Our Pledge

Oh Willamette, fairest name,
School we love forever more.
We shall strive to keep thy fame
Tho we win or lose the score;
Singing ever thru the fight,
"I love Willamette U."
Aiming, striving with our might
Toward a worthy purpose, true.

CHORUS

Oh, dear Willamette U,
The school we love so well,
We pledge our love to you
And e'er your praises tell.
Oh, may we always be
Most worthy sons of thine;
We pledge our loyalty,
Willamette, school of mine.

College friends will go their way
And our world will hurry on;
Our strife lasts but a day,
And our cause be lost or won.
But thru all our lives we'll sing,
"I love Willamette U."
And to the end we'll bring
Our trust kept faithful, true.

JUNIOR SONG

Volena Jenks

Forever True

College days and friendship's dreams
In the eventide of years,
Bind in memories living gleams
The dear old school the West reveres;
Tradition weaves a silver glow
On her victories as they grow—
Then let Willamette's glories old
Live in her cardinal and her gold.

CHORUS

The spirit of old W. U.
Forever holds our friendships true,
Our golden dreams and memories
Have made their tunes her melodies.

The vision dreams of Jason Lee
Shall live to make her manhood free;
Then let her track and football game
Be worthy of Willamette's name.
All loyal sons shall love her more
For all the honors of her lore
Have met within her glories old
To live in cardinal and the gold.

SOPHOMORE SONG

Susie Church

Music by

To Willamette

Sweetly as the years go by
Comes a thought forever new,
Fills us, thrills us with its meaning,
Loyalty to W. U.

CHORUS

A thrill in our hearts!
A song on our lips!
All voices attuned to thy praise.
Thy virtues have bound us
And hold us enthralled
In memory of our college days.

Never may thy glories die,
Fragrant memories 'round thee cling.
Mem'ries golden, joy o'erladen
Of our deep'ning love we sing.

We Love You, Old Willamette

The school that has our honor
And love and praises bold,
Is you, our dear Willamette,
Our Alma Mater old.
We honor your professors
So earnest and so true,
We love your dear old campus,
We'll always fight for you.

CHORUS

We love you, old Willamette,
So good and pure and true,
We'll honor your traditions,
And ever see you through.
There's something in your spirit
That leads us up and on,
Our school, our dear old college,
We'll sing your praises long.

May we ne'er disgrace thee
In action, word, or thought,
As on life's flaming bellows
Our worldly fates are wrought.
But be true sons and daughters
And hold thy standards high
And fire thy living spirit
'Till it shall never die.
