

Drama to Thrill Audience Saturday Night at 8:30

High School Auditorium is
Scene of '34's Production
of Shakespeare

Saturday night will bring the culmination of many hard and strenuous weeks of constant practices for the cast of the Junior play "As You Like It" by Shakespeare to be presented in Salem high school auditorium at 8:30 o'clock. The play, which will be given as the final activity of the annual junior May weekend on the campus, is the most difficult production which Willamette has ever produced. However, H. E. Rahe, head of the speech department and coach of the play, is confident that with his cast of well trained actors, he is going to produce a play which will cause much discussion long after Saturday night.

Miss Kathleen Skinner assumes the role of Rosalind, who so ingeniously disguises herself to escape an enraged uncle, and wandering in the Forest of Arden encounters her lover Orlando, portrayed by Earle Potter. Amusing scenes follow, enriched by good character portrayal and historic interest.

Touchstone and Audrey, Shakespeare's immortal clowns, portrayed by Paul Hauser and Dorothy Dalk will furnish laughs in every line they speak in "As You Like It."

The play gains an imperial air by the presence of Duke Frederick, portrayed by Evans Hamilton, and Duke, Senior, Waldo Mills.

Others carrying important roles are Savilla Phelps as Celia; Bill Lemmon, Oliver; Laurence Brown, Jacques; Ralph Foster, Amiens; Bill Moser, Adam; Laurence Yarnes, Carin; Amelia Schrack, Phoebe; and Frank Haley, Sylvius.

Supporting characters are Chester Banta, Max Taggart, Tom Goynne, Carl Felker, Louis Magin, Earl Henry, Bob Magin, and Leonard Quiring.

A clever feature will be the quartet numbers sung by Earl Henry, Bob Magin, Louis Magin and Ralph Foster, who will give a number of the famous songs of the play.

The general ticket sales is in charge of Ben Briggs and has been held for the past several weeks through the mail, while last Friday saw the start of the Salem sale.

Professor H. E. Rahe has been assisted in his coaching by Miss Virginia Durkee, assistant director and senior scholar in speech.

ARNOLD, BURDETTE "SLINGA DA INK"

Sprinkled with dots and crosses, but nicely drawn on a large sheet of heavy paper was the term "theme" handed in by Esther Arnold and Laurence Burdette. The chart, about 3' by 4 1/2', shows the mineral positions of nations in relationship to each other regarding 14 metals and 19 non-metals.

The finished chart, which may be seen in Dr. Laughlin's office, is the term project for Miss Arnold in geology and Mr. Burdette in sociology. An accompanying manual compiled by Mr. Burdette explains the chart and gives statistics.

All Hail! The Queen of Coaches Now Approaches

"—the Queen of Coaches, all hail, all hail." So it would seem that the heralds sing as they "goose-step" along to their own singing in heralding the queen. Very few persons have ever discovered the right words to the Herald's Song until they chanced upon a song book and read them.

The heralds this year, Al King, Maurice Dean, Ralph Barber, and Bob Mayne, wish it to be understood that they are singing "the Queen approaches" and they insist that it detracts from the esthetic value of such a beautiful number to be misunderstood into singing "the Queen of coaches," or the first quoted line above. Thus, it is in the interest of puzzled Bearcats that we print the correct words to our Herald's Song.

Biology Students To Visit Newport

Marine Gardens, Yaquina
Lighthouse on Schedule
for May 12-13 Trip

Friday afternoon, May 12, after all laboratory classes are over will find about 50 biology students packed in private cars mid coats, sweaters, suit cases, and what have you, on their way to Newport for the annual biology coast trip. It is necessary for all students wishing to take this trip to pay the fee of approximately \$4 to Professor Monk before leaving Salem.

Aby Hotel will be the headquarters for the group during their stay which will be from Thursday evening to Saturday afternoon.

Professors Monk and Peck, who are accompanying the group have arranged a very full and interesting schedule for the trip. The marine garden at Yaquina Head Lighthouse will be the first place visited. This visit is scheduled for Friday morning. Friday afternoon will find the group among the sand dunes studying the peculiar kinds of plant and animal life known only to that region. It is yet undecided as to whether Saturday morning will be spent visiting the marine garden at Seal Rock or in making a trip to the Punch Bowl.

Saturday afternoon the tired young scientists will pile into cars and begin their homeward journey, with possibly an interruption for a stop at Depoe Bay for a visit to the large aquarium located there.

Burt Cray will serve at least four beach meals to the members of the party while they dig mid sand and water for specimens.

STAGE SET FOR EXIT OF SENIORS

Tentative plans for the complete Commencement schedule set for June 17-19, with the exception of final decision on the place of exercises, were released from the office of President Carl G. Doney yesterday.

A meeting of the Board of Trustees, to be called sometime before May 15, will make official selection of the scene of the concluding program, Monday, June 19.

A good deal of discussion has centered around this problem of where to graduate the seniors, and several proposals have been suggested. Much student expression has been reported in favor of an open air arena for the occasion—the lawn in front of Waller—with the gymnasium a second choice in case of rain. This is the proposition favored by the faculty.

An added feature of the program this year will be the conferring of the degree of Doctor of Science upon Professor James T. Matthews, class of '89. Prof. Matthews, who for 42 years has been serving as a Willamette faculty member, will also give the Commencement address.

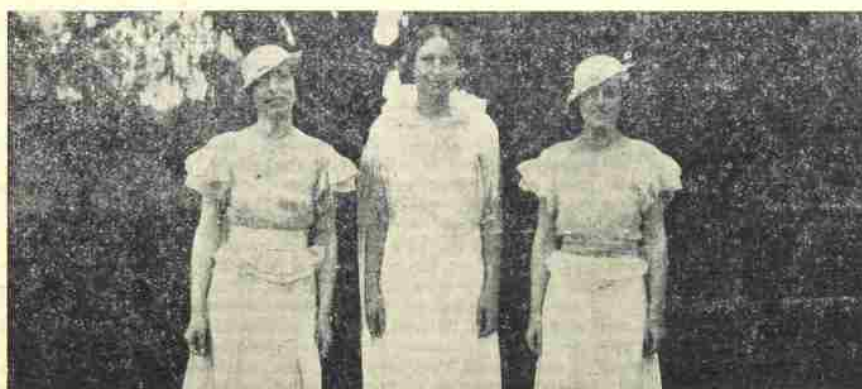

Information as to the type and time of appearance of the Senior announcements is still withheld, but a class committee has the matter in hand.

The flowers for the Senior women's Coronation march on May Day will be arm bouquets of pastel tulips, according to Beulah Cramer in charge of the committee.

Following is the tentative Commencement program:

Piano Quartet to Play in Portland

Local Artists Figure Promi-
nently in National Music
Week; Recitals Soon

On Friday afternoon, May 12, a double piano quartet consisting of Helene Price, Frances Laws, Elizabeth Boylan, Charlotte Hill, Lois Plummer, Lois Burton, Marcia Brown, and Robert Reed, all of whom are students of Miss Frances Virginia Melton, will present the "Second Arabesque" by Debussy, at a National Music week program to be given at the Meier and Frank auditorium in Portland.

For the following Saturday afternoon, May 13, Marjorie Wunderlich and Lois Burton, both of whom won first place in the Federated Music club's contests given in Portland two weeks ago, have been invited to play in another National Music week program at the same auditorium.

Several others of Miss Melton's students who won high honors in the local piano contests during the last three weeks, will participate in various concerts given here in Salem during National Music week.

While these various "piano virtuosos" are getting ready for National Music week, other students of Miss Melton are working hard for their recitals which are to be given at Waller hall, according to the following schedule:

May 29—Frances Laws, Senior Recital; June 6—Marjorie O'Dell, Senior Recital; June 8—Elizabeth Boylan; June 12—Joint Recital of Robert Reed and Lois Burton.

CLARK GIVES GROUP TIPS ON MARRIAGE

Two topics proved of interest to the Wesleyans at their meeting Monday, May first. The first was Professor Herman Clark's talk on "Choosing a life partner and making a success of married life." He told characteristics to look for and characteristics to avoid in looking for a mate, and stated that fusion of personalities was necessary for success in marriage. This discussion, according to the members, was helpful and entertaining.

The second topic of interest was the picnic to be held soon, for which committees were chosen to make plans. Ed Rounds, Olivia DeVries, and Milo Rose are on the entertainment committee, and Edward Aschenbrenner, Harriet Sanders, and Martha Jane Hottel are on the refreshment committee.

BURDETTE IS CHOSEN PREXY FOR 1933-34

Schreiber, Franz, Skinner
Elected; Young and
Eddy Editors

Thursday's elections mark the beginning of a new regime in college affairs. Jim Burdette was chosen by the student body for its president for 1933-34, with Ruth Schreiber to take the chair in his absence and also to manage social gatherings. Edward Franz, as second vice president, will have the job of holding elections next year. Kathleen Skinner was elected secretary at the first balloting, and hers will be the task of keeping minutes.

The two editors selected are Reo Young, Collegian, and Lowell Eddy, Wallulah editor. Mr. Young was also elected last week.

One of the most important duties of the new officers comes in the form of the executive committee. This committee consists of the student body officers plus a member from each class and a faculty advisor. Questions of importance come before the committee, and many office holders feel that their voting power on the committee constitutes the greatest responsibility of their office.

Student body officers for this year are: Walter Erickson, president; Alvis Love, vice president; Percy Sweet, second vice president; Louisa Sidwell, secretary; Lois Wilkes, Collegian; and Carl Macey, Wallulah.

Music Contest Won By Queen Bernice I

May Fete Ruler Brings Fame
to W. U.; Josephine
Albert Also Wins

Bernice Rickman won first place in her division of the contests sponsored by the Oregon Federated Music club at the Benson hotel in Portland, April 28.

Miss Rickman sang in the student musical class, and received a silver cup as a trophy. Each community of Oregon is allowed one entrant in this group, and Miss Rickman represented Salem.

Her next appearance will be in the district contest which is to be held in Seattle sometime during the first few weeks in May. The winner of the Seattle contest will go to Chicago to enter the finals.

Miss Josephine Albert, who is a graduate of Willamette entered one division of the contest and won in her part. She, also, will participate in the district contest to be held in Washington.

Hear Ye! Hear Ye! Exec. Committee Appoints Managers

Word comes from ASWU president, Walter Erickson, regarding a number of important student body appointments and tryouts scheduled for the next few weeks.

A special student body election on the proposed amendments to the ASWU constitution will be called some time next week, date as yet undetermined. At this time the much-debated Wallulah cut will come to vote.

Collegian and Wallulah managers will be appointed by the executive committee on or before May 15. The student prexy urges all aspirants for these positions to notify some member of the committee, in order that due consideration may be given all candidates. Another appointment, that of football manager for the coming season, is also to be named before the end of the school year.

Awards day is on the program for Friday, May 19. At this time the newly elected student body officers will be ushered into office.

Tryouts for song queen and yell king with his crown prince will be announced by Midge Hewitt, with election to follow a week later.

Sr. Sneakers Steal Away to Seashore

Surf Bathing, Baseball, and
Crary's Cooking Lend zest
to Beach Spree

The seniors had a wonderful time at Nelscott on Monday, April 24. Officially the picnic started at quarter to six on Monday, but according to "Babe" Jackson it really began on Saturday morning, for approximately half the class spent the week-end at the coast. Louisa Sidwell was chairman of the food committee and Hurl Cray had charge of the three meals.

Everyone was entertained in one way or another, either by going swimming and wading in the surf or by teasing the sea anemones, building bon fires, playing baseball, and strolling up and down the beach. Logs were used for everything—not quoting Miss Jackson this time.

The chaperons were Dr. and Mrs. Jackson, Dr. and Mrs. Alden, and Miss Lois Latimer.

FAMOUS ALUM RETURNS

Willamette welcomed the return of one of her famous alumni of over 30 years ago Thursday, April 27, when Bert Haney, now a prominent member of the legal profession in Portland, returned as a chapel speaker.

Mr. Haney told the students that education was not an end in itself, and emphasized the necessity of good citizenship.

May Weekend Activities Start Tonight; Elsinore

Blue Key Elects For Coming Year

Officers and Members Named
for Upperclass Service Organization

At a special meeting Tuesday noon Blue Key, service fraternity, passed important resolutions concerning May Day. The members request the full cooperation of the students in carrying them out. Blue Key will assist Ray Rhoten in taking May Day guests to the institutions and points of interest in Salem. Blue Key also asks that in accordance with the tradition which has always held at Willamette, audiences at the May Day exercises will stand during the entrance and exit of the Queen and her Court. The third resolution passed concerns the cleaning and rearrangement of the bulletin board in Eaton Hall and the regulation of announcements in chapel. Enoch Dumas is in charge.

Officers for the ensuing year are:

President, Eugene Smith; vice president, Percy Sweet; secretary, Jim Burdette; treasurer, Frank Haley.

Nine men were elected to membership in the organization and will be initiated at an impressive chapel service in the near future. The new members are:

Jack Simpson, Galen Dean, Melvin Zahrlly, Lowell Eddy, Claude Cooke, Louis Magin, Arthur Erickson, Ross Knotts.

RAHE IS OFFICER FOR OREGON SPEECH

Prof. Herbert Rahe, head of Willamette's Speech department, has been elected secretary-treasurer of the Oregon Speech Association, which held its Third State Speech Conference in Portland, April 28-29. Officers elected for the ensuing year are: President, Miss Grace Bridges, Portland public schools; vice-president, Miss Virginia Mason, director of dramatics at Woodburn high school; sec-treas., Professor Rahe, who presided over the general section of the conference Saturday.

The Oregon Speech Association is an organization devoted to the interests of elementary, high school, and college teachers of speech in the State of Oregon. According to reports it is highly probable that the next conference will be held on the Willamette campus next Spring.

Choir Practices For Gerschkovitch

Portland Junior Symphony
Head Directs Philhar-
monic Singers

The Philharmonic Choir is enjoying a series of practices under Mr. Gerschkovitch and his Salem Philharmonic orchestra in preparation for the concert to be given May 22.

Mr. Gerschkovitch is an interesting character, with a delightful accent, and startling methods of conducting a rehearsal, as the choir is finding out. Fortunately for members of the choir Mr. Gerschkovitch has an excellent opinion, so far, at least, of the choir and its work, and says that next year bigger and better things will be attempted by the two organizations.

He says that our choir is making Salem musical minded and is well-known throughout this part of the country by its broadcasts and trips.

The choir is eagerly awaiting its next rehearsal, though somewhat in fear and trembling. But there's one consolation, sooner or later each person gets his, and a year from now nobody will remember it anyhow.

BIG SISTERS CHOSEN

Y. W. C. A. Big Sisters have been chosen for next year and the list will be made public as soon as the individual girls signify their willingness to be a Big Sister. The girls, who are mostly freshmen, will be consulted personally.

Breakfast, Tennis, Lunch, Coronation, Baseball, and Play, Tomorrow

Willamette Nite at the Elsinore Theatre will start the official May Week-end festivities at 9:00 o'clock when the audience will be lead in singing by Midge Hewitt with Bob Magin at the organ. Following this the Philharmonic Choir will sing and the prize-winning Junior skit of the Bearcat follies will be again presented. The stage show will be finished by that inimitable group, the Pop Eye quartet.

Saturday morning at 7:30 the breakfast starts at Chresto if the weather permits; if not, Lausanne Hall will be used. The cost will be twenty-five cents and tickets are being sold by girls on the campus. The menu this year is exceptionally large and attractive according to Edith Sidwell, manager of the breakfast. Second helpings will be available for all and an abundance of tables will guarantee fast service.

The penitentiary will be open to sight-seers at 9:30 through the cooperation of the warden. At 10:00 o'clock Willamette will clash with the Linfield net men on the campus courts.

Closing the morning will come the historic Tug-o-War at the traditional location where either the freshmen or second-year men will leave their native habitat and prove their abilities at aquatic sports.

At 12:00 the well-known free lunch will be served to everyone. Chresto will be the scene of this satisfaction of appetites by potato salad, ham sandwiches, chocolate, and date tart with whipped cream. Frances Stewart has charge and Cray will cater.

The main event on the program will follow at 1:30 when Queen Bernice I will be crowned and the May Day dances presented for the public in general.

Baseball is included on the program at 3:30 when Linfield again meets Willamette, this time with bats instead of racquets. Sweetland field will be the scene of the struggle.

Ending the two-day activities will be the junior play given in the high school auditorium at 8:30. Admission to this production of "As You Like It" will be forty cents for all reserve seats.

Chosen Five Plan Next Year's Work

Cap and Gown Busies Self
With Drawing Up Con-
stitution and Rules

Cap and Gown, Willamette's newest organization, is perfecting plans for the constitution and working out the procedure to be carried on by next year's group. The new members will be chosen before Commencement, and they will carry out campus projects. The charter members are devoting their time to organization, leaving active university work to be undertaken by the Cap and Gown women of '34.

The charter members, recently installed in a chapel ceremony, are Brenda Savage, Mildred Miller, Elizabeth Bishop, Louisa Sidwell, and Harriet Adams. A correction should be made concerning a statement in the former write-up of this group in which it was said that all five members are senior scholars. Four of the women are scholars in their major department, but Miss Bishop is a pre-medics student, having been admitted to University of Oregon medical college at Portland for next fall, and she is not senior scholar in chemistry, as the article stated.

COPY NEARS COMPLETION

The last copy for the Wallulah will be sent to the printers after May Week-end. Pictures and news of May Day will be sent at this time. As soon as the printing is completed, the Wallulah will be ready for distribution.

HALL WILL HAVE RADIO

A radio for Lausanne Hall is fast becoming a reality. The girls have made plans for buying a radio, and are now deciding on the most suitable kind for their needs.

"WELCOME GUEST, AND HOW-DEE-DO—"

Another May Day brings another group of guests to the campus, another class of seniors one notch nearer to "Farewell Willamette", and another manager and workers who are tired but happy when all is over.

May Week-end is a mixture of gay affairs and sober reminders that Commencement is nearly here. It climaxes weeks of work and careful planning, from the informal program of Friday night to the lunch, dances, and play of Saturday. Its finish marks a beginning again of the regular routine of study.

Guests, Willamette has worked hard to prepare the festivities of this week-end and we hope you enjoy your stay here and will return next fall to take up your share of our college activities.

The five hundred-odd students of the university yesterday singled out a half dozen individuals to lead them through the coming year. To these half dozen we would like to pin some of those Be-kind-to-the-animals signs that are posted in 2008.

That brave group are perhaps to be given condolences rather than congratulations. It is a great honor to be given an office, but "uneasy lies the head that wears the crown." No joy can equal that which comes to a group leader when success is his, but nothing could be more discouraging than to have lack of cooperation.

The officers should not have the entire burden of college affairs, but every student should take an active interest in everything which goes on. You are members of the student body, and as such it is your duty to cooperate in the university's plans, be it in lending your voice during football season to voting intelligently upon amendments.

Too many students allow too few students to run the school and then grouch around about the way campus affairs are conducted.

Students, you have elected your officers, now you are elected to help them.

Were we Will Rogers, we might remark: "Spring is here with poems and bath-tubs," but because this is our particular college we can catch the entire atmosphere of the coming of spring to this campus by taking a look at the chapel steps any sunny day.

Choir Chaperone Music Instructor

Miss MacHirron in School of Music Graduate of Chicago

Miss Helen MacHirron, who is the theory instructor of the School of Music, had her training at the American Conservatory of Music, Chicago. She has been an active student ever since, and carried on her music education in New York and Chicago, and since her advent to Salem. Miss MacHirron is very progressive in her methods and knowledge and sympathetic to the needs of her students.

Miss MacHirron has been in Salem seven years, two as music instructor at the School for the Blind, and five at Willamette. Last summer she was chaperone to the Philharmonic Choir on its trip.

Among her classes are the Sol-feggio courses, which are to develop ear-training and sight-singing; the Harmony courses; Theory of Music, Form and Analysis of Music, Counterpoint, Public School Music, and charge over the music practice teachers. A new course which has proved very popular in the Liberal Arts, as well as the Music School is the Music Appreciation Class, a one-hour course, which was instituted this year. This semester about 45 are enrolled in the course. This year there are 69 students registered in the School of Music, 20 of whom are taking music only, and most of these have work with Miss MacHirron. Of course, all music courses, except applied work, as piano and voice, are open to all Liberal Arts students without extra fees.

About \$75.00 worth of the best phonograph records as selected by Miss MacHirron, were made available to the students for their entertainment and study, this year. Together with those already on hand, the Music School now has a fine collection.

REED COLLEGE PLAY DAY ATTRACTS COEDS

With 145 girls from eight colleges participating in the Play day at Reed college Saturday, April 29, the affair was termed an outstanding success. Girls came from Oregon State college, University of Oregon, Linfield, Pacific university, Pacific college, Willamette and Reed, Willamette and University of Oregon had the most representatives, each having twenty.

The first event of Saturday was the segregating of the girls into play groups, in which they stayed the rest of the day. When they played various sports; badminton, volleyball, baseball, soccer, and tennis, and also went swimming. Before lunch, the girls were taken on a tour of Reed campus, then they had lunch at the Commons. There each president of the various W.A.A. organizations gave a short speech, and each college presented a stunt.

The girls coming from Willamette were Esther Arnold, Isabel Morehouse, Mildred Draper, Mary White, Katherine Earle, Anoka Gates, Mary Hazard, Josephine Anderson, Janet Well, Dorothy McDonald, Wanda Landon, Esther Black, Esther Gibbard, LaForest McDonald, Seiko Watanabe, Marie Fair, Hortense Taylor, Margaret Wells, Mildred Miller and Miss Currey.

Mildred Miller, Willamette's W. A. A. president, was enthusiastic about the success of the play day, stating that it was helpful and interesting for the girls to get acquainted with others, and to play with others.

CAMELS DISCUSS PLAN FOR CHAPEL PROGRAMS

The Prohibition club has completed plans for a series of chapel talks by members of the faculty on some of the phases of the prohibition question which are pertinent but not always considered in studying the prohibition problem. Plans for posters were also discussed.

THE WHISPERING CAMPAIGN

This week's fable:

"Oh, the glad May morn
With its rosy light is breaking
O'er the hills so lovely and fair,
Etc., fra la, la, la!"

You want to be sure and take in the May dances and see Carkin gracefully gallop around the pole (May pole, not north pole, although if we had our way he'd be trotting around the north pole, slapping the Eskimos on their backs and pestering them by being just his sweet, natural self.)

Another event you don't want to miss is the May morning breakfast with Cray presiding at the stove. We're reminded of last year's celebration when a hobo, heading across the corner campus toward the railroad tracks, smelled the coffee at Chresto. He came around to the front door and asked, "Please, could I have a cup of coffee and a roll in here?"

The bashful doorkeeper answered, "I guess we can give you some coffee but you had better go somewhere else to roll."

Note: I'll gladly pay you Tuesday for the roll I have today. You bring the roll.

We were told that if we had the May fete in the front yard we would ruin the nice green lawn. That's funny! We didn't know that dandelions were so delicate.

Brenda Savage tells us that a couple of years ago, when Dr. Laughlin was making his survey of the ancestors of W. U. students, a sociology student in recording nationalities put Brenda Savage down as one-eighth Indian because her grandparents hailed from Indiana. We knew that she was half Savage without looking up her past.

The weather we have been having causes us to send up a pious hope that the person who appropriated our umbrella is getting enough use out of it for his (her) efforts.

We read a recent society item which said: "sang 'I love you truly'." Sounds to us like a wash-out.

Bill Shakespeare (in *As You Like It*) took the liberty to put lions, palm trees, and other plants and animals temperate and temperate in the forest of Arden. But Prof. Rahe has taken greater liberties than that. He has put the whole forest of Arden in the little theatre. "The more fool I."

We think there's a word of comfort due the defeated candidates. Remember, now it's us and Hoover.

Definition: A catalyst is something which aids the swiftness of a chemical action.
We guess we need a catalyst to help us learn chemistry.

Bliss is ignorance. Speaking of Jerry Sherman, et al, we'll bet that if a survey were made of the intelligence of the red-headed men on the campus, the results would be far different from what they were for the women.

Mudslingers Receive Honor!

Vernon Bushnell tells us that the organic chem. lab decided to protect the choice of Rosa Festival queen recently made in Portland, and sponsor a movement to split the queenship between us Mudslingers. Ah, at last the "signal" honor which we have long deserved is in our grasp!

And now we must pick our court. Since Phil Armstrong originated the idea, we'll make him one of the flower girls. Can't you vision him tripping along in half-socks and gaudy frock, daintily clutching a flower-filled basket?

Further plans will be revealed in the next issue. (Note: Do you know, we've long held the wish to be queen of the Rose Festival, but have kept the idea private. Evidently our worth is recognized by others.)

Well, we'll see you and hear Lawrence Brown at the Junior play. (Now don't decide to stay away!)

We'll dispense with all the interesting details. In a quatern our conclusions may be seen—
(Could such briefness be expected of Mudslingers?)
Congratulate us—Portland's Festival Queen!

Regally yours,
—THE MUDSLINGERS.

P. S. Whenever we need Mud for the columns, we go to Vernon Bushnell.

P. P. S. We don't have to go to him. He comes to us.

P. P. P. S. He doesn't wait till we need it, either.

P. P. P. P. S. And he doesn't wait till he has anything to give.

M. Slingers.

W. U. ENDS SUCCESSFUL FORENSIC SEASON

The Old Line Oratorical contest at Eugene, Oregon, in which Carl Marcy represented Willamette U., ended the Forensic season for this school, except for programs which the speech department gives at the request of various civic and community organizations. Virginia Durkee, who is at the head of the department, has charge of planning these programs in which students talented in speech and music participate. She is assisted in this work by Lu Allen. So far over 30 of these performances of readings and music have been given at various places in and around Salem.

Virginia Durkee will judge the Central Oregon Play-Day Declamation contest at Madras, Oregon.

MEETING POSTPONED

The regular meeting of the Shakespeare club scheduled for this week will be postponed, due to the full schedule for this week end and preparations for the junior play, "As You Like It."

small Judy Hutchinson of Vancouver, B. C., will be flower girl. Mr. Spaulding has chosen Gurnee Fleisher as his best man. Ushers will include Asel Eoff, Edward Stadler, Dr. Filmer Carter of Portland, and Lucien Cobb of Medford.

Rev. F. R. Spaulding of Hood River, father of the groom-elect, will be assisted in reading the ceremony by Rev. Grover C. Birchet of the Presbyterian church. Miss Albert will be given in marriage by her father, Joseph Albert.

This will truly be a Willamette wedding, for almost the entire wedding party is composed of Willamette graduates. Of especial interest is the fact that the parents of the popular couple are also graduates of Willamette—Mr. and Mrs. Joseph A. Albert with the class of '98 and '88, respectively, and Rev. F. R. Spaulding with the class of '80.

Raymond A. Jones, 43, of Eugene, died in the Southern Pacific hospital at San Francisco, April 23 after a six weeks' illness. He attended Willamette for two years. He has been telegraph operator at Eugene for several years. Surviving are his wife, two daughters, Romona and Charlotte, and one son, Richard.

Baskets of white flowers and gaily shaded garden swings in the spring sunlight lent a rustic air.

Carolyn Snyder introduced to the line in which were: Dorothy Rose, Mrs. Carl G. Doney, Mrs. J. M. Rickman, Bernice Rickman, Mrs. Paul Ellis, Caroyl Braden, and Louisa Sidwell.

SOPHS' IQ'S TESTED IN RIGOROUS EXAMS

Everything from how to properly punctuate sentences and what the Egyptians contributed to modern civilization, to the distance of the earth from the moon and who composed the Blue Danube waltz was included in the questions asked in the national comprehensive examinations taken by the sophomore class on the afternoons of April 24, 25 and 26.

These aptitude tests, made up of questions compiled by a committee of Eastern college professors, cover the student's general and specific knowledge in the fields of English literature and composition, science, foreign literature, history, psychology, politics, economics, art and music, and foreign languages.

The comprehensive were first introduced last year, when the class of '34 succeeded in placing Willamette university in the upper third of the list in the final rating. Sophomores in colleges and universities in every section of the United States take part in the examination.

The examinations this year took eight hours to complete. Hereafter all students of Sophomore standing will be required to write these tests before entering upper division work.

Burch Blanks Albany In Conference Opener

Behind the airtight pitching of Don Burch, freshman from Silverton, and one of the most promising hurlers to enter Willamette in a number of years, the Bearcats shut out the Albany college Pirates 11 to 0 in the first conference game of the season at Albany, Tuesday afternoon.

In the eight innings while he was on the mound Burch limited the Pirates to three scratch hits, striking out eight men. Gordon Williams pitched the final frame and retired the side without a man reaching first.

The Bearcats started right out in the first inning, getting a five run lead on five hits and a walk. They then displayed marked improvement in their fielding, giving Burch almost perfect support.

Walt Erickson led the Willamette attack, getting a single, a double, and a home run with a man on base out of five times at bat. He also tallied four of the Bearcat's eleven runs. Manning hit safely twice.

BEARCAT MATMEN DEFEAT LINFIELD

Willamette university's tennis team opened its season auspiciously last Thursday by making a clean sweep in all the matches played with Linfield college on the home courts.

Fred Hageman, number one man, and Cecil Harmon, number four, lost their first sets to their opponents but rallied to take the next two. Tom Goynes, playing number two, turned in the most outstanding performance in the singles, defeating Reider of Linfield in straight sets, 6-1, 6-1. Talbot Bennett and Hageman,

CONVICTS DEFEATED FOR SECOND TIME

With Johnny Oravec, who usually performs at second base, making his mound debut for the Bearcats, the Willamette baseball team again defeated the convict team 15 to 9 on the penitentiary grounds Saturday, April 23.

Oravec went the entire nine innings, and with the exception of the fourth inning, kept the prisoners' hits fairly well scattered. The fourth frame proved to be bad luck to the hurlers of both teams, each side tallying seven times on seven hits in their half of the inning.

Willamette scored their first two runs in the third, two more in the seventh and four in the eighth. The Bearcats showed considerable improvement at bat, getting 14 blows, many of them for extra bases. Bill Moye, yearling shortstop, had a perfect day with three hits in three trips to the plate.

ERRORS COSTLY IN DEFEAT BY O.S.C.

Although Johnny Oravec pitched good ball, striking out ten men, had luck again dogged the Bearcats and they were defeated 9 to 7 by Oregon State at Corvallis last Friday.

The Bearcats made nine errors afield, although a number of these were excusable on account of a bitter wind which continually blew clouds of dust across the diamond. Most of the bobbles came when they did the most damage—when two were out and men were on base. Not more than two or three runs at the most were really earned off the offerings of Oravec. One of these a home run by Biancone in the first inning.

The Bearcats took an early lead which, after losing in the fourth, they regained in the sixth frame with a three run spurge. The Staters tied the score in their half of the inning and then put the game on ice with two more runs in the eighth.

The Willamette batters garnered nine hits, but they were divided among only four men. Oravec and Manning poled out three each while Egelston, who turned in a good game behind the bat, fattened his batting average with a triple and a single.

ORAVEC, ERICKSON LEAD W. U. BATTERS

In the seven games played by the Willamette baseball team, Johnny Oravec, second baseman and pitcher, leads the regular Bearcat batters with an average of .424. He is closely followed by Walt Erickson, outfielder, with an average of .423.

Three other names are found ahead of Oravec's but they have not been up to bat enough times to be termed regulars.

Ken Manning, freshman first sacker, is third, while Bill Moye, another yearling at shortstop is fourth.

Harking back to last fall and the bitter rivalry existing between Willamette and Pacific, local sport fans are looking forward to the outcome of the annual track meet between the two schools. The Bearcats will journey to Forest Grove Friday, May 6, to meet the Badgers on their home track.

Last year's meet ended with a victory for Eldon Jenne's men. However, this year the Bearcats are planning on taking all the places won last year and, in addition, annexing three or four more firsts. The meet will undoubtedly be very close and the ultimate outcome will depend upon the number of second and third places which one team will be able to capture.

Pacific will be exceptionally strong in the hurdles, Javelin, pole-vault, and high jump. The Badger dash men have also been turning in better times than the Willamette sprinters. Willamette should have a marked advantage in the distances and be fairly strong in the middle distances. During the past year the weight men have been improving, and unless something unforeseen happens the Bearcats should capture the majority of the points in these events. The broad jump should go to Willamette with one of the best jumpers in the conference competing under their colors.

Should the meet be decided by the result of the mile relay, Willamette would stand a good chance to win. The team is green and lacking in experience but has shown great promise.

With the meet figured so close to the final victory will go to the team displaying the most fight and spirit to win. The Bearcats are determined to bring home the Badger's belt despite their spectacular showing against the strong Portland Y squad, a meet which they won by the overwhelming score of 103 1-3 to 27 2-3.

With the second round of the intramural baseball series completed the Sigma Tau team is still firmly entrenched in first place.

As yet the Sigs have not met defeat, winning six straight games, two of them shut-outs. The Outlaws are running a close second with five victories and one defeat, while the Law School is third.

The games are played each noon after chapel; umpires are Burch, Kloofstra, Feathers, and Egelston.

BEARCATS DROP CLOSE CONTEST TO COLUMBIA

Although they out hit their opponents considerably, and although Ed Tweed limited the Columbia batsmen to three hits, the Bearcats were nosed out in the ninth inning 3 to 2 by Columbia university at Portland, Tuesday, April 25.

Tweed, pitching his first major game in Willamette uniform had allowed only two hits up to the final inning. At that time the Bearcats were ahead 2 to 1. However, in that stanza, a pair of walks, an error, a single, and a sacrifice fly brought in the two winning runs for the Irish.

Poor base running robbed the Bearcats of several runs which would have put the game away. In addition to holding down his position on the mound, Tweed hit safely twice, as did Walt Erickson.

Monday "Spec" Keene, the jovial director of athletics, took time off from his duties of baseball coach to take a load of the weight men of the track team to Eugene to get some first-hand instruction from Col. "Bill" Hayward, who is considered one of the best track coaches in the country. Those making the trip were Connors, Olson, Grannis and McKerrow.
