Thank you for attending our Parent's Weekend Concert this evening. To those of you who are parents of a student performing on stage this evening, we of the Willamette Music Department would like to extend our sincere thanks to you for sharing your sons and daughters with us. It is an honor to have so many talented students enrolled in our music program. We hope you enjoy this evening's performance.

The Willamette University Department of Music offers the music major intensive professional training in several music areas coupled with a balanced core of liberal arts courses. For the non-major, the department offers performance opportunities through private instruction, performing ensembles of all types and a wide selection of general music courses, many of which are designed to meet the fine arts requirements of Willamette's general education program. The music department annually serves 300-400 students. Willamette offers four different bachelor's degrees in music: Music Education, Performance, Composition and Bachelor of Arts in Music. Willamette's Masters of Arts in Teaching completes the student's preparation for a career in music education. For more information about the Department of Music please call or email: (503) 370-6255 or wumusic@willamette.edu.
