Silver Homecoming Anniversary Edition

## It's All Yours, Alums!

We, the students of Willamette university, dedicate this week-end to your entertainment, Alumni. Come one, come all, and have a good time.

Your registration tomorrow will be your pledge to the university that you still think of the good times, the comradeship and the education that you received at your old alma mater. We shake your hand and extend to you the warm welcome that becomes you.

Get out there on Sweetland tomorrow and yell your lungs out for the Bearcats. Let's all Battle-Ax the Lumberjacks.

## Game Prices to Remain

At the student council meeting this week it was reported that the business office has advised that game prices remain the same for remaining athletic events of the year.

The business office believes that because of comparisons with other colleges on the coast and colleges of similar size that Willamette game prices are proportionate.

Though turnout by townspeople at the College of Idaho game last week was better, the *Collegian* believes that more townspeople could and should be induced to attend the games by lower prices. Also cited during the council meeting was the high price charged townspeople to attend basketball games here.

The business office believes that better turnouts are always received at conference games. However, why should we depend on conference games to bring more Willamette school spirit to Salem. This seems a poor excuse when the university always has at least three non-conference games through the season.

Both the *Collegian* and the student council agree that something should be done to bring more attendance to athletic events, if not this semester, at least by the spring semester.

## On YOUR Honor

You will be asked to vote next week on the honor code which is printed for your information on page 4 of this *Collegian*.

When you vote for the code you are doing so on your honor, just as you will be asked to be on your honor during examinations after the code goes into effect. A 75 per cent vote of at least 600 students will be sufficient to put the code into effect.

Once in effect, it will be up to the student body to preserve their own integrity and that of others by seeing that the code is carried out to the letter.

## Letter Explains Honor Code

An open letter to the student body:

Voting on the proposed honor system starts Wednesday, and since this is a system which must be thoroughly understood by the students to be effective, the student council encourages all to familiarize themselves with the subject.

This is not intended as a discussion of the merits or demerits of the honor system, as you have probably made up your minds on that score. Also, ample coverage has been given the growth of the system by the *Collegian*. What we are now emphasizing is the need for your understanding.

You are not being asked to vote in any particular manner. You ARE, however, asked to vote, because only in that way can we determine your desire.

Those who are familiar with last year's situation concerning cheating and examinations seem to agree there was some room for improvement. Students who

got their grades honestly complained that their records were handicapped by the actions of other students.

As a result of this situation, Bill Harris was commissioned by last year's council to investigate the problem and propose a solution. This he started last spring, and has continued to the present time. After subsequent revisions by students and faculty, he and his committee now have it in completed form, ready for acceptance or rejection by the students.

Bill and his group have done a lot of work on this system, and have what the faculty evidently believes is a workable solution. But, that is no reason why the students should feel obligated to vote one way or another. The whole idea was to propose a plan which might suit you better than the present one.

This system is perhaps not an ideal one, but was hoped to be an improvement over the existing set-up. The people who worked on this problem have their eyes open, and don't expect 100% success the first year if their plan is adopted. An honor system is something that has to be built up over a period of years, until it becomes truly a tradition. But, the start must be made somewhere, and we believe present conditions warrant a change.

If this plan is adopted, and becomes a success, we think conditions would be improved not

# Homecoming History Told

By Mary Lee

To you, alums, we dedicate this resume of Willamette Homecoming history with the hope that we, the present students of Willamette, can maintain the record that you have established throughout the country.

1923: First Homecoming  
"Slaughter the Sons of Marcus" was the slogan adopted for Willamette's first Homecoming. Five hundred official invitations were issued for the

event. Highlighting the week-end was a Freshman bonfire and serpentine, and a dedication of Willamette's new gymnasium following the game with Whitman. Whitman won the game by one point.

This first Homecoming was the result of many year's need for an Alumni day. All the stunts had been done before, but they needed to be incorporated into one event.

In 1917 Raymond Crowder and some of the boys put a cow in the chapel after feeding Mrs. Bossy a good dose of epsom salts. Game slogans were initiated around 1919, when "Pulverize Pacific" was the title for a WU clash with Pacific.

In 1920 the Willamette-Whitman game was billed "the biggest game in the Northwest," and "Massacre the Missionaries" was the slogan. Stars of the game were Russ Rarey, Barnes, Ganzans and Zeller. Way back in 1899 Willamette won the state championship over Oregon Agricultural college.

The need for a Homecoming was finally realized in 1923, when they decided that the alumni banquet at the close of the school year wasn't adequate for so many alumni.

1925: Whitman, We Will Win

The class of 1895, Chester Murphy, captain, played three minutes in the fracas with Whitman. Whitman won 20-13.

1930: Big Publicity Stunt

Four hundred crimson tee-shirts with gold designs were sold to advertise the Homecoming that took place on Thanksgiving week-end. A play, "El Bandido" was presented, starring Helen Cochran, Bob Mayne, Joe White, Margery O'Dell and Ronald Hewitt.

You alumni of coming years, remember all the men and women who have helped make Willamette the fine school it is. Remember also the many events that were incorporated into one big show for you.

To you, who have gone ahead into the world and who have established the prestige and record of Willamette university, we offer a sincere and hearty welcome. We look forward to the day when we can follow you and perhaps add our bit to a job that has been well done.

## On the SOUTHard Side

By Wally Southard

If Billy Rose can make a proposition to the Metropolitan opera people to take over and run their business on a paying basis, then why can't I make a proposition to the university to run their examinations on a non-cheating basis?

The thing that brings to light my little proposition is the latest attempt to close the book on an open subject, namely, honor in the examination room. The idea seems to be that an otherwise dishonorable student can become honorable by signing a non-cheating pledge before taking an examination. I propose to supplement this kind of honor with the following program.

First of all, guards would be stationed outside of classrooms. Their purpose would be to check all in-going students for books,

notes, invisible writing on hands and arms, etc., and as a further precaution, students would enter the examination rooms in bathing suits to minimize the possibility of carrying helpful material.

Next, each student would be fitted with blinders of the type that trackmen use on race horses. This would keep the student's eyes on his own paper and help him overcome "wander-eyesitis". Professors would be armed with permanent-black, ink-charged water pistols. Any student found twisting his neck could then be drawn down on and branded as a "cribber" to his fellow students.

If by chance the above program should prove unsatisfactory, then the only possible solution would be to lock up the classrooms and throw the keys in the mill stream. I can guarantee the university now that such a move would erase the last possible chance a student has to cheat during examinations.

## BEEFS and BOUQUETS

Dear Editor:

In a few days the proposed honor system will be presented to the students for a vote. I feel that there are a number of problems of this issue that must be faced by the students before they vote. I personally am in favor of a system that will limit cheating and yet not create the chaos that occurred last spring.

1. In the last election we found that so-called responsible people couldn't keep a secret. Shortly after the ballots were counted the results were common knowledge about the campus, in sororities and fraternities. How secret would the name of a man accused of cheating be kept. The man guilty or innocent would be tried in the social world, without facts, and the stigma would be carried for life.

2. I ask, who's got the guts to

interrupt a test in order to accuse a man of cheating?

3. What self-respecting student would serve on a board that would accuse and try a student for cheating? Most of us would be sneaking out the back door to get out of that one.

4. I can name very few people on the campus who are capable of meting out justice and conducting a fair trial for a man accused of cheating. Even the majority of the faculty isn't qualified for this task.

5. What if some sadist were chosen for this board of judges?

6. How about the factor of spite? Remember the days they burned witches.

Gentlemen of the student council, I leave it to you to pass the cigars. It's your baby.

Meryl W. Smith

## Fitz Declines Honor

Ed Fitzsimons, Dee Gee candidate for the ugly man contest, announced Wednesday that he has declined the nomination.

Fitzsimons further stated, "Not only has the dubious honor been a damaging blow to my prestige, but it will undoubtedly be a smudge of no mean caliber on my national reputation as the loveliest specimen of masculinity."

# Homecoming Reaches Quarter-Century Mark

By Earlyne Foley

Willamette's 25th annual Homecoming weekend got underway at 5 a.m. this morning with the class of '52 cleaning up the campus in honor of the returning alumni.

By 9 this morning all living organizations must have their signs, heralding the slogan "Battle-ax the Lumberjacks" completed. Deciding which living unit should receive the trophy being donated by Stevens Jewellers are Bob Browne, Student Publishing Company; Chuck Clark, Elfstrom Furniture store; Gardner Knapp, Unruh and Knapp Printing company and Ron Patton, Sears and Roebuck company.

One of the biggest events of the celebration will be the noise parade which will assemble in front of Lausanne hall at 6:45 this evening. They will proceed from there to State street, down State to Cottage, from Cottage to Court

street and down Court to Liberty, back up to State, up State to Church street and out Church to Bush's pasture. Positions of units in the parade are: Baxter hall, Lausanne, Sigma Chi, Alpha Chi, organized independents, Freddy hall, Phi Alpha, Chi Omega, Beta Theta Pi, Delta Gamma, Phi Delt, Pi Phi, Laurel hall.

The presidents of the sororities and Lausanne and Freddy will judge the men's competition; the women's entries will be judged by the presidents of Baxter, Laurel and the fraternities. This year, unlike previous years, the means of creating noise have been limited by orders from the chief of police, thus eliminating all police, fire and ambulance sirens.

At Bush's pasture the bonfire and rally for the Willamette-CPS football game will be staged. There will be no faculty play after the rally as was previously announced. Russ Tripp, Home-

coming manager, stated this week. There will be, he said, informal open houses at all the women's living groups.

Tomorrow morning at 11 all returning alumni will register in the library. At 12 they will gather in the dining hall at Lausanne for the alumni luncheon. Speaker for the occasion will be Dr. R. F. Thompson, former faculty member of Willamette and now president of the College of Puget Sound. During the luncheon gifts will be given to the man and woman representing the oldest graduating class of Willamette. After the luncheon the traditional alumni Homecoming meeting will be held.

As a part of the schedule for the returning alumni will be an informal meeting of those who completed their teacher's training at Willamette last year. Under the direction of Dr. George Martin of the education department, they will discuss the prob-

lems they have encountered in their new profession and what can be done toward their improvement.

Kickoff of the 54th anniversary of Willamette football will be two o'clock tomorrow afternoon. During halftime of the game between the Bearcats and Lumberjacks, bands from both schools will entertain. Immediately following the game will be the tussle between the freshmen and sophomores at pushball to see whether the frosh will continue to wear their caps and ribbons. After the game alumni will be the guests of the various living units for tea and open house.

Closing the Homecoming celebration is the semi-formal dance in the gym tomorrow night. Decorations are being planned by Lloyd Hanson; music will be by Dave Longton's orchestra from Portland. Sometime during the dance winners of the various trophies will be announced. Also at this

time the winners of the "ugly man" contest will be revealed. The contest, a new feature of Homecoming, is being conducted by Alpha Phi Omega, a service honorary composed of men formerly active in scouting.

Nominations for the honor have been made by the campus living organizations and include: Phi Delta Theta, Delbert Tillotson; Sigma Chi, G. Herbert Smith; Phi Alpha, Bob DeBord; Beta Theta Pi, Alan Goudy; Baxter hall, Al Blacic; Lausanne hall, G. Herbert Smith; Fredrickson hall, Keith Sperry; Delta Gamma, Ed Fitzsimons; Alpha Chi Omega, Harry Ryan; Chi Omega, Schneebles, the Phi Delt mascot; Pi Beta Phi, Elliott Motschenbacher.

Voting has been conducted by the payment of one cent per vote with the proceeds going to a fund to erect a flagpole on the Willamette campus dedicated to students who lost their lives in World War II.

### Students Vote on Honor Code And Judiciary Board Members

The polls will be open again next Wednesday and Thursday to elect nine members to the student judiciary committee and to accept or refuse the newly drafted honor code. Polls will open as usual at 8 a.m. but will close Thursday noon. (See page 4 for complete text of the honor code). A revote is also necessary to elect a freshman president. (See election story on this page.)

Petitions containing at least 25 names each, nominating candidates for the judiciary committee must be in the office of Dr. Daniel Schulze not later than 4 p.m. today to be placed on the ballot. Only one petition, that nominating Robert Rhoads as the representative of the college of liberal arts, has been received thus far. Al McMullen, second vice-president announced.

The judiciary committee consists of nine student members, one representative each from the College of Liberal Arts, the Law school and the Music school, one freshman and sophomore representative and two each from the senior and junior classes. According to the constitution each of these must be nominated by petition.

The main function of the ju-

dicuary committee will be to administer the honor code if it is accepted. They will discipline violators of the code.

George Hurt, student body president, has announced that the honor code will be more fully explained to living organizations at house meetings next Tuesday evening and all classes during one hour Wednesday morning. Under the direction of Prof. James W. Kirkwood, speech coach, students from the speech department will explain the principles of the new system.

Hurt stressed the fact that all students must understand the code in order for it to work effectively. Each student should read the complete text of the code on page 4 of this issue of the Collegian.

Willamette's Bearcat, portrayed by Art Dimond, illustrates fighting WU spirit as he prepares to "Battle-ax the Lumberjacks," acted here by Bob Baum and Ed Strothess.

## Mill Stream Dousing Ruled Out by Dean

Traditional mill stream dunks are a thing of the past, according to Dean Raymond Withney who said the action was taken as a result of last Monday's battle between the frosh and upperclassmen when two students were injured.

Freshman class president Ted Loder received a broken collar bone and Scotty Washburn cut his foot during the struggle in which some forty-odd frosh and upperclassmen swam the mill stream. Loder and Washburn have been confined to the Willamette infirmary as a result of their injuries.

### Law Books Here

Mrs. Delia Larson, manager of the book-store, announces that the business law books are in. She also emphasizes a previous announcement—that all veterans dropping courses bring their books into the book store.

## Proceeds From Variety Show To Go to School Chest Drive

Regular rehearsals began this week for the variety show to be presented in conjunction with the all-school chest drive. John Christensen, chairman, told the student council this week. The show is to be presented the night of Saturday, November 13, in the Salem high school auditorium.

Ray Yocom and Ray Loter are chairmen in charge of the variety show.

A \$10 prize is to be presented to the student submitting the best art poster publicizing the chest drive, Christensen said. A thermometer, the neon one now being used by the Salem Community chest on the Livesley building downtown, is to be placed on Waller hall to show results of the chest drive.

Solicitations, under the chairmanship of Pat Holtz, will be conducted on a pledge card basis similar to the Community Chest drives locally. Students may designate specific amounts to be granted to certain organizations or may place their whole pledge in a general fund to be pro-rated to the various organizations represented in the drive. Christensen believes that the latter plan is the best since all organizations will receive more generous amounts and the job of pro-rating will be easier.

Christensen asks that persons who may know of the various needs of organizations contact him so that he may get a better idea of pro-rating needs. His phone number is Baxter hall, 2-1704.

Paper tags, to be worn in the lapel, are to be presented to persons pledging to the chest.

## Collegian Prints Honor Code Text For SB Study

(See story page 1)

To be submitted for student vote Wednesday and Thursday morning, the text of the honor system as printed below. It will become effective upon three-fourths affirmative vote of at least 600 students.

We the Students and Faculty of Willamette University do believe that honor and integrity should prevail in all functions of this institution and do subscribe to a set of principles and practices to be known as the Honor Code which shall serve as a guide for conduct in our academic work.

Adoption of the Honor Code implies the following:

1. All academic work upon which grades are based, including examinations, term papers, reports, and homework, shall represent the sole effort of the student and no unauthorized aid shall be given or received. Students shall sign the following statement (Honor Code Pledge) on examinations and such other papers as the instructor may specify: "I have neither received nor rendered unauthorized aid in this paper."
2. The instructor shall not proctor examinations. He shall be present to distribute and give necessary explanations of the test, after which (unless he must participate in giving the test) he shall announce where he will be available to answer questions.
3. The Faculty shall strive to give examinations under conditions most conducive to honorable conduct.
4. The students shall be upon their honor to abide by the spirit and letter of the Honor Code, and be the judge of conduct within the examination. An observed violator may be warned verbally or by tapping of a pencil. If he persists, the observer is responsible for reporting the violation to the Honor Code Committee.
5. Violations of the Honor Code observed by an instructor shall be reported to the Honor Code Committee.

In order that conditions conducive to the spirit of the Honor Code prevail, the following measures shall be adopted insofar as possible:

1. The University shall furnish the necessary examination materials and be the exclusive source of examination books (blue books). Blue books shall bear the name of Willamette University, have space for name, date, examination subject, and the Honor Code Pledge. Blue books shall be available to the Faculty.
2. Students shall leave all unnecessary materials outside of the examination room.
3. Wherever possible alternate seating or alternate examinations shall be provided, particularly during final examinations.
4. The final examination period shall be extended so that in general not more than two examinations occur on any one day for any one student.
5. No examinations shall be given for at least five days preceding the first day of scheduled final examinations. This week is to be known as Dead Week.

An Honor Code Committee shall be established, with the following organization and responsibilities:

1. The Honor Code Committee shall consist of the nine members of the Judiciary Committee of the Student Body.
  2. The Committee shall elect a Chairman and a Secretary from its membership. Seven shall constitute a quorum. A recommendation of the Committee for disciplinary action shall require a two-thirds vote of those present.
  3. The Committee shall receive, investigate, and pass judgment on reported cases of violation of the Honor Code.
  4. Decisions of the Committee requiring disciplinary action shall be submitted as recommendations to the appropriate Dean.
- The College of Law has in operation an honor system which the above code does not displace.

## Caroline Cooper Taking Graduate Work in Religion

Caroline Cooper, who was graduated from Willamette in June, 1948, has enrolled in Scarritt college for Christian workers in Nashville, Tenn. She received her AB degree in psychology while on campus and is now taking specialized training at Scarritt college in church youth work.

Miss Cooper is affiliated with Delta Gamma and during her senior year was house manager. She took an active part in Wesley fellowship and was a member of Cap and Gown.

Scarritt college is an accredited co-educational institution offering the last two years of undergraduate study and granting the AB and MA degrees. The college provides specialized training for young people who are planning careers of Christian service.

Graduates of Scarritt serve as directors of religious education, missionaries at home and abroad, settlement workers, choir directors, YM and YWCA leaders, church secretaries, deaconesses, teachers of Bible in public schools and in other positions of social-religious leadership.

## Audition Deadline For 'Messiah' Set for Monday

At the first meeting of the Salem Oratorio society Monday, in preparation for the sixth annual presentation of Handel's "Messiah" December 12, it was decided to extend the final enrollment date for participants until Monday. At that time all students who would like to sing in the Christmas program are asked to attend. The practice sessions are held in Waller hall each Monday evening at 7:30 p.m.

Already a few of the soloists have been selected from the group and the complete roster will be published at a later date. In past years one or two soloists have been imported from distant points for the concert.

Organized and directed by Dean Melvin Geist, the group, which has grown in size and popularity each year since it was organized in 1943, numbered about 250 Monday evening. The University symphony orchestra, under the direction of Frank Fisher, will again participate.

## Dramatists Enter Final Week Of 'Mollusc' Play Rehearsals

By Mary Louise Lee

"Don't turn that way, you'll lose contact with your audience," says Prof. Edward T. Gibson, as the cast of "The Mollusc" goes into its final week of rehearsals. "The Mollusc" will be staged next week end, October 29 and 30, at 8:30 in the Salem high school auditorium.

A mollusc is a sort of clam that clings to rocks. A lazy person flows with the tide, but a human mollusc, such as Mrs. Baxter, Kathleen Scott, uses force to resist the tide of life. Tom Kemp, Carl Ritchie, sets out to cure his sister, Mrs. Baxter, of mollusery. Miss Roberts, Shirley Dean, is loved by Tom Kemp and very much admired by Mr. Baxter, John Brown. The four persons in the cast fit their parts very well, and the scenes are full of warm, genuine humor.

### Set to Match Mood

The set will be done in lemon and chartreuse to suit the cheerful mood of the play. Light woodwork and rich dark furniture, a fireplace, upstage alcove, and French doors looking onto a garden, complete the major points of the setting.

Publicity for "The Mollusc" is well under way with Harriet Ness in charge. Ray Loter and Ray Fedje are visiting the sororities with news and excerpts from the play, while Marion Spann and Bobby Meyer are visiting the frats. Ray Fedje will speak at luncheons given by Rotary and Junior Chamber of Commerce to publicize the play. Sheila Ryan, Bill Smith and Al Laue are planning publicity stunts for the school. Smith and Miss Ryan are to stand at opposite ends of the campus between classes and yell, "Hey, see the Mollusc!" They will also yell the why and wherefore of the play back and forth.

### Vote of Thanks

A vote of thanks goes to Jestten-Miller for helping with photographs of the cast. Properties will be handled by Margaret Guice and Jo Anne Estey.

Tickets will go on sale Monday at Miller's department store and the student body office. Some tickets will be sent to the high school. The price for students is 40 cents, for adults, 60 cents, including tax. In charge of tickets is Dorothy Wood, Ad-dyde Lane is taking care of the programs.

## Bearcat Cavern Called 'Tavern' By Milk Company

Virginia Hale, manager of the Bearcat Cavern, states that it has been mistaken lately for the Bearcat "Tavern" by the supply merchants of Salem.

The Mayflower Milk company, in particular, has been suffering with a case of mistaken identity, and thus has been charging more than the regular school wholesale price of milk on the assumption that it is a tavern.

However, Miss Hale has corrected the merchants and hopes it will be known as the Bearcat Cavern in the future.

## Tenor Carolan Now Singing On 5th Avenue

Michael Carolan, who graduated as a music major in voice at Willamette last year, is now taking advanced study under Mrs. Neidlinger, prominent New York voice teacher, it was disclosed this week by Melvin Geist, dean of the College of Music.

He was recently appointed tenor soloist at the Church of Ascension on Fifth avenue under the direction of Vernon deTar and will be singing tenor solos in the "Messiah" there this Christmas.

Carolan was a member of the a cappella choir and a tenor soloist during the annual tour. He is well remembered by the citizens of Salem as three-time soloist with the Salem Oratorio society during their Christmas performance of the "Messiah."

## Graves Rests In Own Yard

Dan Graves, librarian, is now on a three week vacation in his own back yard. During his absence, Thomas Gillies, assistant librarian, is in charge. Assisting Gillies are two clerks and nine student helpers.

Gillies stated that a number of new books on various subjects are now being catalogued and will be placed on the shelves in approximately three weeks.

## Scholarship Cited By Law School

Two awards were presented by Delta Theta Phi at the last Law school student body meeting. Those negotiable instruments called checks were given for the scholarships.

Roy Ross received the award for the highest freshman g.p.a. which was 3.69. James Bodie received a scholarship for showing the most improvement in scholarship.

Also discussed at the meeting was the informal Law school dance, October 19 at Woodry's Ballroom.

### Cat, Logger Grid Rivalry Recounted

The Willamette-Puget Sound game tomorrow afternoon will be the 28th in a long series that began back in 1911. In the many series since that time the Bearcats have won 18 decisions, lost seven and tied twice.

The first win came in 1911 when the beloved G. J. Sweetland saw his men crack the Loggers 39-0.

No games were played again until 1919 when "Matty" Mathews held the Cat coaching reigns. Two games were played under his tutelage and both were won, in 1919 and 1920.

The 1921 to 1925 period saw first Roy Bohler in '21 and '22 and Guy Rathbun lose four out of five games played. Bohler lost both of his tries.

Spec Keene who coached from 1926 to 1942 was able to rack up a 13 won two lost and two tied record.

Walt Erickson in 1946 and Jerry Lillie in 1947 run up the other two wins by respective scores of 7-10 and 14-0.

### "Battle-Ax the Lumberjacks"

Coach Jerry Lillie, Halfback John Slanchik, Guard Herb Johnsrud and Quarterback Bob Douglas haul out the Paul Bunyan ax in an effort to thwart this year's edition of the Puget Sound Loggers. From all reports the locals will need every ounce of the 125 pound trophy to stop the heavy northerners.

Sweetland field will be the scene of Willamette's 25th Homecoming battle and they are pitted against the tough Loggers from College of Puget Sound, at 2 o'clock tomorrow afternoon.

The CPS outfit, who led San Jose State for three quarters and were nosed out at the finish 20 to 7, will be out to hand Willamette its first homecoming loss since 1928 when College of Idaho turned the trick. The Loggers sport 14 to 0 and 34 to 0 wins over Whitworth and St. Martins in that order and a 6 to 6 tie with Pacific Lutheran this season.

## Jasons Sport 4-1 Record

The Bearcats themselves will be out to protect their four won and one lost record, including three straight wins, as well as their nonloss Homecoming record since 1928.

The contest will be a non conference affair since CPS dropped out of the Northwest loop in favor of Washington's Evergreen league. Rivalry between these two schools is traditional and since 1911 Willamette has racked up a record of eighteen wins, seven losses and two ties against CPS.

## Two Cats on Shelf

For the Lilliemens, Captain Gene Allison still has a cast on his ankle and will be out of action for at least two more weeks. Herb Johnsrud will miss his third straight contest because of a shoulder injury and Don Ranis, fullback, who was out of last week's UBC contest because of a leg injury, is a question mark for tomorrow's contest.

All is not bad news however as Bobby Douglas, hula-hipped quarterback, will be back in uniform for the first time in three weeks. His pass and defense work will greatly help the squad.

## CPS Squad Lists 21 Vets

The CPS squad with 21 lettermen strong will embark here to-

day. Their heavy line averages 203 pounds per man to Willamette's 196. The Loggers backfield, expected to be considerable faster than last year's sports speedsters Mel Light, Bob Robbins, Len Kalapus and Ray Spaulding whose weight averages 174 pounds to Willamette's 183.

## Center

First string center Chuck Patterson, a junior from Burlingame Calif., who will do much of the pivot work for the Jasons tomorrow afternoon.

# Jasons Subdue Stubborn Birds For Second Loop Victory, 21-7

By Dale Reynolds

Rebounding from a 7-all half-time score, Willamette's Bearcats staged a two-touchdown, last-half drive to win a 21-7 decision over the British Columbia Thunderbirds at Vancouver last Saturday.

In the aerial-conscious contest, all scores came on passes, and the Thunderbirds marked up their first counter of the '48 season.

## Jasons Break Ice

Willamette opened the scoring after one minute of the second

of the Birds, used the airways for 20 yards to Dave Story to cap a 60-yard drive. Hillary Wother- spoon split the uprights to even the count.

## Clabaugh Sets Up Score

The third frame opened with the Bearcats holding the Can- adians to downs after the kick off and gaining the ball on the UBC 49.

On the first Bearcat play Keith Clabaugh broke away for 34 yards to start a spirited drive that ended four plays later with a completed Burleigh to Roy Har- rington pass for five yards and the TD.

## Aasen Interception Sparks Drive

The Jasons scored again in the final period ten plays after Don Aasen, Cat end, recovered a fumble on the opponent's 43.

The touchdown play was a 25 yard pass via the Burleigh-Har- rington combination. Minn scored the third of his three conversions to push the Bearcats ahead 21-7 at the final gun.

## Mural Tennis Play Begins

The long awaited intramural tennis ladder was posted in the gymnasium last Wednesday as old Sol finally decided to come out of hiding. Headed by letter- men Dave Bristow, Bill Bonning- ton, Ray McCoy and Al Miles, the ladder has sixteen men list- ed, with room for more if others wish to sign up.

Each racquet wielder listed may challenge the man above him on the ladder, and, if he is the winner, will move up a notch. Play will continue all fall, with matches being played whenever the contestants can get togeth- er and whenever the weather permits.

## Beetle Bums Post Upset

Flashing a speedy, power- packed attack the Freshmen Beetle Bums provided the most startling upset of the intramural league to date by pasting the previously unbeaten senior crew, 38-22, in last Wednesday night's hoop activities.

All the Beetle Bums were hit- ting consistently with Al Bel- lenger high man for the night with twelve markers. The win- ners led 19-12 at halftime and held a commanding lead through- out the last stanza.

The Frosh Aces took the sec- ond game on Wednesday's sched- ule by whipping their Fish class- mates, 35-28, with Jerry Cran- dall leading his team with four- teen points.

## Scrivens Stars for Sophs

Lou Scrivens canned two quick ones in the last minute of play in the second game on Tues- day to lead the Sophs to a 24 to 20 win over the Freshman Mus- tangs. In the first game, marred by flaring tempers, the Beetle

Bums crushed the Juniors, 32-24.

The Freshman Mustangs threw a scare into the league leading Seniors in Monday's first intra- mural tilt, but faded in the sec- ond half with the Seniors com- ing out on top, 29-14.

Monday's other game saw the Sophomores sweep to a 25-15 win over the Freshman Aces, de- spite a second half rally on the part of the Frosh.

## Fullback

Another Burlingame star, fullback Don Ranis came to the Cats this fall in time to wrangle a first string berth for himself until injured. He is expected to play tomorrow.

## Left Guard

# Sports Orbit

by Oakes

A welcome mat is herewith extended to all Willamette U grads returning to the old haunts today and tomorrow for the Bearcat school's 25th annual Homecoming. We sincerely wish a joyous reunion among you all and also wish that we could guarantee a win tomorrow afternoon.

However, Puget Sound will have something to say about that. And from advance indications that something may be plenty. Blessed with 21 returning lettermen and a new coach, one John Heinrich, the heavier Loggers boast a two won, one lost and one tied record against competition this year as against a four won, one lost record for the 'Cats.

If Willamette's showing against UBC last week is any indication, the 'Cats will have had to improve a lot in the last week. The game, termed by Guard Art Beddoe as "the worst we have played this year," ended with a surprisingly close score of 21-7 with the 'Cats having to exert themselves to pull it out of the fire after a 7-7 first half. We hope the outcome will be favorable to the home crowd, but with these factors stacked against us we can guarantee no win.

## Lewis' Cat Basketball Future Rosy

This little squib isn't intended as a football distraction, but we bet our socks that Basketball Mentor Johnny Lewis can hardly wait the coming of this year's casaba season what with nine returning lettermen and a host of promising freshmen and transfers.

Included among the lettermen are four first stringers Jim, Bob and Ted Johnson and Bob Warren. Dick Allison, Bruce Barker, Pete Bryant, Bob Baum and Bob Douglas are the reserve lettermen.

Ted Loder, Milwaukie high flash, Reg Waters, Washington J.C. hoopster, Hugh Bellinger, Salem high all-state guard, Gordy Lenz, all-city at Grant high in Portland, and Lou Scrivens, ex-Franklin high star, are a few of the bright-boys who've been looking good in the class hoop tourney the past two weeks.

## Post Spanks Football Practices

Wonder just what interpretation the Saturday Evening Post will give the comparison article on Willamette-University of California football next month. They sent out copies of an editorial termed "Football's Dirty Linen Sometimes Shows" to appear in the October 23 issue. The editorial and another article in the same issue, "Football Fans Aren't Human," cracks at "football factories" which make hypocrisy's out of universities dedicated to "build character," and the forces behind these results, the Post terms prevalent.

## Harrington Last Week's Star

Man of the week up at British Columbia last Saturday in our estimation was Roy Harrington diminutive halfback who snagged two important passes in the last half to spell victory for our Jason squad.

Roy wasn't going on the trip up to the night prior to en-training for Vancouver. However, he decided to make the trip despite getting a severe bump on the noggin in the previous Coyote tilt and scored two touchdowns, both on passes from Quarterback John Burleigh.

## Left Tackle

One of Willamette's certain candidates for an all-conference berth this year will be rugged Bill Kukahiko, starting left tackle. Hailing from Hawaii the one-year letterman is in his sophomore year at the Bearcat lair.

## Jayvees Trek to Reed Today; Trample Pacific Quakers, 13-0

Willamette's Bearkittens, successful in two out of their three starts, will rate as top-heavy favorites this Friday at 3 p.m. when they travel to Portland to tackle Reed College. Coach Ambrose D'Eagle will take about 30 boys on the trip to engage Reed's varsity.

The Jayvees got back on the win trail last Saturday afternoon after losing to Linfield the week

before, topping the Pacific College varsity 13-0.

The Bearkittens had to combine a spirited defense with their offense to top Pacific, being forced to stop the home-townners just six inches from paydirt on one occasion.

In the 2nd canto, however, the JV's had marched 65 yards to a score with halfback Jeff MacRae going around right end from twelve yards out for the six points. The long drive was sparked by the passing and signal calling of Phil Taliaferro, quarterback.

When Pacific started to drive, the Bearkittens, catching fire from John Markoskie, center, and Chuck Mary, end, rose up to successfully defend their goal posts.

A 3rd quarter Kitten score came after a 45-yard march downfield which was capped by Millard Bates' thrust over from the five. The Kittens added the extra point to make the final score Willamette 13, Pacific College 0.

## Right at Home, C. P. Bishop Home Presented Seeck Tells Collegian For Presidential Residence

Do you feel blue? Are your friends deserting you? Then come to third floor Waller and see George C. Seeck, the new professor of psychology from Iowa State college.

The genial professor, from the state where the tall corn grows, likes Willamette university's school spirit and evenly balanced social and academic program. He feels right at home in Salem because Oregonians and Iowans are very much alike, and says that teaching is much the same here as it is in Iowa schools.

At the present time, Seeck and Prof. Charles H. Derthick are busy organizing the department and getting the "work in good shape."

Seeck is a family man, with two children, ages seven and ten, attending Washington school in Salem.

He likes to fish and hunt, and is very interested in photography, spending much of his spare time making motion pictures.

## Genuine Bear Backs Rooters In CPS Tilt

A full-size, real live bear is expected to help win the Homecoming football game for Willamette tomorrow, Scotty Washburn, bear arrangements chairman, told the student council this week.

The bear, for which the student council provided an appropriation for a harness and transportation, will be brought here from the Hubbard zoo for the Homecoming festivities.

"The harness is necessary," Washburn told the council, "to prevent the bear from getting over-enthusiastic during the game, and the transportation is necessary for men as well as for the bear."

The Court street home of the late Mr. and Mrs. C. P. Bishop has been presented by the members of the Bishop family to Willamette university to be used as the residence of the president of the University. The executive committee of the board of trustees announced that the property will be known as "The C. P. and Fannie K. Bishop Home, Residence of the President of the University."

In establishing this permanent memorial to Mr. and Mrs. Bishop, Roy T. Bishop of Portland advised the board that an endowment fund had also been created to provide for improvements, repairs and maintenance of the property.

The terms of the gift specify that if, at any time, commercial developments should make the particular location of the present property unsuitable for the residence of the president of the university, the property could be disposed of and the proceeds invested in another presidential residence to bear the Bishop name as a memorial.

Mrs. Bishop Textile Expert

Mr. and Mrs. Bishop were two of Salem's most distinguished citizens. Bishop was born in California, but came to Oregon in 1855. In 1876 he married Fannie Kay, daughter of Thomas Kay, a textile manufacturer of Brownsville, Oregon. Mr. Kay trained his children in the woolen mill operations, and his daughter Fannie assisted her father and became well versed in the process of manufacturing.

Following their marriage, Bishops went to Crawfordsville, Oregon, in 1878, where they started a general store under the name of Glass and Bishop. From 1884 to 1889 Bishop had a clothing store in McMinnville. In 1889 the Bishops came to Salem and with Thomas Kay and S. Farrar, organized the Thomas Kay Woolen Mill company. In 1891 Bishop bought the Thomas Kay Woolen Mill store, which in 1927 was renamed the Bishop Clothing and Woolen Mill store. Early WU Board Member

Mr. and Mrs. Bishop were long time, devoted friends and benefactors of Willamette university. Bishop was for many years a member and officer of the board of trustees of the University. He had the direct responsibility for

the Booth loan fund for Willamette students.

Mrs. Bishop was always interested in the activities of the campus and her home was open to campus organizations and became the setting for many University social events.

At the time of Bishop's death in 1941, Bishop Baxter, then president of Willamette university, spoke of the pride and joy which Mr. and Mrs. Bishop had in their home.

He also spoke of their pleasure in their services to Willamette university.

The joining of these two interests serves to create a most appropriate memorial—"The C. P. and Fannie K. Bishop Home—Residence of the President of Willamette University."

## French Students Go to Portland To Glimpse Film

"Mais oui, that was a wonderful show", sleepily muttered approximately 70 French students as they climbed off the chartered busses that had taken them to Portland's Guild theatre to see "Beauty and the Beast."

A genuine French production starring two famous Parisian actors, Josette Day and Jean Marais, the film was a free adaptation of the old children's fable by the modern European poet and playwright, Jean Cocteau.

Prof. George Hocking of the language department arranged for the Thursday evening trip. According to Marion Morange, associate professor of French, it is the hope of the department to include other language classes in future trips.

## Vote on Yearbook Budget Upheld by ASWU Council

Petitions to place the Wallulah price rise issue on the ballot again were submitted to the student council this week by several groups of students. The council, however, believes that the issue has had ample explanation, at least two ballots, and therefore should not receive a third balloting.

The petitions submitted explained that many students did not understand the wording of the proposals as they appeared on last week's ballot. Most of the petitions supported the defeated proposal, that of charging each student \$2 plus his student body card for his copy of the yearbook.

Because the editor of the year-

book cannot budget correctly if there is any further delay through another election, the council resolved to uphold last week's election. Each student, under the winning proposal, would be charged \$1 plus his student body card and each organization wishing group pictures in the publication would be charged at the rate of \$20 per page.

The winning proposal won last week by a vote of 388 to 287 which was almost identical to the vote on the same proposal during registration week.

Several council members proposed that the student body rate be upped to cover the higher cost of the Wallulah in future years.
