

## Comptroller To Speak At Graduation

### James O'Conner To Give Speech To Seniors at Last Meeting

### Long-time Friend Prexy To Arrive From East For Occasion

James Francis Thaddeus O'Conner, present United States comptroller of currency, long-time friend of President Bruce Baxter, will deliver the address when the class of '37 receive their diplomas on commencement morning, Saturday, June 12.

From the faculty of Yale university to the faculty of the law school of the University of North Dakota in 1918, to membership in the law firm of Senator William Gibbs McAdo in 1925, and to the position of comptroller of currency in 1933 has been the record of O'Conner's achievement in the last 25 years.

### Breakfast Club Speaker

According to word of Miss Woods, secretary to President Baxter, O'Conner and Dr. Baxter enjoyed together the privilege of being members of a group of four speakers among whom rotated the honor of speaking before the celebrated Los Angeles breakfast club.

### Medal For Debate

O'Conner was the winner, during his college days, of the Palmer diamond medal for debate, was a winner in North Dakota state oratorical contest, and was a member of the Yale university debate team. He was a candidate for governor of North Dakota and for U. S. senate.

## "Paint Spots" To Present Artist's Show in Chresto

Artistic talent of "Paint Spots" will brighten the walls of Chresto Cottage Thursday afternoon when the annual art exhibit is displayed.

The time that Chresto Cottage will assume the roll of an exhibit room will be between 3 and 5 o'clock.

Art work of the Paint Spots members is outstanding this year and consists of a variety of artistic displays.

Besides the general run of paintings, photography and printing will be displayed.

### Main Event

The art exhibition is the main event of the year and is the climax of the year's activities. About twenty members and pledges will have work on display.

Each entry in the exhibit will have a number that will correspond to the name of the artist.

With the close of this year's activities "Paint Spots" has completed one of the most successful years since it was founded.

The last club dinner was held in Chresto Cottage Tuesday evening.

## Awards To Be Given in Chapel On June First

According to Dolly Dingle, secretary of the Willamette student body, who is busy gathering correct data from the heads of the different organizations, annual awards days will be held in chapel on Wednesday, June 1.

At that time awards will be given for work on the Wallulah and Collegian staffs, and for forensics work. Sweaters for athletic accomplishments and athletic awards will also be given at the Wednesday chapel.

## Magazine Publishes W.U. Professor's Story

Word was received here this week that "The Key to Sunset Land," a story written by Dr. Gatke, appeared in the current issue of the Elementary Magazine. The Elementary Magazine is publication for Sunday school workers of pre-high school age.

## Honorary Bids New Speech Men

### Initiation For Neophytes Held May Sixth in Little Theater

Another page was written for Willamette university in the record book of Tau Kappa Alpha, national forensic honorary fraternity, upon formal initiation of three students into membership on Thursday evening, May 6, in the Little Theater.

Those initiated were Robert Farmer, Helen May Beal and Aldus Smith.

After the ceremony new and old members were invited to Professor Rabe's residence for a business meeting and refreshments.

### Membership

Membership in Tau Kappa Alpha is obtained by persons with sophomore standing who have taken part in two inter-collegiate debate or oratory contests or one inter-collegiate and one intramural debate or oratory contest and who are voted in by unanimous vote of the chapter with the final approval of the national chairman.

A recent development in the organization is the founding of a chapter at Pacific university at Forest Grove.

## Lamka New Head Theta Alpha Phi

New officers were elected and new members were initiated at the meeting of Theta Alpha Phi held Sunday, May 16 at the home of Dr. Gatke, faculty adviser. Art Lamka was chosen as president for the school year 1937-38; Marion Averill was chosen as vice-president, and Mary Elizabeth Kels as chosen as secretary.

Those initiated into the organization Sunday were Billy Utley, Marion Minthorne, Edwin Minneman and Lloyd Riehl.

Plans were discussed at the meeting for the Theta Alpha Phi garden party held Wednesday, May 26, in the garden of the home of Dr. Gatke. It was learned that Mrs. Oppen's acting class will present a one-act play for the affair.

## Library Prizes Go To Two Freshman Students

Annual library prizes awarded in Chapel on Tuesday, May 18, went to two freshmen and one sophomore this year. Frances Smith was awarded the first prize of \$10. Muriel Ingham was awarded second prize of \$8, and the special freshman prize of \$8 was awarded to Carl Mason.

Mr. Spencer reports that interest this year was not as great as in times past, and he invites participation in the contest for next year, in order that contestants may have some real competition.

## Honeybee's Quest For Knowledge In Econ Class Proves Failure As Students Sleep, Prof Won't Talk

Buzz, zzz, zz... the "have-nots" have a tendency to align themselves with labor while the "haves" have a tendency to align themselves with capital.

Professor William C. Two-Bathubs-in-every-home Jones was busy imparting the morning dose of economic wisdom to his Principle of Economics class. But he was having some competition over in a far corner of the room.

Honeybees, in spite of stories to the contrary, apparently do not spend all of their time gathering honey. The one in Professor Jones' room seemed very definitely to be after wisdom of one sort or another.

His first plan of attack included the last row of boys in the back of the room. He buzzed down the line in a desperate attempt to get them to show some spark of life, but even a honey-bee can't be fooled all of the time. No wisdom could be squeezed out of that row of sleeping beauties (??)

Then forward a few rows went our discouraged Mr. Bee, up to the seat of Paul Sturges. Now, here was a lad whose physiognomy gave promise of some sort of learning. That intelligent look in his eyes... Wait! Wasn't this the gentleman who gave such a brilliant display in Dr. White's class the other day, when Mr. Bee had

## '37-'38 Party Set For This Friday Night

### Junior-Senior Banquet To Be Held At Marion Hotel

### Dance To Follow After Dinner and Speeches Of Notables

With only one week of classes and one week of exams remaining yet for departing seniors, the class of 1938 is taking its last opportunity to show its friendliness and spirit of good-fellowship to the class of 1937 by giving another of the annual junior-senior banquets on Friday, May 28.

Juniors and seniors have been invited to the Marion hotel auditorium at 7:00 o'clock on Friday to enjoy a dinner and to dance afterwards to the music of "Church and His Deacons."

### In Charge

Barbara Crookham is in charge of the arrangements for the gala occasion and reports that all is in readiness for the guests.

Loren Tompkins, chairman of the program committee, reports that a surprise program is scheduled for the affair which promises to be lively, interesting and in general of a quality that will cause the attendants to feel that they have received their money's worth.

### Dance Later

The dance, according to latest reports, is not to be a dinner dance but is to be separated into a dinner and dance after the dinner. This will make it possible for juniors and seniors who wish to date lower classmen to bring their dates to the dance only, as the dinner is limited to juniors and seniors.

## Steve Anderson Chosen As Representative For Southern Universities

Steve Anderson, campus representative for the Real Silk Hosiery, received word here early this week of his appointment as college representative for Stanford university and University of California. It was learned today.

Anderson also has been awarded a trip with expenses paid back to Indianapolis to the Real Silk factory for his work in Salem and the vicinity for the past three years.

Anderson is holding a meeting on Friday of this week between the hours of four and five in room 27 to instruct his successors in the art of salesmanship and he reports that all interested persons are welcome.

## Songmen To Help Cherrians With Rose Broadcast

Appearing in what is probably their final concert of the year, the Songmen will sing in the program arranged by the Cherrians for broadcast during the Portland Rose Festival.

The Willamette songsters were asked to take part in this program at the suggestion of the rose festival publicity department.

## Seabeck Set For Date of June 12th

The annual nine-day Y. M. C. A.-Y. W. C. A. Seabeck summer camp will be held this year June 12-21, at Seabeck, Washington. Representatives of colleges from the northwest states of Oregon, Washington, Idaho, and Montana will meet for a nine-day study of religion as expressed in our social order.

The camp is located on Hood's Canal in northwestern Washington, near the city of Bremerton.

Each northwestern college is allotted a definite number of students since accommodations are limited and the number desiring to attend is usually greater than is desirable for the conference.

Elaine Comish, a senior at the University of Oregon, is the chairman of this year's conference.

### Koo Speaks

Dr. T. Z. Koo, one time National Executive Student secretary in China and new Secretary of the World's Student Christian Federation, will be the principal speaker.

The program will also include such men as Dr. W. O. Mendenhall, President of Whittier college, chairman of the National Student Executive Committee, and National Chairman of the Emergency Peace campaign; and Dr. Raymond Brooks of Pomona college, California, and president of the Cummock school.

### Reed Man

Dr. Norman Coleman, former president of Reed college and now a Professor of Literature at Reed, and Mrs. Genevieve Turnipseed of the University of Oregon will be guiding lights of the conference.

Mrs. Robert Denn, advisor to the regional division of the Y. W. C. A. National Student Council, and Miss Stella Scurlock of the Portland Y. C. A. will be present to aid the conference in its work.

Student members of both the Willamette Y. M. C. A. and Y. W. C. A. will attend the conference, but other students interested should get in touch immediately with Lunelle Chapin of the campus Y. W. C. A., since the Willamette quota of 15 has not yet been filled.

Seabeck is not only an excellent location for the conference but is also a beautiful vacation spot as well. Boating, fishing, and picnicking are treats awaiting Seabeck goers.

### Religion Stressed

Of Seabeck Miss Comish, the chairman, says, "Feeling the moving power of religion in all phases of living, becoming more and more aware of the Christian way of life, and being an integral part of a very dynamic group of thinkers, you will come to realize even more vitally than now the acuteness of social, economic, and international problems."

"Here together at Seabeck," she concludes, "we hope to think through many of these problems, try to understand their force, and to visualize our responsibility in helping to solve them. First we shall think—then—do!"

## W. U. Graduate Receives Fellowship at U. of S. C.

Word was received from the University of Southern California that Robert Utter, graduate of Willamette with the class of '35, has been awarded a teaching fellowship in the School of Government at the University of California for the school year 1938-1939.

Utter last year received a scholarship at the same school. Bob Hart, student in political science, is reported to have been runner-up for the scholarship which Utter held this year.

## Reed Sociologist Speaks At Chapel

### A. Goldenweiser Delivers Address At Honor Initiation

Alexander Goldenweiser, professor of sociology at Reed college and extension lecturer at University of Oregon, spoke today in chapel on the topic, "The Role of Social Sciences in a Democracy," on the occasion of the formal initiation of new members into Pi Gamma Mu.

Professor Goldenweiser is the author of a book entitled "Early Civilization," a work which is the standard textbook and reference book for a large majority of the colleges and universities of the United States. His latest publication is a work entitled "Anthropology."

### Great Authority

According to word received from the sociology department of Willamette, there is probably no greater authority in the field of cultural anthropology than Professor Goldenweiser.

Pi Gamma Mu, national honorary society, is devoted to the encouragement of undergraduate study of social science. Faculty members, alumni, and seniors who have had twenty semester hours in the social science field with a grade average of "B" therein are eligible.

Those initiated were Dwight Aden, James Barnett, Lucille Brainard, Helen Burdick, Paul Cammack, Pat Crossland, Gwen Gallaher, Betty Galloway, Winthrop Hnederson, Louis Hershberger, Charlotte Kallander, Julia Philp, George Self, Pauline Winslow.

## "Paint Spots" Artists Make Annual Sketching Trip To Nelscott Beach

Paint Spots, artists' group, had their busiest day of the year Saturday, May 15 when the annual sketching trip to the beach at Nelscott took place. At Nelscott several hours were spent on the beach, and lunch was eaten after which the group moved on to Depoe Bay.

The aquarium at Depoe Bay was visited by the group, and a deep-sea fishing trip was enjoyed in the afternoon. The remainder of the afternoon was occupied by visits to the "Spouting Horn" and the little publicized "Crevice" and "Under Ground Lake." Members report that the latter sights were the most interesting of the entire trip.

Those who made the trip were Miss Fowler, Ralph Woodall, Cornelia Hulst, Anita Allison, Margaret Mackenzie, Wilmer Willis, Billy Utley, Annabelle Gouter, Hean Rasey, Betty Craney, Donald Ewing and Mrs. Craney.

## House Personality Revealed By Fraternity Picnics As Spring Helps Sprouting of Young Love

Fraternity picnics constitute one item of the spring social calendar that are never brought up as subject of compromise spelling?

For one thing there would, in all probability, be nothing to discuss at house meetings during the last semester if "mountain" and "beech" factions of each organization could not line up against each other in noisy support of their various views as to how a holiday should be spent.

"Mountains" says one faction, "Beach," says the other group, and the battle is on.

Ancient question which has been asked often since Jason Lee's time is, "Do fraternity men take the same girls to the beach that they take to dances?"

The answer is: "Not as a rule."

Either you're a good dancer or you're an attractive ornament to a bathing suit. That is if you're a girl. Some, of course, are fortified with both requisites. They do double duty in picnics and at dances.

It is rumored that the reared founder was not fortunate enough to find two damasses so endowed. He was forced to keep two girls on the string all during his four years here.

His friend the Indian chief, however, had a girl who fitted any occasion. Her name was Sarajewa. At a dance she handled the poppooze to a friend and tripped with the best of them.

## Philharmonic Group Set For More Concerts As Telegrams Herald Season's Successes

### Doney Plaque To Be Unveiled Soon

A plaque to the honor of Carl Gregg Doney is to be unveiled at 4 p. m. on Friday, June 11, and addresses are to be given on the occasion by Judge James W. Crawford and Dr. F. M. Erickson, who will represent respectively the trustees and faculty.

The plaque has the signature of the artist, whose name as nearly as can be discovered, is A. V. Voisin, in the lower right hand corner, and the following inscription is to be found below the picture of Dr. Doney:

He added wealth to the endowment, buildings to the campus, and culture to scholarship. By his knowledge and goodness he led thousands along the pathway to better things.

Carl Gregg Doney was president of Willamette from 1915 to 1934.

## Library Committee Working On Plans

The library committee which is in charge of choosing plans and architect for the new Willamette library, held a meeting on Monday, May 24 to discuss plans and arrange for a ceremony to be held in connection with commencement program during commencement week.

Dr. Baxter reports that plans for the library are well under way and first ground will probably be broken sometime in the early summer.

At 4:30 p. m. on Friday, June 11 a ceremony will be performed at which time the approximate position of the new building will be stepped off by members of the trustees before a group of alumni and friends of the university.

## Exec Council Names New Managerial Heads

At a meeting held Friday, May 2, the student body executive council named students to fill the appointive offices of the student body.

Catherin Hendrick was appointed manager for next year's Wallulah, Cecil Quesseth was appointed manager for the Collegian for 1937-38.

### Letters and Phone Calls Tell That Concerts Well Received

### Koin Broadcast Heard In Far and Scattered Sections

Recent success in the rendition of "Stabat Mater" by the Willamette University philharmonic choir has set the stage for even greater triumphs for next year's singing groups, and is the climax of one of the greatest years of Willamette music achievement. Cameron Marshall, music school dean, reports.

"Stabat Mater" is probably the greatest thing that ever came out of the university," Dean Marshall said.

### Phone Calls

Letters, telegrams, and even phone calls have been received since the opera was released almost two weeks ago over the Columbia Coast broadcast network. The congratulatory messages come from Montana to San Diego, Marshall reports.

The Northwest Electric Company, attracted by the widespread success of the production, asked that most outstanding of the choral arrangements be presented again, last night, for broadcast over station KOIN during the regular company radio program. The Northwest Electric program has been a regular Wednesday evening feature at KOIN for the past two years.

Because of this year's success throughout the northwest the board of trustees may decide to increase the music school faculty next fall. One, or even more, teachers may be added.

## Cox and Dr. White Talk To Campus 'Y'

Dr. Lyman C. White, head of the Willamette history department, and Larry Cox, Willamette student from China, were the last speakers in the series of talks sponsored by the campus Y. M. C. A. each Monday night in Chresto Cottage.

Dr. White told of his experiences as student president of the Y. M. C. A. at the University of Iowa in Iowa City. He also told of his experiences with the Y. M. C. A. in Paris, and as leader of the informal discussion he contributed many helpful suggestions to the students present through actual illustrations of work done by students in Iowa.

Larry Cox, Willamette student who attended Yenching University in Peking, China, last year told of Chinese family life. Chinese students and their mode of life, and Confucius, the great Chinese philosopher and his code of ethics which include faith, loyalty, piety, benevolence, and respect.

## History Prize Offered To Students by North West Celebration Com.

A history prize of the sum of \$1000 is being offered for the best standard work covering history of "the ordinance of 1787 and its effects on development of government," according to an announcement on the bulletin board of Eaton hall.

The contest is sponsored by the Northwest Celebration Commission and is open to any student or citizen of the United States.

Manuscripts must make an octavo book of 325 to 450 pages, according to the announcement, and a generous use of maps and charts is urged.

The contest will close June 3, 1938.

## Chancellor Emeritus of American University is Guest at Dr. Gatke Home

Lucius Clark, Chancellor Emeritus of American university at Washington, D. C., was a guest at the home of Dr. Robert M. Gatke on Sunday, May 23.

Clark is making a tour of the western part of the United States and on Sunday morning delivered the sermon at the First Methodist church of Salem.

Records Class Retreats, and Yet Advances

The semi-annual "Retreat" of the Records of Jesus class was held at Hillockburn last Friday and Saturday...

Making the trip were Professor and Mrs. Clark, Corliss Clark, Chuck Neville, Lois Burton, Beatrice Gillette, Mildred Walker, Dorothy McGee, Anoka Coates, George Self, Al Perry, Irma Oehler, Lucille Brainard, Marian Averill, Jean Hollingworth, Guy Heimsoth, Howard Teeple, Dick Van Pelt, Barbara Ann Crookham, Charlotte Kallender, Pauline Winslow, and Louis Hershberger.

Still in her altruistic mood, the society editor reassures people trying to put the guest list together that it wasn't a date affair.

Gatke Home Is Scene of Party

Theta Alpha Phi members, alumni, and invited guests were guests at the home of Dr. and Mrs. Moulton R. Gatke for a garden party Wednesday afternoon and evening. Tables were set about the lovely garden where supper was served at 5:00 o'clock.

Friday night freshmen members and pledges of Beta Chi were the guests of the sorority at a late supper and slumber party at the house.

The editor takes no responsibility for this week's society. Evidently the society editor didn't hear about the April Fool's edition so she's making up for lost time.

We'll wager, however, that this week's society page will be the most widely read of any of the year. And we'd like to say also, that the hard-working Miss Purvine certainly has an editorial spine coming if she wants it.—Editor's note.

Lillian and Charlie Take Fatal Step

Preceding the Beta Chi dance, senior members of the house entertained with a formal dinner at the Golden Pheasant.

As everyone knows by now—but it really was a surprise then—Lillian Graham and Charles Versteeg announced their engagement at the dinner, following Catherine Smullin's singing "Because." Everybody knows Lillian and Charlie, so we won't go into the details of their extra-curricular activities. But anyway, it added just the right touch to the senior dinner.

The guest list included Lillian and Charlie, Marian and Bob, Julia and Max, Jane and Joe, Mildred and Graydon, Helen and Bill, Vivian and Harry, Marge and Eddie, Lucille and John, Tillie and Leighton, Marguerite and Louis, Pink and Ole, Helen and Joe, Julia and Louis, and Eleanor and John.

For the benefit of those unfortunate who didn't attend and are used to more informative guest lists, the society editor adds that to the best of her knowledge there were no shifts made between the dinner and the dance, although there might well have been. Come, come; this isn't a gossip column.

Shower Honors Bride Elect

Miss Gwen Gallaher, bride-elect of Ralph McCullough, was honored at a surprise shower at the Delta Phi sorority May 21, the affair being given by Miss Lorene Tompkins. Decorations were carried out featuring a fishing idea; sandwiches, too, were cut in fish forms. After several games built around romance, marriage, honeymoons, using the names of Gwen and Ralph, a buffet lunch was served. The buffet table was centered with a huge iridescent bubble bowl in which floated pansies and floats.

Present for the shower were: the Misses Gwen Gallaher, Lorene Tompkins, Wanda Landon, Margery Thorne, Helen Purvine, Martha Herman, Mary Jeannette Sargent, Anna May Urnath, Frances Faber, Rosemary Huffman, Ruth Tscharner, Melba Riopelle, Loye Bogardus, Marian Steigerwald, Kay Rinze, Harriet Childs, Barbara Crookham, Helen Woodfin and Dolly Dixie.

Miss Ina Bennett was presented in recital by the School of Music Monday night, with a particularly enjoyable program. Ralph Gustafson will give his Junior Recital tonight, and Miss Mary Jeannette Sargent, whose program was postponed because of illness, will play Sunday afternoon at four o'clock.

Buffet Supper Given Friday

On Friday, May 21, at the home of Mrs. Charles Johnson was the occasion of the Daleth Teth Gimel buffet supper honoring the graduating members of the society and their new patroness, Mrs. Luther. Miss Willeta Smith was in charge of the affair, which lasted from 6:30 to 8:00. Seniors honored were the Misses Ruth West, Muriel Jones, Margaret Magee, and Evelyn Welsh; other special guests included Dean Olive Dahl, and the Mesdames Monk, Rabe, Jones, Johnson, Sparks and Bishop. Those attending the supper were presented with small corsages of roses. During the evening entertainment was provided by group singing, by a koto instrumental number by Martha Okuda, and a vocal duet by Gertrude Cannell and Hannah Kaufman.

Beta Chi's Are Tea Hostesses

Members of Beta Chi were hostesses for a formal tea Monday afternoon, May 16, from four to six o'clock, in honor of their new patroness, Mrs. Chester Luther, and their alumni recently returned to the campus, Miss Mary Erickson.

The rooms of the house were decorated in a color scheme of pink and yellow, with tapers and flowers in those shades.

Miss Margaret Gillette opened the door, Miss Betty introduced to the line, which included Mrs. Luther, Miss Erickson, Miss Melva Belle Savage, Mrs. F. A. Elliott, and Mrs. A. G. Epstein.

Mrs. C. A. Sprague, Mrs. Paul Wallace, Mrs. Homer Goulet, and Mrs. Carl Gabrielson poured, and freshmen girls served.

Friday night juniors will honor graduating seniors with the annual semi-formal Junior-Senior Banquet. This year the affair, of which Miss Barbara Crookham has charge, will be a dinner dance at the Marion Hotel mirror room at 7 p. m. Miss Lorene Tompkins, program chairman, has planned a surprise program which promises to be very lively, and following the banquet the dancing will begin to the tunes of Church and his Deacons.

### Bearcats Oregon State Champions

#### Down Webfeet with Frank Merriwell Finish In 19 Innings

In one of the longest collegiate games on record, Willamette's baseball aggregation climaxed a successful season in sensational and rather drawn out fashion Monday afternoon as they nosed out Oregon's Webfeet 10-9 in 19 innings. The win gave the local tossers the mythical Oregon collegiate championship.

As it was growing rather dark and suppers were calling, Coaches "Spec" Keene and Howard Hobson agreed to call the contest at the end of the 19th frame. . . whether the deadlock continued or not. And so, the Bearcats, promptly proceeded to sew up the ball game in their half of that inning after the Webfeet failed to score. Bill Beard drove a single to left to start things, but Aden struck out. Rex Pierce, however, got ahold of one and clicked a base hit to center, sending Beard to third. Then up came Shinn who hadn't been hitting the size of his hat.

Shinn hit a long fly that scored Beard to give the locals the contest.

Oregon got off to an early lead in the battle, clouting Gastineau for seven runs in the two initial stanzas, six of them in the second canto, which sent the Missionaries to the showers. Anton went in as relief hurler and pitched nine ball though touched for three hits and two runs in the eighth. Weaver took up mound duties from the tenth inning on as the big Greek was removed in the ninth for a pinch hitter.

The Bearcats got their first tallies in the fourth, sending three men across the plate on a hit and three errors. They countered again in the sixth on Southard's home run, and forged temporarily ahead in the seventh, getting to Marshal, Oregon's starting pitcher, for four runs, supplied mainly by Roy Orren's tremendous circuit smash with two on.

The locals' tying tally in the ninth frame was a gift as Hardy, who had relieved Marshal, walked Sutton with the bases loaded, forcing Orren across pay-dirt.

Summary:  
Oregon . . . . . 9 17 4  
Willamette . . . . . 10 18 4  
Marshal, Hardy and McClean; Gastineau, Anton, Weaver and Weisgerber, Moe.

### Teachers Beat Nine, Lose To Tracksters

Willamette and Oregon Normal school divided athletic engagements last week, the teachers tapping the baseball nine 3 to 6 while the Bearcats nosed out ahead in the track met 70 to 61.

**Homer Beats Anton**  
A long home run with a man on a base by Claude O'Connell in the last half of the ninth spelled defeat for the Keenemen in the diamond tilt. Bill Anton hurled steady ball for the locals but a shaky defense behind him allowed several unearned runs. The loss evened the season's series at one game apiece.

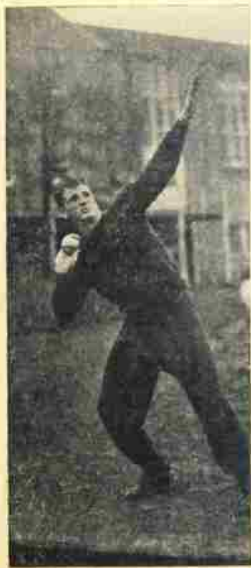

Willamette . . . . . 8 10 6  
O. N. S. . . . . 10 8 1  
Anton and Moe; Bonkowski, Kaas, Mohler and Lewis.  
**Relay Decides Meet**  
The cinder meet was nin-and-tuck all the way with the relay proving to be the deciding event. Going into this race the Bearcats led 65-61, but as only five points are allowed for the event, the Normalites needed only to finish first to win the meet. However, Willamette's team of Wayne Brainard, Bill McAdam, Francis Schmidt, and Norman Hogensen, running the fastest race of the year, finished inches ahead.

### TRIO OF WILLAMETTE TRACKSTERS

Bill McAdam (left), John Hauk (center), and Don Buxton (right) are three of Coach "Les" Sparks' best tracksters. McAdam, who specializes in iron-man performances, hurdles, tosses the weights and runs the relay; Hauk, is a sprinter; Buxton is a hurdler and broadjumper. Both McAdam and Buxton will enter the conference meet this week end, but Hauk, still suffering from an early-season leg injury, is out for the year.

### Bearcat Pathmen Off For Whitman And League Meet

Entertaining little hope for a place near the top in the final standing, Willamette's track team left this morning for Walla Walla, Wash., and the conference cinder meet to be held at Whitman tomorrow night.

**Ten Make Trip**  
Making the trip with Coach Leslie Sparks were John Kelly and Dexter Russell, printers; Chet Varnes and Bill McAdam, weightmen; Justin Weakley, javelin and pole vault; Bob Jones and Don Buxton, hurdlers; Francis Schmidt, half and relay; Norm Hogensen and Wayne Brainard, quarter and relay.

The Bearcats met and lost to C. P. S., Whitman and Pacific this year. Whitman nosed out C. P. S. and smothered College of Idaho. Apparently the title lies between the Missionaries and Loggers, with Pacific, Willamette, and Idaho ranking in that order. Albany will not compete.

### Loggers-Bearcats Split Title Series

Willamette won the western division title of the Northwest conference on May 13-14 by dividing games with Joey Mack's College of Puget Sound Loggers. The losses were the first suffered by a Keene-coached team this year.

**Ragan Sets 'Em Down**  
Larry Ragan, Logger ace, had just a little too much on the ball for the locals and won both his starts. Friday he eked out a 4 to 2 win in a hurling duel with Jerry Gastineau when the latter's support faltered. Saturday Ragan won again, defeating Jack Criswell, Keene's only lefty.

Walt Weaver carried the burden for the Bearcats. Fagan hurled a 5-0 shutout in the second game Friday and came back in Saturday's night-cap to triumph. By splitting the series with last year's conference champs, Willamette qualified for the league playoff series with Whitman, May 21-23. The Bearcats won six and lost two contests in the western sector.

### KOLUMN KOMMENT

By BOB KEUSCHER  
(Collegian Sports Editor)

Undoubtedly the outstanding play of last year's football season in the northwest was Norman Hogensen's sensational double-tackle of Alec Schwetz and Bernie Remson in the C. P. S. homecoming tilt. People who saw that play will never forget "Hoggy's" brilliant performance in manipulating that play. This writer will always remember that feat as one of the greatest he has ever witnessed. Yet, that same fellow, Norman Hogensen, completely overshadowed anything he has ever done before in the Oregon Normal track meet last week when he came from behind and fairly hurled himself across the tape to win by mere inches the relay event for Willamette. It was one of the greatest shows of what athletes call "guts" that can even be imagined, but Willamette needed the race and Norm got it.

Too much credit cannot go to the other members of the team, however, for their part in the race. The four were Wayne Brainard, Bill McAdam, Francis Schmidt and Hogensen. Time for the event was 3:33, exceptionally fast, especially when one considers that that averages a 53 second quarter for each man and that Brainard had never run one under 57. McAdam was running for the first time, and Schmidt and Hogensen usually run the distance in about 55 flat. Each man managed to keep even with his opponent until Hogensen received the baton. Brainard, running first, ran the quarter in 54, McAdam, second, also in 54, Schmidt in 53. Hogensen dropped behind a little at the start, caught his man on the back stretch, lost ground on the last curve, and then with a final push gradually moved up on his man and heaved himself over the finish line an inch or two out in front. His time was 51 flat.

With the victory also went the meet. Willamette won 70-61.

The tennis team also has a trio of contestants with great fighting hearts. Donnell Saunders proved himself one of the gamest fellows ever to perform for Willamette in the conference meet last weekend. "If Don only had the strokes to match his heart, what a player he'd be," commented John Creech, who umpired the matches, after the meet. Aris Sherwood's play also came in for praise by Creech in

### Racquetiers Take Most of Honors at Conference Meet

Walking off with three of the four championships, Willamette university's racquetiers completely dominated the Northwest conference tennis tournament held on the Reed college courts, Saturday.

**Rachel Wins Singles**  
Rachel Yocum, after several tries at the title, brought home the women's singles crown, while the men's doubles pair of Aris Sherwood and Bill Clemes won the tandem championship, and the women's doubles team of Ruth Yocum and Rose Mary Huffman won the third trophy.

To win the singles crown Rachel Yocum beat Susanne Ciana, Whitman star 6-2, 6-3. The women's doubles pair beat Whitman's pair 6-2, 8-6. Clemes and Sherwood downed College of Idaho's team 8-6, 6-3.

**Saunders Loses**  
Donnell Saunders, dimitive Bearcat singles star, lost out in the finals to Kelmer Sho, Whitman 6-4, 6-10.

the matches. "Sherwood just wouldn't give up," Creech said.

Rachel Yocum put on the most spectacular rally of the day when she fought from behind to win one of her preliminary matches. After losing the first set 6-1, Rae was behind 5-1 in the second when she really began to play. She won six straight games to take the second set 7-5 and then won the third and the match. Rae has been after the conference title for several years, and in winning it, she proved herself to be a real champion.

Oregon intercollegiate champs for the second straight year are those Bearcats of ours. Their 19th inning triumph over Oregon Monday decided the issue. It was Willamette's second win in three starts against the Ducks and gave them a record of 17 wins and 3 defeats against ball clubs of the state while Oregon, by sweeping their games with O. S. C. this weekend, can finish with only 10 wins and 3 defeats.

Another Bearcat baseball star goes up. And if anyone makes the grade, Willamette's latest addition to the professional ranks surely will. For four years Dwight Aden has led his teammates in hitting and fielding. His fleetness of foot not only enables Aden to cover the biggest share of the outfield but also to beat out many a hit. Along with his natural ability Dwight has the most important qualifications for making success—the will to win. He's a scrapper, a pepperbox, is "Elmer" Aden, and if he doesn't make the grade, nobody will.

Nig Borleske's Whitman baseball nine walked off with the conference diamond championship for 1937 by sweeping the three game series with Willamette last week. The Missionaries won 13-0, 7-6, and 5-4.

The Missionaries succeeded C. P. S. as league champions.

**Good Pitching**  
Effective pitching by Pete Jonas, Schneidmiller, and Lee Cline and some hard hitting by Captain Bill O'Brien, Jed King and Ned Stickle paved the way for the three Missionary triumphs in the title series. Willamette's hitters were completely handicapped by Jonas and Cline, while the new champs hit Gastineau, Weaver and Criswell, Willamette's best chasers, freely.

Poor defensive work probably was even more to blame for the losses than the pitching. The Bearcats made 16 errors in the three clashes.

**Pierce Best Hitter**  
Rex Pierce led Willamette hitters with 5 hits in 10 trips. Shinn, Aden, Southard, and Beard all hit over .300.

To qualify for the final playoff the Bearcats split a four game series with Puget Sound and took four straight from Pacific. Whitman trounced College of Idaho ten times in twelve starts.

### Cindermen Finish Fourth at Portland

Willamette's track team finished a poor fourth in the University of Portland invitational meet run on the Pilot oval Saturday, May 22. The Bearcats garnered 14 points to follow Pacific with 21½, Linfield with 45½, and Portland with 76. Oregon Normal also had 14. Pleading for the locals were Hogensen, fourth, quarter; Schmidt, third, 880; Weakley, second, javelin; Varnes, second, discus; Weakley, second, pole vault; Brainard, McAdam, Schmidt, Hogensen, fourth, relay.

The Bearcats dropped their duel meet with Whitman by a 25-45 score on May 15. The Missionaries, probably the best outfit in the conference, topped first in the relay and most of the running events and managed to get enough places in the remaining spots to pile up a commanding lead. The meet was run on the Olinger field track.

### Alpha Psi Delta Wins Softball Championship

Downing the Physical Ed. staff 9 to 8 in the deciding tilt, the Alpha Psi Delta softball team won the intramural softball championship last week. The win was the second in the playoff series for the Psi's over the P. E. staff. The new champs won the first contest 6 to 3.

**Psi's Beat Lawyers**  
To reach the finals the Alpha Psi beat the Law School 13 to 4 and the P. E.'s trounced the Sigma Tau twice 13 to 4 and 19 to 0.

The final tilt was close all the way. The Psi's grabbed an early lead on Wayne Brainard's long home run into the mill stream with two on base. Undaunted the P. E. outfit kept hammering away until the sixth inning when they drove Bob Keuscher, A. P. D. hurler, from the mound for the first time this year and grabbed an 8 to 6 lead. The winners tied the score in the last half of that frame when John Kelly doubled to drive in two runs and won in the seventh on Guerin's triple and Keuscher's Texas-leaguer fly to left center.

**Sparks Gets Shutout**  
Both the championship contenders won their preliminary tilts with fine pitching and some terrific hitting. The P. E.'s, with Les Sparks doing a nifty job on the mound, easily whitewashed the Sigs, 19-0, after Don Stockwell had won the first game 13-4. The Psi's pounded the Lawyers 13-4 in the opener and squeezed out a 6-3 triumph over the P. E.'s in the second on a home run and triple by Harry Mosher and tight pitching by Bob Keuscher.

**Win Twelve Games**  
The four teams in the playoff finished highest in the regular season. The Alpha Psi and P. E. staff each lost once in ten starts, during the schedule. By taking the title the A. P. D.'s ran their string to twelve wins in thirteen starts this year.

### BIG GUNS ON THE BEARCAT NINE

Captain Billy Sutton, senior and veteran second baseman, and Walter "Fagan" Weaver, ace moundman, are two of "Spec" Keene's best baseballers. Sutton (left) fields without a peer around the keystone sack and is a lusty hitter as well. Weaver (right) has pitched superb ball all season.
