irvine was selected from entrants by the judges, Professors Gaw and Melton. She is a student of Miss Elizabeth Levy of Portland.

The glee club violinist will be a feature soloist on all programs and will also give obligato accompaniment with ensemble numbers of the club. Miss Irvine was presented in recital by Miss Levy last spring and played as soloist for the Freshman Flee program last March.

### HERALD AND ADVOCATE MEN ADDRESS STUDENTS

Chapel was called early on Wednesday, and continued a few minutes after the noon whistle, due to the unusual instance of having two speakers instead of one on the rostrum. Both were Methodists connected with active Christian work.

Dan Brumitt, the first speaker, editor of the Northwest Christian Advocate, used as his theme a favorite saying of one of his friends, "Any fool can eat soup with a spoon, but it takes a genius to eat soup with a one-tined fork."

The second speaker was Dr. W. E. J. Gratz, editor of the Epworth Herald, who spoke on the relation of men to machines. Two great convictions must be held by those who wish to master machines, he said. One is that man is more than a machine, and the other that man must be master of himself.

### WHITMAN PLANNING GREAT HOMECOMING

WHITMAN COLLEGE, Walla Walla, Wash., Nov. 21.—(PIP)—Among the events which will feature Whitman's annual Homecoming, November 27 and 28, are the Thanksgiving game with Willamette; a two-night presentation of the sophomore play, "Just Out of College"; a float parade and window decorating contest; an alumni tea; and the Variety ball. Under the auspices of the Associated students and the Women's League, extensive plans are being made for a very successful Homecoming.

### Frank Girod, Grad of Last June, Wins Much Praise as Successful Football Coach

Official Writes that Girod Has Produced Fine Results in High School at Cortez, Colorado; Also Respected as Scholar.

Word has been received here by Dr. S. B. Laughlin of the outstanding success of Frank Girod in his new position as athletic coach of the Cortez high school in Colorado.

The report says, "Former Willamette Student Produces Championship Team—Getting away to a flying start, Mr. Frank P. Girod, coach of the Cortez Panthers has swept a clean path through the major teams of the San Juan Basin league. No team as yet has scored against his husky pack, which speaks well for Coach Girod and his former training under Willamette's coach, since the Cortez Panthers finished in almost last place last season. To Play New Mexico Having won the Southwestern

### BIG BANQUET WILL ACCOMMODATE MANY

"Whip Whitman" Get-together is Going to Be Staged in Presbyterians' Hall.

SQUAD TO BE HONORED

W. L. "Bill" Phillips and Others Will Speak, Prof. Jones May Be Toastmaster.

Next Tuesday evening, November 26, at 6 o'clock one of the biggest pep gatherings in football history will be held in the form of a "Whip Whitman" banquet in the social hall of the First Presbyterian church. Margaret Holt who is in charge of the arrangements for food has secured the services of the cooks of the fraternity and sorority houses and Lausanne hall and they will prepare the meat and about 20 freshmen girls under the direction of Frances McGilvra will serve.

The social hall will accommodate 300 persons comfortably but if the attendance should exceed this number, extra places will be arranged. Each student may secure his "meal-ticket" for 35 cents Monday of the coming week. No meals will be served Tuesday evening at the fraternities, sororities, or Lausanne hall.

Samuel Howe, in charge of decorations, will use football, "W" blankets, pennants, flowers, and confetti and streamers in cardinal and gold colors. Nothing will be spared in creating the "pep" atmosphere. The members of the football team, President Doney, Coach "Spec" Keene, W. L. Phillips, who has been called "the premier of Willamette's boosters," and other notables will be seated on the platform in the hall. It is thought that Professor Jones will act as toastmaster.

The "Whip Whitman" banquet will be the biggest feature of the social side of the football season. It should be a highly successful medium by means of which to ex-

### FELLOWSHIP WEEK IS IN PROGRESS

Prominent Churchmen and Educators to Assist Student Leaders.

This week has been observed as Fellowship Week at First Methodist church. Under the auspices of the University Epworth League, services are being held each evening. Interesting and instructive speakers have been secured.

Tonight's program will have Professor T. D. Learner speak on the subject of "Faith and the World of Science"; Norman Sorenson will be in charge. Friday evening, Dr. J. E. Milligan, pastor of First Methodist church, Corvallis, will speak on "Transforming Faith"; Jennie Lilly will lead. These two meetings begin at seven o'clock. The final fellowship hour will be held Sunday evening at six-thirty. Dean J. D. McCormick, of Kimball school, will talk on "Living Faith".

This is one way to go to Whitman. Perhaps a special train would be more comfortable.

I HAVE KNOWN LONELINESS BEFORE I have known loneliness before, but not like this. Hungry am I for hunger, and for pain;

LAMENT O dearest mother, Wherefore didst thou flee While I was but a baby; That was the beginning Of my life's sorrow.

Today, in this joyless world I have spent half my life. Pale autumn and winter here. O move not my faint heart with grief

Man is a Bachelor Is Also an Alumnus He Takes to Fossils A very rare specimen of Willamette graduate, if a common cry of "matrimonialism" is to be heeded,

NEW BOOKS A pamphlet written by Gerald L. Pearson, '26, who was senior scholar in physics, has been received by the library.

Open Forum EDITOR COLLEGIAN: I was surprised to see by the Collegian that Willamette boasts a heating system.

WILLAMETTE PLANS DEBATE WITH W.S.C. WASHINGTON STATE COLLEGE, Pullman, Nov. 20—Prospects point to an excellent debating season for the State College forensic teams with the announcement of schedules here today.

Team Visits W. U. Included in the schedule for the tour are Oregon State college, Willamette university, University of Southern California, University of California at Los Angeles, Pacific Forensic league at Tucson, Arizona, University of New Mexico, University of California, University of Wyoming, Utah Agricultural college and Brigham Young university.

WOMEN LEAD MEN IN GRADES AT BOSTON U. BOSTON—For the second time since figures have been compiled, reports from the office of President Daniel L. Harsch of Boston university reveal that the co-eds of the institution lead the men students in scholastic ranking.

LANDSCAPES OFFER FIELD FOR WOMEN

Two Major in Gardening at W. S. C.; One Now Employed in Chicago.

WASHINGTON STATE COLLEGE, Pullman, Nov. 20—The poet who said, "Come out in the garden, Maud," never reckoned with two modern college co-eds who are taking his advice literally.

According to J. R. Herman, instructor in landscape gardening, only one woman has ever received her degree in this branch of agriculture in the history of the State college. She is now employed in the office of a Chicago landscape architect.

YEARS AGO

FIVE YEARS AGO Nov. 19, 1924. Plans for the first interfraternity basketball tournament are being discussed. All the fraternities are greatly in favor of such games.

TEN YEARS AGO Nov. 19, 1919. The annual cross country run was won by the Juniors.

FIFTEEN YEARS AGO Nov. 18, 1914. Dean Alden delivered a speech of some length in chapel Friday. His address contained certain advice which was valuable.

Man is a Bachelor Is Also an Alumnus He Takes to Fossils Much interest is being shown in the Moat Court work this year. The cases tried each Monday night are interesting and show much study on the part of the attorneys.

NEW BOOKS

A pamphlet written by Gerald L. Pearson, '26, who was senior scholar in physics, has been received by the library. It deals with physics experiments.

A large jewelry catalogue is an interesting addition to the list of reference books.

Of interest to English students are "Criticism in the Making," by Cazimion of the University of Paris; "Noble English," a collection of English prose and poetry in five volumes; and "Conversations of Goethe," by Eckermann, from England.

Several history books have been received, including "Canada and the United States," "Rome," a profusely illustrated book, printed in France for a society in London and Boston, should be worth looking into.

"Disraeli," the well-known book by Maurois, is a new acquisition. "Jurisdiction in Marginal Seas," by Masterson, is a new law book.

Psychology and philosophy students will be interested in "The Idea of Value," by Laird; "Psychology Principles," by Ward; and "The Realm of Eads-Pluralism and Theism," by Ward, which tells of several religious and philosophical attitudes toward life.

"A Pharmacopoeia of the United States" is considered a valuable new book.

Five volumes of the 1918 Census of the Philippine Islands have been presented to Willamette library by the State library. These are to be found on the reference shelf.

"Life in Inland Waters," by Kathleen Carpenter. Brooks' "Reading for Honors at Swarthmore," which tells of an experiment at this college dealing with freer selection of their courses by the students.

INTRAMURAL DEBATE IS POPULAR AT CORVALLIS OREGON STATE COLLEGE, Corvallis, Nov. 21—(PIP)—Intramural debate is the latest and one of the most popular sports on the campus at Oregon State. "Resolved, that military training in American colleges should be elective," is the proposition that will be argued by the 55 teams entered.

Passion Play Given Entirely In German

By Roberta Riggs Reading of the life of Christ during his few years of ministry here on earth has never impressed me or moved me as did seeing the Passion Play. It is the most vivid character portrayal that I have ever seen on the stage.

The Passion Play portrays Christ's life from the time of His triumphal entry into Jerusalem to the time of His resurrection. He is shown healing the blind and lame, blessing children, forgiving sinners, rebuking Pharisees, and driving the money changers out of the temple.

Other prominent characters in the play are the disciples, especially Judas, Peter, and John; the Pharisees and Priests; Mary, the mother of Jesus; Mary Magdalene; and Pontius Pilate. A very touching scene in the play is Judas' remorse after he has betrayed Jesus, which moves all to pity and many to tears.

The scene of the crucifixion is portrayed extraordinarily well. To the audience Christ appears to be actually nailed to the cross. During this time the scene grows darker and darker, until at last when Jesus cries, "It is finished," the lightning flashes and the thunder roars. The crowd disperses, screaming, and finally when the lightning flashes, only Mary Magdalene, Mary, Jesus' mother, and John, the beloved disciple may be seen, bowed in grief and sorrow at the foot of the cross.

### COMING EVENTS

Friday, November 22—Daleth Teth Gime! Informal Party.  
Saturday, November 23—Sorority Open House.  
Classical Club Party.  
Tuesday, November 26—Whip Whitman Banquet.

### Joint Skating Party Well Attended

An event of last Saturday was the joint Freshman-Junior skating party held at the Dreamland rink. Both classes were very well represented. During the evening the skaters were entertained with a group of blues songs, and Miss Jean Middleton led the singing of several popular songs. Doughnuts and cider were the delicious refreshments. The Misses Harlette Hageman and Marjorie Odell were in charge of arrangements for the affair.

### Alpha Psi's Hold Theatre Party

Alpha Psi Delta fraternity held a line party at the Elsinore theatre on Friday evening. Afterwards, the party enjoyed delightful refreshments at the Spa. The guests were the Misses Mary Louise Morley, Gertrude Beard, Mildred Wampler, Gretchen Mell, Margaret Ghormely, Alvica Love, Leona Clothier, Hazel Ross, Beatrice Booth, and Pauline Livesey.

### League Party Has Unusual Plan

On Friday, November 15 the Epworth League of the First Methodist church held an informal affair at the home of Professor and Mrs. Cecil R. Monk on North Capitol street. At the beginning of the evening the guests were divided into two groups. One prepared the refreshments, delicious ice cream, cake and candy, and the other planned a novel entertainment. The very original party plan made the affair one of the jolliest the League has ever enjoyed. Miss Margaret Shrieber arranged the affair.

### Beta Chi's Entertain

The Beta Chi Sorority entertained with a delightful dinner party on Thursday, November 21, honoring a group of faculty members. The guests were Dean and Mrs. Frank Erickson, Dr. and Mrs. George Alden, Professor and Mrs. Ernest Richards, and Professor and Mrs. W. E. Kirk.

### Alpha Psi Delta Honors Matrimony

Alpha Psi Delta members were hosts Sunday at a "Married Men's" dinner. The following guests were present: Mr. and Mrs. Roy Keene, Mr. and Mrs. John Ehlinger, Mr. and Mrs. Walter Erickson, Mr. and Mrs. Eugene Ferguson, and Mr. E. F. Faber.

A group of Sigma Tau members and pledges were dinner guests at the Beta Chi house on Monday evening, November 18. They were the Messrs. Sam Bowe, Olven Bowe, Jack Grant, Wesley Gregg, Homer Roberts, Erick Anderson, Fred Paul, Philip Armstrong, John Patto, and Walter Warner.

Among those who went to Portland last week-end to see the Passion Play and to attend the Epworth League convention were the Misses Marjorie Nelson, Eva Gorman, Ruth Barnes, Virginia Slusser, and Helen Hughes.

Mr. Arthur Hollenborg was dinner host at his home Sunday. The guests were the Messrs. Tyrus Hillway, Leslie Manker, and Steve Mergler.

Mr. E. F. Faber was a guest at Alpha Psi Delta over the week-end.

Messrs. Joseph Felton and Stanley Satchwell were dinner guests at the home of Dr. and Mrs. Robert Moulton Gatke, on Tuesday evening.

The Beethoven society announces the pledging of Miss Lillian Scott, Miss Lucille Cummings, Miss Helen Cochran, and Miss Mary Allen.

The Misses Edith Morange and Mary Riddell were the house guests of Miss Dora McClain last week-end at her home in Eugene.

Dinner guests at Lausanne Hall last Sunday were the Misses Dorothy Taylor, and Marjorie Mosier.

Alpha Phi Alpha announces the formal initiation of the Misses Myrna Bonnie, Dorothy Eastridge, Bonetta Edwards, and Rosetta Smith.

The Misses Elizabeth Atkinson and Elizabeth Kelly spent last week-end in Portland.

### Saturday Afternoon Affair Honors Beta Chi Mothers

On Saturday afternoon, November 6, the members of Beta Chi entertained at tea in honor of their mothers. Large baskets of orchid and yellow chrysanthemums decorated the rooms and the tea table was attractive with an arrangement of yellow and pink flowers and brass candelabra holding lighted tapers.

Miss Katherine Everett and Mrs. Alice H. Dodd received the guests. Presiding at the tea table was Mrs. Ernest Richard. The Misses Virginia Holt, Olive Jones, Olivia Jones, and Lucile Brown assisted in the dining room.

During the afternoon there were vocal solos by Miss Josephine Albert and Miss Frances McGilvra, a violin solo by Miss Faye Irvine, a group of readings by Miss Elma Nell and a Highland Fling danced by Miss Beryle Hale.

The guests were Mrs. D. J. Sidwell, Mrs. C. H. White, Mrs. R. D. Everett, Mrs. C. H. Bodine, Mrs. C. T. McPherson, Mrs. G. C. Rasch, Mrs. Henry Weineke, Mrs. L. H. Shultz, Mrs. E. B. Lockhart, Mrs. Robert Aiken, Mrs. H. H. Vandevort, Mrs. Marie B. Wyatt, Mrs. Fred Legg, Mrs. Frank Power, Mrs. Hugh Fisher, Mrs. H. L. Braden, Mrs. Boardman, Mrs. W. G. Morehouse, Mrs. W. V. Johnson, Mrs. D. A. Hodge, Mrs. Joseph Albert, Mrs. Laven-der, Mrs. J. J. Nunn, Mrs. Louise Ashliman, Mrs. B. Blatchford, Mrs. F. C. DeLong, Mrs. Sam Laughlin, Mrs. B. H. White, Mrs. John Orr and Mrs. Frank Erickson.

### Sigma Tau Hosts At Interesting Dinner Party

Sigma Tau entertained on Monday evening with an attractively appointed dinner at the fraternity house on Oak street. The table decorations carried out the Thanksgiving motif with colorful autumn leaves, candles in clever hollowed apple holders, and Thanksgiving favors. Following the dinner the guests enjoyed a group of violin solos by Mr. Tyrus Hillway, and Mr. Earl Henry presented an entertaining program of amateur movies.

The guests were Dr. and Mrs. Robert Moulton Gatke, and the Misses Emily Brown, Faye Irvine, Faye Cornutt, Louise Brown, Doris Steele, Frances Smullin, Lucille Schultz, Helen Pybus, and Elma Nell.

### Students Attend Portland Concert

Among the Willamette students who motored to Portland on Monday evening to attend the Gallie-Curel concert were the Misses Lois German, Estel Chaney, Josephine Albert, Helen McPherson, Norabel Pratt, Helen Pemberton, Marjorie Miller, and Helene Price.

Miss Frances McGilvra and Miss Faye Irvine were dinner guests at the home of Professor and Mrs. Morton Peck on Saturday, November 16.

Miss Hattie Cooley spent last week-end in Eugene.

Dean and Mrs. George Alden and Professor and Mrs. Cecil R. Monk were dinner guests at the Delta Phi house on Thursday evening.

### "HOLLYWOOD" REVUE IS GREAT MELODY OF FUN

BY COLONEL DOW  
"The Hollywood Revue" is a marvel of screen production. You will see your favorite stars in unusual capers and songs. There is no gain-saying the fact that the speaking stage could never offer the equal in entertainment which is revealed in this newest kind of talking, singing, dancing, gagging melange of fun. Today and tomorrow offer the last chances to witness this fine big show.

An epic in showdom is presented in Metro's "The Viking," an all technical story told in sound and music on the living screen, of the wonderful age so filled with legend. Fanchon & Marco's "Accordion" idea, which plays with this picture Saturday and Sunday, will be held over through Monday with the powerful dramatic Paramount feature "Woman Trap," which brings us again that sterling player Hal Skelley, assisted by Evelyn Brent and William Powell. This picture will remain through Wednesday.

On Thanksgiving day and the day after, the newest of the Co-ed film features "Sophomore" with Eddie Quillan, Sally O'Neill and Janet Leff will be the attraction. The new policy at the Fox Elsinore brings the Fanchon & Marco to Salem for three days now so that on Mondays those who were away over the week-end may enjoy the F&M shows also.

As a new football feature five students will fire shotguns at Carleton College whenever touchdowns are made.

## SOCIAL COMMITTEE TABOOS JOLLY-UP

### Special A. S. W. U. Committee on Campus Social Programs Makes Report

That there will be no Thanksgiving jolly-up but an all-school party to displace it this year was definitely decided when the student body voted to adopt a suggestion of the special social committee, which reported last Friday. The committee recommended December 14 for the date of an all-school skating party, thus necessitating the change of the fraternity party dates to December 13.

The committee made, in all, ten recommendations, two of which were adopted. The ten points are as follows:

1. A banquet for football men before the Whitman excursion, at the Presbyterian church Tuesday evening.
2. An all-school party December 14 to take the place of the Thanksgiving jolly-up.
3. An all-student party in the second semester besides the regular post-exam jubilee; classes to contribute to the expenses rather than hold separate class parties.
4. Better means of getting acquainted with the faculty.
5. Twelve o'clock dates once a week for women.
6. A better "hello" spirit in the student body.
7. More strictly formal parties.
8. More courses of special interest to men, to induce more men to enter Willamette.
9. Senior gift tradition to be abolished and funds used for A.S.W.U.
10. Class parties restricted to sophomore and freshman parties, and junior and senior flunk days and banquets.

This report was made to the student body by Frank Van Dyke, chairman of the committee, with William Mumford presiding.

## CLUB HOLDS MEETING AT WILLAMETTE LODGE

The Shakespeare club held its regular meeting Tuesday evening, November 12, at Willamette Lodge. The subject for the evening was "The Music of Twelfth Night." The meeting began with an interesting report on music in Shakespeare given by Lydia Childs. Then two scenes from Shakespeare were acted out by members of the club. This was followed by two solos taken from "Twelfth Night" and sung by Josephine Alberts and Helen Cochran.

Hostesses for the evening were Teresa Nanny and Marion Morange. After the program refreshments were served. A large number attended. The next meeting will be Tuesday, December 3, and the leaders will be Irma Greene and Joseph Silver.

To deal with the concrete deeds of introducing the modern medical profession, preventive medicine, health, education; of dealing with the evils such as opium and Western industrialism; of raising up leaders from the nationals by teaching; of developing an adequate Christian literature; of caring for rural communities which now receive only one tenth of missionary attention although nine tenths of the people live in the rural villages; of developing churches of indigenous soil, yet not cut off from the best of Christianity; and of promoting closer cooperation among the various denominations. Twenty other questions concerning the work in foreign lands, and its relation to students at home were answered by Dr. Mott during the evening.

Sixteen Willamette representatives took advantage of this opportunity of hearing Dr. Mott. They were: Professor Leamer, Dorothy Taylor, Dorothy Hutchason, Virginia Edwards, Marjorie Nelson, Nellie Badley, Jennie Lilly, Hugh Curran, Jack Ramage, Leslie Manker, Harry Stone, Joseph Silver, Hayes Beall, Frank VanDyke, and Arthur Hollenberg.

## HANKOW SECRETARY SPEAKS IN CHAPEL

Mr. J. C. Oliver, secretary of the Y.M.C.A. in Hankow, China, addressed the student body at chapel Monday on the general topic of "Changing China." Having had close contact with the trend of events in China for several years, Mr. Oliver is well able to speak on this subject.

"The spirit of Dr. Sun Yat Sen still leads China as did Dr. Sen several years just before and just after the establishment of the republic. Dr. Sen, who was educated in America, worked twenty years before the empire was overthrown. Until 1926 he was the leader of the Chinese Nationalists."

Everything is changing in China. In newly built factories machines are doing the work formerly done by hand. Communications are being improved. Railroads, highways and radios are helping to bring the nation together.

Family life is also much different. Women are asserting their place. Women are now on an equal footing with the men. They are going to school. Some women are in politics.

The laborer has been elevated since the revolution to a place of respect. A coolie must not be abused or the offender will be in "danger of his life."

In speaking of the religious and educational situation in China, Mr. Oliver said that sixteen denominations had united because of the revolutions. Universities in China are now sending students to American colleges and the Americans in exchange are going to Chinese universities.

Through the means of organized sports, the Y.M.C.A. and other organizations for the promotion of peace and brotherhood, China is coming into a better understanding with the other countries around the Pacific, he says.

## RED CROSS ENDS DRIVE FOR MEMBERS NOV. 28

Summer courses in Fundamentals of Red Cross Work Given in 197 Universities.

Summer courses in the fundamentals of Junior Red Cross administration were given the past summer at 197 State universities and normal schools. The Junior Red Cross "credit course" was given this year at Teachers College, Columbia University, New York; George Peabody Institute, Nashville, Tenn.; University of Wisconsin, and University of California.

Another Red Cross summer course in the atmosphere of a center of higher learning was afforded at the University of North Carolina, where Red Cross Representatives gave First Aid instruction, first to a Police Officer's group, which so impressed the heads of the institution as to lead them to request special lectures to a class of athletics coaches, composed of students from nine states.

These university contacts of the Red Cross are fitting captions to foundations laid in the primary grades, and extending through high school and preparatory years, modifications of the aforementioned Red Cross courses being used, with credits granted by a number of schools for completion.

The combination of infusion of ideals of service with practical instruction enabling the individual student to render such service in a material as well as spiritual sense, makes the appeal of the Red Cross. It leads, as the student matures, to a deeper interest frequently exemplified in community service in later life. Here too, the Red Cross stands ready, its local chapters the medium for such service.

Gasoline sells for 65 cents per gallon in Bolivia, according to the California State Automobile association.

## Christian Forces (Continued from page one)

which faces the Christian forces of the world, Dr. Mott gave in his fourth journey around the world from which he has just returned. Dr. Mott divided the unprecedented situation into three phases—opportunity, urgency, and danger. He showed that none of the seemingly hopeless faiths are closed to Christianity today; even the Mohammedan world is open as never before. Dr. Mott pointed out one helpful phase of the driving out of Greeks and Armenians from Asia Minor, which is that, with these so called Christian races gone, the remaining missions can concentrate on the Moslems. Dr. Mott also said that China is on the threshold of her greatest opportunity, pointing out that just after the Boxer rebellion as well as today, China was said to be at the end of her opportunity.

From the presentation of the opportunity of the situation, Dr. Mott turned to the urgency of the situation, showing that it is urgent because of vital rising tides which must be taken advantage of. Dr. Mott cited the rising tides of patriotism, nationalism, and race spirit; the rising spiritual tide as evidenced by the great expectations of all classes, the increased interest in religion and vital topics and the trends of student centers; the rising tides of faith which the scientists demonstrate by coming out with clearer notes on the spiritual side of the universe; and the plasticity of the world which may set in the ancient molds of materialism and militarism, or in the new mold of altruism.

In presenting the unprecedented danger, Dr. Mott cited the rapid spread of deteriorating influences of western civilization; the state of flux of the world, whose set may be determined by sinister influences; the recently developed dividing influences of commercial exploitation; misunderstanding of neighbor countries; militarism in the world; and dividing racial influences from which spring war.

Popular Misconception Attacked  
Bringing the message home to the group, Dr. Mott stated that the object of Christianity is to make Jesus known, trusted, loved, and obeyed in the whole range of individual life, in thought, life, and in all human relationships. He then attacked the popular misconception that missionaries are no longer wanted or needed by stating that the unanimous appeal of 30 group meetings of representative and outstanding nationalists, which he called together, was for more of the strongest and ablest young men and women. He then stated the qualifications of the strongest and ablest, which were: vision; personality; capacity for growth; longer training than before; ethical and social passion, and concern, meaning the power to bitterly hate sin without hating the sinner; spirit of tolerance for truth, good, and beauty, no matter wherever found; cooperative spirit; and a personal experience with Jesus Christ.

Group Questions Answered  
Following dinner, Dr. Mott discussed the questions which the group asked of him. In answer to a question concerning the types of service most in demand, Dr. Mott told the reasons why more missionaries are needed. These reasons were: to fill gaps which already exist; to provide a worthy succession to those whose work is ended because of age; to keep from breaking down workers who already carry too heavy a load; to make more highly productive those who are already there; and

## SOPHOMORES WIN INTER-CLASS CUP

The Inter-Class Debate Cup was awarded Tuesday morning during chapel to the class of '32. Each year Tau Kappa Alpha sponsors interclass debate, and a debate cup given by Mayor T. A. Livenly, is presented to the winning class. The first presentation was made in '27 to the class of '30. The 1928 award was made to the class of '31 represented by Hayes Beall and Isabel Childs.

## HUNT CLUB CUTS FEE FOR UNIVERSITY RIDERS

The three classes in riding are progressing nicely and everyone is receiving much enjoyment from this sport. There are two classes on Tuesday and Thursday and an advanced class on Wednesday. The Salem Hunt club has kindly reduced its fees from \$5 to \$4 to all Willamette university women. This gives the riding classes promise of larger attendance in the future.

PIRATE GRIDSTERS MAKE TOUCHDOWN

Willamette Wins in Spite of Listless Playing and Lack of Interest.

FABER BADLY INJURED

Sophomore Reserve Breaks Leg After Spectacular 60-Yard Run.

The Willamette Bearcats somehow managed to defeat the Albany College eleven last Friday 42 to 6. The Pirate line outcharged the Bearcat forwards making it a hard afternoon for the Willamette backs. Once, only, did Willamette show the ball that they have been playing thus far. That time a touchdown was secured in 23 seconds. Carpenter tackled the Albany man so hard that he dropped the ball. Willamette recovered. On the first play French dashed 30 yards for a touchdown.

ALBANY SCORES TOUCHDOWN

The Pirates are proud of themselves. They made a goal against a team that had trampled all conference opposition for shut-outs. Although Albany got the goal, it was done largely through the breaks of the game. In the fourth period Albany punted. Engebrethsen was returning the ball. Albany gained it on a fumble and Willamette was penalized to the one yard line for roughing. On the next play Buchanan skirted left end for the Pirates' lone touchdown.

FERGUSON KICKS GOAL

The accurate goal kicking of Ferguson was a feature of the game. He made every goal for Willamette except the last which Albany forfeited on an offside penalty. Albany threatened three times to score before they finally got it. Twice Buchanan was away with only Engebrethsen between him and the goal posts. Each time the Willamette safety stopped him.

FABER BREAKS LEG

Don Faber, reserve half broke his leg after a spectacular 60 yard run. Faber intercepted an Albany pass and ran it back to the Pirate eight yard line. He was downed, got up and two men hit him in such a fashion as to break both bones below the knee. It was the Bearcats first big injury and a starter for the Whitman Missionaries to go on.

LACK OF INTEREST

Lack of interest was due to the pointing for the championship game with Whitman Thanksgiving.

LINEUPS WERE

Table with 2 columns: Albany and Willamette. Lists players and their positions.

WASHINGTON FRESHMAN WRITES THEME SONG

WASHINGTON STATE COLLEGE, Pullman, Nov. 20.—Lionel Graves, Washington State college freshman, is the author of "Only a Dream That Can't Come True," theme song for motion pictures which has been accepted by the De Luxe company of Hollywood, California. Graves is from Yelm. Lola Lane, popular movie star, will sing the number over the Hollywood radio station, and it will also be broadcast from Chicago, New York and San Francisco. Both the words and music were written by the State College student.

PROHIBIT MARRIAGES

Undergraduates at the University of West Virginia will not be permitted to marry without the written consent of both parents, according to a new ruling of the faculty. The penalty for breaking the rule will be dismissal from the institution.

"RED" LANGE

"Red" is the boy who makes fun of the opponents' line.

CO-ED BASKETBALL SCHEDULES FIXED

The schedule for the women's interclass basketball tournament has been prepared and released by the Board of Directors of W. A. A. It is as follows: Friday, Nov. 22: 4:00—Freshmen-Sophomore. 4:45—Junior-Senior. Monday, Nov. 25: 4:00—Senior-Sophomore. 4:45—Junior-Freshmen. Tuesday, Nov. 26: 4:00—Senior-Freshmen. 4:45—Junior-Sophomore.

A.A.U. APPROVES STARTING BLOCKS

ST. LOUIS, Nov. 18.—After a sharp controversy the national amateur athletic union at its annual convention today, went on record as favoring the principle of foot starting blocks for sprinters.

At the same time the convention voted to withhold official adoption of the blocks or to permit their use in A. A. U. meets until they are recognized by international authorities as standard.

In effect, the A. A. U. decided that the starting blocks, several varieties of which now are in use, represent a progressive development for the betterment of track competition, from the viewpoint of the athlete as well as the spectator. Because of the controversy over the blocks and the extent to which they aid the sprinter, if at all, conditional approval only was accorded by the convention to the famous 100-yard dash of 9 2-5 seconds by George Simpson, of Ohio State at Chicago last June 8. Simpson's mark was made with blocks, having the officials' approval of the national collegiate A. A. under whose auspices the Chicago meet was held. It was the discussion of this record that brought the whole subject of starting blocks to the fore as the main convention topic today.

THIRTEEN MEN ARE ON HOSPITAL LIST

Faber Will be in Hospital for Long Time With Badly Broken Leg.

BEARCATS HANDICAPPED

Bashor Has Broken Collar Bone; Eleven Other Men Have Charley-horses.

Football practice has been slowed up considerably during the past week with 13 men on the injured list, several of them too seriously hurt to don football togs. Faber, who suffered a broken leg in the Albany game, and Bashor, whose collar bone was broken in scrimmage Monday afternoon, will probably spend Thanksgiving day in the local hospital, handicapping the Bearcats' reserve strength.

Only a few more days of practice remain before the crucial title game with Nig Borleske's Missionaries, and those few days will probably see a squad of crippled Bearcats limping through its plays. Only Faber and Bashor will miss action in the Whitman game, however, unless other injuries develop before next week.

Gretsch and Engebrethsen, troubled with old injuries, have been unable to don suits, but both will be in condition by Thanksgiving day, it is thought.

Other members of the squad nursing minor injuries, chiefly charley-horses, are Carpenter, Jones, Gottfried, Ackerman, French, Depoe, Lang, Erickson, and Ferguson.

CHARITY CHEST TO BE HELPED BY WHITMAN

WHITMAN COLLEGE, Walla Walla, Nov. 19.—(NIP)—Professor Bratton gave a short talk in chapel Tuesday urging everyone in the college to contribute something to the Walla Walla Community Chest drive now in progress. Last year the student response was not as much as it should have been and the plan this year is for everyone who is able to give a small amount of money towards the college goal.

The city quota last year was \$31,000 of which the faculty and employees of the college gave nearly nine hundred dollars and the students about one hundred. This year the quota has been raised to \$32,000 which means that students of Whitman must give their whole support to the campaign as well as increasing their individual donations. The slogan for this year is "Have a heart—do your part."

The White House was first painted white to obliterate marks of fire left by the British invasion in 1814.

about the only way our customers can lose money is to make a date with "inch and a quarter Jimmie."

PAUL ACKERMAN

"Ack" sticks clear through the games. He's a first-class center.

FOOTBALL SEASON REACHING CLIMAX

SAN FRANCISCO.—The grand climax of the Pacific coast conference football season will unwind itself in the Stanford bowl Saturday with the University of California Bears pitted against their ancient rivals, the Stanford Cardinals.

With the conference championship at stake, the Bears cannot afford defeat. A victory will give California the title, but a loss will bring on an anti-climax in which the Trojans of Southern California would stand an excellent chance of nailing the crown. That chance would lay mostly in defeating the Idaho Vandals at Los Angeles Saturday, and the Washington State Cougars November 30. The two victories would give the men of Troy a larger percentage.

All things considered, however, California appears to be the favored contender for the championship. Undeclared and untitled in conference play, the Bears were rated the superior eleven by virtue of the better showing they have made.

With several of their good men out with injuries suffered in the clash with Santa Clara, the Cardinals were at work Tuesday preparing for their battle Saturday. It was not certain whether the injured players would return to the line in time. They were Heinicke and Taylor, centers, and Rudy Rintala, half back. They were all treated for leg injuries at Palo Alto hospital.

SENIORS WINNERS AT TENNIS MATCH

Morange and Brown Annex Honors for Fourth Year Women from Rooks

In the interclass women's tennis tournament the seniors were victorious. The last game played was between the seniors and freshmen, the score being 6-0, 6-1. Marian Morange and Emily Brown played for the seniors and Dorothy Rose and Marian Burns for the freshmen. Of the 46 games played by the seniors, 36 were won by them.

The interclass mixed doubles have also been played off recently, the seniors again being the winners. The seniors, Emily Brown and Newton Sanders, won from the sophomores, Josephine Olsson and Don Smith, with a score of 6-1, 6-2. The freshmen, Gertrude Beard and Ed Berg were also defeated by the seniors, the score being 8-6, 6-4. Of the 56 games played by the seniors in this tournament 38 were won by them.

KIMBALL FOLK ENJOY POT-LUCK LUNCHEON

Faculty, students and their families of Kimball college spent an enjoyable noon hour together November 12 at their monthly pot-luck luncheon. Dr. and Mrs. J. M. Cause gave interesting accounts of their trip in the east. Several musical numbers completed the program.

The ladies of the group were invited to the home of Mrs. Cause for a meeting of the Luella Kimball club. This was the regular monthly business meeting and the time was taken chiefly with election of officers. Several new members were taken into the group.

WHITMANITES ARE SAID TO BE EARNING MONEY

WHITMAN COLLEGE, Walla Walla, Wash.—(PIP)—According to answers to a questionnaire submitted to the students by Professor Osgood, faculty head of the college employment bureau, the greater majority of Whitmanites are earning a portion, if not all of their way through school. The employment bureau is very efficiently taking care of the employment problem.

MOTELY FOOTBALL CLUB FALLS TO ALPHA PSIS

Frat Gridiron Championship Set for Game Between the Three Houses.

Alpha Psi now reigns as undisputed fraternity football champs due to their win, last Thursday, over the combined forces of the Kappas and Sigas. Although the score was 20 to 0, it might not have been so one-sided had enough Sigas turned out. As a result the Kappas had to borrow four Alpha Psi players. Only one Sig played, but he, Chuck Campbell, played a good game.

Casualties among the Alpha Psi's were somewhat serious. Andy Peterson suffered a wrenched shoulder, and Dwight Adams and Al French each took a deep gash above the eye.

COYOTE PROSPECTS GOOD FOR SEASON

COLLEGE OF IDAHO, Caldwell, Idaho, Nov. 20.—(NIPA)—Basketball prospects for the Coyote's 1930 season look bright, with four lettermen back and an abundance of new material. It is not yet decided whether or not the College of Idaho will engage in Northwest conference competition, lack of an adequate gymnasium being a serious handicap.

MISSIONS CONVENTION VISITED BY DR. DONEY

Dr. Doney attended the General Foreign Missions convention of the Methodist church Tuesday afternoon, November 19, in Portland.

WHITMAN TO MEET PACIFIC TOMORROW

WHITMAN COLLEGE, Walla Walla, Nov. 19.—(NIP)—Whitman meets the Pacific football team here on November 22 in the Stadium in a game which was originally scheduled for the Saturday before Thanksgiving. This contest was moved up a day in order to give the Whitman squad more rest before the Willamette battle here on Thanksgiving, which seems likely to be the titular clash.

Although Pacific was considered one of the weak teams of the conference it held the College of Idaho squad to a one point margin and managed to beat C. P. S. 13-12. Whitman beat the Loggers 14-0, so this leaves only a 13 point advantage as far as comparative scores go. Consequently a close game is expected, as the Badgers will be out to mar the perfect record which the Missionaries have maintained thus far in the conference schedule.

PLAYERS' AVERAGE AGE AND HEIGHT ARE FOUND

PULLMAN, Wash.—(PIP)—The average Washington State college football player is 21.7 years old, 5 feet 11 inches tall and weighs 173.3 pounds, according to averages figured by the coach. Eight of the warriors are only 20 years old, while 16 are 21 years old. One of the lettermen won his letter last season when only 19 years old.

ATHLETIC PARTICIPATION CUTS LIQUOR DRINKING

ST. LOUIS, Nov. 19.—Athletics will do more to halt the smoking of cigarettes and drinking of liquor than all the lecturing possible, Miss Charlotte Epstein, president of the New York Women's Swimming association, and a delegate to the A.A.U. convention, said in an address.

"Girls are more amenable to training rules than men," Miss Epstein said. "They realize that cigarettes and liquor are a deterrent to successful participation in athletics and although they have no moral scruples against those instruments of flaming youth, will not indulge in them."

FORMER AGGIE COACH MISTAKEN AND KILLED

CORVALLIS-(PIP)—E. J. "Doc" Stewart, former football and basketball coach who was accidentally killed near Kerrville, Texas, Monday when mistaken for a deer by a hunting companion, coached Oregon State college football teams from 1912 to 1914, and was regarded as one of the most colorful mentors that ever coached here. He succeeded Sam Dolan as the Orange coach.
