**Willamette
Alumni Bulletin**

JUNE 1925

Interested Alumnus:

Willamette greets you for its Eighty-first Commencement.

Alumni business meeting Tuesday, June 9th at 1:30 p. m. Alumni dues \$1.00.

Alumni banquet Tuesday, June 9th at 6:30 p. m. Reservation \$1.25 per plate.

Join us in honoring the classes of 1875 and 1900.

The above is our annual letter. This year we have added a bulletin. We hope you will read and enjoy it, and assist us to publish a better one next year. However, this requires money. To this end we have established the Honor Roll, which composes those members who pay their dues for five consecutive years 1925-30. Just think, there are about 1000 Alumni, and only an average of 100 pay their dues. Will you join the Honor Roll?

Other Alumni associations have large programs. So can our Willamette Alumni Association be an organized unit. Send your check now, while the association message is before you.

Sincerely,

EXECUTIVE COMMITTEE.

Willamette Alumni Bulletin

PREFACE

Since all publications seem to require a preface, we are complying with the regulations and furnishing one for this bulletin.

Before we tell you anything about the errors in it we should like to explain its purpose and scope. We have not tried to give a complete biography of the alumni as was the case in the Willamette "Who's Who" of 1920, but rather have tried to give the present address and occupation of those included.

Anyone who has undertaken a work of this kind will understand the difficulties which have beset us. It was impossible to write to every individual so we have tried to get the information through friends and relatives. There are many errors in this book, many omissions, and if you are displeased enough with it perhaps you will let the trustees know that Willamette is now large enough to support an alumni secretary who will keep in touch with the graduates and ex-students and also keep them in touch with Willamette. If we can only get an alumni secretary this compilation will not have been in vain.

If any of you can furnish any late information about our alumni for next year's bulletin please consider it your duty to send the same to Mrs. Frances Pohle Utter, or better yet, give it to her when you come back for commencement which will be held June 10, and which we hope every one of you are planning to attend. For how else can you keep in touch with one another and your Alma Mater unless you do visit its campus at least once a year. It is never so beautiful as in June, so plan to see it at its best, June the tenth.

Sincerely, Lola Cook Bellinger,

It is impossible for us to thank all of those who furnished us with material but we should like to mention particularly the Moores Brothers, Peter D'Arcy, Professor Matthews, and Helen Wastell Winters.

Sincerely,

THE EDITOR.
