Officer Candidates Many

By Bob Christensen

The freshman class at its nomination meeting this week put the names of 35 candidates on the October 12 and 13 ballot, something of a record nomination, and gave promise of a hotly contested campaign battle. The other three classes, too, named candidates for the coming election during class meetings held this week.

Ted Loder, the temporary president of the freshman class, is joined in the race for that office by Dave Carr, Lowell Maudlin, Alan Miller, Wallace Snyder and Mike Linn.

The vice-presidential post, also apparently very desirable, has

for nominees Jim Miller, Bill Landers, Sherm Bliss, Dave Hobbs, Jackie Johnson and Doris McCain.

The secretarial and treasurer posts, did not appeal to so many, but four candidates were nominated for each office. Doreen Lyon, acting secretary, Margaret Sargent, Shirley Hansen and Elaine Wallace being the candidates for secretary; and for the treasurer, Bill Ready, Pat Rice, Elton Lathkey and Doug Webb.

Sergeant-at-arms drew forth six nominations, including Norman Dversdahl, Don Hosford, Bob Seamster, Jerry Crandall, Ralph Barker and John Markosi.

Representative Nominees

But not until nominations were asked for the class representative did the freshman competitive spirit come to full flower. Nine nominations were recorded. Bill Merriam, Charles Carter, Bill Bissel, David Place, Jack Miller, Jim Williams, Louis Prediletto, Doyle Dodge and Maury Underwood comprising the list of hopefuls.

A little less numerous, the sophomore class still presents a list of nominees that promises a vigorous campaign. Art Beddoe, Elliot Motschenbacher and Burnell Ambrose are the presidential nominees, while Diana Arpke, Keith Sperry, Alice Turtledove and Jean Gilmer are the vice-presidential candidates. For secretary of the sophs are Shirley Ambler, Barbara Robinson, Jeanne Mills and Jean Glasse.

Carlson, Brown Vie

Herb Carlson and Jack Brown are rivals for the office of treasurer while Alan Goudy and Bill Ross complete the list of nominees in their rivalry for sergeant-at-arms.

During the meeting of the junior class Tuesday afternoon, Roger Adams was uncontested for the office of president, but nominated for the vice-presidency were Larry Stocks, Don Barkley, and Joe Brazie.

Pat Howard and Avis Roberts were nominated for secretary, while Inie Lou Wilhelm and

Ruth James complete the junior list of nominees with their candidacy for treasurer.

Henderson Opposes Holtz

According to presidential candidate Bob Baum of the senior class, who runs against Bill Bonnington and Ray Yocom, a petition is being entered for Will Henderson to oppose Pat Holtz for the office of vice-president.

Ray Loter is uncontested for the master-at-arms office, and Richard Yocum is equally fortunate in his candidacy for the office of publicity manager. Barbara Miller is the sole candidate for secretary and Helen Larson for treasurer completes the senior class nominees.

Honor System Reaches Study By Faculty Policy Committee

The University's policy committee, consisting of eight faculty members, this week approved and turned over to a committee of three, an honor system for examinations which was partially adopted here last spring.

Slight revisions are yet to be made in the system by the committee, the policy group announced, and then the honor plan will be returned for faculty approval. The plan has yet to receive complete student approval through an open meeting to be called in the near future and a balloting in which the plan will get final approval or disapproval. During the balloting, students will be asked to sign the ballot stating, "I will actively support this honor system when taking examinations," or words to that effect.

Three Main Points

The proposed system as partially approved last spring contains three main provisions. These provisions include recommendations for mechanical measures to eliminate the temptation to cheat, stipulation for an honor committee and honor pledge and recommendations to the faculty.

In an unofficial student vote taken last semester, 77 per cent of those voting expressed desire for an honor system on the campus.

Group Considering Plan

The policy committee consists of faculty members, Dr. Chester Luther, chairman; Dean Melvin Geist, music school; Dean Robert Gregg, college of liberal arts; Dean Seward P. Reese, law school; Dr. Martha Springer; Dr. Edward Kollman; Dr. George Martin and Dr. Robert M. Gatke. New consideration committee is Dr. Luther, Dr. Springer and William Harris, first vice-president of the student body. Harris and George Hurt, student body president, sat in on a meeting this week.

The policy committee will hold a second meeting to consider revisions Tuesday at 4 p.m. in the library.

Portraits Set For Wallulah

Student portrait sittings for the Wallulah are scheduled to begin Tuesday, and continue until the Thanksgiving vacation, when they should all be completed. Portraits, to be taken at Jesten-Miller portrait studio, will be scheduled and grouped in the year book according to living organizations, with Alpha Chi Omega heading the list, according to Geri Bowles, Wallulah editor.

One person in each living group will be responsible for arranging sitting appointments. Salem students will be under a separate classification and a partial schedule will be placed in Eaton Hall, Monday.

Students will not be charged for their portraits taken for the annual. However, Jesten-Miller will offer special reduced rates to students who may wish to order copies of their pictures.

Student solicitors have started collecting one dollar from each Willamette student, to help meet the increased budget of the 1949 Wallulah. This dollar must be paid before the student will be assured a copy of the yearbook.

Miss Bowles also related that Dale Reynolds has been appointed sports editor. Reynolds, who served last year on the Collegian sports staff, will handle the scheduling of sports pictures and writing of copy.

Yo! Lettermen

There will be an important meeting of the Lettermen's club today at 2 o'clock in the gymnasium, Howie Lorenz, president, announces. Lorenz asks that all members be there.

ROGER ADAMS
UNOPPOSED JUNIOR
FOR PRESIDENT

Chapel Topic Told

"High Roads to Scholarship" will be Pres. G. Herbert Smith's topic when he speaks at the freshman convocation Tuesday in Waller Hall. Reverend George R. Bolster of the Trinity Episcopal church in Bend will speak Thursday, First Methodist church.

New School Chest Combines Drives

John Christensen, Salem, this week was named by the student council to act as chairman of a school chest committee. Named to assist Christensen in the chest campaign are Patricia Holtz, Portland; Ray Yocom, Riverside, Ill.; Ray Loter, Portland and Jean Carrico, Spokane.

The new school chest, as adopted by the council this week, would concentrate the major money drives into two one-week drives near the beginning of each semester. The committee as named by the council would coordinate these drives for solicitations, publicity and entertainment.

Suggestions offered the committee in planning the formation of the first drive included several major items. The council suggested that the week designated for the concentrated drive to cover all money drives be devoted primarily to an all school entertainment, proceeds from which be given to the campaign. It was suggested that the drive be conducted on a pay-now-or-later basis with subscription cards issued on which the donator might indicate whether he wished to contribute all his gift to one or all the organizations listed.

Budget Formed

The committee appointed has now to organize a campaign budget in which organizations will be listed to show how much will be subscribed to each. Organizations affected include the WSSF, Red Cross, Tuberculosis association, Chin-up club of Oregon, Easter seals, March of Dimes, Salem and Oregon Community chest and other organizations.

The week of the concentrated drive is to be announced later by the chest committee and the committee is to appoint drive chairmen in the various campus living organizations.

Whip-Whitman Chairman Appointments announced by the council during its meeting were James Purdy as Whip-Whitman chairman and Art Diamond as co-chairman for chapels assisting Tom Bartlett.

Some dissension among council members was shown concerning the charge of fifty cents and \$1 respectively for ribbons and hats for the freshmen. Action was tabled until the next meeting regarding the subject as was action on dissension over the charge to organizations by the Wallulah for pictures.

Next student council meeting will be held Tuesday at the Gold Arrow restaurant at 6 p.m.

Next student council meeting will be held Tuesday at the Gold Arrow restaurant at 6 p.m.

Advertisements will be scattered throughout the book.

(Cartoon by Ed Fitzsimmons)

Get It Off Your Chest

An idea which was nurtured on the campus last spring has come back for consideration by the student body and student council this fall. It concerns the establishment on the campus of an all-school chest which would replace the many money drives which permeate the university during the school-year.

Advocates of the plan believe that the school chest, if handled in a democratic way, would relieve the student of the constant canvasser who heckles night and day for some money drive or other. Advocates even suggest that the student might subscribe an amount to the chest and pay for it in cash or pay for it as convenient.

Those against the plan believe that none of the drive officials would ever be satisfied with the amount subscribed to their organization under the school chest plan. They believe that persons will naturally not give as much under one concentrated drive as they would to two or three drives. And how, say those against the school chest, could we pro-rate the correct amounts to the various organizations involved? Some of these would be the World Student Service fund, the campus YW, the campus YM, the March of Dimes, the Oregon and Salem community chest, the Tuberculosis association (Christmas seals), the cancer fund, the crippled fund (Easter seals), and several other organizations.

The *Collegian* believes that if a workable plan can be negotiated with the different drive chairmen, the school chest should be tried this year. If it is not tried we will never know whether it is workable or not and certainly any salvation from the constant canvassers would be a relief.

We liked Tom Dewey's favoritism to the school kids who greeted him at the SP depot Monday. One of them remarked that they would be able to stay out of school for 20 minutes after he left. So, Dewey remarked that he would never tell when the train had pulled out.

CARTER Slings the Ink

Commentary on the Week's News

By Charles Carter

THE RUSSIAN FRONT: The Reds maintained an anti-aircraft barrage in the air corridor to Berlin for three and a half hours Friday, but no one was reported hit. The Ruskis did warn their western quote-allies-unquote . . . an hour and a half after the shooting started. Practice, yet. The air lift went through as usual, however, and successfully called another Soviet bluff . . . Vishinsky is still accusing everyone in sight of most anything, it seems, that pops into his head at the UN sessions in Paris.

I WONDER: How Progressive Wallace and Dixiecrat Thurmond blast their common opponents as rabid reactionaries and call them bedfellows to Uncle Joe in the same breath? . . . Joe Lynam, popular coast wrestler and former Redmond high school athlete, missing in his private plane en route from Boise, Idaho to Eugene has been found dead at the scene of the crash twenty miles east of Bend . . . Now they tell it that Robert Mitchum of the movies and scandal sheets was paid \$3000 two months ago to endorse a cig ad not yet published. Ha. Maybe he should have stuck to that brand, huh? . . . We noticed in his short talk here Monday that Governor Dewey is still using one of the sharpest points of his Portland debate with Stassen earlier this year. The one about not appointing Commies in the first place, etc.

They're still killing UN officials in Palestine. This time,

among others, it's John Locke Lewis (not Mr. Eye-brows) of the US . . . Dr. Ralph Bunch has been named acting UN mediator in Palestine to replace the late Count Folke Bernadotte . . . The Count was killed by Sternist Jews, Lewis allegedly by Arabs.

RANDOM THOUGHTS: From reading the papers you would get the idea that more babies were born now with their bladders outside their bodies than not. Now there's one in Chi. Operation successful . . . We were wondering what they'll do about the slow draft sign-up . . . A party of hunters from Oregon has found the wreckage of an Army pay plane that crashed in the northern Canadian wilds in February of 1943. They say it carried \$500,000. Cold cash, no doubt . . . The Army is dropping its plans for a fancy new dress uniform and concentrating on combat garb. Are we really going to stay awake this time? . . . In his Portland speech Monday, Dewey said that he detected just a "whiff of victory." Whiff? Has the Governor caught cold in our recent UNUSUAL weather?

Don't Sell Frosh Short, Freshman Asks in Letter

By Mary Louise Lee

Dear Upperclassmen:

Because green is the color of growing and immature plants, this color is often applied to Freshman. We Frosh think white, meaning Purity, Truth, Modesty, TEMPERANCE and Innocence would fit us just as well.

You upperclassmen of divine origin (yellow, being the symbolic color) find it hard to believe that we exist with any amount of merit, but we do, we DO, WE DO! No other class of men and women could step from the Stygian darkness into the light of your learned countenances and still be able to bear it.

Ah, the disillusionment of it! We wept when we found that Moses hadn't written the first five books of the Bible. We had a disgusting lesson in higher finance when you sold us two cents worth of ribbon and a half-cent hairpin for fifty cents; and two-bit hats (without the engraved name, yet) for one dollar.

Several of our number have been rudely shoved into the mill stream, but we are noble enough to turn the other cheek. We have to be noble, there's no other way.

An all important question was asked before any female freshman signed her name, "MEN?" "Three to one," we were told. That was right, BUT two out of three are, if you'll pardon the expression, married, and that extra one, unshaven, repels woman with fear and trembling.

The time will come when we cease to gaze upon you upperclassmen, "As thru' a glass darkly," though by then, we will have joined the higher ranks.

Green is also indicative of life and hope and if we're lucky we'll be allowed to hope.

Hit and Run Driver Does Bang-Up Job

An unknown person was responsible for a hit and run accident Tuesday when a local beverage truck ripped the fender from Dick Hill's new '49 Ford. According to eye-witness Harry Ohlmann, who was standing on the library steps at the time, the vehicle failed to slow down. Campus "Fearless Fosdicks" immediately began a search for the culprit but their attempt was without success.

On the SOUTHard Side

By Wally Southard

Draft notes: One topic of conversation which keeps popping up around the campus is the draft. Even a few of the coeds are discussing this latest threat to the eligible males, but of course not as enthusiastically as they would were the induction rules a little more stringent.

Very few of the campus eligibles seem to be worried about being called into service right away. Things aren't the way they used to be, when the doctor took a look in your ear, felt you, and declared, "I-A. I can't see daylight through his ears, and he's warm."

The president recently published a directive listing 147 ailments and diseases, which constituted grounds for deferment. With that many choices, nearly all of us should stand an even chance to remain a civilian.

The old standby, flatfeet, when "accompanied by marked symptoms of deformity," is still good for deferment, in spite of the talk we hear about the coming push-button army. It could be that not even in these days of atoms and rockets has the army been able to find a suitable substitute for two good feet—with matching legs.

I hope the foregoing doesn't inspire the eligibles to rush right out and start jumping from the top steps of Waller to the sidewalk. Don't forget, if your feet are excellent you still have 146 more chances for deferment.

Among the "civilian keepers" listed are stuttering, deformity of an eyelid, deep scars which show a tendency to break, and certain warts on "weight-bearing areas."

The last ailment seems to be the one that most students might qualify under, that is, if the president is willing to stretch the definition of a "wart" to include a "callus," and to include that part of the anatomy upon which we sit—while we study, naturally — as a "weight-bearing" area.

Who Is It?

Let's tell you just who is me
Or at least who I ought to be
A lot of me will make a fire
Guess who is me and send a wire!

Elizabeth Guttridge, with student body card 439, was first to answer last week's clue. Her correct answer was Seward P. Reese.

Your correct answer to the above clue and presentation of your student body card to the feature editor, at the Collegian office, will win you \$1. Remember though, you must be first and you must give the person's full name as indicated in the clue.

If you can't guess the first one try this one for an added prize of \$1:

Two thousand pounds or more
is part of me,
Just who I am is plain to see
A quarter of a bushel makes
my name
But I am happy just the same.

An Apology

Because of an error in the printing of last week's Collegian we lost the bottom three lines of our feature page. To satisfy all curiosity, the letter to the editor of last week was written by Meryl W. Smith.

Collegian Reminds Writers Of Short-Short Competition

Interest is being shown about the campus in the Collegian sponsored short-short contest as announced in the first issue of the Collegian, September 17.

The contest, in which any associated student of the university may enter is already underway and will close on Friday, December 10, 1948. Announcement of winners will be made Friday, December 17, 1948 in the Christmas issue of the Collegian.

Entrants are asked to submit their entries as soon as possible to give judges ample time for judging.

Rules of the contest are as follows:
1. Stories may be on any subject of general interest, preferably with a surprise ending.
2. Stories must be submitted in typewritten form and may not exceed 500 words in length.

3. Decisions of the judges, to be announced later, will be final and no entries will be returned to the writer unless the writer specifically requests return and picks the manuscript up at the Collegian office personally.

4. Stories must be in the hands of the judges at the Collegian office prior to noon, December 10, 1948.

5. Winning stories, first second and third prize winners, will be published in the Collegian the first prize-winning story on December 18, 1948.

6. Prizes will be: First, \$10; second, \$7.50 and third \$2.50.

7. Winning stories will also be submitted with recommendation from the Collegian and judges to a national publication for consideration.

8. Entries must include the writer's name, Salem address and phone number, if any, and student body card number.

9. All associated students of Willamette university are eligible to enter the contest.

10. Entries agree that the Collegian holds priority publication rights to all manuscripts.

Further announcements concerning the progress of the contest will be made in the Collegian as the contest progresses.

Al McMullen, as second vice-president of the student body, will have charge of elections on the campus October 12 and 13. Nominations for major offices have been made (see story on page 1.)

Homecoming Manager Tripp Announces Slogan Contest

With the announcing of the slogan contest this week by Chairman Russ Tripp, plans for Willamette's annual Homecoming celebration are in rapid development. The aim of the contest, which is the first of the Homecoming events, Tripp explained, is to find the catchy phrase which will be used as the theme for the big weekend on October 22 and 23.

Classes Elect Fall Officers October 12, 13

Al McMullen, second vice-president of the student body and in charge of elections, announced today that the polls for the election of the class officers will be open on Tuesday and Wednesday, the 12th and 13th of October, respectively, between the hours of 8 a.m. and 4 p.m.

Polling places will be in the Bearcat Cavern and in Eaton Hall. An effort is being made at present to have the polls open part-time in the law school and the music school.

The student, after presenting his student body card, will be given a numbered ballot upon which the names of the candidates will be printed. It is urged that all students holding student body cards show their interest in their class affairs by voting.

Cold Shots Offered

Infirmary Nurse Mrs. Althoff reminds all students that cold shots will be given weekly free of charge every Wednesday in the infirmary. Students not starting the shots this week are urged to begin Wednesday. Mrs. Althoff and Dr. Purvine recommend that everyone take advantage of these shots.

School Artists Plan Murals For Collegian

The Willamette art department this week announced that it would paint a series of murals in the revamped Collegian office beginning immediately.

Depicting the beginnings of the written word, the murals will follow through to the building of the first printing press, Dale Cleaver, student in charge said.

Research on the project is to begin immediately, Cleaver added, and will be carried on as a class project during the coming school year.

The murals will have a flat white base background and colors are to be mixed by the students using a process used by the old masters. They will be arranged in a series on the south end wall of the Collegian office so as to depict journalism from its beginning.

The project will be in charge of Carl Hall, artist in residence.

Council To Consider 12th Street Parking

The Salem city council has been considering the parking problems of Willamette students along 12th street, thanks to a howl put up by businessmen on State street.

It all started when Baxter hall students returned to school to find two-hour parking signs along 12th street, next to Baxter hall. Since many have classes all morning, they started to park their cars on State street.

The businessmen object to this because they claim that students' cars take up room that is blocking out the customers. So, they took the affair to the city council which referred it to City Manager J. L. Franzen to "see what can be done."

One solution to the problem was made by Willamette Business Manager Robert Fenix who

observed that "those students who find themselves unable to walk one or two blocks to the campus will have to leave their cars at home."

Donated Book Collections Ready For Student Use

"Everything from saints to sinners," is included in the extensive collection of biographies donated by the late Bishop Bruce R. Baxter to the Willamette University library, stated Dan Graves, librarian. A number of these books are now available for student use.

Bishop Baxter served as president of Willamette University from 1934 until 1941, when he resigned to become Bishop of the Methodist church in the Pacific Northwest area.

Volumes and manuscripts on Northwest history are contained in the very valuable collection presented by N. Bush, pioneer Salem bank, to the University. Beautifully bound, this collection will soon be available for reference and research.

The 1947-48 issues of The Collegian are in process of being catalogued and will be ready for use of students soon.

Support The Bearcats Tonight!

Cheer Squad Gets Members By Council Act

That the WU yell team will tentatively consist of four men instead of the former two was decided Wednesday when the student council approved new appropriations for the group.

The difficulty in leading yells when rooters are widely scattered, as with the arrangement of the new stands at Sweetland field, was seen as a primary reason for the action.

The team now consists of John Norvell, Ron Symons, Mickey Newell and Maury Underwood, all freshmen who volunteered several weeks ago, and is headed by Scotty Washburn, who led cheers last year. Without the appropriations, the freshmen would have competed before the student body for the right to continue as yell-leaders.

The seven rally squad girls are Bo Brooks, Jeanette Gilberson, Lavon Skirvin, Donna Ahalt, Dannie Holland, Doreen Lyon and Dolores Banz.

SHECKLE SNATCH

A girl is needed to teach physical education classes and to take charge of student parties and recreation in the afternoons and evenings at Hillcrest school. Several boys are needed for fountain work, dishwashing, and handy work.

In several cases room and board is offered in exchange.

Other opportunities for part-time work are now open to Willamette students and those who are interested should contact Dr. Withey for further information.

Veterans' Tips

Deena Hart, veterans' secretary on the campus, announces that the veterans administration will not pay subsistence allowances for wives of veterans who are going to college until certain forms and a certified or photostatic copy of the marriage license and some proof of a birth certificate are received in the VA office.

These forms may be obtained from any VA office. Miss Hart also asks that all veterans check the bulletin board on the first floor of Eaton hall to make sure that their VA records are complete.

Miss Hart also reminds veterans that malaria cannot be recognized as such by the veterans administration until the veteran reports his condition to a regular VA doctor. Veterans who may be treating themselves at home for malaria cannot receive disability compensation until a recognized VA doctor has passed on the case.

521 Vets Here

A total of 521 ex-servicemen are attending Willamette under the GI bill this semester, Miss Hart reports. Freshmen vets total 49, and 102 are transfer students and 370 returning students.

The figures for veteran enrollment show a slight decrease from those of last year when approximately 550 ex-servicemen enrolled at Willamette. Last year at this time there were 10 women veterans while there are only five this year. Ten vets were taking their schooling under a state aid program last year and there are only four under that plan this year.

Married vets this year total 284, Miss Hart said.

Cavern Makes Improvements

The 'Cat Cavern is now installing a new juke box for the pleasure of music lovers and for those who are thirsty, there are now two new soda pop dispensers in use. The fountain also has a new carbonator for carbonated water.

If it seems that the Cavern is more cheerful, it's because this summer the walls were painted an easy-on-the-eyes bright green and dull rose by the R. L. Elstrom Company of Salem.

The 'Cat Cavern's hours are from 7:30 to 4:30 on week days and are at present open from 8 to 12 Saturday morning. However, because of the lack of business on Saturday, they will soon be opened on week days only.

Virginia Hale, manager of the Cavern, announced that if the students wish, the 'Cat Cavern will be open after all the home football games.

Lillies Seek Second Kings-x Win Against Eastern Oregon Tonight

Jerry Lillie's gridcats will seek their second victory in three non-loop starts when they mix with the much improved E.O.C.E. Mountaineers tonight at 8 on Sweetland Field. The Eastern Oregon team, coached by E. R. Quinn, have steadily improved in recent years and were last

year's victors over Central Washington College of Education, 6-0, to whom the Bearcats bowed by the count of 13-7 last Friday night.

During the past week Lillie has been working his charges at Bush's pasture in order to save the damp turf at Sweetland Field for Friday night's contest. Although there has been much rain this week, the field is in perfect condition and a wide open affair is expected tonight.

Injured Men Ready

Two players on the inactive list for the early part of the season will be in uniform for tonight's game. End, Dean Nice, who has been suffering from a shoulder injury which happened this summer, and Ken Nerison, a tackle, who has sufficiently recovered from a broken nose which happened before the opener.

However, bad news comes from

the fact that Chuck Bowe, guard, suffered a sprained ankle in last week's contest and may not be ready to go tonight. Other than this, the team will be at full strength.

For the first time this season the locals will hold the edge in line weight over their opponents. Willamette's line averages 192 to 184 for the Mountaineers but lose out to the visitors in beef 187 to 182 in the backfield.

The Easterners weight advantage is helped considerably by left half Dick Henderson, 215 pounds of line plunger who can also run the ball with speed.

Cats' Initial Home Start Spoiled As CWCE Gridsters Win, 13-7

By Dale Reynolds

Willamette's hopes of an undefeated season as well as a first home game win fell by the wayside Friday night as Central Washington broke the ice early for two touchdowns and, as it was resolved, a 13 to 7 win.

Northerners Score on 6th Play

On the sixth play after the kick-off Central Washington scored their first touchdown when Eric Beardsley started around his own right end and then reversed his field to the left for 62 yards and the end zone. Elmer Cherry attempted to convert but his boot went wide and low.

The second Wildcat score came on a 58 yard drive starting late in the first canto and finishing in the second. The drive started with three first downs in a row as Don Doran went 15 for the first, Beardsley 29 for the second and Doran and Beardsley 10 for the third to the four yard marker as the gun sounded ending the first period.

Cats Score in Last Frame

As the second quarter opened Beardsley bucked for one and then carried the pill into the criss-cross. Cherry this time con-

verted for a 13 to 0 game winning lead.

The Lilliemens scored their only touchdown early in the final frame after Keith Clabaugh recovered a fumble of Beardsley's on the Wildcat 40. Five plays later Bob Burleigh went over from the two on a quarterback sneak for paydirt and Al Minn split the uprights for the seventh point.

Previously, Roy Harrington started the drive with a six yard gain to the 34 and Burleigh passed to Bill Ewaliko to set the ball on the CWCE 19 as the third period came to an end. Bob Warren bucked the line for one and Burleigh followed the play with an aerial to Harrington for 11 to set it on the seven. Burleigh's pass to Ewaliko fell incomplete. A five yard penalty against the Wildcats moved the pigskin to the two where Burleigh bucked it over.

Brief Rally Fails

In the closing moments of the first half Willamette started a

	WU	CWCE

Jayvees Travel to Tillamook Today for First Grid Clash

Under the skillful guidance of student-coach Ambrose D'Eagle, the Willamette Jayvees finished sharpening up during the latter part of this week in preparation for their first football game at 1 today with the Tillamook high ball team at Tillamook.

The Tillamook lads, coached by ex-Bearcat Larry McKeel, lost their first encounter to Mt. Angel by a 6-0 count last week. The Tillamook forward wall averages 193, which is several pounds above the Bearkittens'.

For the most part, Jayvee practice has been rather ragged around the edges, with the lack

of time being the chief difficulty. The local lads just received their plays Monday, and have been working full time on them in preparation for the game tonight.

The Jayvee starting line-up: Olson and Cotton, ends; Hosford and Montag, tackles; Seamster and Gay, guards; Markoskie, center; Taliafero, quarterback; Shangle and Taylor, halfbacks; and Ross, fullback.

Pioneers, Badgers Grab Top In Northwest Loop Openers

The Lewis and Clark Pioneers and Pacific Badgers got the jump on the rest of the Northwest conference last Saturday by cracking out wins over Whitman and British Columbia respectively.

The Pioneers downed the Missionaries 14-13 with a last minute touchdown and conversion at Portland and Pacific whipped the Thunderbirds handily 33-0 at Forest Grove.

It was Chuck Allen, Pioneer conversion ace who thumped over the deciding point in the Portland clash after Stan Blair took a pitchout by Quarterback Fred Wilson from the five to score. Whitman held much the upper hand throughout the game and would have won had they been satisfied with a 13-7 verdict.

However they elected to pass on the Pioneer 30 with two minutes to go and Hal Elmers intercepted and ran it back 30 yards to the Whitman 30 where they punched it over three plays later.

Pacific had just too much power for the Thunderbirds in the Forest Grove clash, scoring in every period of the game.

New Women to Be Introduced To WAA Program, Play Night

Willamette freshmen women will have their first formal introduction to the program of the Women's Athletic Association at the annual fall play night in the gym next Thursday.

With a fun-for-all motive in mind, Program Chairman Joyce Kelly and her assistants Helen Larson, Nan Wilcox, Edith Reehner and Mary Ann Hall are planning a full hour of group games and volleyball beginning at 6:30 p.m.

All women interested in sports both group and individual are invited to attend. President Ruth Hagelstein will present a survey of the year's program.

Casaba Workouts Begin

The women's intramural basketball tournament workouts got under way last Monday as the Lausanne Hall team took the floor in their first practice sessions. Teams from Alpha Chi Omega, Pi Beta Phi, Chi Omega and Delta Gamma and two teams from Fredrickson hall are also entered in the tourney.

Three practice sessions for each team are scheduled following which elimination competition will produce the year's champion.

Cyclists Plan Trips

Men and women cyclists take note! The Salem division of the American Youth hostel is planning short trips from Salem in preparation for a week-end trip to New Era hostel near Oregon City. Crestwood, south of Salem, will be the first excursion destination and plans were laid at the fall meeting to be held Monday, to open a hostel on the camp grounds there.

Those interested in participating in the hostelling program should contact President Walter

Bush Pasture Work Delayed

Bush's pasture, Willamette's new athletic field, will not be ready for use this year because of lack of funds, according to Dr. Robert Fenix, business manager.

The field appears to be in good shape, but observers will notice the need of lights and a grandstand, which are essential to an athletic field.

Work on Bush's pasture will be continued as soon as adequate funds can be obtained. It is hoped it can be in use during the near future, Fenix said.

Jones, Willamette student, through the YMCA or Miss Gale Currey, director of women's physical education.

Women bowlers are forming a special section of the Women's Athletic Association and laying plans for regularly scheduled bowling nights of group participation.

Class-Hoop Play Opens Monday

By Bill Bonnington

Interclass basketball will knock the lid off the '48 'mural season next Monday night, October 4, when the seniors meet the sophs at 7 p.m. in the Willamette gym, as announced by Les Sparks and Milt Baum, intramural directors.

Other 'mural programs, namely touchball, tennis and speedball

will not begin play until at least October 11.

The fall touchball league will start October 11, providing the weather leaves Sweetland Field in fairly good condition.

Tennis enthusiasts can still sign up for both singles and doubles in the PE office during the coming week, with play getting under way October 11, weather permitting. The prospective speedball league has been indefinitely postponed because of lack of players.

Six Casaba Teams Entered

Six teams will be entered in the fight for top spot in interclass basketball when play opens next Monday night at 7. One team each will be entered by the seniors, juniors, and sophomores, while the freshmen, with an unusually large turnout, will put three teams on the floor under the names of the Mustangs, Fish and Aces. A fourth squad may be formed also.

The sophs and seniors will clash in Monday's opener at 7 p.m. in the gym. The second game finds the juniors meeting the Frosh Fish at 8.

Tuesday's schedule has the Frosh Aces versus the Frosh Mustangs at 7, while the juniors and sophs will fight it out in the 8 o'clock finale.

On Wednesday, the seniors furnish the competition for the Frosh Aces in the evening's first contest, and the Frosh Fish oppose the Frosh Mustangs in the week's closer.

Lewis to Eye Talent

Main purpose of the interclass struggle is to furnish plenty of stiff competition for prospective candidates for WU's varsity and freshman squads. Coach John Lewis will be giving newcomers the once-over as well as getting a good idea of what kind of shape his veterans are in.

Any man eligible to represent the university will be allowed to participate in the interclass contests, thus giving all transfers and freshmen a good chance to show their ability and to work off some of the excess poundage accumulated during the summer.

The tournament will be a round robin affair with each team meeting each of the others once, and will last for three weeks. The four top teams in the standings at this point will meet in a double elimination

tourney to determine the final champion.

Teams Feature Stars

Although the seniors will put their defending champs on the floor with a star-studded lineup, including lettermen Jim and Bob Johnson, top scoring duo for the Bearcats last season, Tom Warren, and Bruce Barker, competition for the lower classes will be plenty stiff.

The junior casaba artists will be led by fiery Ted Johnson, sparkplug guard of last year's

Sports Orbit

by Oakes

Entirely too much No. 29 was on Sweetland field last Friday evening to suit our 'Cats especially since it was red on a white background. No. 29, Eric Beardsley of course, almost single-handedly whipped the locals and put the damper on any hopes they might have of an undefeated season.

AL MINN

up. No official score of the game was taken but many in the stands and pressbox were certain of it.

Clock Big Part of Game

One remedy for such mixups could be a clock-scoreboard combination run by official scorekeepers. Come to think of it, it's strange no clock has been installed to keep fans informed of the time element in the game which, relatively, is one of the most important parts of the game. Might even get the fans to cheer louder if they new how imperative the game's outcome was as to time. Here's hoping Bush field will include it as part of the equipment there.

Al Minn, sophomore from Hawaii, takes over as chief conversion booter for the Jason's this year now that Bill Reder is gone. And the left-footed thumper is doing quite nicely at present having split the uprights twice in two attempts. Besides that, Al, who served in the army along with five other brothers during the recent war, is a capable halfback with savvy that will pull the 'Cats through plenty a tough scrap.

Willamette Not Leaving Conference

The meeting of Northwest conference presidents and faculty representatives last Saturday in Portland proved a dud as far as divulging any info of Willamette dropping from the conference. In fact Willamette's representatives let it be known that they had no intention of leaving.

With British Columbia leaving the loop after the pigskin season that will leave the league with six members. Whether it will hold out against financial worries remains to be seen, especially since none of them draw too well at the gate.

WU-UP Grid Won-Lost Count Raised

Before the Portland-Willamette grid rivalry is forgotten for another year, we'd like to raise a question as to how the won-lost-tie record now stands. Several Oregon papers have given accounts and most of them are different from the others. Most, however, agree that Portland has won more than our 'Cats and that is where we disagree.

According to records compiled by Gil Lieser, former Willamette publicity director in 1946, Willamette had won six, lost four and tied one. Since the publication each team won one plus tying one. So the count would read seven for Willamette, five for Portland and two ties.

Games, Scores of Series Recorded

Willamette's wins came in 1904 (when the series started), 1916, 1931, 1934, 1937, 1941 and 1948, with scores of 50-0, 55-0, 46-0, 7-0, 20-0, 26-0 and 9-6 respectively. Portland's were in 1933, 1938, 1940, 1942 and 1947 with scores of 13-0, 12-7, 21-7, 33-7 and 27-0 respectively. The ties were 0-0 in 1939 and 6-6 in 1946.

We don't claim absolute accuracy on the count but until we're informed otherwise, the count stands 7-5-2 in favor of Willamette.

Mural Man

Managing all intramural activities this year with the guidance of Les Sparks, is Bob Baum, two year basketball letterman. Bob is Les' senior scholar this year.

varsity, while the sophs will include Don Aasen, Dick Allison, Burnell Ambrose, and Al Miles in their starting five. The frosh squad has many ex-high school stars, such as Chuck Robinson from Gresham, Ted Loder of Milwaukee, and Sherm Bliss of Sacramento, California, with which to surprise the upperclassmen.

SOCIETY

DONA ADAMS, Editor

Service Clubs to Welcome Students at 'Football Frolic'

Willamette's service organizations will welcome the entire student body to the second post game dance of the fall, "Football Frolic," tonight following the game with Eastern Oregon College of Education. Sponsored by Alpha Phi Omega, Beta Alpha Gamma, Sigma Alpha Chi, Cap and Gown and Blue Key, the informal dance in the gym has been planned by Co-Chairmen Martha Durette and Jim Nickel.

Chairmen Meet

Bill Harris, first vice-president in charge of student social affairs, has announced that he will hold the first meeting of social chairmen of all campus organizations next Monday.

Harris stated that the meeting would be held in room 2 of Eaton hall at 4 p.m. The gathering of the social chairmen will attempt to compile an accurate social calendar as well as discuss the problems facing that calendar.

Van de Lyster Heads Pledges

The Delta Gamma pledge class elected Nancy Van deLuyster as president of their group in their Tuesday meeting. Other officers are Margaret Sargent, vice-president, and Doris McCain, secretary.

Pi Beta, Phi and Alpha Chi Omega pledges will select their officers at next week's meetings. Chi Omega held their election last week.

Scene Set In Paradise For Pledges

Pink clouds with angel hair and cupids invited all sorority and fraternity pledges to participate in the first signs of all-pledge activity this year. "Pledges Paradise" will be given by the Chi Omega pledges Wednesday evening at their chapter house.

The "heavenly" theme was originated by a committee consisting of Eleanor Carr, Glenda McAllister and Mary Thomas. Making plans for refreshments are Barbara Benjamin, Norvada Smedly and Eleanor Carr. Entertainment has been placed in the hands of Helene Warrens.

Decorations planned by the BAGs and SAX will center about a mammoth football suspended from the center of the gym and goal posts at either end of the floor painted the colors of the two colleges. Disc jockeys for the evening will be members of Blue Key who will furnish music by records.

Bob Johnson, master of ceremonies, will introduce the short program arranged by Alpha Phi Omega. Musical selections will be Larry Odell with a vocal solo and Florence Polster and Dolores Spellbrink with an accordion duet. Phil Shaw and his "oral punctuation" will conclude the entertainment. A drawing for door prizes will also be held.

Sponsors have been contacted by Cap and Gown, while coat checking will be handled by Alpha Phi Omega. Refreshments will be sold by the BAGs. All five organizations will clean-up.

Phi Delts Initiate Seven Members

Seven men are wearing the sword and shield of Phi Delta Theta following informal initiation Friday and Saturday evenings and formal initiation Sunday.

New Phi Delts are Duane Bartsch, Gene Cox, Tom Huffman, Bob Muhr, Berwin Murray, Harry Ryan and Newton Thompson.

Coming Social Events

- Friday, October 1—Football—Willamette vs. Eastern Oregon College, Sweetland Field 8 p.m. Post game dance, Willamette gym, all school.
- Wednesday, October 6—Chi O open house for sorority and fraternity pledges.
- Friday, October 8—Football—Willamette vs. College of Idaho, Sweetland Field 8 p.m. Post game open house dances. Women's residence halls.
- Saturday, October 9—Evening Phi Delta Theta party Sigma Chi pledge banquet.

Men of Beta Theta Pi gather on the front porch following last week's open-house, waiting to welcome this week's rushees. This scene was typical of Baxter and the fraternity wings when the post-game dances were over. Betas, Sigs, Phi Delts and Phi Alphas spent a busy week entertaining prospective pledges.

Fraternity Rushees to Submit Preferences To Dean Withey During Chapel Today

Fraternity rushees will meet with Dean Raymond Withey today at 11:50 in the chapel to turn in their fraternity preferences. Following checking of rushee and fraternity pledge cards, lists will be posted in Eaton at 4 this afternoon, announces Jack Frost,

president of the inter-fraternity council.

Formal and informal rush functions have been held by Willamette's four fraternities during the week. Afternoon and luncheon functions have been informal with a minimum of entertainment by all the houses, but dinner and evening affairs have been of a more formal nature.

Phi Alpha took their rushees Monday evening to the Silver Creek Lodge where their dinner was served. Entertainment featured the Delta Gamma trio and the Sigma Alpha Epsilon quartet from Oregon State college.

A buffet dinner Tuesday evening welcomed rushees to the Phi Delta Theta wing of Baxter. Following group singing, Emcee Ray Yocum introduced the Alpha Chi Omega trio, Dorothy Hobson with a solo and Shirley Weist with a vocal. Other entertainers were John Slanchik with a tap dance and Dale Morgan who pantomimed Phil Harris' "Preacher and the Bear". Several prominent Salem men were honored after-dinner speakers.

A Monte Carlo party complete with roulette wheels, black jack and dice games and paper money entertained Sigma Chi rushees Wednesday evening. Prizes for the winning gamblers were awarded at the close of the evening.

Games, group singing and several songs by the Beta trio followed the rush dinner at the Beta Theta Pi wing last night. Guest speaker was Clarence White of Corvallis, district chief of Beta Theta Pi.

Fall Officers Named to Fill Vacant Posts

In order to replace officers who failed to return this fall, Alpha Chi Omega and Pi Beta Phi held elections in their respective chapter meetings Tuesday.

New social chairman of Alpha Chi Omega is Pat Howard, while Barbara Bates is rush captain and junior Panhellenic representative. Other officers are Margaret Powell, historian; Margaret Austin, work manager; Pat Ryan, activity chairman and Carlotta Hendricks, demerit chairman.

Several new officers were chosen by the Pi Phis. They are Marilee Olson, treasurer; Mary Jo Wigginton, assistant treasurer; Barbara MacDuffee, pledge supervisor; Barbara Miller, standards chairman; Janet Stark, scholarship chairman; Avis Roberts, assistant house manager; Maxine Muckle, activity chairman; Barbara Goldman, gift chairman; Lu Dene Hargrave, assistant social chairman, and Pat Richmond and Nancy Welch, censors.

Flirtation Theme Dance to Honor Chi O Pledges

"Flirtations" will be the theme tomorrow evening when Chi Omega members honor their new pledge class at a semi-formal dance at the chapter house. Lacy fans and murals will cover the walls as dancers waltz through the rooms carrying fan-shaped programs.

Helen Blevins, general chairman of the affair, will be assisted by Marian Spann and Viona Noyes, refreshments; Jean Gilmer and Joan Thomas, programs; Jean du Buy and Evelyn Baxendale, decorations; Dorothy Hobson, music.

Patrons, invited by Beth Tedford, are Mrs. Elizabeth Higbee and Miss Helen Olson.

Local Sig Sweetheart Takes 2nd in Whirlpool Contest

Carolyn Slocum, Delta Zeta's beautiful representative to the national Sweetheart of Sigma Chi contest, reports that the event, held the last week in August in Seattle, was a whirlpool of famous people and exciting activities.

The only finalist from schools west of the Mississippi, Miss Slocum placed second in a group of six contestants competing at the Sigma Chi national convention in Seattle. Judges for the event were John Wayne, actor, Steve Hannegan, press agent, and Milton Caniff, artist of national fame.

After being honored with a series of receptions, dinners and other events including a cruise on Lake Washington, the contestants were interviewed by the judges. A formal ball in the Olympic bowl at which the winner, Barbara Tanner of Michigan State, was announced, climaxed the convention.

Among the many gifts given Miss Slocum were a large golden trophy, a pearl Sigma Chi sweetheart pin and a scrapbook of all publicity of the contest. Miss Slocum was greatly impressed by Gen. Patrick J. Hurley, Grand Consul of Sigma Chi.

Miss Slocum had the honor to be chosen as the first Sweetheart of Sigma Chi by the local chapter. She ruled with Edie Fairham and Pat Ryan at the formal ball last October. A sophomore on campus this fall, Miss Slocum is a pledge of Pi Beta Phi.

Preliminary run-offs for this year's Sweetheart will begin soon, according to Bill Olson, Sig president.

Radio Workshop Opens Year with Michael

By Sheila Ryan

A second year in the series of radio productions, presented by the University Workshop, was inaugurated Monday night at 10 p.m. over KOCO. The first broadcast, "Michael", a pastoral poem by William Wordsworth, was dramatized for radio by Carl Ritchie and gave promise of fine listening in the future.

It was interesting to note the wide variety of vocal pitch and quality among the characters, especially among Ray Loter, Jack Brown and Kathleen Scott. An especially fine job of interpretation was done by Ray Loter who played Michael, and Jack Brown who played his son. Kathleen Scott was also very convincing. Others in the cast included Carl Ritchie, Bob Ross, David Bristow and Bobbe Meyer. Joe Power was in charge of production.

It was necessary to invent the dialogue in many sections as

there was a problem in transferring blank verse into dramatic material. The musical background was quite effective and

appropriate.

On the whole, the broadcast, though not up to finished excellence of some of the programs of last year, showed promise of a good year in radio listening to come.

Laurel Hall Elects Fall Term Officers

With the election of Wally Snyder as president of the hall, twenty freshmen officially reopened Laurel Hall as a residence for out of town men. Mrs. Fay Owen, formerly of Medford, Oregon, is head resident for the hall.

Helping to organize the hall are Ray Jackson, first vice-president; Sherman Bliss, second vice-president, and Paul Dally, secretary-treasurer. An active program for the year has already been planned by the group including participation in intramural sports and house social activities. A constitution is also being drawn up by the executive committee.

Durette Chosen BAG President

With the election of Martha Durette as president, Beta Alpha Gamma, sophomore women's honorary, has opened another year of service to the campus. Other officers elected at the recent meeting were Marie Glasse, vice-president; Eleanor Lovelless, secretary-treasurer, and Barbara Bates, reporter.

Among activities for the year is the annual BAG-SAX formal banquet and the sponsoring of the post game dance after tonight's game. The honorary is also responsible for checking attendance at the Tuesday freshmen chapel.

Three new members will be tapped later this fall to fill the organization's quota.

New Seating Arrangement Proposed for Home Games

A new seating arrangement is to be tried at tonight's football game after a proposal was submitted this week to the student council. The system to be tried will seat living organizations in sections.

Scotty Washburn, who has submitted the proposal, told the council he believes the new system will encourage a better spirit at the games.

For the present, organizational sections are to be marked off, beginning with tonight's game, and members of the respective organizations will be asked to sit in their designated sections.

Due to the long narrow bleachers, it is believed that a better concentration of spirit will be possible by using the new system. It is a plan, eventually, to separate the men from the women further to increase rivalry in cheer competition and spirit, Washburn told the council.

All Willamette students are asked to sit in the designated bleachers on the north side of the field in order more effectively to participate in the Bearcat cheering.

Clark Encounters Fossil and Storm In Summer Trip

"Old fossils" have their place on nearly every campus, but a genuine specimen found this summer by Prof. Herman Clark, Willamette physical science instructor, is believed to have been alive and kicking approximately 250 million years ago.

After attending a convention of mineralogists in Denver last June, Prof. Clark toured through the Middle West, collecting crystals and rare minerals from Indiana to Idaho.

After missing by a day a Colorado hailstorm that severely dented the tops of cars and flattened theatre marquees, he visited the home of an ex-Willamette professor, Jack Knight, in Lincoln, Nebraska.

Prof. Clark was also a day ahead of a tornado that whipped through another town he visited. His route of travel included the Field Museum, Chicago, the South Dakota badlands, and the lava beds in Idaho.

The Amen Corner

The Inter-Varsity Christian Fellowship, under the leadership of Carl Beaines will have a bible study meeting to finish up the chapter on Ephesians on Monday at 6:30 in the little chapel.

All students are invited to attend the Inter-Varsity prayer meetings held daily at 12:00 in the little chapel.

A model deputation meeting will be the Wesley Fellowship program for the next Sunday. Doris Gragg is in charge of the deputation teams and Dale Cleaver will deliver the sermon, to be followed by a solo by Betty Thompson. A light supper and recreation at 5:30 precedes the 6:30 to 7:30 meeting at the Methodist church.

The Catholic Club will hold its first meeting of the year, next Tuesday night at 8:30 in Chresto. The purpose of the meeting is to

WU Orchestra Planning Busy Concert Season

Looking forward to at least two or three home concerts and a few possible out of town dates, the WU orchestra is beginning to shape up under the baton of Frank Fisher in the music hall.

Last year's highly successful orchestra presented three concerts through the year as well as handling the instrumental music for the operetta "Roberta" and tentative plans are being made for a similar schedule this year. No definite dates have been set for either the home or possible out of town concerts as yet.

To a considerable extent, the orchestra this year will be comprised of new-comers to the Willamette campus and there is ample opportunity for those students who are interested in music to join this organization and become active participants.

During the summer Fisher studied with such notables as Serge Koussevitzky, conductor of the Boston symphony orchestra, Leonard Bernstein and Eleazar de Carvalho at the Berkshire music center in Tanglewood, Massachusetts. New professor in the music school is Elwood Ball, assistant professor of theory and organ. He comes to Willamette from Detroit, Mich., where he was a director of music in the St. Marks Methodist church.

Ball is a family man with a wife and small baby daughter. He spent four years in the infantry, two of them being in the European theater of war. He then returned to the States to earn a degree in theory at the University of Michigan.

elect new officers and acquaint the freshmen students with the group.

A panel discussion will be held by the Westminster group next Sunday at 8:30 in the manse. Dr. Hammond will act as moderator for the discussion on "Why I am a Catholic," "Why I am a Jew" and "Why I am a Protestant."

Melville Editor

Dr. Egbert S. Oliver, WU English professor, whose textual and explanatory notes will be published in Herman Melville's "Piazza Tales" next month, according to Hendricks House, publishers of New York.

Cleaver Elected To 'Motive' Board

"Motive," magazine of the Methodist student movement, has named Dale Cleaver to the student editorial board, according to Harold Ebremsperger, editor. Cleaver, who is a junior in the art department, will contribute to the magazine throughout the year.

Published eight times each year from October through May, "Motive" features nationally known writers on timely topics.

Buy Tickets Now

Tax tickets at ten cents each will be on sale until 4 p.m. today in the lobby of Eaton hall. Students are asked to buy the tickets before going to the game in order to prevent confusion at the gate. Students holding tax tickets are to enter through the east gate near the gymnasium.

Season tickets at \$2.40 each may be purchased in Eaton lobby for student wives.

Ivan Houser Expert at Clay And Ceramics

"Give the clay the dickens" is now the cry heard in the art building every Tuesday from 3 to 5 when Prof. Ivan Houser, pencil behind his ear, presides over the ceramics art class as teacher, supervisor and expert wedger.

New to Willamette university this year, Houser taught summer school art classes at the University of Oregon in addition to managing 40 students at his Portland ceramic school.

Players Offer Shakespeare Monday Night

Monday night from 10 to 10:30 is the time for all Willamette students to sit down and listen to the University Workshop over KOCO, according to Program Director Joe Power. Monday the program will be the "Story of Edgar" from "King Lear", dramatized for radio by Power. The language of Shakespeare is retained throughout in content and expression, and only depleted in length.

The "Story of Edgar" is only a sub-plot in Shakespeare's "Lear", Lear himself appearing only once in a short scene.

Monday Last Day

Monday is the last day for students to add new courses to their curriculum, says Registrar Harold B. Jory.

Courses may be dropped for the next few weeks but the students are advised to make any changes or drops promptly for their own convenience.
