## Willamette Girls Defeat the McMinnville Girls at Basket Ball.

Friday afternoon at McMinnville the girls' basket ball teams from W. U. and McMinnville college played the first basket ball game of the season. The game was intensely interesting, especially to the W. U. girls when their score began to increase. The W. U. girls surpassed in team work and individual work.

The ball was tossed up by Referee Warfield at 4:40 o'clock, and almost immediately a goal was thrown by Miss Latourette. The ball was again tossed up, and before the Baptists had finished cheering for the first goal Miss Swafford put the ball in the basket for Willamette. The rooters were generous enough to continue the applause, and never failed to recognize a good play by our girls. McMinnville did not score again the first half, probably because the ball was in Willamette's goal most of the time. The ball would be tossed up at center, there would be a moments' rapid passing, and before we had time to cheer, the ball would be hanging in the basket. At the end of the first half the score was 22 to 2 in our favor. Miss Koschmieder having made five baskets, Miss Swafford three and Miss Parsons two. Miss Koschmieder made two fouls neither of which counted for McMinnville.

In the second half, Miss Coyle was substituted for Miss Swafford. Willamette did some good passing in this half, but had poor luck in goal throwing. McMinnville played a much better game than in the first half, and at the close of the game the score was 31 to 13. Miss Swafford made three baskets, Miss Parsons four, Miss Koschmieder eight and seven fouls, Miss Randall one foul, Miss Coyle one basket and one foul.

Our guards were good, Miss Randall's opponent making but one basket in the first half and two in the second, and Miss Warfield's opponent making none in the first half, and two in the second.

The game was an especially clean one, very little fouling was done, and no roughness. The girls' rules, under which they played, being a great improvement over the old rules.

McMinnville's line-up was Misses Latourette and Daniels, forwards; Miss Kunz, center; Misses Grissen and Newmyer, guards.

Officials: Referee, Professor War-

field; umpires, Viggers, McMinnville; and Judd, W. U.

After the game the team was entertained at the residence of Mrs. Grissen at a reception given in honor of Mr. Viggers, the McMinnville coach, and a genuine good time was had by all.

The W. U. girls were very much pleased with the treatment given them by the McMinnville girls. Not only after the game, but while it was in progress, the best of good feeling prevailed, and no complaint was heard from either side.

## "WALLULAH"

### The Willamette Annual to Be So Named.

The 1903 Annual has finally been christened with the appropriate appellation of "Wallulah." While considerable interest was manifested in the contest only twelve persons dared make their wishes known in the matter. Of the twelve contestants two are members of the faculty, four are college students and six are registered in the Academy.

The names suggested were all good and the decision of the board came only after due deliberation.

The suggestion made by Edgar Averill was adopted and Willamette Annual will from now till the end of time be known as "Wallulah," which was the name of

leuty.

To Mr. Averill the board extends hearty congratulations. For second choice honors were distributed evenly between the Pioneer and the Willamettian, the former was submitted by Prof. Warfield, Clark Whiteman, and Miller, while the latter was the choice of Spalding and Knotts.

**FOOTBALL** is at an end for Willamette this year. Our team has played six games. All have been hard fought games

and several, although they resulted in an adverse score, were in effect real victories. In but one game has the team won the score, but we honor and respect the men for their earnest persevering effort. They have done their best for the honor of the school and student body. A more honorable or more sportsmanlike team does not exist in the state. We have greater pride in the games lost in clean sport than we could have if we had won all with any taint of unfairness or injustice. Clean sport is the great need in athletics today. We find true pleasure in reviewing the work of the individual players. In every instance we can say, "He played a clean game at his best."

No one can deny that the best, most consistent work has been done by Pollard. Miller has at all times held the good will and co-operation of his team as captain. His work behind the line has been splendid. He is unequalled as a punter, always insuring a safe kick. Riddell has been a star at quarter. His work Thanksgiving day won much praise from all who were present. Another to win fame in that game was Young. His play around the goal and his touchdown were loudly cheered.

Judd has done some fine work for the team. In the Corvallis game, and McMinnville he made some excellent plays. Marquam has made himself felt in all the games of the season. He is a thoroughly consistent player wherever he is placed. Others who have played on the team have done some splendid work, Matthews, Love, Parsons, Simpson, Gale, all have been thoroughly good players. We are sorry for the sake of the team that their efforts were not more successful in points. The number of points won does not always bring pleasure however. The students of Willamette are proud of the team of 1902-03.

### Praises Our New Enterprise.

Mr. Gabriel Sykes, A. B., of the class of 1901, who now occupies the pulpit of the First M. E. church, of Tillamook City, Or., in a recent letter to the Annual editor speaking of the Year Book says:

"I think your enterprise, is at this juncture most appropriate and I wish for you the very highest degree of success."

Mr. Sykes while at the University devoted himself principally to literary endeavors. He won several prizes offered by the Monthly Collegian and was the leader of the 1901 debating team that defeated Pacific University. He is a loyal alumnus and has promised to contribute for the Annual.

### A Former Student Marries.

On Thanksgiving day, at high noon, Lillie D. Sweeney and Walter L. Lehman were married at the home of Mr. A. D. Gardner, of Stayton. The ceremony was performed by the bride's father, Rev. Sweeney of Brooks, immediately after which the guests proceeded to the dining room, where the wedding dinner was served. Mrs. Lehman was a student here for several years, where she won many friends. Just before going to her future home near Stayton the bride threw her bouquet, which was caught by Miss Veva Gardner. The Collegian extends congratulations and best wishes to the happy couple.

### A Liberal Offer.

H. D. Trover, of the Cronise art studio, has manifested his interest in the Annual by making a very liberal offer to the Wallula manager, and to the students. Mr. Trover offers to furnish the students with the regular finish, 8x10 photos, of class groups, athletic teams, etc., at 65c each. These have always before sold at 75c each. Not only does he make this reduction to the students, but further he has agreed to give, as an aid to the Annual, a sum equal to one-fifth of the cost of all the work which is given him by students of the University. This includes portraits. The manager has made arrangements with him to furnish the particular finish of print necessary for making copper plates. Mr. Trover is the most successful photographer, and the Cronise gallery is the best known and oldest gallery in Salem. We hope that all students will patronize him, and thus aid the Wallula.

## EXCHANGE AND COMMENT.

Enrollment at McMinville College is 160.

The Prohibition League of McMinville College is doing practical work in assisting financially in the prosecution of saloonkeepers of the town.

At the University of Idaho an organization known as "The University Debate Council" was recently organized. It has full power to control all debates and oratorical contests except intersociety and class forensic contests.

The Albany boys were royally treated in the Capital City. A reception was given them in the evening by the Willamette girls and they were escorted to the train by scores of students whose well wishes for the Albany team were freely expressed and genuine.—Albany College Student.

We were greatly pleased to find the Weekly Willamette Collegian on our table. Its editorials are very earnest—The Hill Orderly.

The Orderly has relieved the monotony of the printed page by introducing several cartoons. This is a good idea.

The Junior class is preparing to give a farce to raise money for the '04 Webfoot. The performance took place on November 25.—U. O. Weekly.

Vox Wesleyana, the monthly publication of the students of Wesley College, Winnipeg, Man., is the latest arrival to our exchange table.—Welcome.

A few camera snaps and a

joke or two have been handed to the editors of "The Wallula" but they are only a beginning. Anything and everything that would be of interest is desired. Hand it in.

Y. W. C. A.

The meeting held in the Y. W. C. A. Sunday, Nov. 30, was led by Prof. Kerr. It was an unusually profitable meeting, and greatly enjoyed by all present.

Girls, you can't afford to miss the Sunday afternoon meeting. If you have never attended, come and see if you will not wish to come again.

The money received for the pin trays, upon which is stamped a picture of the University and President Coleman, is to help make up the sum pledged by the Y. W. C. A. girls towards the University's debt. There are a few left, and would make very acceptable Christmas presents for friends either in Oregon or other states. If you wish any speak to either Miss Lena Schindler or Miss Erma Clark, at once. The price is 25c.

Prof. Kerr will have charge of next Sunday's meeting. Be sure and come, for this will be the last association meeting in 1902, and you cannot afford to miss it. Special music has been provided.

The Y. W. C. A. girls will hold a bazaar Wednesday evening, Dec. 17. This will be the time and place to purchase an Xmas gift for your college friend. Pennants, handkerchiefs, pin trays, candy and other suitable articles will be for sale. Come and you can not only get something you will like, but will help the Association. Watch for further notices.

"A Friend" should send his name to the editor. An excellent composition has been received signed in this way. It is not necessary that the name should be published, but the editor should know the author.

## MUSIC SENIORS.

Classes in Music and Oratory Will Not Have Joint Organization.

The Senior classes in the Colleges of Music and Oratory have changed their plans concerning their class organization, and instead of the joint organization decided upon earlier in the year, have organized separately.

The reason for the change is the difference in time required for completion of a course in the two colleges, and the different nature of the work.

The officers of the class of 1903 in Music are president, Bertha Andrewartha; vice president, Lela Tarpley; secretary, Claudia Childers; treasurer, Nellie Richmond; reporter, Hallie Watson.

The class has in contemplation the giving of an entertainment at an early date announcement of which will appear in due time.
