Queen is Crowned at Grand Theater; Breakfast and Dances Are in Gym

Makeshifts were the most noticeable of the Junior week-end celebrations just past: Queen Georgia was crowned in the theatre; the May dances were held in the gymnasium; the student lunch and May Morning Breakfast were served indoors; the track-meet scheduled with Linfield and the soph-trosh tug-of-war were postponed; Florence from Florida was sent back to the land from which she came without an opportunity to appear in public; and two camera-men from news-reel corporations were forced to throw tarpaulins over their cameras and rush for cover when the black clouds which had been hanging over the campus broke and torrents of rain fell as the hour for the coronation neared. Doubly disappointing was the necessity for change of program because the May Day festivities were the best planned and would have been the loveliest in years.

In spite of the dark clouds which continually bobbed up and marred for a time the bright spring sky and the slight showers which fell early in the morning of May 3, making it necessary to serve the student lunch in Eaton Hall instead of on the lawn, at one o'clock the bleachers which lined the triangle at the east corner of the campus were filled with townspeople and students and their guests.

The throne was placed on the platform in front of the wistaria hung lattice and a photographer had found standing room on top of the piano that he might better view the royal procession, when the overhanging rain cloud seemed to drop lower. Umbrellas of every hue were raised and the bleachers which had but a moment ago seemed a veritable flower garden of spring-hats took on somber tones of deep red, purple, blue, and brown.

No rain fell and peace once more held sway over the optimistic gathering. When the rain came a few minutes later, only a few people left the bleachers and their places were quickly taken by those who had occupied the standing room.

Only when the announcement was made that the dances would be held in the gym did the crowd leave their places.

Because of lack of room and preparation it was impossible to crown the queen in the gym and the announcement was made that the coronation would take place in the Grand theatre Friday night.

The dance theme was a child's dream of toyland. Lois Jean Rasch as the little girl, was the solo dancer and in her dream fairies, toys, and clowns danced. The little girl awoke just in time to see the maypole wound by lads and lassies in rainbow costumes. The theme poem was written by Mary Allen and the dances were directed by Adele Gale Curry, of the women's physical education department.

TENNIS NET DONATED

Miss Doris Steele recently presented a very fine tennis net to the university. Miss Steele is on the women's varsity team and thus became interested in the equipment of the college tennis courts. As a result she procured the net through her father, who owns a sporting goods store in

BIOLOGY CLASS LEAVES FOR COAST TRIP TODAY

Flora and Fauna of Sea Coast to Be Studied; Geology Class Goes to Santiam

This afternoon the General Biology class, accompanied by members of the Zoology, Ornithology, and Plant Morphology classes, will leave for Newport, where they will spend two days studying the plant and animal life along the coast.

Arrangements have been made for the group to stay at the Abbey Hotel. This will be much more convenient than the auto camp which was first considered.

The students will be at the beach for two low tides. Besides the plants and animals which can be studied only at low tide, the group will work with the flora and fauna a short distance back from the coast.

Dr. H. C. Kohler, Miss A. G. Curry, Mr. and Mrs. C. R. Monk, and Dr. and Mrs. Prescott represent the faculty.

The Geology class will spend Friday on the north fork of the Santiam river. Here they will study, among other things, glacial action, mountain formation, and waterfall formation. They will return Friday evening.

ANDREWS APPOINTED RELIGIOUS DIRECTOR

Several changes in the Kimball faculty for next year have recently been announced. Prof. C. T. Andrews, who has been dividing his time between the work of Religious Education Director of the Oregon conference and teaching in the school for the past six years, will devote his full time to conference work. His three classes in Religious Education will be taught by Prof. Chas. Keefer, Dr. E. S. Hammond will conduct the class in Greek, and Dean John D. McCormick, the class in Old Testament History, both of which are at present taught by Prof. Keefer.

All the regular courses will still be offered at the school. Dr. Andrews was appointed as supervisor of young peoples' work as well as Sunday school worker in the conference by the central board of the church at Chicago, recently. The aim of the department is to correlate all the activities of the children and young people under a unified program. Dr. Andrews will probably keep his residence in Salem.

THE COLLEGIAN "C" IS WORN BY 25

Forty per cent of the Collegian editorial and managerial staff will receive the "C" this spring. This student body award is based on the efficiency, faithfulness, and promptness of the worker.

Twenty-five students now in school have received the award. They are: Mary Louise Aiken, Mary Clainfield, Buneva Culbertson, Georgia Fairbanks, Alice Lane, Frank Lombard, George Poor, Margaret Pro, Jean White, Sarah Poor, Everett Gardner, Beatrice Lockhart, Robert McGilvra, Louise Brown, Gaynelle Beckett, Helen Curry, Katherine Everett, Ray Miller, Emily Brown, Stephen Mergler, Paul Ackerman, Meredith Woodworth, Frank Van

Ralph Purvine is Football Manager; Committee Votes On Four-Year Awards

At the executive committee meeting Tuesday morning the Collegian and football managers for next year were appointed. Harold Tomlinson, a junior, and advertising manager of the present staff, was selected to manage next year's Collegian. Ralph Purvine, a sophomore, and assistant manager of the football team, was appointed football manager. The choice of Wailulah manager was delayed.

At the same meeting the four year blanket awards were voted to Lorea Mort and William Mumford, four stars in football; John Minto and Ivan White, four stars in tennis; Gurnee Flesher, three stars in basketball and three in track; Glenn Ledbetter, three stars in basketball and three in baseball.

There are four other men in school who have previously received awards: Kenneth Litchfield, Willis Hathaway, Meredith Woodworth, and Lawrence Winslow. This award is given to individuals who have participated four years and won three letters in any one sport. There is a movement on foot to change this from a four-year award to a graduate award.

INTERPRETIVE PAGEANT GIVEN FOR WESLEYANS

At the Wesleyan meeting last Thursday, Miss Edna Holder presented her interpretation of a day in a dispensary in India.

Miss Holder, who has been a missionary in India for the past few years, is well acquainted with conditions there and gave a splendid pageant on a small scale, using the students for the various Indian characters who came to the dispensary.

This pageant revealed as much as possible the conditions of ignorance which surround the natives who have not yet been brought under the influence of Christianity.

FOUNTAIN IS REPAIRED BY SOPHOMORE CLASS

The Sophomore class recently authorized a committee consisting of Lars Nelson and Stanley Satchwell to arrange for the repair of the drinking fountain out in front of Waller Hall. This fountain was presented to the University by the class of '25, but for the past three years has not been in use due to a stoppage in the drainage pipes. The fountain, now in repair, adds much to the attractiveness of the surroundings of Waller Hall.

Three Candidates Chosen by Faculty

Miss Elsie Tucker, Miss Ruth Margaret Hall, and Mr. William Mumford were nominated as the three candidates for the Albert Prize award of twenty-five dollars, for the student who, opportunities considered, has made the greatest progress toward the ideal in character, service, and wholesome influence on the campus. One of these three will be selected by the Student Body two weeks before Commencement.

MAY 16 IS DATE SET FOR SEABECK BANQUET

Program to Arouse Interest in Summer Conference; Miss Slusser Has Charge

A Seabeck banquet is to be held May 16 in the Green Gate room of the Spa.

For a number of years this banquet has been held as an annual event to promote interest in the student conference, which is held at Seabeck, Washington, during the early months of summer. The 1929 conference is to be June 18 to 28.

The program for the banquet will be built about the idea of "Windows" as they are symbolized in the great windows in the conference dining hall which looks out over Hood's canal to the Olympic mountains.

Miss Virginia Slusser, chairman of the Seabeck committee of the Y. W. cabinet, urges that everyone come who is interested in Seabeck.

LAUSANNE HALL HAS FIRE SATURDAY EVE

Last Saturday night some boards in the furnace room at Lausanne Hall caught afire as a result of back firing from the furnace. The blaze was first discovered and the alarm turned in by Dorothy Barber. Due to the fact that she had difficulty in convincing the telephone operator and the fire official that there was really a fire at the hall, Miss Lella Johnson and Mr. Johnson, the janitor, had extinguished the blaze by the time the engines arrived.

The fire did not spread beyond the furnace room and no damage was done. However, the building was filled with smoke. This was the first fire ever had in Lausanne Hall; and it caused quite a bit of excitement.

There were not many girls in the hall when the alarm was sent in, and they all got out in record time. One girl who is rather dilatory in fire drills started going down stairs from the third floor so fast that she went all the way to the basement without realizing it.

REVISED EDITION OF SONG BOOK PLANNED

No Willamette song book will be published this year, according to Miss Grace Henderson, editor. It is planned, tentatively, to revise the book and have it ready for the press in the spring of 1930, after Freshman Glee.

The next edition will probably be somewhat smaller, as the weeding out of unused material is being considered. This will leave a book of entirely usable songs—songs which, because of their excellence of composition and adaptation, are destined to live and express Willamette spirit down through the years.

McCLINTOCK GETS PRIZE

James McClintock, a member of the class of '27, recently received the Eaton scholarship for high scholastic standing at Drew University. Mr. McClintock is living in Livingston, New Jersey and preaches at the West Livingston M. E. church.

He was a member of the Sigma Tau fraternity and active in cam-

OPENING EVENT OF MUSIC WEEK HELD

MISS MELTON IN CHARGE

Proceeds Go to MacDowell Benefit Memorial; Miss Levy Plays Violin

Monday evening the opening concert of Music Week was given in the Willamette Chapel. Miss Virginia Melton, who is president of the MacDowell club and supervisor of the piano department at Willamette, was in charge of the concert. She was assisted by the Oregon State Music Teachers' Association and the Beethoven Society.

The program was a benefit concert for the Edward MacDowell memorial fund. Miss Melton is especially interested in MacDowell, and she had the pleasure of visiting the colony of artists who are supported by a Memorial fund in memory of him. She also had the opportunity to visit Mrs. Edward MacDowell.

The whole program consisted of MacDowell. The first half of the program included chorus numbers by the MacDowell club directed by Miss Minetta Magers, violin solos by Miss Elizabeth Levy, and vocal solos by Mrs. Phil Newmyer. The second half of the program was principally given by Miss Virginia Melton. She gave a most interesting talk on MacDowell as the American composer and followed this by several groups of piano solos played in her usual artistic style.

The concert was enthusiastically supported by both townspeople and Willamette students. Members of the Beethoven Society ushered.

CONCERT FINISHES SUCCESSFUL SEASON

The Men's Glee Club brought its season to a climax of success this week-end at the home concert in Waller Hall. There was a large audience which enthusiastically applauded Prof. E. W. Hobson and his fine chorus. Beside the chorus numbers there were special numbers including vocal solos by Ronald Craven, Wendell Robinson, and Walter Kaufman; a vocal duet by Ronald Craven and Willis Hathaway; a piano solo by Edith Findley; and readings by Charles Kaufman.

Sunday evening the quartet sang over KGW and gave selections at Sellwood Methodist church.

The work of the club this year has far exceeded that of the past years in travel and popularity. Paul Goddes as manager has shown exceptional business ability.

C. W. NOBLE TALKS ON MEXICO TO YW GROUP

Clarence W. Noble, who has recently returned from Mexico, spoke in a meeting of the World Fellowship committee Monday. As the committee has been studying Mexico, her people, her problems, and her hope for the future, they were very much interested in what Mr. Noble told them about Mexico and the nature of her people.

The committee is planning a dinner to be given some time soon for all the foreign students on the

To the Women, the Flowers

Paralleling the narrowness displayed by the University of Pittsburgh in refusing to allow the Liberal Club to hear Dr. Harvey Elmer Barnes speak in a college building on the Mooney-Billings case and then forcing the assemblage to disband when they met off the campus is that portrayed in the resolutions passed by the Daughters of the American Revolution in their last meeting.

These women adjourned their thirty-eighth congress after adopting resolutions in favor of the following:

A bigger and stronger navy.
The national-origins provision of the Immigration Act.

A compulsory oath of allegiance to be taken by all teachers in schools or colleges.

Strong support of the Chemical Warfare Service.

"Persistent and effective resistance to all attacks of radicals and others opposed to an efficient national defense."

They forgot to add the Reserve Officers Training Corps and its latest popularizer, sex appeal. Whenever possible each regiment has its co-ed colonel, commissioned by the War Department. This honor goes to the most popular girl in college. Thus is another inducement added to get the men in the ranks.

So we find that once again our country is dedicated to reaction and intolerance. Born of a revolution, seemingly, the D.A.R. cannot forget its parentage.

The Summer's Work

With May rapidly passing the realization is upon us that vacation is not far removed, and that there will be a three months period in which one will have more than enough time to amuse himself. Those who plan to work during the coming summer months should not only be thinking about a job but should be actually making provisions for it.

Employers do not allow conditions to come upon them unpremeditated if they can help it. The business man does not hire a stenographer to fill in during the vacation period the night before one of his regular employees leaves for the mountains, or the beach. His hiring is done weeks previous. Now is the time for your application.

The types of work open to students during the summer months are continually increasing. Vacation periods necessitate the employing of extras in business houses. Beach resorts need help to take care of the vacationists. Mountain resorts and parks take their share of college help. Nor are these latter open only to men for women fill positions as hostesses, waitresses, or aid in the actual operation. Doctors may need extra

assistants or temporary ones to aid them during the summer.

Classify yourself, judge what you want, get in your application, but do it now.

An Unmerited Accusation

The "Bits" man of the Oregon Statesman has seen fit to bring a charge of thoughtlessness based upon selfishness against a "big crowd of young men and boys" who, when it was announced that the May Day activities would be held in the gymnasium Friday afternoon following the "raining out" in front of Waller, rushed for the preferred seats leaving standing room only for the ladies, some of whom were of mature age.

We have attended four Willamette May Days including the one held last week, and never have we been able to notice a "big crowd of young men and boys" in attendance at the coronation and dances. Further, the number of younger visitors this year was much less than in years previous. We venture to say that there were not more than twenty college men in the gym Friday excluding those who were dressing for the baseball game.

Thus if the preferred seats were taken by young men and boys they must have been taken by those unfamiliar with the campus, who upon being directed to the gymnasium proceeded to the balcony not realizing the true seating capacity of the building. Anyone who is acquainted with the situation in the balconies when they are filled to capacity as they were last Friday realizes that a migratory leave taking is very difficult. The balconies were filled before the real condition became obvious to the strangers.

The exercises were short, and we firmly believe that much more trouble would have been caused had these few younger male campus guests attempted to leave the balcony before the general adjournment than if they had remained in their seats.

We feel that in the light of true conditions the accusation of churlishness was not merited. We regret that rain forced a change in the program which caused discomfort to the guests, but although we may go to a great deal of effort to realize our plans we cannot control the weather.

Sunday is Mother's Day. Who is there among us that does not know it. See that Mother is not allowed to forget it.

Now that canoeing season is on we should like to warn both the men and women that a canoe is neither a car nor a bench.

"Well, I came in early this morning for a change, didn't the boss say anything?"
"Yes, he said you must be walking in your sleep!"

Along the Way

(By The Wayfarers)

It is estimated that one thousand, nine hundred and eighty-two eyes were poked by umbrella stays at the May Queen's watery court, last Friday.

But that wasn't so bad, after all. Even if they had not been poked, they could not have seen the coronation that afternoon.

We hope First Church doesn't welcome all strangers the way they did us Sunday morning. One of their yellow-jackets lit on our head, and when we attempted to remove it, we received a very warm reception, indeed.

The bughouse must have been moved to State street. The person next to us was entertained during the service by a whole flock of bugs.

From the twosy look of the campus, Dr. Doney's story of a program of courtship is unnecessary here.

Professors aren't the only absent-minded persons in the world. Bobby Mac sent in an application to a tech school and forgot to sign his name on the letter.

The tech answered with a letter addressed to "Student, 316 N. Church St., Salem."

Willamette's budding Kappitilists must intend to turn their front yard into a used car lot.

A price of ten thousand dollars has been offered by the National Association of Fur Industries for the intention of a more humane type of trap than the steel one now in general use. It would be entirely fitting for a like sum to be offered for the one who could develop some system which would obviate the necessity of our six week exams.

WILLAMETTE LEADS IN N. W. BASEBALL

Badgers Are Brought to Defeat by Score of 9-13; Field Rain Soaked

In as wild, wet, and wintry a baseball game as the year 1929 is apt to see, the Bearcats made a May Day crowd happy with a 13 to 9 victory over the Badgers from Pacific. Apparently beaten going into the eighth inning, the Bearcats put on a six run rally to give Willamette league leadership in the N. W. conference.

With a rain soaked diamond, and heavy showers every few innings, little real baseball was possible. Errors accounted for many of the scores on each side.

Pacific opened the scoring in the first inning with a two run rally Gill's error and Miller's triple being largely responsible. Nelson, the Badger pitcher, who was troubled with bad control all day, walked three men in the Willamette half of the first, and these, together with Scales double, accounted for three runs.

In the third, two errors and two singles brought Pacific another pair of markers. In the Bearcat half of the same inning, Gill brought a duet over the plate. In the fourth, Adams and a couple of walks brought two more.

In the sixth a Badger uprising netted four runs, walks, errors, and Miller's timely single, being largely responsible. In the seventh a wild pitch allowed another Badger to score. The Bearcats were trailing 9 to 7.

With the boys from Forest Grove almost assured of a victory, Nelson suddenly was unable to find the plate with his fast slants, and before he got the side out, six Bearcats had crossed the plate. Some terrible fielding, and Hawk's hit with the bases full, were added fireworks.

With trouble brewing in the ninth, Coach Keene sent MacMullen to relieve Ledbetter. MacMullen struck out the first man to face him and forced the next batter to hit into a double play.

Perhaps the outstanding feature of the game was the pitching of Glen Ledbetter. Troubled with a sore arm which robbed him of his speed and control, and harassed by numerous errors, Ledbetter pitched remarkable ball under the circumstances.

Tomorrow finds the Bearcats traveling to Forest Grove for a return engagement with the Badgers. A victory will put the Bearcats on the high road to Southern Division honors.

WRESTLERS MUST SIGN UP BY NEXT TUESDAY

All Willamette students who wish to enter the A A U city championship wrestling meet and compete for A A U championship medals are asked to weigh in and fill out their registration blanks on next Tuesday by 3 o'clock. Bill Tate, Red Lang, and Frank Lockhart are the only outstanding entries from Willamette so far but many others are expected to compete including Bob McGilvra who is a Franklin high school letterman wrestler from Portland and who has had considerable experience.

Dean Hewitt leaving on a speaking tour has necessitated a changing in the personnel of those officiating and Tom Kay, state treasurer, has consented to act as announcer in the absence of Hewitt.

LOGGERS DEFEATED IN TENNIS MATCH

Last Thursday afternoon on the new Willamette courts the Bearcat net team overwhelmed the Puget Sound Loggers in all of the seven matches played.

White started the afternoon with a fast victory over Hidy 6-3, 6-1. White played a steady fast game and was never forced to extend himself to win. Minto ran up against trouble with Thomas but came back in good style after losing the second set 6-2.

Hageman made fast work of Neyhart, only allowing his one game in the two sets. Litchfield played his usual steady game against Elsabee and took the match in straight sets. Roeder likewise finished his match in quick time, only dropping one game.

White and Minto paired in the doubles took Hidy and Neyhart into camp 6-2, 6-3. Hageman and Roeder had little trouble with Elsabee and Thomas.

TUESDAY'S MEET IS WON BY BEARCATS

The Willamette University track team won a lopsided victory from the Oregon Normal school trackers here Tuesday afternoon by a score of 98 to 37. The Willamette trackmen showed a commendable improvement over their interclass marks, nearly all of which were appreciably bettered, despite the slow condition of the track. Willamette made clean sweeps of the mile, 440 yard dash, two-mile, 880, and the pole vault, and won firsts in the high hurdles, shot put, discus, broad jump, and javelin. With the pretty running of Long, Monmouth star sprinter, who took first in the century and 220, and ran last man in the winning relay team, and with the excellent record of 5 feet, 8 in. in the high jump by Barnum, Monmouth took three first places.

Carpenter, with firsts in the shot put and discus, and with a tie for second place in the high jump, was the Willamette high point man, with a net total of 12½ points, while Faber, who garnered a total of 13 1-3 points was runner-up for honors. Long was high-point man for Monmouth with 10 points. One of the prettiest runs of the day was turned in by "Bill" Tweedie, who stepped out in front at the sound of the gun and increased his lead with almost every stride, to win the 440 in 55 seconds flat. The brilliant recovery of Faber, who lost his lead in the high hurdles when he tripped on one of the last wickets, but recovered himself and beat Young to the tape in the closest race of the day, was one of the highlights of the meet.

Summary:

100 yard dash: Long, Monmouth; Lloyd, Willamette; Faber, W. U. Time: 16.4.

Mile: Winslow, W. U.; Hathaway, W. U.; Stone, W. U. Time: 4:58.5.

MISSIONARIES MAKE A CLEAN SWEEP AT MEET

COLLEGE OF IDAHO, May 8. —(NIP)—Coyotes and Missionaries clash here in a three game series Wednesday, Thursday, and Friday for the deciding of the championship of the eastern division of the Northwest conference. In the first three games

played at Whitman the Missionaries made a clean sweep, but on the home grounds the College of Idaho team plans to take sweet revenge. However, in order to win the right to meet the western division winners for the conference title, it would be necessary for the Coyotes to win all three scheduled games, and an extra play off contest.

CALIFORNIAN GETS FACULTY POSITION

Graduate of Whittier College Will be New Assistant in History, Economics

Mr. William C. Jones, who is at present a teaching fellow in Economics at the University of Southern California, has been selected for the new position of assistant in the Economics and History Departments.

Mr. Jones will come to Willamette with the highest of recommendations. He graduated from Whittier College with an excellent record. The head of the History and Government department of that college states that Mr. Jones was one of his two best students of the past seven years. And the dean of the school of commerce of the University of Southern California, where Mr. Jones has been teaching and pursuing work to complete his degree of Master of Business Administration, writes that he has had a splendid record both as teacher and as scholar.

Before taking up this last work, Mr. Jones taught Sociology in the Los Angeles University High School. According to Dr. Carl Gregg Doney, Mr. Jones should be a constructive worker as a member of the Willamette faculty.

The three other faculty positions of Professor of Public Speaking and Assistant in English and Law, respectively, have not been filled. Several names are under consideration but no decision has been reached. The other position, that in the English Department, to be left vacant by Miss Winifred Magill, who has turned in her resignation, will be filled by Miss Helen Pearce, who has been completing work to receive the doctorate degree at the University of California.

GREAT RIVER EPIC TO COME WEDNESDAY

More interest has already been manifested in the local engagement of the million dollar version of Edna Ferber's "Show Boat" which opens at Bligh's Capitol Wednesday, May 15, than any other offering in the history of this playhouse, according to Frank Bligh, proprietor of the amusement edifice.

Therefore, Bligh has issued a request to the public to attend the matinees, if possible, and to see the feature at the beginning of each show, to cooperate with the management in handling the unexpected unprecedented attendance.

In this connection it is announced that "Show Boat" will be presented continuously from 2 p. m. till midnight, with the usual Capitol tariff prevailing, despite the fact that the attraction is a two and a half hour road show, and that it is playing at advanced admissions in other cities throughout the country. In fact, Salem is the first city in America to pre-

sent "Show Boat" at regular admission prices, this concession having been made Bligh by Carl Laemmle, president of Universal Pictures corporation, who made the all talking, all singing, all musical super-spectacle. Laura La Plante, Joseph Schildkraut, Otis Harlan, Jane La Verne, Emily Fitzroy, Nealey Edwards and Alma Reubens head the list of 100 principals in "Show Boat," while such Ziegfeld stars as Helen Morgan, Jules Bledsoe, Aunt Jamima and the Ziegfeld Plantation chorus appear in a three reel movie-tone prologue and sing song hits from the musical extravaganza of the same name which is now in its second year on Broadway, New York.

CLASSICAL CLUB PLANS FOR PICNIC AND PARTY

At a meeting of the club held last Thursday noon, May 2, plans were discussed for a Classical Club party to be held at the home of Maida Caldwell and for a picnic to be held at the home of Margaret Hogg. The club also made plans for a chapel program to be given soon.

After a luncheon a short program was offered, Margaret Hogg, Naomi Fleet, and Muriel White spoke on different phases of Roman social life.

Election of officers for the fall semester will be held in the latter part of this month.

300 PEOPLE SERVED AT WY BREAKFAST IN GYM

May Morning Breakfast sponsored by the Y. W. C. A. was a great success financially and otherwise. Approximately three hundred people were served Saturday morning in the gym. It is estimated that about \$35.00 was cleared, although all the bills have not yet been paid.

The competition stimulated by the prize offered to the organization selling the most tickets probably accounts for the fact that the proceeds were greater than in former years. Daleth Teth Gimel won the prize, an electric waffle iron presented by Flaener's Electric Store, by selling 78 tickets. Honorable mention was given to Alpha Phi Alpha for selling 70 tickets.

CLASSES SHARE DAMAGE

Following the breaking of gymnasium windows during the "Sophomore Sneak" hilarity, Dean Erickson called a meeting of the four class presidents, for the purpose of repairing the damage done. At this meeting it was decided that an equal amount shall be apportioned from the dues of each class, before the class appropriations are determined next fall.

JUNIOR PRODUCTION WINS MUCH PRAISE

Popular opinion reveals the fact that the Junior Class play presented Friday, May 3, at the Grand theatre, was one of the most successful and enjoyed productions ever put on by Willamette University students.

The play, The Romantic Age, by A. A. Milne, was very unique in the line of plays previously presented.

The players adapted themselves unusually well to their parts. Their character portrayal was accomplished with special ease and distinction.

Congratulations and praise are justly due Mrs. Gerald Prescott Her ability to create atmosphere and bring out the particular ability of each member of the cast was readily appreciated by the audience.
