Music at Willamette

The Willamette University Department of Music offers the music major intensive professional training in several music areas coupled with a balanced core of liberal arts courses. For the non-major, the department offers performance opportunities through private instruction, performing ensembles of all types and a wide selection of general music courses, many of which are designed to meet the fine arts requirements of Willamette's general education program. The music department annually serves 300-400 students. Willamette offers five different bachelor's degrees in music: music with emphasis in music education, performance, music therapy, and composition; and bachelor of arts in music. Willamette's Master of Arts in Teaching completes the student's preparation for a career in music education. For more information about the Department of Music please contact:
