**Translation**

The years pass, yes, life does not;  
the world explodes beautiful around.  
If the mortal heart stops me from beating,  
In that instant there are those who jumped to live.

There are those who need a song of peace,  
There are those who need the song of a rifle,  
there are those who need more evidence,  
to have the reason to live.

The years pass, yes, the fire does not;  
the fire will return in the children of the sun.  
if the chest went out, by a senile blow,  
the great fire will come in a hundred thousand.

The years pass, yes, the beauty is;  
the beautiful is inviting you to go and take it.  
If the dream got old, it was sad for him,  
the beautiful will never be of that one

There are those who need a love song,  
there are those who need a song of friendship,  
there are those who need to go back to the sun,  
to sing the greatest freedom.
