All Social Events Cancelled

Willamette Collegian

VOL. LII. SALEM, OREGON, FRIDAY, DECEMBER 13, 1940 No. 12

Flu Crisis Halts Winter Formals

One Act Play Finals Tonight Not Affected By Order as Dr. Purvine Acts to Forestall Epidemic

By PAUL WHIPPLE

"The danger of a possible flu epidemic makes it necessary for all Willamette social functions to be cancelled until after Christmas vacation."

This dramatic announcement by university officials late yesterday afternoon brought a deluge of angry feminine protests about the ears of Dr. Ralph Purvine, university physician. Coming as it did on the eve on the three sorority formals tomorrow night, the order struck especially hard at sorority women.

Dances and serenades are definitely out, according to Dean Dahl ,but she said a conference this afternoon would decide the status of other functions, some ofwhich may be allowed to be held as scheduled. "Vespers and the candle-lighting service are outside the university's jurisdiction."

Dr. Purvine stated that it is not only the spread of the flu and cold germs, but more especially the overexertion and exposure late at night entailed in the dances or serenades which makes them so dangerous. The peril of pneumonia under such circumstances is very great, he said.

Dean Dahl said that present plans are to hold the sorority formals January 11. The finals of the one-act play contest will be permitted tonight, but the fate of dinners, chapels and other scheduled functions must await the results of conference this afternoon.

The decision to curtail the social calendar came as the result of several near-epidemics up and down the Willamette valley in the last two weeks. Dr. Purvine conferred with Dean Dahl and Dean Luther yesterday afternoon, and they decided the best interests of the students made the step necessary.

"Anyone who had lived through the flu epidemic of 1918 and saw the misery and death at that time would not want to take unnecessary chances of anything like that happening again," was almost identically the remark of both the doctor and Miss Dahl.

SORORITIES DISAPPOINTED

Several coeds approached for their opinions indicated that although they were deeply disappointed they realized the necessity of taking precautions.

Chloe Anderson, Delta Phi manager, said, "I was somewhat stunned when I first heard the announcement. The situation hadn't seemed bad enough for such measures, but I suppose it is more serious than most of us thought. I think most of the girls will understand."

Marjorie Waters, vice president of Beta Chi, remarked that "it seems unfair as long as we are being constantly exposed in classes. But I guess it was necessary."

Mary Barker, vice president of Alpha Phi Alpha, admitted, "I was awfully disappointed, but it seems the wisest thing to do."

Leaders of the orchestras engaged for the formals were understanding of the circumstances and agreed to the postponement. Roger Miller for the Beta Chis, Wes Lang of Portland for the Delta Phis and Carl Rouen of Eugene for the Alpha Phis all felt that the sororities should not be held to their contracts since the situation was no fault of their own.

As most of the decorations for the formals were along a Christmas theme most coeds interviewed seemed to feel the affairs would not be so effective after vacation as at this season.

Basketball

Cat Hoopers Depart For WSC on First Leg of Northwest Tour

Ten Players Taken on Twelve Day Trip, Will Play Seven Teams, OSC Last

By GIL LIESER

Victors in two straight games on the home court, 10 Bearcat casaba artists and Coach Howard Maple boarded the Southern Pacific's Beaver yesterday afternoon, bound for Pullman to meet WSC in the opening game of a 12-day invasion of Northwest states.

The barnstorming trip will take the Willamette hoopers through Eastern Oregon and Washington, Idaho and Montana before they return here Christmas eve—three days prior to their scheduled meeting with the Oregon Webfoots here Dec. 27.

MEET EOCE SATURDAY

Following the opening of the seven-game road schedule at Pullman, Happy Howard will take his charges to La Grande for a clash with Bob Quinn's Eastern Oregon College of Education quint Saturday night.

Monday evening the 'Cats will tackle College of Idaho at Caldwell in a non-conference contest.

PLAY IN MONTANA

Journeying into Montana, Maple's crew will engage Montana State at Dillon on Wednesday, and University of Montana Friday night at Missoula.

On the return trip to Salem, the Bearcats will tangle with Idaho Southern Branch at Pocatello Saturday evening, and will conclude their schedule against OSC in Baker, Monday, Dec. 23.

Making the trips are centers Russ Satter and Howard Eberly; forwards Johnny Kolb, Sum Gallagher, Earl Toolson and Clint Cameron, and guards Don Barnick, Jimmy Robertson, Ken Lilly and Orville Ragsdale.

Maple Accepts Manager Post

WU Coach New Business Head for Salem Senators

By JOE VAN WINKLE

Howard Maple, coach of the Bearcat hoopers, is the new business manager of the Salem Senator baseball team, according to a formal announcement released this week by Mrs. George E. Waters, owner of the club. The Senators belong to the Western International baseball league.

Accepting the position held last season by Biddy Bishop, Maple stated that he would continue his duties at Willamette as assistant coach in football and baseball and head coach in basketball and track, along with his other duties as assistant in the physical education department.

PLAYED IN MAJORS

Maple has had much experience in all fields of baseball. He played at OSC, starred in several minor league clubs, managed one minor league, and played in the majors with the Washington Senators. For the past three years Howard has been a scout for the Spokane member of the Western International league, thus gaining much experience for his present position.

The new manager's first act will be to submit the list of players to playing manager Bunny Griffith for approval. Following this Maple will try to round out a team which wil represent itself well in next year's league. Maple also stated that he intends to purchase a new bus to replace the old "junk heap" that was used last year by the club.

Taylor Appointed To Editorial Post

Winston Taylor, junior of Salem, this week received word that he has been appointed a member of the editorial board of Motive, a new magazine for Methodist college students. The board will be composed of 25 or 30 members from all over the country.

The first issue of the new monthly magazine to be published in Nashville, Tenn., will come out in February.

Ackerman Registers

Rev. Paul Ackerman, Willamette alumnus who is awaiting a sentence for draft evasion, registered yesterday, complying with advice of church officials.

On his registration card, Ackerman wrote, "I am a conscientious objector registering entirely for non-military purposes and willing to enlist in constructive humanitarian service."

Collegian Staff Meets Monday

An important meeting of all members of the Collegian staff will be held Monday at chapel time, according to Marion Sanders, editor.

Publication of the paper on Thursday will necessitate having copy in earlier than usual next week.

Which Director Will Win the Prize?

At the right Don Ewing, in charge of the one act play contests, holds out temptingly to the directors who reached the finals the cash prize which will go to the winner of tonight's contest. Frances Pickard, Barbara Minor and D. de Lancey are two directors who were absent from the picture. From left to right are: Myron Pogue, Art Olson, George Gutekunst, who wrote "Cop Killer," and Mary Head, praying for the prize.

Drama

Five Casts Act Tonite

Directors Olson, Pogue and Head, Pickard, de Lancey, Minor in Finals

Five of the seven plays presented Wednesday evening in the one-act play preliminary contest will be given in the finals tonight. They were "The Living Dead," "Cop-Killer," "The Nuptial Morning," "The Family," and "The Journey."

Art Olson produced the unique "Living Dead," a front-line drama which occurs in "the second year of the war that is to begin tomorrow night." A strong anti-war theme prevailed throughout with startling realistic scenes achieved by the cast of 15 characters, aided by unusual lighting effects.

The original play "Cop-Killer," by George Gutekunst, directed by Frances Pickard, consisted of a protest against capitalist organization. Jim Goodsell and Margaret Burke excelled in their parts.

"Vienna, of course" was the scene of D. de Lancey's comedy, "The Nuptial Morning." Helen Newland, Fred Ellis, Vinton Ellis, and George Codding were in the cast.

In the drama entitled "The Family" which was directed by Mary Head and Myron Pogue, Caroline Brown led the cast with her brilliant characterization of a woman living in the shadow of death.

"The Journey," directed by Barbara Minor, is a Thornton Wilder play, fashioned after the style of "Our Town."

Other plays presented Wednesday night were "The Light," directed by Leonard Steinbock; and "The Ruby" directed by Barbara Compton. The judges for the contest include Rose Ann Gibson, Jose Asklin, and Mrs. C. A. Downs.

Baxter Returns From Philadelphia

Bishop Bruce R. Baxter will return to Salem tomorrow night from Philadalphia, Pa., after a two-week trip in the east attending to business matters in connection with his duties as bishop of the Methodist church.

While on the trip Dr. Baxter visited his alma mater, Boston university school of theology, and stopped to see several former Willamette students, Raynor Smith, '39, at Boston university, Eugene Smith, at Drew Theological seminary, Madison, N.J., and Mr. and Mrs. Laurence Burdette, at Garrett Biblical institute, Evanston, Ill.

Bob Johnson Leaves for East

Bob Johnson, sophomore from Oak Grove, left Portland on the streamliner Saturday morning to head for Nashville, Tenn., where he will attend a meeting of the committee on the reorganization of the youth department of the Methodist church.

Johnson is a member of this committee of 30 persons from all over the nation through his membership in the general board of education of the Methodist church.

The meeting began Tuesday and will continue until the Christmas holidays, which Johnson will spend in Denver. He will return to the campus on January 6.

Johnson is also president of the Oregon conference council of Methodist youth.

Cone Goes to Blue Key Meet

Ed Cone, who left Wednesday night to attend the national Blue Key convention at Kansas City, Mo., December 27 and 28, expected to be in Los Angeles today.

Cone said before leaving that his trip to and from the convention would probably cover 9,000 miles. His route will take him across the southern part of the nation to Georgia and then up the eastern coast.

The delegate plans to stop in Washington, D. C., New York and Boston. From Flint, Mich., Cone will drive a Buick back to the west coast.

In Kansas City Cone will be one of 72 representatives of as many chapters. The assembly, which meets every two years, is the regulatory body of the organization.

What's a Bonfire Good for Anyhow?

We were shocked to learn that three students recently made good use of the workmen's bonfires, in back of the new science hall; they had a weiner and marshmallow roast!

When we learned that the three were connected with the drama department, we were not shocked. (Supernumeraries is de cwaziest people!)

After having given the matter our closest consideration, our most analytical speculation, being careful to cast aside all prejudices and assume a fair and open mind in order to reach a just decision, we have decided that we are mad 'cause we didn't think of the idea first!

Students Discuss Noise in Library

That stern measures must be taken to curb unnecessary noise in the library was determined by the combined student library and honor code committees who met with Dean Luther Monday evening.

Definite action, however, was deferred until after Christmas.

Forensics

Speakers Win High Honors

Russell, Olds Place First, Second; State Extempore Contests

Emogene Russell and Glenn Olds brought honor to Willamette and its forensic department yesterday afternoon and evening as they won first and second places in the state extempore contests held at the University of Portland.

Emogene Russell, freshman, was awarded first place in the women's division after having competed with entrants from Marylhurst, Linfield, Pacific college, Pacific university, Oregon State college, and University of Portland.

Glenn Olds, junior, placed second in the men's division, which included entrants from all of the above schools with the exception of Marylhurst.

Both of the winners are experienced speakers. In addition to successful participation in other forensic divisions, Miss Russell last year won the high school state extemp contest at Willamette and placed second in the Linfield extemp contest.

Olds also has been active in many fields of forensic activity. His successes in extemp speaking include second place in last last year's Pacific Coast Forensic league extemp contest.

Keyes Contest Finals Held

Tom Oye, Ancil Payne, and Claude Johns were to compete in the finals of the annual Keyes oratorical contest this morning during chapel period. Democracy and problems of democracy were the general themes of the speeches, which were six minutes in length.

The title of Oye's oration was "Sold—In Exchange for Security." Payne was to describe the migrant worker problem in a speech entitled "America on the Move." The title of Johns' speech was "I Am Alarmed."

Forensic Group In Radio Debate

The forensics department was featured Wednesday evening in the monthly Willamette program over KOAC.

The program took the form of a non-decision practice debate, using seven-minute speeches on the current college debate question, "Resolved, that the nations of the western hemisphere should form a permanent union."

Inadequacies of Method Of Editor Selection Seen By Journalism Students

In recent discussions among students interested in journalism, it has become apparent that the present organization of publications at Willamette has many imperfections.

In previous years the publications have just slipped along with minor alterations being made intermittently to correct obvious faults. However, these students analyzing the present set-up have come to realize that the publications should be reorganized from the ground up. With a new journalism professor and with the journalism course enjoying unprecedented liveliness, now is the time to begin the reorganization program.

One of the more salient inadequacies of the existing plan lies in the selection of the editors of the two major publications, the Collegian and the Wallulah. To the student body is left the choice of the editor. This is well, if it is a final choice. But at present, no agency has the power to weed out those candidates who are unfit to hold the important office.

Any student who for two years has been on the editorial staff of the publication whose editorship he seeks is eligible. The required two years can be served as a reporter, a typist, a feature writer, as a photographer —in posix that offer no executive or managing training so vital to execute successfully the office of editor. Too many times in previous years have persons lacking such necessary experience been chosen by the Willamette student body to head a major publication.

The journalism department is cooperating with Willamette publications in allowing students in journalism courses to work on a school publication under the direction of the editor for class credit. Certainly competent leadership is required that these students may practice correct journalism procedure and form.

The candidates for the post of editor should be narrowed down to those who have worked up to a responsible major position on the staff over a period of at least two years and in the process have demonstrated superiority over competitors. The desirable state cannot become a reality under the existing organization, which allows practically anyone on the staff who aspires to the editorship to become a candidate.

A great majority of the students are unfamiliar with the publications. They are interested only in the finished products, knowing and caring little about the organization that produces it. Thus, when it becomes their duty to choose a person for editor from a field of five or six, perplexion and indecision prevail. The average student is not able to cast an intelligent vote. The election develops into a popularity and political contest. The one best qualified, more often than not, loses.

The position of editor, unfortunately, has been regarded by some past editors as but one more achievement to add to their long list of honors earned at college. On the other hand, to the ones majoring in journalism and hoping to make it their life work, the post means a great deal. The experience and honor gained is invaluable. It can be the means to obtain a foothold in their chosen field. These students are the ones who should be given first opportunity.

Jingle Bells . . .

Santa Claus is coming to Waller hall next Friday to bring interesting gifts for all the good little boys and girls of Willamette—if there are any.

He's not coming down the chimney, 'cause it isn't big enough. But he'll have a pack full of exciting presents. It is rumored that the Sigs are to receive the beginning of their new menagerie, the Kappas a drawbridge and the Delta Phis a book on how to escape the Dies committee.

Grace Covert will have charge of decorating the stage and the Christmas tree.

Letters to Santa Claus will be mailed daily from the Collegian office. Drop your suggestions for gifts for your classmates in the "Santa Claus" box on the editor's desk. We advise the use of sealed envelopes. Anonymous contributions will be considered.

Do You Want Something?

Do you want to sell a bike, buy a book, rent a room, borrow a tux or find a date? Try the Collegian Classified Ads!

Beginning next week the Collegian will include a want ad column as a regular feature. The system has proved successful in the Daily Californian and other collegiate newspapers and ought to be truly beneficial to Willamette students.

Ads will be printed at the rate of five cents per inch, with a minimum of three lines per ad. Advertising will be accepted on a cash basis either at the Collegian office or at Mr. Spark's office.

Students wanting to sell or buy cars, bikes, books, or what have you; to obtain jobs, or to find students to share expenses in a trip are among those who will be benefited. Townspeople can advertise room and board positions. Out-of-school dances or socials might be inserted here.

And here's another suggestion: People finding lost articles could take them to Sparks' office and insert ads for them. The owner would claim the article and pay the cost of the ad.

Coming Events . . .

TONIGHT—One-act play contest, Waller, 7:30
SUNDAY— Christmas Vespers, Methodist church, 4:00
WEDNESDAY— Chapel: A capella choir concert
THURSDAY—Collegian comes out
FRIDAY, Dec 20—Christmas chapel
BEGINNING OF CHRISTMAS VACATION.

Would You Use It?

The question of keeping the library open during more weekend hours than is now possible is being discussed by several students and faculty members.

In order to find out how many students would actually be interested in using the library reading rooms at these hours, the Collegian requests each student to fill in one of these questionnaires conscientiously. A box will be provided in Eaton this afternoon and Monday for answers.

Dean Chester F. Luther emphasized that probably nothing could be done this semester. Indication of strong student need, however, might produce results in the future.

1. Would you use the library on Friday nights if it were open?_____
2. Would you use the library on Sunday afternoons if it were open?_____
3. Would you be willing to pay a small additional library fee to help cover the cost of keeping it open?_____

Music

Christmas Vespers Sunday

A Cappella Choir On Program

The a cappella choir will present a concert in chapel Wednesday. The program will feature several Christmas numbers.

Dean Melvin H. Geist presented several vocal selections in chapel last Wednesday. He was accompanied by Mrs. Geist.

Language Students Warble Lustily for Christmas 'n' Prof

Noche de paz, noche de amor! . . .
Stille nacht, heilige nacht! . . .
Voici Noel, o douce nuit! . . .

Thus the imminence of Christmas was this week brought musically to the attention of the Willamette student body. The language classes were singing in tongues unknown to the uninitiated but in melodies familiar to all.

One thing left the harmony incomplete—nowhere could be heard simply "Silent night, holy night."

Professor T. S. Roberts, head of the organ department of the College of Music, will open the Christmas vespers program Sunday afternoon at 4:00 in the First Methodist church by playing Prelude and Fugue in G minor by Bach.

The a capella choir, in its second year under the direction of Dean Melvin H. Geist, will be presented in two groups of music and will appear in the processional and recessional, with each member carrying a lighted candle.

Furnishing a background for the living pictures to be presented by the art and drama departments, 52 members of the choir will participate. The tableaux will portray the Annunciation, the Nativity, and Adoration and will be composed of members of the dramatics department.

Hugh Lovell and Gordon Jones will participate in the candle lighting scene, with a movement of a sonata for violin and cello as musical background.

Other numbers on the annual Christmas program will be an ensemble composed of Dean Geist, Mary Schultz Duncan, Bernard Barron, and Maurice Brennen and the faculty string trio composed of Clara Eness, Mary Schultz Duncan, and Bernard Barron.

Carols in Vogue For Holidays

Christmas carroling will be in vogue during the next week as University Vespers.

Sunday evening University Vespers will carol Salem homes after the a cappella choir concert. Jean Jackson, music chairman, is in charge of arrangements. All students who wish to participate are invited to join in the singing.

Beta Chis and Sigma Taus will join in a serenade of the other campus living organizations Wednesday evening. Their program will feature Christmas carols.

National Contest Offers Prizes

A fellowship worth $720 is being offered by the American Society of Composers, Authors and Publishers in each of eight regions of the United States to students in all institutions of higher learning in a musical play composition contest.

Further information may be obtained from Dean Geist of the music department.

Of silvered cobweb . . .
Like candle-dusky light
Of vast-cathedral.

Strange peace of mind—
Like unfathomed pools
Of mirrored azure . . .
Tranquility of awe
Before infinity.

COLLEGIAN YESTER-YEARS

By MIRIAM JENSEN

25 Years Ago — December 15, 1915

Fostered by the Girls' Willamette Club, seconded by the "W" club and unanimously voted by the student body last Friday was the following resolution:

"Whereas, there is now no definite name for the Willamette athletic field, and

"Whereas Dr. G. J. Sweetland, by personal labor and persisant inspiration, is largely responsible for the present condition of the field,

"Be it, therefore, resolved by the Associated Student Body of Willamette that hereafter the official name of the athletic ground shall be Sweetland Athletic Field."

* * *

22 Years Ago — December 11, 1918

A feature of the chapel exercises during the week has been the singing of patriotic songs under the leadership of Prof. Sites.

2 Years Ago — December 9, 1938

"Wiff" and "Dick", Willamette university identical twins, are so identical that when their father took them to be baptized he held up one in the name of the other. Had not the error been detected in time, it is unlikely that even the twins themselves would be able to tell which is which.

The Medicine Dropper

By Keith and Kent Markee

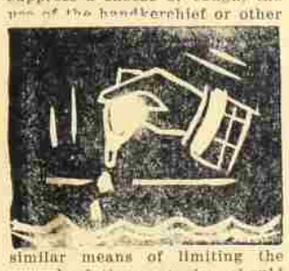
Being confident that "prevention is better than cure," THE MEDICINE DROPPER launches an attack against the common cold.

Little is definitely known about the virus which causes inflammation of the respiratory system other than that the fact that the illusive "bug" is much smaller than an ordinary germ. In fact, it is capable of passing through the finest filter known.

Experiments with these microscopic organisms have proved that they cause the initial injury to the lining of the nose and throat. Then the other bacteria, which are always present in the nasal passages, begin to do their harmful work.

Becoming chilled or exposed, wearing wet shoes or clothing, and being fatigued are conditions which usually precede the infection. Such factors alone will not cause a person to "catch" cold, but they will lower the resistance and make one more susceptible.

When once established, the common cold spreads easily. In crowded places particularly, one should avoid sneezing, coughing, expectorating, and blowing of the nose. If it is impossible to suppress a sneeze or cough, the use of the handkerchief or other



similar means of limiting the spread of the contagion should be employed.

Undoubtedly there are few persons who are not familiar with the symptoms of the noxious visitor. The itching or burning sensation at the primary base of invasion is followed by a running nose, chills, headache, watery eyes, a dullness of the senses, a dry cough, and a fever.

Among the preventative measures which effect the most desirable results are: drink plenty of water, follow an adequate diet, keep the respiratory canals open, and gargle frequently.

If that is not good enough, pos-

It's not particularly unusual for a boy to be happy because of a girl. But it was at the University of North Carolina one day recently.

Walking into class several minutes late with a smile on his face and a cigar in his hand, one of Dr. E. E. Erickson's students startled the professor into stopping his lecture.

"Have a cigar," he said.

Dr. Ericson and the class raised eyebrows and stared.

"I've just become the father of a baby girl, 7 pounds, 2 ounces," the late-comer explained. "You're not going to give a quiz, are you?"

And he took his seat.

After the class recovered its poise, the professor continued with Chaucer. The student was Roy Gibson, 19-year-old sophomore. After class, Dr. Ericson offered proper congratulations.

Musta been a factory throwout.

* * *

The national machinery of education will move 32,285,000 students, from kindergarten to college, another notch ahead this year.

Marvelous—this age of transition.

BRASS TACKS

By PAUL WHIPPLE

GOT WORRIES? Grades not so good? Girl friend making eyes at an athlete? Term papers due before long? What to do after graduation? The prof call you down in front of class? Well, you have my sympathy, for those are my troubles too. And sometimes the sky looks as gray to me as it does to you.

REAL TROUBLES are what these things seem to be, too, until we begin looking around and comparing our woes with those of other young people in the world. Let us stop and consider the matter for a moment. At that, maybe we're lucky to be able to think about grades and girl friends, colds and call-downs. When I get to feeling low I find it refreshing to read about living conditions in the war countries. It usually acts as a real pick-me-up.

MILLIONS OF PEOPLE, after all, are worrying right now where their next meal is coming from. They know that before the winter is out many of them will have died of cold and hunger—if a bomb or a bullet doesn't get them first. Only a few hundred miles away, across the border in Canada, thousands of young men are living in concentration camps, not to see home or girl friends for perhaps years. They are Nazis, yes, and we call them enemies. But they are likewise human beings and fought for what they thought was right. The point is, however, that our lot compared t otheirs is heaven.

COMPARISON ..with ..others worse off than ourselves is the best way to make our troubles seem trivial. Even the problem of finding a job, a bugaboo haunting so many people today, dwindles in importance when compared to the difficulties of keeping alive in European countries. Here, at least, there is no actual danger of starving.

Stubby Says Coffee and Doughnuts Sound OK

By DORIS HAROLD

"Coffee and doughnuts," I ordered as I slid into a booth at "Stubby's," wondering how many times Howard "Stubby" Mills, proprietor, had heard those words since he opened his restaurant across from Lausanne hall in the spring of 1938.

Johnny Lona's arrangement of "Shanty Town" came blaring out of the lukebox, while some 10 or 15 collegiates marked time with spoons and feet. A couple of late-risers from Lausanne indulged in breakfast and several representatives of Willamette intelligentsia "bulled."

Stubby stopped a few moments to answer my questions.

He graduated from Salem high school and soon began working for the "Bluebird," where he was employed until he started his present business. Next year he plans to expand by opening a similar restaurant on another campus in collaboration with the Willamette one.

ORCHESTRAL TALENTS

Playing the trumpet in Guy Albin's dance orchestra, the

"Top Hatters," is Stubby's other vocation. However, he feels that music is too uncertain for a profession.

Though he has served thousands of cups of coffee to patrons, Stubby still chooses coffee with all the trimmings as his favorite food. Sports of all kinds interest him. Although he hates double-features, his favorite actor is Wallace Beery, and his favorite actress is Joan Bennett.

Sandy, his three-year-old daughter, is his favorite hobby. He met his wife, affectionately nicknamed "Willy," at Salem high school, and they started the present business venture together.

When asked his opinion of Willamette, Stubby replied that he thinks the University is one of the few places where the honor system really holds good.

The Social Scene

Sigs Dine and Dance In Colonial Setting

Sigma Tau fraternity members highlighted the winter social season with their annual formal dinner-dance last Saturday night in the Mirror room of the Marion hotel. The colonial theme was carried out in the winter decorations with small colonial ladies used as centerpieces for the tables.

Blue spotlights played upon an old spinning wheel and davenport in one corner of the room. On the silver metal programs was an etching of the Sigma Tau house.

Paul Siewert's orchestra from Oregon State played throughout the dinner and for the dance. Above the orchestra was a large lighted facsimile of the Sigma Tau pin.

Those attending were Betty Jeannet, Fred Graham, Barbara Hollingworth, Ed McWain, Margaret Siegmund, Arnie Hardman, Betty Heine, Tom Fisher, Betty Provost, Ray Yocum, Lois Gladden, Coe Roberts, Suzanne Wilson, Leonard Sinks, Lucy McIntyre, Corydon Blodgett, Juanita Cullens, George Lavatta, Lucy Fisher, Otto Wilson jr., Louise Lucas, Wayne Hadley, Doris Laney, Roger Foster, Pat Short, Mac Dunbar, Shirley Sohrt, Tom Gabriel, Marjorie Van de Walker, Kenneth Sherman, Pat Noonan, Harry Calbom, Jean Longley, Keith Sherman, Dolly Cullens, Hall Simons, Helen Cook, George Codding, Lois Herman, Harry Chadbourne, Genevieve Doud, Ken Cushman, Dolores Watson, Warren Lessog, Phyllis Saunders, Stan Eland, Betty Anunsen, Joe Dwight, Virgie Buzzard, John Martin, Barbara Minor, Earl Toolson, Nancy Boles, Craig Coyner, Dorcas Teisinger, Wade Bettis, Anna Mary Carty, Jim Johnson, Sybil Spears, Bill Hopper, Phyllis Fisher, Wes McWain, Barbara Gearhart, Ed Harrold, Jean Watson, Jim Smith, Doreen Symes and Elmer Smith.

Special guests at the affair were Dr. and Mrs. Robert M. Gatke, Dr. and Mrs. Egbert S. Oliver, Prof. and Mrs. Maurice Brennen, Dr. and Mrs. Daniel Schulze and Dr. and Mrs. Ralph Purvine.

Alpha Psi Formal Features Wes Lang

Winter sports was the theme of the Alpha Psi Delta formal dance last Saturday night in the new Veterans hall. Wes Lang's orchestra from Portland played for the dance, which was broadcast over station KSLM from 10 to 10:30.

Blue cellophane programs with a girl on skis as the cover design carried out the sports theme. The hall was decorated with small Christmas trees and flood lights. Huge bouquets of white chrysanthemums flanked the orchestra pit.

Jack Walker, vice-president and social chairman, was assisted by Joe Colasuanno, host for the dance. Patrons and patronesses were Dr. and Mrs. R. Ivan Lovell, Professor and Mrs. Richard Liebes, and Professor and Mrs. Robert Wilson.

Guests were Dorothea Greenwood, Glen Fravel, Martha Hamilton, William Atwood, Billie Jean Gillilan, Howard Eberly, Pat Hutchinson, Louis Bonney, Dorothy Ann Paddock, Tom Riches, Hazel Bunnell, Sumner Gallaher, Margaret Baker, John Eggers, Edna Gibson, Robert Smith, Enid Nelson, Lloyd Reinwald, Pat Cannon, Tom Davis, Barbara Compton, Charles Roblin, Marjorie Ann Johnson, Leonard Hutchinson, Mary Byers, Dick Espey, Beulah Briggs, Joe Van Winkle, Zoe Fretz, John Gardner, Jeannette Fulmer, Dan Moses, Maxine Aasheim, Cecil Quesseth, Jackie Williams, Ray Lamka, Virginia Hammer, John Hathaway, Lois Phillips, Dick Stacer, Ruthanne Thompson, Vinton Ellis, Sally German, Gene Huntley, Margaret Tonseth, Robert Reinholdt, Estelene Smith, Robert Bailey, Ruth Hedges, William Lucke, Dorothy Engle, George Otten, Bertha Coen, Dean Trumbo, Eileen Lester, William Belcher, Rowena Upjohn, Jack Walker, Elaine Eberly, Harold Abbott, Hariett Crawford, Paul Harrison, Marion Sanders, Paul Sheldon, Joan DuRette, Warren James, Darlene Dickson, Bruce Bryant, Marion Hermanek, Don Sculati, June Woldt, Ralph May, Mary Jane Brabec, William Phillips jr., Mary Jane Simmons, Robert Stone, Wilma Matthes and Arthur Wilson.

Alpha Phi Alpha Lower Classmen Entertain

A holiday air pervaded the Alpha Phi Alpha house Sunday as lowerclassmen entertained dates at dinner. Red and white candles surrounded by holly decorated the table.

Covers were placed for Laura Lee Tate, house president, Dorothy Tate, Maurice Kreutz, Gladys Crawford, Clarence Fagg, Helen Davis, Ancil Payne, Frances Tatro, Bob Price, Phyllis Gueffroy, Brent Dietrich, Barbara Viesko and Bill Bardwell.

Decorations were arranged by Maxine Goodenough and Carolyn Brown.

DTG Entertains at Informal Dance

Members of Delta Tau Gamma were hostesses Friday evening for an informal party held at the Yew Park hall between 8:30 and 11:30 o'clock. A Mexican motif was used in decorations, with Mexican pottery, blankets and gay figures providing the atmosphere. Dancing, including some oldtime dances, provided the entertainment of the evening.

Miss Aileen LaRaut was in general charge of the affair.

Patrons and patronesses were Dr. and Mrs. Charles Johnson, Dr. and Mrs. R. Franklin Thompson, and Mr. and Mrs. M. M. Magee. Dave Hackett of Mt. Angel called for square dances.

Attending the party were Virginia Fulmer, Neil Warner, Jeanette Fulmer, Bill Thomas, Virginia Hubbs, Paul Whipple, Virginia Bendiksent, Merle Hayes, Hermie Palmer, Paul Sheldon, Pearl Bendiksen, Leo Baldwin, Nancy Boles, Robert Dean, Eleanor Sherman, Richard Gookins, Aileen Sechrist, Zeral Brown, Aileen LaRaut, Maurice Kruetz, Hazel Magee, Neil Morley, Jessica Kinsey, Donald Erickson, Shirley Laws, Bob Root, Jean Boyce, Ralph May, Luree Norris, Ken Hughes, Ruth Jones, Art Olson, Helen Boltjes, Lloyd Reinwald, Lola Rae, Floyd Cline, Margaret Magee and Bob Knipe.

Sigma Taus Give Date Dinner

Sunday afternoon the Sigma Tau upperclassmen entertained with a date dinner at the chapter house. Anemones and chrysanthemums centered the table.

Guests were Dr. and Mrs. Robert M. Gatke, Margaret Siegmund, Arnie Hardman, Lois Herman, Harry Chadbourne, Virgie Buzzard, John Martin, Doris Laney, Roger Foster, Jean Longley, Keith Sherman, Pat Noonan, Harry Calbom jr., Barbara Minor, Mark Waltz, Juanita Cullens, George Lavatta, Barbara Hollingworth, Ed McWain, Marjorie Van de Walker and Kenneth Sherman.

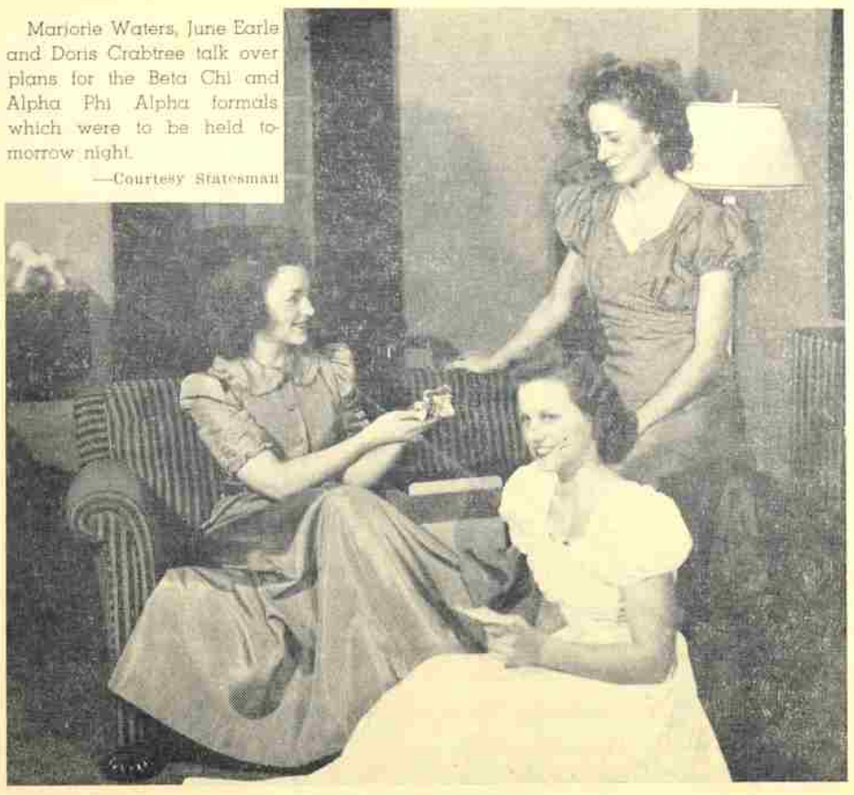
Delta Phis and Alpha Phis Exchange

Members of Delta Phi and Alpha Phi Alpha sororities gave exchange dinners at their respective houses December 5.

The centerpiece at the Delta Phi house consisted of an unusual arrangement of vegetables which encircled a large candle. Guests were Grace Jackson, Mary Swisher, Maxine Goodenough, Frances Tatro, Barbara Viesko, Mary Barker, Josephine Miller, Rowena Upjohn, Bettyanne Kellar, Dorothy Ann Paddock, Betty Keller, Iras McCurdy, Doris Harold, and Barbara Ferguson. Social guest was Mrs. Frank James.

The table at the Alpha Phi Alpha house was centered with a huge gold Christmas ball surrounded with four red tapers, and cedar boughs.

Guests were Jean Geddes, Helen Dean, Maryjane Smith, Chloe Anderson, Esther Gunnesdal, Gwen Griffith, Laura Lee Tate, Charlotte Ellingsworth, Helen Davis, Gayle Denison, Dorothy Tate, Marion Sanders and Hilda Crawford. Mrs. Kirk was special guest.



Marjorie Waters, June Earle and Doris Crabtree talk over plans for the Beta Chi and Alpha Phi Alpha formals which were to be held tomorrow night.

—Courtesy Statesman

Kappas Feature "Karnival"

Kappa Gamma Rho entertained informally at the chapter house on Court street Saturday night. The attic room for dancing was transformed into a winter wonderland with fir trees, cotton snow, silver tinsel and blue lights. Later in the evening, guests were given "Kappa Kurrency," and they proceeded downstairs to the "Kappa Karnival."

Bingo, dart and baseball throwing, fortune telling, and similar concessions were the order of the evening. Dorothy Tate and Maurie Kreutz won the prize for winning the most money.

Popcorn, peanuts, candy, and cold drinks were served.

Ernie Greenwood acted as general chairman with Bruce Van Kyngarden and Cliff Stewart heading the decoration committee. Oscar Swenson the refreshments, and Andy Humphreys the music.

Guests were Iras McCurdy, Winston Bunnell, Frances Whitaker, Gil Leiser, Chloe Anderson, Harry Irvine, Esther Gunnesdal, Cliff Stewart, Mildred Williams, Bill Bardwell, Barbara Jean Pitts, Johnny Stalnaker, Rosemary Riggs, Ward Walker, Ann Talcott, Bob Woldt, Esther Mae Devore, Gib Heald, Edith Paris, Jack Hedgecock, Pat Neimeyer, Paul Wedel, Florentine Mickel, Ernie Greenwood, Margaret Coan, Tom Terjeson, Edith Mohr, Ed Cone, Ruth Finney, Howard Blanding, Mary Margaret Livesay, Royce Coan, Aileen Sechrist, Zeral Brown, Connie Graves, Bob Grannis, Cleo Nisson, Oscar Swenson, Betty Kellar, Wayne Sturdivant, Barbara Young, George McKinlay, Helen Chergwin, Hillis Davidson, Jean Kohagen, Mark Hatfield, Helen Acheson, Art Rathkey, Maxine Holt, Bruce Van Wyngarden, Dorothy Tate, Maurice Kreutz, Laura Lee Tate, Andy Humphreys, Beverly McMillin, Jay Morrell, Ruth Rogers, Bill Bentson, Dorothy Miller, Art Frantz, Betty Cooper and Don Burton.

Special guests were Dr. and Mrs. R. Franklin Thompson and Mr. and Mrs. Walter E. Erickson.

Nadine Orcutt, who is in charge of the Delta Phi formal which was to be held tomorrow night.

Alpha Psi Has Date Dinner

Alpha Psi Delta upperclassmen entertained at a date dinner Sunday afternoon at their chapter house on Chemeketa street.

Table decorations were of pine branches and white chrysanthemums. Mr. and Mrs. Steve Anderson were special guests.

Covers were placed for Elaine Eberly, Harold Abbott, Pat Hutchinson, Louis Bonney, Ruth Hedges, Bill Lucke, Dottie Moore, Winfield Achor, Beulah Briggs, Joe Van Winkle, Mary Jane Cutler, Dick Achor, Eleanor Todd, Dick Jewett, Bertha Coen, Dean Trumbo, Eileen Lester, Bill Belcher, Marilyn Williams, Joe Colosuanno, Jeanette Fulmer, Dan Moses, Jackie Willams, Ray Lamka, Hazel Bunnell, Sumner Gallaher, Zoe Fretz, John Gardner, June Woldt, Ralph May, Jean Bowman and Marvin Humphreys.

By LUANN GREEN

Finals and Flu . . . With 192 flu victims incarcerated at Cowell, rumors ran rampant at the University of California that finals would be postponed until next semester. Warned Provost Monroe E. Deutsch: "Don't place your hopes on it."

—Daily Californian.

— — —

Bowl games have really taken over front pages across the nation. Every city, town, hamlet, and village which boasts a football team has scheduled a post-season affair.

When they run out of bowls I suppose they'll start other household utensils as cognonmens. Imagine Barber's college meeting the Remington Razors in the "Moustache cup." Or Baker's U. scheduling a game with the Groveling Grocers in the "Fine Pan."

—El Gaucho.

Breathes there a man
With soul so dead
Who never turned his head
and said,
"Hmmm, not bad."

—The Siskiyou.

Sorority Dances Are Postponed

Disappointment reigned today among sorority women and their dates who are not afflicted with influenza when the administration announced that social events for the rest of the semester are postponed until January 11.

Cancellations were definitely in order—cancellations of orchestra, halls, corsage orders, hair-do appointments. Coeds who have worked for weeks on decorations resigned themselves to a four-week suspension of activities.

Struttin' in Style

By BETTY KELLER

Coming out for their preview appearance as performers last Friday night were about fifteen of our most handsome college men—and I do mean handsome. They couldn't very well be otherwise with those flashy new shirts they're sporting this year. That novel red and white striped piping (which has been called a new basket weave) around the neck and armholes is indeed just the thing to inspire the boys toward a flashier, zippier game. Then I was wondering if the ladder effect of red and white stripes up each side could be significant—climbing upward to higher scoring or the like.

Fraternities Entertain

Saturday night was the big night for all of our fraternities. By rights I really should comment upon the garb of the boys as it was they who entertained, but not much variety was in evidence. At two of the affairs dark, good-looking tuxedos transformed our school pals into gentlemen as if by magic. Carnations, rose buds and gardenias were bright against dark lapels.

The boys attending the carnival were long formally attired, slacks, sweaters and jackets being appropriate.

At the Alpha Psi Delta dance many of the girls had lovely new formals. **Eileen Lester's** was of black net with a velvet fitted jacket which she shed upon arriving to disclose a beautiful corsage of yellow roses. The skirt of the dress was very full and was embroidered with two large flowers of black sequins. These same sequins were repeated as trimming for the neck and waistline. Our editor, **Marion Sanders**, looked very charming in a black velvet skirt which she topped with a pink chiffon long-sleeved blouse.

Hazel Bunnell also wore a two-piece formal, the skirt of which was of black crepe, with definite back fullness. Hazel wore a bright red blouse over this that was of many inch-wide rows of silk fringe. It closed in front with a rhinestone zipper which was headed by a large matching clip. For flowers, Hazel had a corsage of gardenias and freesias whose whiteness made a lovely color combination for the entire outfit.

The Sigma Tau dinner and dance was an occasion which will long be remembered by the girls who were lucky enough to attend it. **Barbara Hollingworth** looked perfectly lovely in her new period dress of coral velvet. It was made with fitted bodice, elbow length sleeves and huge skirt. For flowers, Bobbie had tiny roses set in white plumes which when worn in her hair much resembled a tiny hat.

Phyllis Saunders was stunning in her white jersey of Grecian style. It had short sleeves and a wide girdle which was responsible for the perfect draping of the skirt.

Alpha Psi Initiates Six

Alpha Psi Delta held formal invitation services at the chapter house Sunday morning following an informal initiation from Thursday to Saturday.

Bill Belcher and Louis Bonney had charge of initiates Peter Faminow, Allan Bartlett, Wally Olson, Sumner Gallaher, Jim Robertson and Jack Chapin.

Following the breakfast and formal initiation, members attended church in a group.

WU Hoopers to Conclude 12-Day Tour Against OSC in Baker December 21

PAGE FOUR | Salem, Oregon, Friday, December 13, 1940 | No. 12

In The Sportlight

With GIL LIESER

For all but those elevens involved in "Bowl" games on Hangover Day, another grid season is in the records. Football helmets, jerseys, moleskins, and cleated shoes, have been stowed in the moth balls, and the brawny athletes can go back to social and scholastic activities, and forget the practice field and chalk talks until Indian summer rolls around again.

As we prepare to depart on another basketball season we are inclined to reminice about: . . . . . the day in early September, when two Portland university scouts climbed over the barbed wire fence back of Lausanne hall to view the Bearcat's grid preview—they were soon ushered out.

. . . the thrill of watching an underdog Willamette eleven push the highly favored San Diego Marines from goal line to goal line in as spine-tingling a game as we've ever witnessed—and the added thrill of listening to the praise of the Marine coaches in a post-game confab.

. . . the prediction we made that Willamette would win the northwest conference "hands down" after watching a rejuvenated Bearcat team hold the San Jose Spartans scoreless in the second half of their game in Portland—and they did, didn't they?

. . . the night we sat before a press table in the stands of Hadley Field, at Whittier, minus a topcoat, beneath California stars—quite a contrast to that "refrigerated" feeling we experienced while watching the Pacific game in topcoat, muffler and gloves.

. . . the afternoon we arrived back in Salem, and Spec, with one of those wry smiles, picked up his suitcase and started for the exit, with a: "I'll face 'em first fellows."—No easy job to return to a student body dissappointed over a defeat which should have been a victory.

. . . the All-conference selections of the Pacific University Index—They placed five Badgers and two Bearcats on their first team

. . . Willamette finished first; Pacific third . . . ho hum.

GRIDIRON HUMOR

Before we kiss the football campaign goodbye this corner would like to offer a few definitions of some of the gridiron terms which have appeared in the column during the past few months.

So here they are folks—maybe the "corn" will ripen before another pigskin parade rolls around.

Quarterback — A gambling term such as "I put a nickle in the slot machine and got a quarterback.

Coach—What you ride in if you can't get a drawing room . . Ed. note: how true, how true.

Conversion—The team blew a three touchdown lead and the coach through a conversion.

Punt—A form of a joke.

Out of bounds—Place where they put the dollar seats.

Helmet—Forf of a bad word—"To helmet the referee."

Fair catch—A six pound trout.

Kick-off—To pass into another world.

Clipping—What you get at a night club.

Pass—Something that gets into the game without paying.

Dead Ball—They served fruit punch so it was a dead ball.

Period—The second key from the right on the bottom row of a typewriter.

Point After—You'll get the point after you think a while. Readers may send vegetables to ye editor somewhere in Montana.

'Cats Trample Brunos, 49-27

Photogs Fall Before Driving WU Offense; "Eb" Plays Great Game

A hard-driving pack of Bearcat hoopers chalked up their second straight victory of the infant casaba season here Tuesday night when they poured 22 field goals and five charity shots through the hoop for a 49-27 victory over the Bruno Studio quintet of Portland.

The 'Cats, with "Spider" Howard Eberly again displaying some of his brilliant backboard work reminiscent of the past two seasons, forged to an 8-6 advantage with five minutes gone and were never again headed.

Besides covering the territory around the backboards, Eberly found time to drop in six field goals for 12 points and high scoring honors. Jimmy "Spook" Robertson trailed close behind his teammate with 10 tallies on four goals from the field and two tosses from the gift line.

WU SCORES FIRST

Willamette registered the first score of the game when Sum Gallagher canned a one-hander from the key-hole after receiving the opening tipoff. Robertson followed up with a long two-hander before the Bruno team found the range.

Johnny Kelly, ex-Bearcat, bagged a lone one to put the Portlanders in the scoring, and Burtch followed up with two rebounds to give Bruno's a short-lived 6-4 lead at the four-minute mark—their only advantage of the game.

Johnny Kolb shoved a one-hander home from side court and Robertson drove in with a cripple to send the 'Cats to the fore where they remained throughout the contest.

Leading 22-13 at the half, Maple's crew started the second period as if intent upon running the tiring Portland club into the boards. At the 10-minute mark in the second half, the Bearcats were out in front 37 to 19, and during the remainder of the game Maple tried out all the hoopers in suit as his charges coasted to an easy victory.

W. U. (49)		Bruno Studio (27)
Toolson	F	8, Gosser
Kolb, 6	F	4, Kastner
Eberly, 12	C	6, Burtch
Gallagher, 7	G	4, Kelly

Officials: Bruce Williams and Billy Beard.

"Wee" All-American Recognition Goes To Walden, Fraiola

All-conference Fullback Al Walden and All-conference Guard Tony Fraiola received additional honors this week when little ll-American selections were little All-American selections

Though Willamette failed to place a player on the little All-America first team, for the first time since the institution of these selections in 1934, both Walden and Fraiola received honorable mention.

Only player from the northwest to make the first team was Marvin Tommervik, triple-threat halfback of the amazing Pacific Lutherans.

Three Bearcats Named To All-Northwest Team

FOREST GROVE, Dec. 12—(Special)—With Tony Fraiola, Willamette's sensational freshman guard, and Marvin Tommervik, Pacific Lutheran's passing ace, polling near unanimous votes to lead the parade, the second annual selection of a little All-Northwest grid team was made by a representative group of collegiate and "college town" sports editors of the northwest.

The sports writers chose the little All-Northwest team from the following teams: Willamette, College of Puget Sound, College of Idaho, Bellingham State college, Cheney State college, Ellensburg State college, Albion Normal, Lewistion Normal, Whitworth college, Pacific university, Whitman college, Eastern Oregon Normal, St. Martins and Pacific Lutheran.

Willamette university's northwest conference champions placed three men on the first team as did Pacific Lutheran's powerful eleven which went through an undefeated season.

Next to Fraiola and Tommervik in votes received were Al Walden, Willamette's kicking and running star, and Dale Underwood, Pacific Lutheran's outstanding wingman.

Joe Holland was the other Bearcat representative on the All-Northwest first team, Johnny Kolb, veteran Willamette end, was nominated to a second team position and quarterback, Larry Drury, was among those receiving honorable mention.

Bearkittens Win Second Straight; Nip Lebanon 21-25

The Willamette Bearkittens won their second straight hoop victory Tuesday night, at the expense of the Lebanon high club to the tune of 25 to 21.

The game was close all the way with the score knotted several times. The frosh looked ragged most of the time, but seemed able to get points when they really needed them. Jones of the 'Kittens was high scorer for the evening with 10 points.

The half-time count was deadlocked at 10 to 10.

Graham Sparks Bearkittens To Initial Hoop Win

Fred Graham of Longview, Wash., hit the hoop for 10 points Friday night to lead his Bearkitten teammates to a 27-25 victory over Commerce high of Portland.

Willamette's rookie cagers got away to an early lead which they maintained throughout the game, despite a last minute threat by the high schoolers. The 'Kittens held a 12-10 lead at the half-way mark.

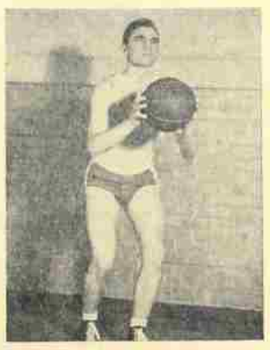
Saturday's Heroes

By CLIFF STEWART

When Jimmy Robertson came to Willamette in the fall of '37 he was a good athlete, but his work on the basketball floor lacked the polish that is required of a varsity hall player. Although he was unable to crash the starting line-up for his first two years he continued working hard until this year he has earned a position with Willamette's first five.

"Spook" learned the fundamentals of basketball at Albany high school where for three years he held down one of the guard positions. In his senior year he made the all-district team, and that same year was high scorer in his district.

This hard playing athlete also earned three letters playing



baseball for Albany high. For three successive years he was named on the all-county team. In his senior year he won the award presented to the most outstanding athlete in school.

In addition to athletic activities, Jim was vice-president of the senior class of Albany, a member of the Hi-Y, and a member of the high school honor society.

PLAYS THIRD YEAR FOR 'CATS

This winter Jimmy is starting his third season of Bearcat basketball. The "Spook" played with the frosh his first year and the following year became a member of the varsity squad. Last year he played a lot of ball for the 'Cats, and big things are expected of him this year. In his first game this season, he led the scoring, collecting 14 points.

Next spring Jim will play his fourth year of baseball for Willamette. Last year he caught every inning except one inning when he moved to the outfield. Spec placed Robertson on his all-conference team.

During summer vacations Jimmy plays baseball with the Albany semi-pro nine. Last summer that team won the state championship as well as the regional title.

In recognition of the contributions he has made to Willamette athletics, we place Jimmy Robertson among our **Saturday's Heroes.**

'Mural Musings

By PAUL SHELDON

Mormons Snatch 1st Half Bowling

The Mormons clinched the first half of the bowling schedule Wednesday by virtue of a victory over the highly touted Kappa keglers.

This match completed the first half schedule. The second half will begin in January, and the two winners, provided the Mormons don't repeat, will meet for the championship.

This column would like to see a much larger league for the next half. There is no reason why there shouldn't be. Bowling is a lot of fun, and darn good exercise, and the management of the Perfection alleys has gone more than half way to give the students a fair break. This is not a paid advertisement, but merely a note of appreciation.

An all-star team for the first half of the bowling league will be run in this column in the next edition of your Collegian. This team will compete against a similar team from Linfield college sometime in January. Plans are being made to schedule matches with some of the other Oregon colleges, but nothing definite, outside of the Linfield match, has yet been arranged.

The final standings for the first half are as follows:

	W	L	Pct.
Mormons	9	3	.750
Kappas	8	4	.666
Sig Sophs	3	8	.270
Spartans	1	10	.90

Volleyball Play Off Slated

Three teams have already won berths on the volley ball championship playoff, and the fourth will be decided when the Law School and the Alpha Psi B's meet Monday.

The Alpha Psi A's, the Kappas, and the PE Staff have reached a three way deadlock for first place, all three having exactly the same record. The PE Staff will meet the Alpha Psi A's in the first game of the playoff and the Kappas will meet either the Psi B's or the law school In the other.

Complete and final standings for the end of the regular schedule are as follows:

	W	L	Pct.
Alpha Psi A	5	1	.833
Kappa Gamma Rho	5	1	.833
PE Staff	5	1	.833
Alpha Psi B	3	3	.500
Law School	3	4	.500
Sigma Tau	1	5	.166
Kap'a Ga'ma Rho B.	0	6	.000

Ping Pong Loop All-Stars Named

With the intra-mural ping pong schedule officially closed, and the Alpha Psi A's the champions for the third consecutive time, a few things remain to be said about the sport before we wrap it up in moth balls until next year.

Dunbar

First is the choosing of an all-star team. Intra-mural sport reaches more students than varsity sports do in the way of participation, and outstanding participants in 'mural sports are, in the opinion of this column, entitled to some recognition.

So, here goes:

Toughest position to fill was the No. 1 man. It was a battle all season between Dan Moses of the Psis, and Malc Dunbar of the Sigs. These two defeated everyone they played except each other, and in six games (two matches) they each won three. That's about as even as any two men could be.

But, because we feel that Dunbar was a little the better offensively, the nod goes to him. This automatically places Moses in the No. 2 slot.

KILKENNY THIRD

No. 3 position is awarded to Bill Kilkenny, Bearcat Ace star. There isn't, in our minds, much room for argument here. Kilkenny, while losing to Moses, is undefeated by anyone else in the league, not having played Dunbar.

No. 4 position goes to Johnny Eggers of the Alpha Psis. Eggers' only loss in league play was to Kilkenny, and while Art Wilson is yet to be defeated, we believe that Eggers has met a little stiffer competition than has Wilson. Therefore Eggers is four and Wilson five.

Our two doubles teams are composed of Moses and Wilson of the Psis and Dunbar and Foster of the Sigs.

The second team is, in the order of their positions: Williams twins, one and two (we can't tell the difference), Atwood, Olson and Gallaher; doubles: Williams twins, Bearcat Aces, and Eggers and Smith of the Alpha Psis.

Figures Give Cats Big Edge Over Opposition

Through Willamette's 1940 grid record of four wins in nine starts was not particularly impressive on paper, the Bearcats man-in-motioned themselves to 155 points while holding opponents to 76, and ran up a net average of 302 yards per game while holding opponents to a contest average of 165.7 yards.

The Cardinal and Gold crew showed to advantage on rushing defense, holding their nine opponents to a ground gaining average of but 105.7 yards per game.

Passing more than any Willamette club has in history, the Bearcats attempted 138 aerials, better than 15 tosses per contest, and completed 51 for 935 yards gained.

In the punting department, mainly due to the remarkable toe work of Sophomore Al Walden, the Keenemen outshone their adversaries. The Bearcats booted 58 times for an average kick of 37.4 yards. Opponents could do no better than a 36.4 yard average in 74 thumps.

Ted Ogdahl scored five touchdowns for 30 points in conference play to take the league scoring honors. Gene Stewart, Bearcat back, and Ralph Bennett, College of Idaho's top ranking offensive threat, both scored four touchdowns, gaining second honors with their 24 points.

Fourth spot in the league's individual scoring column went to Len Gilman of Pacific with 19 points, accomplished on three touchdowns and one conversion by placement.

Darrell Underwood, CPS, all-conference wingman, booted the ball through the uprights on five of six occasions to take conversion after touchdown honors.

W. A. A.

By MARJORIE HERR

The much-praised "loyal sons of Jason Lee' are a fine bunch of fellows. They work while they work (or would if they worked, probably) and yet seem to find stamina enough to play a game or two (please note: we are referring here to big muscle activities such as basketball, badminton, ping pong, etc.

But what's the matter with the daughters of Mrs. Lee? Why aren't you ever found out exercising? Are you all looking forward to a quiet life of embroidering, and preparing for it with an inactive youth—your most strenuous exercise being an exhausting run to make a 7:45?

Nine girls out of ten will say they like sports but just can't play very well, yet most of that nine could soon learn to play well enough to have a lot of fun if they would just get started.

The Women's Athletic Association offers 14 sports: soccer, basketball, badminton, ping pong, volleyball, swimming, tennis, archery, golf, softball, hiking, biking, bowling and skating in which each and every Willamette girl is welcome to participate. The present sports on the calendar are badminton, ping pong, bowling, and skating. Come on out and try your hand at one or all of them—it may be easier than you think.

NEW MANAGERS

At a general meeting held recently the following managers were elected to replace girls who did not return to school:

Volleyball, Gayle Denison; swimming, Mary E. Wiley; golf, Dorothy Moore; bowling, Zoe Fretz; swating, Pearl Bendiksen.

The following organizations are entering teams in the intramural basketball tournament: Independents, Alpha Phi Alpha, Lausanne hall and Beta Chi.

The opening game was played yesterday at 4 o'clock between the Independents and Lausanne hall. Alpha Phi Alpha and Beta Chi teams will play Monday at 4:00.

'Cats Wallop Packard Club

Robertson High With 14 WU Men Hot On Foul Line

Willamette's Bearcat basketeers got away to a good start in the 1940-'41 casaba race Friday evening, when they pasted the Pacific Packards, 42-24 in the local gym.

Coach Howard Maple turned loose his entire squad of 15 players on the invaders to get a line on comparative performances, and, with the heat on, the 'Cats proceeded to build up a substantial 16-8 half-time lead and then run the Portlanders ragged in the second canto.

Both clubs were slow in starting. Two converted charity tosses gave the Packards a 2-0 lead which they maintained until Rookie Earl Toolson knotted the count at the six-minute mark. Kolb sent the Maple men ahead with a two-hander from close range, but Hergert tied the score at 4-4 with a tip-in.

Jimmy Robertson swished the hemp with a long one, and the 'Cats were out in front again, never to be headed during the remaining 30 minutes of the contest. Robertson then went on to can five more field goals and a pair of gift tosses for 14 points and the night's high scoring honors.

The WU cagers were amazingly hot from the free throw line, cashing in on 10 of 11 charity chances.

Maple's outfit looked surprisingly strong for their first time out. The ball-handling and defensive work of the Bearcat crew was exceptionally good for so early in the season, as was their shooting average of .333. Their weakness which loomed the largest was their lack of finesse under the boards.

Ogdahl First Freshman To Top Bearcat Scoring

Ted Ogdahl, only freshman member of Willamette's regular backfield, and the all-important man-in-motion in the Bearcat's streamlined offense, set something of a record in recent WU athletics when he finished the grid season with 42 points to lead his teammates in the scoring column.

The Portland lad's feat marks the first time on record that a freshman football player has held down the top spot in Willamette scoring figures.

Gene Stewart, Ontario junior who played his best college football during the past season, scored the only touchdown for the Bearcats against Whittier, bringing his season's total to 30 points.

Other Willamette scorers include:

	T	C	TP
Kolb, end	2	3	15
Furno, halfback	2	0	12
Owens, fullback	2	0	12
McKeel, fullback	2	0	12
Drury, quarterback	2	3	9
McGlinn, halfback	1	1	7
Burgess, halfback	1	0	6
Walden, fullback	1	0	6
Reder, end	0	2	2
Fraiola, guard	0	0	*2

*Safety.

Walden Leads Runners Reynolds Tops Passers

"Boomin" Al Walden, Willamette's ace fullback, topped the Bearcat football club in rushing yardage gained according to statistics released this week for the nine game schedule.

Walden averaged slightly more than seven yards an attempt in 74 rushing tries for a net yardage of 521 yards. The spectacular sophomore from La Jolla, Calif., rated as the premier Willamette punter, kicked 44 times for 1754 yards and an average of 39.6 yards per boot.

Leading net offensive threat on the cardinal and gold roster was Buddy Reynolds, who marked up a net gain of 766 yards in 133 trials. Bombing Buddy attempted 71 passes, making good on 28 of them for 593 yards.

Ace pass receivers were two former Portland high preppers, Ted Ogdahl and Bill Reder. Ogdahl, the club's high scorer, caught eight passes for a gain of 203 yards. Reder grabbed 11 aerials for a total gain of 196 yards.

Complete team statistics:

	W.U.	Opp.
Yards gained rushing (net)	1787	952
