FROSH PAGEANT WELL STAGED

Historical Romance of Oregon and University Well Presented

MRS. RAHE IS READER

Pageant to Be Given Annually Until Grand Finale in 1934

The Pageant of the Pioneers, written by R. J. Hendricks and presented by Willamette and Chemawa students May 15 and 16, was enthusiastically received. The historical romance of the Oregon country was well produced by a cast of twenty-nine people and one horse. Professor Herbert E. Kahle coached the pageant and was assisted by Helen Pemberton.

The costumes, which was under the direction of Kathleen Skinner, assisted by Mildred Kester, Marjorie Wunder, and Amelia Schrack, was extremely well managed and historically correct.

Other committees aiding in the production were make-up, Dorothy Dak, Barbara Elliott, Marjory Law, and Blanche Reese; lighting, Richard Upjohn, Arthur Hollenbush, Mildred Kester, John Rudin, and Stanley King; scenery, Carl Marcy, Wesley Janke, Marjorie Warnke, and Loretta Varley; general arrangements, Tom Hall, Maurice Dean, Wesley Janke, and Ray Griffith; properties, Darlow Johnson, Jean Peterson, and Helen Pybus; programs, Ruth Schreiber and Earl Henry; advertising, Ernest Denning and R. J. Hendricks; tickets and seating, Virginia Durkoe and Lawrence Gibson; head usher, Elma Nell; music, Professor Campbell. (Continued on page 3)

HEWITT MAKES FIVE SPEECHES IN ASTORIA

Dean Roy R. Hewitt of the law school was in Astoria Friday, May 15, to deliver five addresses to various organizations.

He attended the annual meeting of the city Y.M.C.A. and gave an inspirational address in behalf of the organization.

Immediately following he addressed a Sunday school. At 2 o'clock he spoke to a church group, with Radio as his subject.

At 6:30 he spoke to two organized Sunday school classes, and then gave an address to the First Methodist church.

RIVERDALE TO BE SCENE OF PICNIC

The Classical club will hold its annual picnic on the afternoon of May 28. All Latin and Greek students are invited to the affair which will be at Riverdale park. Swimming and games will be enjoyed during the afternoon after which a picnic lunch will be served.

Mrs. Edna Ellis and Dr. C. P. Cambria, advisors for the club, will accompany the group. Carol Shank, vice-president of the club, is in general charge of the arrangements. All students interested in attending the picnic are urged to appear at the next Classical club meeting.

1931 Wrist Watch, or Glorified Hour-Glass, Makes Prominent Appearance in Pioneer Pageant

Every patriot and his grandmother in the vicinity of Salem were present at the Pageant of the Pioneers last Friday and Saturday.

Before the curtain parted, Prof. Rahe felicitated Mr. Hendricks and then introduced him—supposedly, after a noticeable pause, out stepped Mrs. Rahe. She was greeted with cheers.

The pageant was more educational than it was advertised to be. We don't like to admit that we're benighted, but we always thought that the first wrist watches worn in these parts were those sported by college freshmen who wished to impress upon the world the fact that they were collegiate. But to err is human. For it seems that not only did Chapelle broeze about Astoria in 1813 with a 1931 model ticker, but the illustrious Mr. Beers was

Red Cross Will Hold Swimming Campaign at "Y"

All People Over Seventeen Are Eligible to Attend Classes

Many Willamette students are expected to take advantage of the Swimming and Life-Saving campaign which will be held from May 25 to June 6 under the auspices of the Willamette chapter of the American Red Cross with the cooperation of the Y.M.C.A., Y.W.C.A. and the public schools. This campaign is to be held at the local Y.M.C.A. Perhaps the biggest drawing card for Willamette students will be the course for Senior Life Savers. All swimmers seventeen years and up are eligible. Also Willamette students may enter the classes for Adult Beginners and Adult Swimmers.

Charles Gill offers the instruction and members of the Salem Black Dragons, Salem's Senior Life-Saving Corps, assist in the pool. The slogan for this campaign is "Everyone in Salem a Swimmer." Why not have "Every student at Willamette a Swimmer"?

The schedule of classes of interest to Willamette students is as follows:

Senior Life Savers, 17 years and up... 6:30-7:30 p.m.
Adult Beginners... 7:30-8:00 p.m.
Adult Swimmers... 8:00-8:30 p.m.
Every evening the classes should plan to be present every day and should furnish their own suit and towel. Registration is positively closed after the second day.

TREBLE CLEF CLUB SINGS IN PORTLAND

Women Broadcast Over KGW and Sing at Auditorium and Churches

The treble clef club spent an enjoyable and profitable weekend in Portland May 8 and 9. The women sang at the Auditorium and at various churches, over KGW, and advertised Willamette in several ways.

At the Auditorium Saturday night the girls took part in the National Music Week program. Several prize winners from the state contest took part in the recital. The club's presentations were highly praised.

Sunday morning the women sang at Sunnyside church. This service was a combined Mother's Day program and church-building plan. The club witnessed the checking off of \$3000 towards the finishing of Sunnyside's community house. In both this church and Dr. Taylor's Rose City Park church, where the women sang in the evening, a delightfully hospitable spirit was shown. At Rose City Park church the club gave the entire evening program, and the singing was truly beautiful. The trio composed of Edith Findley, Elizabeth Ogden and Helen Cochran, was well received. Of especial commendation was the Garden Melody by Schumann, which Miss Jeanette Scott played as a violin solo. After the service. (Continued on page 2)

LAW DEAN SPEAKING

Dean Roy Hewitt of the Law Department, addressed two high schools and five graduating classes in Grant county, Washington, Saturday, May 16.

This will be one of the biggest and busiest days of the year for the campus Y.M.C.A.

At the banquet Monday evening short pep talks will be given by Dr. Doney, Dr. Schulze, Wes Warren, president of the campus "Y," and Hayes Beall, last year's president. The award is made at Commencement. Last year the Steeves Prize was awarded to Miss Laddie Childs.

Another of Willamette's suitors has located a school in which to teach next fall. Miss Hazel Brenner will teach in the primary department of the Klamath Falls grade schools. Miss Brenner received her training for this type of teaching at the Oregon Normal before attending Willamette.

Frederick Libby Chapel Speaker On World Peace

World Depression and Possibility of Annihilation of Man Stressed

Frederick J. Libby, executive secretary of the National Council for the Prevention of War since 1921, spoke at chapel last week. Mr. Libby is the leading spirit of the peace movement in America, and for some years has made annual tours of the United States making speeches on this subject.

Mr. Libby says that America is in need of education along the line of peace, for this country is considerably behind Great Britain in its peace work. This is partly due, however, to the fact that Great Britain is closer to the field of war.

Mr. Libby gives as one cause of the world depression the fear of another war in Europe, which keeps Americans from investing in Europe, when their money might be lost at any time. The possibility of such a war was discussed in detail by Mr. Libby, who says that it would be the end of our civilization, because such terrible substances have been developed as to wipe out all life in a given territory.

The International Arms Conference, scheduled for February of next year, contains the world's hope for peace, according to Mr. Libby.

LAW DEAN MEETS GENERAL BUTLER

Dean Roy R. Hewitt of the law school, who is on the committee for the organization of the Oregon State Police, was present at the banquet which was held in Portland Monday evening, May 18, in honor of Major-General Smedley D. Butler, who at the invitation of Governor Julius L. Meier, is to lay the foundation work for the new police force.

Earlier in the day after attending the Police committee meeting Dean Hewitt was a guest of the governor at the latter's palatial summer home on the Columbia River near Crown Point. At the termination of a two hour walk with Mr. Butler, Hewitt states that he felt well acquainted with him. "General Butler," he says, "is very human, lovable and fatherly; a man who inspires friendship at the first meeting."

PRES. DONEY WILL DELIVER ADDRESS

Dr. Doney will go to Eugene on May 26 to address the annual meeting of Phi Beta Kappa and Sigma Zeta. On the first of June he will visit Corvallis, and is invited to speak at a meeting of the Order of the Spoon, an elite intellectual organization.

This summer Dr. Doney plans to spend most of his time in Salem, working and resting.

FINAL CONCERT THIS EVENING

Treble Clef Club Presents Program Similar to One Given in Portland

SEASON IS SUCCESSFUL

Club Has Not Traveled Much But Outlook for Next Year is Bright

The Treble Clef Club, Willamette's talented and well-trained women's glee club, is presenting its final concert, the famous Home Concert, this Thursday, the 21st, in Waller Hall, at 8:15. This concert will climax a very successful season, in spite of the fact that the club was not able to travel extensively this year. However, after the very creditable showing made last week in Portland, the women feel sure that their concert will be a great success this year.

The program will be somewhat similar to that which the club sang over KGW last Sunday week. Several new ensemble pieces and solos will be added. Professor Cameron Marshall has ably directed the club this year, and the members are not only anticipating brilliant climax to this year's work, but are looking forward to progressive and artistic work next year. Miss Edith Findley is the dependable and talented accompanist and has been responsible for a great deal of the acclaim which the Treble Clef Club has received this year.

MUSIC STUDENTS PRESENT RECITAL

Rosalind Van Winkle and Josephine Albert Delight Audience

At a charming recital, Miss Frances Virginia Melton presented Miss Rosalind Van Winkle, pianist, and Miss Josephine Albert, contralto, Monday evening, May 18.

Miss Van Winkle showed her excellent interpretative ability in the clever piece "El Bufon" by Sequira. The clearness with which she played her Bach numbers and her Chopin was exceptional. The picture of the Garden in the Rain was artistically portrayed to her listeners, and the lovely rendition of MacDowell's "Sonata Eroica" came as a climax to the evening's performance.

Miss Albert, as always, won her audience by her selections and interpretation. Her excellent range and voice culture were especially outstanding in her Saint-Saens number and her other numbers were extremely pleasing in the feeling and interpretation given to them.

Miss Elizabeth Clement, although rather new in the field of accompanying, showed her ability by providing an artistic background for Miss Albert's voice.

Eloise White, Lucille Brown and Mildred Emmons assisted as ushers.

M. WHITE IS NEW W.A.A. PRESIDENT

At a meeting of W.A.A. Tuesday noon officers for the coming year were elected. Muriel White was chosen president; vice-president, Dorothy Rose; secretary, Edna Vannico; treasurer, Rosetta Smith; hike master, Esther Arnold.

Sunsetters Elect Officers for Rest Of Present Term

Upper Classmen to Be Invited to Next Meeting

Carroll Shank will lead the meeting of the Sunset club tonight in the bell tower. The subject for discussion will be "Cynics" and several papers will be read. An important business meeting will take place shortly before the discussion.

At the last meeting several officers were elected for the remainder of the term, Ben Briggs, vice-president, and John Rudin, secretary. These positions had remained vacant because of technical difficulties earlier in the year. Officers for the fall term will be elected at next meeting and installed in the formal banquet the first week in June. Only five men are eligible for office next year, John Rudin, Kenneth Oliver, Charles Gianoli, Ben Briggs and Ted Parker. The constitution will be formally adopted at the same time.

Several visitors have been invited to attend the next discussion of the club, in order to acquaint upper-classmen with the personnel and workings of the organization. The membership now includes ten men, four men having been pledged recently. The tenth man is under discussion and will probably be pledged soon.

LIVE SAVING CORPS ADOPTS COGNOMEN

Salem Black Dragons is now the official name of Salem Senior Life Saving Corps. This name was adopted at a recent meeting of the corps held at the local Y.M.C.A. All members have decided to wear black bathing suits with the life saving emblem on the front and the emblem on the side. The emblem is to be a vicious, black dragon on a red background. It is to be made of a good grade of chenille and is being designed by a California firm. It is hoped that these insignia will be ready for use by the time of the "Learn to Swim" campaign being held at the Y.M.C.A. from May 25 to June 6. The Black Dragons are assisting in this campaign.

Caroyl Braden was class song leader in her junior year in high school and song queen during her senior year. She was song leader for the sophomores for Freshman Glee this year and she sings in the choir at the Knights Memorial church.

Lloyd Girod, Evans Hamilton and Johnny Nelson tried out for yell leader and Frank Haley was the only one who tried out for crown prince.

Elections will be held in chapel May 28 when forensic and candidates for the several school prizes will also be elected.

THETA ALPHA PHI OFFICERS ELECTED

The Theta Alpha Phi party will be held in the garden of the Gathe home. A one-act play will be presented as part of the entertainment. The play "Our Lady's Lace" has been chosen, and the cast includes the following: Hugh Curran, Virginia Edwards, Jack Ramage, and Benna Brown.

FRANZ WALLULAB MANAGER

At a meeting of the Executive committee on Tuesday, May 19, Rufus Franz was elected manager for the 1932 Wallowah.

Suggestion is Made that Chapel "Prodders" be Provided Out of Student Funds for Note-Passers

During these last weeks of school there is so much to attend to, that the business almost necessarily carries over into chapel. And since, from various and sundry sources, we have gathered that it is not considered good manners to snub to our friends several rows away, we have been forced to make use more and more often of that system which enables the university to maintain its reputation of decorum and at the same time enables the students to transact their business—note-passing.

Of course, it is necessary to utilize a great deal of caution even in this mild pastime. We would not for anything in the world, hurt the feelings of the chapel performers. Incidentally, the presence of the members of the faculty on the platform is also considered slightly when we undertake ways and means of conveying information to someone.

Our system of passing notes must have been invented by a master mind. And yet, like all other human inventions, it can be improved. As if it were not a matter of general knowledge, the reader is hereby informed that the system for passing notes is associated always with the cracks between the seats and the backs of the chapel seats. Through these cracks, the notes are surreptitiously and cleverly slipped, and it is believed by many that this method is much more subtle than that of passing notes over the tops of seats.

Yet here are some of the flaws of this marvelous invention. The stationary used isn't always stiff enough for the intended purpose. Naturally, if nobody received the note offered, the system is a failure. (Continued on page 3)

PEP LEADERS TRYOUTS HELD

HALEY, CROWN PRINCE

L. Girod, E. Hamilton and J. Nelson Exhibit Skill as Yell Kings

She sang in the girls' quartet at the State Music Tournament. Miss Wilkes is a member of the Treble Clef club; wrote the words for the sophomore glee song and was formation chairman for Freshman Glee last year. She has had five years of piano and composition. She also wrote the words to the two pep songs which were Marjorie O'dell sang in the song for special games last fall. girls' quartet in high school and attended the State Music Tournament as soprano soloist. She was also in the girls' glee. She is a member of Beethoven and is a piano pupil of Miss Melton. She has taken vocal lessons from Miss Lena Bell Tartar and is the secretary of Treble Clef club. She was a member of the Treble Clef club last year also.

Caroyl Braden was class song leader in her junior year in high school and song queen during her senior year. She was song leader for the sophomores for Freshman Glee this year and she sings in the choir at the Knights Memorial church.

HONOURABLE?

Unknown to the majority of students, a number of "cases" have this year come before the Honor Code committee, which has dealt with the mas it saw fit. In comparison with the little or nothing that has been done by similar committees in previous times, this year's group has taken a long step forward toward the no-cheating ideal which Willamette claims as a foundation stone for its high scholarship. Merely a beginning has been made, however, and the utmost cooperation of all students and the faculty will be necessary for the efficient functioning of the honor code system.

Probably the students have not cooperated as they should because they have not been informed of the correct procedure. Any person observing cheating either during examinations or in other regular work should report the same to some member of the honor committee. If found guilty, the offender is penalized in accordance with the seriousness of the case—he may have semester or quality hours removed or may even be suspended or expelled.

Starting next fall, the new students will be informed during Freshman Week of Willamette's honor code policy. They will expect to find upperclassmen acting in agreement with this policy, and it behooves us to lead the way.

The present honor committee consists of: Lars Nelson, chairman; Rosalind Van Winkle, Virginia Edwards, Clarence Poor, Betty Ogden, Harold Rose, Alvis Love, and Virginia Slusser.

ACROSS THE TRACKS

Across the tracks the poppies are blooming in the sun and wild roses are clamoring up the embankment. There grass and weeds form a picturesque jungle effect with the dusty road and the rambling little houses for a background. Yes, it is an enchanting spot—across the tracks.

The corner campus at State and Twelfth is also across the tracks for the people who live on Twelfth and they may see a little beauty in tall grass, cross-crossed paths and the general ill-kempt air which pervades the place. However, the corner campus has no wild flowers, save perhaps a handful of vetch, and its background is one of well-kept lawns, trimmed shrubbery, and carefully pruned trees.

Passersby have been heard to remark that the place is an eyesore, located as it is in the beautiful civic center of Salem. Some of these people paused to sympathize with Willamette—sorry that its attempt to make an attractive campus should be so marred by the presence of this piece of land. It is probably just as well that these sympathizers do not know that this corner is a part of the Willamette campus.

The tragic part about the existence of this eyesore is the fact that with a little expense and effort it might be made the prettiest spot on the campus. Trees are there in abundance and even without spending what would be necessary to fill in the land it should be possible to do something to it so that it could be mowed.

Some day there will be buildings there, but that should be no reason for allowing it to remain uncared-for now. In the summer the grass gets dry, is perhaps mowed with a scythe, and bears far greater resemblance to the burned, brown right-of-way by the railroad tracks than to a part of a modern university campus.

There is no good arguing with the inevitable. The only argument available with an east wind is to put on your overcoat. —James Russell Lowell.

There ought to be more difference between church members and others. —William Lyon Phelps.

Never read any book that is not a year old.—Emerson.

WURZEL FLUMMERY WAS WELL GIVEN

"Wurzel-Flummery," the freshman class play, was well received by the student body during chapel last Thursday. The stage setting was very good and the acting was fair. Much credit is due to Ruth Fick who ably coached the production.

The lines were clever and for the most part, ably handled. The theme of the play centered around the adoption of the name "Wurzel-Flummery" along with a large sum of money. Willis Schuler, in the role of Mr. Wurzel-Flummery, did very commendable work. John Rudin was amusing as Mr. Clifton, the novice lawyer. The part of Mrs. Wurzel-Flummery was ably carried by Kathleen Skinner. Edith Clement and Kenneth Oliver were good in their parts of Viola and Richard.

Campus Litterae

Ye Budding Byrons, Shaws and Poes,
Hearken to this tale of woe;
If ye write words inspired with beauty,
To share with others is your duty.

This is the last time that we'll plea;
So if our works do not please thee—
Just give us of your rhyme and lore,
Or hold your peace for evermore.

(Note: The above is "just par-entential"—as the professor says when he gets away from the lesson).

A son of silence led me before the woman called Death. And Death said "This, then, is the daughter of Life? Tell me, O thou, of thy mother!"
And I spoke: "Hers is a beauty beyond the telling! I can feel the blood of her blood driven through my veins in long, sure pulsations. And since I live because of Her, I live for her alone. But she is frivolous and cruel! For her own perpetuation she drains the blood she has lent me, and sends me to you. Slow is the cycle and the days drop like withered leaves."
And Death said: "Look upon my face, O thou!" And she lifted her veil and I looked into the eyes of my Mother.

"Grey Nun"
I saw you there
And I see you still,
Kneeling among candles,
Counting your beads.
I saw you cross yourself
As you were taught to do,
Once, twice—and then again.
You were serenely beautiful.
Grey nun and frescoed wall.
You could not have been other-wise.

But you were weeping
And tears fell upon my rosary.
I saw you clutch the cross—
I think you kissed it—
But did I hear a moan,
Or was it the wailing wind?
A candle sputtered;
Your lips moved in deeper prayer.
Why did you cry,
Ave, ave, Maria,
Forgive, forgive me?
Grey nun,
Why were you weeping?
—Muriel White.

"L'Aube"
The battleground was streaked
with blood
Like a dull sky stained with sunset rays;
No breath or life was on the field,
And Death rode up in the dead men's gaze.

The murky sun drew an awful
stench,
Crawling things on the ground
fed well;
Winds blew poison from the west
Where No Man's Land was hell.
Then into the dark of the murk
and ooze
Dawning spread a lull;
Promise flashed in the barren
land—
A butterfly clung to a skull.
—Lois Wilkes.

The Tool of the Gods
Wrought by the hands of nature
alone,
A mighty cavern stands,
Carved in the edge of a cliff of
stone,
Beat into shape by torrents that
moan
And floods that grind rocks to
sand.

Over the edge of the cavern's
roof—
Which weighs ten thousand
tons,
Beating the rocks like a stallion's
great hoof,
Pours the victorious creek, roar-
ing proof
That rock is the master of
none.

Tool of the gods—it may never
be said
That water has boasted in vain,
Canyons it carves just to make it
a bed,
Shouting, "I'm master of all that
is dead,
And without me no life could
remain."
—Kenneth Oliver.

FRESHMEN TO HEAD Y. W. C. A. MEETING

Thursday, May 21, at 4:15, the freshmen girls will have charge of a regular Y.W.C.A. meeting. Amelia Schrack will conduct the meeting. The topic for discussion is to be "A Colorful Personality." A short program will be presented.

WINN PUBLISHES PERSONALITY TESTS

Personal Test to Find Whether One is Extravert Interesting

A great deal of interest has been shown lately in the personality tests given by Professor Winn to his Psychology classes, and for the benefit of others who wish to find out about themselves the list of questions will be published. It will be seen in the following list that "I" stands for introvert, and "E" for extravert. Answer the questions carefully and honestly, add up the "I's" and the "E's" and determine your tendency. The average person is a combination of both types, although persons of distinct characteristics are frequently found.

1. Do you like to prepare your home work alone or in company with a friend?
I. Alone.
E. With a friend.
½ E. Indifferent.

An interesting study has recently been made by Professor Winn concerning the opinions of various groups as to the fifteen greatest men in the world. The study is made of lists of California high school, the Abnormal Psychology class of Willamette, and of Professor Winn. California High School: Lincoln, Washington, Burbank, Edison, Columbus, Roosevelt, Wilson, Ford, Pershing, Franklin, Coolidge, Shakespeare, Grant, Longfellow, Napoleon. Willamette University: Edison, Napoleon, Newton, Aristotle, Shakespeare, Einstein, Michelangelo, Pasteur, Beethoven, Socrates, Alexander the Great, Plato, Caesar, Goethe, Kant. Professor Winn: Aristotle, Shakespeare, Buddha, Newton, Plato, Beethoven, Michelangelo, Descartes, Goethe, di Vinci, Kant, Galile, Dante, Darwin, Einstein.

College Professor is Seen Gathering Crop of Wild Oats

Not very long ago, Professor Peck was seen wending his way through the halls of Eaton, carrying a bundle of Wild Oats. Lookers-on were altogether shocked and surprised to see a Willamette professor unashamed of the fact that he had been harvesting his wild oats. Of course—even a college professor may have sown wild oats in his youth, but one would think that by the time the harvest was ripe he would not be flaunting his reaping in public.

Certain authorities thought that it was time to investigate the past of the before-mentioned prof. Had Morton E. Peck a checkered past? And above all, had he ever put the president's goats in the chapel? But, no, the professor didn't even cut classes in his younger days! In his college days at Cornell, Mt. Vernon, Iowa, he "hatched it" in a house with four very spirited young men. Yet even these "sports" could tempt him away from the serious business at hand, acquiring a college education.

The only time that his school-mates ever caused him to misstep was an occasion of a midnight chicken supper. Professor Peck denies that he was aware at the time that his pals had acquired the chickens "de natural way," but the persons responsible for the feed have always felt that he knew the source of that chicken dinner. (He knew the boys that furnished the chickens, and he knew their abilities).

Yes, this is the worst that the investigation could reveal. Yet Professor Peck was seen carrying wild oats—perhaps he was harvesting them for a brother professor.

College Humor?

Did you see the two Sunsetters sitting on the slippery tin dome of Waller Hall? No, it was no club idea—just Ted and Chuck paying a Freshman Glee bet. After this long time, we'd say it must have accumulated about two hours' interest. Owe, Owe!

My, my. Here we have the news that the Willamette glee club is going to harrass all those unlucky enough to be in the library Thursday night.

Yup, twentynfour of the best fire alarms in school are going to be set off all at once. The effect should be something like a riot in the insane asylum or meal-time at the pen, or both.

And today we are publishing a choice bit of work, written by us for youse.

The shades of night were falling fast,
As o'er the campus walk there passed
A youth, who went to Waller Hall;
A youth who was so strong and tall—
Freshman!
"O stay," a maid cried at the door,
"Exams are naught to study for,
Shake a leg; come on, let's go
To town and see a talkie show."
Poohish!
Love prevailed; books weren't cracked;
Knowledge great the freshman lacked.
Exams in due time came around,
He dug into his brain and found—
Excelsior!

We have also another poem (it's the weather) dedicated to the house who wrote the one to "Jerry" a couple weeks ago.

Roses are red
So is your nose;
The dog is hairy
And so are your clothes;
You think you're smart
But you're not so keen,
But I forgive ya
Cause your eyes is green.

See you Thursday night—
Very Treble Clef Clubby yours,
Do, sol, me, do, ahahahahah ah!

vice a charming reception was given for the club by Willamette's alumni and other members of the church.

Perhaps the most important event of the whole week-end was the singing of the club over KGW Sunday afternoon. Many students and friends of Willamette have expressed their pleasure at the excellent program then presented.

At the time of his death he was twenty-five years old and is survived by his parents, Mr. and Mrs. Alejandro Carriaga, two brothers and three sisters, all of San Fernando, La Union, Philippine Islands. The young man was majoring in pre-medicine and was deeply respected on the campus for his good work and his ability to cooperate.

Along the Way

By THE WAYFARERS

The prof's best friend wouldn't tell him, but when he asked the question, "What is value of intelligence tests involving drawing and comparison of geometric figures—squares, triangles, etc.?", she had a notion to answer, "It gives the student something to do in a boring class."

We bet Smed Butler'd make a corking-good yoll king. He oughta hire out to schools that need their pop revived. This is an age of specialists and the field is wide open. It'd be a chance for him to make his mark in the world, we're d—n sure!

We ain't gonna war no more, no more,
We ain't gonna war no more;
Libby has been 'n he now has gone,
So we ain't gonna war no more!

Shy Bachelor's Paradise
Once upon a time, when we were young-er, the spears-shaker of those times, and the editor, too, sent up a plaint against the then true saying: "Willamette is a matrimonial bureau." Well do we remember editorials penned to bring to attention and remedy the evil. (We often suspected the trouble was only that the editor or spears-shaker had turned up exceptions to the rule—they had no steadies. But anyway, "Willamette is a matrimonial bureau," they complained.

Now wouldn't they feel that a great and marvelous change had come over the campus of Alma Mater? Not a single announcement of engagements, at least, was made last weekend, the time of sorority formals. The fond lovers who had not made public, formally, their intentions had to go home untrilled.

The old time spring spirit is not entirely dead, however, for when a door behind the speaker's table at one of the Saturday night affairs opened, toward the end of the banquet, more than one couple thought someone was going to "announce."

But to keep on the safe side, perhaps, we had better retrench still further. Maybe the announcements are all being withheld till next fall, when they can be put to good use, thrilling rushes. We've known it to be considered. Honestly, that's a fact.

Tum, tum, tum to tum; tum-
m, tum—
Tum, tum, tum to tum to
tum-m, tum, tum...

Hum the tum-tum-to-tums, they should sound like "Pomp and Circumstance", by Dvorak, isn't it? Soon another senior class will say goodbye.

It hardly seems the boys have received any notice from the campus, but anyway, the Spare Shakers want to tell the baseball team men the Wayfarers are all for them; they're a real ball team. And we hope they come home with the three Missionary scalps.

We'd be mighty pleased if they'd bring us Marcus Whitman's chin whiskers. We need a good whiskbroom.

Hope all our readers ain't as "broke" as we; for it would be a first rate idea to send that ball team of ours some telegrams of encouragement.

We'd better shut up. The editor'll be telling us to, pretty quick, if we don't, for getting editorial.

Yours truly,
THE SPEARE SHAKERS.

The mighty redskin bit the dust right nobly when Deadshot Dick aimed his gat. And his feathers didn't even get mussed. We admired the chief.
When Rhoda, the beautiful young Indian squaw ('tis kindly meant, Dee) clasped her hands in true Bernhardtian style and muttered, "Widowed before wed!" there was many an eye which no longer dry. (Somebody upset the spirit gum in Gent's proximity, and Blanche Reece wielded a mean greased stick!)

Rhoda's beautiful little palfrey behaved well Friday evening. Perhaps he had promised to be good because he had been given a brand-new mail-order bridle. But the novelty had worn off the second evening. Or maybe he knew what he was in for.

One of the cast, upon seeing the Hon. Mr. Whitcomb (Ernest Denning) prouetting in a tall, silk hat, asked Prof. Rahe whether it was historical. An enlightened third party spoke up and said, "Not historical—hysterical."

Our little comments are kindly meant. We're just plodding in the footsteps of the personage who said that the Holy Roman Empire was an apt cognomen—except that it was neither holy, Roman, nor an empire. The pageant was a fine piece of work and a great credit to Willamette. All that lacked was Giekie's well-known voice.

Y. M. CABINET TO SEND 10 STUDENTS

Ralph Foster in Charge of Interesting Student in Seabeck

At a recent cabinet meeting of the campus Y.M.C.A. it was voted to guarantee that ten Willamette men would attend the "Y" conference at Seabeck. Ralph Foster who is in charge of getting students to attend the Seabeck conference, reported that already ten men had definitely signed up to go. Five other men are undecided. Foster is going to send a letter to every man on the campus who may be interested in attending Seabeck.

With so many Willamette men at Seabeck this year it is expected that they may bring home a good share of the pennants which are given to the schools winning in track, baseball, tennis and swimming.

The "Y" conference is to be held from June 6 to June 13. This is exam week on the Willamette campus but it has been arranged that those attending the conference may take their exams a week early with no additional charge.

JONES ADDRESSES SALEM HI STUDENTS

Professor W. C. Jones of the sociology department gave an inspirational talk to the students of Salem high school at a special assembly Monday afternoon, May 18.

The four things he would stress in teaching a course on "How to be Great," he said, were: learn to know the problems of the times; contribute an idea which will elevate man to a higher plane; be willing to suffer for your idea; and don't think that you have to be a success in your ideas to be great.

NEW PLAN FOR 'BIG SISTERS' IS GIVEN

In the fall of 1931, the Y.W.C.A. hopes to put into practice a new plan for the annual "Big Sister Movement."

At a meeting of University Women after chapel on Monday, May 18, Dorothy Rose explained the new plan.

There will be an organization of twenty Big Sisters, each of which will have five Little Sisters. Six of these girls will be sorority girls, chosen by their respective sororities. The other fourteen girls will be non-sorority girls, chosen by the Dean of Women, and the president, and vice-president of the Y.W.C.A., from a group of girls interested in being Big Sisters.

The Big Sisters will be on the campus after 4 p. m. each day of Freshman Week. They will meet once with the Dean of Women, and afterward once each month.

MILLER'S

Frosh Pageant

(Continued from page 1)

The special music for the pageant was composed by Mrs. Stephen Stone. An Indian song, sung by eight-year-old Joseph Salunski of Chemawa, received much applause from the audience.

Perhaps the most exciting scene was the one which portrayed the meeting at old Champeog. Tom Hall as Joe Meek, was very effective and added much life to the act.

Other characters that were outstanding in carrying out their parts were Eugene Smith (Jason Lee), Carl Marcy (Cyrus Shepherd), and Dorothy Daik (Rhoda). Mrs. Herbert E. Rahe was the reader and gave the history of each scene.

Mylie Lawyer, who played the part of Madame Dorion, is a real Indian princess. She is the great granddaughter of Chief Lawyer, who was commissioned chief by Dr. Elijah White in 1842, and who once saved the life of Governor Stevens and his party.

Although the pageant was not as successful financially as had been expected, enough tickets were sold to provide some new properties for the public speaking and dramatic department.

It is planned that this pageant will be presented every year up to 1934, when it will be featured at the state fair grounds, bringing tourists from far and near.

Suggestion is Made

(Continued from page 1)

And so the usage is to prod gently with the note, the person in front—and when the paper bends and no prod results, something else must be done. In a case like this, the sender usually whispers, "Mary." Mary is interested in the speaker and does not hear. She who sits next to the sender is inspired with a desire to help. "Mary"—a little louder. Mary is still interested in the speaker. The sender bends down to prod her. A failure. The next girl does the same. The next girl leans over, too, as an interested spectator. And then the girl in front beside Mary, notices the difficulty and nudges her friend. When it is all over.

FOR FLOWERS "Frosty" Olson Phone 7166 Corner High and Court

No—obviously our system of passing notes isn't the most subtle thing in the world. But with the resourceful Freshman classes coming in every year we can expect an improvement in the near future. Here is a suggestion which we humbly submit. How about a reappointment of student-body funds so that each student will hereafter be supplied with a prodder for chapel use?

A beautiful gift for her Graduation

a chest . . . steeped in the romance of the past

THE DOWLING DOWRY CHEST

The design of this chest reverts to an old dowry chest said to have been used in the Court of King James I in about the year 1620.

According to the story, one of the court attaches, a Sir Henry Dowling, had one daughter whom he loved very dearly.

This daughter, Amelia, had been sent to a convent on the continent. When she was ready to return to England, Sir Henry, in true fatherly fashion, desired to commemorate her home-coming with a gift.

So he called in the artisans and he ordered them to make a chest which should surpass all others in beauty. He selected the wood, watched

the work step by step, and finally when the chest was completed, nobody in all the Court had ever seen one lovelier.

Amelia came home. She accepted the chest with heart overflowing with joy. And, according to the story which ends just as all such stories should, she married,

settled down and lived happily ever after. Championship Series Begins at Walla Walla Today

Spec Keene Takes Fourteen Men on Trip to Walla Walla for Three Whitman Games

After winning six consecutive Northwest conference games by overwhelming scores, and rolling up the record total of 83 points to but 8 for the opposition, the Willamette Bearcats are playing a three game series with Whitman college in Walla Walla Thursday, Friday, and Saturday for the Northwest conference baseball championship. Willamette won the championship last year by defeating the Missionaries in a three game series at Salem, and the Bearcats are hoping to repeat the performance on the enemy's stamping grounds this year. The whole outcome will depend on the Willamette pitching staff and the hitting in the tight places. It will be curious to note whether the famous Whitman "Jinx" or hysteria will overcome the baseball men.

The main strength of the present nine may be said to lie in the mound staff and the big-stick propensities of several of the men, notably Andy Peterson, Lowell Gribble, Don Messenger, and Zeke and Lou Girod. Andy has been doing remarkable things at the plate this year with an average of over .700 and several perfect days at the plate, in two of which he laced out six hits, three for extra bases. Lowell Gribble is another valuable hitter, having laced out several home runs and doing invaluable service as a pinch hitter. He works out at third base, and may hold down the hot corner if his hitting keeps up, although he has shown traces of nervousness on the key sack.

Stars to Have Chance to Show

Don Messenger, the stocky freshman catcher, has been pounding the ball for good hits, including several good triples and home runs. Messenger is a good man to bat with men on bases, and is usually dependable. His work behind the plate has been almost faultless. The work of the little catcher is brilliant and his pegs are good.

The Girod brothers have starred all season at short and second. Both are good hitters, and the freshmen have handled their positions in great style. Zeke Girod is a hard man to pitch to because of his small height and his hard hitting bickery, while Lou rarely misjudges a ball and plugs his hole in the infield most capably.

Dwight Adams has done consistent work at first base, all year, and can be depended on to hold down that position, although "Spec" is grooming Erickson for the place as a matter of precaution. "Smokie" Adams has but one fault, and that is his poor hitting. His work at the plate throughout the season was poor, but "Smokie" delighted his fans in the second Linfield game by poking the ball for a home run on his first time up.

Scales, the blonde center-fielder, has starred all year on the defensive, saving many a game with his spectacular fielding of difficult balls. Scales is not especially strong at the plate, however.

Erickson, Gill, and Moore have alternated at left and right field, with Andy Peterson usually appearing in the right garden. All are first class fielders, with good arms to the infield, but the first three have not been strong at the plate.

Mound Staff Appears Strong

Willamette was supposed to have a weak mound staff this year, but Doby Wood appeared to fill up the gap in great shape. The freshman hurler shows splendid promise, and has two wins over Oregon to his credit. He pitches great ball at times, but has a tendency to walk several batters in a row and otherwise get himself in a tight hole, but it may be said to his credit that he usually manages to wiggle out of the holes without too much damage being done.

Gretsch is an effective hurler. Pete does not specialize in strikeouts but has a difficult ball to hit, and most of the opposition outs come on high pop flies to the infield.

Too much cannot be said about the splendid work of Andy Peterson so far this season. Andy won one game from Oregon and another from Oregon State, and has to his credit a no-hit, no-run, no-error game, pitched against Puget Sound. He is also a real hitter, and when not occupying the mound, cavorts in right field.

Girls' Baseball Tournament Set For Monday

The girls' interclass baseball tournament will be held next week on Monday, Tuesday and Wednesday.

Two games will be played off each day. The class teams will be made up of girls who have had at least six practices.

Thirty Runs Pounded Out By Bearcats

The Willamette Bearcats pounded out a 30 to 2 victory over Puget Sound in the second game of the series recently. Doby Wood, pitched for Willamette and did effective work, almost earning a shutout. All the Willamette men batted lustily, rolling out 24 good hits, and concentrated these hits to produce the maximum number of runs. Twelve tallies crossed the plate for Willamette in the third, and the Bearcats scored in every inning after that but one.

For Puget Sound it must be said that the Loggers had been playing a hard schedule and had about run out of pitchers. The Tacoma school carried few men on the trip and these men had to play all positions. The two Loggers were scored when Bearcat substitutes played loosely and failed to support Doby Wood.

MISSIONARY TEAM IS TOUGH OUTFIT, SAID

From advance information Spec Keene's Bearcats will meet a tough team in Whitman. The prospect did not discourage Willamette's fighting nine, however, and the men left for Walla Walla by automobile in high spirits.

"Nix" Borleske has developed a good team at Walla Walla, one of the best in years. Whitman has five first string pitchers and good reserves all around, and the team has had a successful season, putting up a good scrap against Washington State and Idaho and winning five out of six games in its series with the College of Idaho.

The Whitman team will consist of the following men: Soper, Clow, Records, Russell, and Turner, pitchers; Dorath, catcher; Hove, first base; Anderson, second; Jones, third base; Devoe, short stop, and Haynes, Ross, and Chaplain Breum in the outfield. Records, Clow, Hove, Devoe, and Breum are veterans. Hove is familiar to Willamette fans through his performance on the court last fall.

"Spec" Keene is taking with him to Walla Walla fourteen men, including Wood, Peterson, and Gretsch, pitchers; Messenger and Houck, catchers; Adams, Gribble, Lou and Zeke Girod and Williams, infielders, and Erickson, Moore, Scales, and Gill in the outfield. The outfit left Salem early Wednesday morning.

LINFIELD BALL TEAM LOSES HERE 14 TO 2

The Willamette nine turned Linfield under last week, 14 to 2, to cinch the western half of the Northwest conference and extend their winning streak to thirteen games. Doby Wood pitched for Willamette and came off fairly well despite some wild moments.

The Linfield pitcher hurled good ball for the Wildcats, being nicked for but twelve hits. The queer point about his record is that one-fourth of the hits, four to be exact, were home runs. Adams laced out the first one to deep center bringing in a man, and Gribble and Messenger poked out others. Andy Peterson knocked the longest hit of the day, a long floater that travelled almost to the rafters at tracks. The bags were loaded at the time, and four runs came in on the blow.

The game was fairly fast and free from errors, although the Linfield short missed some easy chances. Adams played a whale of a game at first base. Linfield 2 7 2

WILLAMETTE LOSES CONFERENCE TENNIS

Singles and Doubles Teams Lose to Whitman, Pacific and Reed

Since winning the first Northwest conference tennis match early in the season, defeating the College of Puget Sound, the varsity squad has lost the three following matches to Pacific university, Reed, and Whitman.

While the Bearcats were nosing out the Pacific Badgers in Forest Grove Saturday, May 9, in baseball, the racquet men of Willamette won but one of the four matches when Roeder beat his opponent in singles. Harmon and Goode lost their matches and Goyno and Roeder dropped the doubles match.

Last Thursday in Portland Reed college won their second tilt with Willamette when they took a love match 7 to 0. The previous engagement on May Day was not quite as disastrous, as Willamette won two of her matches.

Monday Whitman sent two Missionaries to Willamette where they routed the Bearcats in the three matches played. Oswald of Whitman, who is rated as the ninth best collegiate tennis player in the United States, defeated Roeder 6-1, 6-2; Hartman of Whitman defeated Harmon 6-0, 6-1. In the doubles match Oswald and Hartman beat Hageman and Goode 6-0, 7-5.

The freshman tennis tournament has been partly played off and those who have so far survived one or two matches are Carpenter, Upjohn, and Sweet.

The results of the matches thus far have been: Childs beat Gianoli, 6-4, 4-6, 7-5; Carpenter beat Hershberger 6-2, 7-5; Carpenter beat Childs 6-3, 6-3; Upjohn beat Hardy 10-8, 6-4; Sweet won by a forfeit from Jaake.

Several matches are yet to be played in the first round and according to Goyno, manager.

WILLAMETTE TAKES FIRST TRACK MEET

Pacific College Defeated 85 to 51 at Salem Tuesday

The Bearcats came through with a track victory Tuesday afternoon—defeating Pacific college 85 to 51.

The feature of the day was the half mile run between Kaiser of Willamette and Sandose of Pacific. The boys went around side by side with Sandose winning by inches on the final stretch.

Don Faber, by virtue of taking second in the 100 yard dash and first in broad jump, taking second in the pole vault and low hurdles and third in the high hurdles, was high point man with 16 points.

John Nelson, Bearcat pole vaulter, went over the bar at 10 feet, 6 inches to take first place. If Nelson continues to improve in the future as he has in the past, he will figure very materially in the five-way meet.

Cook made a fine run to win the two mile run. Fonta, a freshman, won the discus with a throw of 108 feet and 1 1/2 inches. Smith took the javelin and shot put. Lang the mile, and Kloostra tied for first in high jump.

The summary:
100 — Faber, W. Wirt, P. Walker, W. Time, 10.8.
220 — Wirt, P. Walker, W. Hamilton, W. Time, 25.
440 — Sandose, P. Spellbrink, W. Nieland, P. Time, 55.6.

The results of last week's games were as follows:

Sigs 15, Kappas 6; Rook I 15, Int. 3; Rook II, 0, Outlaws 13; Alpha Psi 14, Fac. 3; U. L. 7, Rook II, 9; Sigs 2, Rook I, 3; Fac. 11, Int. 4; Kappas 3, U. L., 4; Rook II, 0, Alpha Psi 13; Outlaws 6, Sigs 7; Kappas 0, Int. 1; Rook I, 1, Rook II, 0; Alpha Psi 21, U. L. 15; Sigs 11, Int. 4.

Competition in the Do-Nut league has been very stiff the past week, and most of the teams have found it rather hard to win consistently.

The Outlaws took over the franchise of the Law school and won two shut-out games before they were stopped by the Sigs 7-6. The game was close, but the Outlaws held a lead until the final inning when a dropped fly in the outfield let the Sigs score three runs. Gibson and Girod were the batteries for the Outlaws. They were assisted in the field by Ackerman, Kaiser, Ferguson and others. Purvine pitched steady ball for the frat men.

In the biggest upset of the season the Sigs were defeated by the Rook I team 3-2. The game was as close as the score indicates, with Purvine and Zharley pitching great ball.

The Alpha Psi kept up their winning streak and demonstrated why they lead the league with victories over Faculty 14-3, and a win from the Rook II, 13-0. The Faculty didn't score until the last inning when they bunched three hits and an error for the three runs. Blanchard pitched for the Frat men and Sparks pitched for the Faculty. Jones, Faber, Smith did fancy fielding for the Alpha Psi. In the second game the Frat men took a big lead and maintained it throughout. Bushnell

WILD INNING AIDS BEARCATS TO WIN

Pacific Overwhelmed 20 to 1 as Locals Score Eleven Runs at Once

Pacific came down to Olinger field last week with high expectations but were ground into the dust, 20 to 1. Andy Peterson pitched masterful ball for the Bearcats and was nicked for but three hits while retiring batter after batter by the strikeout route. Pacific's single run was scored in the first inning, and the Badgers never threatened after that, although the game was fairly close until the last half of the third.

Willamette rejoiced in another wild inning, coming to bat in the latter half of the eighth with the score 9 to 1, and chasing eleven runs across the plate before the third man was put out. Acheson had pitched a good game up till this time, despite some poor support, but he was pounded off the mound early in the inning and Pacific was lucky to ever retire the side.

Andy Peterson was not content with holding the Badgers to three hits, but also batted heavily, making six hits from six times at bat, including a triple and two doubles. Don Messenger and Zeke Girod were other good hitters, but the whole team scintillated at the plate and every man to last the game made at least one hit.

Pacific and Linfield Track Squads Administer Crushing Defeats to Local Trackmen

Weaker Sex Proves To Be Champs

On the afternoon of May 8, Pacific University drubbed the Bearcats by the overwhelming score of 94 1/2 to 36 1/2. Cook, Headel, and Stone swept through in the two mile, and Kaiser, although not slated to run, won the half mile. The only other first place was in the discus which was won by Carpenter.

Harry Stone placed second in the mile, while Smith and Carpenter brought second and third place in the javelin. Third place in the shot-put also went to Carpenter. Third place in the 220 low hurdles and in the pole vault went to Don Faber, veteran Bearcat field man. Nelson, who has been out for track a short while this season, placed second in the pole vault.

The only other man placing was Kloostra who jumped five feet six in the high jump. This is one of the few times Willamette has ever been defeated by Pacific in track by such a one-sided score. This goes to show that track is becoming more important in the Northwest. It is hoped that next year's Willamette track team will make a better showing when they will have a new cinder track to use.

After losing to Pacific the Bearcat tracksters suffered another defeat at the hands of Linfield by a score of 78 1/2 to 32 1/2.

The outstanding individual of the meet was Tichenor of Linfield who won the 100 yard dash, 220 yard dash, and the 440 for Linfield. Carpenter came next by virtue of winning the shot and the discus, and by coming in third in the high jump and javelin.

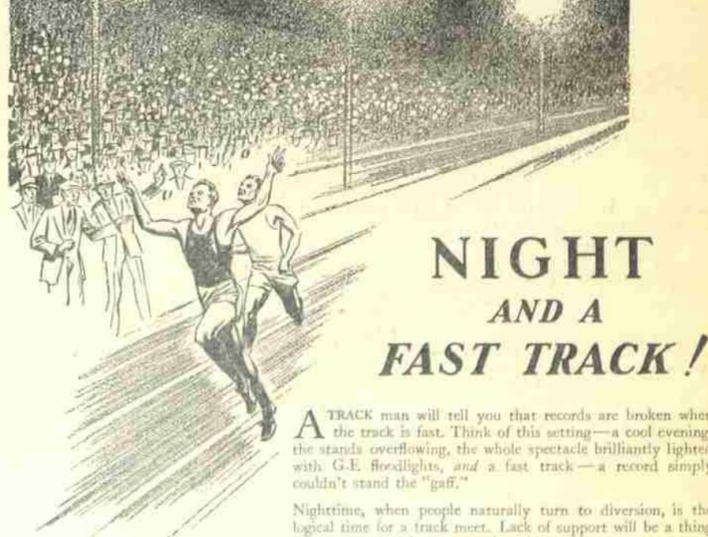

Willamette made a clean sweep in the distance runs with Kaiser winning the half mile, Stone the mile, and Cook the two mile. Fred Smith was victorious in the javelin and John Nelson won the pole vault—going over the bar at 10 feet 9. Nelson placed third in the low hurdles. Armstrong took second in the 440 and 880 yard dashes.

The Willamette men who placed are as follows:
220—Walker, third; 440—Armstrong, second; 880—Kaiser, first; Armstrong, second; mile—Stone, first; Lange, third; 2-mile—Cook, first; 120 high hurdles—Baldwin, first; 220 low hurdles—Faber, second; Nelson, third; pole vault—Nelson, first; shot-put—Carpenter, first; discus—Carpenter, first; Fantz, second; high jump—Carpenter and Kloostra tied for third with Linfield man; javelin—Smith, first, Carpenter, third.

NIGHT AND A FAST TRACK!

A TRACK man will tell you that records are broken when the track is fast. Think of this setting—a cool evening, the stands overflowing, the whole spectacle brilliantly lighted with G.E. floodlights, and a fast track—a record simply couldn't stand the "gaff."

Nighttime, when people naturally turn to diversion, is the logical time for a track meet. Lack of support will be a thing of the past. And just watch the athletic fund grow.

G.E. floodlighting projectors, largely the development of college-trained men, are easily adapted to any occasion whether football, track, tennis, commencement, receptions, or plays. Efficient G-E illumination promotes athletics and builds school spirit.
