LIEDER JUNG WERNERS.

Sonne taucht in Meeresfluten,
Himmel blitzt in letzten Gluten,
Langsam will der tag verschleiden,
Ferne Abendglocken lanten—
Dein gedenk ich, Margaretha.

Haupt gelehnt auf Felsers Kante,
Fremder Mann in Fremdem Lande,
Um den Fuss die Wellen schäumen,
Durch die Seele zieht ein braunen—
Dein gedenk ich, Margaretha.

A class translation.

Sinks the sun in ocean's billow,
Heaven gleams on evening's pillow,
Slowly us the day forsaking,
Distant bell of twilight chiming—
You I think of, Margaretha.

Rests my head on rocks' sharp edges,
Stranger now on stranger ledges,
'Bout my feet the surges dashing,
Through my soul a vision flashing—
You I think of, Margaretha.

GOOD SHOWING

A Rapid Advancement Made Under Coach Dietz.

The football practice game with Chemawa, that had been scheduled for Oct 10, was finally played on Willamette Field, last Monday, Oct 12, and resulted in a victory for Chemawa of 5 to 0. Although the game was a defeat for our boys, we feel much encouraged over the showing we made against the Indian giants. The Chemawa team is one of the strongest aggregations on the coast, and they have played ball for years, while many of our men are almost new to the game, and have been under the tuition of Coach Dietz for only one week.

As the game was merely for practice, no estimate of the relative strength of the two teams should be made, however it was noticeable that Chemawa was twice half-way down while our boys never failed to make their yardage. Behind the line, Pollard played the same strenuous game that gave him such note last year, while Long, by his unmistakable speed, and Hinkley by his dogged grit, made our back-line a whirlwind of quickness, strength and tenacity. Miller at quarter did well, and his tackling was something great. In the line, during the first half, Judd played his accustomed good ball at center, while in the last half he showed his ability for a tackle position.

Wolfe and Love were strong at guard, and Simpson played like a trojan at left tackle, advancing the ball every time it was given him.

Hewitt showed up well at tackle and center, while Grannis played the game of his life as left end. Fisher, though a raw pan, frequently broke through, and Beauchamp did good work also.

Best of all, however, is the fact that we have many equally good men that were not in the game, such as James, Matthews, Rebhan, Knotts and others. The work of the team speaks volumes in praise of Mr. Dietz, especially when our first game of last year is remembered with its score of 67 to 0 against Willamette.

Prof. J. B. T. Tuthill was born in San Francisco. His preparatory days were spent in the Santa Cruz, (Cal.) high school, San Francisco Boys' high school and Phillips' Exeter Academy, at Exeter, New Hampshire. In 1883 he entered Harvard, from which he was graduated with the degree of A. B., in 1887. From 1887 to 1888 he held the position of assistant in Descriptive Chemistry at his alma mater, and was a post-graduate student of Organic Chemistry during the same period, receiving the degree of A. M. in 1888. From Harvard he went to River-view Academy, Poughkeepsie, N. Y., where he held down the chair of Physics and Chemistry from 1888-1890. Tired of teaching, he went into business in California in 1890. In 1893 he removed to Salem, Ore., where he has since resided, conducting an analytical laboratory and assay office from 1897 to 1900. Since 1896 he has been professor of Chemistry in Willamette Medical College, so he is by no means a stranger in a strange land.

The Y. W. C. A. mid-week prayer-meeting will be held in room 11, Thursday at 3:30. Miss Ida Evans will be the leader. This meeting only lasts 30 minutes, and we would be glad to see every girl present.

In all the college beginning receptions and football rallies are the order of the day. At the Eugene High School, according to the news, the freshmen were presented with bibs before refreshments were served.

Glen Unrugh is here trying for center on football team. Glad to see you, Glen.

STUDENT BODY

Amend Constitution and Elect Officers.

In accordance with the constitution, the student body met in regular session Oct 6, but as it was desired by a large number of students that the constitution should be amended so as to make students in all the departments eligible to membership in the student body. The meeting was adjourned to meet on the following Friday at 3:30 p. m. The adjourned meeting was called to order by Pres. Miller.

On motion of Winslow the constitution was amended so as to include students of all departments of the University. Officers were then elected for the year as follows:

President, E. F. Averill.
Vice-President, J. O. Van Winkle.

Sec., Joseph Patton.
Treas., F. W. Poorman.
E. K. Miller, W. C. Judd, R. C. Glover and R. R. Matthews, were chosen to serve as the board of athletic managers, and Ray Chapley as assistant manager of the football team.

In accordance with the duties of his office, Pres. Averill has appointed the following committees:

EXECUTIVE.

C. F. Hockett, '04; Lila Swafford, '05; Gussie Randall, '06; O. B. Long, '07; Laurella Holmstrom, '08; John Reichen, '09; Mabel Glover, '10.

COLLECIAN.

C. E. Skidmore, Mabel Robertson, Wm. Pollard.

Manager Skidmore is in receipt of a letter from Foster H. Rockwell, Yales' quarterback who was our coach for a short time this summer. Rock says, in conclusion, "Give all the fellows my regards. Tell them to play ball, and play hard; above all, charge, charge—put the hooks into 'em."

Old students have hailed with enthusiasm the return of Prof. Drew, who has been for the past year at the University of California, teaching and taking postgraduate work, receiving, last spring, his degree of Master of Arts. Prof. Drew is not only a thorough, consistent teacher, an enthusiastic participant in all affairs of the school, but he is also an earnest Christian gentleman, whose presence means much to both old and new.

GRIDIRON SPARKS.

Entered at the postoffice at Salem as second class matter.

The Collegian hopes that no one who is at all musically inclined will neglect the opportunity offered to join either the Glee Club or Ladies' Chorus. Examinations for positions on both of these organizations are now being conducted by Prof. Seeley, and every one who has not already availed themselves of the opportunity should do so at once. Prof. Seeley very kindly donates his time and talent in instructing the clubs, and all you are asked to do is to be present at the time set for practice. Last year these two organizations not only furnished some excellent entertainments, but they did much toward drawing the attention of the general public to old Willamette. Aside from this, the training in voice culture received by the members is invaluable.

Let nothing like this happen Saturday.

During the game Saturday, not a single college yell was heard. What is the cause of this disgraceful state of affairs? Surely we haven't lost our college spirit. Are we affected with lung trouble, or weak voices, to such an extent that we can't yell? Nothing is more encouraging to a team than to hear their college yell. Why can't we organize a rooster's club before Saturday? For if we don't support the team they can't win, and that's a cinch.—Index.

Before such a disgrace shall be enacted to Willamette, ye editor's gentle bazoo will be heard in a series of ear-splitting and soul-inspiring solos.

Sunday at 3 p. m. the Y. W. C. A. will hold their Sunday afternoon meeting. It will be led by Miss Erma Clarke. The Capitola report on missions will be given by Miss Ruth Field.

SOCIETIES MUST MOVE.

Owing to the rapidly increasing number of students who desire to avail themselves of the opportunity to use the library, larger quarters had to be selected, and the large double rooms occupied at present by the Philodorian and Philodorian societies were selected. These rooms are well adapted for library purposes, and will afford a great relief from the present conditions. In return for their halls the societies will be given rooms on the fourth floor, which, although they may not be as large and commodious as the present ones, will be sufficiently large for all purposes, and they will have the additional advantages of being newly fitted up.

A CHANGE.

Rev. John Parsons, D. D., who has been pastor of the First M. E. church in this city for the past five years, has been appointed superintendent of the Alaska missions. For eleven years he has served this district; a great part of which time he has been connected with Willamette University, both as financial agent and as secretary of the board of trustees. Dr. Parsons will not take up his new labors until the 1st of December.

Rev. W. H. Heppe, of Mt. Pleasant, Iowa, who has been made pastor here is a graduate of Iowa Wesleyan, and comes to us, highly spoken of as a college man of ability, and one who is especially interested in young people. Salem and the university are indeed fortunate in having such a man sent here.

JOINT RECEPTION.

Friday evening the Christian Association gave their annual reception to the new students. A short program was rendered in the chapel, consisting of the following numbers:

Address of welcome on part of Faculty, Prof. W. P. Drew.

Response, Prof. Tuthill.

Reading, May Chapler.

Address of welcome on part of the associations, J. O. Van Winkle.

Response, Ray Andrews.

Vocal Solo, Prof. Drew.

After the conclusion of the program the audience assembled in the Society Halls and enjoyed a social time. The Halls presented a most lively appearance, thronged with gay, happy students, eager to meet each other, with here and there a member of the faculty, adding sedateness to the scene.

Light refreshments were served by pretty waitresses and willing helpers, concluding a most pleasant evening.

Students will find the Tom Cronise Photo Studio the best place in the city to get their work. Prompt and careful attention given to all orders. Over J. J. Dalrymple's store.

Miss Emma Clark, '03, has been chosen by the faculty to act as assistant librarian. We very are glad to have Miss Clark with us again during another year.

Don't forget to come out and cheer for the football boys.

Miss Lucy Marcom, of Woodburn, has returned.

The Business is Being Built for the Long Future Not Present

It is our rule, our recognized purpose, so to conduct every sale, every transaction, that the custom of that patron will be even more strongly united to this institution. The momentary possible small profit is of very slight importance as compared with the good will and enthusiastic friendship of that patron for the long future. We can not afford to do otherwise than you would fairly wish us to do. We can not afford to sell a single item at a price higher than is quoted elsewhere. We can afford to, and do in innumerable instances, every day, sell goods at prices decidedly lower than similar quantities are sold for elsewhere.

Societies.

PHILODORIAN.

The first program of the Philodorian Society for the current year was rendered last Friday evening, before a very respectable number of both new and old students. Considering that there had been but one week's previous notification to the participants in the evening's exercises, each number was exceptionally good, and demonstrated without doubt, that there is sufficient material in the society this year to produce wonderful and very profitable results. The society is steadily growing in numbers, four being initiated at the last meeting. Our hall is sufficiently large enough to accommodate at least forty active members, and it is the earnest desire of every Philodorian that those of his fellow students who wish to ally themselves with any literary work, will come to our meetings and learn our methods. The program as rendered was as follows:

Reading, Ray Chapter.
Lecture, R. C. Glover.
Recitation, W. C. Winslow.
Current Events, John Reichen.
Some Good Advice, Oliver Spires.

DEBATE.

Resolved, That the Signs of the times indicate the downfall of the nation.

Affirmative—Winslow and Grannis.

Negative—Judd and Morris.

PHILODOSIAN.

The first regular meeting of the Philodosian society was called to order by Pres. Grace McConnell, Oct. 8. After the installation of officers an informal program was given. Alma Hales favored us with an instrumental solo, and Grace McConnell and her graphophone delighted everyone for several minutes. The other members present responded with impromptu speeches on subjects chosen by the president. The first formal programme will be given Friday evening.

The first exchange to reach our table this year, was the *Madrono*, a spicy little monthly published by the students of the Pala Alto high school.

We are glad to welcome among our exchanges the *Daily Nebraskan* and *Weekly Index*, both of which are up to their usual high standard of last year.

Y. W. C. A.

The Y. W. C. A. held a business meeting on Oct. 7, in which eighteen new members were voted into the association. Out of the eighty girls belonging to the school fifty-three are now members of the Y. W. C. A., and the leaders hope that every girl not now a member of the association will soon join. The mid-week prayer meeting, which was led by Prof. Reynolds, was very well attended, as was also the Sunday afternoon meeting. This meeting was led by Grace McConnell and Clara Hohnstrom, and was on Bible Study, including a brief outline of the Bible study work done at Capitola this year, and a discussion on the need and value of the work. The meeting next Sunday will be a mission study rally, and will be led by Erma Clarke and Ruth Field. Let every girl be there.

Frank Enos Newberry, Principal of the Piano Department of the University College of Music, is a graduate of the Chicago Musical College, under the renowned Rudolph Ganz. His training has been such as to thoroughly prepare him for artistic playing and successful teaching. In addition to this, he is a gentleman in every respect, and has already won for himself the respect and admiration of all, and has drawn a large, interesting class of students to profit by his talent, training and experience.

Z. J. Riggs, a former student of "Old Willamette," and a graduate of the California College of Pharmacy, a member of the State Board of Pharmacy examiners, is conducting the Capital Drug Store, 122 State street, Cor. Liberty, where he will be pleased to see any of Willamette's students wanting anything in the drug line.

Y. M. C. A. RECEPTION.

Crowded out last issue.

The reception tendered to men Saturday evening in the University Gym was a great success. The men wore their old clothes, and had a jolly good time together.

Three footballs played the part of the introduction committee. After vainly attempting to kick the covers off the "committee," in the meanwhile having become quite well acquainted, the men gathered in the corners of the spacious gym and enjoyed a turn at the Association game of "hot hand." Next a game of three deep was pulled off, which afforded great fun from start to finish. During the game Mosher lost his shirt, and Prof. McCall lost his dignity.

Next number on the program was a tug of war. The bell-rope from the university was pressed into service, and at the first trial was pulled out of service, throwing the two teams to the floor at the snap of the hemp. Each side claimed that it downed the other.

Following this, the fellows gathered around on the floor and listened to Dean Hawley's funny stories. To induce competition the dean offered a box of chocolate. Prof. McCall and "old dad" Averill butted in. "Dad" won the candy.

A grand march was inaugurated, with Dean Hawley in the lead. As the men marched by a dressing-room door, each was handed a slice of watermelon. The scene was picturesque. The gym dotted here and there and everywhere with slices of watermelon, looming up like new moons—and there was a man in each moon! After the watermelon was no more, the old students sang and the new ones learned to sing some college songs. Indulging in a few spirited yells for "Old Willamette" concluded the evening.

After such an enjoyable stag reception the men are sure to be out in full force at the Joint Reception Friday evening of this week.

The first issue of the *Weekly Chemawa American*, which made its appearance this week, is one of the neatest school papers published in the state, and is a credit to the institution which it represents.
