Book One

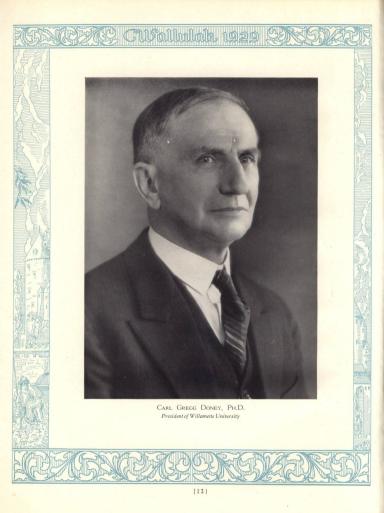

President's Message

3

NYONE may write a book. It may be a history, an arithmetic, an autobiography; every realm of knowledge or imagination invites him who has the itch for writing. But only students of Willamette may write a Wallulah: the field belongs to them alone. Even George Bernard Shaw would have to matriculate and be elected

before he could get a desk in the editorial sanctum of Waller Hall.

Still further, every normal person can read understandingly everything that is written—Einstein, and possibly Kant, excepted—from Chaucer to Will Rogers. But the Wallulah demands of the reader an esoteric quality which is created nowhere except upon the Willamette campus. The book is cryptic, mysterious, allusive; only the initiates can spell out the content of its words and pictures. Like a child, it belongs to those who gave it being.

Still further—a second time—those who have received the inner illumination are incomplete and undone without this volume. It is the complement of their natures, the satisfaction of a want, which in default of the book, would become that terrible "long-felt want."

So the Wallulah is unique, native, sui generis; it has its incontestable mission; with smilling confidence it meets a waiting world to waken memory, warm the heart, evoke the chuckle, and tincture life with youth's elixir.

Carl G. Dovey.

FRANK M. ERICKSON, A. M. Dean of the College of Liberal Arts

The College of Liberal Arts

THE College of Liberal Arts is an ancient institution which in the course of centuries has had its ups and downs. As new interests have arisen, they have made inroads on the materials and purposes of the humanistic program; yet in each case the vital humanistic spirit of the earlier period has reasserted itself, has assimilated the new and remained essentially true to its purpose; and on the whole it has undergone surprisingly little change in so long a period.

Although in our own day industry had prejudiced us against the liberal arts, the so-called useless learning, a reaction has come. We realize that the professional man, quite as much as any other, needs a liberal education; and the best professional schools are requiring such a course as a condition of entrance.

In this scientific and mechanical age, we feel the need of an education which sets a true appraisal of life and gives familiarity and sympathy with the workings of the human spirit.

Roy R. HEWITT, A.M., LL.B. Dean of the College of Law

The College of Law

VILLAMETTE University College of Law was founded in 1883. It has a worthy and enviable reputation. Its graduates have attained recognition not only in the legal profession, but in business and public life. Their achievements are intervoven with the development of the West. The College has constantly striven to give men and women the best possible training in the law and to inculeate in them the highest ideals of their profession with the view that they may honestly and satisfactorily represent their cilents and make a substantial and definite contribution to the improvement of social and political conditions.

The College constantly keeps abreast of the times. Its staff of instructors is composed of a personnel of outstanding quality. The student body consists of men and women who are able and receptive. The established high quality of the service of the College is assured for the future.

The School of Music

MUSIC is the youngest of the arts, the language of the moods out the parallel development of the spiritual side of man's nature physical and material prosperity avail nothing. The University has for some time recognized the educational value of music and has made this department of high standing which affords the student a thorough technical training and develops an artistic appreciation of the best in music. A Telephone Conversation

IN FOUR PARTS

PART I

JUNE 15, 1928.

"Number, please."

"596-R, please."

"Hello,—, hello, is Charlotte thre? This is Charlotte? Why, I didn't recognize your voice. How's everything? Isn't it grand to be home again? And just think of three months' vacation! I've certainly been tearing around the last few months. Spring is always a buey time at Willamette, you know; and things have been running at top speed since Spring Vacation.

"Did I tell you in my last letter about the Kappa Formal? It was at the Marion, and the fellows did look so nice in their txxes. And, Charlotte, I was so thrilled at the Junior-Semior Banquet! I had a date with that handsome senior who went to Stanford until this year. And to think that he is graduating! I simply can't stand it; but there are others. Really, we do have some of the keenest me.

"Oh, that reminds me, I went to the Alpha Psi Spring Banquet at the Gray Belle, and it was certainly very interesting. And then came Junior Week-End and May Day. We had gorgeous weather and everything went off beautifully. Delta Phi had a lovely May Morning Breakfast for the Queen and her maids, and the coronation was beautiful.

"Say, did Phyllis tell you about Sorority Formals? The Alpha Phi's had a darling garden party at one of the girls' homes. Beta Chi had a progressive party which ended at their house, and it was very nice. The Delta Phi's held a Bohemian party which was unusually clever.

"And of all the picnics we didn't have last spring. Hazel Green, Hager's Grove, Spong's Landing were crowded with the college bunch; and with the Fraternity picnics at the coast and Silver Creek Falls, we certainly had a wonderful time. "Oh, yes, the Juniors flunked to Silver Creek Falls, and such fun! The Seniors went to the coast, and both classes surely did get away with it slick. And Commencement was as impressive as usual; but it was too bad that it had to rain.

11Sallinlah, 1929

"Charlotte, I haven't even unpacked my trunk yet, and I have so much more to tell you about dates and everything that I must see you soon. I must get to work now. I'll see you later. "Bye."

PART II

NOVEMBER 11, 1928.

"Number, please."

"596-R."

"Hello, may I speak with Charlotte, please? Well there, I didn't know whether you were home yet or not. Isn't it fun to get a few days off? Yes, school has been just as glorious as ever. First of all, we have two new sorority houses on the campus, and they are certainly fine.

"We have the regular number of cute Freshmen again this year, and of course there were the usual get acquainted affairs. The faculty reception was unusually well attended; and I certainly wish that you could have been at the Y. M.-Y. W. reception. It was at Lausanne Hall again this year.

"Then there was the Y. W. Jolly Jaunt in which the Junior and Senior girls took their Freshman sisters out to Chestnut farm for an afternoon to play games and get acquainted. And both of the Epworth Leagurs had a party for the Willamette Students, both parties being unusually clever and original.

"The sorority rush parties were more elaborate this year than ever. Delta Phi had its usual Colonial party; Alpha Phi Alpha had a Fairy Dinner; Beta Chi had a Balloon party. They were all very attractive and lots of fun.

"Homecoming this year was so much sport. There was a keen football game with the College of Puget Sound, and we won. We all went to the Homecoming play and then went around to look at the Homecoming signs which had been fixed up for the annual contest.

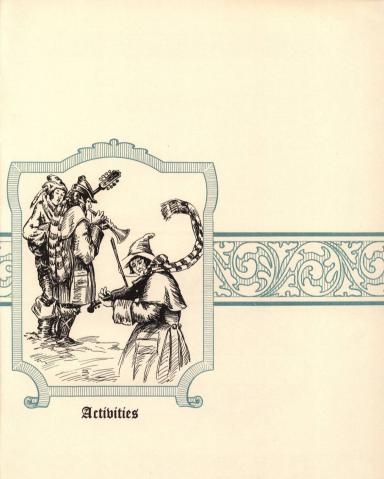

"Oh, yes; I forgot to tell you about the sorority informals and the fraternity line parties. They all were so much fun, and we had a jolly time. Well, I must go now and get ready to go to dinner. I'll see you tomorrow. So long."

"A Challenge to Loyalty"

There's a cardinal bar from a western sky And a golden beam from the sun; The cardinal for the men of old Whose valiant courage won. To these memories we are loyal; They were wrought with a purpose true; On these we build our standards And our faith in Willamette U.

There's a challenge flung from this western sky And this golden beam of light; There's a floming hope of victory That will guide use wer right; And from these colors blended, The cardinal and golden hue, We gain the strength of our loyalty And our low for Willammete U.

The Willamette Collegian

Sallmlah. 192

THE Willamette Collegian is the official weekly publication of the Student Body of Willamette University.

The Collegian was first established in 1889 with B.L. Steeves as editor and appeared each month. In 1902 it was changed to a weekly publication and has continued as such to the present time with the exception of one year when it was published biweekly. The large seven column size was established in 1915 and continued to the present year in which it was reduced to a five column tabloid size.

The Wallulah

HE Wallulah is the annual year book of Willamette University, is published by the Student Body, and is scheduled to make its appearance May Day.

The 1929 Wallulah is the nineteenth volume of Wallulah. The first one was published in 1903 and the second in 1905. The third volume was not published until 1912, but since that year a Wallulah has been published annually with but two exceptions -the 1913 Junior Annual Edition of the Collegian and the 1915 Comet.

Last year an increase was made in the size of the Wallulah, which change has been followed out in this edition.

THE WILLAMETTE HANDBOOK

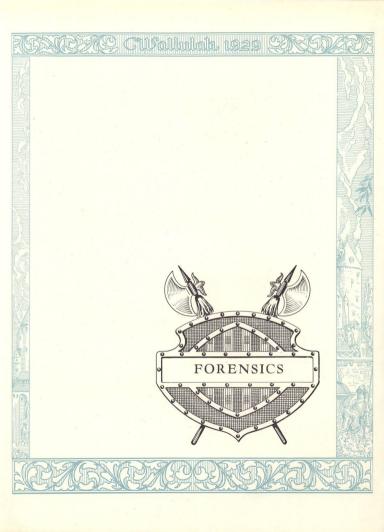

THE Willamette Handbook is a small pocket sized publication, formerly sisued by the Y. M. C. A. but now issued by the Associated Students, containing general information concerning the school. It is sent to all new students upon receipt of their application and serves to acquaint them with Willamette before their arrival. The 1928-29 issue was edited by Mary Louise Aiken and was managed by Harold Tomlinson.

THE WILLAMETTE SONG BOOK

The Willamette Song Book is a collection of Willamette songs to which are added each year the Freshman Glee songs. Grace Henderson is the editor and Wilburn Swafford is the manager.

THE ALUMNUS

The Alumnus makes its appearance every three months and serves to give the alumni an idea of what the school is doing, and the students a hint as to what the alumni are doing. Its purpose is "That we may all be acquainted."

LELAND T. CHAPIN Coach of Forensics

Forensics

LELAND T. CHAPIN, a Willamette University graduate with the class of 1925, has proved himself to be an able and efficient coach of forensics. While at Willamette Mr. Chapin was a winning orator; and for the past three years he has been teaching English and Public Speaking at Lingnan University in Canton, China.

Although Mr. Chapin did not take over the work of Forensics until late in the season, the squads have been doing admirable work under his guidance.

The Forensic Council

THE Forensic Council, composed of three students, elected by the Student Body, and the debate coach, has control of all forensic activities on the campus. Under the direction of its chairman, Margaret Pro, the Council has done much this year to coordinate and strengthen the Forensic activities of Willamette University.

Credit is due, too, to Jack Routh, Men's Debate Manager, and to Edith Starrett, Women's Debate Manager, for the successful debate season just past.

Women's Debate

THE question used this year in debates was: Resolved that temporary insanity as a plea in defense of crime should be prohibited by law.

Affirmative contests took place with Linfield, Monmouth, and Oregon State College. Negative debates were held with Linfield, College of Puget Sound, Monmouth, and Oregon State College.

Although no definite teams were used in connection with either the affirmative or the negative, Edith Starrett, Yvonne Cornell, Margaret Pro, and Esther Lisle participated for Willamette, with Lillian Beecher and Marjorie Moser acting as alternates.

Men's Debate

THE question for Men's debate was the same as that of the women this year, that of temporary insanity.

During the season, the men debated with Oregon State Normal School, Sourthen Oregon State Normal, University of Wyoming, University of Arizona, and University of Southern California.

Jack Routh, Charles Campbell, Warren McMinimee, and Roy Harland represented Willamette in the above contests with Ray Lafky acting as an alternate.

STATE OLD LINE ORATORICAL CONTEST

MARION MORANGE won first place in the State Old Line Oratorical Contest held at Forest Grove on March 8.

"Wildwings" was the title of the oration which was on the conservation of bird life. The oration had a most delicate foundation, yet it was more than forcibly given.

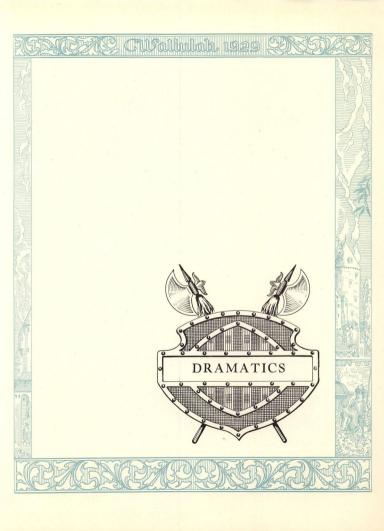

A bronze bust of Lincoln is the prize for first place in this contest.

STATE PEACE ORATORICAL CONTEST

Roy Harland was Willamette's representative at the State Peace Oratorical contest held at Forest Grove on April 12. The title of Mr. Harland's oration was "The Christian and War."

PACIFIC COAST EXTEMPORANEOUS CONTEST

Harold Tomlinson represented Willamette in the Pacific Coast Extemporaneous Contest held at Moscow, Idaho, under the auspices of the Pacific Coast Forensic League.

OACH Roy "Spec" Keene finished his third year of leadership of Willamette's athletics more respected and admired by his proteges and followers than ever before. This year Spec won his first conference title, and placed Willamette teams higher than ever among the leaders of the Northwest.

Graduate Manager Lestle I. Sparks turned out this year the best Frosh Basketball team that Willamette has known in years, besides coaching track, assisting with football, and accounting for every dollar taken in and spent by Cardinal and Gold teams.

WILLAMETTE'S football team started the season in a manner which it was not able to follow up through its later games. TheBearcats ended the conference season with two wins and three losses to tie with Pacific for third place.

Whitman had a true championship team and won the conference title with a clean slate for the season. Puget Sound, after losing to Willamette, came back and went through the season dropping only one game to Whitman to tie for second place in the conference standings. Idaho for the first time in several years was not at the top of the football lists. Whitman and Puget Sound administered defeats to the Idaho team. Linfield filled up the cellar position, finishing the season without a victory.

The largest squad in history answered Coach Keene's call for varsity candidates. The squad was made up largely of green material which, however, showed plenty of fight and a desire to learn football. Four teams remained out for practice most of the season and gave plenty of competition among members of the squad.

By graduation the team will lose only three men: Betts, Mumford, and Mort. Mumford has a long record of play behind him and will leave a hard place to fill. Mort finished three years of varsity football and will leave a big hole in the line.

Four Willamette men were mentioned on Northwest Conference all-star teams. Hillis and Rasmussen, both first year men, were selected on almost every all-star team as guard and tackle respectively. DePoe and Cranor were selected by some coaches as quarter and half on the allstar team. These men along with the other veterans will form a strong nucleus for a team next year, and indications point to the most successful year in football that Willamette has yet enjoyed.

WILLAMETTE VS. LINFIELD

The Bearcats certainly fulfilled everything that the one hundred and fifty rooters who traveled to Linfield could have asked for when they romped over the Linfield eleven 36 to 0 in the first conference game.

The field was muddy and slippery, but the Willamette backs looked fast and elusive despite the handicap. DePoe, Cranor, and French formed an unbeatable combination for ball carrying, and the Bearcat line functioned well.

But for a fumble made on the goal line the Bearcats would have had a touchdown in the first three minutes of play. The first score came a few minutes later when DePoe made a twentyyard run and three plays later slipped over for the score. After several first downs from long runs, Cranor made the second touchdown of the game.

This one sided victory put the Bearcats in the right mood for the Homecoming game with Puget Sound only two weeks away.

WILLAMETTE VS. WASHINGTON

Twenty-two Bearcats journeyed to Seattle and surprised the Washington Huskies in the first game of the season. Although the Salem eleven failed to score, they held the strong Washington team to four touchdowns and gained steady yardage at times with a short passing attack that baffled their larger opponents.

Carrol, candidate for all-American, was the power in the Washington offense, and he rarely stopped until three or four Bearcats had their hands on him. He scored three of the Husky touchdowns in the first part of the game by straight line plunging, but the Bearcats strengthened their defense and fought back the Washington rushes so that the fourth touchdown was not scored until late in the fourth quarter on a pass.

This game is not usually played with the expectancy of winning, but the Bearcats played a heady fighting game and showed that they had power and ability that should be hard to beat.

WILLAMETTE VS. OREGON

Again the Willamette team went into a game in which it was supposed to have little chance to star, and again upset the dope by scoring a touchdown on the Lemon-yellow team by straight football.

Oregon took advantage of openings and breaks and scored 38 points in the game by means of long end runs and line smashes, but the Willamette touchdown came in the second quarter as a surprise to everyone. Willamette blocked an Oregon kick and recovered on the Oregon 37 yard line. A pass put the ball on the eleven yard line and first down was gained in three plays. Cranor bucked the ball over on the third down and scored the Bearcats' first touchdown on Oregon in thirteen years.

The Willamette defense did not function properly; but when the Bearcats had possession of the ball, they made good use of every chance to gain yardage.

WILLAMETTE VS. PUGET SOUND

In a game replete with thrills and action the fighting Bearcats won their Homecoming game from Puget Sound, 25 to 18, and took the lead in the conference race.

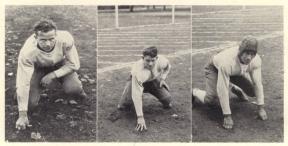

The game was one of the most wide open encounters played on the Willamette field in years. Passes for touchdowns, blocked kicks, long end runs, and flashy plays featured the game which was uncertain until the final whistle.

After Puget Sound had threatened to score in the first few minutes of play, Willamette marched the ball eighty yards for a touchdown. DePoe sidestepped his way through the whole Logger team for the last twenty yards of this scoring march. The Loggers evened the score a few minutes later when they completed a pass good for thirty yards. Willamette again forged into the lead just before the half when French caught a pass and ran it to the two yard line from where it was bucked over.

Puget Sound again evened the score at the beginning of the second half when a Logger returned a punt along the sidelines for fifty yards. A blocked punt paved the way for the next Bearcat score, and a pass, De Poe to French, made the last touchdown. Puget Sound, with only a few minutes to play, made another touchdown on a long pass.

WILLAMETTE VS. ALBANY

The Bearcats severely trounced Albany College 38 to 6 in a non-conference game on the home field. The second team started the game and scored one touchdown, but the first string went in just too late to stave off a Quaker score. The varsity scored almost at will, but the game was somewhat ragged despite the ease with which the Bearcats gained on their opponents.

Just before the end of the game Cranor returned the kickoff ninety yards for a touchdown and a few plays later returned a punt sixty-five yards.

WILLAMETTE VS. COLLEGE OF IDAHO

The Willamette eleven went to Boise with high hopes for a victory over Idaho but came home badly beaten 44 to 6. No special reason seemed to be the cause for the crushing defaat unless it was the altitude. Cranon collapsed while eatching punts before the game and was unable to play. Ackermannand McMullin were the only players able to play through the entire game and several players received injuries which laid them up for practice. Despite the bad defeat, the Bearcats fought hard through the entire game.

WILLAMETTE VS. PACIFIC

Willamette suffered its second defeat of the season at the hands of the Pacific Badgers 6-0. A large excursion accompanied the Bearcats to Forest Grove.

The first half was an even affair with both sides resorting to punting when they were not sliding back and forth in the mud. The second half was largely Pacific's, but the Badgers were unable to hold the wet ball long enough to score.

Pacific scored its lone touchdown late in the fourth period by blocking a Willamette punt on the 17 yard line and falling on it when it rolled over the goal line.

Hillis and Rasmussen played a fighting game for the Bearcats, but something seemed to be lacking in the Bearcat's game which left them without the punch to score.

WILLAMETTE VS. WHITMAN

Willamette was administered a crushing defeat by Whitman in the last game of the season, 45 to 0. The powerful Whitman fullback, Nielson, was too much for the Bearcats and made several long end runs for touchdowns and was a power on defense.

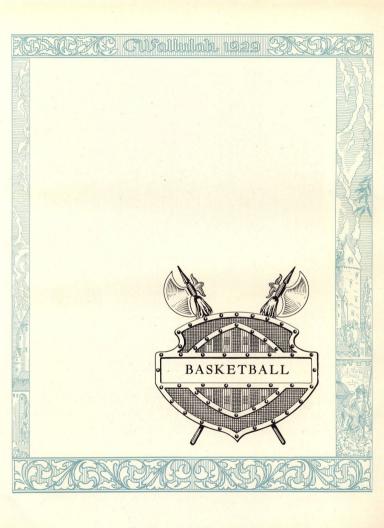

Whitman scored two touchdowns in each of the periods except the last in which it scored but one. Although Willamette slighly outpunted the Missionaries, this was offset by the Whitman running back of the punts.

Again Willamette passed its way over Whitman to more first downs than its opponents were able to make, but were unable to use this advantage to score. Two of the Willamette passes were intercepted with disastrous results.

Twice the Bearcats worked the ball from deep in their own territory to their opponents' ten yard line only to lose the ball on downs.

THE BASKETBALL SQUAD

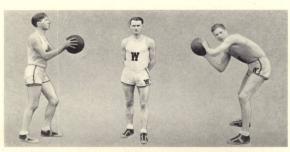

Basketball

THIS year's basketball team, the strongest ever developed here, had its ups and downsthrough basketball championship.

Early prospects for a winning team were good with six lettermen back from the last year's team which took second in the conference race. In the practice games the squad showed mediocre work at times and at others played good basketball. One game was won from Oregon State, and on the home floor the Bearcate gave the Oregon five a scare and only lost out in the closing minutes of play.

Sickness and injuries weakened the team when it went into its first conference game with Linfield. Ledbetter made the winning point after the game was over by shooting a foul. Litchfield was the only player who was able to score constantly.

Scales went on a scoring spree in the next game with Pacific and helped down the Badgers 48 to 26. The Bearcats played a much better game and raised the hopes of their supporters for the Whitman games.

Willamette started the first Whitman game in wonderful style, but Whitman overcame the lead and in the second half forged ahead to win 38 to 26. The Beareats missed numerous easily shots while the Missionaries seemed unable to miss. The second game seemed a peak of Spec Keene's three years of work. The Willamette team played wonderful ball every minute and showed uncanny ability in scoring. Whitman fought hard to break through the Beareat defense but saw the score mount against it until the final gun stopped the game at 55 to 24.

These games put the Bearcats in a place where they had only to win their remaining conference games to secure the championship.

Pacific proved to be an easy victim for the Bearcats' intent on their goal. The game was loosely played, but winning was enough to satisfy the team's desires. Adams with 21 points had a good night at basket shooting.

Linfield, the next obstacle to the title seeking Bearcats, proved to be not so much of an obstacle. The referee made the game uninteresting by calling numerous fouls and removing three Linfield and two Willamette men from the game on personal fouls.

LITCHFIELD

The first Puget Sound game proved easy for the Bearcats. With a 43 to 23 victory over the Loggers in their hands, and only another game with the same team to keep them from a championship, things looked bright to Willametter rooters. The second game was a different and hair raising experience. The score was in the Loggers' favor at the half and seesawed for the rest of the game. Litchfield, sent in for the closing minutes of play, scored two long baskets to put the Bearcats ahead. Puget Sound scored, and then Adams made a basket which was the winning point.

Every regular on the Willamette team deserved mention on a conference all-star team. Willamette's two guards, Hauk and Fleeher, were without a peer in the conference. Cardinal was easily the outstanding center in the league, and Adams and Scales could play rings around the best in the circuit. The host of subs was led by Ledbetter and Litchfield, who during the season were responsible for several Willamette victories. These two men always played great ball when the rest of the team were unable to score.

Only three W winners will be lost to next year's team. Litchfield, Flesher, and Ledbetter will graduate, but they leave one of the best squads ever found by a coach to choose from.

MEDFORD HIGH TEAM

State Basketball Tournament

EDFORD High School won the Oregon High School Basketball Championship by defeating Loughlin and The Dalles without much trouble and in the final game, 13 to 14. Medford fought is way to the finals by defeating Mcbask the start of the Balles without much trouble and in the final game left little doubt as to who was the best high school basketball team in Oregon for 1929. Washington High, eliminated by Astoria the previous night in a thrilling game, played great basketball the final evening and defeated Wallows 31 to 19 for the championship of the consolation round.

Ten teams, representing the best in their respective districts, played in the tournament this year. Under the supervision of Athletic Director Roy S. Keene and Graduate Manager Sparks and with the help of the High School Association, this tournament was undoubtedly the best since the event was started by Coach "Bob" Matthews in 1917.

The all-star team selected by the officials and coaches is as follows:

WILLAMETTE finished the Northwest Conference baseball race with a percentage of five hundred, winning three of its six conference games.

Whitman copped the title with six wins and no defeats and was clearly the outstanding team in the league, being credited with one sided games against Pacific and College of Idaho.

Willamette presented a fairly strong hitting aggregation, but poor fielding and lack of reserve in the pitching staff cost the Bearcats several games.

Willamette went up against Linfield in its first game with only a few days of outside practice. Ledbetter pitched good ball, but his teammates eased up whenever they gained a lead, and as a result lort the game 7 to 6. The Bearcats' five errors were responsible for several of the Linfield runs.

WILLAMETTE VS. OREGON

Willamette just couldn't hit the offerings of the Webfoot pitchers in its two game series, and as a result lost both games. I to 1, and I1 to 2. The Bearcats made only one hit in each game. Hauk connected with a double in the first game and scored on a balk. Kauffman made the only hit in the second encounter and the two runs were scored on errors.

WILLAMETTE VS. PACIFIC

Willamette defeated Pacific in a thrilling ten inning battle on May Day, 6 to 5. Willamette tied the score in the last half of the ninth inning and held Pacific scoreless in the tenth. Kauffman started the last inning off with a single, and then Hauk connected with the home run which won the game. Ledbetter pitched good ball for nine innings and then Vannice went in and held the Badgers at bay in the tenth.

WILLAMETTE VS. LINFIELD

Bearcats had sweet revenge on Linfield when they romped on the Wildcats 18 to 3 in their second encounter. The Willamette men secured 21 hits while Ledbetter was striking out seven of the Linfield batters. Every man on the team played a fine game, Girod accepting nine chances without a fumble.

WILLAMETTE VS. PACIFIC

Although the Bearcats outhit the Badgers, the Pacific men made their hits count and won the game 7 to 2. Eight errors made by the Willamette men contributed to the Badgers' success. Roundtree was the only Bearcat able to hit consistently, and as a result Willamette was definitely put out of the championship playoff.

WILLAMETTE VS. PUGET SOUND

A first inning lead of six runs was too much for the Bearcats to overcome in their first game with Puget Sound, and the Loggers took the game 11 to 6. Cardinal, Hauk, and Ledbetter had a good day at bat but didn't have the support. Vannice worked well in the second game for eight innings and held the Puget Sound batters to eight runs while his teammates were collecting 10. Ledbetter pitched the last inning and brought the Bearcats out of a bad hole. Adams and Hauk each collected three hits for the game.

WILLAMETTE-LINFIELD TRACK MEET

WILLAMETTE lost the first track meet of the year to Linfield on the home field 73 to 53. Linfield took the lead from the start and was never in danger. Linfield took nine first places and Willamette six. With this safe lead Linfield forfeited the relay to the Bearcats without running it.

Rodgers, Hathaway, and McCormick were the main point gatherers for Willamette. Rodgers won the shot put with a good heave, and also took first in the 220 yard dash and third in the century. Hathaway walked away from the two-mile field, tied for first in the pole vault, and secured second in the half mile. McCormick had little trouble with his event, the mile, and also placed third in the half.

Martin of Linfield was high scorer with thirteen points. Linfield took all the places in the broad jump while Willamette took all the points in the javelin and the two mile.

THE NORTHWEST CONFERENCE TEAM

WILLAMETTE-PACIFIC TRACK MEET

The following Saturday the Bearcats again last a meet, this time to the Pacific Badgers by a 74 to 57 score. The Bearcats captured most of their points in the weights and distance events. Hathaway and Keefer placed first and second in the two mile, and McCornick took first in the mile. Rodgers was the high point man of the day with twenty points from firsts in the 220, shot-put, and discus, second in the hundred, and anchor man on the relay. Gull won his letter by placing in the 220, 100, and being a member of the relay.

ON MULTNOMAH FIELD

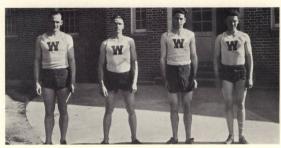

Running in a meet against the Oregon State Rooks, the Oregon Freshmen, Multnomah club, and Chemawa, Willamette made a very good showing and placed fourth. The Bearcat relay team copped first place with a good lead, as did Hathaway in the two mile. Rodgers was up against some stiff competition in the shot put and could only place fourth. Van Dyke finished third in the mile.

THE RELAY TEAM

NORTHWEST CONFERENCE MEET

Willamette placed fifth at Whitman in the conference meet which was won by the Missionaries with 56.6 points, with Puget Sound, Idaho, Pacific, Willamette, and Linfield finishing in the order named.

Eight men made up Willamette's conference team: French, 440 and relay; Rodgers, weights and relay; Gull, sprints and relay; McCormick, the mile; Hathaway, two mile; VanDyke, half mile; Keefer, two mile; and Tweedie, the relay.

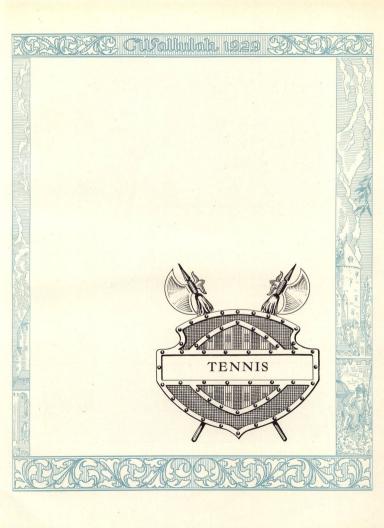

Fred Rodgers scored five of the Bearcats' points when he took second in the shot put and third in the discus. Hathaway finished second in a fast two mile field. French pulled a surprise when he copped a place in the hard 440 yard event. The relay team ran a good race and won third in its event.

The following men earned the right this year to wear W sweaters for track: Hathaway, Mc-Cormick, Rodgers, French, Gull, Tweedie, Keefer, and VanDyke.

Women's Tennis

THE women's tennis team von Willamette's only Northwest Conference Championship in 1927-28. The team composed of Pauline Findley, Louise Nunn, (captain), Louise Findley, and Margaret Morehouse, defeated Whitman, College of Pugets Sound, Paeifie, and Linfield.

In the first match of the year on the home courts the Willamette women won three matches from Linfield. Journeying to Walla Walla, Pauline Findley and Louise Nunn won two out of three matches from Whitman.

The women won four out of six matches from Puget Sound, taking three singles and one doubles match. Two matches were played with Pacific, Willamette emerging victor each time.

Pauline Findley played number one all season, winning every match, and with Louise Nunn played through the season without losing a doubles match.

Louise Nunn and Louise Findley graduated, completing four years of varsity tennis.

Men's Tennis

THE Willamette men's net team again finished second in the Northwest Conference tournament, but had only an average season. The Bearcat team won five out of the ten matches played.

In the Northwest Conference Tournament at Tacoma, Ivan White entered in the singles and won his first match from College of Idaho but lost in the finals to the Whitman entry. White and Minto lost their first doubles match to Whitman but won from the Idaho pair in the second round.

Late rains kept the team from practising until a few days before the first match with Monmouth which the Bearcats won five to one. In thesecond match the Willamette men found Orgon State too strong for them and lost five of the seven matches. In a return match Oregon State again won five to two.

Reed College put up some strong opposition when the Bearcats went to Portland but succumbed five to four. In the return match Reed proved too strong for the Bearcats and won five of the seven matches.

Willamette won all its matches from Linfield and Pacific, but Whitman and Washington State did the same with Willamette.

MILLER MERCANTILE COMPANY SALEM, OREGON

Most chain stores operating upon the "Price Appeal" policy have very little if any STANDARD NATIONALLY KNOWN merchandise to offer. The reason is quite obvious. A reputable manufacturer will not jognardize his good will for the sake of furnishing a price appeal store with merchandise of doubtful character.

Compare such a store with Miller's. Here one will find an excellent assortment of the world's finest lines, among which are well known names, such as:

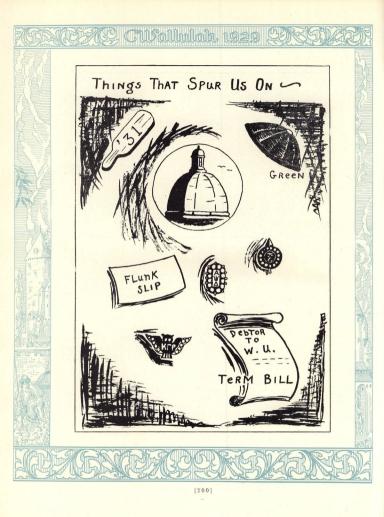

> HOLEPROOF MUNSINGWEAR PERRIN VOGUE PRINTZ BRIGHTON SKINNERS KAYNEE CORTICELLI

CHENEY MALLINSON BOTANY EVERFAST VANITY FAIR KAYSER BRADLEY BEACON GOSSARD IDE MEMO VANTA BUTTERICK KRIPPENDORF JANTZEN CANNON ENNA JETTICK THEME

A good store and good merchandise invariably make for themselves a place in the people's favor. Quality is always the one thing that will win greatest measure of success. Price alone bens? Itild: relation to value; less perhaps to satisfaction, which leads us to say that if more people took greater interest in the quality of the demonstration of the store and its service they would be benefitted.

Miller's make a specialty of NATIONALLY ADVERTISED lines throughout their stores and if you are not acquainted with these leaders we invite you to come in some day and make their acquaintance.

Church and State Streets, Salem, Oregon

OLD FIRST CHURCH

"Old First Church," which serves the student body of Willamette University, is a church with a glad hand, a glowing heart, and a glorious history. The fine edifice of rod brick with its imposing columns and inspiring spice in full view of the campus was built in 1872, but the organiztation of the society dates back to 1834, when Rev. Jason Lee and his co-laborers came on heir in 1851, and was replaced by the present builting in 1872. The church has had an honorable roster of leading ministers for its pastors and has always been the standby and supporter of the University in Christian Education. It is well organized and equipped for a full program of Christian work and provider opportunities for service for all ages and classes of people. Its broad portals saying open to the public and its dignified order of working attracts and inspirse all who come. Its large pipe comma model special provideges for the social and religious life of young people.

Earl Henry and Worm R. were separating when Earl said, "Au Revoir."

- "Vat's dat?" cried Worm. "Dat's goodbye in French."
- "Vell," said Worm, "carbolic acid."
- "Vat's dat?" hollered Earl.
- "Dat's goodbye in any lengvidge."
- Dat's goodbye in any lengvidge.

Little Anna Mary Me——returned from church deeply musing on the sermon in which the preacher had declared that animals, having no souls, could not go to heaven. She asked earnestly at the dinner table. "If cats don't go to heaven, where do the angels get the strings for their harps?"

The WAY OF A MAN AND HIS MULE A Missouri livery stable keeper put his hand in a mule's mouth to count the mule's teeth. The mule closed his mouth to see how many fingers the man had. Thus was the curiosity of both satisfied.

The 1929 Wallulah takes special pride in being able to present to the student body these truly remarkable snap shots of DEAN CLARK. The Dean is a bashful soul, and great stealth was necessary for our photographer to get these rare views.

(1). This photo shows our hero shoveling the snow from the Chapel steps. Students appreciated the fact that the snow was removed before it became ice.

(2). This photo was taken while Dean was removing the snow from the sidewalk along State Street. Nearly everyone else in town was too lazy to keep the snow off the walks, too.

(3). Here in the center we have the reason why all the class rooms are so warm and comfy in the winter, especially the Library. The big shovel full of coal is going into the furnace, not into a fire.

(4). Now we know why we got called on the carpet. It used to be a mystery how the powersthat-be knew so much about our misbehavior, real or fancied, but here is the All-Sceing-Eye gazing on some of our luckless school mates.

(5). This was taken in the summer, and explains why we have not a weed in our lawn, and why the campus is so green in August, when other lawns are brown. Yes, it is our faithful Dean pulling a weed; the sprinkler is in the background.

Old Timers!

That's what you call those graduates of yesterday who walk down the campus with a catch in their throats as they think of days gone by!

The Statesman is an old-timer; born in 1851, before Oregon was a state, but it has kept pace. Larger, livelier, more progressive than ever it is an Old-Timer yet a New-Timer. That's why it is serving the Willamette of the present day.

THE LAST MINUTE RESCUE

After all these years of training in selfcontrol and restraint and in the development of the Coolidgean reserve, the bubble burst. The Chapel program "ruint" all our plans to live the upright life and stop killing weasels. Standard Oil gave a good program finally, and we enjoyed and appreciated it. But Standard Oil didn't start in time.

It was like this: We were promised faithfully one day that the very next day for our chapel we would take advantage of a program being broadcast from OKMNX and hear some real music. Chapel next day came and with it the music—music that was never allowed to develop into a tune—songs that were nipped in their prelude. There was something about "Somebody's Baby"; the dial turned and "It goes like that '; but it moved again—"An wful ache, I fa' down, go—" and the discriminating dial took the next move. Then it was that we heard a selection from Tchaikowski which saved us from dropping below all recovery. LOANS INVESTMENTS INSURANCE

There Is a Difference

😳 CWallulala 1929

between

Better Printing

—and the mediocre, ordinary kind. Likewise there is a mighty big difference between monotype composition and the ordinary product of a slug machine.

We point with pride to this edition of Wallulah as the product of Salem's finest printing plant. It is monotype set throughout, and was printed on a press which was designed and built for suality half one printing.

Your critical inspection of the book is invited—judge it from the points of groupping color and presswork. Our entire personnel has thoroughly enjoyed putting their best efforts into its construction.

We have gained great satisfaction in our association this year with the Editor and Manager of the Wallulah and the contacts established with Willamette Student Body.
