## Willamette Collegian

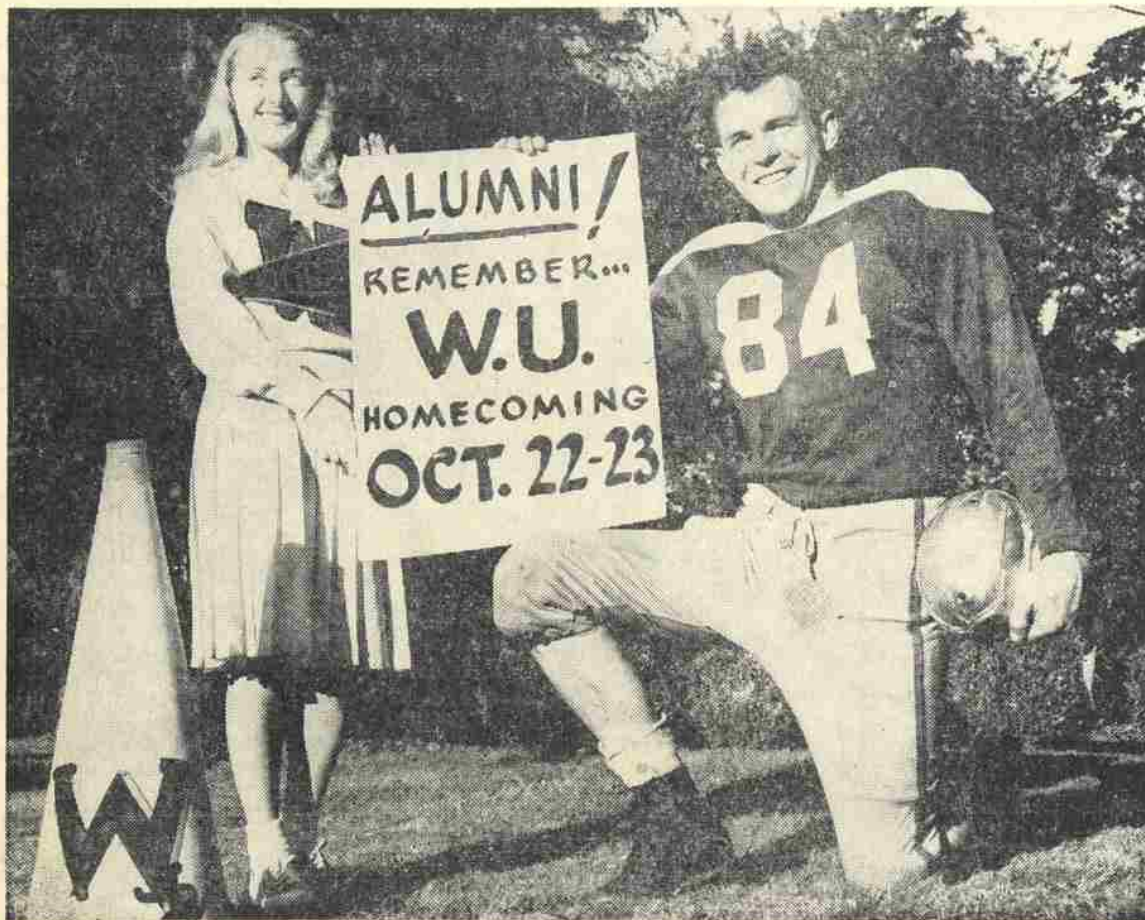

1842—Willamette University in its Second Century—1948

Vol. LX

Salem, Oregon, Friday, October 8, 1948

No. 4

### Alumni Invited to Bearcat Homecoming

Beth Tedford, Willamette song queen, and Gene Allison, Bearcat football captain, here greet alumni and invite them to Willamette's traditional Homecoming weekend, October 22 and 23. Incidentally, this issue of the Collegian is being sent to 2,500 alumni plus its circulation of 1,400.

### 150 WU Students Eligible for Draft

About 150 Willamette men, mostly freshmen, will have to be thinking up good excuses or rather exemptions to keep themselves from getting a call to arms when school lets out this fall.

These students are in the qualifying age group without ample cause to be classified exempt from military service.

Some students are receiving questionnaires from local draft boards which must be filled out and returned. These questionnaires are merely for the purpose of finding out what status the prospective draftee will hold as the post-war draft program goes into full swing.

The fact that nearly 525 returned veterans are enrolled in

### Faculty Newsletter Due This Month

Sometime this month the new informal publication, "The Faculty Newsletter", edited by Mrs. Gladys Ogel, secretary to Dean Gregg, will be published. It will be a monthly mimeographed sheet containing the social and professional activities of the various faculty members.

"Any news items brought to Mrs. Ogel by the faculty will be greatly appreciated", stated Dean Gregg.

### IRC Plans First Meeting of Year

The International Relations club has extended a general invitation to all members of the Willamette student body to attend its first meeting of the year. Plans will be made for the coming semester by the organization.

The meeting is to be held on Wednesday, October 17, at 7:30 p. m. in the Little Theater located in Waller hall.

Willamette tends to cut the number of prospective army men to a minimum. Men in the age group between 19 and 25 are exempt from military service as long as they are in college, but when the fall semester of the college year ends they are open prey.

### Combined Chest Underway; Drive Starts Here November 7

Following council approval this week, the school chest drive will be held on the campus November 7 to 13. The drive is designed to combine all organization money drives into one.

John Christensen, drive chairman, told the council that preparations are well under way for the drive. A variety show is to be held the night of November 13 in the high school auditorium to help raise money for the drive. In charge of the entertainment are Ray Loter and Ray Yocom.

Solicitations to be taken during the drive week will be in charge of Pat Holtz and publicity in charge of Jean Carrico. Solicitations will be both voluntary and through pledge cards, it was announced. Solicitors for various organizations are to be appointed in the near future.

Publicity will be in the form of advertising tickets to the variety show to be given with purchases in various business places in Salem and newspaper articles.

Christensen asks that all past drive chairmen or authorized representatives meet with him next Monday afternoon at 4 in room 2, Eaton hall, to determine correct allotments for each organization.

### Wallulah Price Hike on Ballot For Next Tuesday's Election

Two measures will be on next Tuesday's and Wednesday's ballot in the campus election in addition to a myriad of class candidates. Following student council action Tuesday night it was decided to place proposals for Wallulah's price rise on the ballot to allow students to more fairly decide what they want.

The measure will be as follows:

1. That each student pay \$2 in addition to submitting his student body cards when receiving his Wallulah, or

2. That each student pay \$1 in addition to submitting his student body cards when receiving his Wallulah and that each organization whose group pictures are included in the Wallulah be charged at the rate of \$20 per page.

Either of these proposals if adopted would cover the additional expenses of printing the Wallulah this year, Geri Bowles, Wallulah editor told the council.

The council is including the measure on the ballot because it feels that there is some dissatisfaction being shown on the part of organizations with the matter as it now stands. The second measure as above is now being used by the Wallulah since it was approved by the publications board and by students on ballots when registering.

However, since some organizations have no means to pay for group pictures, it was felt by some members of the council that "active students were being doubly penalized for being active" and that persons in many organizations would have to pay many times for inclusion in organization pictures.

(See editorial on page 2 and sample ballot on page 3.)

### Makeup Deadline

H. B. Jory, registrar for the University, announced today that Friday, October 22, will be the last day to make up incomplete grades from either the spring semester or the summer session.

### WU Band Suits Arrive After Weeks' Delay

The WU band will appear in new uniforms at the Willamette-College of Idaho game this Friday night. The uniforms, purchased in the spring, arrived last week.

They are of military style similar to naval officers' uniforms, being navy blue with a cardinal and gold dress cord over the shoulder and musical insignia.

Newly elected officers of the band are: Don Stoudenmeyer, president; Jack Proctor, secretary-business manager; Roy Shelton and Brent Deitrick, assistant business managers, and Barbara Miller, treasurer.

### Chapel Notice

Wesley Rennie, who has recently been in Germany, will speak on the German situation as he sees it at chapel in Waller hall Tuesday. Will Henderson, president of YMCA on the Willamette campus which is sponsoring Mr. Rennie, urges everyone to attend. Thursday, Reverend Dudley Strain of the First Christian church in Salem, will speak at the First Methodist church.

### Homecoming Slogan Theme of Weekend

By Earlyne Foley

"Battle-ax the Lumberjacks," has been chosen as the theme for Willamette's annual Homecoming weekend. The winning slogan was picked by Eric Bergman, Collegian editor, and by the housemothers of the men's living units: Mrs. Gayle Morris, Baxter Hall; Mrs. Blanche Proctor, Beta Theta Pi; Mrs. Elizabeth Higby, Phi Alpha; Mrs. Della James, Phi Delta Theta; Mrs. B. G. Ferren, Sigma Chi and Mrs. Fay Owen, Laurel Hall.

Joan Klindworth, Delta Gamma, submitted this year's winning theme, thus claiming the \$10 prize.

### Leaf Rake Scheduled

The leaf rake done by the class of '52 will be the next Homecoming event, scheduled for 6 a. m. Friday, October 22. Eldrid Hutchison is leaf rake chairman. By 9 a. m. all campus living organization signs are to be completed, announced Russ Tripp, Homecoming chairman, although judging will not be until later in the day. The men will erect their signs near their respective living units. Lausanne, Freddy and Laurel Halls will construct their signs on their front lawns. Sorority houses will be given a plot of land on the campus by the Homecoming committee, Tripp said. If they are not satisfied with the area given to them, he said, they may request from the committee another location. A maximum of \$15 has been set for the amount to be spent for the construction of the sign. Expenses for the noise parade to be on Friday evening must not exceed \$10, the committee said. A bonfire at Bush's pasture will follow.

### Homecoming Meeting

Following the big game Saturday afternoon, between WU and CPS, the alumni will hold their Homecoming meeting and be the guests at the open houses of the living organizations. The final event of the big weekend will be the Homecoming semi-formal. Gordon Cline has been named general chairman of the dance and committees will be announced later.

Other events in the making for the Homecoming celebration include an ugly man's contest sponsored by Alpha Phi Omega to raise money for a flagpole to be erected on the campus as a memorial to WU war dead and downtown window displays. A faculty play is also in the cooking stage for Friday night after the bonfire and noise parade. The football game will be supplemented by WU and CPS band music and a pushball game by freshmen and sophomores.

### Other Good Slogans

Other slogans which made the finals were: "CPS Should Stick to Chess"; "Puget Sound Runs Aground"; "Send the Loggers Back Home to Old Tacoma"; "Make Tracks to Your Sacks You Lumberjacks"; "Under the Shackles with the Lumberjackle"; "Rack the Jack" and "Loggers Lament, 'Cats Content.'"

### WU Workshop On Air Monday

The University Workshop Players are presenting a Carl Ritchie original, "Entrance on Tuesday," next Monday night at 10 over KOCO. The cast will include Sheila Ryan, Roberta Meyer, Kathleen Scott, Jack Brown, Ray Loder, David Bristow, and Carl Ritchie.

"Entrance on Tuesday" is the story of an actor in New York, and is a modern radio adaptation of a short story. Joe Power produces the Monday night radio shows.

## Homecoming for Alumni

This issue was especially prepared to invite alumni to homecoming which will take place on the campus October 22 and 23.

Charles Barclay, our publicity director, who incidentally is paying for the extra editions to be mailed to alumni, tells us that there are 2,500 alumni names on the mailing list. Our invitation to homecoming, which will feature WU against CPS in the Saturday crucial, does not end with the 2,500 however. It extends to all friends of the university and to other alums who may hear of this invitation through the *Collegian*.

Get out the old overcoat and rooting togs, then alums, and be here for the traditional event with all its fun and glitter.

Big things are underway to make this year's event the best ever.

## Wallulah Forever and for Everybody

The student council this week was dissatisfied with the proposal of raising prices for the Wallulah. It does not believe, however, that the publication should lose any of its activities because certain organizations might be unable to pay for their group pictures in the yearbook.

It was for this reason, and because the council did not feel that the student body had expressed its true desire, that the matter of the Wallulah will be on next Tuesday's ballot.

Two proposals will be on the ballot. One proposes that each student pay \$2 plus his student body cards next June and the other proposes that each student pay \$1 plus cards and that each organization wishing group pictures be charged \$20 per page.

Because of council sentiment, the *Collegian* supports the first of these two proposals, since we do not believe that all organizations will be willing or are obliged to pay for their pictures. However, it seems evident that the person who wants a Wallulah and wants pictures of himself in each organizational section he is attached to will have to pay for them no matter which proposal is adopted.

## The Proposed Honor Code System

The proposed honor code system, as considered by the student council meeting last Tuesday, would undoubtedly be an improvement over the existing situation. The problem of cheating in examinations, theme assignments and all other work that would be inspected by an instructor, would be in the hands of the students; thus relieving the faculty of a time-wasting, needless duty.

As stipulated in the tentative plan: "An observed violator may be warned verbally or by the tapping of a pencil. If he persists, the observer is responsible for reporting the violation to the honor code committee."

The honor code committee, as proposed, would consist of the nine members of the student body judiciary committee; including one freshman, one sophomore, two juniors and two seniors. There would also be student representatives, one each, from the college of liberal arts and the schools of music and law.

The members of the committee will be chosen by petitions (25 signatures) which are to be in Dr. Schulze's office by 4 p.m. next Wednesday. Final selection will be by student election.

Perhaps an honor system is the answer to an old problem. On the other hand, perhaps the plan serves to combat the symptom rather than the cause of the complaint.

In view of the fact that actual learning, in many cases, has become secondary to the almighty grade that can be obtained by hook or by crook, maybe the grading system itself could stand consideration.

## Who Is It?

It seems to run in the family! Al McMullen, who is seen occasionally about the campus with last week's winner, took both dollars from the *Collegian* feature editor this week. How about figuring this one out and being here before the McMullens beat you to it.

Just let me do it—  
I don't care!

It's simple and may win you a dollar.

## CARTER Slings The Ink

By CHARLES CARTER

**THE WORLD AT PEACE:** Revolt flared up in Peru this week. Troops were called out and with the help of planes and tanks crushed the rebels at a coast port, but at the last report fighting is bursting out again . . . De Gaulle is hinting at a possible coup if the French people are not given a chance to vote him into power. If the present middle-of-the-road government sinks any lower, the French are going to have to choose between communism and fascism . . . Siam (used to be Thailand) has uncovered another plot to overthrow; this time it involves an ex-premier and an ex-ambassador to Britain.

**THE V. I. P.s:** Truman, Dewey, Wallace, Thurmond, and, of course, Norman Thomas have all been touring and talking—and dodging eggs . . . Juan Peron of Argentina will have his future decided for him when the Argentine constitutional assembly meets, probably in December. The question is whether they amend the constitution so that a president cannot succeed himself. Peron's term is up in 1952 . . . Viscount Field Marshall (a Very Important Person, no doubt) Bernard L. Montgomery has been appointed military chieftain of the five-power western military alliance . . . War hero Vice-Admiral Thomas L. Gatch of Portland has been named by Governor Hall to replace the recently ousted Freck as head of the state liquor commission . . .

**RANDOM THOUGHTS:** Now some restaurants are offering shmooburgers . . . They're still seeing flying discs all over the country . . . Seven hunters were reported killed in Oregon in the first five days of hunting season . . . Ninety-mile winds are whipping Florida again . . . Speaking of bad weather, the federal people, who are supposed to know, say that there will be worse floods in the northwest in the spring than there were last time . . . Now someone's found 100 Gs in a "Jesse James" cave in Mo. Why don't we ever find these things? . . . We notice that the law against inter-racial marriages in California has been ruled unconstitutional.

## BEEFS and BOUQUETS

Dear Editor:

Close inspection by the reader fails to disclose any stated editorial policy dedicated to the forces of either hasty editorialism, flash reporting or pure reaction. Yet I fear that Mr. Carter in his past column "Slinging the Ink" is inadequately and quite hopelessly swinging violent and fruitless blows in quite a nasty manner at but bits of news. This of course gives the reader anything but a true presentation of the facts.

Successful reporting, editorializing, even commenting, calls for a minute examination of all existing conditions, and an earnest desire to reveal these facts in a collected dispassionate manner. Due to the fact that the precious standard of reaching for relationships and final evaluations in a logical, factual manner is an observed rule for any university endeavor, there is an apparent need for such commentaries as Mr. Carter's. However, when considering such themes as a flighty reflection on foreign affairs plus an unheard of and equally bland statement concerning the "common opponents"

(??) of Mr. Wallace and Mr. Thurmond, Mr. Carter stoops to the Hearst technique of trying to sell a viewpoint through misinformation.

Critical readers will continue to be very leary of any prolonged attacks on peoples without at least an inkling of where one procures his witty-cutting information.

Merle A. Akeson.

## Law Students Learn Lesson in Evidence

Rex Hardy, Willamette law student, learned a special lesson in jurisprudence in Eastern Oregon last week, when he killed a "deer" which turned out to be an elk. (Elk are out of season.) A friendly resident who offered his assistance in identifying the species also assisted the "law" by summoning the authorities who promptly "touched" Hardy with a \$200 ticket. Hardy was accompanied by John Copenhaver, also a law student.

## Bedlam is Pictured By Basement Tenant

By Ted Trite

You, basement of Baxter hall, can go back to your regular schedule now. The newest additions to the 'Associated Men of Baxter Hall' have left your clammy halls and clanking water pipes forever. We may have left you battle scarred and dirty but we've left.

Believe me, you were a haven in the storm for some of us.

## On the SOUTHard Side

Those new, two hour parking signs on 12th street will no doubt bring about a better on-time attendance for 8 a.m. classes. With parking the problem that it is now, it will be a case of first come, first park.

A student was telling me a few days ago that he came to school a little late one morning and wound up parking south of Lausanne hall in the neighborhood of the hospital. He said he didn't mind walking the distance to Waller, but he did mind drowning. It seems it was one of those dewey mornings, and he had forgotten his raincoat.

While painting her glasses' rims last week, Sheila Ryan dropped them and broke a lens. Sheila paints her glasses about as often as Monday rolls around.

The reluctant fountain in the library brings to my mind a little incident which took place on registration day. After filling out the usual registration cards, I got into a very long line. Now the end of the line was near the water fountain, and being somewhat thirsty, I decided to get a drink. But when I tried the water tap handle, no water came out.

A few minutes later Dr. Smith walked up to the fountain, pressed the handle, bent over, and took a drink. When he moved away, I walked over and decided to try again. I pressed the handle, bent over—but no water.

Now librarian Dan Graves tells me that the fountain is going to be taken out because it "squirts over or it doesn't squirt at all." But I'm still curious to know what kind of a twist Dr. Smith used on the tap handle.

Just a storm for others. For myself, I would have been traipsing back and forth between Salem and Oregon City every night if it hadn't been for you and Dr. Withey. Even so you hold a dread for me.

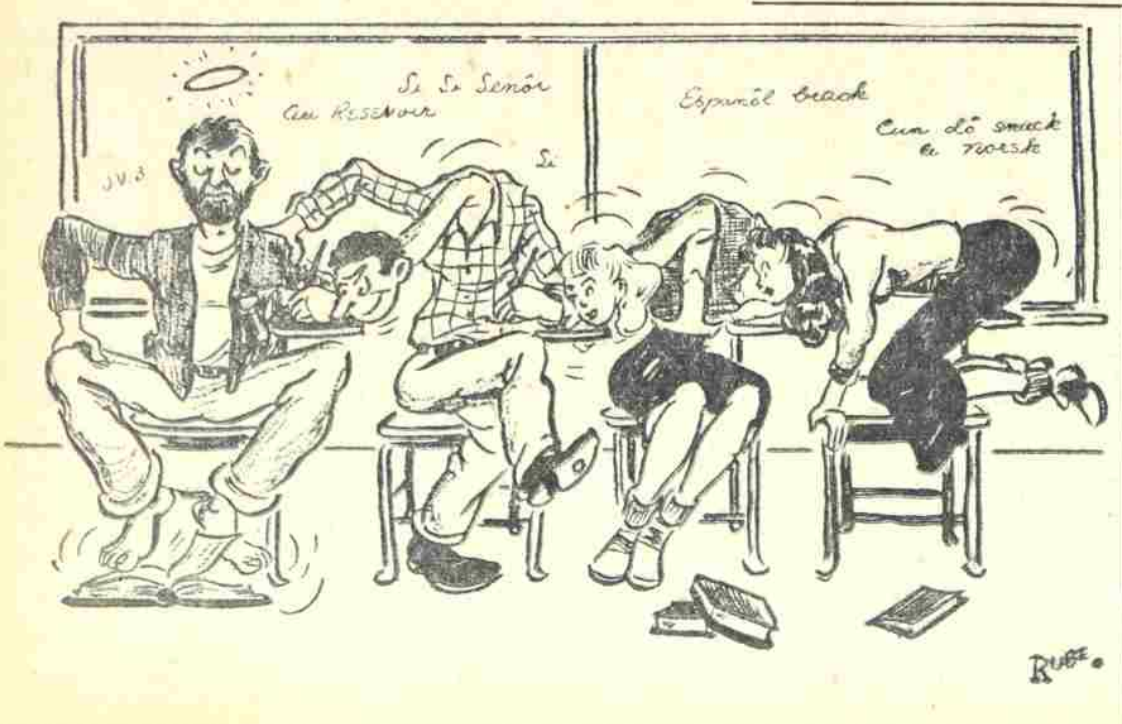

I still wake up in the middle of the night feeling the dead weight of one of the 'boys' falling over me in the dark as he limps in after an uneventful (?) night with his woman. I didn't mind those so bad though. It was those little devils that came flirting in every half hour and turning on the lights so that they could see to get to bed—and then forgetting to turn them off again that got me.

It was very easy to study there too. Somebody was always without studies and turned on the radio full blast or explained the intricate movements of an off-tackle slant or Sadie Bloomingdales new shade of lipstick. Sometimes those 'gentlemen' who had to "estudiar el Espanol" were a little noisy too.

Of course, it had its advantages. At night I would hang my shirt over the hot water pipe and in the morning it would be nice and warm to get into. I quit that though. One night I left a Hershey Bar in my pocket.

But finally one night I had enough. Somebody started a short-sheeting epidemic. It was all right while I was helping spread disaster but when I was enmeshed in my own lilly white percales, I said, "That's all! Nobody's going to push me around any more. No one at all!" The next night I was thrown in the mill stream.

But that's all over now. I'm on the third floor and as far from you as I can get. The radios still roar, the water pipes still bang and Sadie Bloomingdales purple lipstick is just as novel as it ever was but somehow I feel better. I'm sure you do too.

## Saturday Evening Post Story On WU Due in November

Willamette will be featured in a November issue of the *Saturday Evening Post* following a series of pictures taken about the campus on Wednesday by Gene Lester, a contract photographer with the national publication.

Lester flew to the campus Wednesday from his Hollywood office and left by plane Wednesday night after shipping the pictures direct to the Post's offices in Philadelphia. The pictures had to meet a deadline there Thursday night, he said.

The article to accompany the pictures in the Post is to be written by Lester.

## WU Dramatists To Present Play End of October

Willamette's first student body play, "The Mollusc," a comedy by Hubert Henry Davies, will be presented on October 29 and 30 in the Salem high school auditorium.

In this charming comedy there are only four characters, so each character has a strong part. Kathleen Scott plays Mrs. Baxter, a lazy, easy-going human mollusc. Mr. Baxter, played by John Brown, is truly devoted to Mrs. Baxter, even though he is slightly in love with his children's governess, Miss Roberts, played by Shirley Dean. Carl Ritchie takes the part of Tom Kemp, a robust, likeable individual, who determines to cure his sister, Mrs. Baxter, of her mollusky tendencies, and soon finds himself in love with Miss Roberts.

Prof. Edward T. Gibson started practices early this week, and they will continue at 6:30 in the evening and on Saturday afternoons until the night of the first performance.

In 1945, at the University of Dubuque, Iowa, Gibson directed "The Mollusc" with great success.

## Debate Tryouts

An appeal is being made by the debate department for women members. "We need experienced debaters," said James W. Kirkwood, head of the department, "but we will welcome any who are interested in debate."

land, and will especially feature the athletics of a small university. Stumpf's article on Lon Stiner, former coach at Oregon State college is currently running in the Post.

Lester covers Post pictures from Mexico to Alaska, he said, and drops everything when he gets a Post assignment. He recently completed a fashion feature with the Gantner clothing company in Las Vegas and San Francisco, he said.

The Post photographer said that probably 10 of the pictures taken here would be used, depending on space. He said features of the type usually receive a two-page spread in the Post. Ten by an Oregonian and Post staff writer Al Stumpf, of Portland.

## Bearcat Cavern To Serve Frosh After Leaf Rake

Virginia Hale, manager of the 'Cat Cavern, announced that it will be open at 5 o'clock Friday morning, October 22, after the freshman leaf-rake. It also will be open all day for Homecoming, Saturday, October 23, and tonight until 11:30 o'clock.

Miss Hale is now making a miniature football field out of different kinds of candy for Homecoming, which is replete with small Bearcats, and tiny goal posts decorated with Willamette's cardinal and gold, and the College of Puget Sound's blue and gold.

## Five Sections Reserved At Ball Games

Five sections will be reserved at all home games for Willamette men, women, the Pepecats, the WU band and the Letterman's club. This decision was adopted by the student council at its Tuesday meeting and followed a trial of the new system at last Friday's game.

Scotty Washburn, who spoke at the council meeting in defense of the new seating arrangement, gave three reasons for possible lack of workability of the plan at the last game. He said that 400 men were tired after rushing.

The council added Beth Tedford to the rally squad as song queen. The song squad was dissolved by council action. Miss Tedford will instruct the rally squad in leading songs at games. The Peecat organization, under leadership of Avis Roberts, will still function at athletic activities.

**Cats Take on College of Idaho In First Conference Tilt Tonight**

The Willamette Bearcats will play host to the undefeated Coyotes from College of Idaho on Sweetland at 8 tonight.

It is the first Northwest conference game for the locals and from all indications it may be

the toughest, for the Coyotes crew field a rough and experienced bunch.

**Coyotes Linfield Victors**

The Idahoans, coached by Clem Parberry, are fresh from drubbing Linfield by a 13 to 0 count last week and observers point out that they will be hard to handle.

In addition to the Linfield win the Coyotes also have a 26-0 win over Southern Idaho and a 33-28 win over Whitworth under their belt.

**Winbigler, Top Star**

The Coyotes are paced by a 180 pound All-conference right half, Tom Winbigler, who scored 66 points in the conference last season.

Winbigler has scored a great deal this year and is the College of Idaho's hope for a Little All-American berth. The sensational pass receiving of left half Glen Ward and the hard running of

fullback Bud Hammock may also prove dangerous for the 'Cats.

**Johnsrud Suffers Injury**  
For the Bearcats, Chuck Bowe is still limited in his action because of a sprained ankle, but Howie Lorenz, flashy halfback, has sufficiently recovered from a pulled ligament and will see action in tonight's contest.

Bad news, however, came from the fact that Herb Johnsrud, right guard, will be out of action for two weeks because of a dislocated shoulder, suffered in practice Tuesday. Also benched is Bobby Douglas who has a bad rib strain from last Friday's encounter.

**Jason Juggernaut Catches Fire To Roll up 41-0 Win Over EOCE**

By Dale Reynolds

It was a sadder but wiser team of Mountaineers that journeyed back into the hills of Eastern Oregon after Coach Jerry Lillie's Bearcats gave them a 41 to 0 steamrolling Friday night.

The local gridders practically scored at will while the Eastern Oregon squad never got beyond the Willamette 40 except for one occasion when they were stopped at the 17 yard marker.

**'Cats Score in Every Period**

The Bearcats scored a touchdown and field goal in the first quarter, added another TD in the

second to lead 15 to 0 with the ball on the 11 as the half ended. They added 13 points in each of the two remaining periods to gain the final 41-0 count.

After eight minutes of play John Burleigh passed 21 yards to Bill Ewaliko to cap a 77 yard TD drive. Al Minn's attempted conversion went wide, but a few minutes later he booted a field goal from his own 14 yard line to raise the first quarter score to 9-0.

**Minn Runs 33 Yards for 2nd TD**

With three minutes left in the second canto, Bobby Douglas started the next end zone drive as he returned Big Jack Hen-

erson's punt from the Eastern Oregon 45 to the 33. On the next play Minn raced jack rabbit style for the remaining 33 yards to score. His attempted conversion was blocked leaving the score 15-0 at the half.

Ewaliko again hit paydirt on an 18 yard run which topped a 53 yard drive when the third quarter was seven minutes old. Minn split the uprights for the extra point making the count read 22-0.

**Lillie Throws in Subs**

Then Coach Lillie threw in the bench and the subs made a good account of themselves from there on in.

Jimmy Noa, at quarter, started the next drive, a 75 yard TD blast with Burleigh tossing the pill 30 yards to Dean Nice and Bob Warren bucking over the score from the three to boost the margin to 28 to 0 at the end of the third.

**Fourth Quarter, Same Story**

Early in the final canto the Bearcats rolled on as Keith Sperry climaxed a 48 yard spurt by whipping off his own left tackle for seven yards and the tally.

Moments later Ray Osuna, sub half transferred from Clark, intercepted an EOCE pass and returned it 16 yards to the Mountaineers 14. Osuna again carried to the four and Noa went over. Minn converted an extra counter to hang up the final 41-0 scoreboard reading.

**College of Idaho Tops Linfield, 13-0**

Slipping over two second-period touchdowns, the College of Idaho downed Linfield 13-0 in the only Northwest conference test last week end to be in a tie for first with Pacific and Lewis and Clark.

College of Idaho's all-conference halfback Tom Winbigler, who led the scoring in the conference last season, scored both of the Idaho TD's. Captain Rich Gardner, end, kicked the lone conversion.

Both touchdowns came on marches started by an intercepted pass. After the intercepted passes the drives were 54 and 59 yards.

**JV's Dump Tillamook 25-0; Engage Linfield Here Today**

Ambrose D'Eagle's victorious jayvees by virtue of a 28-0 swamping of Larry McKeel's Tillamook cheesemakers, try for their second grid win today at Salem high when the Linfield jayvee outfit invades the area at 3 p.m.

The midget edition of the Bearcats, scoring in every quarter, ran rough-shod over the charges of ex-Bearcat Larry McKeel last Friday by halting the losers' only threat ten yards short of the goal.

The Jayvees opened up early in the game, with halfback Bob Taylor scoring the first of his two touchdowns on a dash from the 20 yard stripe. Halfback Bob Shangle, who ran over all four of the extra points for the day, plunged for the point after touchdown.

In the second period the Jayvees began another march and this time Shangle scored from ten yards out.

Coach D'Eagle, using all 30 of the men he took on the trip, con-

tinued to mastermind the onslaught in the second half as his boys racked up two more scores. In the third stanza Phil Taliaferro passed to end Don Olson for 40 yards and the third score.

Taylor made the last score of the game in the early moments of the fourth quarter, going over from the 15-yard line. Shangle ran his fourth extra point of the day over and the score stood and ended 28-0.

The Jayvees held the McKeelmen to one lone drive but, led by the inspiring defensive leadership of Olson and Mark Cotton, ends, Bob Seamster, guard, and Shangle and Taylor, the Tillamook threat was stopped on the 10.

The intramural basketball program got under way this week with the Seniors coming out on top of the pack as they racked up two wins and no losses.

In the opener Monday night the Sophomores held a Senior team, composed of five lettermen, to an 8-8 tie in the first stanza and a 16-14 lead at half-time. The third quarter was a

different story, however, with the winners pulling out in front 23-17.

### Barker Paces Senior Win

In the final period the Sophs closed in to a 26-21 count with three minutes remaining but could come no closer than the final count of 28-24. Bruce Barker paced the winner's attack with nine counters while diminutive Dick Allison topped the losers with eight.

The evening's second game saw the Juniors knock over an inexperienced freshman Fish squad by the lopsided score of 27-15. The Juniors held a 19-2 halftime margin and were never threatened. Waters was the game's leading scorer with 11 points. Ad Fedje and Ted Loder gained runner-up honors with eight each.

In the first game of the twin bill, the Mustangs stopped the Aces in an all-freshman tilt. Scrivens and Allison each scored eight counters for the victorious Sophs in the nightcap, while Waters was keeping the Juniors in the game with a total of seven points.

### J. Johnson Hot Wednesday

The league-leading Seniors, led by J. Johnson with sixteen points, completely outplayed the Frosh Fish in Wednesday's opener, winning 40 to 18. The senior court artists built up an early lead, and cleaned the bench in coasting to their second win in as many starts.

In the week's finale the Frosh Fishes whipped the Frosh Mustangs, 33-22, with Ted Loder netting 13 points for the winners.

# Sports Orbit

by Oakes

Jerry Lillie's backfield men really fattened up their yards per try average on Eastern Oregon last Friday with Ray Osuna, ex-Dallas high flash taking the lead with a 9.67 average in three tries. And gracious, look who's bringing up second place. None other than "Persia John" Slanchik with a stupendous 8.33 yards per try average. "Long Jawn" that fearless punter, courageous safety man and pass tosser extraordinary, is generally accorded accolades for these feats but certainly not for ball-carrying. Now comes this and we find another ground gainer in the Lillie backfield.

**ART BEDDOE**  
Cat star guard and kickoff specialist.

Pity poor Howie Lorenz who had to sit the last tilt out and watch his fellow backs pad up their averages. Roy Harrington is one back whose average at present doesn't show his value to the club. A couple of

mixups in the backfield in the Portland game pulled Roy's average way down, but give him that ball anytime and he's always a TD threat.

A letter comes from Don Douris in New York, last year's social chairman, who is at Union Theological seminary there. Don got an opportunity to see the recent 33-14 pasting Southern Methodist gave Pittsburg. He says Doak Walker, the Mustangs All-America candidate quarterback, deserves all the credit you read of it in the papers.

### Art Beddoe, Tops at Guard, Also Good Thumper

Interesting sidelight in the statistics department again is Art Beddoe's kickoff average which now figures at 53.6 per thump. The Vancouver mauler has kicked off 8 times and every one has gone past the opponent 15 and all but one past the ten.

If you want to place a bet on a likely All-Conference guard prospect we'll wager that Art is as likely a man as you could find.

### Basketball Tourney Offers Good Brand of Casaba

If you get your fill of football over the weekend (the Beareats play tonight at 8 and the Bearkits this afternoon at Salem high at 3) drop in at the gym next Monday, Tuesday or Wednesday to see some first class basketball in this class basketball tourney. Most of last year's varsity casaba squad is playing as well as a lot of highly rated freshmen.

Seven teams are now playing, one each for the upperclassmen and four frosh. Two games a night, one beginning at 7 and one at 8 are played in this round-robin tourney.

### Paces Seniors

**Bruce Barker**, casaba letterwinner last year, paced the senior 28-24 win over freshmen Fish last Monday with nine points.

### Fem PE Majors To Assist in Activity Classes

With the resignation of Miss Marjorie Heid, assistant physical education instructor for women, Ruth Haglestein, Fern Ingram and Joyce Kelly will help director Gale Currey with the general activities classes until a new assistant can be found.

The archery classes are carrying on with the help of a few students who have had previous instruction.

### Tourney Nears Starting Line

The last basketball practice session scheduled for next week will give way to the first tournament play off between Alpha Chi Omega and Fredrickson Hall which will be held at 4 p.m., Monday.

It has been suggested that a swimming group be organized to meet once or twice a month at the 'Y'. Suggestions have also been made toward organized cycling, bowling, and beach trips. The enrollment of W.A.A. being longer this year than last, enthusiasm for sportive activity has run high with more and bigger ideas.

### Twenty Five at Play Night

Games, volley ball and kick ball high-lighted the evening for approximately twenty-five girls at the play night Thursday, Sept. 30 from six thirty to eight o'clock. While refreshments were being served, the officers of W.A.A. were announced and in turn briefed the girls on the duties of their offices. The chapter ones, Miss Helen Mae Olsen and Miss Gale Currey were introduced and a short talk was given by Joyce Kelly regarding earning of W.A.A. points for activities.

## PE Instructor, Marjory Heid Resigns Post

Miss Marjory Heid, women's physical education instructor, tendered her resignation, effective immediately, last week to President G. Herbert Smith.

Miss Heid said it was necessary for her to return to her home in Portland to care for her mother who has been ill for some time.

As assistant to Miss Gale Currey in the women's physical education department, she supervised all activity classes and was advisor to the Women's Athletic Association. She came to the Willamette University campus at the beginning of this fall semester from the College of Physical Education at Kansas City.

According to Miss Gale Currey, inquiry has been sent to both University of Oregon and Oregon State College in an effort to locate a graduate student to fill the vacancy. President Smith has also contacted the middle west teachers' bureau for applicants.

## To Win - There Must Be Loyalty, Teamwork and Inspiration Among Men

No member of a football eleven without these attributes can ever hope for that goal post triumph. To an infinitely greater extent does the game of life demand these factors from those who would achieve the victory of personal integrity. Spiritual sustenance is the inspiring guidance for loyalty and teamwork among all men. Come to church this Sunday and continue to attend services regularly.

## WU Choir Plans Spring Programs in San Francisco

With a week long sojourn to the San Francisco Bay area tentatively planned for the spring vacation, Willamette's a cappella choir began its preparation by appearing at chapel service yesterday. The choir, considerably larger than the originally-planned 60, will be a regular Thursday chapel feature for the remainder of the term.

Already several dates have been set for appearances both here and at outside points. They have been requested to sing at the Portland art museum, Sunday, March 27, and by the American Association of University Women during the week December 12 to 18. Dean Melvin Geist's proteges will also join the Salem Oratorio society in presenting Handel's impressive "Messiah" at the Salem high school auditorium December 12. Forty or fifty students will

constitute the traveling choir for its out of town engagements, the most important of which will be the California journey. During this annual tour, several intermediate stops are planned in Southern Oregon in addition to the San Francisco concerts. Brand new choir robes of gold lined maron with golden stoles were purchased and arrived last week.

At present, active participants are Alice Adams, Shirley Ambler, Grace Ashford, Phyllis Bain, Sharon Currier, Marilyn Dixon, Ellen Hair, Helen Rice, Della Saabye, Janet Stark, Gloria Stone, Betty Thompson, Doris Walser, and Shirley West, first soprano; Pauline Bristlin, Joy Bushnell, Ruth Edson, Margaret Fisher, Aldene Gould, Barbara Miller, Betty Mullin, Margaret Powell, Pat Ryan, Norvada Smedley, Marian Spann, second soprano; Glennis Allen, Mary Corthell, Marvella DeGuire, Norma Faaborg, Edith Fairham, Bernice Isham, Jodie Johannaber, Rosanna McMeekin, Gloria Nandie, Helen Oakes, Anne Swanson, and Velma Youmans, first alto; Martha Benard, Marjorie Cooper, Janet Gilliland, Patty Hammond,

## History Majors Meet

All history majors are expected to attend a meeting Tuesday at 10 a.m. in Eaton hall, room 37. Departmental requirements, including comprehensive examinations, will be discussed. The meeting is scheduled by Dean Robert D. Gregg, Prof. Chester Kaiser and Miss Geraldine Meroney.

## Veterans' Tips

Veterans are urged to memorize the "C" (claims) numbers assigned to them by the Veterans Administration so they can use the numbers readily when they write or call VA about their benefits.

A number is issued to each "vet" applying for compensation, pension, or other requests. With about 24,000,000 veterans' names in VA's files, many names are duplicated thousands of times. These numbers are extremely important as they are on all the case folders that are in the office of the VA.

## 9,000 Volumes Leave Store Since Opening

Few Willamette students probably realize the tremendous business that the book-store does. Mrs. Larson, manager of the book-store, reports that she and her helpers have sold between eight and nine thousand books since September 18, when the freshmen started purchasing their books.

They have been out of almost all text books, but these are now starting to come in.

The book store, according to Mrs. Larson, is getting new stock, including stationery, and the tables are being re-arranged.

The hours the book store is open are 10 to 11:50 a.m. and 1 to 4:45 p.m. on week days.

## Swim Team Tryouts

Any men interested in a competitive swimming team should meet in the foyer to the gymnasium Monday at 4 p.m., according to Don Bell, freshman, who is organizing the project.

## The Amen Corner

Last Thursday a leading mid-west pastor, H. B. Prince, spoke before the Inter-Varsity Christian Fellowship group from 6:30 to 7:30 in the little chapel.

Monday, again in the little chapel starting at 6:30, the Inter-Varsity group will have Bible study meeting, beginning with the second chapter of Eiesians.

Professor Herman Clark of Willamette University spoke last Tuesday before the Wesley Fellowship group on "If I Had My College to Do Over", the first in a series of three speeches on "Making College Count."

Tomorrow night at the First Methodist Church the Wesley group is giving a "Backwards Dance" starting at 8:00.

Entrance through the back door will start the Backwards theme, which will be continued throughout the evening. A lively time is promised to all those who wish to attend.

The last topic in the Panel Discussion program of the Westminster group will be held Sunday in the Manse at 8:30. Marty DuRette, head of the discussion group, has asked last week's speakers, Alice Turtledove and Sheila Ryan, to return to ask questions of Sunday's speaker concerning his views on "Why I Am a Protestant."

As yet the Phi Zeta Chresto organization has not started their fall program, but they are encouraging all young people to attend the Inter-Denominational meeting to be held Sunday, 4 to 6, at the First Christian church.

Refreshments will be served following the reports on the Youth Conferences that were conducted during the summer.

The Episcopalian young people's group will meet this Sunday at 6 o'clock in the chapel of the St. Paul Episcopalian church.

Dinner will be served at the parrrish house following the program.

Ed Gottfried was named president of the Catholic Club at last Tuesday's elections. Other officers elected include Art Gottfried, vice-president; Florence Polster, secretary, and Tom Brenman, treasurer.

Meetings will be held on the first and third Thursdays of each month from 7:30 to 9 p.m. in Chresto Cottage.
