TRANSLATIONS

Alleluia, Ascendit Deus

Alleluia. God has gone up with a shout,
the Lord with the sound of the trumpet.
Alleluia. The Lord is in Sinai,
in the holy place, ascending on high
he has led captivity captive.

O Virtus Sapientie

O excellence of Wisdom,
circled and circling,
encompassing all in one path that
has life.
You have three wings: one flies
on high, the second labors from
the earth,
and the third flies everywhere.
Praise be to thee, as is fitting,
O Wisdom.

Hope for Resolution

Nation, do not cry.
Jehovah will protect us.
We will attain freedom.
Jehovah will protect us.

Mother Africa

Language used is merely symbolic of "African"
language. The following verses are measured
paraphrases of themes from the movements and
the motion picture film *The Power of One*.

Let us see things anew,
Let us learn what to do.
We must look in our hearts,
In our minds - where it starts.

If we think, we can do.
It's our call - Earth to move.
Give us strength to not fear
Let our work begin here.

Drought surrounds when we fight
Rainman come - end our plight!
He brings rain, he brings peace.
Who is that man? Each of us!
